BRO. VIN A. DAYAL

God bless you, Pastor. To all God's precious servants, God bless you.

Once again it's an honor and privilege to be in your company as we gather around the Person and the Presence of our Lord Jesus Christ, because He is the One Who we are depending on. He is the One Who wrote the things that are happening, that we are seeing in His Word and we are trusting for His grace to help crystallize some of these things to us. And we can expect that because that's His promise. Because He said, "I must go so the Comforter could come, even the Spirit of Truth, Who will bring back the things to our remembrance."

And the Lord Jesus spoke so many things about this Day through His Prophet, (it's like twelve hundred tapes or so,) and, you know, our human mind can't comprehend or remember all these things but He said the Spirit of Truth, which is He Himself in the form of the Holy Ghost, will bring it back to our remembrance, teach us all things and show us the things to come. And 'things to come' is prophecy, and prophecy is becoming history. Each day we look in the world, we are seeing the unfolding and greater unfolding of things prophesied for this last Day.

That is why I always appreciate being in the company of God's servants – men that love the Lord Jesus. And He first loved us. He called us. He put this ministry in all of us. He was the One Who drew people to Himself. And for us, like shepherds, He put parts of His flocks

around us. And like He told Peter, “If you love Me, feed My sheep; feed My lambs.”

And that was in the Alpha. That was in the first Age and we are in the Omega. And in the Omega, this restoration Age, He still has His Five-fold Ministry here like He had it back there in the first Age and our hearts are turned back to the faith of the fathers. And especially in this Day through the sounding of the Seventh Angel, that the Lord opened up these Seven Seals and revealed the Mysteries to His Prophet and he was faithful in ministering these things.

And God had him to have these things recorded, so though he is gone fifty-eight years now, we still have the books and we still have the recorded sermons, and we are still listening to the Voice of *the* Seventh Angel. Because that’s what He said in Revelation 10:7: “In the days of the voice.” There were days when the Seventh Angel was here in the flesh but the Voice of the Seventh Angel is still here though the flesh of the Seventh Angel is not here in this dimension.

And the same Spirit of Truth, the Holy Ghost that goes with the Church, the same One Who spoke through the Seventh Angel Messenger, He is still speaking through the members of the Bride. He said, “That is why God couldn’t give these Seven-sealed Mysteries to the denomination. They don’t believe in these things.” And this is in *Invisible Union*. [1965-1125 -Ed.] He said, “He gave this to the undenominational Bride, the ones that were called out by Him from the denominations.” And the same Spirit that spoke through the Prophet... He said, “The Bride is the Final Voice to the Final Age.” And the Scripture says, “And the Spirit and the Bride...” He said, “The same Spirit that spoke through the Prophet will speak through the Bride.”

And we, as His servants... Just like Paul told Timothy, “Commit these things to faithful men that can teach others.” Because the same way, like the Prophet,

God took this one beyond the curtain, even into the Third Heaven. And the things that he saw, he came back and he began to preach these things and we have all these things in his fourteen epistles that he wrote in the Bible. If we realize what fourteen epistles of Paul and twelve hundred tapes of the Prophet, it was put into our care, we could change the world. Plus, we have things Peter said too and things John said.

So, those things that the Spirit spoke through them, are all preserved for us in this last Day. But what we need most of all is the One Who is the Author of that Word, and the One Who is the only One Who can interpret that Word, and that One Who we believe called all of us here, that One can open up these things and inspire it to our hearts.

And I think that that's a lot of grace when we consider something like that. Because it's not necessarily... You see, you can go in a store and buy a Bible. You can buy about four, five Bibles: Bibles that have things from the Greek, you know, have other things; you can buy concordances, you can buy books that other great men wrote on different subjects, but in the end, it will still take the Author of the Word, the only Revealer of the Word, which is the Holy Ghost, to reveal those things to us.

Like Paul said, "God spoke these things as a hidden mystery and it's going to take the Spirit of wisdom and revelation in the knowledge of Jesus Christ, to come back and give sense to what has been spoken." Because even Peter said, "Some of the things Paul wrote are hard to understand and the unstable wrestle with it to their own destruction."

And the Prophet knowing these things, that's why he told us when he preached that message, *Christ Is Revealed In His Own Word* [1965-0822M-Ed.], he said, "There are three things a Minister must not do: that is misplace, mislocate and misinterpret the Word." And

sometimes a person is not doing that intentionally. But God has time and season to reveal things.

That's why in all the years of the Prophet's Ministry, from when he went out in 1946, and not until 1963 when those Seven Seals were opened, he said, "The Bible has become a new Book to me," because when he began to see the hidden Truth that was sealed up in the Word. And these Seven Seals had the Bible a sealed Book.

So anybody buying a Bible... And they bought Bibles for hundreds of years, until maybe today, people are still buying a Bible. And when we buy the Bible, it's the same one that they had two hundred, three hundred years ago and it was sealed. But a man was to come: in the days of the Voice of the Seventh Angel, when he began to sound, the Mystery would be finished." To the real elected servants, there will be no more mystery. That's why he preached to us, *Christ Is Revealed In His Own Word*, *Christ Is The Mystery Of God Revealed* [1963-0728 - Ed.], *The Unveiling Of God* [1964-0614M -Ed.], *The Mighty God Unveiled Before Us* [1964-0629 -Ed.], showing us that Christ was sealed up in that Word. He was veiled in that Word.

And the Seals, it wasn't like some straps on the Book; it is by the way the prophets in the Bible spoke, the Word was sealed. And in this last days, it is the way It was spoken, It was opened. It didn't have any straps on the Book to say, "I'm going to open it up and..."

Just like Jesus, He was speaking things in a sealed form and the Pharisees and the Sadducees couldn't understand. Some got vexed and walked out of the meeting, saying, "Man, we came to hear the Word of God; this Man is talking about a Sower went forth to sow a seed and a shepherd had one hundred sheep and... What, is he in agriculture and farming? We didn't hear the Man saying anything in the Scriptures. And they said He is a Prophet? They said He's the Messiah?" He said, "Come on, man, give me a break. This Man, like He doesn't even know what He's talking about."

And then when they went, His disciples came, His apostles, His Ministers; they themselves didn't understand. They said, "What is it? We know You are saying something but what really is it?"

And then when He began to speak now, the Word opened to them, even opening the Scripture to them and opening their understanding to understand the Scriptures.

Like the men on the road to Emmaus, they were walking and listening to Him and they were getting heartburn: "Oh, something burned me in my heart." They were not getting any understanding. They liked how it was sounding and they were getting heartburn: "Our hearts burned within us."

Then He said, "Oh fools and slow of heart to believe all that the prophets have spoken."

But when He began to break that bread, their eyes became open. It wasn't like their eyes were closed and like they were in a sleep. It wasn't that. Their eyes of their understanding were enlightened. There was a surge of the Spirit that quickened them. And not just eyes opened to what He was saying but now seeing Him there and knowing who He was.

And I believe that that is what that same One Who did that in the Bible... It is written There for our examples. He is the same yesterday and today and forever.

I'm just talking with you to get adjusted with you a little bit. Because the kind of things we want to talk, you know... I am not a journalist and I am not here to give information that is being broadcast on the television, on the radio station everywhere. That is information. That is the communication networks. But we, Ministers who have an office gift in our life, one of the first things we know is that we have to get out of the way so the Spirit can speak through us. Because we can speak by memory but there will be no anointing in memory. And memory will depend on your age because your memory

seems to be fading as you are getting older. But when we depend on the One Who says, “When the Spirit of Truth is come, He will bring that Word back to your remembrance,” He will teach us all things.

Now, ‘things’ in the Bible are Mystery Truths. That’s why the Bible says, “We have received an unction from the Holy One that teacheth us all ‘things’. When the Spirit of Truth comes, He will bring back ‘things’ to your remembrance. He will show you ‘things’ to come. Elijah will come and restore all ‘things’ that were eaten down; that were lost. He will restore It back.”

So, ‘things’ in the Bible are the Truths that God gave Daniel. He showed him in symbol form. And the Book of Daniel has all these symbols. And He showed John all those things in symbol form too in the Book of Revelation. And remember, they had that for two thousand years now, since the Old and New Testament came together and we had the complete canon of Scripture.

And that is why when we, as Ministers, come together, you know, some might be like the carpenter, and another one is like the mason, another one is the plumber, and these men are all gifted in certain ways.

When the plumber begins to work with his gift, you don’t have to have two barrels on a little cart trying to pull it up a big hill and to bring it to the house. You don’t have to do that. By his gift, he will run that pipe; he will put in a system that could give you good pressure to push that water. He could give you hot and cold, and you’ll have water in the kitchen, you’ll have water in the shower to bathe; you’ll have water to wash the clothes. That is a great gift.

The carpenter might not be able to do that because God made him a carpenter; He made this man a plumber. So he rejoices to know, “There is another good man here who can do something that I need to help me.”

And you have an electrician: this man could take an unseen power, which is electricity, he could connect

that to a transformer and he knows how much voltage it needs to bring sufficient light but not something that can cause an explosion or something. He knows how to generate these things because his mind is made up to work with this unseen power. He knows how to put the wire in the house like the next man who knows how to put the pipes in the house; like the next man who could put the clothes closet and the cupboards and all these things in the house, and when you are finished, you have a house, built. And the gifted men that God put there together, can build this house from foundation to the roof.

And that is why, you know, sometimes in meetings like this, maybe I am running a little light here, but there are men that could bring in the water; there are men who could construct the house and build it in a way that it is not too hot in the house and different things. And I think that God's house... You know the Bible says, "We are lively stones building up a spiritual House. What house will you build Me?"

And so, it is the one God working through different ones that He designed and gifted in a certain way. And it is always a wonderful thing when each one can recognize the other gift and realize we are all working for the same company – the same One Who gave the plumber a job and gave the electrician a job and gave the painter a job to build His House that His Family could enjoy a Home like that. And those are all the people that sit under us. They make up the Family.

But we are like the workmen. And then we look at each other's work and if this man is an electrician, you pick up a few electrical things, you watch the plumber and you pick up some things from him; you watch the carpenter and the mason and you pick up things from him. And that is why we are always blessed and inspired by each other, and we realize it is God Who brought us together.

Could you imagine if we didn't know one another? I used to hear about Pastor Wanderley from Bro. Hugo Castillo in Argentina, Buenos Aires. And when we got close, he told me, "I have a friend in Brazil. I want to take you by him one day." Because this is what friends do. When one friend has a friend and they have a good friendship, you think well, that friend would like to meet you and know you. And by coming to Brazil, I came to know so many fine brothers: slept in their homes, ate at their table, drove around in their vehicles; got friendship. And those things, the memories are lasting. I still have all these precious memories even though I can't travel as yet.

But with this fourth dimension open here and we get together, it brought back all the memories of how we used to sit in Ministers' Meetings in different cities and the Ministers used to come together. And all there we could see the different abilities in different men. And so, that's why these couple of meetings we had is something that has been a blessing to me.

When I think of the time we are living in, it brings concern because by some of the things we are seeing happening. It's not just like a war and a bomb and different things going off, you know. In this season, what has struck me deeply, is to see what man has become in the earth. You see men egotistic, you see men wicked; you see men full of hatred. And I'm talking about intellectual men: Presidents, Prime Ministers; different people. Men love their nation but hate another nation.

These are the things because it showed me, look, the condition of the world. And it has come in that state because the god of this evil Age has blinded their minds. He is the one that is creating the division. He is the one that is giving them this extraterrestrial intelligence to make weapons and send it across the world; start civil wars in some places by giving them weapons. And you see how governments are doing this.

And all of these things are shown to us in the Word that man is going to become—who was made in the image and likeness of God, look what he has become when we see him in this Day. And there is no true love. Men are full of pride and ambition and their ego, that they can say, “Go,” give the instructions, “wipe that place out, man. Bomb it.”

It affected me. It shocked me. I felt like a rage wanted to come up in me when I saw how many killings are taking place. And the United Nations Security Council, the United Nations systems put it in place to check these things and keep the world in peace and stop this aggression and all these things, but we have been told by the Prophet, he said, “The United Nations, under the auspices of supernatural devils...”

I can't remember he was sitting in a United Nations meeting. I know they invited Billy Graham and them to the White House but they never invited him because he was speaking against America and these men were praising the nation, until they criticized him and attacked him and said, “You are an American, man. How could you speak against your nation like that?” And he was shocked to know, “Ministers of the Gospel, they now want to criticize me for doing that?” And he realized how shallow they were concerning the Scripture.

He said, “Did Jeremiah speak against his nation? Did Moses speak against his nation? Did Jesus speak against His nation?” Of course, they all did! Because they were a mouthpiece of God. They weren't there to condemn other people and rate up the nation.

And all of these things, when I see these things in this Day and all these powers that are invested in these systems to govern and rule the world, if we are really understanding what we are seeing, (not just who is bombing who and who has more weapons and who is doing... Not that!) we are understanding in reality how this whole world, everyone whose name is not written in

the Lamb's Book of Life will worship the Beast; how Lucifer who said, "I will be worshiped like God. I will sit above the stars of God in the congregation" and these things. You realize this one is to be incarnate and rule the world. But God is moving out His elected people before that.

So when we realize the Truths that have been opened in the Bible to us through the sounding of the Seventh Angel Messenger... He said, "The Message came for preparation, not just to give us increased knowledge more than denomination." Do you know how many Ministers are trapped there, that they could just preach down denomination, blast denomination, do these things, and they are taking the Word now, to fight wars that are wasting their time in certain kinds of fighting? Because they are happy in their denomination. He said, "By you criticizing them every day, you become obnoxious to them."

And so, in a situation like this, you realize where the Bible says, "Gross darkness is upon the earth and upon the peoples." And this darkness is defining evil spirits, demonic—demons, who came upon an Age because they did not have the love of the Truth, so they got a strong delusion to believe the lie and be damned by it.

Now, understand my angle. As I said, we are all reading the same news so it makes no sense I come and tell you... You only listen to, maybe, *CNN*. I am listening to *CNN*, *BBC* and *FOX NEWS*, so I am giving you more information. It's not about that. [Bro. Vin chuckles -Ed.] Because that is the lying spirits that came out of the mouth of the false prophet.

Do you think that is talking about the Pope when he is having his mass? When It says, "Seven Thunders came out of the mouth of the Seventh Angel," what was the result of that? He gathered the Wheat together. When three unclean spirits came out of the mouth of the antichrist, the false prophet, what was the result of

that? He blinded them and gathered the tares and bundled them together in the ecumenical move.

The point is, it is not literal frogs jumping out of somebody's mouth, and the Thunders is not some loud noise coming from somebody's mouth. One is the Truth and the other one is a perversion of the Truth. Because a lie is the perversion of truth. He said, "The lie could have ninety-nine and ninety-nine hundred percent; that one little place where that filter is punched, the poison nicotine is coming through there to bring cancer."

Remember, he was walking in the woods and he saw a cigarette pack on the ground and God said, "Pick it up."

He was like, "Pick it up? I don't smoke, man. I hate cigarettes and smoking."

And then he was putting up a mental resistance until God had to say, "Your message for Sunday is there."

"Do you mean to say, my concordance in my Bible in my study, I thought that was where my message was coming from?"

But that cigarette in that cigarette pack is something in symbol form that brings death. But through the advertising, how it is presented, it entices and influences people to want now, to smoke, because it is the fashionable thing. But they are blind of the poisonous nature of nicotine, that when they take that in, it is getting them sick.

Isn't that strange how God teaches His servants things; that God could show you anything? And that is where we want to be living in a place where we are sensitive; where we are yielded and open to the Holy Spirit. And I have learnt so much just from reading as the Prophet would speak about himself and his ways and his experiences. And that has made me look at the Message, not just from a religious standpoint because to see how the Message and the Messenger are one. And to bring that Message, He had to get a Messenger with a certain make up to deliver that Word a certain way.

And that is when people were leaving the Prophet and saying, “He is a man. We came here; you prayed for twenty people and then they had to take you off the platform; you were so weak and...” He said, “Oral Roberts prayed for five hundred people, two hundred people each night.”

He said, “God made up Oral Roberts to work that way; God made me to work another way. We are both God’s servants.”

Oral Roberts could not be him and he couldn’t be Oral Roberts because all the stones are cut out differently.

And this... It is lack of understanding some of these things, is where people’s minds, they are not flexible in their thinking so they cannot enter into the Mystery Truths of God. Some are trying to learn that; some are trying to memorize that. But when you know this is a Jigsaw Puzzle, you are looking to see where this piece fits and what other pieces go with that to make the picture.

And that is why, the man who is fundamental, he just goes on fundamental and he is teaching the Bible as something fundamental, so when he finishes, that is something like an education; a lesson. But then, where do you apply that? How do you apply that? What is connected with that? And that is why you have...

Could you imagine that we have the Seven-sealed Book open in this Day and you just have men just preaching something fundamental and preached all their life and didn’t try to look at Daniel seventy weeks, look at the Book of Revelation; look at the prophetic things in the prophetic Age?

And this is where, you know, people sometimes will think “Well, no, no, we have *Daniel Seventy Weeks*. Bro. Branham spoke that already – *Daniel Seventy Weeks*. And that is like, “Yeah, seventy weeks. Sixty-two and a half weeks, you know, this and this happened and then we have another half week to come.” And they have their little theories and so on and say, “Yeah, yeah, yeah!”

Daniel seventy weeks.” And when you come out of that intellectual classroom and you look out in the world, you can’t see Daniel seventy weeks.

Because when you understand time, events go with time. To every purpose under Heaven, there is a time and there is a season. There’s a Word allotted for a time and a season. And he said, “And then there is an anointing that is released in that time and season, so that that man could operate that Word.”

And this is what the real approach to these things are especially when we are looking... Because to have modern events, it’s not trucks and buses and planes, it is the people and the condition the people are in and what is coming out of the people in a particular time. Because having the truck, it might just say, “My grandfather” or great grandfather, “he had a little bicycle but now I am driving a big truck.” It is not... We are looking at the wrong things many times. Because when God was writing the Bible about the End Time and these things, He was giving description of the people and He was identifying certain nations of people that have a role in prophecy for the End Time.

That’s why when we see transgender, LGBTQI, all these kinds of different things, that is a sign being reflected through the lives of the people, telling us, the day of Sodom is back here. When we are seeing the planned violence, the destruction, how the weapons—the killings in the earth, it tells us, the days of Noah is back here. There’s nothing new under the sun. That which was, is now, and that which shall be, hath already been.

So when you look back in the Scripture and we see the church lukewarm and blind and naked, we know that behavior and those characteristics are identifications of the Laodicean Age. Like how the Prophet spoke in *Invisible Union* and was talking about the insane Age and the insanity of the people coming down, and he went into the way they dressed and what

they were doing and how they were living. And then he became critical of the Ministers who are Ministers in those churches, having the people in that condition. Because as a Prophet, he had to speak out against those things to awaken the people to where Satan had infiltrated the church and was deforming the people into a hideous condition.

That's why when he preached *God's Power To Transform* [1965-0911 -Ed.], he first showed us how the world, Satan's power, deformed the people, but God's power being released through God's revealed Word, anointed Word for this Day, could transform the people that they will not be conformed to this world, this Satan's Eden.

And then we are actually seeing how God dealt with this man, how God trained this man where to look from, that when this man was speaking the Bible, he was speaking It in a different way that the normal, intellectual man is a million miles from the reality of these things. Because a lot of Message churches are trapped in that situation and they get conformed to routine and ritual: come to church, pick up the offering, sing some songs, hear a little preaching; go home. And there is hardly anything outside the four walls of the building, when the Church is a living organism and God's gifts always find their places.

And then you realize, no, that church, they just remained the same way and they just got a little more knowledge about, maybe, the Age that they are living in and the water baptism, and the woman's place in the church; all those things are fixed and they think that is the Message.

But here, we as a group of Ministers sitting here tonight, fellowshiping around the Word, and the last two meetings that we had like this, has focused our attention upon what is happening. And the real thing for us in that is... Because we can't change what is happening, but the thing is, the Message came for

preparation. And by seeing the things we are seeing, and the nations that we are seeing these things in... Because that isn't happening in Brazil right now; that is not happening in the Caribbean right now. When we are talking about that, we are talking about way in the Middle East.

Think of how different it is... If you are being affected seeing just the images because it is all televised, you know, and it affects you that way, what about the people who are actually living in the area; in the vicinity? What about the people whose families and they are trapped there? And then you look at the World Order, the New World Order, and they want to bring a better world, and they are depopulating the world.

And we were speaking, I think, in one of the meetings here: by these four things. Pestilence – they locked down the whole world. Over twenty-two million people were killed and many more to die, who have taken the vaccine. Twenty-two million died from the vaccine because everybody thought the vaccine was to keep them safe from the virus. Nobody is seeing the virus, nobody is smelling the virus; nobody is touching the virus. The rulers of the darkness of this world put in their heads, “There is a virus out there,” and, “Wear that mask,” and, “Do such and such,” and started the vaccination campaign and they are putting nanoparticles and things in people.

Because all of this is deliberate because they are the construction engineers of a New World Order. And you have the demolition crew: all the big bulldozers, all the big tractors to go and bulldoze that house, break down this here; all the big booms on the cranes, smashing down that whole place. And they say, “We are building it back, better. We are building it back, newer.” They want to bring a new world, a new kind of man, a new kind of woman; artificial intelligence – transhumanism.

Now, when we as Message Ministers under the prophetic Eagle anointing that came off of the Prophet

to come on the Five-fold Ministry, that he was the first matured one that was waved over, his life and manner in ministering became the pattern for the Five-fold Ministry that is predestinated to carry that same Message.

And that's why when we are looking at the world, we see since back in 1962, he was preaching *World Is Again Falling Apart* [1963-1127 -Ed.], *The Falling Apart Of The World* [1962-1216 -Ed.], *Satan's Eden* [1965-0829 -Ed.], *Souls That Are In Prison Now* [1963-1110M -Ed.] – hell being created on the earth; an insane Age; all the pit is open and devils are coming out. Well, they said, “You are frightening the people, man.”

He was trying to warn the people. He was trying to wake up the people that denominational ministers, Satan ministers, put the people to sleep; desensitized them. But he was coming now, he said, “Seven Thunders is to,” do what? “Wake up the sleeping Bride.” He said, “Look at Jack Moore, my close friend. Everything they are talking about is, ‘Fast and pray, fast and pray. A revival is going to come; fast and pray.’” He said, “They failed to see the awakening.”

They were watching him: “He has a seventh-grade education. He doesn't really know the Bible too well, but we keep him close to us because he discerns people and he sees visions, and you know, he's a nice man to be associated with.” They were more interested in using him, advance themselves; look good.

And in the end, 1962, *Present Stage Of My Ministry* [1962-0908 -Ed.]: “All man has forsaken me.” And what did they forsake him for? Telling the people, “It's not three persons in one God”; telling those women in a bad condition, Satan has them that way. “How can a woman dress like that and come to church and be that way” and these things?

And they found he was too erratic because a Minister is supposed to be nice. What they meant is, he should have had an enticing spirit. But he wasn't watching

them; he was watching the original Church in the Book of Acts. He was watching the Church and its condition there, and he watched the modern-day church, what it became, was nothing close to resemble what was there in the beginning. And he knew he was carrying the Message.

And that's why, how the Spirit spoke through him, it is like we ended up now in this Day, we never read about Hamas in the Message and we never read about half of these things that we are seeing going on there, in the Message. Because we are watching the world and its condition. We are watching the ecumenical move, how it came in and put the people to sleep, and how through brotherhood and, "We are all one... Let us fulfill Jesus' prayer, that we all may be one." He said, "Not that kind of one!" And he preached *Oneness* [1962-0211 -Ed.]: "God and man were one in the beginning, and God and man are to be one in the last days."

And he knew he was a man who came back in the Word image, who could speak and see things created. And in the sixth Day, six thousand years after, here he was seeing now, God making a new kind of man on the sixth Day – a man with dominion, a man who could speak to nature, a man who could go right there with the animals like how Adam was there in the Garden.

And he would look and see how the possum would come in and God said, "I sent that possum for you to pray for it. You need to be more sensitive." God had him to go through the man's farm, where he saw the big, killer bull. And he was running through the man's farm, speeding, and disturbed the bull. And with that bull now, coming there, the first thing he felt for was the gun. And then when he realized he forgot the gun in the truck and the bull was on top of him there already and he was looking for a place to run; he was looking for a tree to climb. He got desperate because that bull had killed a man already and instead of them killing the bull, a man bought the bull to use it for breeding. Do

you think that was a coincidence? No. God planned that in the man's life, in the man's journey, that at this time, he would be faced with this.

The same one, when all the bees came there when he was mowing the lawn, and he just got calm as the Spirit came and the bees were all around him, not one stung him and then they moved because he realized... He started talking to the bees: "I'm sorry I disturbed you. I'm mowing my lawn here because I have a meeting coming up. I need to go to church, but I'm doing this work in my yard." He hit that bee nest and they were all over him and he just began to talk to them and they went back. All of this was unconscious. And God was giving him these kinds of experiences and he was realizing that he was being transformed into another kind of man.

When the maniac came to kill him out in Oregon, and those police came with their batons, a whole bunch of them, all those Ministers on the platform took off and he was watching the man, and that same thing that came with the bull and came with the hornets, that same anointing that he felt, he said, "I started to love this man. I said, this man, maybe he has a wife and children like me."

Brothers, I am on my subject, you know. I will speak about some modern events first, but I am trying to show you that information most of you all have, who have access to news, who have a phone that you can go on *CNN*, *FOX NEWS*, *BBC*, you can see the live things happening, but I am talking about when we are seeing what we are seeing: when we see the natural man out there what he is deformed into – beast; the hatred, no love; when we see the nations of the world.

This is like the basket of summer fruit. Do you remember that in the Book of Jeremiah? It was a sign. The fruit was ripened and it was in a basket showing the nation was ripened now for judgment and God was

giving the prophet visions and showing him the condition of the church.

Look at Ezekiel. God was giving Ezekiel visions and he was seeing all these men, who were idol worshippers, in the big temple. Then he was seeing an Angel going through, marking people, sealing them in their foreheads and he was understanding the hour they came to.

In that same time, Josiah, when the priest brought the Book that they found... The Book was lost but now the Book was restored and all the Truths in the Book now, were coming out. And Josiah began to read. From the priest, the lamb, it came to the king, the lion, and now the lion had the Book. And when the king began to read, he didn't judge the Word, he let the Word judge him. And he began to weep because he realized, "Oh, my God, this whole kingdom is under judgment," as he began to read about the punishment for certain types of sins, and that filled the nation already.

And in that hour, the prophetic office was in a woman called Huldah, Huldah, the prophetess, and her husband was the keeper of the royal wardrobe. And they went to this woman and from the time they came, she broke into that realm. She said, "This whole nation is going to be taken into captivity. But that one man who wept and tore his clothes and cried out before God," she said, "he alone. The rest, the wrath of God is coming upon this nation."

"Brother," you say, "you are giving us some Old Testament thing." No. That is this Hour. Ezekiel 9 repeats in the last days. Type it in and see. Ezekiel 9 repeats in the last days. You'll see the Prophet talking about that over and over; how God made Ezekiel lay on one side for so many days; lay on the other side. God told him to cut his hair and he chopped it up into pieces and threw some in different directions because all these things were symbolizing the judgments that had come upon the nation that had not been faithful to keep the

Word of God, that prophets one after the other for years had come, since Isaiah's time, before. Zephaniah, Hosea, all these men were contemporaries. Then Jeremiah, Daniel, Ezekiel – contemporaries as well.

Just like we are contemporaries. I'm in my part of the world, you are in your part of the world, there are other men in different parts of the world, but from all of those different parts of the world, there is a Word that went out from a Prophet, a certain man that the Angel of God came down to.

It wasn't Jeremiah alone seeing things. Daniel was seeing, Ezekiel was seeing; Zephaniah was seeing. Read to see, all those men were contemporaries and God was revealing different aspects and different angles He was showing them things from because all of them were in the same Age; all of them were part of that same race of people.

I hope you can appreciate the angle I'm coming from; not to tell you, "Well, you know, right now it's nine thousand they killed, you know, and another hospital they bombed. And so and so is going on, and the United Nations hasn't made a move yet. And the big battleships are out in the sea with the fighter jets, and other nations are thinking of coming in and widening the war." They all live in the political realm. And who are in the religious realm, the denominational realm, well, look them: "The Jews are God's people. The Jews are God's people," and they are confused.

When we look, we are not being influenced by *CNN* and *BBC*. *CNN* is the United States; *BBC* is Britain. Look and see, in the very beginning, it was the British who sat down after World War I, the Balfour Declaration, and they began to redraw the lines and cut up the land and give different people.

Read Joel Chapter 3. God said, "When I bring My people back in the last days..." And He was saying, "And they divided up My land and there is a judgment for those nations that did that." Because they were colonial

powers and it was a World War and these big nations were who were part of this war, and that was your Fifth Trumpet, your First Woe. Because, “Woe, woe, woe, by reason of the last three Trumpets which are yet to sound.”

The first thing in the Bible way back in the beginning in Heaven when there was a war in Heaven between Michael and Lucifer, he said, it is going to end up in the last days in the form of Armageddon and the two of them will come back on the battleground again. And so, from Genesis to Revelation, the theme of man on the earth is about war. From the time you see how Cain and Abel and then the first marking of a human being... And why was he marked? For rejection of the vindicated Word. He refused to walk in the Light that God gave to Abel. And when God saw that, He said, “Sin lieth at the door.”

Because this is the condemnation – Light has come but men chose darkness rather than Light because their deeds are evil. All condemnation is on that – man wants his own way, not God’s way. “If you walk in the Light as He is in the Light, the Blood of His Son cleanseth you from all sin and brings you into fellowship one with the other.” And the revelation of God’s Word is connected to fellowship.

Genesis 18, God came down to visit His friend. Abraham was His friend. “Shall I hide from My friend, the reason and purpose I am here?” He said, “No. I have to tell him. He will teach his children. He will raise them up the right way.” And He said, “Because the cry of Sodom has come up.”

If He is God Who changeth not, Jesus Christ, the same yesterday, today and forever, and in that Age of Sodom God came down, what about when Sodom is repeated back in the last Day? Didn’t God come down in this Day?

Judgment always follows Light. Because God cannot judge a man if He doesn’t give him Light first. God does

not bring man into judgment without first warning him. And the same principle, God will judge a man by, He will judge a family by, He will judge a church by, He will judge a city, He will judge a nation, He will judge the world by. From one man to the whole world is one principle – God bringing Light to a person.

Cain was one man and God brought Light. God showed him the right way; he was rebellious to the revealed Word. He loved his own religious works more than vindicated Truth and he was marked and separated from the Presence of God. He was now a reprobate because he rejected the vindicated Word and he was separated from the Presence of God.

And when he went out with blood on his hands, judged and found guilty and banished from the Presence of God, with that idol worship, he started to build cities; his cities got filled with all kinds of sin, and moral degradation and wars. Lamech now had two wives. From monogamy they went to polygamy. By the time they came to Canaan, you are talking about bestiality. Well, they had bestiality back in the Garden to begin with, with Eve.

So when you watch, God, did God bring judgment in the Garden? He came down in investigation: “Adam, Adam, where art thou? Hast thou eaten from the ‘Tree’?”

He could not answer. He said, “The woman gave me to eat.”

He came by the woman: “Why hast thou done this?”

She said, “It was the Serpent who beguiled me.”

And you are seeing the nature of man who became disconnected with God.

I am showing you in the very first two people in the human race, I am showing you in the Garden of Eden when they sinned, I am showing you the judgment how God came and judged, I’m showing you what the people were deformed into and when they multiplied, what it was in the days of Noah and then God destroyed the

whole civilization. And Jesus said, “As it was in that day, so it is in this Day.”

So when you look at the road that led to that Armageddon... It was an Armageddon. It was a war that destroyed the whole civilization. Eight people came out of millions. God killed everything. “My Spirit cannot strive with man anymore. The earth is filled with violence.” Man became woman chasers, all kinds of different things from that one sin – “You shall not surely die.”

But watch the progression within the race and watch and see how... Only Noah was found perfect in his generations. When God looked on the earth, God has a Family, God has a race of people, a little group of the true Seed, (She is described in so many ways,) that She will go before the judgment comes to destroy this civilization. She will be taken out – the Rapture and these things. And we are seeing this. This is what is happening back again.

But I am saying now, watch man. Watch the condition of man. What kind of man have we become? What kind of church do we have? What kind of expectations are in the people? Because many people preach to their people, preach at their people, but true preaching trains the people, that the church becomes a trained church; the church understands order, the church understands the ministries that God put among them; the church understands their journey, that when God sent a sower to sow, that’s to raise a church up.

When God gives a man Seed for this Age, a Former Rain, planting the Word, and when the Latter Rain comes to bring up the planted Seed and the Word now is living in the people and they become mature and ripened in the Presence of the full strength of the Sonlight with the mighty God being unveiled – the opening of the Seventh Seal. This is what it is.

Right now, many of us are not in the zone of where the war is going on and we will go out before that kind

of big war starts to come into our regions. We will go up before that. Because when the Bride goes... The world has changed so drastically already; it will be changed more drastically when the Bride goes. Because now, when She goes up, the antichrist comes down and becomes incarnate in the man of sin; sets down the mark. And Daniel and Revelation show you; show you what is going to happen. Those that keep the commandments of God, speaking about the Jews, and the next group, the Gentiles, the foolish virgins, all of them is going to be a persecuted, hunted group of people. They will have to give their lives.

Because what we... We think we are watching a war here? This is light to what is coming because Armageddon is to clean off the earth. And the kind of earthquakes... You have three earthquakes in the Bible to take place still. We had the shaking in Alaska; 9.2 earthquake shook the entire planet though it didn't unbalance it. We have (and this is the Prophet's dimensions that he gave,) "Fifteen hundred miles long, three hundred miles wide; going to slide forty miles deep into that fault when that earthquake hits Los Angeles. It will shake the entire planet." He said, "Millions will die."

Now just in the wars, let us say from 2001 when the Beast made that move to deceive the world and they lied and deceived the people using the technology... They created their own destruction the day the towers fell. They said, "No, it's Jihadists from the Middle East" – the lying spirits coming out of the mouth deceiving the whole world. And they said, "We are going for democracy." It was a lie. They went to steal the oil and the resources and restructure the region. Using the sword, they deceived the whole world. Using pestilence, they deceived the whole world.

Even now they have set up to control all the food. **Monsanto** [an American agrochemical and agricultural biotechnology corporation; the world's largest seed company -Ed.] and them have

control of all the seeds. Because who controls the food, controls the people. The Bible shows you there was famine, organized famine. Under Stalin and them, they killed over twenty million people – organized famine. Read 2nd Kings 6 and 7, when Hazeal went up – organized famine. They broke their economy. When? In the days of Elisha; in the days after Elijah had gone off the scene and the Spirit of God was continuing the work.

Because Elijah and Elisha were a type of Christ and the Church. And is that not the time we are living in? Don't we, as Ministers, have a Second-hand Robe and a first-hand God?

Watch and see the miracles that Elisha did: he turned bitter water and made it sweet; he took poisoned food and removed the poison. When they were building the house of God and they lost the axe head, he restored the lost power. Because they now, were just trying to work with an axe handle because they lost the power. The power was the axe head. They were building a house.

When there was death in the pot, he took a handful of meal and healed the pot. When they had—the famine was getting severe and the people said, “This is not enough,” he said, “Go and serve it; it is more than enough,” and the bread multiplied. We are seeing the ministry of Elijah and we are seeing the ministry of Elisha – the same Spirit moving from one to the other.

After Jesus ascended on High and His earthly Ministry was over there, did His Spirit come back upon the called-out ones and now God was working through the apostles and them, writing another Book of Acts? And the conditions were around them. The same people who killed Jesus were now persecuting these and said, “Don't preach in that Name,” and they beat them. “Don't heal on this day.” And they began to imprison them. It was becoming more and more severe. Why? Because they were following this Man, this Prophet, Who could

talk to the wind, Who could calm the storm; thousands of healings when He stood up there and prayed. It was Christ. It was God veiled in a Man called Jesus. It was the revealing of the Son of Man on the earth there.

And then didn't that come in the last days to Gentiles and didn't God do the same kind of miracles? And then after that Ministry went off the scene, doesn't God continue to work now, with that many-membered Body?

When we are seeing what is happening in the time and season, it is happening through nations in prophecy. It is not just happening in the world like bad news. No. Israel is a nation in prophecy, Rome is a nation in prophecy, United States of America is a nation in prophecy in the Bible in the End Time. The Eastern... The Arab nations and them are nations in prophecy in the Bible for the End Time.

That is to sensitize us, to awaken us, to see the conditions, to see the changing face of how things are operating in the earth. She wants blood. When you read Revelation 18:24, It says, "And the blood of all the saints and the martyrs and these things, were found in her and all the slain in the earth, their blood was found in her."

Do you mean she has to do something... All this bloodshed here and you are not seeing her saying anything or doing anything. Do you mean she has something to do with it? Wasn't she writing letters in Ahab's name and sealing them with Ahab's seal? Nobody was seeing Jezebel doing that, but the Bible tells us, she was doing that.

The Scripture carries us in the bedroom with Ahab, frustrated, laying down on the bed; he can't get Naboth's vineyard and all the pressure and the politics, and he felt like a broken man. Watch the nature of the woman who was really ruling the nation but it was not looking like she was ruling the nation. She said, "Wait, wait, you are lying in your bed crying? Are you not the king in this place?" She said, "Leave it to me. I'll take

care of it.” She set up her whole scheme. She said, “We are going to have a trial. This judge is going to be the judge in this matter. Get certain witnesses. Get some of the nobles and the elders. And when we come to this trial, bring people who will talk about Naboth. Set him up on high.” It was a whole orchestrated plan to control a piece of territory.

Let me read something for you now out of the Bible. I spoke a lot of the Bible but I trust you understand because here now I want to show you... I am going to read out of Zechariah. Now Zechariah chapters 12 to 14 is something anybody who is living in this time ought to become familiar with it because Jerusalem is the focus here. And Zechariah 12, from verse 1.

¹ The burden of the word of the LORD for Israel, saith the LORD, which stretcheth forth the heavens, and layeth the foundation of the earth, and formeth the spirit of man within him.

The Word of God is such a tremendous thing. It is telling us:

¹ The burden of the word of the LORD for Israel...

It is God and His Word and that nation. But It describes God now. It said:

... saith the LORD, Who stretcheth forth the heavens, and layeth the foundation of the earth, and formeth the spirit of man within him.

It is the Creator talking here through Zechariah. And he gave the credentials of this Person – the One Who stretch forth the heavens, the One Who laid the foundations of the earth, like God asked Job; the One Who formed the spirit of man within him; put the first man on the earth whom He made in His Own image and likeness. What an introduction to talk about Jerusalem in the last days – this mighty God Who is unveiled before us, this Creator of Heaven and earth, this Creator Who

has an elected Bride in the Gentiles and an elected 144,000 among the Jews; same God. Because that which was, all those things were prophesied for this Day.

He said:

² Behold, I will make Jerusalem a cup of trembling, unto all the people round about, when they shall be in the siege both against Judah and against Jerusalem.

Zechariah was about eight hundred years before Christ, so that was about twenty-eight hundred years ago. Jerusalem... There are two Jerusalems: earthly and Heavenly, but this is talking about the earthly Jerusalem here. And when we look here, there is something about her in prophecy in these last days. He said... God is saying:

... I will make Jerusalem a cup of trembling unto all the people round about, when they shall be in the siege both against Judah and against Jerusalem.

Siege is when you have war. Just like Titus made a siege around Jerusalem and they ate the grass, they ate the leather shoes, they ate one another's children because he brought them to such a condition before they slaughtered all the people, just like 2nd Kings 6 and 7, I was referring to just now, when doves' dung was for so much money. Women in the siege were eating their babies. I'm sure, as Ministers, you are familiar with 2nd Kings 6 and 7. An ass's head was worth so much of money.

And Elisha and the elders were in the house and Jehoram was going to use some politics to take the pressure off of himself and make Elisha a scapegoat, so that he now could... This is what politicians do – go after certain people to divert attention; use them now, to send a strong message. Because they want to continue on in power and so they are playing dirty politics and they need scapegoats.

That is what the Bride and the true believer will become – a persecuted, hunted group. But the denominations wouldn't have that trouble. They have no trouble with Anglican, Catholic, Pilgrim Holiness, Nazarene, Pentecostal, Baptist, Jehovah's Witnesses; Seventh-day Adventist. They have no trouble with them. They are all in the ecumenical move. They all come under Roman power.

But we who had a Prophet, refused to go and bow to that Pope. You can't be born of that Word that he brought and then compromise with the world. Because the Word that he brought, that Spirit—it's the same Word we received which brought that same Spirit inside of us.

And he knew they were going to kill him, that Jezebel, like we were talking just now. So keep the continuity of the thought. I was showing you, Jezebel was unseen but she was manipulating the people. She was setting up a whole system to kill this man and take that piece of land. Because they became obsessed with that piece of land. They wanted that territory. That made me come to Zechariah to show Jerusalem.

God was saying:

*... I will make Jerusalem a cup of
trembling unto all the people round about,
when they shall be in the siege...*

And showing the siege is like when you bring sanctions and you put people under certain things: "You can't have this, you can't do this, you can't buy; you can't sell." All your things could stay there and rot; they don't care. They put sanctions on you.

Like how they took Venezuela. Ten billion dollars, they have it there in Britain and the people are down there in poverty. Because they tried to remove Maduro from power and brought in some young fellow who is 'kissing boots' – Juan Guaidó. And they are doing it blatantly; went and removed Saddam Hussein from power; killed him. They killed a few in Africa, who

refused to bow to their system: “You have to submit to human rights. You have to have LGBTQI here.”

Why is that so important to them in somebody else’s country? It is what man has become. That is why I started off showing you the basket of summer fruits. The world is ripe for judgment. God’s focus is on the elected Gentile Bride and the 144,000. These are the two groups who will get the baptism of the Holy Spirit. They are the only two groups who are getting the Holy Spirit. The others are going to come—go into Tribulation.

So watch:

³ And in that day will I make Jerusalem a burdensome stone...

First, in verse 2, He said, “I will make Jerusalem a cup of trembling to all the people around it”; those nations, Arab nations, around it.

³ And in that day will I make Jerusalem a burdensome stone for all people: all that burden themselves with it shall be cut in pieces, though all the people of the earth be gathered together against it.

God has people under consideration here, who are obsessed with Jerusalem, like Ahab was obsessed with Naboth’s vineyard. He must have that. He wanted it. It was going to give him a strategic position where he could exert certain influence. He wanted control of a certain territory.

So God is showing something similar here. That was 1st Kings 21; God was showing something similar here too. Jerusalem, there is an obsession for Jerusalem. And that Vatican is the one who is obsessed with Jerusalem. That is why the Bible shows you pictures of the man of sin sitting in the temple of God being worshiped as God.

The end game of the Vatican is not in Italy; it is in the glorious land where he will put his temple in Mount Zion, where the kings of the earth will come to worship

like they worshiped Solomon; like they came with the glory and they brought their honor to Solomon who was a type of Jesus Christ. The greatest Age in the Old Testament was in the time of Solomon, where they had peace. The very name of Solomon had to do with peace in the earth.

God told David, “You shed so much blood; you can’t build this temple. Your son will build it.” And then when Solomon now was enthroned, that was like—they called it like the Millennium. They had peace all over. There was no war in Solomon’s time.

And so, when we look and see how these people who are obsessed with Jerusalem... Because Rome knows the church didn’t start in Italy. They know the church started in Jerusalem on the Day of Pentecost.

After fifty days... Jesus died and rose, He was on the earth forty days and then before He ascended, He said, “Not many days from now, the Holy Spirit is going to come.” Between the Feast of the Firstfruits and the Feast of Pentecost was fifty days. And after ten days, the day came when the Holy Spirit, the Pentecostal Feast, when they had the two loaves of bread with leaven and they were burning it, a type of the Church being cleansed and purified by the holy Fire of God. Because John said, “I only baptize with water but this One coming, Who is mightier than I, He will baptize with the Holy Ghost and Fire.”

And on the Day of Pentecost, when that natural Feast was going on and the natural people out there were bringing their loaves of bread made with leaven... They had to make it with leaven. Leaven is a type of sin. So when this fire burnt it, it was like it was cleansed. It was purified. It was purged from the leaven.

So these men and women who only had one birth and now they were going to receive the baptism of the Holy Ghost. And that now, by one Spirit, they were going to be baptized into Christ and any man in Christ is a New Creation. So these people were going to be made anew,

that they became partakers of a Divine nature because they came now, as the living tabernacle of the Living God, not the natural man-made temple.

So that reality that was taking place there on the Day of Pentecost, this Feast after the Feast of Pentecost... Because before the Pentecost was the Feast of Firstfruits—Feast of Unleavened Bread, Feast of Firstfruits... First, was the Feast of Passover, then Unleavened Bread, then Feast of Firstfruits, three Feasts, and it was like three parts of one Feast. They stayed in Jerusalem for those days, then they went back home. Then they came back fifty days after in Jerusalem again for the Feast of Pentecost.

Then you went through a long period. The next Feast coming after was Feast of Trumpets and the people had to re-gather again with the sounding of the trumpets and then that was another three-part Feast. Feast of Trumpets, Day of Atonement, Feast of Tabernacles – three parts of the same Feast. It was one Feast there. It's like three parts of one. From the gathering, to the cleansing, the Day of Atonement, where the Jews are going to get the Holy Ghost and then Feast of Tabernacles is the change of dwelling places. They would go and dwell in booths. It's called 'Succoth' in the Bible.

So when you watch that now and you parallel that to this Day, the Feast of Trumpets gathered the Jews back in their homeland already. Their Day of Atonement is when they will see this One, hands pierced; feet pierced.

“Where did You get those wounds?”

“In the house of My friends.”

Like Joseph, they didn't know who he was; he kept himself hidden from them. But when Joseph came now and unveiled himself, it was after he dismissed his bride to the palace. He dismissed his bride so he could make himself known to his brothers. And then when they realized now, “Oh God, it's Joseph. We lied to our father! We put him down in the pit. The plan was to kill him.”

The brothers wanted to kill him. Judah said, “No, no, no.” The same time they heard the Midianites passing, those Arabs and them passing, they say, “No, no, let us sell him.” Hear his brothers.

They were family too, you know. Midianites came from Keturah. That was Abraham’s wife. Abraham had Hagar, she brought forth Ishmael; out of him came Ishmaelites. He had Sarah, she brought forth Isaac; out of Isaac came the Jewish race. He married Keturah, she brought forth six sons; out of those six sons, they populated more races.

Esau and Jacob together were twins out of Rebekah, and same father, same mother, same blood, everything, but the purpose of God is according to election and God said, “Jacob have I loved; Esau have I hated.” So God now put that because Esau didn’t have any respect for the birthright. He gave up the birthright for a morsel of meat. He was unregenerate. He was not a spiritual man, yet he was a twin, yet he came from Isaac, yet he and Jacob came from the same womb; born at the same time. Because when Esau came out of the womb, Jacob’s hand was still on the foot trying to pull him back, and when Esau came out, Jacob just fell out after.

And out of Esau... Amalek was Esau’s grandson. Because he married two Hittites and then he married an Ishmaelite, when he saw the father didn’t like that.

Now watch the seed. Watch where the seed is going. And all of them came back now, tied right back to Abraham. Abraham is a father of many nations. So we have all these nations there in the Middle East, all over, who say, “Abraham is our father. We are of Abraham. We came from Abraham. We came from Abraham.”

Abraham brought all of them by sex: sex with Hagar, sex with Sarah; sex with Keturah. But Paul teaches us the Seed that is going to bring forth the promises is not them; it is a Son of Abraham Who came out of Abraham’s faith, not Abraham’s body. Abraham’s real Son, the faith Son, was Jesus. God Himself was coming

down through the stream. And so in Him, in Christ, all the families of the earth were going to be blessed. Because through Christ, they can get a New Birth, not through Jacob. Jacob brought a race but he brought all by sex. But Jesus didn't bring anybody by sex.

In the whole Old Testament, it's only one birth – the sex birth. When Adam fell, in the first Adam, all died in Adam. But through Jesus, the Second Adam, He is not bringing forth anybody by sex; He is bringing them by a New Birth; by the Seed of the revealed Word. And there's a Word allotted for each Age and there's an Elect group in each Age and in every Age: "He that hath an ear to hear what the Spirit is saying." And in every Age: "To him that overcometh." And faith is the victory that overcometh the world. They hear the Word. They have the ear to hear. Faith comes by hearing. That's right. And faith is the victory that overcometh the world. And the world is the lust of the flesh, the lust of the eyes and the pride of life.

And that is, the ones with the New Birth, they are baptized into Christ; into Christ. They become partakers of the Holy Spirit. Because through Jesus, He paid the Redemption... He was the Kinsman Redeemer. There was no Kinsman Redeemer before. Yeah, Boaz redeemed Ruth and them with shekels of silver and different things, paying off her debt. It was just shadow. It wasn't Substance. That wasn't the Reality.

Because the Redemption price was Blood – a Lamb that was slain... Before Abel's lamb was slain, a Lamb was slain in the Mind of God before the foundation of the world. And the ones who were considered in that redemptive work there, when the Lamb died for those, their names were put in the Lamb's section of the Book of Life. And they were foreordained to receive a New Birth in their earthly journey, to show they were under consideration back There.

That is what Ephesians opened with: you were chosen in Christ before the foundation of the world and

predestinated unto the adoption; predestined to obtain an inheritance. And you have received a portion of that inheritance, which is the Holy Ghost. That is like the Downpayment until the Redemption, full Redemption, of the purchased possession. You are not your own, you are bought with a price. And the price is not gold or... You are not redeemed with corruptible things like gold and silver but by the precious Blood of the Lamb.

And that Blood is not animal blood, it is not Jewish blood, it is not Gentile blood; that was the creative Blood of God. It is called the Blood of Jesus, It is called the Blood of Christ; It is called the Blood of the Lamb. As Bro. Branham said, "Whose Blood is It?" Paul called It 'the Blood of the Lord', 'the Blood of Jesus', 'the Blood of Christ', showing it is One Person. And in that Blood has a Life and that Life is not human life; that is Eternal Life, God's Own Life that brings a son back to his origin.

So, when we look at this and see what God now is saying... All these people round about, they are making claim: "Abraham is our father. That is our land; so and so and so." "The meek shall inherit the earth," Jesus said, the Creator of the earth. All things were made by Him and without Him there was nothing made that was made. And He made that and He gave it to His son, Adam. And then He took a bride from that son and He married them and gave *them* dominion. And the first Adam and the first Eve were in a faith civilization; all things under their feet. "And the Second Adam and the second Eve," he said, "is going back to the faith civilization (that's right) in the Millennium and the Great Hereafter; into the New Heaven and New Earth."

So watch and see how God's perfect... What God started with in the beginning in Genesis and ends with in the end of Revelation, that is what God had in Mind from the very beginning so that He could come in the middle of the Bible. And when He came, this was all the Word. In Him dwelleth the fullness of the Godhead bodily. This was God, the Creator, in man, standing

there. From Elohim, to Melchisedec, to Jesus – the condescension of God coming down.

And then the Word was made flesh so He could die as a Kinsman Redeemer. He couldn't die as Elohim, He couldn't die as Melchisedec, without beginning of days and ending of life, but when He became Man, as Jesus... Because the Kinsman has to be Family, blood relation, so He came as the near Kinsman and did the law and duty of the Kinsman.

And the earth that was lost, where Satan took it and started to squat on it when Adam and Eve forfeited the Title Deed, that Title Deed for ownership is in a people on the earth: "Take the Book, John, and eat It." The Title Deed is for those Eternal sons and daughters who were always considered in Redemption, who are Eternal as God is Eternal, whom God had a portion in each Age unfolding the mystery of Himself.

But watch the Serpent's seed. Watch all these who are still fighting for the land; killing and murdering and shedding blood for the land. They don't see any Redeemer. The church that is taking control of the whole world in the ecumenical move, Rome, is not a Christian church. They don't believe in Jesus Christ. They believe Mary is the mother of God. The spirit in them is a pagan spirit.

That is the woman who was on the scarlet-colored Beast. That is the mistress of witchcrafts, who, with her cup of abominations, have made the nations mad. That is the woman in whom was found all the blood of the saints and the martyrs. That is the woman who is obsessed with Jerusalem, (that's right,) that Lucifer can come and sit in the temple. Because the other one will be destroyed in half an hour. Such a great city will be gone. The kings of the earth and the merchants of the earth will be crying. They will be standing afar because of the radiation. But on the other side, when God goes to the Jews, look what is going to happen. The focus is

no longer in Italy, the focus is Jerusalem. The focus is where all of this is going.

Are you seeing that? Are you seeing the obsession? I am in the Scripture here. I am in the prophecy. Who is behind it? Who are the powers prophesied in Daniel and Revelation that's going to rule the world? Because the first three beasts are locked up in the fourth Beast – Revelation 13:1. Back in Daniel's days, they only knew four beasts: Babylon, Medes and Persia, Greece and Rome. Two Eastern nations: Babylon and Medes and Persia, and two Western nations: Greece and Rome.

And because nobody... The fifth beast was undiscovered. And that nation that was going to come forth and be made into the image of the first Beast from the sea, that is the one that is doing the killing. Over eight hundred military bases are strategically placed across the face of the earth. And this fourth Beast will devour the whole earth, will break it up in pieces, will stamp the residue; will persecute the believers. It is written in Daniel. It is written in Revelation. Who is that?

Right now, we have papal Rome, we don't have pagan Rome. Pagan Rome was the armies going out there, Titus and them, destroying, killing with the sword. No, this one sit there and says, "I am a queen. I am no widow." This one is living deliciously with the kings of the earth. This one is being adored and she is living deliciously with the rich merchants of the earth. This one is the one who is controlling all trade and commerce on the earth. Revelation 18, it shows you. Who were the ones that were crying and so on? The kings of the earth and the rich merchants of the earth.

So when we are looking at this here, we don't want to be distracted with a lot of media information. The rulers of the darkness of this world have people's minds going in all kinds of different things. And Message Ministers are getting like those Pentecostals, Jehovah's Witnesses and Seventh-day Adventists, trying to interpret

prophecy. And they are blessing all kinds of things and having all kinds of prayers for different things.

They are Gentiles. They are Gentile nations, they are Gentile churches and these are the ones who rejected the Gentile Prophet. And the Mystery Truths were brought out by the Gentile Prophet, whose Message was to call them from all the man-made, religious systems, where they are ignorantly worshiping the Devil thinking they are worshiping God, because they are in false doctrine and not one of them have that true doctrine that the early church was built upon. And you have a thousand different denominations and one Bible.

We, Message Ministers, can't become like that because we recognize our Day, we recognize our Message; we recognize our Messenger. We know the Seventh Angel Messenger. The Mystery is going to be finished. We know when he is on the earth, the mighty Angel, Jesus Christ... The same One in the form of the Lamb Who took the Book out of the hand of God, one Actor playing many parts, He en morphe (that's right) into the mighty Angel. The Book wasn't changing hands, the One Who was holding the Book was changing form. From the Lamb, He changed form into the mighty Angel and He was descending now. The Book was leaving Heaven and coming back to the earth and this One Who was coming down, is Christ Himself. And when He was descending, the Seventh Angel was on the earth at that time.

When the chief reaper was on the earth and Boaz was coming, the kinsman redeemer who had the Book of redemption, who paid the redemption price, he came straight to one man in the field. The chief reaper was there, Naomi was back in the homeland, Ruth, the Moabitess, had come in together when Naomi was coming back, (glory,) and here was Boaz, the one who was born in Bethlehem, who was of the tribe of Judah, the kinsman redeemer, he was coming.

And in that time and season, it was harvest time when the wheat and the tares were matured. That is the end of the world when you have to separate the Wheat from the tares. And the ecumenical move will bind the tares, but the Bride will be gathered together under the sounding of that Chief Reaper.

Revelation 10:1 was coming to Revelation 10:7. Boaz, the Kinsman Redeemer, the One Who has the Title Deed, the One Who paid the Redemption price, the One Who purchased the names in that Book by His Own Blood, the One Who sent back His Own Life, He was coming, and He was coming directly to that one Messenger there – that's His Prophet. That's right.

And then here in the field, he introduced Ruth to Boaz. Oh, my! And that moved them into union. And through that union, Ruth received seed from Boaz. Glory! And then Obed was formed inside there. And then the time came, she passed that baby to Naomi – this very same Message, this very same thing that brought Life to us, this very same Word, this very same Seed, same water baptism, same Holy Ghost; same names in another section of the same Book.

When we look and we see these things, we realize, this... Watch these pictures in the Book. We are at Harvest Time. In the ecumenical move, everybody has gone back to Rome, all the daughters. The Beast and the image, out of those nations... Because they...

I'm sure you all know about 'the Abraham Accords,'; you read about 'the Abraham Accords'. If you are not familiar with it, just look it up: 'The Abraham Accords'. It is where the Pope went out and he had gone to all those Arab nations and they are coming together. Because it's not just Catholics and Protestants. No. It's Buddhists, it's Islam, it's all those different nations, they are bringing them together in the ecumenical move, uniting them together. They are coming out with their new Bible just now. That's right. Because they are going forth for world peace (see?) in a New World order:

one world religion, one world economy; one world government. This is the plan.

White horse, he rode all the way. Started forth with a perverted word – a bow and no arrow, antichrist spirit, but he rode all the way to the end. Then the red horse, the rider with the sword. It's the same rider, not different riders; one rider, and then he had the sword taking peace from the earth: bloodshed, war, religious influence, killing them with religion; the sword killing them, shedding their blood, bloodshed, wars in the earth. Then the resources for trade and commerce, the economics in the world – your Third Seal. That's right. So from the white to the red to the black. Then these powers in the earth are united by communication, the information revolution – the global communication networks that unite the whole world together. That's right.

Look at us, we as Message Ministers, we are united together. We sit down here in fellowship around the prophecy. We are watching the Beast, we are seeing the image, we are seeing Israel, we are seeing Rome, we are seeing the United States, we are seeing Russia, the kings of the East, we are seeing them all in the drama. But the reason we can see that, is because we got Eyesalve.

Because this is a blind Age. The Gentile world is blind, wretched, naked, miserable and don't know it. The Jewish world is blind (that's right,) until Moses and Elijah come; then their eyes are going to be opened. They have all kinds of rabbis talking all kinds of things, all kinds of Jewish fables, until you see some Message people, they go and they get a shawl with that Star of David, all those different things.

The Star of David is your Husband, if you are Bride. The Star of David is Jesus. If you go into Jewish mythology and all these kinds of different things and you are walking with your shawl over you and you are playing all this kind... Did you ever see the Prophet do

that? You never saw the Prophet do that. But all of that is to look attractive.

“And God’s people are the Jews and they are so holy.” You are only holy if you have the Holy Ghost. If you don’t have the Holy Ghost, you are not holy. It doesn’t have any holy building, holy church, holy temple, holy mountain; holy land. It doesn’t have any holy land. If it is a holy land, do you think you will have the biggest gay pride there in the world? If they are so holy and by the Wall praying all day and then they are having all that there, and you see the kind of hatred, and the violence and all these different things, killing children, blowing up places and everything else? Because, “We are Abraham’s seed.” Yeah, Ishmael too, Midian and his brothers and them too; Isaac too.

Isaac produced the Jewish nation, and when God came, Isaac’s descendants, they turned around and called Him Beelzebub. They killed Him. They joined with the Roman power to reject Him – the Jewish race. He said, “Well did Isaiah speak of you – having eyes you can’t see. You are blind.” They are blind up to today. Only 144,000 are to receive the Holy Ghost and their eyes will be opened; they will recognize Joseph, which is Christ: “Where did You get those wounds from?” And then they are going to realize, “Oh God, You were the Messiah all along and we are in all our rabbi business.”

That is the parallel to our denominational Age, a bunch of Reformers. Everybody has... There’s a thousand interpretations and one Bible. That is what the Jews have there: all those rabbis, thousands of interpretations and every man sees this and different—Ashkenazi Jews, this other kind of Jew, this Jew here, Russian Jews, Iranian Jews, all kinds of Jews; Jews coming back in the land.

Come on, let’s read the Bible in the real way. Because Paul said, “All Israel is not Israel”; only they who were considered in the election. And Paul gave the illustration: “Jacob have I loved, Esau have I hated” –

same father; same mother. He said, “But the purpose of God is according to election.” That’s right.

Gentiles too. Why do we know what we know? Why didn’t we get lost in denomination? The election of God. He put something in us to hear His Word. “He that heareth My Word and believeth on Him that sent Me, will not come into condemnation but have passed from death unto Life.” And that ‘hearing’ means ‘to understand’. He said “Why can’t you understand My speech?” But God gave us something to understand His speech because a Prophet is the mouthpiece of God and God was speaking through His Prophet.

And all these men who went into the seminaries, got their Bible school training like all these rabbis who go in their rabbinical seminary and got all the rabbinical teaching, are all wrong. From the time Moses and Elijah appear on the scene, all of that is wrong. They will wake up and realize, “We had all these great denominations; looked so great.” From the time that Book was put in Elijah’s hand and he began to open and started to show you your Day, started to show you your promise, started to show you your prophecy, started to show you your Church Age, how the Church came, what She is today, all denominations came together to reject them – religious, political Christians.

Same way we have religious, political Jews who will reject Moses and Elijah, and all those rabbis who will reject Moses and Elijah. Like all those Ministers with their envy and jealousy, they said, “Come on, man, you were sent to pray for the sick, not to teach. Leave the teaching to us. You don’t even have a Bible degree; you can’t even read the Scriptures properly.” Only he and Paul preached the Bible that way. Glory.

So when we look and see, what world is it? What world is it? What is happening around us? What is happening in the world? What are we looking at from a distance? What are we viewing through the fourth dimension where we can see and we can hear and then

we have the Bible and we can check that and put it in the Bible and see where it fits? And if we can't find any place in There, then what is the source of where it is coming from? Who is prophesied to deceive the whole world in this Day? That's right.

An Elect group. As it was in the days of Noah, as it was in the days of Lot, so it shall be. All those conditions are back here and God has an Elect people, that God put something in them to hear. I have heard by the hearing of my ear but now with my eyes, (not these two balls here; eyes of understanding, enlightenment,) I can see. I can see clearly now. Because the Eyesalve, that Anointing, it is to anoint the eye. It is an Anointing.

“Lord, open the boy's eyes,” Elisha said, and the boy's eyes came open. He started to see in another dimension. He started to understand the power and influence that was keeping them safe. And they couldn't touch them. Gehazi didn't know that. He wanted to run for his life because he was living in the humanistic realm. That unseen realm, Elisha who walked close with Elijah, was taught seven dimensions, was taught the other world, the unseen world, so Elisha moved in a channel.

But Gehazi, he was telling stories about the prophet. He said, “You never heard how he challenged those Jezebel prophets? And you never heard how he had Supernatural experiences and the dead were raised under his ministry?”

Say, “Oh, my!”

And he was telling all the stories about the prophet. And people like to hear those stories about the Prophet but fail to understand why he was sent; why a Prophet was needed.

Go in the Bible; see if God sends a prophet when one is not needed. You can't find it. A prophet only comes on the scene when one is needed. Because he is not a theologian, he is not just some little evangelist or something, he is not just going to bring some little mental teaching; he is the mouthpiece of God and the

Spirit of God speaks through him, that without discernment, people could think it is the man but it is really God's Spirit speaking through the prophet. And the Spirit and the Bride, and She, under Her Messenger, is the Final Voice to the Final Age.

Okay. We are winding up here. I am coming right back to read a few more verses out of Zechariah 12. Jerusalem, a cup of trembling; a burdensome stone. Look at God giving this description through Zechariah. And as God gives this description, Jerusalem is the focus.

All the Jews and all the Zionists are looking for the third temple: "The third temple!" They have all the stones cut out already. They have all the clothing for the Levitical priests already there. They have all the musical instruments that they had in the temple worship; they made them. They have all of this there already. They are breeding the red heifers, so they can have their sacrificial worship and these things. And they are all ready because they said, "We were brought back to the land for this."

It's a bunch of blind people talking. They do not know the New Testament. They don't believe in It. And because they don't believe in It and they don't have the Holy Spirit, they are under the law of Moses. And all those years their ancestors and they, the descendants, are holding on to Moses' law for righteousness. "Israel, having a zeal for God," Paul said, "not having a knowledge of God's righteousness, went forth and tried to establish their own righteousness" – Romans 10 and 11.

And Paul, when he wrote the Book of Hebrews, he wrote that—he called it Hebrews because it was written specially for the Jews though he was a messenger to the Gentiles. And it was designed to show the Jews, the whole rabbinical system, the whole sacrificial system, the whole temple system that they have, is shadow; it

had no salvation in it. It wasn't given for that because it was going to take a Saviour to bring salvation.

Animal blood cannot bring salvation. Animal blood has animal life and man is a higher being than animal. Man was made in God's image and likeness, not animal. So, they hold on to that natural system. But the Book of Hebrews shows to us the temple. "The most High doesn't dwell in tabernacles made with hands. Know you not you are the temple of the Living God?"

So as beautiful as Solomon temple was, as glorious as it was, as much as Rome wants it and the man of sin wants to sit in there and be worshiped and the kings of the earth will be bringing their glory like they did in the days of Solomon for this one here and he will be calling himself the Messiah sitting there, it is not going to happen. Why? Because they are living a lie. A lie is the Truth perverted. They read the Truth but they don't understand that that Truth there, was a shadow so you could understand something about the Messiah when He comes: what He will do, what tribe He is going to come from; how you are going to identify Him. All these things were put there.

So when we look there and we see, Jesus was the Temple, not what Ezra and Zerubbabel and them built. That was just a temporary place. God said, "What house will you build Me? Heaven is My Throne; earth is My footstool. The most High doesn't dwell in those kinds of things." And that is what Stephen came and said too: "Solomon built Him a temple but the most High doesn't..." God asked them, "What did you build this for Me for?" Yes, He indwelt it and the people worshiped and all these different things. But God created man so man can be the temple of His rest. I'm quoting directly from the *Seven Church Ages* book. Man was created to be the temple of God's rest. [An Exposition Of The Seven Church Ages - Ephesian Church Age, Cpt.3 -Ed.]

That was why Paul speaking back there: "Know you not, you are the temple of the Living God?" See? God

said, “I will dwell in you and I will walk in you and I will be your God and you shall be My people.” Christ, walking in our feet, believing with our heart, speaking through our lips; thinking with our mind. Every move we make is reflecting the Living God Who lives in us; Who lives in His people.

That was why on the Day of Pentecost, the Holy Ghost came down upon the people. The priests and them were burning the bread made with leaven. That was a shadow of the people who were born in sin by a sex birth, now getting a New Birth, becoming partakers of a new nature and now Christ was going to be living in them. When they brought the bread in the communion, Jesus said, “This is My body which is to be broken and this wine represents My Blood.”

It was a symbol. So it was all shadow. There were Truths that were symbolized in this way. Just like Daniel is a Book of symbols; Revelation is a Book of symbols. It is Truths symbolized, encrypted, and it takes the Spirit of wisdom and revelation in the knowledge of Jesus Christ, what we call ‘the opening of the Word’. Because the Word was sealed. It’s not that it had straps on It; by the way It was spoken, It was sealed. And how was It opened? By the way It was spoken. It’s such a great thing to see.

³ And in that day [verse 3] will I make Jerusalem a burdensome stone for all people: all that burden themselves with it...

As I say, what is it about Jerusalem? That is where Satan wants to sit in the temple and be worshiped as God – in Mount Zion, in the glorious land where he will set up his palace, his tabernacle. Not in Italy, Rome. No, over there. Because he said, “I will be like God. I will be worshiped like God. I will sit above the stars of God.”

He is an impersonator. He wants to be like God but he doesn’t have God’s nature; he doesn’t have God’s Life. He is proud. He is arrogant. He is the father of lies. He was a murderer from the beginning but he wants to

be like God. He wants worship. And the Bible said, “And the whole world will worship him, whose names are not written in the Lamb’s Book of Life,” because they were not in the election and calling; they were not chosen in Christ before the foundation of the world. They are vessels of wrath fitted for destruction, not vessels of mercy

Because God’s judgment is as righteous as His salvation. We are saved by judgment. When they killed that lamb, it was so the man didn’t have to die. It was the man’s sins that were being transferred on the lamb so the lamb could get killed and the man now, could walk away justified. But the problem was, next year he had to bring another lamb. But by the real Lamb, once and for all, He perfected forever, them that are sanctified by one sacrifice.

So when we look in this Day, America doesn’t want Jerusalem. And the Vatican says, “Ishmael came from Abraham. The Christians...” Jesus was Abraham’s Son, faith Son, so we are entitled to be there too. So when you look at the different ones, the Jews say Abraham is their father: Isaac, Ishmael and then the Christians. So you have all these Ishmaelites, all these Egyptians and Arabians and them, you have all of these denominational Christians – everybody is making a claim.

But Abraham’s Seed is who came out from Jesus because Jesus is the faith Seed. And through Jesus came the Holy Ghost. And the Holy Ghost comes upon the red man, black man, white man, yellow man, irregardless of language; irregardless of race. It has nothing to do with color. It doesn’t even have anything to do with gender because in Christ, a woman receives the Holy Ghost the same way and is sealed unto the day of her redemption.

So when we look and see, these people, their anointing, what is coming in them, they are thinking they are in a great cause. But these are people without

the Holy Spirit; without the New Birth. These are children of Lucifer. These are the tares, that the ecumenical move will bind the tares. Whether you are Buddhist, whether you are Hindu, whether you are Mohammedan, whether they are Christians, whether it is Baptist, whether it is Jehovah's Witnesses or Seventh-day Adventist, it is the tares. The ecumenical move will bind the tares. At Harvest Time, He separated already. That's right.

The Bride, the Wheat, is going through a threshing. After it is reaped, it must be threshed and then be garnered. Reaping, threshing and garnering. Under the threshing, it is the separating of the Seed from the shuck. The Seed shall not be heir with the shuck. Listen to the teaching of the Prophet. And the ripened, matured, golden Grain who ripened in the Presence of the Son, the fullest strength of the Sonlight...

Before that, they grew under the showers of the teaching Rain, the Former Rain. That's right. From the teaching Rain, then they got the outpouring of the Latter Rain to bring the thing to maturity and then fully ripened under the Presence of the Son. And that Son is the Light of the risen Son. And that Light has come forth to us as the revealed Word Message of this Hour with the Quickening Power of the Holy Spirit in this elected people.

I think these things have been made clear tonight. I came... Did you see how I started? And I said I'm just talking to you just to get adjusted a little bit because I knew, "Where are you going to start from? I don't want to go into information, and *CNN* and *BBC* and *FOX NEWS* and so and so and what they said now." No, no, no. We are looking at the nations in prophecy to tell us what time it is; to tell us when the Bride will have to leave. Just like...

We wouldn't see that covenant made between Rome and the Jews. That is going to happen after the Bride goes. So, she is still playing out her deception. That is

when she is tying up everything in Jerusalem. That is where he is going to get into the place and sit there and be worshiped as God.

Because those political Jews and those religious Jews are who they already have in their pocket. Remember, a big part of Jerusalem is controlled by the Vatican. Most of the Christian places: where they had the supper, where the Holy Ghost came, where Mary was by the well, all those places you go, you only go... If you have a trip to Israel, you go and you see all the Christian sites and the holy places. They carry you on Mount Carmel too where Elijah was and where the great showdown came and all those places.

When we say 'holy land', we have an understanding, we are not talking about the piece of geography. The Prophet said, "What holy mountain?" He said, "It's not any holy mountain, any holy land; it is the holy God Who came down on the mountain. It is the holy God Who walked in the land."

This is all it takes from the Devil – just one little thing just to push you at a side and next thing after a little while, you are in a false teaching; you have a false concept of the reality. You have the biggest gay pride in the world, you have so much lasciviousness and different things here. In the 'holy land'; the holy people?

Remember, it is all human... Cain was a human being. He was a little differently constructed; different components from Abel but they were twins. Remember, when you go to Isaac and Rebekah bringing forth Esau and Jacob: same blood, same mother, same father, same everything; same time they were born too.

So that's why doctrinally, we have to be clear, line upon line, precept upon precept; here a little and there a little. Not people taking this and putting this and mixing that together and coming out with a molotov cocktail. No. Christ is revealed in His Own Word. Christ is the Mystery of God that was sealed with Seven Seals now revealed; unsealed to us. The unveiling of God – the

veil was taken off of Him. We know who He is, what He is, we know His plan, we know His promises; we know the Day and time. Why? That is what the opening of the Seven Seals was all about.

That was why it was necessary in God's plan to bring a Prophet at the end of the Laodicean Age. That was the end of the Gentile Age. We had a Moses and we had an Elijah – both ministries. Out of Moses, we came out of the bondage of man's system, where they were enslaved, but coming out according to a prophecy in the fourth generation: "I will come down and I will take them out and I will bring them back here." In Elijah's time when the Jezebel system came in and took the whole nation into idolatry and at the time of the evening sacrifice, Elijah was on the scene to turn the hearts of the children back to the faith of the fathers, to take them back to the original Word that the Exodus prophet had brought there, in an hour of restoration.

They had a Moses and Elijah; we had a Moses and Elijah here the same way; the two offices and also the Ministry of Christ; the Ministry of Jesus Christ reincarnated to reveal the Son of Man to Gentiles. Jesus came to Abraham; showed the sign. He came to the Jews; showed the sign but He had never come to Gentiles. Even the Samaritan, He showed the sign to the woman at the well: "You have five husbands" and these things.

But when He came to Gentiles, it was promised: "The Son of Man shall be revealed in a Day like Sodom when the fig tree is putting forth its bud in the last days." All the End Time settings are there to show these things and that's why we know the continuity. The Spirit and the Bride; the Spirit, speaking through the Bride. And the Bride knows it is He in Her fulfilling His Own Word, which He has left for this time. And the same harmony that existed between the Father and the Son, must now exist between the Bridegroom and the Bride; that same harmony.

That's why there is to be a unity, the uniting time, where the Bride members, a Spirit-filled people, whom the Evening Message loosed the Holy Ghost to. The Sonlight's coming across the earth and where those Seeds are, the Quickening Power in the Light of the risen Son, is quickening the Seeds in the earth. All of us: Brazilian earth, Caribbean earth, African earth, Indian earth, European earth, where the Seeds were, the Light was coming from East to West and then goes back to the East, quickening all the Seeds in the last days. Because the others are sealed until the Day of Redemption but the little group of the true Seed in the last days, when this comes to perfection, it will bring the others. And He made us co-workers with Himself to finish the great commission; to finish the plan of Redemption.

So, there is a portion of the Word here of this third temple. All of this move, this is what the Jews have in their minds. Because they are blind, because they are trying to go back to their temple worship that they had when Jesus was on earth and go back to when they had it there in the time of Jeremiah and Ezekiel and them. They want to go back to their temple worship. That was why Jesus told the woman, He said, "It is not the Jews on their holy mountain and you, Samaritans, here." He said, "Now you have to worship God in Spirit and Truth." Because the Truth Himself had come and opened the Truth. And when the Truth was opened, that was shadow.

That's why nobody went to Heaven during that time; they were in Paradise. They had to wait until the Blood of the Lamb was shed, the Kinsman Redeemer, the real Lamb; the Lamb of God that takest away the sins of the world. See? John didn't baptize for the remission of sins and the animal sacrifice couldn't remit sin; it only covered sin. But the Lamb of God came to take away sin and that Redemption price was paid at Calvary.

And while they were holding on to their animal sacrifice in the Passover and all these things, their Jewish traditions, the real Lamb was there between Heaven and earth, what Job was asking for – somebody that would hold God with one hand and man with the next hand, slay the enmity and bring reconciliation and re-establish peace. The God of peace will bring the peace of God, the peace that passeth all understanding, in the lives of the elected ones that were considered in Redemption.

So when we are looking from this angle, we are not looking through the fourth dimension because we are aligned with the Seventh Dimension. The Holy Spirit, the Spirit of Truth, will come to you, bring back the things to remembrance, teach you all things, show you the things to come; make His abode with you. Who is that? Jesus in the form of the Holy Spirit.

He said, “God took the man part, the glorified body... When it ascended, nobody hasn’t seen it yet. The next time that body will touch earth, is in Zechariah 14, when this great war in Jerusalem, when that man of sin sets up himself, when that whole place is deceived, when He comes to fight for His people, His elected ones, when He unveils Himself to them and they see the wounds: “Where did You get that?” And they will realize, just like Joseph to his brothers, which was the type.

So, where we are looking from... Our Word is coming from Above. “The world will not see Me but you will see Me. I will come to you; I will manifest Myself to you.” That is not for denomination. That is He and... The Head and the Body are no longer twain. The Headship has come to the Body and the Secret in the back-part of God’s Mind, is put in the heart of the Bride. And the Bride now, has the Intelligence, the Mind of Christ and She knows what He wants done with the Word. Because through Her, the plan of Redemption for Gentiles is being finished up, to bring on the Resurrection and the Translation.

And that is where God... This, what we are having here, I do not know how many people in different parts of the world are doing that. But you all are Ministers just like myself and we are people that love this Message, love this Word and we realize what we need is revelation. The Prophet said, "A mystery requires the teaching of the Spirit otherwise it is never made clear." He said, "We don't need a new Bible, we don't need a new translation; what we need is a fresh revelation."

And in fellowship like this where there is no argument and debate and sword-fighting, just like God had those people in one mind and one accord and like those in Berea, might have heard things a little differently but they searched the Scriptures and saw whether these things be so. And when they found it was so, they knew like Hattie Wright, "That's nothing but the truth."

I am going to close up here. These sessions, I am just going as the Spirit directs but I am trusting, this third portion that we took here... Read Zechariah 12 to 14, the last three chapters. It starts with these people with the burden for Jerusalem, all the way until Jesus comes back on the Mount of Olives and Armageddon. It's right inside of there.

Then on the other side, in Daniel, read Daniel chapters 10 to 12. Daniel 10 to 12 is the closing vision of the Book of Daniel. It is one vision. And in there you are going to see all the same things: with the wars... And also, Ezekiel 38—well from 36 to 39, where God is bringing the Jews back to their own homeland and where God is going to give them a new heart and a new spirit and pour His Spirit in them. And that's the elected 144,000.

Because, how do we know that? They were no longer on Mount Sinai; they were on Mount Zion. And the Name, the Father's Name, was sealed in their foreheads and your 'forehead' is your '*revelation*', and that was the Name of the Lord Jesus Christ. The Name that was

written on His Thigh is revealed in the Book and is in the foreheads of the elected ones.

‘Thigh’ is a euphemism. Not like ‘tie’ you tie with. ‘Thigh’ – *‘the seat of procreative power’*. ‘Thigh’ is a euphemism for ‘loins’. ‘Loins’ is the raw word. That is where the reproductive organs are, where the seed, the sperm is, to bring forth children. And every man’s seed is in his own loins. Every man’s family is in his loins. I can’t give birth to Bro. Samuel’s family, neither could Bro. Julio give birth to Bro. Ever’s family. No. Every seed that comes from the loins of the progenitor, the father, they will have the same DNA to show, “That is his son. That is a seed from his loins.”

God’s Loins is His Mind where the Eternal thoughts of God are, where the Lamb’s Book was in His Mind: every name, every one of us; every picture of each one of us. That is God’s Loins – the Eternal Thoughts. The Bride was part of that Eternal Thoughts in the Mind of God. And God expressed them in time and season: a portion here, a portion there; when to bring us.

We came in this Age but we were chosen back there when His works were finished before the foundation of the world. Before there was an angel, before there was an atom or a molecule, that work was finished. He had thought out everything. He had fixed everything how it was going to be.

And then in time and season He began to speak and it was no longer thoughts; thoughts were now becoming Word. And Word, Spoken Word, was becoming manifestation. And in that manifestation, there is identification because God is identified by His Own characteristics. That is why you could see the resemblance of Father and Son. That is why Ephesians 3:14 and 15, It tells us, “The Family in Heaven and the Family on earth is named after the Lord Jesus Christ.”

So, when we look and see, those Seeds that were in His Loins and those children, those Seed children to be expressed in their designated time and season, were

coming in an Age where they had the potentials to operate the part of the Word that was allotted for that Age.

That was why the Reformers could not operate the prophetic part of the Word – because the fullness of the Word was not restored yet in the denominational Age. In the Alpha Age, Paul and them brought the full Doctrine. Then the antichrist spirit came; then the locust, the palmerworm, the cankerworm, caterpillar, started to eat down that Word. Then Luther, Wesley and Pentecost are stalk, tassel and shuck; not Grain. That is... The plant was growing but at the end, it was going to come back to Seed. All the life in the stalk, all the life in tassel, all the life in the shuck, would now be gathered in the Grain. And that was Harvest Time and that is the Age we are in.

And that is why in this time and season here, God's Ministers are God-called, God-trained men to carry this Message; humble shepherds; unqualified speakers. We are not eloquent like the people in the denomination and, you know, learned English and how to pronounce, like the Prophet, but hastening with the key Message of the Bible – the greatest Message ever.

Because this last Day Message opened up the whole Bible. And the entire Bible is the expression of one goal and one purpose that God had in the back-part of His Mind. And all the lives and acts of believers, are expressing one goal and one purpose. And this Bible is a Title Deed for the names of the Family, the Seed Genes of God, God's Eternal attribute sons and daughters who came from the Mind of God; the Loins of God.

And they have been expressed and that Title Deed is given back: "Take the Book, John." That comes in-between the Gentile Prophet, Revelation 10:7, and the two Jewish prophets, Revelation 11:3. The Gentile Prophet left December the 24th 1965, fifty-eight years ago. The two Jewish prophets are yet to come. They only have three and a half years, one thousand two hundred

and threescore days: time, times and half a time, forty-two months; three and a half years. It is all speaking of that same allotted portion of time. And we have had fifty-eight years here, and they have been back in their homeland.

When the fig tree started to put forth its buds after World War II, and God sent His Prophet out with a healing ministry to attract the attention of the people, the signs to get their attention, then the Voice of the sign could speak and open the Bible to bring forth the Mystery Truths to turn the hearts of the children back to the faith of the fathers to show them how to prepare for great Translation faith, to bring them to a sin-free Church, a Church in the very image and likeness of Jesus Christ, a glorious Church without spot or without wrinkle.

So, that is where we are at. And this thing that is happening here... If you consider the Scriptures that I quoted for you, in There you are going to find the pieces. Because in Daniel, Revelation, Zechariah, even Amos and some of those places, Isaiah, you will find different things. But especially the events that are already in motion and the nations identities that are the players in this present season, in the Scripture, the Spirit of Truth will come to you. For time's sake tonight... Because it has been a great progress, I believe, of the Truth. And I think a Trumpet has a certain sound. And the Truth of the Scriptures, line upon line, precept upon precept, and to see the things that are prophesied there...

We are not caught up in all this Jewish fable and all this Jewish ignorance that people get carried away with Israel. They have millions of Jews there right now, over twelve million Jews, but it is 144,000 getting the Holy Ghost, the Father's Name, sealed in their foreheads. Because they came from the Loins like we came from the Loins and that is why we recognize our Prophet, our Moses and Elijah, in our Eagle Age; they will recognize they are in an Eagle Age too.

Because all these years since Jesus and Paul in the early days spoke to the fathers and they disbelieved, they were blinded. From that time, they only had rabbis, synagogues, up till this Day. That is all they know. And those rabbis themselves don't have the Holy Ghost; they have one birth.

Let me tell you, to preach this Word only having the sex birth, it means to say you only have an outside teacher and the outside teacher himself doesn't have any Inside Teacher. The Holy Ghost is the Inside Teacher. Flesh and blood cannot reveal it.

Do you see how the Scripture is? Watch how the Holy Spirit just speaks and those Scriptures just come like that. It takes the Holy Spirit, the Inside Teacher, the Spirit of Truth. "Dove leading Eagle, my next message," he said, "leading them out of this world, out of this science civilization back to a faith civilization; out of this temporal world to an Eternal World."

So, God bless you, my brothers. I get excited when I... I feel the love, I feel the faith and I enjoy myself especially when I come in your presence and I feel the Spirit is giving me an unction and an utterance to break down the Word. Because it doesn't be me. I cannot think all of this, but a gift is, coming out of the way. And where two or three are gathered in His Name He is always in the midst. Whether it was Bro. Samuel speaking, whether it was Bro. Julio speaking, Bro. Ever, all these men are Spirit-filled men and whatever they will speak, is what God will want them to say.

When a man has the Holy Spirit in his life, he is being taught continually. Because the Spirit is not just residing there. No. He is bringing back things to remembrance, He is teaching all things, He is showing you things to come, when the Spirit of Truth comes. He is making His abode with us. He is the Author and Finisher. And all that scattered Word, He brings it together and He brings twelve hundred pieces of the Jigsaw Puzzle and makes it one picture.

So, I trust it has been some food for thought. And the great thing is, all of this is recorded and everybody has access to the recording, so you can sit in your own time, stop it, open your Bible, go back in the things the Prophet said and I am sure He is going to put the things together.

But this is an Age where all these intellectual voices of denomination, of Zionist Christians, of all these kinds of people who just get carried away with the 'holy land', what they call the 'holy land', not the holy God; the 'holy land' and who thinks 'liking Israel'. And remember, these people do not know who Jesus Christ is.

These rabbis ridicule that, like we Christians are a bunch of blind people. Do you know why? When they talk to these denominational Ministers, they realize they don't even know the Old Testament much more to know the New Testament. Most denominational Ministers, they do not know anything about the Old Testament. So when they meet the Jew, the Jew gives them education: quotes Isaiah, quotes Moses, quotes Samuel, quotes Jeremiah, quotes Haggai, and they don't know where those Scriptures are and Jews watch them as duncy.

And they are trying to tell a Jew about Jesus and they do now know how to present Jehovah of the Old Testament: what was the plan, what is Redemption, (that's right,) what Isaiah taught, why they could kill Isaiah and saw him asunder, why they could take Jeremiah and put him down in a prison, why they wanted to hunt down Elijah to kill him and Jehoram wanted to kill Elijah and see how Jews dealt with their prophets. And Jesus said, "You killed and stoned all the prophets that were sent to you all." That's right. That's right.

So, the thing is when we see these things, you know, you realize that God has been gracious because the Bible that was sealed, is opened in our Day and the Mystery is finished. And as we are on a need-to-know basis, God reveals to you, things, when you need to

know it because the Teacher is on the inside, not on the outside.

That's why many of this, in speaking, your spirit bears witness with it. It might be some things you never studied but when God gives the grace to present it in a certain way, immediately, you start to see you can make connections. So it is not me teaching something; it is you sitting there and you never read that but you know part of this and you didn't look into this deeply enough but then as the picture starts to form, you start to realize it's a certain perspective, it's a certain angle you need to be watching at through one straight line of Scripture.

Because notice, when we are speaking, it is Scripture, Scripture, Scripture, Scripture, Scripture, Scripture; Message, Message, Message, Message and Scripture, showing you, the Message and the Scripture is the same. And as we give ourselves more to these things, we are going to see a people being made ready; we are going to see a sin-free Church coming into existence because it has to be that before we leave.

That is why the Prophet said, "The days of Ananias and Sapphira are going to come back," because they lived and walked in that realm of the Supernatural in that first Age. They had healings, they had resurrections, they had translations; they had five office gifts, they had nine spiritual gifts operating. They were a living organism and so, the Bride is a living organism also, and Alpha and Omega is the same. Seed comes back to Seed.

So praise the Lord. God bless you. I think I overdid myself but God renews the strength. Amen. Praise the Lord. Gonzalo! Bro. Samuel, over to you, kind sir.
