BRO. VIN A. DAYAL

Praise His wonderful Name. Maranatha, even so, come, Lord Jesus. I believe every true believer who sees and understands the time that we are living in, whose eyes have been anointed with Eyesalve, who can recognize—the Presence of God is not unrecognized to them, who can see the Word of God coming to pass... As the Prophet said, “The Word of God is being fulfilled with such rapidity that only the born-again Christians could keep up with it.” What a statement! Think of it: “The Word of God is being fulfilled with such rapidity that only the born-again Christians could keep up with it.”

Because the human spirit, the human energy of the flesh, it can't move the person up into that Supernatural realm, that Spiritual realm of revelation and vision. Here, the natural man walks around in this humanistic realm, but the man who is quickened by the Spirit and raised up into Heavenly places, he lives in the realm of revelation and vision. The Word of God is a reality to him. It's not just something he reads about, but he can look and see the modern events making clear the vindicated prophecies for this Hour.

It does something to you when you can look and see the Bible come alive, and It is more real than the news in the communication networks and the information media. The Word is more real because you see the Scriptures and you see the manifestation of the

Scriptures. You see the time, you see the season, you see the promises, you see the Hour. Why? Because you are in contact with the Supernatural. You are in contact with the Divine Revealer of the Word which is the Holy Spirit, the One that lives in the Elect. Christ, walking in your feet, speaking through your lips, thinking with your mind, believing with your heart, working with your hands until every move is an expression of Christ. Your very life is a reflection of this Christ Who has descended from Heaven, this great Head that appeared and comes now, and is in an invisible union with the Bride fixing things for the going away.

“He is here on earth,” the Prophet says, “fixing things for the going away of the Church.” “Behold, I come as a thief.” The Thief is here. He’s moving among His people. Where two or three are gathered together in His Name, there He is in the midst. Because they are gathered in Christ. Their bodies might be in a geographic location, but the souls of the people are in Heavenly places. They are linked to their theophany. They have heard from their theophany. Isn’t that what he said? “You have heard from your theophany.” Why? That New Birth, it reconnects you with the theophany that you bypassed.

That’s why—you bypassed that theophany. We came by a sex birth here, but when that Holy Spirit hunts you out and finds you, and quickens you, you who were dead in sins and trespasses, walking after the course of this world and the prince of the power of the air, God rich in mercy quickened you and made you alive; alive to the Supernatural, alive to the Divine Presence, alive to know your time and your season, and your Age, and your promises. Alive, because the Spirit of the Lord has anointed you. There’s something that takes place on the inside of the inside. What a great thing that is, friends. What a great thing that is.

Isn’t that what the Bride is called unto? Isn’t that what separates the Bride from the church and the church world? Isn’t that what makes the Bride an

Eternal people? They recognize Eternal Life operating in them – a Life that didn't come from the father and mother; a Life that came from the Heavenly Father because they are one of His Eternal Attributes. What a great thing! That must be a realization in their life, in the experience. And I believe that's where true believers live, because in there is where he says, "You are in the Super Sense."

A man has five senses of the body, five senses of the spirit, and he lives here in this humanistic realm in that way. But the man who is quickened by the Spirit and raised up, he goes far above that. That's where the eagle moves into a realm that the hawks and the chickens can't move. The eagle, those—God's eagles, they move up there into that Heavenly place, into that Supernatural realm. "Into a Supernatural place, hearing His voice, seeing His face; Heavenly words have come to the Bride." [#404 A Supernatural Place - Songs That Live -Ed.] Oh, my! What a great, great thing that is, friends. That is a reality to the real believers.

God bless you, this evening. I trust that you've come sitting there this evening to worship the Lord and have been worshipping Him. And You hear the songs there and it turns you on right away into the spirit of worship, and it gives you anticipations. And, you know, this is such a tremendous Hour. I've been preaching the last four Sundays on *Behold, I Come As A Thief*.

I was talking to some people yesterday and I was saying, you know, "Four services already and I can't even get to the place that I want to get to." And the reason why I'm staying with this is because I'm speaking about things that are happening in the earth that tells us the world is heading into some kind of dark, chaotic times like they never had before. And it takes the Spiritual mind, it takes the eyes anointed with Eyesalve, it takes those things in the Book of Revelation being made real to you so that you can look and see: "But that's in the Book of Revelation. That's the

prophecy there. That's the Church. That's the Beast and the image." You can look and you can see that's the kings of the earth. That's right! You can see that's the kings of the east. See? And you can see what is happening. And you know the Second Woe is past and behold the Third Woe cometh quickly, and the Bride must leave before those things can happen. That was what the coming of the Prophet was for. That's why Seven Seals opened up.

You say, "Bro. Vin, that was back in 1963."

Yes, and now it's 2023. So, if people have not woken up after the Seals opened in 1963 and everybody has a Seals book, and people are saying, "The Seals are revealed and the Prophet came, and that's why the Prophet was needed to open the Seven Seals." Seven Thunders were to gather the Bride.

You say, "Well, that's why we gather."

But it's showing Her how to prepare for great Translation Faith. It's putting Her into a Supernatural realm. Then you now, want to look there and say, "What is the quality of the life that I'm living? What is the expectation that I have? What is the level of faith—what kind of faith do I possess?"

There are all kinds of faith, you know. The Prophet said it has intellectual faith. He said, "Not that thing." See? Faith is the victory that overcometh the world, and the world is the lust of the eyes, the lust of the flesh and the pride of life. Faith overcomes that; Spirit-quickeneth faith. Faith is Divine revelation. "By faith Abel, by faith Enoch, by faith Noah, by faith Abraham, by faith Isaac, by faith Jacob: all these by faith. In this Hour there's a people walking by that same faith. Paul said, "The life I live now, I live by the faith of the Son of God. Not, 'I live by faith'; "I live by *the* faith of the Son of God. It's not I that live, but Christ liveth in me," he says.

The Prophet came in this Day and preached *He That Is In You*. [1963-1110E-Ed.] "Greater is He that is in you than he that is in the world." These are the realities. This is

the identification. It is not looking here and looking there, and wondering: “One of these days we’re going to go.” That is going. It has preparation before going. It has awakening. Seven Thunders are to wake up the Bride. See? Heavenly places, the believer’s position in Christ. No longer earthbound, but Heavenly places. See? Specific. Specific. That faith—to have faith, it measures closely; not even a razor blade could pass through it. Like how those stones in the pyramid are. They are so fixed. It is so precise, because faith is not a loose thing. Faith is that Word in the Bible opened to you and released an anointing into your life. And whether it is you alone, you are worshiping God. If it has a next one with you, you are happy, because if two shall agree as upon touching anything, it shall be done. So, a lot of things can happen when you get two people agreeing together.

So, may we agree here, this evening as we come. May we be under expectations.

Maranatha. [#710 - Songs That Live -Ed.] That’s not just a song. Every time we hear it, even so come, Lord Jesus. The Lord cometh.

I remember when David had his girl, my little granddaughter there, Maranatha. I named her Maranatha, because the Lord cometh. We have seen His Appearing. We have seen Him revealed. Christ revealed in His own Word. We have seen the Mighty God unveiled before us. We have seen Christ the Mystery of God revealed. We have seen this One; a greater than Solomon that came on the scene. That’s right. We have seen the identified Christ of all Ages identified in our Day, in our time and our season. It’s not just words. That’s what activates the faith within you because God puts something in you to believe, if you are a believer.

Believer is not trying to believe. You have five senses; you’re not trying to see, you’re not trying to smell, unless something went wrong with your senses. You find it’s like, “I can’t smell. I’m seeing men like trees. I’m

not seeing too clearly.” You don’t live there. If you find you are seeing men like trees, say, “Lord, I’m seeing men like trees. I want another anointing.” And Jesus anointed the man a second time and he said, “Now I am seeing clearly.”

Job said, “I have heard by the hearing of my ear but now I see.” ‘See’ means ‘to understand’. Now I understand.

May we see this evening, with that Spiritual sight, that Spiritual vision (that’s right), that eagle faith, to move up into the Supernatural realms and see the things spoken for this Hour. Not just on the outside. There are things for the world on the outside, but then there are things for the believer too, and you see the things on the inside of you reflecting through the Scripture that speaks of the Bride. And you look in the Word and you see the things happening there that speak of the world and the nations and these things of the world. And so, you are walking like Enoch walked, with a testimony that he pleased God before the Translation.

A lot of people say, “I’m looking for the Rapture. I’m looking for the Rapture. The Rapture is at hand. I am going in the Rapture. I am Bride.” What about the testimony before the Translation? The people who are going in the Rapture have a testimony. What is the testimony? The testimony of Jesus is what? The Spirit of Prophecy, the Bible says. That’s right. And the Holy Spirit is the Spirit of Prophecy. Because the Holy Spirit is the One Who knows the past, present and future. That’s right. And it’s all I AM. He is the I AM. Everything for Him is present. He’s the omniscient, omnipotent God, the infinite God Who knows all things.

Sometimes we look at the Hofmann’s Head and we think that’s Jesus. That’s a painting from a German artist named Heinrich Hofmann. That and what appeared in the sky are two different things because nobody painted that in the sky; that was the living God

Himself, the living Christ coming down there, the Lord Himself descending from Heaven with a Shout. That is something different there. See? That living One now, is the One Who quickens the people He chose to put in this last Age. And He knows which family He ordained them to come in. He knows which country they are in. He knows where to find them because He's the One, the Farmer Who put the seed in the earth and then He comes to quicken the seed by pouring in the former rain and the latter rain upon that seed to bring that seed to maturity. Because two rains make a mature grain. You understand?

These are things in the personal life. Remember, this is the Age of personal life. This is not the Age of a lot of people and who say, "I am in the Message." This is the Age of personal life. When you look in a mirror, you don't see the neighbor down the road. You don't see a person over here. You don't see another believer. When you look in your natural mirror, so it is when you look in the mirror of the Word; the first thing you are seeing is you. You have to see you. If you look in a mirror and you are not seeing you, you know something is wrong with the mirror, because you are standing in front of the mirror but you are not being reflected by the mirror. See? So it is.

We want this evening, as we gather here, that we'll get a little grace. You have the joy bells in your heart. You feel happy; the evening shadows have fallen. Where two or three are gathered together, there He is in the midst. And we are gathered together in Heavenly places in Christ. That's a Supernatural atmosphere. Because wherever Christ is, we are talking about the Supernatural. He is the Supernatural One. Amen. All the natural things, He made. He made trees. He made birds. He made fish. He made animals. He made mountains and lakes and valleys. He made all of these things. But now, He has a people in His very own image and likeness (that's right) that He is reflecting Himself

through. Christ, dwelling in His people. “In that Day you will know as I was in the Father and the Father in Me, so I in you and you in Me.” Oh, my!

You see, these are the Scriptures for this Day. And when you look at the Scriptures for this Day, then you look and say, “Am I seeing Christ in me? Am I seeing Christ in my heart? Am I seeing Christ walking in my feet? What is my attitude to this one and this one? Am I seeing Christ coming out of my behavior? Is my life dedicated and consecrated? Am I seeing that revelation of Jesus Christ that we are about His business?” By and through the members of the Bride, He is finishing His work. The same way He said, “I must be about My Father’s business,” (see?) are we about His business? Are we about the Husband’s business? That’s right. He gave us the Seven Seals mysteries, to do what? Finish the Great Commission. He is working in and through us, making us a coworker with Him to finish the plan of Redemption. Not to come to church alone, not just to go along and say we believe, and these things. No. It’s about working now. Anybody who has the Holy Ghost and isn’t working, they don’t have the Holy Ghost. Whatever they are calling the Holy Ghost is not the Holy Ghost, because, “After the Holy Ghost comes upon you, you shall be My witnesses.” You shall receive power from on high to become a witness. Because a witness is one who sees. A witness is one who experiences. See?

When I come, I always like to keep the alignment straight, because I know how shrewd the enemy is to make people think they are in a certain place when they are not in that place. That is what God raised me back up for. I thought I was finished. I thought, well yes, I’m done because I can’t walk, I can’t even preach, I can’t do anything anymore. Only to realize that God said, “I’m not done yet. You still have work to do because look at your people there. You preached to them all these years. Look where they are at, still.” And God Who is long-suffering, and God Who loves His children, and God

Who decides... Because if He brings something else and somebody else, well, it's not going to be a continuity to what is going on. It will be more confusing.

So that Word that God stored up and God gave us from 1976 all the way to here, think of it. That's what God has been saying, saying, saying, saying, and that has been stored in our hearts and our minds; that when that Word is spoken, if somebody is even out of it, and they hear It, and it brings the remembrance, "Oh, yes!" then there is something in you, "I want to go back and get ahold of that because I have lost sight of that. And I know when I heard that the first time,, I had an experience but like I couldn't keep it, I couldn't stay with it." And that is what it does, because when the Spirit of Truth comes, He brings back Things to your remembrance, He teaches you all Things, He shows you Things to come. Past, present and future, He's dealing with everything.

Personal life with Christ. Keep Him close in your heart. Stay close to Him. Stay under His influence, because He is the Author and Finisher. The work cannot be finished with us if we don't stay under His influence and keep following in His footsteps, so He can be the Finisher of what He started in your life. And He knows the day He called you because He is the One Who appointed that day. He knows the place He met you because He was the One Who foreordained that He will meet you in that place. See?

Like when He met Peter and they by the sea, He said, "Throw your net on the right side." And when they saw this great thing that happened when those fishes and those things came up, He said, "Now, leave your nets and follow me." Immediately, no questions, they just left and followed. Because that was the call now of separation. "Now, you will become fishers of men." Not a fisherman dealing with natural fish. They became fishers of men. And the same way your father taught you to catch that fish, and know the tide and know the

season, and know how to put your net out and these things, it is the same way the Heavenly Father will teach you to catch men. That's right.

Like the Angel told the Prophet with the rainbow trout. He said, "I don't want to catch the..." The Prophet was saying, "I don't want to catch those little fish. I want those big ones there."

The Angel said, "I will have to teach you how to catch them. Because they are not just attracted to something. It has to be something else."

Like Peter and they said, "To whom shall we go? Thou hast the Words of Eternal Life." See, they weren't just attracted to church and this, and people, and singing and music and... No, no, no. The Word is what we live by. The Word is what we live by.

That is why we have songs, because it comes out of the Word. See? When we sing, we sing the Word. And God did it like that to keep us in remembrance of the Word; to retain the Word. And this is the reality. Because you can sing all day, and don't really know what you're singing. You just like the song, you just like the melody. But the Word is Christ. And when Christ is being revealed in His own Word to you on the inside, it does something special. It makes us love Him more and... Yes.

I think all of us as believers, when we look in our hearts after the years we served Him and are walking, sure, we have our ups and downs, our ins and outs, but then there is a place we know, no, there's a love in our heart for the Lord Jesus. There is something, that we want to stay close and stay under His influence. And so, we desire that. And so, I trust by God's grace that that will burn in your heart.

What did the men on the road to Emmaus say when they were talking about Him? "Did not our hearts burn within us as He spoke to us along the way?" Oh, my!

And He said, "O fools and slow of heart to believe all that the prophets have spoken." See? They were kind of

confused. They had the Scriptures, but they couldn't see the fulfillment of the Scripture.

And I think that's a great part of what the thing is today. People have the Message, but they can't see the fulfillment of the Message. And that's where the blindness is, and that's why it can't move into the realm of faith it's supposed to. Because when you start to see, that's where you come, "I have heard, but now I see." 'See' means, '*to understand*'. "Now I understand. Now I see how that prophecy is becoming history." "And all these things are being done that it might be fulfilled that which was spoken of the Lord by the prophet." It was the Lord speaking through His prophet showing him all the things that were taking place to bring the prophecies to pass. It's one thing to read a prophecy in a book on a page, but the reality, the great thing is to see that Word on that page being manifested. That's right. Then you know what God is doing. Then you can put it in context and see it in the present tense.

Because without the prophecy, you could just talk it, talk it, talk it, talk it. It could have already been fulfilled and passed through you and you missed it. Or what is coming there, you're looking for it and you do not know how that prophecy or all those events are tied to this prophecy.

And this is the awakening. This is the necessity of having the Holy Spirit. See, without that, that lets you see... Because, you see, without the Holy Spirit, you don't see anything. Because remember, you don't need the Holy Spirit to read, you know, as far as literacy goes. You learn that in school, how to read. You learn the English language. You're not reading Greek or Hebrew. You're reading English. So you can just read that. But reading and understanding are different things. See? And so, when you start to read the Word of God, there must be Spiritual discernment. "I'm reading that, but when is that for? Then, can I look and see if that is past, if it's present, happening, or is it future, to come? What

is it?” Your revelation there, will determine your expectation. It will determine the influence upon you, how you’re walking in that Hour, if the thing is revealed and you are quickened to see it. Because that’s the operation of the Holy Spirit, and that is something Supernatural. Because it is the Holy Spirit quickening that to you, opening that, enlightening your understanding, making that real to you, and identifying it in the Bible. Then that does something to you.

Now, there is where the eagles are. There is where the true believer is. That is what the foolish virgins didn’t have. They didn’t have the Oil. The Oil is the Spirit. As far as their life, they are a good person. They love the Lord. They want to serve the Lord. But the Lord’s Life is not in them, operating through them, showing the identification, showing the characteristic that that is more than a human. That is Christ in a person. That is the Holy Spirit living in a person. That is what you are really striving for. That is what every one of us is striving for: more and more and more of Him.

Because, while you don’t think you need more, the challenge in the world is rising higher and higher. After a while, you’re going to find things are happening so fast, you could hardly stay in the channel. You could hardly stay focused. Your discernment is slow. Your reaction to things that are supposed to have a quicker reaction, you’re sluggish in the mind so it is taking you a while to understand what is really happening around you before you can get in the rhythm of the symphony.

So, when you have the Quickening Power.... That is why He called it ‘Quickening Power’. It quickens your mind, It quickens your faith, It raises you up. That’s the Holy Spirit living in you, working through you, making you a co-worker with Him.

So, we are here once again, and I’m still speaking on **“BEHOLD, I COME AS A THIEF”**. This is Part 5. I have a little subject: ***“The Four Severe Judgments Of The Supreme Judge; Sword, Famine, Pestilence And***

Beasts Of The Earth". And these things are happening in the present tense before the Translation. I am sure the Rapture did not take place and we got left behind. If you know the Rapture mystery, the Rapture revelation is unfolding in your life. That is why Enoch walked with God and had a testimony. That is why Elijah was telling Elisha, "Ask quickly because I am getting ready to go. I will be taken up."

Because God said, "Leave Gilgal and go to Bethel." God said, "Leave Bethel and go to Jericho." God said, "Leave Jericho and go to Jordan." But God did not tell him to leave Jordan and go somewhere else on earth in Palestine. No. He knew, when you cross Jordan, that's the extraction point. They will pick you up. You are gone – changing dimensions.

So he is walking in this consciousness and he knows he is moving into Rapturing faith. He knows he is moving into that. He knows he is conscious. He knows it is time; God is going to take him up.

Watch the ones who were raptured before you and see the condition they were in and the expectation they had before they went up. See if that same expectation is in you. See if that same understanding, that same quickening is moving in you who say you're living in the Hour of the Rapture and you're looking to be raptured. Because they had an awareness; they knew they were going.

Elijah knew he was going. Enoch knew he was going. Jesus knew He was going. That's why for forty days He was with them, preparing them. And the Old Testament saints who rose were appearing to different ones. And now, He's going to lead them into Glory, the ones that were a part of that resurrection. And He told the others, "Your time is not yet. You go and wait and you shall be endowed with power from on high and you shall be witnesses of Me, because there is still work for you to do."

And here, we are in that time. Because the Lord Himself hath descended from Heaven with a Shout, with the Voice of the Archangel, and with the Trump of God. He does these three things while He's descending. One fold unfolded today; it was those Seven Thunders banging out. One fold unfolded yesterday and one fold flew past in an unknown language.

There are things that are happening that we have to be aware of. Let me tell you, that Unknown Language, that was revealed in this church. People could say what they want, who are looking for an unknown language to come. But the thing is, those things are proven because there is a Bride part of the Message. "Eat the Book, John. Thou must prophesy again among many nations, kindreds, tongues and tribes." See if that is just quoting a Scripture or see if we went among many nations, kindreds, tongues and tribes, which was beyond our own human ability to go into all these places and do these things. And we're still speaking even to more places than where we traveled actually, because the work is cut short in righteousness. And yet, all the other end-time signs are showing themselves.

Look at the earthquake here that took place in Turkey and Syria. Right now, the last count they had was forty-six thousand; that was the death toll – forty-six thousand. When it started, they said, "It may be about five to seven thousand." The last count is forty-six thousand. They're pulling people out from under the rubble, like one forty-five-year-old man who was alive. They said the man spent about two hundred and seventy-eight hours under the rubble. Divide that by twenty-four and see how many days he was down inside of there. Do you think he was walking around in pajamas and drinking something while he was buried under that rubble? You could imagine the condition. And God kept some of them alive, and they came out! Jesus!

Sometimes you just see an earthquake and some people and a number. I saw some footage with some children—a child they found coming out, and he was there for about three, four days already under that rubble. And I'm thinking, what if he wanted to use the restroom if he's in his house; maybe he wanted some water to drink, or he wanted to go and maybe go out on the porch and play a little bit... Under the rubble, for about three, four days, alive.

Death is by appointment. Understand this. In all these things you are seeing the wondrous works of God. You are seeing the kind of devastation and the things that can hit a place and it looks hopeless, and inside that hopelessness, you see some come out with hope. And think of the people who are so concerned. Some of them can't sleep. They're digging, they're there, they're working themselves to the bone because they know in that neighborhood, I have an aunt, I have two sisters, I have this here, I have a nephew and niece and they're not seeing them, because they're seeing in that neighborhood that whole thing is under the rubble. And so, they are there trying to remove everything, searching, calling, praying, believing, crying, asking God to pull some out from there.

Do you remember 2010 with Haiti? It's earthquake, you know. Just like a woman who is having a baby, she could have it naturally or they could induce labor. When you see them with their scientific weapons, they could induce things, you know. That's the Age we're living in, you know.

When you look, what do you see? What are you understanding by what you are seeing? If you don't understand geopolitics, if you don't understand regions and different things, if you don't understand big, industrialized nations with ambitions and these things for certain regions because of the wealth and the strategic control and all these things, you'll call everything an act of nature.

The baby is still coming whether the woman has induced labor or she has a hard labor that she might even die under. And sometimes they see, like she doesn't have the strength and they induce labor and the child comes. And everybody looks at the objective of the child coming.

Remember, this is a seeing Age, right? Remember, the god of this evil age has blinded the people, right? Remember, he's constantly trying to blind you from the Word of God coming to pass. And the way God is bringing His Word to pass is different to the expectation a lot of people thought of how it's going to be.

In the seventies and eighties, you know how many men were seeing themselves as leaders to lead the Bride in the Rapture after the Prophet and all this kind of business? Where have they gone? They're gone. Big movements all around the world, trying to shake up people, trying to blast people and do all kinds of things. And then it just shows that they were living in their own folly, their own imagination. And look how many years we are still after that and people are just running wild after this and after that. Because when Satan made that move, the people didn't know the Word yet. They didn't even understand the reality of what the Prophet really came for.

That is why this is a seeing Age. And then the very Intelligence of God, the Mind, the Intelligence, the Headship, the Word from the Head coming down into the Body and showing to us... And that's why, to live in a place like this, in an Hour like this...

The Prophet left in 1965. Think. We're in 2023. So look around and see: fifty-eight years you're here; try to... When you review—you don't have to review all the way back to your... In your Church Ages Book, it will carry you to when the Book of Acts and they started, but just try to review the part between the Gentile Prophet and the Jewish prophets. So you're starting from '66. He left '65. If you can't see from '66 to 2023,

then it means to say, it could be that nothing has happened; it could be that what we're looking for, maybe has already gone, or it is to come, or it is in the process of fulfillment. Regardless of which one you choose, you have to be knowing Scripture and then see modern events that make clear the Scripture. Because modern events are made clear by the vindicated prophecy. It must be modern events. It must be the present events.

If God is His own interpreter and God is interpreting His own Word, it is not how you might have figured it out and how I might have figured it out, but how God is doing it.

And let me tell you this, because Trinidad and they are not in the Bible—you don't read Trinidad and Tobago. You don't read Grenada and St. Vincent in the Bible. It says 'the isles', and didn't even say which isles. It could be Fiji Isles, could be isles in the South Pacific, could be isles in the Caribbean, could be the Hawaiian Isles and those places there. Which region? He just said 'the isles'. And God has His people scattered in the earth. And the thing about God is, God comes to His people. God talks with His people. Watch and see everybody who was called, didn't God come and call them? "Zacchaeus, come down from the tree." The woman at the well: "It needs be He go through Samaria." It doesn't matter what condition they are in, God is coming to them because they are God's children.

It needs be He goes to Samaria before that woman goes into seven, eight and nine husbands, you know. [Bro. Vin chuckles. -Ed.] You get that? He said, "You had five already and you are living with one right now, so that is six. This is your cut-off point; wake up!" He went to wake her up, to give her something to overcome that condition and be free from that condition.

And look at how it affected them. Look at Zacchaeus. He said, "I'm restoring everybody four-fold. I robbed people. I did all kinds of different things - schemes."

Not, “I am glad the Lord called me.” No, he was fixing things that needed fixing. Now that he was awakened and seeing the grace of God to him, he was fixing things.

Those are people with the Gene of God. People who don’t have the Gene of God only see, “No, no, God called me, God talked to me; I am delivered,” but you might have some things to fix there. I am giving you the Bible for it. I am not just trying to throw anything at anybody. I am showing you Scripture because that’s the way it’s written in the Word. And these things are written for what? Our examples. You can do what you can do; what you can’t do, you can’t do.

But it showed there was something about Zacchaeus and his heart condition when the Word really struck him, because he was more taken up in the business... As the Prophet gave the drama, his wife had heard Jesus and was telling him, but he was not taking that on. But when they heard He was coming through Jericho, Zacchaeus climbed up that tree; he wanted to see Him, he wanted to see what was going on. When He came through and He stopped under that sycamore tree and looked up and said, “Zacchaeus, come down,” it was like... He thought he was so hidden and so covered. Do you think you are hidden and covered from the Holy Spirit? Do you think you could hide from the Holy Spirit; that the Holy Spirit can’t see you? No, no, no, no.

Most times that is why I can’t get to my message, you know. [Bro. Vin chuckles. -Ed.] Yes, you see, I start to talk to you and it is like He is talking to the woman at the well. You understand? When He starts to talk, that brings contact and then contact brings things visible from another realm. And the Scriptures no longer become something on a page; It becomes something about us in our life. And maybe, all I can say, maybe these comments have to be made because I didn’t have that in my mind. I didn’t come to the pulpit with that. I am just talking to you as I always do. Even before, when we used to be in the building, I would come and speak a

little bit for contact because I understand those laws. I am not a church man. I always tell you that. I am not a religious man.

So, that's why, when we look at some of those things there, you know, it makes us love the Lord and love His Word because it makes us think about Him in a certain way and in certain places. And it causes Him to be reflected from the pages of the Bible, to see how everything concerning us is somewhere in the Word and it could be applied to us. And it makes us think in places that you normally would not think because some people only see other people but they rarely look into their own life.

But the real believer is a person who is always looking in their life. Thoughts don't just go through their mind; they are measuring every thought. They don't go along with just an idle mind and all kinds of traffic in their mind in that humanistic realm. No, no, no. From the time they realize there are negative thoughts, there are different kinds of thoughts, there is... Cast down reasoning, cast down imagination, pull down the strongholds, bring every thought into captivity to the obedience of Christ. Why? They want to live in victory, they want to live in a realm of awareness, sensitive to the unseen, sensitive to the Spirit. These are Spirit-filled believers.

Church people are a different thing. Yes, they go to church; as long as they go to church, that is good enough for them. But the real believer is a person who is walking. They are coming from what? A partial realization to a perfect realization. The Spirit started us there on New Year's. Follow the Spirit. Follow and see the things God has been speaking on Sundays, on Wednesdays, on Fridays, whether it is me, whether it is the other brothers. See what the Spirit is saying because the Spirit has everyone under consideration.

And then, we have been having men's meetings. And even there, we have seen the grace of God helping us to

become more conscious of the time. Because we have had men's meetings down through the years. I've had couple's meetings, men's meetings, Women of Faith meetings, young people's meetings, all kinds of meetings, constantly trying to do what? See the church evolve – a Spiritual evolution. Why? Because we believe the Message. It's believing the Message and understanding how to work to see progress achieved and see maturity come into the people and an enlightened understanding as the Elect in this Age; trying to bring this and achieve this and still working for that cause.

For me, it was never to congregate people and just feel good that you have people congregated. It was always, if we come together, whether it's two or three gathered together, the Word of God can teach us. And that's why we recorded everything, so those who were not there and couldn't be there still have access to it to know what the Spirit was saying. And this is the grace of God because that shows how much God is interested in all of us. Praise His wonderful Name.

So, join with me for a Word of prayer. And if you have a special request in your heart, believe, believe. Move out of reasoning, move out of imagination; move into faith, and you join with me and feel linked together with me because right now, I am linked with Him. He is just bringing the Word down and I am just opening my mouth and letting It come out, what I feel the Spirit is moving me to speak on. And all of this here may sound like a little admonition and exhortation, but that really is helping you get into a place; that when we get into deeper things in the Bible you could see and you could understand because all those flues are blown out and the channel is clear, so you could hear by the Spirit. See? And this is the important thing.

See, Spiritual things are achieved by working by Spiritual laws. Natural things are achieved by working by natural laws. So when you're dealing with Spiritual

laws, Spiritual scientists working with the laws of the Spirit and the Word, that is to bring the person, the Inner Person—not the outward person, that is flesh and blood that came by sex; the Inner Person who has the New Birth, that is to move that soul up into a Heavenly place where Christ could have the preeminence in that life.

So, join with me by the grace of God. If you have a request, God is more than willing and desiring to give to us the things that can help us, but sometimes we need to be sensitive to what our priority is, what are the main needs that we have, by the grace of God. That is why He says seek first the Kingdom of God and its righteousness, then the other things shall be added: what you're going to eat, what you're going to wear, all these different things. Those are the ABC things. God said, "Seek first the Kingdom," that Word becoming Spirit and Life in you, that New Birth, that Holy Ghost. See?

Gracious, loving Father, we bow in Your Presence with gratitude, with thanksgiving in our hearts, coming in humility and deepness of sincerity, bowing down to the dust of the earth from whence You took us, dear God, knowing that we are so insignificant, Lord, that people in the world, they'll just pass us by and see nothing in us. But when You look, You don't look at the outside of us; You look at the inside because this outward man is just dust of the earth, Lord. But inside that terrestrial body, that dust of the earth, Lord, there is a Gene of Eternal Life. And that's what You look at because that's part of You; that's one of Your Eternal Attributes.

And so, dear God, when that contact is made and that Quickening Power from the Holy Spirit quickens that Seed within us, the real us, that Gene of God, Lord, it moves us up into a realm, coming out of the humanistic realm into the realm of revelation and vision.

And so, dear God, we desire that, Father. And we always want to be mindful because that is the realm that we could have communion with You, because You are not here in a physical body as such. You took the Man part into Heaven, but the God part came back, the Spirit part on the Day of Pentecost. They saw the Man standing on the Mount of Olives and He was taken up into Glory, and that Man was not seen, Lord, maybe in vision by the Prophet, but Lord, the real thing that came back was the Holy Spirit, You in the form of Spirit coming to indwell us, coming, Lord, to make us Your living tabernacle, because You do not dwell in tabernacles made with hands.

And so, I pray that You will move in grace and blessing and power to Your children this evening, so that, Lord God, You can so inspire them and they can feel the voltage of the current of the Spirit, a surge of that Holy Spirit. Just like the electricity moves through the copper wire that can conduct that electricity and cause that bulb to light up, so let that surge of the current of the Holy Spirit move in their beings, oh God, and quicken them and lift that soul up into a channel, Lord, where they can see clearly, the eyes of their understanding being enlightened, and they could know the exceeding greatness of Your power and the glory of the riches of the inheritance of saints in light, being strengthened with might and power in the Inner Man, putting on the whole armor of God so that they can fight and be victorious in this greatest battle that we are engaged in, in this very present Hour, knowing all Hell is against this Truth.

Lord, we want to live and walk consciously. We want to be sensitive; we want to be so aware. Raise the level of our awareness this evening, we pray. And, dear God, may You help us all. May You grant it, Lord. We thank You, Father.

We ask that You'd wash us in Your Blood and You'd forgive us of our sins and our shortcomings, our

mistakes and our failures. May You blot out everything, oh God, that is not of You. May You take Your sharp knife and circumcise and cut away the excess flesh and these things, oh God, so we might become so yielded, so submitted, so surrendered to You, Lord, so that You can have the preeminence and the oversight and the leading in our lives. Like You told Paul, Your strength is made perfect in weakness.

Sometimes we feel like it is a bad thing, becoming weak, because we have so much confidence in the flesh and the mind and our education and these things, but oh God, that is not it, Father. Lord, when we become weak, when we become helpless, when we become so surrendered, then dear God, You can come into us and do things beyond what we could imagine or ever thought of. Oh God, because that is what You want, Lord: to have the preeminence. That is why You purchased us by Your Blood, so Lord God, You could be in so many members of Your Body around the world, and Lord, accomplish the work through the Body ministry of the Bride in this Hour – that many membered Body finishing up the Great Commission; finishing up the Plan of Redemption.

Lord God, we are so grateful that we could be under consideration to even get a little part in this so that the Body could be fitly joined and compacted together by the measure that every joint supplieth. And if we would just supply a little thing in one part of the Body, in the area where we live, oh God, then we think of what that would be universally when all those elected Seeds where You have placed them out positionally—and You know where everyone is. And You did it in that way so, Lord, Your Bride around the world could be in one mind and one accord like Your Prophet saw them coming, marching onward Christian soldiers, coming from all nations and then beginning to move up into Glory, breaking the law of gravity and ascending into a higher order.

So, dear God, when we think of these things, Lord, may we never lose sight of these realities that are coming to pass in the lives of Your children: the things that You purposed that You will bring to pass, the Scriptures that teaches us where to look, how to look, Lord, and get us so aligned so that we could experience these unfailing realities of the living God. May You grant it, Father. We thank You and we praise You.

Lead me and guide me, Lord. Quite a lot has been said already, and what little time remains and what can be said, Lord, to throw some light now, Lord, in some other areas, Lord, that would help us to be better placed and with clearer understanding and more directly focused where the Spirit of God can lead us and guide us and work in and through us to the fulfilling of Your will.

Would You do it, dear God? We pray sincerely, asking Father, that these things will be so; that Your Name might be admired in us all who believe, and that You will fulfill this great work of faith with power as You prophesied, as You promised in Your Word: that by and through the members of Your Bride You will finish up this work in this final quickening onto the Rapture. We just pray, Father, that we all could take our place and be so united under one headship by one language, oh God, by one Spirit, Lord.

Grant it, Father. We pray and we ask these things for Your glory, in the Almighty and the precious Name of Jesus Christ our Lord. Amen.

So, praise the Lord. Praise His wonderful Name.

Let's just stand. I want to read a couple of verses, just Revelation 6:7 and 8. That's the Fourth Seal. Instead of reading all the Seals there, I'll take the last one because everything that has started gathers up in this one, and this one is for this Age. And here, we are seeing this work that started in the early Age, in the first Age, and now we are at the end of the Seventh Age. We are called out of Laodicea, the Seventh Age and we are in the

Eternal Church Age at the end of the Seven Seals. We are in the Bride Age. And the move is on for the Bride, amen – the invisible union of Christ and His Bride in the Bride Age. The Head comes to the Body in this uniting time – the uniting time and sign; invisible union of the Head and the Body. That’s the Hour that we are in.

Think of... Always think of these things. Think of the Word. You see, it was communicated to us in a certain language because that Eternal Spirit of God in the Prophet gave the Prophet the language to bring the picture out, because it is a picture. And when that picture comes out, not just a bunch of rattling, quoting this left and right, no continuity, no picture being formed; once that picture is formed, then you’re now walking in a realm of perfect faith, you are walking in a realm where everything is clear. Amen. You can see how Christ is pulling His Bride together to take the Headship over them and is working through the members of that Body.

Revelation 6, verse 7:

7 And when he had opened the fourth seal, I heard [this is John speaking] the voice of the fourth beast...

And the first one was a lion, the second one was an ox, the third one was a man; the fourth was the eagle.

... I heard the voice of the fourth beast [the flying eagle] say, Come and see.

See, this is the Prophetic Age. See? That’s why it’s the eagle – eagle anointing; Eagle Age. Nothing flies higher than the eagle. The eagle has the greatest sight. The eagle can see—has telescopic and microscopic sight. They can see far away, and they can see a little thing and bring it up and see it so clearly.

This is the Age that we are living in: the Prophetic Age; the Eagle Age. “Where the carcass is, there will the eagles be gathered together.” See? And it is the Eagle Age where the revelation comes because that’s

prophetic; that's the opening of the Seventh Seal Book. So, though the Seals are shown, it is in the Eagle Age, at the end of the Age when the Seventh Angel Messenger is on the earth, and he shall begin to sound and the Mystery of God would be finished.

*⁸ And I looked, and behold a pale horse:
and his name that sat on him was Death,
and Hell followed with him.*

A pale horse. That is the white, the red and the black mixed together. It's called a pale horse because this is the uniting time. You see? This is the uniting time.

... And power was given unto them...

Death and Hell. See? The one that sat on the horse, his name is Death, Lucifer, and all of the tares, Hell, followed with him. See? Death and Hell. And power was given unto *them*, and Hell followed with him. See, demon spirits from that bottomless pit came out, but here, in the fourth Age, you are seeing them in human bodies. They became incarnate. Why? Because the rejection of the vindicated Word makes a way for the devil to become incarnate, so these demons have access to bodies because the soul that sinneth or disbelieveth shall die. See?

And this Age rejected the Messenger and the Message. He was crying out, "Recognize your Day; recognize your Message." God was vindicating the Word; God was showing the signs – flashing red lights of the sign of His coming. You know, signs in Heaven, signs on earth, signs in the Church, signs everywhere, proving these things. And the prophecy was coming to pass but they rejected it. And rejection of the Word makes way for the devil to become incarnate, so that's why they're called Hell and they're following Death.

... And power was given unto them over the fourth part of the earth, to kill with sword [that is war], and with hunger [that is famine], and with death [that's pestilence],

and with the beasts of the earth. [that's these predatory, industrialized nations].

See? Like you have... Do you remember how Daniel saw those beasts? A lion with eagle wings; a leopard with four heads. See? A leopard with feet like a bear, a head like a lion; and a red dragon with seven heads and ten horns. When you see those things in the Books of Revelation and Daniel, what were they? Nations, people – beasts. Beast is power, but this is... Those beasts are not like religious power. There are religious powers there too, like Rome: seven heads and ten horns – a scarlet-colored beast. That's a system in the earth. That woman, in her was found the blood of the saints and the martyrs. Do you understand? But on the outside, it looks so nice, and the kings of the earth go and they bow, you know, and they try to gather the people together and these things, but it is all a diabolical move of the devil, deceiving the whole world. Understand.

Gross darkness is on the earth and upon the peoples, but you, arise and shine, thy Light is come. Why? The eagle screamed and those Seven Thunders opened up the Bible in the Age of the revelation when the Mighty God is unveiled, where Christ the Mystery of God's revealed, where we know our time, our season, our promise, our anointing; where we know that God is identified by His own characteristics. See? In this Age, there is a special people – the eagles. Where the carcass is, there will the eagles be gathered together.

So, watch.

... And power was given unto them over the fourth part of the earth, to kill with sword [war], and with hunger [famine], and with death [pestilence], and with the beasts of the earth.

See? And just let me take a couple of verses quickly, in Ephesians 6:10-13; then you'll have your seats.

So, we see the challenge. That is the challenge going forth there. We see how power is given unto them over

the fourth part of the earth to kill with sword – war. That is why this war is in Ukraine. Watch, it's war. What is coming out of this war? Hunger, shortage of food because most of the food that goes around the world comes from that region; those two nations that are at war: Russia and Ukraine.

“And with death – pestilence.” We've come through the pandemic; millions died. Because it is all by covert methods, by deception. The god of this evil Age is blinding the minds of the people. And they're thinking, “No, they are helping to save the world, and they're getting people together. And the hospitals...” Those were death places just like in the holocaust. When they killed six million, people didn't even realize that six million people had died and gone. It was so covert. And in those days, there was no television, no internet and any of those things. And they were able to do that so covertly, that by the time they counted, six million Jews had died, and their plan was to exterminate the whole thing. But the Bible said, one-third part would be killed with smoke, fire and brimstone, so they could not... The Scriptures cannot be broken.

And that's why, when we see here now, under this Fourth Seal, we see these things that are moving in the earth in this Hour. And watch and see how those things are telling us... Because if we are the eagles in the Eagle Age, we are seeing that what is written here will be manifested.

That was not put in the Dark Age, in Thyatira, though they killed them there, but this is an Age of science, and the civilization is so high and so refined. But yet, we have Eyesalve and we have the opening of the Word, the greatest Thing that has come – the opening of the Word to give faith to be changed and cause us to recognize the devil at his tricks. Overcoming – to recognize the devil at his tricks: how he is doing these things covertly, how he has blinded the minds of the people in this

present, evil Age. The god of this evil Age has blinded the minds of the people.

So, watch. Ephesians 6:10-13. Verse 11,

¹¹ Put on the whole armour of God,

Now, I'm reading this out of... You follow in your Bible, King James, but I'm reading out of the Amplified Classic Bible because it gives you a clearer picture of what the words in the Greek means there. So, we're reading in English but remember that it wasn't written in English. This is one of Paul's epistles – Ephesians.

¹⁰ In conclusion, be strong in the Lord [be empowered through your union with Him]; draw your strength from Him [that strength which His boundless might provides].

Verse 11,

¹¹ Put on God's whole armor [the armor of a heavy-armed soldier which God supplies], that you may be able successfully to stand up against [all] the strategies and the deceits of the devil.

Do you see why you need that armor? It is a Spiritual armor; that you will be able to stand, successfully stand up against all the strategies and the deceits of the devil: his methods, his ways that he uses to manipulate and deceive people, his craftiness. That's why the whole world is in this condition. Why? Because through the media... Media exploitation; media manipulation.

Gross darkness – the rulers of the darkness of this evil Age have blinded the people, keeping them in darkness. But you arise and shine, your Light is come. See? And you are getting light in that darkness like it was in Egypt. Gross darkness was in the land of Egypt but the children of Israel had light in their dwellings. Why? Because God had sent an Eagle prophet to them and He brought them out on Eagle's wings, the Bible says.

So, watch. Let me read back verse 11 for you.

¹¹ Put on God's whole armor [the armor of a heavy-armed soldier which God supplies], that you may be able successfully to stand up against [all] the strategies and the deceits of the devil.

¹² For we are not wrestling with flesh and blood [contending only with physical opponents], but against the despotisms, against the powers, against [the master spirits who are] the world rulers [who are the world rulers] of this present darkness, against the spirit forces of wickedness in the heavenly (supernatural) sphere.

That is why he told us that every government was of the devil. See? That is why he told us that Satan has built an Eden here, and he is enthroned and he is the most worshiped person on this earth. That is why he told us that this is a blind Age, wretched, naked, miserable and doesn't know it. Because of the deceit of the plan, of the craftiness he brought the world into this condition, yet the people think that they are wearing the best clothes, driving the biggest cars going around, university knowledge, but are blind as a bat, unconscious of the real Hour and what is happening.

That is why the righteous will walk out on the ashes of the wicked. This earth will be burned with fire. As it was in the days of Noah when God destroyed the earth by water, this time it'll be by fire; the whole civilization would be gone.

So, watch. So, we are not wrestling with flesh and blood, (see?) but the rulers of the darkness, of the present darkness, against the spirit forces of wickedness in the heavenly, supernatural sphere (see?) – unseen spiritual forces, in other words, spiritual powers; supernatural devils. You don't see that with your eyes; you see that through the eyes of revelation. You're seeing that with anointed eyes because you could recognize, you have the Spirit to discern, the Holy Spirit

in you to discern that that looks like a man there or a woman there but watch them.

When you look at these people in the European Union and how they are standing there, and all those women Presidents and ‘women this’ and women over this, and you see all of them standing there like powers in the earth and making decisions and these things, because they are all part of a system. And that is why they have the same rhetoric. That is why they have the same narrative for everything that they are doing, because these spirits are supporting each other, calling upon each other for help. See? Demonology. Understand that – demonology: spiritual powers, supernatural devils, (see?) unseen spiritual forces.

¹³ Therefore put on God’s complete armor, that you may be able to resist and stand your ground on the evil day [of danger],

When Hell is created on the earth, that’s the evil Age. This is the Age where Hell is created on the earth.

... and, having done all [the crisis demands], [all that the challenge demands from us if we have to overcome] to stand [firmly in your place].

“To stand firmly in your place.”

The Lord bless the reading of His Word. You may have your seats. God bless you.

So, I trust that you caught the two Scriptures and you saw the connection, because Revelation 6:7-8 under the Fourth Seal is the Age that we are living in. Hell is following Death, and this is the whole inhabited earth – oikouménē. This is the Age of the ecumenical move coming to its fullness where the whole world is united against Christ and His people. This is the battle that is going to end in Armageddon.

But watch how under the Fourth Seal, the uniting time, religion, government, economics; white horse, red horse, black horse are united as a pale horse. But watch

and see, when that is happening, that's the Day that the Eagle flies. And then, here is a prophetic Message coming at the end of a reformer Age of Luther, Wesley and Pentecost – almost five hundred years of reformation.

Then, this Age is not reformation. This Age is revelation that brings restoration, the restoration of the Bride Tree that takes the Church back to the early Church and turns the hearts of the children back to the faith of the fathers. Restoration of the Bride Tree – the Tree that was eaten down by those bugs in the reformer Age. Watch and see how the Tree comes to a restoration. Elijah truly shall come and restore all Things. Things are Mystery-truths, bringing back the true revelation to do what? To empower a Bride; to give those Eagles strength and power to fly up into the realm of the Supernatural. That's why he said it's a Super Race, a Super Church, an invincible army.

So, we are looking there, under the Fourth Seal, this last Age and are seeing what the condition is. It's a uniting time of the powers. It is the time of the ecumenical Age. It's the time when you have Buddhist, and Hindu, and Islam and so-called Christianity. All of that is being united together. And they say, "Well, we are all children of Abraham. Abraham had a son named Isaac and out of him came the Jewish nation. Abraham had Ishmael first before he had Isaac and out of him came the Mohammedans." Christ is Abraham's faith Son Who came out of Abraham's faith, and Abraham is the father of nations, and this One, Abraham had a Son in Whom all the families of the earth were going to be blessed in that Son, which was Jesus, because through Jesus, the Holy Spirit was loosed; not through Isaac or through Ishmael.

And from every nation, kindred, tongue, and tribe on the earth, an elected Bride is called, (why?) and came into a New Birth – an elected people. And it was shown to the Prophet in the vision and they were marching

onward Christian soldiers. And the time came when they ascended on high in the Rapture and began to break the law of gravity from the earthly to the Heavenly. And so, we know that we are in that kind of channel.

And so, I'm just trying to give you some context out of the Scripture that we just read here, under this Fourth Seal. Because remember, Revelation is what? It's a Book of Symbols. When you see those symbols, it's a lot of things there. It's not just like two verses. Look how much I've already spoken out of those two verses there, verse 7 and verse 8. "By these four things..." you see? And we see how power was given to them over the fourth part of the earth to kill with the sword, with hunger, with death and with the beasts of the earth. That is happening right now, even in that war. Even in that war, these four things are happening right there – these predatory industrialized nations.

And watch the spirit upon Revelation 17 and those two beasts of Revelation 13. Watch and see; that's that Ahab and Jezebel union. Watch how religion and politics are united – church and state. Watch and see how they have brought all this chaos in the earth, these two nations who like to plunder and devour and go into countries and restructure those countries like what they did in Iraq and what they did in Afghanistan—or what they tried to do because they had to run from Afghanistan, and what they did in Libya; (do you understand?) what they did in Syria and these places. Watch and see – you, who down through the years we have spoken to on these things.

Whenever these things were happening in the world, the Holy Spirit goes there and brings those messages out so we can understand in the present tense, in the time between the Gentile Prophet and the Jewish prophets, all those events, all those things that were taking place; even showing you videos and these things, like when they were having this move and the Pope

wanted to bring all these televangelists and all of them into the Vatican and these things. And then they brought the rabbi, and they brought the Imam and they brought the Hindu priests and all the different religions. That never happened since Nicaea, and it was there. And we showed those things.

And if you ever say, “Well, I never knew that,” well, it’s either you were sleeping, or if you weren’t sleeping and you forgot, it’s all there. Just go back and they’ll find it and you’ll be able to see when all these things were shown to the church. Because these things have never passed us. The Holy Spirit all down through these years have stopped us and went into the Word and placed those things in the Bible and showed to us when those things are in the process of fulfillment in the days after Elijah. Because Elijah preached to us *Events Made Clear By Prophecy* [1965-0801E -Ed.] and *Modern Events Are Made Clear By The Vindicated Prophecy* [1965-1206 - Modern Events Are Made Clear By Prophecy -Ed.]. And that, he was very clear with.

And he was the Messenger that revealed the Book of Revelation, and he was the one who brought the messages so that we can see what wars are going to follow, what move with the money system, how they will destroy the present-day money system and they will demand gold and everything else, how they will unite the churches and they will close down churches and these things, and you can’t buy or sell except you have the mark and you belong to the system. And he brought all these things out for us.

And that is not just like, “Well, that is in the Church Age Book. I read that already.” No, no, no. You could read it in the Church Age Book and look in the world and don’t see anything that you read happening. Because you need eyes to see what you are reading being manifested, then you are really seeing. Right there you’re only seeing in a book; you are seeing words on a page.

And then somebody says, “Where is that happening?” You can’t show one place. Most times you get people like that. And that’s why, when we see those things, it always has to be in time, in season.

And we know the nations in prophecy, because in the Book of Daniel and the Book of Revelation, these nations are described and identified, especially the leaders there. Because the earth is divided up into trading blocs; the earth is divided up through wars and economics and these things. That’s right. Because that Mystery Nimrod, the same way Nimrod fought wars... He wasn’t just fighting wars like a crazy man. No. He was fighting strategic wars to control regions that had resources that were going to empower them to take control in the earth, because the vision was to rule the world. And by time you get to Genesis 11, the whole earth was one language and one speech, and they were united by a communication system there, and they had a space program to go up into Heaven. The world had become a global village there.

So, when we look there, in Genesis—and Genesis is the seed in Revelation. This time it is a Mystery Babylon with a Mystery Nimrod. And the wars that they are fighting are not just like how Nimrod fought there and they had some clubs and swords and different things like that now; now they have Intercontinental Ballistic Missiles (ICBMs), now they have germ warfare. They have things to destroy people’s food systems and these things. They have the kind of things they breed in laboratories, and the next thing, people who used to grow a lot of food and help people, no, they take control of that and they restructure the things.

And that is why Bill Gates and they are buying up those lands, and Monsanto is controlling all these seeds and different things. Why? Because they’re going to determine who will have and who won’t have. And they know how to trap the others into debt, and they know how to steal and take away from those who will have

good land for that. You understand? Because in this Age of violence, everybody wants weapons but everybody cannot produce the weapons. And if they have enemies and hostile nations next to them and around them in their region, then they want help from the bigger industrialized nations, so they seek them, “We want two F-16s. We want some soldiers. We want you to send people to train the army for us.” Like what NATO [North Atlantic Treaty Organization –Ed.] is doing with them there, in Ukraine. Watch and see how it works.

When you are looking in the earth and you are reading news, it is not just news, you know. It is activity. And in the activity, it has shadow and type for all those activities from Genesis coming all the way down, because the Bible starts with war and ends with war. Way back in Heaven, the first thing up there that caused things was a war. “There was war in Heaven” [Revelation 12:7 –Ed.] – Michael and Lucifer. One army was cast down into the earth. Is that right? Jesus said, “I saw Satan fall like lightning from Heaven.” When we end up in the last days, an army is coming out of Heaven to fight armies on the earth. Revelation 19, “And Heaven was opened, and there’s One Who’s coming to judge and make war, and His eyes are like a flame of fire, and He’s on a white charger, and the armies of Heaven were following Him and on His Name was written The Word of God.” [Revelation 19:11-14 –Ed.] Understand. And while this group down here is riding, there’s another group riding.

We have representation in Heaven. You have an angel that beholds the Father’s face. You have a celestial body, a house made without hands, eternal in the Heavens. But you see, most people just read that and talk about it and do not think about it. And when you come into certain places in the Word, you want to be conscious, you want to be clear in your thinking, you want to understand... How are you going to understand demonology? Explain to me how you’re going to understand demonology? All you are saying, “That man

is bad, boy. That man is advantageous, isn't he? That man is wicked, boy. That man is so and so."

No, it's not those people; it's the supernatural devils inside of them. Why? Because they have access to those bodies, because the souls in those people rejected the vindicated Word. They were lovers of pleasure more than lovers of God. They didn't have any representation in them to understand Supernatural things and spiritual things. They are just like brute beasts of the earth. That is the tares; the tares.

The evil sower sowed tares; let them grow until harvest. The good sower sowed wheat; let them grow until harvest. Do not try to separate them. The separation will come at harvest time. Take care, otherwise you'll root up the wheat too, because at that stage, you can't tell who is who. People are crying at the altar, people are begging God, and someone says, "Oh, that person really loves God, boy." Half of the time, ninety percent is emotion. When you listen to them, the prayer is not pointing anywhere. It has no radar, it has no faith with that prayer; it's just emotion and beating up the ground and different things. And when you speak the Word to that person, they can't take the Word, yet they are rolling on the floor and they want to give the impression like they are getting filled with the Spirit and...

That's right. Down through the years you see that kind of thing. The only way... If that Seal, that baptism of the Holy Spirit, that Seal of God is not in that soul, then you know what's going to happen. Satan is going to come in. And if he can't get in, he goes and gets seven worst that himself, and those seven devils come and beat against that house and the last state is worse than the first state because they come in and they take it over; the person stayed in sanctification too long, did not go on to get the Holy Ghost.

We have been taught by a Prophet; not a theologian from a Bible school. We have been taught by a specially

designed Prophet through which the opening of all these hidden, mysterious things that were encrypted in the Bible in Genesis, in Daniel, in Revelation, Ezekiel, that were encrypted inside of there have been opened up. And not just opened up; applied and given identification of things in this present, evil Age. And that's why this Age is called the evil Age. The god of this evil Age. And Galatians 1, verse 3 to 5: this present, evil Age. 2nd Corinthians 4:4: the god of this evil Age. Ephesians 6: "You wrestle against principalities, powers, spiritual wickedness in high places, rulers of the darkness of this world," demon spirits in people; Satan's generals that bring the world into the condition where they have control over everything.

They control the media so they have—they make you believe and see through their eyes. They tell you what is going on. They put that thing in your little, smallest phone that you might have or in a big screen or whatever it is. They unite the world by communication, the communication networks. This is the information revolution. This is the information Age. Understand the time you're living in.

See, people like this phone and that there and this here, and they don't even realize their father, their grandfather, if they had seen that and you had told them that you could stay here and talk to somebody over there, they'd doubt what you're saying because they only had a radio. You understand? And that's when we see the Age we are living in. It is supposed...

Now, if you see it and you don't have the teaching, you don't know what you're seeing, you don't know its application; you do not know why those things come from the tree of knowledge of good and evil and how Satan brings these things to bring this generation into such perversion that they don't have to wait... Like long ago when their father was fifty years, he didn't even have a clue of some of the evil things going on in the world. Today, these children, ten years, twelve years,

they are seeing things that their father at fifty and forty doesn't know about. Evil. Understand?

You see, if you cannot think and you don't see the time we are living in, you don't see the condition of the world, you don't see the prophecies, you don't see how the things are being done, how people, they keep certain parts of the world in darkness... That's why they called them the rulers of the darkness. They can keep people in darkness. Darkness is ignorance, and they don't have a clue of what's going on in the world. Then, some people are not even interested. If they have something that can show them something, they use it for something else. They don't want to see how the Word of God is coming to pass, the things spoken of for this last Day.

You see, when we are having these International Cyber Fellowship Meetings, do you see what they're using the technology for? To reach sixty countries; to send this Word and this revelation so far and wide to sensitize people in different parts of the world. But some people, their minds can't even think in those places to realize, "Oh my God, look how God is doing that, and look at how the people didn't go to any school to learn ninety percent of what they are doing. And look, out of here, a work of that magnitude to reach so many people is taking place, until people are singing these songs around the world, translating it into different languages and these things too." And all of that came off from the preaching right here, in the opening of the Word to us between the Gentile Prophet and the Jewish prophets; that every revival is producing a hymnology.

Friends, we are talking about *The Four Severe Judgments Of The Supreme Judge: Sword, Famine, Pestilence And The Beasts Of The Earth*. So, I'm going to try to make some leaps. So, you see, when I get preaching to you, I like to break things down finely, because I realize a lot of people, they don't spend time in the Word to know the Word. So, when you are talking

about things now, you realize some of them can't relate. They start to say, they find that it is too deep, they find it too high. It's not too deep and high. If you are an eagle now, there is nothing deep and high for you if you are an eagle. If you are a chicken, well, that might be deep. If you are a hawk, well, you reach a certain place and you cannot go beyond that. But if you are one of God's eagles, "Where the carcass is, there will the eagles be gathered together."

And the eagles now, that is dealing with the prophetic part of the Word. Because the eagle is prophecy. They can see far. They can see—take microscopic things and open these things. Because God lays His Word out in a way where the devil can't get it. That's why it's encrypted in symbols. That's why in the Book of Daniel it is talking about this lion with wings of an eagle. And somebody says, "What is a lion doing with the wings of an eagle? What kind of hybrid kind of creature is that? What is that?" No, God is showing him nations in the earth. God is showing him the swiftness in the warfare, the ferocity in the battle. You understand? And so, everything there in the symbol is revealing the characteristics of the beast. And beast represents power. You have military power, you have political power, you have economic power. You understand?

So that's why, when you get in the Book of Revelation, it is called Revelation. 'Revelation' means *'things that were sealed up are being revealed; it's being made plain'*. And if it doesn't have revelation to those things, then we remain in ignorance and we do not know what it means, and we are watching it in the earth and we can't place it anywhere. But when revelation comes now, you know exactly that is speaking of that; that is that thing. And you realize, that is how God put it in symbol to keep that communication among an elected people to whom He has given the New Birth and an enlightened understanding. Because Daniel said what? The wise shall understand. The wise shall understand,

like the wise virgins who had their oil. You understand? So these are things there that we look at.

Now, when we see—like today, you read and you listen or you are viewing global news, because today you are getting news globally, worldwide. You aren't getting Trinidad news alone or Tobago news alone. No, no, no. You are getting news worldwide. Do you know why that is important? Because though it doesn't have a lot of things on the economic level, or the political level, or the military level rather, taking place—you are not seeing that happening in Trinidad. You aren't seeing Trinidad having a war with another country here. Let's say, Trinidad is in a war with Venezuela, or Trinidad is at war with Nassau [Capital of the Bahamas -Ed.] or one of those islands or something, you're not seeing that. Because these islands are like tributaries. They're small; they're not important. They might have strategic importance or they might have a certain commodity, a certain resource that is important. But on the whole, because the island is so small and they are grouped in a level of island small, the bigger nations will take what they have and use it.

So, we have natural gas, we have oil, but if the big nations say, "No, you have to do so and so and so."

You say, "No, we're not doing that. This is our resource."

He says, "Okay, well, sell it."

They have no place to sell it; they have no market. They don't even have proper transportation to carry that worldwide. You get what I'm saying? Because all these things are governed by laws in countries.

It comes like the market. If you go to your simple market by the Beetham or San Juan market [villages in Trinidad -Ed.] or some other market, you go there and in the market has stalls, and there are people in that market and they have a stall, and whenever market day comes, they go straight to their position and their place there in the market and they sell their certain things. And the

market is set up in a certain way: beef's over here, meat and different things, vegetables and things are over here, dry goods are over here and everything is laid out in the market, because it's not confusion; it's an order. And you go down this lane for this and you go down over in that section of the market for other things.

Well, that little market that you have there is like a template of a bigger thing in the world. Because the man who is bringing the avocados to sell it and the coconut or something, and the man who's bringing pork and different things, you know, where they are cutting up, and selling beef on one side and the other people who are bringing in dry goods and different things, they all have their stalls. And then, people get familiar with the market, so when they come, if they know they came for certain items, they don't want to go all through the market; they know exactly where that stall is, they know exactly where these things are, because it is set up in a system.

Well, that is a little miniature thing to the big global market. And in those markets, the commodities are from A to Z. But it's a concept. You see? It's a concept. And then, you can look and see now, how the order and these things are set up to make everything accessible to the person who is coming, looking to buy certain things. They are not going to go next week and find that moved, or go another week and find that it moved somewhere else, and they are just going round in circles in the market. "Where is the man who used to sell this here? Where is so and so over here?" No, it is laid out, the economics of it.

And then, when you see things start to get scarce, you see that price gets inflated in that little market, right there.

"But two weeks ago I paid you so and so for it!"

He said, "That was two weeks ago. This thing got scarce. That is the price now. Go and check somewhere else."

You say, “Man, you are a robber. You are a thief, man.”

And you go in another market now, and you find it even higher in the next market, and then you have to come back now and eat humble pie to tell the man, “I’m sorry, I didn’t know.”

He said, “Yes, some of you are just ignorant and have an attitude because you are not following the news and you don’t know that this is in short supply now. But I keep this because I have customers, and I keep mine, and keep it at an affordable price. And when I give you the affordable price, because it’s not the price you previously paid, you want me to bring down the price here, but I’m trying to keep service to my customers.”

And you realize now, this man is a businessman, because he understands that when things get back normal, it gets back good. “But right now, I don’t want to lose all my customers and these things, because through them I am getting revenue.”

Well, so it is in the world. When you think of that little thing and you are putting it out in a global world, in a global market—and it has a market for F-16s, military equipment to fight war. It has a market for everything. Market for food for the body. You understand? It has a market for clothing and special types of things. It has a market for everything.

You see, this is an Age you have to learn to see. You have to understand that everything is set up by a system. This is the Age where learning has increased in such a way. “Knowledge shall be increased in the last days,” Daniel said. Look and see, in a few years, you watch those little children, one year old, they are taking their father’s phone and they are flicking so, they are swiping. They aren’t throwing it down, you know. No, they are conscious of that little device. Their fathers put in their hands for them to play a little bit and then they go now, the next thing you know, they find a cartoon and they could watch that cartoon, and they are

watching that. And you say, “How did they learn that so quickly?” And you realize the Age they are born in, when these things are here, they come with an IQ for these things.

You see, a Christian is a close observer. A Christian looks and sees the order of things in the earth. That’s why... When I say Christian, I am talking in the term of Spirit-filled people here now. Not somebody saying, “I go to church. I am a Christian. I am not a Hindu. I am not a Muslim; I am a Christian.” I am not talking about that. What I am talking about is a people—because you can’t be a Christian and be foolish, because a ‘Christian’ means ‘*Christ in you*’, and that means you are a Spirit-filled person.

See, ‘spiritual’ in the Bible means ‘*Spirit-filled*’. It’s opposite to carnal. Carnal is a same man: same hand, same foot, same mouth, and he has a Bible too, but he is not understanding anything. But the spiritual man, he has the Spirit and the Inside Teacher teaches him, and that’s why to him, to live in the Word is not a difficult thing, because he realizes that the food for the soul is not in a comic book, it’s not in the newspapers, it’s not somewhere else, and he understands God’s plan and is able to take his position in the plan and live in alignment to God’s will and God’s plan for his life, by knowing his Age, his promises, the anointing for that Age and God’s objective and purpose to fulfill and achieve in the life of the people He predestinated to this Age.

And that’s why when you get two or three, “Where two or three are gathered together in My Name, there am I. And if two shall agree upon touching anything, it shall be done.” Why is that so powerful? Because it’s two Spirit-filled people, two people who are in Christ, two people by a New Birth, two predestinated seeds, two people with Eternal Life, two people that are redeemed people. They are heirs of the promises of God. They have access. By faith, by revelation, they have access into

that grace. They are not fighting up to live a Christian life. No. They are born by the Spirit, washed in the Blood, anointed and quickened by the Spirit. That's why he said, "Super Race, Super Church, invincible Army in the last days." But people take that and they bring it down and say, "Well, we are a Super Race, you know," and nothing is super about them. "We are an invincible Army," and no revelation. What makes them invincible? There is no prevailing power as the revelation. They, themselves, are the interpretation of the Word that is written in the Bible. They are born and predestinated to fulfill that Scripture. It is speaking about them. Get it right. Get it clear. Don't lose it!

When you are hearing things like this, you know what you are supposed to be doing? "Oh God, engrave that in my heart, Lord. Write it in my heart. Write Your laws in my heart, in my mind, that this will govern my life; I will not be the same after today hearing the things and seeing the clarity, and seeing the emphasis and understanding how to access that power, and how to live an overcoming life and to be conscious of the time and the season." That is God's Church that is getting ready for the Rapture. That is a different thing than, "I am in the Message." You understand? That's the thing.

Blessed are they that hunger and thirst. Some people have no hunger; they don't have the thirst to want to know those things. But those things are put for the Elected believer, that's why he could make statements like, "The Book of Revelation is for the Bride." Ephesians, that is for God's Bride, the Elected people, because that is dealing with position, that is dealing with election, that is dealing with calling. Make your election and calling sure - 2nd Peter 1. That is dealing with partaking of the Divine nature (see?) that you will not be barren or unfruitful in the knowledge of Jesus Christ. These books have truths in them designed to build you up and to show you your pre-existence, your earthly journey, your Eternal destination, to live in a

consciousness that no other Age had that open Book and here it is God reserved this for a last-day people. You didn't just end up here. God knowing the Word would be opened here and God knowing there is an Elected people He would predestinate in this Age, He will come to them, He will open the eyes of their understanding, He will confirm their Messenger, they will have something inside of them to link them to that Messenger.

That's why Jesus said, "My sheep will know My Voice. They will not follow a stranger. I am known of My sheep and My sheep know Me." That's a Mystery of Shepherd and sheep. That's a Mystery of Redemption, that God put something in you to believe them who God sent. That is the spiritual mind can move into the channel where that Word doesn't stop and that Word just keeps unfolding and opening and getting brighter and brighter. My!

So, watch. From those couple of Scriptures I gave you, let's move a little. Go with me in Daniel. I want to read out of Daniel 7. I have three verses: Daniel 7 verse 7, then verse 19, then verse 23; three verses there in Daniel 7.

So, we are trying to be as efficient as we can and just go to a point. Don't want to overload, but I see already I'm getting ready to close up, because I'm just trying to yield to the Spirit here to give me the place that I can crystallize, by His grace, and make it a little clearer to you.

Daniel 7 verse 7.

Now, Daniel Chapter 7 is about the four beasts, the four kingdoms. Daniel 2, you have the same image. You have the image with the head of gold, chest of silver, thighs of brass, legs of iron, toes of iron and clay, talking about the Gentile kingdoms. Daniel 7 is the same thing but a different picture of the same thing. Because, you see, the image shows you outwardly, the metals: gold, silver, brass, iron, and iron and clay. The value keeps

decreasing, when you start off with gold and you drop down to silver. Silver is less than gold. Then you dropped down to brass. Brass is less than silver and gold. Then you come down now to iron. Iron is less than brass. And then you go now to iron and clay. So, the thing is depreciating. That is one view. That is the outward view of the kingdom.

Then God showed you the four beasts: the lion, the bear, the leopard and the monster. When you see that fourth beast, which we see him over in Revelation 13:1, he had a body like a leopard, a head like a lion, feet like a bear. Is that right? And it's a composite beast, but it is the composite of the other three that makes up this one. So, it is put there to show you this fourth beast has a part of each of the previous beasts in it, because this one, like the Roman power today, all the things in the other Ages, it started off in that first Age, it ends up here in the last days. We see it is Death, the whole world in an ecumenical move and Hell is following him. And they are riding because this is Death and Hell.

Now if you're spiritual, you won't just say Death and Hell; you'll understand why he is called Death. That is the tree of knowledge of good and evil in the garden, "The day you eat, you shall surely die." That is the one that brought death to the human race and death to the world. That one doesn't deal in life; that one deals in death. See? That is the one who deceived and brought death into the human race when he deceived the woman back there. Hell – they who were cast down into hell, then—because hell was, what? Created for the devil and his angels. But then you see them ascend out of that bottomless pit and then they are in the earth, and they are coming now in the realm of human beings. While a people have been filled with the Spirit, an Elected people, and sealed away, others get filled with demon powers for rejection of the Word. Understand this. These are two lineages: Wheat and tares. The tares are Satan's seed. The Wheat is God's Own. One is going to

end up in the lake of fire; the other one is going to be with Christ, eternally. So, understand.

You see, that is why you have to be thinking when you get in Revelation and Daniel and these places, because it is not written in explanation; it's given in symbols. In other words, the Truth is encrypted. And once it is encrypted, the human mind cannot access it. It takes the Spirit of Truth to be operating in you, and guiding you into the Truth, and opening the Scripture and opening your understanding that you'll understand the Scripture. And you are coming to know the things by revelation. And that is why revelation is more to you than anything else. Amen?

So, Daniel 7:7.

... behold a fourth beast,

See? The first one... There were three beasts before this. Four kingdoms, four beasts. Each kingdom was symbolized by a beast. So, we're in the fourth one here. I'm just picking this because, just like I am in the Fourth Seal there, I didn't go through all of the rest, but it ended up in the Fourth, in that Fourth Seal there – those three horses: the white horse, the red horse, the black horse, it ends up in the pale horse, same way here with this fourth beast.

... behold a fourth beast, dreadful and terrible, and strong exceedingly; and it had great iron teeth:

Now, watch that iron. See?

... it devoured and brake in pieces, and stamped the residue with the feet of it: and it was diverse from all the beasts that were before it; and it had ten horns.

Now, this is what God is showing. Daniel saw this in a vision. God is communicating to him. After He showed him Babylon, Medes and Persia, Greece, then He is showing him the fourth kingdom, the last one. Four Gentile kingdoms, four earthly kingdoms, and that last one, Christ destroys it, “The Rock cut out without

hands,” which speaks of Christ coming down to smite that thing in the feet and grind it into powder and dust and blow it away. You understand? And then that Stone grows into a great Mountain, which is the Kingdom of Christ established in the earth after the Gentile kingdoms are gone. Jerusalem shall be trodden down by the Gentiles until the time that Christ’s Kingdom comes. See? So, here this fourth beast, Daniel is showing that it was diverse from all the beasts that were before it.

Now, that beast is in the earth right now. That beast is what is creating havoc. That beast there is symbolizing prophecy of the Roman power, because it was the fourth, the Roman power was the fourth and the Roman power is the one that is going to rule the world. And the war that is going to end up with Christ and the armies in Heaven, and the Beast and the kings of the earth and their armies, is going to be that final battle at Armageddon. Okay? So, catch the thoughts.

And if Daniel is not one of your favorite books, try to make it one of your favorite books, because it is speaking about what is going on in the earth right now and that is important. You can read a lot of things and don’t know what is going on in the Day you are living in, that was not shown and understood in previous Ages. And when it comes in the last Age when that Seventh Angel Messenger comes, that end-time Prophet, in the days of his sounding the Mystery is finished, the Word is going to be opened up, the Seven-sealed Book will no longer be sealed and the Mysteries in that Book are to be revealed to give the faith for the end-time people, to give the understanding of how God worked out His plan and bring it that the battle that started in Heaven ends up on earth in the form of Armageddon in the last days. This is Heaven and earth coming into a battle.

Remember, the Elect of God in every Age has a Celestial representation. They were chosen in Christ.

They were part of Him before the foundation of the world. Understand that. They are God's seed.

So, verse 7, Daniel 7:7, it shows how the beast—watch the description: *dreadful and terrible, and strong exceedingly; and it had great iron teeth*. Because that iron comes from the legs of iron and the toes of iron and clay. That was the Roman power – the iron, the hardest of them. You see?

... and it was diverse from all the beasts that were before it; and it had ten horns.

Because those other beasts were military powers. This fourth beast started off as a military power but it was wounded and it was raised up as an ecclesiastical power. And then she had real success. And then she was able to deceive the whole world and drunken the kings of the earth whom she committed fornication with, and bring those who have political power to serve her, so that she can sit as a queen there and legislate everything she wants and use these because she has enticed them and seduced them and drunken them. That is why they all go in the Vatican. You understand? They all go to this woman. She said, "I sit as a queen and I'm no widow." And not knowing this is the woman who was drunk with the blood of the saints and the martyrs during that time when she united church and state. 'Pergamos' means '*married*'. Church and state were united and the church used the power of the state.

Then 'Thyatira' means '*dominant female*' – the Dark Ages when she killed—606 to 1520, over nine hundred years of killing the true believer – the ox Age, the Age of martyrdom, when they killed sixty-eight million people. And now, she is sitting there deceiving the world and they are thinking she is ecclesiastical but she is that same woman, that woman Jezebel who deceived the world with her sorceries and gave them things to eat of idols. And she is the one controlling everything on the earth, because she is the ruling power on the earth.

And then here in this Hour, we are seeing, from antichrist, false prophet, beast, and Lucifer himself is going to come down into that man of sin and be incarnate and he will have his bride, his World Council of Churches. That's right. Catholic and Protestants and all these others that add to it – his harems of churches. Understand the picture. And it's all building up into this.

And how is it being done? By religious deception. She knows how to use her economic power. She looks like she is not interfering with anybody. You are seeing the political power, the military power going out and killing and devouring and breaking up in pieces, but it is her. It is her. The second beast, the beast from the earth, was made for her, that she can work to accomplish her means and her ends through that beast, deceiving the world while doing it.

So, that's why you have Ahab and Jezebel in a union. You have the repeat of that history in the time of Micaiah, when Micaiah came there, he and Elisha, following Elijah whose ministry prepared the altar, built back everything according to how Moses in the first Age had it. And then after he did that, he turned the hearts of the children back to the faith of the fathers and his work was over and he went off the scene. Just like Elijah here, because that history back there is repeating itself in the United States. And that's why those things had to be opened to us clearly, to see and understand that same history is coming back, so we know where it started and we know where it is going to end because it is already shown in the shadow and this is the substance of the shadow.

This is what causes, this is what wakes up the true believer and lets them know what that system is. And they don't want any part of that system, they're not even going to get close to that system because they know that is Jezebel and Athaliah at work, and the two of them are two murderous systems, two murderous women.

So, watch. So, that's why this beast, this fourth one, first thing we are hearing is,

... dreadful and terrible, and strong exceedingly ... great iron teeth: (see?) it devoured and brake in pieces, and stamped the residue with the feet of it: and it was diverse from all the beasts that were before it; and it had ten horns.

And Revelation 17 tells you those ten horns represented ten kings, kings of the earth.

Now, watch, okay? Next Scripture, verse 19, same Daniel 7.

Now, this here is in the earth happening, okay? This is happening. What is happening in the earth, you may not see Jezebel out there doing it. Just go back in Kings and Chronicles and you will see Jezebel wasn't out there running down in a big chariot. No, no, no. She sat there like a queen. She is bewitching the nation with sorceries. She is working through all of her false priests that she had there. After she killed out God's prophets, she put up these. You understand? After she took the ten tribes under her control, through Athaliah she went in and was the counselor. And then Athaliah took the next kingdom, the two tribes, Judah and Benjamin. And Israel back there represented in shadow and type... That was Israel. That represented the United States because the United States is two kingdoms: Democrat and Republican. And when you watch and see the things, the first Catholic president, when he came in was through the Democratic place, and when Jezebel married, she married into the ten tribes. You don't miss these details, you know, because this is where the clarity of how those things is shown here. Something cast that shadow.

Now, when you see the exactness and the precision of a shadow and the substance that cast that shadow, how much more when you see the Bride. Like Ruth, Esther, speak even to half of the kingdom and these

things. Ruth, full redemption, married to the kinsman redeemer who was born in Bethlehem, who was of the tribe of Judah, who was the mighty man of wealth, who raised her up from a Moabite to such a place, that marriage made of two one; that kinsman redeemer who came to the chief reaper, his servant, like Revelation 10:1 came to Revelation 10:7 and here is Revelation 10:8-11 standing there, and he is introducing her to Revelation 10:1 and they are going to come into marriage. Just like Eliezer and Rebekah and Isaac; same picture again.

But it's not just to say, "Look the type. Look the type." No, no, no. What is going on, on the earth! What is going on in the earth! Because Esther is in the earth, Ruth is in the earth. They are living out this. Ruth is conscious of how Boaz sees her. She is conscious they are married; they are in union. Esther is conscious Ahasuerus chose her out of everything because of his love for her. She knows who Hatach is, who is reiterating the words of Mordecai to her. That is real in the earth. It's not, "This type that, and that types this, and that types this," and there is no living people to it. No. Living people. Because there is a people on the earth called the Bride of Christ – a greater than Ruth, a greater than Esther, a greater than Sarah. Of course. That reality. Oh, my! My!

Daniel 7:19.

19 Then I would know the truth of the fourth beast,

Because you see, when Daniel saw the fourth beast, it bothered him, because this one was diverse from all the other three, so he began to seek God. He wanted to know about this fourth beast. So, he is getting some revelation here.

19 Then I would know the truth of the fourth beast, which was diverse from all the others, exceeding dreadful, whose teeth were of iron, and his nails of brass; which

devoured, brake in pieces, and stamped the residue with his feet;

Watch the kind of violence connected to this fourth beast. Watch the character and the nature. That's why Daniel wanted to know him. Who is this ('beast' is 'power') power in the earth so wicked to kill and to devour and to stamp the residue, and different to all the others?

Watch Rome. Rome is different to every other power in the earth – that ecclesiastical power in the Vatican there. How does that... They control the world. How do they have the wealth of the world? Why do all the great kings of the earth and men who are heads of nations and they go to bow down to this place? That's why the angel, Revelation 17, tells John, "Come, I will show you the mystery of this woman. I will show you her judgment."

And you know, later on John bowed down to that same angel. Because John represents the Bride. That angel was the Prophet, who was revealing the Book of Revelation to John. John represented the one who eats the Book. And that's why in the Message we have a lot of people who tried to get into idolatry, wanted to worship Bro. Branham as God and these things, and not knowing... And what did he say? He said, "No, no, no. Worship God, don't worship me. I am one of your fellow servants, of thy brethren the prophets. That's it."

The Prophet didn't come seeking to get man all around him. No. He didn't come for that. He came with a Message. He wanted to be faithful with that Message, because that One Who commissioned him, He knew he was born in Kentucky, He knew he couldn't read and write, He knew where he came from, He knew the visions. It's not his mother and father used to see visions so he was seeing visions too. No. He was designed. He was predestinated to be that in the Age.

Go a little deeper. Think. Think Scriptural, that the eyes of your understanding could be enlightened; you

could see clearer. You will realize your faith, from the time something is happening in the earth in that realm: realm of religion, realm of government, politics and these things, realm of economics, realm of information, you catch it like that because it's all connected together. This is the present evil Age. This is the Age of globalization; all these things are coming together. This New World Order that is emerging, we can't even get close to that this evening, but to show you, all that wealth that is being diverted away, diverting the river bed, the kings of the east. That is a different set of kings. They are not 'kings of the earth', they are called 'kings of the east'. These kings are going to be used for chastisement. They are the kings that brought the fall of Babylon.

Then there are 'kings of the earth' now who play up to the harlot, commit fornication with her, that she will be able to manipulate them and exploit them because she is a temptress, she is a seducer, she is a manipulator. She is the woman the Bible says, "And her gates are the gates of hell." It's a system. She represents a system.

That's why you find women like Ruth and Esther and they represent the Bride; married the kinsman redeemer, married the king of kings. Yes. You don't see Jezebel marrying the king of kings. No. You see Jezebel now is fed to the dogs. It shows what a good woman could represent and what a bad woman could represent – an evil church and a Bride church. Watch in the Bible.

You see, prophetic things, your mind has to be thinking principles, because all these things are laid out in a certain form.

Verse 23, Daniel 7 still.

²³ Thus he said, The fourth beast...

You see, all of this is the fourth beast. These three verses, I picked them out because it's your fourth beast. And the fourth beast is this power in the earth, this one who is behind these wars. She was behind World War I.

She was behind World War II: those four angels that were bound in the river Euphrates, World War II – this evil-spirited woman, this woman who is in the midst of the ephah. This people, where it shows you the four angels bound in the river Euphrates. And I showed you Mussolini, Hitler, Stalin, Roosevelt – four in World War II, the Vatican had control of them. The Prophet said, “Roosevelt was the rascal of them all.” He was the President of the United States. Fascism: Mussolini, Italy; Nazism: Hitler, Germany; Communism: Stalin, Russia; Capitalism: Roosevelt, United States. These four. The first four of the seven visions.

Then the fifth: the immoral condition that the world is going to come into. Then the sixth: the beautiful woman wicked in her heart that is going to rise up in the nation and lead it to its destruction – that woman Jezebel, when Elijah is there in the land. And Elijah is going to pronounce that judgment upon that system. And Elijah is the one who said, “I don’t pray for this nation anymore, it is past redemption. These people are not spiritual.” He said, “Look what they voted in. And they went right back and united with that thing that the people fled for freedom of religion, and go back into this because they are not even spiritual, yet saying they are a Christian nation.” He said, “This is not a Christian nation. They are no longer a Christian nation.”

Look at the condition of the nation. Watch and see. He said, “They could get a George Washington and Abraham Lincoln and put them in every city in the United States, they cannot bring it back.” He said, “It is past redemption.” He said, “I don’t even pray for it anymore.” God’s Prophet? A sign of coming judgment, a Prophet always is, and standing here in which was once the greatest nation, and look what it comes down to?

He said, “We have the Indians there on the reservation, drunkards, girls and they are prostitutes, and they keep them in that condition purposely and hold them down there.” He said, “And we are trying to

buy friends and support all these nations outside there?” And the Prophet was going down there in Arizona and preach to them, going up into British Columbia and preach to those native Indians and they because he knew they were the first Americans, they are the true Americans. The rest came from Europe and came in there, stole the people’s land, put them under their feet, ill-treated them. And started to show, from the time that nation got linked up with that Jezebel system, look what it became. Look what Ahab became when he married Jezebel.

Be spiritual. Understand. That’s why the Age we are living in, if a people do not know the Word, they like things and they support things and they look up to things that God already showed a bomb is going to burn that whole thing into ashes. And then you realize your thinking and God’s thinking are not the same thinking. And then you have a reservation maybe for the Prophet saying that, and look at the nation here, because you like that nation.

No. There are Elected people there, you know. The nation is not all bad people, you know. There are believers there. But the thing is, it is very hard to find real genuine believers who understand the Hour and understand what the Messenger brought to us and said about the nation because he was seeing it through God’s eyes. He wasn’t a man who disliked his nation, you know. He was a man who was willing to die, he said, for his nation and these things. He wasn’t called to... He said, “Do you know how many Branhams died outside there in the war and these things?” But God didn’t have him to go because he had a Ministry to bring the Word because he was the last Messenger of the Church Ages. And then when he was bringing that Message to that nation, he was seeing it already burnt. He was seeing California going down and millions will die, because he saw what Los Angeles, California became, and Hollywood and all these things.

We are living in a time here, you know, awakening. Awakening and spiritual understanding that awakens you, it makes you look at things from the perspective that God is showing it from. When God shows you something from a certain perspective, like He showed the Prophet about that nation and these things, and the end of the nation and what the nation did...

I was reading I think it's this morning where he was talking about... He said, "The military complex and these people there," he said, "they throw us into debt, war debt." He said, "That is for years and years to come, hundreds of years." He said, "We might not even get out of it because of..." And then while I am reading it, I'm thinking, I said, "But that is the truth." Because look at the present situation. Look at the billions and billions and billions they are sending there. And at the same time, the economists and they are bawling, saying, "Look where we are heading. Look, we may have a couple more months before they have another severe crash in this nation with over thirty-one trillion dollars and these things." And look at the kind of war. Bro Branham said, "In forty years from now, my grandson will be paying taxes on all these things that the war debt and these things throw the nation into." Look where it is. And all the economists in the nation right now are screaming, because look what Covid, this big hoax, and billions and billions of dollars – schemes. Locked down the world in about a day and a half, the whole world.

If we as believers see when this thing came in, see when it was implemented, see the unseen powers behind the scene, how they can bring it so quickly and how every nation could close down, and how they set up structures to give you the impression that it's so real, it's so deadly, it's so dangerous. And then afterwards, you hear about the pharmaceutical companies who made billions and billions of dollars in those schemes and these things, while so much of people they depopulated. They didn't just depopulate them alone,

you know, they're fleecing people money and more money. And then the control of the world started to shift now from nation states to big global corporations who are controlling the nation states.

You see, if we all don't see the picture the Bible is giving us, and seeing the modern events becoming plainer as we look at it through the prophecies, and realize, but look what is happening, and then go back to the '60s, especially after the Seals opened, 1963 to this time—'65; '63, '64 and '65 when the Prophet was preaching those things and saying what is coming in the nation, and the condition of the nation, and the debt and the schemes and all the money laundering and different things that they were doing, when they were buying up all those places out in the desert and setting up all those schemes and different things.

Look at when they went into Iraq and Iran. It was to plunder and devour, and schemes to steal and control and reshape a region. And yet they bombed people with the media day and night, day and night, "Bin Laden!" You were seeing his face everywhere: Bin Laden! Next thing in 2020, Covid. You're only seeing Covid, Covid, Covid. You think the rulers of the darkness of this world are easy. That's what I'm reading for you.

Think! Wake up! Seven Thunders, the opening of the Word that opened the Seven Seals is to wake up a people who are desensitized and raise their level of awareness to understand the junction time and where we are at in the program of God. This part of the preaching of the Message, you could count on your hand in the Message world in the earth preaching those things, you know; understanding what is happening, you know. These things let you know the time clock is striking the Hour. These things let you see signs of the time are everywhere, because the nations involved and the systems involved are identified in the prophecies.

I'm reading out of Daniel. I'm referring you back to Revelation. I'm showing you it started with Nimrod –

Babylon, the system back there. Genesis is the seed. Do you understand what I'm saying? I'm taking in the beginning of the Bible, in the middle of the Bible and the end of the Bible. Babylon, Babylon, Babylon. It ended up in a persecution there in Nimrod's time, it ended up in a persecution in Nebuchadnezzar's time and then it's going to end up in a persecution here, Revelation 13 again, can't buy or sell and all these things. And we are watching daily how the world is being reshaped through these wars, how they are breaking nations' economies, and we are seeing how the kings of the east are changing the world from a unipolar world to a multipolar world.

America thought they were the only superpower. Now, watch all these nations that are coming in and getting away from the US dollar that was the 'power money' for trade and commerce in the earth. And when they tried to put all these sanctions, it backfired on them. Why? The time is coming to a certain place, that's why the economists are bawling, because of the amount of things that they put inside of there going down the road, trying to control things in Ukraine; and the media, the blindness of the people and the darkness that is covering the world that no denomination can tell you what is happening. None!

To understand what is happening, you must understand Daniel and Revelation, to know what is happening in the world, and Genesis. Where else are you going to find it? And those books are prophetic books and this is the Eagle Age. And denomination is the Reformer Age with Bible school. They don't preach on this kind of thing. They preach prosperity gospel. They don't even have water baptism right. They don't even know the woman's place. They have women preachers. They believe Eve ate an apple. They believe in three persons in one God. If they don't understand those fundamental truths, would they understand prophecy that is going on in the world today?

To understand prophecy, you have to be connected to the Prophet God sent, because in the days of the voice of the Seventh Angel, when he shall begin to sound, this Book will be opened. And God took the most uneducated out of all those seminary people to give that to. My goodness! And all these super theologians can't make head nor tail about these things.

That is why I say, when I read him, hear my understanding by reading him. We all read the same Message. When you think what he is saying is just like some words and it's not so important and, you know. And then you get the kind of people now, "Well, I'm not interested in what is going on in the world. It's the Rapture I'm looking for because we are getting ready to go." If you don't know your signs of the times, you're eating your peanuts and you're not dropping your bag of peanuts, you don't even know if the train is a local stop, you don't even know what's going on. If you know when God is describing your time by signs and the nations there, and if we leave and we don't even know the Book of Revelation, who is it written for, the foolish virgins? They don't even have the Spirit. There is no plan to give them the Spirit. The 144,000 Jews, they have two prophets to call them out. They have a three-and-a-half-year message – half week.

Saints, these things, without the Prophet we would have never seen any of this, we would have never understood these things. You see, God took His Prophet but God didn't take the Holy Spirit. Truth is revealed by the Spirit of Truth. And without the Spirit... What he said—Jesus told them? He said, "I will send you another Comforter, even the Spirit of Truth. And when He comes, He will bring back the things I spoke to you to your remembrance."

God was speaking through Jesus. Jesus had the Fullness of the Spirit. And Jesus was saying, "While I'm here, you can't even receive the Spirit to do anything." He had to go. He said, "When I go..." God had to take

the man-part and send the God-part back, because the man-part couldn't come and live inside us. And as long as the man-part was in Him, He was doing the work that He had – that virgin-born body; God working through that body. See? A son. Unto us a son is born, a child is given. See? He did a work in that body there for three and a half years, the first half of the seventieth week. And He said, "After My going, the Spirit of Truth is going to come and bring back to your remembrance the things that He told."

And then that Spirit of Truth came back in the Apostles, that's why we have from Matthew to Revelation. When Jesus was here, it didn't have Matthew to Revelation, they had the Old Testament. When Jesus left... Because it's John and they who wrote the four Gospels afterwards and they put that together. Then the Book of Acts, Luke wrote these things from what God did with Paul, that's why Paul is like the featured person in the Book of Acts, and Paul's journeys and missionary trips and these things, because that is the message going to Gentiles. And then down through Seven Church Ages, God had seven men predestinated to come at a certain time and season that God sent them in the earth.

So, after Paul was Irenaeus, after Irenaeus was Martin, after Martin was Columba, after Columba was Luther, after Luther was Wesley, and God brought them in an order, in time and season when He wanted them. And that Age of Reformation produced thousands of denominations but no restoration. It made it more confusing, because with one Bible, now we had one thousand interpretations and no revelation because all of them are trinitarians, all of them are Jesus only, all of them are all kinds of different things; most of them have women preachers, all of them, they have a Catholic water baptism: in Father, Son and Holy Ghost and these things; can't even understand Matthew 28:19 and Acts 2:38 is the same thing.

But the understanding, the opening of the Word was going to come in the days of the voice of the Seventh Angel, and the Messenger comes at the end of every Age and that was the last messenger coming to the Gentiles. And through that Messenger's Message, a Bride, a people is called out, a Spirit-filled people is set in order and a restoration of the same things the fathers had was to be back here: same fivefold ministry; one Lord, one faith, one God, one Body, one baptism and these things, one God; and all of that comes back. And just like what followed the ministry of Elijah and the Son of Man there, is following the Ministry of Elijah and the Son of Man here. In the earth, God has His people in different places, foreordained people to bring the Word. That's right.

Everybody has their measure that God gave them, just like it was with Peter. Timothy had a measure. Epaphras had a measure. Epaphroditus had a measure. Titus had a measure. All of them had a measure. Barnabas had a measure. Silas had a measure. Paul had his measure. Peter had his measure and different things. But they were all men. But it wasn't sliced bread; not everybody got the same size. No, no, no. It's not so. That is why Peter could say, "Our brother, Paul, the things he preaches are hard to understand and the unstable wrestle with it to their own destruction." That is why when you read the Epistles, you see the different men, and through their make-up, how they speak and how they teach certain things, and you realize all is not the same.

Anybody with the Holy Spirit can go into the Word and see and understand how those books are written. Because John was the one who lived the longest and he put the Scriptures in a certain chronological order. Because the first Book we have is Romans, after Acts, but 1st Thessalonians was Paul's first Epistle, not Romans. Because he went to Rome last, but he had written to Rome, the church there, when Junia and

Andronicus had gone down there, two men from his ministry had gone down there and a little group had raised up.

So, when you look there... That is why today, you know, when things are not properly searched out and laid out Scripturally and in continuity, you get all kinds of people jump up and think they have a revelation here, and a revelation here, and a piece of a thing over here and piece of a thing over here. And then watch those things. They always end up in argument and debate, because they have no real, clear Truth; line upon line, precept upon precept, here a little and there a little, causing the Word of God to run in continuity, making Him the same yesterday and today and forever. That is how the Word comes.

So, I'm finished. I'm going to close there for this evening.

So, watch these three Scriptures I gave you in Daniel 7:7, Daniel 7:19 and 7:23. And the purpose for that was to show you the fourth beast, how Daniel saw it. Because that fourth beast is the Roman power and that Roman power is here in the earth. And you are seeing now... Hear the thing now with this. Hear the thing with this. If this is the prophecy of the Roman power, the fourth beast, when you look at Rome, are you seeing the fourth beast, dreadful and terrible, strong exceedingly? It had great iron teeth; it devoured and broke in pieces and stamped the residue with the feet of it. Are you seeing the Vatican doing that? And it was diverse from all the beasts that were before it and it had ten horns?

Verse 19, watch it again. He says,

19 Then I would know the truth of the fourth beast, which was diverse from all the others, exceeding dreadful,

Daniel is seeing the beast doing that in the earth: breaking in pieces and stamping the residue.

And then verse 23, Daniel, he said,

... The fourth beast shall be the fourth kingdom upon earth, [Who is the fourth kingdom upon the earth? Rome.] which shall be diverse from all kingdoms, and shall devour the whole earth, and shall tread it down, and break it in pieces.

Are you seeing the Catholic Church doing that? That is why we have to understand the second beast, the one from the earth that was an image of the first one. And that one speaks with the voice of the Dragon because that one became a channel through which the fourth beast remains hidden. And all her evil works, and plundering and devouring and breaking up nations, and changing around the world and the economics and the politics and all these different things are being done through that other beast.

That's why when you read Revelation 13:11-18, which is the United States, the beast from the earth, and you read Revelation 13:1-10, which is that fourth beast with the body like a leopard, feet like a bear, head like a lion, and are those three powers united to make the fourth beast, and when you watch that fourth beast, it says, "Who is able to make war with the beast? Who is able to make war with the beast?"

How has she captured the wealth of the world? How does she have control over the nations and the kings of the earth? How is she doing all these things? How did she get into every nation and have control in these nations? How are all these great principalities and powers, these rulers in the earth, kings and presidents and prime ministers, and then the rich merchants of the earth all come down to this woman? How did this woman bewitch the nations with her sorceries? How are her plagues going to come in one day? And in one hour, such great things will take place and bring that destruction upon that nation.

One hour? The Prophet said that could only be atomic power, nuclear power. And look where it is heading.

Look where it is heading. It means to say she is going to be uncovered and all her nakedness and everything, and the vengeance. Do you know why? Because Christ has a sickle in His hand. Christ has a sickle. And that's why he said, "Don't worry about communism; that is raised up to destroy this thing here," like Jehu was raised up to destroy Jezebel and all her systems and these things.

And that's why this war that is being fought there that is changing the world, it's politics, it's economics. Everything is changing the world swiftly and drastically and is forging new unities. You see BRICS, which is Brazil, Russia, India, China, South Africa, and now they have about, I think it's about seventeen or so other nations coming in now to join. Why? They all want to get away now from the US Dollar.

Now, the Vatican is not going to sit there and take that, you know. Understand this. Because right now the US Dollar is paper, and that's why he said she will destroy the present-day money system and demand gold. But Russia and all of them are already doing their thing in gold too. See? And all the trade and commerce in a big way that was going there now, these other nations are pulling aside and new alignments are being formed. And all these Arab nations, Saudi Arabia and they who had the hegemony on all of this oil and gas in the world, and to see now they are standing up against this nation and you're seeing new alliances being formed.

These things are moving towards the tribulation, you know. Now, the tribulation, what we call tribulation, remember the tribulation, when the Bride goes, is weeping and wailing and gnashing of teeth. Remember the powers that are going to be let loose are going to kill and people are going to be hunted down and all these different things. And that's why the Prophet said, he said "Watch the Bride. Some may get a little persecution but God isn't putting Her through that like the Dark

Ages.” No, no, no, no, no. He said, “Which man is going to marry his wife and have her to go through all this kind of thing?” You see? Sure, there will be a Mount Zion showdown where God is going to give a witness that He had a people here, a true Bride. They look like nothing. They were stamped on. They did them all kinds of wickedness, but people are going to realize they were God’s representatives.

And on the other side there, these nations are going to throw the world in such chaos, like what is happening here: millions of people are displaced through the war, people are homeless, the amount of Ukrainians killed in the war, yet they are constantly blinding the people: “No. Ukraine is winning the war,” and propaganda, and sending more and more people to their death. And then supporting all kinds of things, and mercenaries and everything else that the US, the same people that they fight and they terrorize, they are supporting terrorism, they are supporting Nazism and all these different things. Why? It’s Jezebel. It’s Jezebel.

We must see the character. We must see the character of what man... Now, catch this. You’re seeing what man who is presidential, men who are leaders, men who are controlling the armies, the generals and they, and all the sophisticated weapons, and all these presidents and the different vice presidents and they who have the code for the nuclear, nuclear codes if things are to get bad and they have to launch nuclear missiles and these things. The world is on the brink of getting into some dark places and you have to understand we are seeing and watching these things accelerate and build up. And then we are seeing the economies of the world coming towards a certain crash by these four things.

Let me tell you, sword. Look at the sword. Look at the bloodshed. Look at the wars. Look at the things that are happening. Then the famine: the food shortages. Look and see that it’s so bad on the earth already and in

many nations. Pestilence – they already loosed that and plan to loose more because that is the invisible enemy nobody sees.

We're living in a world where many still don't have a clue and understand how dark, dangerous, diabolical and evil it is. You are seeing the ripened tares. You are seeing a demon-possessed generation. That's right. You are seeing Lucifer and his group, Hell. They are named in the Bible, Hell following Death. It has nothing about life there. It has nothing about Heaven there. That whole system is this earthly system in this last Age. And the Seals have been opened. Seven Thunders uttered their voices and, what? "Come out of her, My people." Strong is the Lord that is fixing to judge this.

Let me tell you, right now some of us live on islands and countries where you're not even seeing hardly anything, so you just live your life normal. So that's why people are just lukewarm, unconscious and don't know, until things get difficult in the nation and it gets hard, then they're trying to get a fleshly desperation.

Here, you have to be watching the Word. You mightn't see tanks and bombs dropping in your island or your nation or in your region, but if you're watching the Word, you're watching the spirit of the Age, you're watching the prophecies, you will know that it is time to get ready, because it comes to you in the form of the Message to be able to give you Eyesalve. He said, "Buy of Me Eyesalve that you will see." And when He puts the Word there and begins to show to us what is happening there, you don't have to see tanks and bombs. You don't have to see them locking up people and putting them in a camp and different things to realize, "Oh God, the thing is really happening." No. It is happening in bigger countries. And these smaller ones can't get along with the bigger ones. And when the things come upon the bigger ones... That's why when they were locking down France, Germany, Finland, the United States and all of those places, Trinidad too was locked down the same

day. One thing went across and everybody was locked down. Understand.

God let us see how some of these things move as a forerunner to when things are going to escalate. Because those people, remember that false vine, that ecumenical move that has all these people together, that's where the wealth of the world is, that's where the power of the world is, that is the people that came under Rome. Rome is the head of these things though people can't envision it, but will envision it afterwards, that she is really at the head. But God has the kings of the east and they playing a part. And when these things are happening, we are seeing these nations are ripe for judgment.

Remember 1964 when the Angel said, "Take that rock and throw it up." He said, what? "Mercy has been spurned!" He said, "Judgment will start in the earth." A couple months after that, what happened? The priest handed him the Book. The day of vengeance; the page stuck. He said, "We are right back here now." Then he goes to Africa and come back. He said, "I come back here." He said, "They told me I couldn't preach." He said, "I want to come now and bring the Trumpets, the Thunders and the Vials and tie them together to follow the Ages and the Seals to finish up the Book."

Follow the Prophet. Follow the line that he brought the Message. Follow and understand. If you really see the Message, it means the Bible is open to you. If the Bible isn't opened to you, you haven't seen the Message; you see one or two things of the Message, what you call the Message, you see the Messenger. Seeing the Messenger and not seeing his Message, that is bad business because the Messenger was a man. He died and went and he's not coming back to preach to anybody. He left twelve hundred tapes, twelve hundred pieces of the jigsaw puzzle and that isn't a thing that any man can put together, because it's in pieces and it has things there, he said, "Don't even try to interpret

some of the things. That will be sent to you.” And if God isn’t sending those things, then it means to say something is wrong. But God watches over His people.

But the thing is, we are at a very difficult, crucial time and junction in this Age. Do everything you can. Keep your lamps trimmed. He said it’s lamp-trimming time. Make sure your vessel is filled with Oil, your lamps are trimmed and your light is shining forth, by the grace of God, because the one shall be taken and the other remain. Where, Lord? Where the carcass is, there will the eagles be gathered together. Where the Body is, the Bride’s Body. She’s gathered around the person of Jesus Christ, the Lamb, the slain Lamb, the identified Masterpiece. The Mighty God had been unveiled. He’s in the midst. He said, “You’re not feeding on a man; you’re feeding on the unfailing body-Word of the Son of Man.

My brother, my sister, God bless you tonight. Thank you for your patience. If you have to call this anything, it will be a little exhortation. But I think the Spirit is sensitizing us. Make it personal in your life for you. Everybody has to work out their own salvation with fear and trembling. Everybody has to bring their own self in full surrender to the revealed will and plan of God. I can’t make you do that; you can’t make me do that; this one can’t make this one do that. Everyone has to work out their own.

This is the Age of personal life. Because your experience is not my experience; my experience is not your experience. Where I fit in the Body, you have your place in the Body. God has set each one according to their place and their role, and their function and their service for Him. And if you’re called for that, that means He put the tools in you to do Him the service that is pleasing unto Him, that He designed you and made you up for, because the Body is fitly joined and compacted together by the measure that every joint supplieth for the effectual working of the Body. So, you have a

measure God gave you, use what God gave you to help those around you; this one use what God gave them, and everyone with the same Spirit, with the same motive, with the same objective, and you'll find a unified Body under the headship of Christ, being led by the Holy Spirit and God working in and through the members that make up this Body. And this Body is a Body on the earth coming from all nations, by the grace of God.

So, let's just have a word of prayer and close.

We are grateful tonight, Father. It never ceases to amaze us, dear God, how we can just walk into the desk here and the Presence is so close, and the anointing of Your Holy Spirit, and the administration of the Word of God going forth, Lord, to sensitize us, Lord, in this time to see these four things, Father, Your four severe judgments: the sword, the famine, the pestilence, the beasts of the earth, Lord, different categories of events that will transpire in the earth, Lord, to bring about the fulfilling of the things that You spoke of and prophesied that would be here on the earth. And that these modern events and these things that we are witnessing, Lord, we can look and see it was already foretold, it was spoken beforehand, but now all these events, all these things are being done that it might be fulfilled that which was spoken by the Prophet; the prophets who wrote the Bible and the Prophet that You sent in this last Day to bring all those revelations from Genesis to Revelation into one picture, Father, that we can see the Day that we are living in, we can see how these modern events are making clear, we can see how the Bride is separated, oh God, we can see how the Angel of God is fixing things for the going away of the Church and You are moving Your people, Father, into a place of readiness, dear God.

Like those virgins, they were awakened, their lamps were trimmed when they heard that voice, that midnight cry, oh God, that messenger sounding out, Lord, and

giving the announcement that the bridegroom is on the way, he's coming. Oh God, and when we see this threefold mystery of the Lord descending from Heaven with a Shout, with the Voice of the Archangel and the Trump of God, Lord, to see Jesus being revealed from Heaven with His mighty angels in flaming fire coming to take vengeance upon this world, Lord, this world that has rejected and been charged and indicted for the second crucifixion of Jesus Christ and the whole world has become Hell; Hell being created upon the earth, and all those two hundred million devils being poured out of that fifth dimension into these three dimensions and, Lord God, we see the world, and the craziness, and the darkness and the evil, how it has multiplied and increased upon the face of the earth in this Hour. Lord God, where would have we been had it not been for the Message of the Hour and the opening of the Word, Lord, to be able to see and recognize the program of God unfolding. And then to see on the other side the tares ripened, oh God, and all the evil, Lord, that is gathered up in the false vine, those in that ecumenical move, Lord God, that diabolical move of Satan that is uniting the whole world, Lord, to bring them against You, Father.

Just like Absalom, Lord, when he stole the hearts of the people, and the plan was to get David and kill him and get rid of him so that Absalom could take the throne. Oh God, to see how those shadows... And Adonijah, how, Lord, he tried to set up himself as king and these things before Solomon, the son of David, could sit on the throne. And we see those things, Father, Lord, in shadows and types, and down through the years You've opened these things and made it so clear to us, but now we are seeing the very events, Lord God, as they multiply and as the acts and all the things that are taking place through that false vine, Lord, become so identified and become so clear. And we know their motives and their objectives and what they are working in this great ecumenical move to achieve, dear God, and

set up Lucifer as the god of this evil Age, to bring the whole world to worship this deceiver, oh God, and they've blinded the minds of the people.

Lord, we are so grateful to know we have escaped that, Father, because of Your grace towards us and because You put something in us, the ear to hear what the Spirit is saying. And in every Age You had a group who had the ear to hear what the Spirit spoke in that Age through the Messenger. And, Lord God, there was a people sealed into the Body of Christ. Oh God, though some had to go down in martyrdom in the Dark Ages and other Ages, Lord, in the time, Lord, of persecution. Even in the time of the Reformer Ages in the Inquisition, Lord, so many were killed and burned at the stake and these things. And yet we see, Father, that we'll not be able to buy or sell except we take the mark, or be killed, oh God.

And, Father, we see as Your Prophet told us about the places being closed down and all the things, and all the schemes with all this NPO [Non-Profit Organization -Ed.] and these things, and political men giving people—trying to bring religion under the control of the State and set up their head because that is Jezebel and her very program. But, Lord, we are thankful, Father, that, Lord, just like it was back in that early Age, Lord, Peter and they could have seen. They said, “Who shall we obey, God or man?” Lord, they refused to believe that hypocritical bunch who came together with a scheme and joined with the Roman power to crucify You. And then they brought such a persecution, as the saints prayed, “Why do the heathen rage and the people imagine vain things?” Because they were coming now after the Elect Church, the Church that wouldn't bow to that Pharisee and Sadducee system joined up with the Roman power.

Lord, but that same history is repeating itself, Father, and we see these things. We see the world again falling apart, everything, Lord, everything decaying, everything

becoming evil and dark and sensual and devilish, oh God, on every side. We see young men and young women, Lord, falling through the cracks and being destroyed; such evil on every hand. We see the filth and the moral degradation, Lord, in the earth.

Oh God, may You give Your people that immunity, Father. May You give that inoculation of the baptism of the Holy Spirit that they would have that repellent to repel the world and its evil, and Lord God, be able to stand, and Lord, stand true, Lord, to the Gospel, that we might be living lives worthy of this Gospel of Jesus Christ. Lord, You said there would be such a people in the last days, and they would stand and they would stay true to that Word no matter what it would cost them.

Oh God, may we shine in our true colors in this Hour, Father, as we see, Lord, these evil things that the enemy has planned moving with such rapidity. But we thank You for the Light, dear God, and the opening of the Scriptures and the Light shining in the places, Lord, where You can uncover the enemy's scheme once more, Lord, that we will see, Father, Lord, that it is fallen angels in those men, in those systems, dear God, set themselves up, Lord, as an authority and a power, and they are so filled with that evil because those demon spirits have invaded and taken them over.

Oh God, gross darkness truly is upon the earth and upon its people and Your Prophet warned us how we ought to come to know demonology in this Hour because we will meet it. And we have seen it and we have met some of it, dear God, and we know it's going to get worse. And we see how they can, Lord, work all the schemes: controlling the government, controlling religion, controlling finance, controlling everything in the earth today, controlling the schools, controlling everything, Lord, passing the laws and everything. And yet, Lord, if we don't have discernment to see that evil spirit, demon spirits, Lord, coming in and doing this, anointing the people, oh God, so that Lucifer and, Lord,

all his fallen angels could be exalted and the people of God could be tramped down.

But, oh God, Father, You said that this is the Hour, when we see these things taking place, know, dear God, arise and shine; for our light is come unto us, and is come so bright, Lord, and the glory of the Lord is risen upon us and shall be seen upon us, oh God, and that Name of the Lord Jesus Christ would be admired in all them that believe and You will fulfill the great work of faith with power.

We look forward, oh God, to see this increase move in our hearts, dear God. May You anoint the men that we are having in these men's fellowship, Lord. May You anoint the wives in their homes and the mothers with their children, dear God. May You keep Your people in remembrance, and may they continue to eat that stored up Food that You have stored up all these years for them, and give priority that the inner man who can only be strengthened by those revealed Truths, those Divinely revealed Mystery-truths which will literally turn the hearts of the children back to the faith of the fathers, that we can feed upon the unfailing Words of promise, the unfailing realities of the Living God, Lord God, that Spiritual Food in due season, like Elijah entered into that place, that secret place and was feeding upon that hidden food.

Oh God, and we see how You dealt with him before the translation, and those things are shadows and types, Lord, of us, oh God, coming to that place, Lord, where we know, Lord, they are trying to press us out completely. But, dear God, we know the same way the Angel came and supplied his need, oh God, and gave him things to go in the strength for forty days, one cake, oh God, how You did that. How You showed—You had a Supernatural economy when You were taking Your people out in the Exodus, oh God, that they, Father, were able to stand; the ones that believed You and trusted in You. The others, You took around in the

wilderness until their carcasses fell down dead and they just perished because of their unbelief, but the ones who crossed over Jordan and received that circumcision, oh God, You led them, You came down and took the headship and led them into the possession of their inheritance, Father, placing them positionally and then bringing every principality and power under their feet. So, let—We know that history is going to repeat, Lord, because Ephesians parallels Joshua and here we are in the Book of Joshua, the Ephesians at the end of the Age.

So, may You bless Your children, and may, oh God, You pour out measure after measure, oh God, and fill Your people, oh God, because as the world becomes darker and become more evil and the demon powers go on the rampage, oh God, let there be a people, Father, with the whole armor of God standing there strong in the Lord and in the power of His might.

May You grant it, Lord. We thank You and we praise You and we commit each and every one into Your all-sufficient hands, praying that You continue to watch over each one as we place them into Your care by faith, in the precious Almighty Name of Jesus Christ. And, Lord, when we would come back at the appointed time, that Your Holy Spirit will continue, Lord, keeping us in remembrance, speaking to us and continue to visit us in our private places, in our places when You pass through the neighborhood, Lord, and You can come in among Your people and You can keep us so focused and sensitive to the moving of the Holy Spirit, oh God, that we can remain a unified people, oh God. And make us that Spirit-filled people in every way where we can be in one mind and one accord for Your honor and Your glory, Father. We ask these things in Jesus' wonderful and precious Name. Amen and amen.

Praise the Lord. God bless you. Thank you once again (amen), for your patience and your time. Thy Word have

I hid in my heart. Keep It hidden up in your heart, by the grace of God. Amen.

Worship the Lord a little bit. Amen.
