TRINIDAD  
MONDAY 30<sup>TH</sup> OCTOBER 2023

**BRO. VIN A. DAYAL**

I want to say a pleasant good night to all God's servants. It's truly an honor and a privilege that we could gather for fellowship tonight to speak on these things that we are all looking at and are interested in, because as Ministers of the Message, these things hold our interest when we see things that we read in the Message and for years we know that the time will come, these things will begin to be made more visible and be manifested in the earth.

And so, it's good when God could have a servant that is sensitive to the Holy Spirit, referring to our beloved Bro. Samuel, and being sensitive that this is a good opportunity that we as Ministers can come and gather together and draw from each other how God is opening up these things. And that's why I think it's truly a blessed privilege for us to be gathered together tonight.

You know, Brazil is the largest Catholic nation in the whole of Latin America. And you know, you all as Ministers are in a Catholic country. And... So that means the power and influence of Rome in any nation—because she doesn't stand by and look at things; she moves to control things. And surely, with things like this, what is happening, it will take an awareness in the hearts of the Ministers to see what kind of narrative is coming through the communication networks.

Because she is the one who is behind the control of the communication media networks, which are really the rulers of the darkness of this world that is blinding the minds of the nations. Because her cup of

abominations is what she has drunken the inhabitants of the earth with. And the Bible says, “She has bewitched the nations by her sorceries.”

So, when you have Rome, the ‘iron’ that is in all the toes, that power of the Roman system goes through the earth because she is the one that is laying together with the kings of the earth and the rich merchants of the earth, and they are the ones who she works her will and her influence through. That’s why we see the value of God sending a Prophet in these last days. And not just sending a Prophet, but a Prophet who came and in the days of his sounding, the Mysteries of God that were sealed up in the Bible will be finished.

And so, when we see how these things have covered the earth, you know, we know that there will always be a way that she will operate to conceal herself. And that’s why before we saw Jezebel in the New Testament and in the Book of Revelation, we saw Jezebel in the Old Testament first. And in the Old Testament, which was a shadow, we saw how she operated, controlled the nations, started the wars and did all these things. She was the one behind it all. And she was the one who had control over the judges, over the witnesses, over the nobles in Israel. And the people who were ruling the nation in those days, she had control over them.

So, when we look today, we realize that this is not a normal power that we are dealing with. Because people like us, what influence do we have in the world, so to speak? We might have an influence in a region in our nation. We might have fellowship with other churches in the Message that we have a bond and a fellowship together with them. But as far as the world is concerned, there are one hundred and ninety-five nations on the earth. And when we think that there are one hundred and ninety-five nations, and the Message was to go into all nations before the end comes. This Gospel must be preached into all nations and then the end shall come.

And when God would say something like that or give a promise like that, then God interprets His Own Word by bringing It to pass. So God will have men in those nations that He will inspire and lead them. Just the same way the Message rose up in Brazil and went through the nation in such rapidity and such power and influence, that there were so many churches in so many cities, and even in remote places in Brazil, because it was the Spirit of God moving upon men to spread the Message.

Brazil was one of the earliest nations who had websites, who were printing books, who were doing different things and sending it out. They weren't waiting for Jeffersonville or other things. They got up and they rose up because they were interested in their nation. And as far as I know in all my travels, that was one of the outstanding nations, in the sense that, they had over five hundred Ministers under one man. It wasn't like thirty or forty leaders in the country; it was one man. And all of these hundreds of Ministers rallied around this man.

What I am talking about is how God moves in a nation. And you do not find that pattern in every nation. But because of the role that nation has in the earth and the wisdom of God, that when you look today, you even have a bunch of young men raising up preaching the Message. And when I see those types of things and even hear some of the young men how they are catching the Word and the zeal and the hunger and the interest to know these things, it's a very motivating thing.

Last week, we were speaking about—we were looking at the present events and talking about it. And we were talking about Israel and looking at Israel from a Biblical perspective. I am sure many of you Ministers have observed by watching the news and all of these things, the Catholic church is never mentioned as a power in the earth. Yet when we read the Message and we read the Bible, we realize she is the power in the earth, not

America. Revelation 13 says this beast from the earth was an image of the Beast from the sea. And this beast from the earth spoke like the Dragon before it. It was made for the Beast of the sea.

Because when you think of the United States, they have over eight hundred military bases in the earth. Yet for all the last wars they have fought since 2001, they haven't won those wars. Up to recent times, they had to run out of Afghanistan, leaving all kinds of weapons, all types of trucks and... So many of the things that they carried to operate in that part of the world, they had to leave it.

And then they found these weapons ending up on the black market, ending up with Hamas and many of those—the people there. Many of the weapons they were sending in Ukraine are ending up out there. And this allows us to see how a lot of these things that are happening are outside the sphere of the media, but yet shows how many governments, behind the scenes, are involved and supporting a lot of these things.

Tonight, I want to focus a little bit again on the present events that are presently unfolding in Israel and the West Bank and Gaza. Because just like Rome and the United States, Israel is also one of the main characters in the End Time drama that is to take place in the last days. And any Message believer who has studied the Message, their eyes will always be on Rome, on the United States, on Israel, because special attention has been given to these nations in the Scriptures for the last days.

Since we are not traveling into these countries, our information is coming through media communication networks, about what is happening there. And this is where many are being sidetracked. Because first to begin with, the lying spirits that are coming out of the mouth of the Beast and the Dragon and the false prophet, are gathering the nations together. What is this mouth? What is this mouth saying?

Remember, Revelation is a Book of symbols. You're not naturally somebody with a recorder with the Pope stand up there speaking and they are taping his voice. He is not talking that there in a mass. No. Those things come through the media, and not Vatican media.

So, that is why there is an invisibility about this fourth Beast that is prophesied in the Book of Daniel. Because Daniel is very clear and very specific and very dramatic when writing his visions about this fourth Beast and the evil king, that Daniel called him 'a little horn'. And he saw him in a vision and a mouth was given to him and he was speaking great things, and he cast down stars from Heaven to the earth and these things.

And so, that creates a great interest: "What does this symbolize? Where are we going to find this power?" Daniel said, "This fourth Beast will devour the whole earth, break it up in pieces; stamp the residue," as he describes the violence that this symbolic nation is going to operate with, in the earth. And with all the news you hear, you don't ever hear, "And the Vatican went into this place and they bombed the place out," and, "The Vatican did so and so." You don't hear that.

So now, sometimes people are kind of looking for that to happen down the road, that the Vatican will do it one day. But when we understand that, the beast from the earth was made for the Beast of the sea and the Beast of the sea, his will is being carried out by the beast of the earth.

Because remember, in the Book of Daniel, there are only four Gentile nations relating to 'the times of the Gentiles'. So, when we look at those four Gentile nations, there were two Eastern nations and two Western nations. Babylon and Medes and Persia, those are Eastern nations, and Greece and Rome are Western nations.

And so, that fourth power that is so described in the Book of Daniel, and especially when we go from Chapter

7 to Chapter 8, Chapter 9 and Chapters 10 to 12, this Beast is very evident in these chapters. And the biggest Catholic nation is Brazil. The Vatican is about twenty-five miles or something like that. Canada, the population there is small.

And in the United States the Catholic population has grown in the last few months and has exceeded beyond the imagination of people by millions of people coming through the borders of the United States. And the people are just watching these things. But all of that is planned. Because all the years they couldn't come in; now, it's millions who have crossed in the last few months.

It's a deceptive move by the Roman power to flood America with all these Catholics and put them out in the different states of the United States. They will control that nation completely by immigration. They can't lose a next election. She is there to stay. She will lead that nation to its destruction.

Now remember, we were taught these things through the Message of the Hour. And then that's why the news today and the events that are happening on the earth, it gives us a clear understanding of how the prophecies that we read about in the Bible and are put in symbols, that they don't look like much, but we are seeing in the reality how these things are coming to pass.

So, I am sure, you know, some of you Ministers, maybe who have followed the Message closely, now the people, the churches and they, should be getting full up as well and the Ministers are seeing all these prophecies are coming to pass. And all of these are flashing, red lights of the sign of the Coming.

Now remember, the Roman Catholic system, they have about 1.4 million people in the system – Roman Catholics. She is in all nations. But watch and see, with her being in all these nations on the earth, yet her—the majority of these people are not in the Vatican, are not in Italy, Rome; are not in Europe. Because from

Canada, which is now a Catholic nation, the United States, which is a Catholic nation now, (used to be Protestant at one time but now Catholic,) and from Mexico to Chile, are all Catholic.

Think geography now. The two big continents: North and South America and above North America, in there you have Canada. Canada and the United States make up North America. And then from Mexico to Chile make up South America. That is predominantly Catholic.

Now watch this. Have the map in your mind. North America, Central America, South America – predominantly Catholic. On both sides, the Pacific side and the Atlantic side, are the two largest bodies of water on the earth. It takes about seven hours leaving Florida to go into Europe, if you are traveling by plane. And it takes almost double that if you are going now, from Los Angeles all the way to Israel, Japan, or whatever place you want to go to.

The point there is, that is the most secure place in the earth, in an Age like this that we are living in. Because any missile, any warship, that any nation that wants to invade to occupy that nation, it will take them that kind of hours before their missiles could strike there. Then plus that, some of the most valuable minerals and resources are in those countries. But that is a region that has, for hundreds of years since the Conquistadors had left Europe to come, and met those native American Indian tribes, millions of them there, and they killed them out, then they put them on reservations. Then they keep them using drugs, which in those days were alcohol and these things, to disorient the people, break them as a power and have them on reservations.

Well, what is going on in the Middle East is a similar thing. Palestinians, where did they come from? Israelites, where did they come from? Arabs, where did they come from? When you go back to Genesis, eight people came out of the Ark into the new world, and from eight people coming out of the Ark into the new world,

it's now a hundred and ninety-five nations in the earth. And with a hundred and ninety-five nations in the earth, one hundred and ninety-three are member states of the United Nations, and the other two countries are not member states of the United Nations, that is the Vatican and the State of Palestine.

So here we have so many different races, so many different colors of people, so many different languages and it's Noah's three sons that populated the world, because Noah had no more children other than those three sons.

So remember, everything has an origin and if we have to understand something that is here today, that is happening in the world, which is made up by these nations... White man, red man, black man, yellow man, they all came out of Noah's three sons. So where is all this prejudice, discrimination, war, all these different things, you know, hate and all these things? They are not watching the Bible. They are watching the nations as political men who divided it up.

You Ministers are Message readers. The Ottoman Empire was a big empire and Bro. Branham gave the description of when World War I, how the war stopped mysteriously – the eleventh hour, eleventh day, the eleventh month, 1918. Nobody knows how the war stopped. The Prophet looked and said, "It was that Angel who said, 'Hold the winds! Stop this war!'" And when the war stopped...

Now remember, that was the same Angel Who—the Angel Who stopped that war, was the same One Who was talking to the boy in the woods, carrying the pail of water for his father to make whiskey. He was seven years old. That means that was in 1916. Because he was born in 1909, and at seven years old, he's in 1916, and World War I was from 1914 to 1918, and it was that same One Who told him, "Don't drink or smoke; there's a work for you to do when you get older."

Then when the Second War stopped (because that was 1939 to 1945 – World War II), and May the 7<sup>th</sup>, 1946, that Angel came in the cave and said, “I’ll give you two signs as Moses was given two signs.” And he was being sent out just when you had the Jews getting ready to go back into their homeland. Because in 1948 they became a nation, and the oldest flag, the six-point Star of David, was flown there when they came as a nation.

And here was the Prophet going out to start this healing revival. Israel, the fig tree, was budding. Because Jesus said, “When you see Israel begin to return, when the fig tree begins to bud, and they begin to go back to their homeland, that is a sign that that generation will not pass away until all these prophecies and things spoken of in the Word, will be fulfilled. And so, when he went out, he went out to start a healing revival among Gentile nations.

You’ll remember how he told us that, you know, these men told him, “Bro. Branham, we sent out the Bibles and everything else, and those Jews are ready to receive the Messiah and, you know, God is going to use you mightily there and we are expecting great crowds” and everything else. And so, he said he had his ticket in his hand. They started to board the flight and he was going, you know, to the plane and that same Angel, again: “Stop! You are not going there! Change your ticket; go through India! Israel will have their two prophets.” You see, he didn’t know the Bible in all those things yet.

So, those people told him, “Bro. Branham, when the Jews see this sign that you have there, you know, they will come to Christ!” Later, the Prophet said, like Moses, he never did one miracle. He said, “I never did one miracle. I was just standing there, and He was using my voice. I can’t bring these miracles. I do not know the people. He shows me them in a vision, and I just speak what I see. And if He doesn’t give any vision, I would close the meeting and go home because I cannot manufacture a vision.” But at that time, you know, he

was not thinking in all these places. He knew there were manifestations. So, he was listening to these men who wanted to set up these meetings and bring the Jews to Christ and all these things.

So, I hope you see what I'm doing. We are dealing with Israel but I'm watching this through the Message, not through the news media. I am watching this through the Bible, how it is put in the Bible, not what all kinds of people are getting up on some program and trying to teach prophecy and trying to explain things. And they are blind, in a denomination, but they want to teach the Book of Revelation.

From Revelation Chapter 1 to Revelation 22, there is a man, an Angel, a man who was showing John what the visions meant, until John went to bow down to worship the man. He said, "Don't do it!" The man refused worship. He said, "I am just one of the fellow-servants and of the brethren, the prophets." We see that Angel, that man who revealed the Book of Revelation, that as we come face-to-face with him in this mysterious Book of End Time prophecy, he was the Seventh Star in the right hand. He was one of the angels who had one of the Seven Vials who told John, "Come, I will show you the judgment of this great whore." He opened up the Mystery of this Mystery Babylon, that woman Jezebel, because he is the Seventh Angel Messenger. In the days of his sounding, the Mystery will be finished.

What did God tell Daniel? "Seal up the Book, Daniel. That is not for your time. Knowledge shall be increased in the last days. I have a time and season. These things that I show you in the vision, you just write it. There is a time when I will bring it to pass in its season."

Then when we look again, John went to write what those Seven Thunders uttered and this One said, "Don't write it. But in the days of the sounding of *the* Seventh Angel, these Mysteries will be made known." That is why in time and season, God gave dreams and visions; how they saw him interpreting mysterious writing on the

rock. He said “Those were the written Mysteries in the Bible, starting from Serpent’s seed all the way down to the Messenger in the Latter Rain.

But then he said it’s like an instrument came down and he ripped the top of that rock off and it had white granite. He said, “No light ever shone on this – the unwritten things that were sealed up. In *Standing In The Gap* [1963-0623M -Ed.] he said, “The rock in the brother’s dream represented the Bible.” And man had given all of these ecclesiastical interpretations over the years.

But here was this little boy in the midst of World War I, seven years old; here was the boy visited again after World War II when the Jews were going back in their homeland. Here was this one who wanted to go to Israel and God said, “No. That is Jewish. Go through India and come back around. That is Gentile. You are the Gentile Prophet to the Gentiles.” Glory be to God.

So, when we look and see how all these Truths are scattered out in about twelve hundred tapes or Message books but they find their connection in the Bible, where line upon line, precept upon precept, here a little and there a little; where we see the unchanging God in the unchanging continuity of His Word. All of these twelve hundred scattered pieces of the Jigsaw Puzzle began to come together and we began to see the picture. This is what makes the Message so great.

And so many people walked away from the Message. They say, “Oh, Bro. Branham,” you know, “told that wrong and told this wrong and that is false and this is this.” They are trying to understand spiritual things with the human mind. Never a man taught the Bible like him. He never went to any seminary. His mother was a Catholic and his father was a hunter, making moonshine whiskey and these things. The boy had no education but he was foreordained because his life was foretold in the Bible and he had to come in time and season in the plan of God.

And when that time came, God had many of you all being born in the earth and growing up as well. And those books ended up in your hands and then you began to read and began to get awakened in the days after he came and went.

He left in 1965. We are in 2023, fifty-eight years on the face of the earth from the going of the Prophet to the present Hour. Look at the things we have seen! Look at the wars! Look at all the evil! Look how nations have been oppressed by the big industrial powers. Look at the lies and deceit that have covered the earth with darkness.

But yet those books that fell into your hands, don't you believe that same Angel, the Holy Ghost, passes through the neighborhood and comes and visits while you are studying? He didn't materialize Himself to you, but you felt the Anointing; you felt the Presence. You were studying things and you couldn't put it together and then all of a sudden, it was like your understanding began to get enlightened and things started to connect in the Word.

What did Jesus say? "After I go, the Comforter will come, even the Spirit of Truth. He will bring back what I spoke to you, to your remembrance, He will teach you all things; He will show you the things to come." 'Things to come' are the future. That's prophecy. "I will make My abode with you."

And you say, "You know, I had a nice experience; I had a nice revelation today. Oh, I couldn't wait for the service to go and preach." And sometimes, you were not too sensitive, the Lord passed through there and dropped a handful for you. But because you didn't see anybody, it was coming to you as thoughts in your mind and things were being connected and you started to see certain things clearly.

But as you begin to live in the consciousness of how He brought you, the stages of your experience, you say "That had to be the Lord there because I did not have

that thought. I never really thought of preaching something like that and it was like that just came into my mind.” Because it takes a certain amount of fellowship after a season to kind of get close where you begin to understand things that you were overlooking. That was His... He was unseen. That was His Divine Presence. He was transmitting His thoughts into your mind and you were getting stimulation of the revelation that was breaking and you were thinking, “My, we are going to have a good service tonight.” Yet His Presence was unrecognized and then you realize “Wait a minute.” It was not you. He transmitted those thoughts to you because He knew He put a receiving set inside of you. And when those things begin to be made real and personalized, it gives you confidence.

So here we are at this junction and when we look, we must see the pieces on the chess board. Satan and God are sitting down there. It is a great game of chess that is happening in the earth. And Satan has a plan because he is building an Eden and he is getting ready to be enthroned as God. And he has a plan that he is going to sit down in the temple in Israel and be worshiped as God – the man of sin sitting in the temple. And Satan is reading the Book and he knows that’s a prophecy about him. He is the man of sin. He knows Revelation 13:8 says, “And the whole world, whose names are not written in the Lamb’s Book of Life, will worship the Beast.” He knows he is that Beast.

The same way, you look in the Bible and you say, “We are part of the Bride. I see myself in Ruth. I see myself in Esther. I see myself in Sarah.” In Sarah: “We are going to be changed and come back young.” In Ruth: “We are going to find Redemption at Harvest Time. We will be married to the Man Who was born in Bethlehem of the tribe of Judah, the mighty Man of wealth, the Kinsman Redeemer Who could pay our Redemption price.” You are seeing yourself in the Bible. You are seeing the pictures.

It doesn't have pictures of you alone; It has pictures of Satan too, and he is seeing his pictures. That's why the Bible says, "He knoweth his time is short." Because he is seeing a lot of God's prophecies are coming to pass and he is trying to blind and distract and divert the attention of Ministers and people away from the reality of what is happening. He is desensitizing the people. What did the Prophet say 'overcoming' was – *How Can I Overcome?* [1963-0825M -Ed.] "Recognizing the Devil at every one of his tricks."

Who came to Jesus and started to quote the Scriptures on Mount Temptation? "It is written. It is written." Who came to Eve quoting what God said and injecting a little word, 'not': "You shall not surely die"? And she was insensitive that that was Satan enticing her and pulling her away from her protection, which was, to stay behind the Word.

So that's why where we are at, we have to see the picture in the Book, otherwise, we will find ourselves talking a lot of news media. But our information doesn't come through the news media. The Secret in the back-part of God's Mind is put into the heart of the Bride, and the Bride has the mind of Christ and She knows what He wants done with the Word. Open the Rock beneath the Rock that we might see Jesus and His program for this Hour; walking in the rhythm of the symphony of God's Word, knowing the junction, knowing the change of beat; knowing what is happening. So that is why sometimes, it is easy to be influenced by the rulers of the darkness of this world.

I trust that so far you are able to follow me in the way I am presenting these things to you. Out of three sons of Noah, there are now a hundred and ninety-five nations: different continents; different color people. Peru, you have Incas. Mexico, you have Aztec; you have Mayans and all these things; indigenous tribes – ancient civilizations. In Africa, the 'Dark Continent' – ancient civilization. South Africa, twenty-five thousand healed,

thirty thousand saved; seven truckloads of wheelchairs and these things. The tribes that were fighting one another, started to come together – Africa, the ‘Dark Continent’.

India, the land of thirty-three million gods – ancient civilization, yet when he changed that ticket and went through India, oh my, and he challenged all those religions with the blind man there worshiping the sun, worshiping the solar sun; sent him blind, but when that gift began to operate through this one who had the Ministry of Elijah and the Son of Man and revealed the man’s life and pronounced the man well and the man’s eyes opened, and all the people knew that this blind man, his eyes actually opened and they saw the evidence right there in the meeting.

God went through the ancient civilizations: raised the dead in Mexico down there among the Aztecs and them, opened the eyes of the blind up in India, seven truckloads of wheelchairs down in South Africa with all the voodoo and the witchcraft and all these things. Then God sent him into the scientific civilization of this Age: Germany, Norway, Finland, raising the dead up there. The witches came and tried to blow down the tent and the power of God defeated them right there. Thousands came to the altar.

He went all through from the East Coast to the West Coast in the United States of America; went up into Canada, present-day civilizations, science civilizations – ancient and modern, with the Bible, showing Jesus Christ is the same yesterday, today and forever.

Then when he finished those things, the Seven Seals now had to be opened. And those things in the Book of Revelation that was sealed up there, now that very man whom John saw in the vision, that Seventh Star, the Seventh one out of the others, (it was seven in the right hand,) that one who didn’t just have a Message of mercy and redemption, he also had a Message of judgment...

Because a prophet is always a sign of coming judgment. And so here, he who was seen as one having one of the Seven Vials, and he was uncovering the mystery of this woman on this scarlet-colored Beast. And then he also showed to us, that Jezebel who was mentioned in the Old Testament, is coming over here in the New Testament as well, in the Thyatira Church Age.

‘Pergamos’ means ‘*married*’ – when church and state married together. And ‘Thyatira’ is ‘*dominant female*’ – where that woman Jezebel, how she used the power of the state to kill sixty-eight million Christians. “Because in her was found the blood of the saints and the martyrs and of all that were slain in the earth,” the Bible says – Revelation 18:24 – this power that the world didn’t know; this power that Israel does not know. Israel knows pagan Rome, who, under Titus, scattered them into all nations. But this power, Israel does not know that that is the same spirit and the same power; only changed the outward texture.

And this power that was shown in shadow in the Old Testament, when she married Ahab and came into the ten tribes, (because he was king over the ten tribes,) and then from Judah and Benjamin, her daughter, Athaliah, married Jehoram, and now she was controlling the whole nation. And the Prophet came and showed us, “Israel is a type of the United States. And the same history of Israel in the days of Ahab and Jezebel, is now repeating itself in the United States.” And he said, “Don’t fear the Iron Curtain and the Bamboo Curtain; fear the Purple Curtain.” And he was unveiling...

And yet today, you have so many Ministers in the Message who can’t seem to grasp the reality of the prophecies that were spoken there. And the evil nations that are deceiving the world and through and by whom nations were destroyed and persecuted and killed and their resources stolen under the pretext of, “We are here for democracy,” they created their own situation and say now, “It is war on terrorism! We have to make the

world safe.” And those lying spirits that came out of the mouth, deceived the whole world; that it was a scheme to go and restructure the Middle East and take control of all the resources and the wealth.

Because what she was in the Old Testament, in the New Testament, she is the same. What in... Jeremiah said, “She made the nations drunken and she made them mad with the cup of her abominations.” We see in the Book of Revelation, she is the same. She sits as a queen and says she is no widow. But she is living deliciously with the kings of the earth. And now, the kings of the East, they are moving to change the world order.

And so, when we look and we see what is coming, what these events are building up into, everything has turned towards the East and Israel has come center stage, the nation that came down through the Bible from Genesis, and then ending up here now in Revelation as was prophesied. And when we look and we see these things coming to the forefront now, now Ministers have to understand the Book of Daniel.

Because once Israel is coming back in the picture, and we know, from the sixty-ninth and a half week, with the killing of the Messiah, the Lord Jesus, and the last half of the seventieth week, between that time, is Seven Church Ages; is the time of the Gentiles where the Wild Olive Branch is grafted in.

And so, when we look down through the Scriptures, we see how that history has unfolded, until we come now to the ending of the Gentile Age. And the very change in the politics, the very change in the religion, the very change in the economics, the very change in the wars...

Watch the theater for the wars. From the time that happened and Israel was going after Hamas, in a couple of weeks, it was thousands upon thousands of people getting killed. And it's in such a destructive way.

Do you remember in the Bible with Jehu? When Jehu was raised up to bring judgment on the Jezebel system, and who had a lot of Jews under the influence of Jezebel because they were controlling the twelve tribes... Because Athaliah made her husband, Jehoram, kill all the brothers, and Jezebel was the evil counselor guiding them in war and possession and everything. She was writing letters in Ahab's name and sealing it with Ahab's seal. It looked like Ahab said that; it looks like it's the President of the United States who said that, though it is she behind the scenes, manipulating everything.

Read 1<sup>st</sup> Kings 21, it is right there. And the whole obsession was to get Naboth's vineyard. Because they want Jerusalem because they know the church did not start in Rome. Because the Bible showed, the Holy Ghost came and sealed a people in Jerusalem on the Day of Pentecost, and a hundred and twenty people were filled with the Spirit, came out there, and then thousands: three thousand, five thousand, were coming in, sick were being healed, all types of miracles were taking place in Jerusalem.

Now Jews, Jews don't deal with the New Testament; they don't believe that. They are under Moses' Law. Now there are some Jews, (you have some of them in America,) they are just using Christian Scriptures and doing different things but they are all Jewish down to the last bone inside of them. Because it is a way of emerging themselves with all these Zionist so-called Ministers, preachers in the States, and they get drunk on Zionism.

Israel, for them, cannot do anything wrong; that is God's people. The Bible doesn't show that. When God narrows it down, it's a hundred and forty and four thousand people getting the Holy Ghost. Paul said, "All Israel is not Israel." And so people now, they get carried away in 'the holy land'. "Oh, brother, we made a trip to Israel. Oh, I tell you what it feels like to be in the holy land." The Prophet said, "It's not any 'holy' mountain,

it's not any 'holy land'; it's the Holy God Who came down on the mountain."

But you see, this is how people get enticed and seduced, because they are thinking with their human mind and they are getting influenced in their emotions. And the literal Scripture is standing before them, but they can't divide It.

It's about twelve million people, I think, who's there at present in Israel. But 144,000 are who are going to get—are called and sealed, and will recognize their Day, recognize their prophets; recognize their Message.

They maybe have a couple thousand Rabbis there and synagogues that are equivalent to our denominations. They went to their Rabbi school; they trained them to be Rabbis, just like ours go to Bible school and they train them to be Ministers. It's just a mental thing. God isn't taking Rabbis in synagogues, which is like Reformers in denominations. Their message is the Old Testament.

When Moses and Elijah come, they are to show the Jews, Isaiah had prophesied their blindness and they were blind to their Age, they were blind to their Message, they rejected the Messiah; they called Him Beelzebub. They said, "Give us Barabbas," and they said, "away with Him; crucify Him. Let His blood be upon us." They were so sure He was not the Messiah, they said, "Let His blood be upon us."

Jesus said, "Well did Isaiah speak of you all. You, having eyes and you can't see; your ears are deaf; you can't hear." They gave their support to the Roman power.

Watch our denominations here now. Laodicea is blind. He said, "*Recognize Your Day And Recognize Your Message.*" [1964-0726M -Ed.] They couldn't recognize it. He said, "*Presence Of God Unrecognized* [1964-0618 -Ed.], *True Sign Overlooked* [1961-1112 -Ed.], *God Being Misunderstood* [1961-0723E -Ed.], *A Greater Than Solomon Is Here; a Greater than Jonah is here.* He preached the same things and

they came together, those denominations, and disfellowshipped him. He said, “All man has forsaken me,” and they joined up in the ecumenical move with Rome, just like the Jews did back there, and Christ was put out of the church and they have gone back to their mother because they came from that Jezebel system, with their trinity doctrine, their false baptism, with their woman preachers and all these different things.

Watch the histories. Watch the parallels. Because remember, we received a Moses and Elijah also. We received ours already. We were called out of the denominational system, the Reformer Age, and came into the prophetic Age, the Eagle Age. We’ve come to restoration, not reformation. Luther, Wesley and Pentecost were the Reformer Ages, denominational Ages, man-made system, Bible school. That was stalk, tassel and shuck – the spirit of man. But the Eagle Age, the prophetic Age, now there was a Prophet and the Word came to the Prophet. And a prophet is always a sign of coming judgment also. And so, this has happened.

Now remember, when we are at this junction now, Message churches and Message Ministers, if they are unable to see the position of the nations, the ones spoken and identified in the Book of Revelation and Daniel in the prophecy, see where Israel is going to be in this time, see Ezekiel 39, where there is going to be a great confederation also of these powers that is going to go down into Israel; see how, this little, you can’t even call it a war, and in the same week, the United States sent out battleships, big battleships, all these fighter jets: twenty on one battleship, twenty on another battleship; began to take up positions in the region. And then Turkey was asking the United States, “So what did you all come out here with all these battleships and all these things for? What is going on?”

This is not even the whole nation of Israel fighting. This a little part of the military here with some

Palestinians. And all these battleships, all these different things taking place, it's like they are over hyped up. Do you think so? No. Something is going on more than what we are seeing and what we are hearing. The media and they want to know, but they are on a 'need to know' basis. They don't have any answers.

Some of the historians are going back to the old history in World War I after the Balfour Declaration when the British... These colonial powers caused so much trouble in the earth through their prejudice and their discrimination and see themselves as the masters: "We are going to take this land. We are going to divide it. We are going to give the Jews this here. We are going to do that," and, "We are going to do this over here." Some of them died and went; left a bunch of chaos.

And then when you look and see through their ambition and desire, that one nation like Britain... They said the sun never went down on the Commonwealth. Britain is an island and they controlled the whole world for years at one time – the Commonwealth. They went into India; wanted to take the people's land; took the wealth of the people. They went to Africa; stole the wealth of the people; all the different things that they did; imposing themselves as imperial powers.

Nothing in the world was going to change. And a lot of these so-called powers and seeing themselves so religious, all these big cathedrals are empty in Britain, in Europe, and the generations that they have there are on drugs. They are not in any church. And all these big buildings at one time like they were such big, religious powers; this new generation, it can't hold them in those buildings. Like Britain, their head man is a homosexual.

So when you look and see the conditions of these things in the present day after... Remember, when Elijah came, the Gentile Age is going to be closed up shortly after them. *The Gentile days are numbered with horrors encumbered. Nations are breaking, Israel's awaking, the signs that the prophets foretold.* [#667 - Songs

That Live –Ed.] The Gentile days are numbered. The Gospel is fixing to leave the Gentile world.

And that's why there was such a fight, that Satan, through those Jesuits, they took the Message and they misconstrued so many things and was trying to blacken the Prophet and show he is false, and "He said this and it didn't come to pass," and, "He said this," and they fabricated all their lies. And you have people who used to be preaching the Message like they have so much power; now they are confused because some of these same preachers now, backslide, go back in the world for money; go for all kinds of different things.

Brothers, this is a time when we are talking about spiritual discernment and the importance of true, spiritual discernment. Do you realize that all these things that we are seeing on the military level, coming out of the war in Ukraine to this present time, now the war in Israel, when we are seeing these things, you are dealing with nuclear powers.

France – nuclear power. United States – nuclear power. Israel – nuclear power. Russia – nuclear power. And you are seeing now, Iran – nuclear power. When we are seeing this, this is the road that leads to Armageddon. Armageddon has to do with the pouring out of those Seven Vials. That's the fullness of the judgment upon a world that has rejected God – Jews and Gentiles.

Right now, we have seen the moral condition deteriorate in the world to such an extent, and these governments are enforcing that upon nations calling it the people's human rights. It is the government. The United States are going into these African countries and imposing this upon them and putting sanctions when they don't do it.

Do you know what the Prophet said in *Look Away To Jesus*? All the wickedness that was in the first Beast is in the second beast from the earth. This nation whose flag is thirteen stars and stripes, all the wickedness of

the first Beast is in this one. It is she, the beast from the earth, putting down where they can't buy and sell because Rome is expressing her will through that nation. But it's the deceiving Age where they have deceived the people through the electronic media, the global communication networks. They are bombarding the people's minds day and night with this false narrative and this false news.

Now I want to express something here to you now. Because of the opening of the Seven Seals of the Bible, we, Message Ministers, are seeing and understanding these present events that are unfolding in Israel, the West Bank and Gaza, but we are seeing it from a different perspective than what is being presented by the communication media networks. The true Message Ministers cannot be blind because what the media is presenting is lies. Everything is shaped and presented in a way to give a different reality to what is really taking place on the ground.

Then the people who do not have access to global communication networks, their voice has almost come to silence. Because while the big—CNN and BBC and Fox News and Al Jazeera, while all these people are pushing out those things... And for years these people have influenced the masses. But now it is prophetic times and these prophetic times can only be understood clearly by the Scripture. And this is where these two Books that denomination cannot break into, which is Daniel and Revelation...

Now we know in Daniel, we are down in the time of the ten toes. Remember, Jesus was born under the Roman empire. They put a taxation on the whole world where everybody had to go back to their birth place. Then Jesus was killed under the Roman empire. The Jews were under occupation by the Roman power, so they had no authority and no power to kill anybody because they were under Roman rulership.

So, that was why they came together and they went to Pilate because the Roman power could give the judgment. And they put pressure on Pilate. He said, "But I don't see any cause why this Man should be killed." And Pilate's wife, who had a dream, she said, "This is a just Man. Leave this Man alone. In *The Prince Of The House Of David* [book by J.H. Ingraham -Ed.], it says she dreamt, this One was coming on a Throne and so many angels and these things and He was coming to establish His Kingdom on the earth.

And so, Jesus died under the Roman power. And when Jesus came back in this Day with the Seven-sealed Book open to His Prophet on the earth, the Seventh Angel Messenger, Revelation 10:1 coming to Revelation 10:7 with the open Book, and Revelation 10:7, in the days of his sounding, the Mystery is to be finished, that event also is under the Roman empire. The first two times, when He was born and when He died, it was pagan Rome. This time it is Papal Rome; same Romans in power; same fourth kingdom.

And that is why it behooves us to have fellowship like this, to look into the places in the Scripture to see... America, why was America shown destroyed under the Seventh Vision? For her sins. They started off as a nation serving God, but that Jezebel system came in and took control of the nation and led them into idolatry and sin. They took down the prayers from the schools. They started to have same-sex marriage. They became the most immoral nation. And the Prophet said, "We used to import those things from France." He said, "Now they are coming here to buy those things. We send that filth into the whole world."

They lost their identity. They became a hybrid nation. They sold out to that evil system. "And as a nation," the Prophet said, "she has crossed the line between mercy and judgment" - 1964. He said, "I don't pray for it anymore; she's gone." On the message *Leadership*, he said, "You could put an Abraham Lincoln, a George

Washington in every city in this nation, it can't bring it back; it's gone." And he saw the end of the nation too – ashes. He said, "She's living off of past reputation now: "I used to be powerful. I used to be this." Now it is a slave to a system and now they are all in the ecumenical move; gone back under the Roman power.

And so, the same judgment they are going to get, the Vatican is going to get that same judgment too – Revelation 18: "All her plagues come in one day. Strong is the Lord that judgeth her. Her sins have come up into Heaven."

Remember in the time of Abraham when God descended? He said, "I heard the cries of Sodom; I came down to investigate to see if it is so." And He said, "Shall I hide from Abraham, My prophet, what I am about to do?" And He performed the sign – turning His back. And the Prophet took those things to show to us the repeat of that, as it was in that day, so it shall be because Jesus preached that in Luke 17.

So where are we at here now and we are seeing these things? How are we to deal with this? We must understand the history of Israel, what she was in the past, the mistakes that she made that God had to send Nebuchadnezzar to take them into Babylon; God had to send Titus to scatter them into the nations.

Twice they... They built Jerusalem; Nebuchadnezzar burnt it down. They rebuilt it under Ezra and Nehemiah and Zerubbabel and they; then it was destroyed again. Because Herod had expanded it and the Jews walking in Jerusalem said, "Lord, how beautiful the temple is. Look how beautiful it is." Matthew 24, He said, "Not one stone will remain standing."

Because He knew the prophecy in Daniel. He had come into Jerusalem to be killed. And He knew after He died... He said, "If they do this in the green tree, what will it be in the dry?" And the women and they were following Him to Calvary and they were crying and weeping. He said, "Don't cry for Me." He said, "Very

soon, you will be crying out for the rocks to fall on you.” And He warned the true believers, “When you see Jerusalem compassed with armies, let not your flight be in winter neither the Sabbath.” And Titus scattered them.

And then from that time, here we are in the time of the Gentiles. And Seven Church Ages have run out and now the Gentiles did the same thing the Jews did back there, exactly the same thing. They were blind, they rejected the Messiah, they held on to their religious system and then the judgment was poured out upon them – slaughtering angels.

But before the slaughtering angels could be loosed, the Sealing Angel went forth with those true office gifts in the Body. Angel was directing Peter, Angel was directing Paul, Angel was directing Philip, to get a people called and sealed before the slaughtering angels could be let loose.

Now watch what is there. By these four things: pestilence, 2020, locked down the whole world. Over twenty-two million people they killed by giving them vaccines; deceived the people who were thinking they were being safe. “Take the vaccine. It’s a virus” – an enemy that nobody could see. “You have to wear your mask! Not more than five people can gather! You can’t go out in certain places!” In one day, the whole world was locked down. And people didn’t stop to see, “Wow! When last did that happen?” Look at the communication system. Do you think that happened in just one day? No. It was a plan. A day was appointed and then they put the thing in motion.

Then famine. In many parts of the world already, people are starving. Food... All the lands are being bought up; controlled. Monsanto [an American agrochemical and agricultural biotechnology corporation; the world’s largest seed company -Ed.] and they have control of all the seeds. If you control the food, you control the people; starve them out; bring siege.

That was pestilence and famine. Then the sword. And all these nations with their nuclear weapons and all these things being gathered and everything now, we already see the kind of destruction being unleashed that is going to escalate until Armageddon cleans off the whole earth.

Then we know where we are at. It's getting ready for time to leave. In every church, I guess, lamps are being trimmed and vessels are being filled with Oil; that people have been awakened. Because they were sleeping and there was a voice that awoke them, "Behold, the Bridegroom cometh," and it stirred them. And then you had the five foolish ones who had no Oil in the same Message; in the same group. Wise virgins and foolish virgins, they were together. They are not harlots. Foolish virgins... The harlots are the denomination but foolish virgins are those in the Message without the Holy Spirit; no New Birth.

Oh, they have the photos. The Prophet is a photo and the Pillar of Fire is a photo, and everybody likes photos. But that same Light above him had divided Itself back in the Book of Acts on the Day of Pentecost and Tongues of Fire were on all of them who were filled. So there has to be the ones who are being filled; by and through them, God has to finish this work.

He said, "God cannot give these Seven-sealed Mysteries to the denomination; they don't even believe these things." He said, "This is being given to the Bride. She is to finish the great Commission, that this Gospel," *this* Gospel, Paul's Gospel... We are restored to Paul's Gospel. He had laid the foundation. And the Prophet said, "I watched Paul," and he brought back that same teaching, same Doctrine, same everything, to us.

Oh, my. Bro. Samuel, I am now getting through some introduction here, but I have to stop. I do not know what you are going to do, if we are going to have more fellowship with some of this.

Because bringing this picture down and showing now, there is going to be a reprobate Israel, a reprobate Israel who will make a covenant with the Vatican; a reprobate Israel who is going to reject their two prophets; a reprobate Israel who find themselves as reprobates because they are between the Vatican, who they don't know, and the United States, who they believe love them. They don't love them. The United States is existing because of Jezebel. That is the military power of Jezebel.

When you read, "And the fourth Beast devours the earth, breaks it up in pieces, stamps the residue, controls this," that's the United States. That's the dogs of the hunter, the 22<sup>nd</sup> Century Nimrod – Rome. And she let those dogs of war loose on Iraq, on Syria, on Libya, and then they use the media to blacken the people and say, "Gaddafi was a murderer; Saddam [Hussein -Ed.] was a murderer," and all of them offer human sacrifice and Jezebel is putting her sorceries on all those nations to blind them, and then using them as the power to go and kill and destroy so Jezebel can have control in the world. Ahab was not the dangerous one; it was Jezebel who was controlling him. Don't fear the Iron Curtain and the Bamboo Curtain; your real enemy is the Purple Curtain.

So my brothers, I feel with godly respect... I think I'm getting a little too happy. Because you see, when you start to talk about Jesus and He comes close and you start to get stimulated with the revelation, you know, you just want to get into deeper waters. But I know as God's servants, you all made time for the fellowship and I hope it doesn't come over as I am preaching down.

I am trying to... I always have... You know me by now. Most of you know me. I have my angle. I look from a different perspective. So in coming, I am coming from Genesis.

And that's why I started there to show you, there were three sons and out of those three sons, we have a

hundred and ninety-five countries today. There were eight people in the world. The science civilization destroyed the antediluvian world and in the post-diluvian world, then the Book of Genesis shows you a table of seventy nations that had come out of the first three sons of Noah.

Then as we come down through, we see how God now, chose Abraham. Because God had made a covenant with Adam; Adam broke his covenant. Then God made a covenant with Noah and that covenant was broken. Both of those two covenants were conditional. And Bro. Branham said, "God showed that man cannot keep his covenant. So, the third covenant, when God called Abraham," he said, "that was the unconditional covenant."

Let me read that quotation here for you. It's in *Jehovah Jireh Part 1*, 1962, 5<sup>th</sup> of July.

He said: *Now, there had been two covenants. One of them was the Adam covenant. God made a covenant with the man, "If you will, I will." And he broke it. Then God made a covenant with Noah; that was the Noah covenant, and it was broke.*

*Now, He's making the Abrahamic covenant. And the Abrahamic covenant, according to Genesis the 12th chapter, it was given unconditionally; therefore it's eternal, because it's unconditional. Not "If you will, I will." He said, "I have! I've already done it." Not, "I will do it." "I have done it!" [He said,] Oh, that bases faith. See, not... God's determined to save man. He make a covenant, "If you will, I will," he'd break it. Another one, "You will, I will," he broke it. Man can't keep his covenant, so God saves man by His grace, under a covenant that's unconditional, unconditional covenant. Oh, my. Never ending, that was all of it; three, perfect. ... Adam, Noah, and Abraham. Now, that's the reason we are Abraham's children...*

Now, this is important. Because remember, Abraham is a father of many nations. The Jews looking back: "We

are Abraham's children!" But Abraham's real Son wasn't Isaac; Abraham's real Son was Jesus – coming out of his faith not out of his body. And through Jesus, the faith Seed, (not coming by sex; coming without sex,) all the families of the earth are blessed in Christ. They didn't get the Holy Ghost through Isaac; they got the Holy Ghost through Christ to become a New Creation; to have Redemption to go back to a faith civilization. The Law came by Moses but grace and Truth came by Christ.

So, watch how, where we are going... We find Israel, the nation, came out of Jacob. Jacob was his first name. He wrestled with the Angel; God gave him a new name, Israel, and he had twelve sons, and the twelve sons produced twelve tribes and those twelve tribes are still in existence and will be there when those two prophets arrive. And it's a predestinated group...

Look at us. Didn't we come at the end of the Gentile Age? Are we not the children whose hearts have been turned back to the original apostolic fathers? Wasn't Paul the messenger to the Gentiles, and from there was Irenaeus, Martin, Columba, Luther, Wesley, Bro. Branham, all Gentiles; Gentile men?

So, when we look here, a Gentile Bride has come out from here, a portion in every Age. And twelve tribes... The same way we are here two thousand years after the Messiah, but in every Age, they got the Holy Ghost because Jesus made a way. And in every Age, they were sealed by the Holy Spirit unto the day of Redemption. And that's why in the Resurrection, there are the overcomers of Seven Church Ages coming up.

And here we, at the end of the Seventh Age, we are predestinated to receive the faith. And they, after two thousand years, they are descendants of the ones who came back in the homeland – the Jews. And out of there, there is 144,000 predestinated who will get the Holy Ghost. They will have a Moses and Elijah, who will take them out of that Jezebel system that the nation went

into covenant with and their eyes will open and they will recognize their Day and their Message, and they will receive the Holy Ghost under their Moses and Elijah – Eagle prophets.

Same thing with us. We are not in the Reformer Age; we are in the Eagle Age. And we had a Moses and Elijah, the two ministries, in one body. We had the Spirit of Elijah – the fourth coming of the Spirit of Elijah. The Elijah Spirit came five times. First Elijah – 1<sup>st</sup> Kings 17. Second time – the Spirit of that Elijah was on Elisha. Then the Spirit came on John, the Baptist – third coming of the Spirit of Elijah. Then Bro. Branham – the fourth coming of the Spirit of Elijah. And when Elijah comes the fifth time, he'll come together with Moses to the Jews.

So the same way we, under our Moses and Elijah, we came out from the world and denomination and received the Holy Spirit that we couldn't receive in a denomination under the Ministry of our Elijah. Because the Holy Ghost that was bound for so many years, has been let loose by the opening of these Seven Seals, loosing the Holy Spirit, the calling and sealing of an elected people under our Moses and our Elijah. Because like Moses, he called the Exodus too, the Third Exodus, and he brought us now, from a spiritual condition... Just like how they came out of Judaism to the baptism of the Holy Ghost, we came out of denominationalism to a New Birth, the baptism of the Holy Ghost, under our Moses.

Because Jesus was a Prophet like unto Moses. Moses took them out in the Exodus and Joshua brought them in, because Joshua is a type of the Holy Ghost. Moses made the way for Joshua. Joshua brought them in Canaan's land and Joshua divided the land and set them positionally in Canaan.

Jesus brought us up to Jordan – Calvary. That's right. And Jesus, like Moses, died on Calvary. But then what happened? His death, burial and resurrection,

made a way for the Holy Ghost that, "Because I live, you shall live also, and the works I do, you shall do also. And they came to the Upper Room and they entered a spiritual Canaan because Canaan represented the Holy Ghost, and God has dealt every man a measure just like God dealt every tribe and every family, a measure in Canaan.

Watch the parallels. Watch the timing. Watch the Hour. Watch and see, the hour is coming when this Bride must move off the scene.

A main part of what I wanted to share, I will leave it for another time, whenever that would be, to show you this great deception. Because the world is about to be completely deceived and that is why they will worship the Beast. Every name that is not written in the Lamb's Book of Life, will worship the Beast. Revelation 12:9 says, "Satan has deceived the whole world. If it were possible, the Elect could have been deceived." False anointed ones under their chief prophet, the false prophet in the Vatican, out of his mouth, comes lying spirits that gather the world together in the ecumenical move.

Out of the mouth of our true Prophet, Seven Thunders came out of his mouth to gather the Elect together to show us how to prepare for Translation faith. Those born under the true Eagle Prophet, our Moses and Elijah, those sons of God who will rise in the last days and bring down these Mysteries and display it to the church, the manifestation of those sons, that's you, the Ministers, under your Prophet. And with your little group, you are ministering an entrance abundantly to them, into a Rapturing faith; into a Rapturing grace, while those false anointed ones, under their false prophet, are deceiving them and bringing them into the ecumenical move. Watch the parallel all the time.

So, the part I left out, which is an important part, it will take going into the Book of Daniel because it will be a time of trouble. And in that time of trouble, Michael,

the great Prince, with that open Book in His hand and those two by the river Hiddekel, one on one side and one on the other side, and Who lifted up His hands, they are connected to that One with the open Book in His hand – that Moses and Elijah.

We had a Moses and Elijah who were connected with that One with the open Book in Revelation 10, and brought us to see our names in that Book, and then the Seal of God in our foreheads, our revelation, and we crossed from the moon to the Son. Because the Bride... It's Jesus now in Bride form. She is Him revealed. They are no longer twain; they are one. The Head came to the Body – uniting time and sign; invisible Union. Watch the parallel.

So, when we trace that Israel and show how these colonial powers who divided up the land, these men who were claiming they were Christian men, (they were Christian men trying to justify themselves by looking into a Book that was sealed with Seven Seals,) and they created a lot of confusion with their politics and their ambition and their human desire, their prejudice and discrimination against certain nations and then trying to justify they are great statesmen; are going to make a land for Israel and God's people and all these things.

That's why God was sending the Prophet at that junction between the Second Woe and the Third Woe and all these things are happening between the Second Woe and the Third Woe. The elected Gentiles are to be sealed with the Holy Spirit and the elected Jews will be sealed with the Holy Spirit and then the Third Woe cometh quickly. The Bride is fixing to leave so the Gospel can get among them – the same Message that we received; the same understanding of the Mystery of our lives, hidden in the Book.

At one time, all we knew: "God sent a Prophet. Denomination is false. God sent a Prophet." But after 1965, from 1966 to 2023, the Angel of the Lord followed the Message of the Prophet and began to go around the

world and quicken the Fivefold Ministry in different parts of the earth. And *Why It Had To Be Shepherds* [1964-1221 -Ed.], *God's Gifts Always Find Their Places* [1963-1222 -Ed.], *God-Called, God-Trained Man* [1958-1005E -Ed.] to carry the Message; *Influence* – men who see the Heavenly vision and who were cleansed by Fire and went out with the fullness of the Word like Isaiah; this last generation, and now it is time to get Her off the scene.

I think so far coming down through the Scriptures to lay the picture and then start to make the visions where it is going to bring the political aspect of it, the nations: U.S., Rome, Britain, Israel – all those who are involved in this last Day scenario; the covenant for the money and these things. And these Truths are laying in the Message and in the Bible. And the events to identify that we are at this place, the Scripture and the events, are going to prove that it is that time; it is that season.

Because look at the lateness of the Hour. Fifty-eight years after the going of the Prophet, Israel is still blind. They have the flag, they are in the geography, in the nation, but all they know is Moses' Law and they haven't received the Holy Spirit because Rabbis cannot bring that, because we are in an Eagle Age. That is why there was no fifth beast; four beasts: Lion, Ox, Man and Eagle. And when the Gentile Age is closed with the going away of the Eagle Prophet and the Eagle Bride, God's Eagles, it doesn't go back to Reformers; it continues on with prophets with this same Message – their Moses and their Elijah under their Seventh Trumpet like we had ours under our Seventh Seal.

So I think that if we can examine these things with the Bible, with the Message and the things that has been spoken, there is the illumination... The same gift in you that has preached the Message to your people in the measure that God gave you, now this part of it is going to bring us into these present realities that are happening and has captured the minds of the people on

earth, to the Middle East, to Israel; to what is happening there.

Because in there is an important part to bring out – how they are going to bring the Jews into this covenant; how they are going to restore the temple worship and all these things, that is evidence that they will still be blind. But when Moses and Elijah come, they will preach the Book of Hebrews. Because Hebrews was written for the Hebrews, but the Hebrews thought Paul was destroying Moses' message. And so, Paul took all the temple worship, all the ceremonies, all these things, and preached Hebrews and showed that the temple, the sacrifices, all the ceremonies, the Feasts, were revealing Christ, the One that their ancestors, their fathers, were blind to.

So God bless you. Thank you for your patience. I really feel good in my heart. It is not like I know the things, but the unction that I believe God gave me, it was feeding my soul too. That's why at times I get animated. I start to feel the stimulation as the Word was opening and coming. You know? And I trust it was a blessing for you and enlightening to you as well.

So, God bless you and thanks that we could have this time of fellowship. I want to turn the meeting back to God's servant, our beloved Bro. Samuel. Amen.
