[#126 - Songs That Live -Ed.]

I dare not trust...

*I dare not trust the sweetest frame,
But wholly lean on Jesus' Name.
On Christ the solid Rock I stand;
All other ground is sinking sand,
All other ground is sinking sand.*

Oh, let us sing, His oath, His covenant, His Blood...

*His oath, His covenant, His Blood,
Support me in that whelming flood
...whelming flood;*

When all around my soul gives way,
*...my soul give way,
He then is all my hope and stay.*

On Christ the solid Rock

*...solid Rock I stand;
All other ground is sinking sand,
All other ground is sinking sand.*

That is the revelation of the Word, the infallible Word of Almighty God, the Absolute. Heaven and earth will pass away, but that Word will never pass away. "Upon this Rock I will build My Church," He said, "and the gates of Hell shall not prevail against it." Isn't that a wonderful thing in these shaking times? The Bible says, "Everything that could be shaken will be shaken off, but we have received a Kingdom... but we have received a

Kingdom that cannot be removed.” Amen. On Christ the solid Rock I stand; all other ground is sinking sand.

What a blessed privilege, we could even come and have this dedication this morning to dedicate these little children. We don't come to christen them, that is sinking sand. That's shifting sands of man's theology but we have the Bible. They brought them to the Lord, Jesus Christ, He laid His hands upon them and blessed them. That's the Old Testament and the New Testament: Joseph brought his sons that Jacob might lay his hand upon them and bless them. Hannah brought little Samuel that Eli might take him and bless him. And isn't it good to know that we still have the Bible Truth on these Things?

Some of us were not so privileged, because our parents were caught up in that superstition of man-made traditions, but God in the last days, brought us back to the Bible, even to the simplest things (amen), and that is the confidence we have. When we see God did something in the Bible, and He puts it there as an example for us, and we approach God in the same manner, upon the basis of the same Word, He is obligated to give the same results. Is that right? Amen! That's why the Bible says, “I'm God and I change not. Jesus Christ, the same yesterday, and today, and forever. Amen.

We are happy for Bro. Raymond and Sis. Karen [Cuffy - Ed.] Amen! God gave them a beautiful little girl, and they call her Faith Pearl Margaret. Amen. Praise His wonderful Name. And to know that Satan tried to bring a little fight there but both parents, and the baby are well and God is here to receive this little child in dedication this morning. We are very happy for that by the grace of God. Amen? Also, we have Bro. Cedric Sharpe and his wife. They have a little girl. The brother came in among us in recent times to fellowship, and he has a little girl here that needs to be dedicated, little Joanna, by the grace of God.

So let us just read the Scripture and dedicate these children for the glory of God. The Bible says,

*³ Lo, children are an heritage of the LORD:
and the fruit of the womb is his reward.*

*⁴ As arrows are in the hand of a mighty
man; so are children of one's youth.*

*⁵ Happy is the man that hath his quiver
full of them: [amen] they shall not be
ashamed, but they shall speak with the
enemies in the gate. [Psalm 127 -Ed.]*

*¹ Blessed is every one that feareth the
LORD; that walketh in his ways.*

*² For thou shalt eat the labour of thine
hands: happy shalt thou be, and it shall be
well with thee.*

*³ Thy wife shall be as a fruitful vine by the
sides of thine house: thy children like olive
plants round about thy table.*

*⁴ Behold, that thus shall the man be
blessed who feareth the LORD. [Psalm 128 -Ed.]*

Blessed be His wonderful Name. Gracious Lord Jesus, we are thankful this morning, Lord, with joy in our hearts to approach Your great Presence, because You have blessed our brother and his dear wife. Dear God, when we think of their dedicated labors of love and service to the Body of Christ, Lord, we rejoice in that You have given them good things and dear God, to know You stood by them in that time of trial when little Faith was born, and You brought her safely through. Today, the parents come with her for dedication and Lord we are thankful that, God, You know how to bless Your children, You know how to provide for them, You know how to lead them into deeper faith, and dear God even through the experience, they have called this love gift that You have given unto them, Faith Pearl Margaret, and Lord Jesus, we look to You now Father, the Giver of every good and perfect gift, in whom there is no

variableness or shadow of turning. Great is Your faithfulness.

We bring little Faith Pearl Margaret before You for dedication. God we pray that You would bless her, You would give her health and strength, Lord, she will be, under Your watchful care, she will be in Your place of perfect safety, Your place of security dear God, Father, for that is where we bring her and place her this morning, under the shelter of the Blood of our Lord Jesus Christ. And we pray, dear God, that as she will grow under the instruction and the teaching of her parents, Lord God, that she will grow up in the way of the Lord, Lord Jesus, knowing that it is the first born, Father. And dear God, our brother and his dear wife, now, as newborn parents themselves, Lord, with the responsibility to raise this little darling that You have given unto them, we pray, Lord, that You would so strengthen them, and God, the equipment, Lord that You put in them, You would cultivate it, Lord, and they would enter into this vocation of parenthood, and Lord God, under Your Divine leadership and direction to raise little Faith for the honor and glory of the Lord, Jesus Christ.

Inspire them, oh Lord, let them have that eye to see, God, what You have blessed her with, how You have designed her, how you have equipped her Lord. And may, through the inspiration of Your Holy Spirit, that they will raise her to honor You, to fear Your Name, and to be a great blessing in Your Kingdom. Grant it we ask. We dedicate her now unto You for a life of service, in the precious, lovely Name of Jesus Christ our Lord. Amen. Amen.

Gracious Father, we thank dear God, for Your tender mercies, reaching down Your hand in this late Hour. You turned our brother around with his family, God, to walk in the way of Truth that was forsaken, Father. And dear God with the desire to be fully restored and to see Your Word be fulfilled in his life, and knowing dear God,

there are adjustments to make, dear God, and Lord, things to be set in order, we know that You are faithful, You are the God Who said, "I will restore, saith the Lord," and God may You build them up strong, Father, in such a way that they would stand and be able to face the challenges of this Hour. And dear God, through the victorious overcoming faith that we ask that You will reveal in their hearts, that they will be able to walk in victory having all things under their feet, oh God, that their lives will shine forth with the glory of God. And dear God, that You will make them, Father, a Light in the community where You have placed them, oh God.

And dear God, they will be able to take their place in the house of God as a post of duty, Father, and be able to stand, Lord, God, and be an example to all believers in all manner of doctrine, conversion and purity. May You grant it, oh God. May You bless them, Father, in every way and may You strengthen them oh God, and may You provide and supply their every need and give them the faith, and the courage, oh God, to walk in all of Your revealed will.

Father we pray now, for little Joanna, asking, oh God, that as we bring her to dedication to You that You will receive this little child. May Your blessings be upon her, may You grant her health and strength and may she be able to grow, oh God, up in the way of the Lord, and under the Divine influence of the Holy Spirit. May You take a hold of her little heart, dear God, and God turn it towards You, Father and cause it, dear God to have such an attraction, such a love for You, dear God, that Lord, she, from a tender child, Lord God, she would grow up under this Holy influence, and dear God, will bring great joy and gladness to the hearts of her parents, her family, oh God. And Lord God, people will take note of her, Father, that there is something special about the child, because of Your Holy influence. Grant these things we pray, Father.

We commit her into Your mighty hands. We place her by faith beneath Your precious Blood, praying, oh God, that You that will ever watch over her and keep her from all harm, all danger and all evil, in the Name of Jesus Christ, receive her now as we dedicate her for a life of service in the precious Name of our Lord, Jesus Christ. Amen.

Amen. Praise His mighty Name. I would like to invite your attention to the Scripture, a portion of Scripture that we will be reading this morning. I want to greet all of you in the precious Name of the Lord Jesus, all the strangers and visitors, all that are gathered in the house, praying that God will bless you in a special way. All that is an extension, an extension out of sight but nevertheless, feeding upon the Word and always part of the service here, out in the islands that God would richly bless them also and be with them and prosper them. We are praying day and night that God would provide especially out in St. Lucia and St. Kitts, that God will really establish them, and root them and ground them, and then raise them up to be a real church, set them in order where the Holy Spirit can have the oversight and provide for them that they could go forward in faith, amen, and everything that the church will need as a church to function, to give the kind of witness that God desires to give in the places where He raised them up.

You know, we can only do so much from this distance. We are aware of our shortcomings and our limitations and our insufficiency in trying to attend to all of this. But we are praying and trusting God, because it is not a matter of trying to have some “trophy” of these people under our care, but we desire the best for them. And that’s why we are praying that God will reveal the Word, and make It real, and bless the people in such a way, and provide for them that the churches could really be in order and function the way a real assembly should function. Amen.

I always feel, you know, that in my heart because even right here we have people outside looking at a monitor, people in the side rooms looking at a monitor. If we had a bigger building but this is even, I guess, an encouragement to them that they can know that we here too, look at a monitor, sitting down. People day after day, service after service, when they come that's what they do. And they are still standing by the grace of God, going forward. So, you know, we would do better if we could but for now, I guess, this is what we have to try to be adaptable and function with, by God's grace, and nevertheless, faith comes by hearing and hearing by the Word. Amen?

So many times in the Bible the people were cramped there, Jesus was preaching in the little house, people opened up the roof to set a man in, people couldn't even get in the meeting. People were outside. They had to hear the Word. They had to try to hear because a multitude strung around the house. Sometimes he was out in a boat out there, you know, because the people were pressing on top of Him.

So, this is not strange. This is not something new. This is not a first-time thing. So if people would read the Bible, they would know that in every Age there was this kind of circumstance, and they would just rise up and be adaptable and take their place and hold their place regardless of where you are by the grace of God. Amen.

Real Christians that are born by the Word are thoroughbreds. Amen? We are not hybrid Christians here that you have to baby and pat, you know. It is good to have God with skin on Him but it is better to have God in your heart, by the grace of God. Amen. So we don't want 'God with us' so much; we want 'God in us' – In that Day you will know I in you and you in Me, by the grace of God. Amen?

So, that's the way we believe, and that is the way we try to encourage. And I myself, you know, if they shut me up in a prison, in the inner dungeons, who am I

going to have? I have to have God in my own heart because they are sure not going to let the church come in there. Is that right? So, we all have to know the Hour is late, the time is running out, this is the end of civilization. This is the end of world history. This is the end of the world as we know it. This is not like, you know, we have a great future in this world. The Message has come to take us out of this world. That is what we are striving for.

So I would like to read quickly in Psalm 81 to get you off your feet. And I would like to read from about verse 10. Let us have a little word of prayer before we read. Gracious Father, we bow our hearts once again in respect to Your Word. It is opened now before us and we are in anticipation for the reading. And dear God, we look to You to give the revelation, to inspire it to our hearts. Lord, we are asking for Your help. We acknowledge our insufficiency. As mortals we can turn the pages. Being literate, we can read the words but it takes You to give the context, to inspire It, to make It real and cause It to produce faith in our hearts; faith that would draw us into a real relationship with You, give us grace to overcome in this dark, evil Age, and to fulfil the promises prophesied concerning us. And Lord, so we ask that You will bless us in this way, and bless all Your children out in the region, Father, in the Name of Jesus Christ. Meet every need today we pray, as we look to You, Lord, the Author and Finisher of our faith in Jesus' Name we ask it. Amen.

Psalm 81, verse 10.

¹⁰ I am the LORD thy God, who brought thee out of the land of Egypt; open thy mouth wide, and I will fill it.

¹¹ But my people would not hearken to my voice, and Israel would have none of me.

My people and Israel, His chosen, His son that He called out to Egypt to make him the head of the nations. And this is God saying this. This is not David now, this

is God. This is the Holy Spirit. This has become the Word. Then that means that it was the thoughts of God. And to think that God electing, choosing, ordaining but sometimes God makes His heart known. Sometimes God makes His feelings known. Otherwise, we would be taken up in our feelings all the time. We would be taken up with our needs all the time. And sometimes God says, "Wait a minute, I feel hurt too. I have a need too. I didn't just make you to supply all your needs, I made you to meet a need in My life too." See.

We are made to minister back to God, to bless God. That's why Adam was lonely, reflecting God's loneliness. Then God said, "It is not good that man should be alone." Then God brought a mate into existence, reflecting that God, one day would bring a Bride, would bring a chosen people. Amen. And I think that's where many times people can't come into real power and real faith, you know, because that element of selfishness still paralyzes them. Because a wife, her desire is unto her husband. She is more taken up in her husband's needs than her own, a real wife. And God's Church will be more taken up with God than Herself (amen), because that's the Mystery. That's the Mystery, friends.

And so, in we being taken up with Him, He takes care of all our things. You seek first the Kingdom and His righteousness, all other things shall be added. Why? Because you are already blessed with all spiritual blessings in Heavenly Places before the foundation of the world. Oh, if believers could only get up There. How many people claim to have faith, and claim to love God, and claim to believe the Word and don't walk there? And they argue and they murmur and they complain and they get discouraged and they get despondent there. If they could only get up There, everything has been provided. That is why, they start to praise Him, God's power drops down. Is that right?

They just sang a song and It busted up a prison and started to take chains off of people. That's right. They

began to sing a song and God dropped down and routed the enemy. That's right. If God's people could only learn these Things.

*...my people would not hearken to my voice;
and Israel would none of me.*

*¹² So I gave them up...[so I gave them up]
unto their own hearts' desire,*

Think of it. Their own hearts' lust, their own hearts' desire.

...and they walked in their own counsels.

They walked in their own counsels. They could have had the Mind of Christ, they could have had God's Headship to lead them and to guide them, but they walked in their own counsel and that is the counsel of the ungodly because you put God out of your life. You are ungodly, you are without God. You may still have a knowledge that He exists and have some denominational understanding of Him; that is ungodliness.

*¹³ Oh, that my people had hearkened unto
me, and Israel had walked in my ways!*

This is the exodus people called out by the prophet. This is what—He was trying to get a people to the promise.

*¹⁴ I should soon have subdued their
enemies, and turned my hand against their
adversaries.*

God said, "You have battles? Man, if you hearkened unto Me you wouldn't have an enemy standing before you that you would be afraid of." Cancer's coming to take your life? Leukemia wants to threaten you and bring you to a premature grave? Do you understand what I am saying? Some natural enemy, famine, somebody is threatening you? Oh my, you can laugh at that if you give God His right place. Because if God be for you, who can be against you? Who can lay any charge against God's Elect? It is God Who justifieth.

13 Oh, that my people had hearkened unto me, and Israel had walked in my ways!

Hearing and doing. Don't just be hearing. Hearing and doing, hearkening and walking.

14 I should soon have subdued their enemies, and turned my hand against their adversaries.

15 The haters of the LORD should have submitted... [should have submitted] themselves unto him; but their time should have endured for ever.

16 He should have fed them also with the finest of the wheat; [That is the Word] and with honey out of the rock should I have satisfied thee.

Oh my! May the Lord bless the reading of the Word. You may have your seats.

They did not hearken unto Him. They did not hearken unto Him. Think of it. And so, He said, "I gave them up unto their own hearts' desire and they walked in their own counsels." God said, "I am going to make My counsel known to you. I am going to express My desire to you." God's great Mystery of love expressed that God and man is one there, and is going to be one here. And God said, "I want to do this for you," but they didn't want that, they wanted their own hearts' desire. So they didn't submit to that Word, and then God had no other alternative after He long suffered and His longsuffering came to an end. Because God is not willing that any should perish. God is longsuffering; He is not willing that any should perish but that all should come to repentance. But after a while, when God sees He can't turn a man back around, He lets him have his way. When He saw that Balaam wanted his desire more than the Word, He let him have his way.

It is strange that God does those things, but He does not do that until He exhausts His mercy and His grace in trying to turn that person around. When He realizes

they refused Him, they turned Him aside, then God just draws back. That restraining Power is no longer there.

I wanted to show you a couple minutes of some footage that I told you and it would be appropriate to show you before, otherwise you wouldn't get to see it and I will take about five minutes or so to show you some of what is happening.

I have been preaching here on THE REALIZATION OF THIS INSANE AGE and trying to show you the world system, its condition, the judgment, the wrath of God that is breaking in the earth, the investigation judgment and these things that we have been speaking on, how it's taking place and you know, when I preached the little message on the Tsunami and those things about the end-time signs that Jesus talked about, the seas roaring and the waves. He talked about the great tidal waves and these things. Did you realize that not since the days of Noah that so many people were ever killed by water? Think of it. Not since the days of Noah, so many people were killed by water at any time. Over three hundred thousand people were destroyed by water in twelve countries. Do you see what I am talking about?

And then, to see the things way back in the sixties when all those UFO sightings were taking place, the Prophet on the earth said, "They don't know what it is. The Pentagon and all was baffled," he said, "but those are investigating angels of judgment." He said, "In the days of Noah, God came down before the world was destroyed." In the time of Sodom, God came down before the world was destroyed to investigate – Genesis 18. Those things are in the Bible. Genesis 6, in the Bible. Genesis 11, in the Bible when God came and scattered the people. He said, "Let us go down now and see what they are doing. Look at what man is doing on the earth," when Nimrod was uniting that whole world. And then, here in this Day, those same sightings and these things

came back, and were even photographed, and all these things to show the time we are living in.

Then we went in about the homosexual condition, and how many know that is one of the end-time signs? There are three groups: the Abraham group, already called out, outside the world, walking in faith, preparing for the Promise, saw the visitation of the angels, have the Mystery opened to them, sensitized to the Hour, to judgment, to the Change; Lot, desensitized and the Sodomites hardened through the deceitfulness of sin, callus, conscience seared with a hot iron, without feeling, perverted, totally gone. Those three people are whom I am going to speak on: those who are sensitized, those who are desensitized, and those who are hardened; those in the Lamb's Book of Life, those in the Book of Life, and those whose names are blotted out and whose names are not even written in the Book; the condition of the world, and the people in the world in this Hour.

And so, quickly, I will take about five minutes to give you a chance to see it because it is going to help you.

[Bro. Vin explains as the video is played -Ed.] Look at the people running there. Look at that water that is going to engulf them. If you look at that closely you would see a lot of bodies inside of there. People scampering for their lives, look at the height of those around who could see it. This is an aerial shot. You see its roaring waves coming in, it spewed back the bodies after it bloated and rotted.

Over here, these are from some of the religious realms I was showing you with that symbol of the dragon with fire, and the Pope's vesture. Then they were showing some of the occult signs; a little picture, there on the left, right next to the clock. Oh, that was the President, George Bush. This is a picture of the satanic worshipers with the occult sign. Here is in the religious realm with the same sign. See. These great TV-evangelists. I don't know why is this picture there. This picture shouldn't

be there. That shouldn't be there [Bro. Vin refers to a photo that isn't relevant to the slide. -Ed.]

[Another footage -Ed.] This is the footage of the air force pilots from Mexico, seeing the UFO's. [Spanish reporting can be heard on tape. -Ed.] They had shown this on national television a few times in Mexico. They were following them. This is being photographed while they were doing their surveillance over Mexico. This is the Mexican air force, they saw these eleven lights and they began to count them. And then they were following them and they took the picture with their special infra-red equipment and so on. They said they knew there was an intelligence and it seemed that they knew that they were being followed, and then, eventually, they couldn't keep up with them anymore; they just disappeared from them.

I thought there was supposed to be an English translation concerning this. They tested this back and forth with all their scientific equipment, and they proved that it wasn't any little act of nature or something. It was actually something supernatural.

We can't understand the Spanish, but they were supposed to have an English transcript. This is okay. That is enough. If you don't have the English translation, it makes no sense. But they were counting them and they were speaking of how they knew it was an intelligence with these things, and it was the first time they ever photographed it like that. After they ran all the tests on it, then they showed it on national television.

Is that it? [Bro. Vin enquired if the footage was the one with the English translation. -Ed.]

First time in history they were able to photograph things like these because, remember there were Tsunamis before but they never had the camera invented back in those times and in a place to photograph it. [Bro Vin, speaking of the footage being shown again of the tsunami -Ed.] But this is the first time they saw things of

such a magnitude that destroyed over three hundred thousand people and were able to photograph these things live, and people could see the power of nature. That earthquake was so powerful, it was equivalent to over five hundred atomic bombs, they said, that shook the earth. It changed the sea coast, it changed the map of the world, it changed the rotation. But since that has happened which had not taken place (an earthquake of that magnitude) since forty years.

And, you know, how we went into... Look, look, look. And this is just the water from the tsunami that the earthquake, which was an earthquake out in the sea, a subterranean earthquake coming at 500 miles per hour and waves 30 feet, in some places a 100 feet, just sweeping away everything in its path. Big holiday resorts were just being swept away and all the people, you know, who were out there on vacation and tourism and all these different things, just being swept away instantaneously and seeing it live, being recorded. People were standing there recording it, you know, who were on higher ground and watching people just being swept away at the bottom, dying.

[Bro. Vin speaks to the brethren showing the footage. -Ed.] Did you have the one from Banda Aceh, downtown? [Capital and largest city in Indonesia -Ed.] That was the one I am really interested in showing. I thought they had this set up a little better than this. I wanted to have it on tape as well so some of the... Look, look at this. This is people running for their lives. This is the whole sea coming down the middle—downtown. Look at that. People were downtown, normal. They went to shop and everything else and just saw this coming in. See. People in one part of the town and then this is a next part coming in here. People were witnessing those things.

Like if you go down Frederick Street [Street in Port-of -Spain, Trinidad -Ed.] and all of a sudden you just see the whole sea coming in, sweeping people away, buildings, vehicles, everything just like that. It is frightful friends, when we

think of the Age, and the time, and the Hour that we have come to. And it seems that people are so desensitized. And this is what I have been preaching on these last couple of weeks; about how the people have become so desensitized that they see these things, it lasts for a day or two, and it disappears. Do you know why? Because we have been cultured. The generation has been cultured to television that everything is like a movie.

They see somebody get killed, shot; “Bang, bang, bang.” When it’s over, get up and walk out there, and you go on your normal way again. So when all these things come before them, there is nothing to strike into the consciousness. This is like a drugged generation. The Bible says drunken. Drunken. What has made them intoxicated? The things that they feed upon through the media; because this is the weapon of mass deception.

Do you get what I am saying? This is the weapon of mass destruction and mass deception that is destroying people. What has brought the women in the condition that they are in? This. What they see, what they take in through the eye-gate. What has brought the world and the young generation in the hideous condition with the violence and the crime and these things? What has shaped them and molded them and gripped them in that? Where are they learning to carry out all these things? They didn’t go to school to learn these things, they are seeing it demonstrated, portrayed before them. And it is being done in the form of entertainment so there is no defense.

Oh, it is something to enjoy, so they open up there and they enjoy it. And you see people killing and chasing down people, and hunting people down, women seducing people, and it is all something to enjoy. And while they are enjoying that and they are lapping it up and feeding upon it, something on the inside, in their mind, in their spirit, in the way that they think, in their

values, it begins to reshape them. It begins to deform them.

I have been speaking for the last five services on the Realization Of This Insane Age and I am still now on part 6 here, **THE REALIZATION OF THE INSANE AGE**. And I would like to continue to read again in Romans 1. You follow me in Romans 1, which I am going to take from there for most of what I am going to say this morning.

We are living in a time when we have to retain God in our knowledge. It is so necessary. It is absolutely necessary that we retain God in our knowledge. Because, the things that are happening, and the rapidity with which the Word is being fulfilled, if we do not really get a real grip on the Word, friends, we wouldn't be able to keep up with what is happening; it will pass us by.

And I am preaching these things to sensitize the believer, to reawaken you to the things that we have seen and heard, and where it was designed to post us, and the type of effect it is supposed to have on us. That when we look at each other, we can know that this is a brother, this is a sister that is awakened, that is awakened and they are getting ready to go out.

Romans 1, verse 16. And I really appreciate the leading of the Holy Spirit. Before I came out, I heard them singing this song, and they didn't know what I was going to preach and I didn't know what they were going to sing, but then I heard them singing the song, and it's nice to see the leading of the Spirit like that.

Romans 1:16

¹⁶ For I am not ashamed of the gospel of Christ: for it is the power of God unto salvation to every one that believeth; to the Jew first, and also to the Greek.

¹⁷ For therein is the righteousness of God revealed from faith to faith: as it is written, The just shall live by faith.

18 For the wrath of God is revealed from heaven against all ungodliness and unrighteousness of men, who hold the truth in unrighteousness;

If you notice there, in those verses we read, the word 'For' is mentioned four times and it is all linked together. And every time it is mentioned, it is giving an additional fact of this righteousness of God. It says, "For I am not ashamed of the Gospel of Christ; *for* it is the power of God unto salvation; *for* therein is the righteousness of God revealed from faith unto faith, *for* the wrath of God is revealed from heaven.

All of this is the Gospel. This Gospel that we have is not just a social gospel, this is not just to give us a religious feeling. This is the power of God unto Salvation. This breaks the hold and grip of sin around a man's life. This Word can give faith to overcome the lust of the eyes, the lust of the flesh, and the pride of life. This brings a man to know what the righteousness of God is that he can be released from his guilt and condemnation, and come up to receive the righteousness of God, and stand in a place where there is no condemnation in his life.

The Bible says, *there is now no condemnation to them that are in Christ Jesus. Who shall lay any charge against the Elect of God? Who could accuse them of sin? It is God Who Justifieth.* But how does His Justification come? *By faith Abraham believed God and it was imputed unto him for righteousness.* He didn't try to reform himself. The Prophet said that is the job of the police. He said the police deals in reformation. They would lock you up in a penitentiary. The judicial system says, "Give him strokes, give him so many years, give him hard labour, let him do this, let him do community service," to do what? Reform the person. He said that is the police's job not the preachers'. Preachers come and try to reform people. He said, "No. Preachers are to present the Gospel, which is God's provided way to

bring a man into the Holy Ghost, to live by the power of Jesus Christ.”

Then also, the Gospel does not just reveal the righteousness of God, it reveals the wrath of God, too. The Gospel reveals the Lamb and the Gospel reveals the Lion. The Gospel reveals the Savior and the Gospel reveals the Judge. Is that right?

So these four things, I am not ashamed of the Gospel, it is the power of God unto salvation, because the Book of Romans is teaching us not God is righteous but the righteousness that God imputes unto a man by faith. Romans is the first epistle in the order of the epistles. When Paul received the epistles, the revelations that he began to write here, the first epistle he wrote was Thessalonians. But John, the Eagle, when they were bringing the collection of Paul’s writings, which is the Truth that Jesus said, “I cannot tell you now; you are not able to bear it.” He said, “I have many things to tell you but you can’t bear it. Howbeit when the Holy Spirit is come, He will lead you and guide you into all Truth.” And Paul said, “I have not shun to declare unto you the whole counsel of God. I have laid the foundation that no other man can lay.” He brought the full Word and he laid it down as the Gospel. Because those Truths were given to him, because he was the prophet of the New Testament who set the New Testament Church in order; not Peter, not John, not James, Paul.

His writings became—even Peter said, The things he spoke were hard to understand, and the unstable wrestle to their own destruction. Why? They recognized that he was given the special ministry to do those things. My! They walked with Jesus, but he met Jesus in the form He was before He became flesh. They saw the Glory veiled, but he saw the Glory unveiled. Amen. And so, he wrote fourteen epistles to seven churches, and his teaching became the foundation of the New Testament. Like Moses who met the Pillar of Fire in the Old Testament, and Moses brought the Word to Israel.

Every other prophet only brought further teaching and unfolding out of what Moses brought but Moses brought the body of the Word. That is why when Elijah and all of them came, they only restored people back to what Moses had.

When the Church went away, God raised up a prophet because a prophet was not sent unless the people went away from the Word. Because Moses brought the whole revelation. Moses was God to the people. Is that right? God told Moses I will make you a God to Pharaoh. Moses spoke into existence, Moses stood there as the Word manifested in flesh. When he called for something it happened. That is the standard of the Old Testament. Paul is the standard in the New Testament.

So watch. Paul met the Pillar of Fire just like Moses, and he brought the Word too. And in the last days when God sent Elijah, what was it for? To restore us back to what Paul preached; that when Elijah came in the Old Testament, what was it for? To restore them back to what Moses brought. See? Moses met the Pillar of Fire, Paul met the Pillar of Fire, and in the last days the Pillar of Fire has appeared again. And we have had a Prophet, one like Moses, one like Paul. Is that right? Hallelujah! Glory be to God! And he brought that Word to us to reveal what Moses and Paul wrote. So we have the full interpretation of the Word as promised in the last days. That is what God has done in this generation and that is what we are so grateful for; something to expose organizations, to call us out of organizations, to get a people ready for the Coming of the Lord, to bring the Church back to where it was in the very beginning. Amen? Because organization was not God's plan; that is a man-made thing. And that is what has the church-world in the condition it is in.

So look here, Paul now, laying this out in Romans here where he is dealing with the righteousness of God. But he is showing to us... he is not just trying to

establish that God is righteous, but he is talking about the righteousness of God that God imputes to men and women who believe Him like Abraham, because they are the seed of Abraham and Abraham was promised a Seed Who was going to come, and in that Seed all the families of the earth were going to be blessed. And everything that God did for Abraham, in shadow, He promised to do it in reality to Abraham's seed. And those that are in Christ become Abraham's seed and heirs of the Promise. So that's a great thing.

"Abraham is the father of all them that believe," the Bible says in Romans. So here now, we are looking and seeing he is laying out the Gospel and he is saying now, the wrath of God is revealed from Heaven. How many know His salvation was revealed in Heaven? That's right. The first sign in the zodiac is what? Virgo. That is the woman bringing forth the man-child. Is that right? Then you go on, even there you have Aries, the ram, the sacrificial ram. It has Aquarius, the water being poured out; the Living Waters that He promised: Out of you will flow rivers of living Water – A water that doesn't cease, speaking of the Holy Spirit. And what is the last sign? Leo the lion. Leo the lion. And what day are we living in? The last Age, in the last sign when He comes as the Lion of the tribe of Judah, when He cries out with a loud Voice as when a lion roareth and Seven Thunders utter their voices. We are living in the Age of Leo the Lion. We are living in the capping of the Pyramid. We are living in the 22nd Chapter of the Book of Revelation.

God wrote three Bibles: one in the heavens before we had the written Bible, then one in stone in the pyramid. Amen. And then, in the last days, we have the written Bible. Is that right? One Author and three Bibles. Each one of them was a Bible in a certain time for man. That's right.

And so here in this Hour, we are seeing the signs in the heavens, we are seeing signs in the earth, we are seeing signs in nature. Why? Because this is the

unchanging God Who always describes the time by signs. That is why Jesus says in the last days you will see earthquakes, and the sea roaring, and men's hearts failing for fear, and you will see the fig tree putting forth its bud, you'll know summer is nigh. He gives all these end-time signs, national signs, signs in the church: you will see them lukewarm, having a form of godliness, denying the power thereof – The Church and its condition. The world in a day like Sodom: man and their condition in the secular world, giving all these signs so we can know, as it was in the days of Noah, as it was in the day of Sodom, so shall it be. And if you are a Bible-believer, you must see it is the time of the end.

And if it is time of the end, then there is a Message that has to come forth to gather the people like in the days of Noah, like in the time of Sodom. God always had His Elect and He always made a way to take them out. Jesus said, "And the day Noah entered the ark and that door was shut, then the flood came upon them." Seven days after nobody could come in or go out, then the rain fell and destroyed them all. I read it for you last week, Luke 17 [St. Luke 17:26-27 –Ed.]. Then, in the days of Sodom, the day Lot went out, it rained fire and brimstone from heaven and destroyed them all; showing that God makes provision and if we see these things, there is a provision made, which we have to recognize, which we have to move into.

In the time of Egypt when death was going through the land, God, already knowing it was coming, knowing that the Elect was going to be threatened by that judgment, He made a provision. He said, Take the lamb, kill it at evening time, apply the blood on the lintel and the two side posts, and when I see the blood I will pass over you. Is that right? And all Israel got under that blood quickly. Why? Because at midnight the wrath of God was moving and everything outside that blood will die. Everything outside the ark perished. Is that right?

It's a time, friends, it's checking up time. It is a time to be aware because there is such a desensitization of the people. There is such a blinding. The god of this evil Age has what? Blinded the minds that gross darkness is upon them; upon the earth and upon the people. But He says, "You rise. You shine, your Light has come."

There was a Quickening Power quickening the people, stirring them at midnight: *Behold! The Bridegroom cometh, go ye out to meet Him.* [Matthew 25:6]. And when that Bridegroom came, there was a Voice saying, "Behold! The Bridegroom cometh." And the sleeping Church awoke. A Voice was sensitizing them to the Coming. A Voice was waking them up. What were the Thunders? Seven Thunders do what? Wake up. What is that? To sensitize you, to bring you in the realm of faith, to give you discernment to understand what is happening, to put you in the rhythm of the Word, to bring you aware. God, raising the level of awareness of the Church. Why? Because the Rapture will be so sudden and so secret, they will say, "How could that be the Son of Man. Elias must first come."

He said, "He has already come and you didn't know it. He said so the Rapture will be. They will be in the Tribulation and say, "Wasn't there supposed to be a Rapture?"

He said, "It has already come and gone."

Abraham was already outside. We took that message Wednesday night and showed you in Sodom, look at how desensitized Lot was but look at Abraham there praying. He knew judgment was coming. He knew the Change was coming. He saw angels appearing. He saw the Word breaking. His faith was anointed. He knew Sarah moved out of her unbelief, moving into faith. Is that right? He knew, next twenty-eight days... Sensitized.

But the lukewarm church, look at the difference between the Elect and the lukewarm church in their spiritual awareness. Where should the Elect be in this

Hour in relation to denomination? Denomination, they know their bingo, and their bazaar, and their beach party, and their raffle, and some program for the old ladies, and something here, a little party for the young people to kind of hold them. Oh God, have mercy. Look at that lukewarm church and its condition, but look at the believer (amen) waking up in this Hour.

Now, this righteousness that has been revealed, without that righteousness is condemnation, because you came from condemnation to justification. Something happened to change your state. Something the Judge declared concerning you. Something that He dropped the charges. Something that you accepted a pardon. You have to recognize that you've made that change. You have to know that you've made that move. You just can't say, "Well, I come to church. I have the picture of the Prophet. I have the Cloud. You know, I have on church clothes now. You know, I don't grow my hair long anymore (as a man)" and as a woman, "I don't cut mine anymore." No, something beyond that.

You are conscious in your heart because that has to do with your faith. That has to do with your victory or defeat. That has to do with the relationship with God. That has to do with whether you have strength to stand and resist the world and the Devil. Because if your heart condemns you, you cannot have any confidence. But there is Something done to release you and you know.

Brother, could you imagine a man on death row. He committed the crime, his case was tried in the court, evidence was there to prove that the man was guilty. Brother, the verdict was, "Sentenced to death." And then this man came and got a presidential pardon. And it says, "You are free." And he is fighting up in his mind whether that could be so, whether that is real. He says, "I'm still feeling guilty. I am still feeling this way. It is better that I go back to prison." And if he goes back into prison he doesn't want to be in prison, he wants to be outside. So he comes outside and he says, "I am not

feeling good outside because people are watching me funny. So, maybe I am not really free at all. They see me as a murderer still.” So he goes back inside. What kind of state of mind could he be in?

And the Bible shows we were condemned. We are born with a sinful nature. That condemns us to begin with. But God came and made a way through our identification with that Sacrifice. He applied the achievement of that Sacrifice to us that we could come in and live in the benefit of It. And the benefit of It is pardon, release. Amen. Brother, the very Life of that Sacrifice coming back in you gives you a New Birth that you could never go back in those things anymore; that the man who did the sinning is gone and the new man, there is no condemnation to him.

Brother, in your memory it tells you, I used to do so and so and so. Yes, that is your memory, but you say that the man who used to do that died. I buried him there in that pool. He doesn't exist anymore. This is a new man that we are talking about here. This man never did sin in the first place.

When you can't separate that you are in trouble. When you can't separate that you are in trouble. You will wonder, how come I really saved? Am I really saved? That judge, by a word, by an act, by tearing up a record and expunging that record, that man in debt is free. Then he says, “Well I don't feel free.”

The judge says, “There is no record of any crime that you have committed in this land. It is destroyed. It is gone.”

Now, what is going to help you is to understand the judicial system, and to understand that kind of provision and that kind of power are in the office of the judge. Do you get what I am saying? And then start to get happy that the system was designed and the judge is empowered in his office to discharge his function, and where according to his discretion he sees fit to apply that mercy, it can be applied. Amen!

When you watch the judicial system today, I know some of you are following that little trial with Abu Bakr there. [Yasin Abu Bakr, leader of the 1990 insurrection in Trinidad –Ed.] That it is good. You see, that is a court trial, and I say look at the rottenness of the judicial system. You have a man sit down there, he said, “I commit murder. I kidnapped people. I did thus and thus and thus.” And this is the same man who destroyed a lot of people, and then they are freeing this man to give evidence against that man. And the man who said he has committed murder, according to the court, they have no evidence on that next man.

Now, I am not saying that the man is guilty or not, but I am trying to show you the law. They have no evidence on that next man that he killed anybody, but this man is saying that he killed, and this man is saying that he kidnapped. This man is saying that he robbed and they are freeing this man to get a chance at the other. And the crimes that he is confessing to are worse than even this. Because this is already done, and this has to be proven, and look at the credibility of your witness.

Now, you tell me where in God’s court, on the day of judgment, that God has to get that kind of witness. Brother, God the Holy Spirit Himself is the Witness. He comes in the people and when they witness, they witness the Word. But this is what man’s system has deteriorated to. This is what man’s justice depends on, those kinds of witnesses if they have to serve justice. Who wants to live in this world with that kind of system? Amen. It shows how insufficient, how the system is incapable (amen) of dispensing justice. Because they are using unjust means, unjust persons to get justice done. It shows the weakness of the system. Amen! Oh my. But you see, that is when man’s functioning. But in God’s System, even the thoughts are recorded in Heaven and everything that a man does... and television proves it is being recorded.

So, a man could say, nobody was there. But then, your whole life is recorded. When God brings up the evidence, you see yourself. You see the day, you see the clothes that you were wearing. You see where you were. You see even the thoughts that you were thinking before you carry out those things. That's right. Oh, friends, live for God. Live for God.

Let us come down a little bit, verse 19. So he is bringing this here to show you what the Gospel is. For I am not ashamed of the Gospel, the power of God. All these things are in the Gospel, and all this has to do with the righteousness of God, because the righteousness of God is revealed from faith unto faith.

18 For the wrath of God is revealed from heaven against all ungodliness and unrighteousness of men, who hold the truth in unrighteousness; [Who suppresses the Truth.]

Now watch where it starts – man suppressing the Truth. Watch where things begin. People know what the Word says but for money, for popularity, a man wouldn't preach the Word, because it will empty his church. So to be popular with the people, he makes the way broad and everybody could come in. And he gives everybody a false salvation. For money, he actually preaches—instead of preaching judgment, and repentance, and the Coming of the Lord, and the time that we are living in, he is preaching prosperity, and God loves a cheerful giver, and God will bless you as long as you give, and sow your seed of faith; suppressing the Truth. Why? And preaching a social gospel to entertain people, using psychology to manipulate them, making them feel that they are so close to God. This time the poor people are in such a sinful condition without a New Birth. All they have is a church joining, and some mental experience, or something. You see it.

The same people out there in the streets carrying-on wild for Carnival, will come back in church Wednesday morning. That is the kind of Christians they produce: no separation, no real identification with the Word, a good mixer, a person living between two desires, profane! They want the best of two worlds. Like Esau, he wants the morsel of meat and he wants the birthright too.

Look,

¹⁹ Because that which may be known of God is manifest in them; for God hath shewed it unto them.

²⁰ For the invisible things of him from the creation of the world are clearly seen, being understood by the things that are made, even his eternal power and Godhead; so that they are without excuse:

God is saying because they suppress that Truth,

¹⁹ Because that which may be known of God is manifest in them; for God hath shewed it unto them.

²⁰ [Even] the invisible things of him from the creation... are clearly seen, being understood... even his eternal power and Godhead;

You could look at the sun... that struck me so real the other morning. We got up there to pray, at home. And I got up there about six in the morning, and we gathered to pray. And as I began to pray, just like that, it started to move inside of me. I said, "Lord, here is the sun, rising, and here we are rising together with the sun, and the sun has come forth to drive the darkness back, yesterday's darkness, and the sun is proclaiming, 'I am the light of the world. I am risen,' and all darkness has to move aside." I said, "God, You begin every day with the risen sun driving darkness back. And You put a testimony in the sky that a man could get up every day and know there is a living Power to deal with all

darkness. The resurrection of the sun has destroyed all darkness, and he can walk and serve God in that day without fear, without doubt, because God opens the day with the resurrection of the sun. And no darkness could hang around and say, "I am not moving. Man, you are too advantageous, man. I am not afraid of You. You are Light? I am not afraid of you."

But from the time that sun comes on the scene, every bit of darkness flees. I said, "God, what a way to start your day. And what a testimony to start your day with, and Your believers know that the Son, the S-O-N is the Light of the world. And that the S-O-N conquered death, and the S-O-N is risen, and You showed it in nature," that is what man looks for to know He conquered death, hell, and the grave. He conquered worlds seen and unseen, when He rose triumphantly on Easter morning. "All power in Heaven and earth is given unto Me," He said.

And God gives us that every day. You get up early every morning and look at the sun and then face your day with a song and a smile, and forget your troubles. Never, never, let your worries get you down. And when life's trials come your way, hold your head up high, look at the sun and say, "Hallelujah anyhow!" And you go on in faith (amen) victorious and overcoming. That's right.

So, even God's eternal Power, the morning star comes out to herald the coming of the sun every morning. That morning star comes out brighter than any other star. What is the morning star saying? "The king is coming. The king is coming. He is coming on the scene." That morning star, the dawning of the new day, the breaking – it is a messenger. He said, "I am the bright and morning star." Is that right? Oh my, God's Mystery has been there since creation. God said they knew. The heavens declare the Glory of God. They knew the zodiac, they knew all these things. God's Mystery was there. He said they knew.

...so that they are without excuse:

*21 Because that, when they knew God,
they glorified him not as God, neither were
thankful; but became vain...*

Now watch this. This is a progression. Romans 1:16 to what I am reading down here to the end of the Chapter, it's a progression. And that is important for my subject because I want you to see how they degenerated from one realm to the next, to the next, to until the atomic bomb has to clean the earth.

Last week, I was showing you when God created the earth, and man was there, it was Perfect Love. Agapao Love filled the earth. God and His people were in union. They were in the image of God. There was no sin, there was no sickness, there was no death, there was no sorrow, there was no fear, there was no pain. It was all Divine Love, like he saw beyond the curtain of time – no old age, nothing; all Perfect love, no casino, no gambling den, no prostitutes, no brothel, nothing. Amen. It didn't have this kind of education, this kind of civilization. It didn't have this kind of science. No, it was a different kind of civilization. Then the man and the woman, perfect, phileo love like between a brother and a sister though they were husband and wife, yet, with such godly respect for each other, yet, without clothes, and in this Civilization, could look at each other and see them veiled with the Holy Spirit and not lust. There was no lust there. Amen.

Then, from that we get into bestiality – Eve and the Serpent. Then we get adultery. Then we start to get *the sons of God saw the daughters of men, and they took unto them wives...*[Genesis 6:2 -Ed.] and it got really promiscuous. Then we get into incest with Ham going after his stepmother. Then we get down to Sodom and Gomorrah. From that Divine Love where God was, it degenerated and degenerated and degenerated to more ungodliness. From Divine Love to beastly, sensual, carnal, lustful, perversion. How did it get like that?

And I showed you where—from Adam and Eve, Christ and the Church, were a type of the Alpha Bride and Christ, the first Age when the Bride was taken out of His side, all the way down to the last Age, and we have come back like Sodom again. And now, God has to send Fire and destroy it again. It got perverted unto this condition. This is what Romans 1 is teaching, how it degenerated from one realm to the next, to the next, but look where it started. Men who suppressed the Truth. The Truth makes free, friends. The lie puts you in bondage. You start with the lie, you want to live the lie. You prefer the lie than the Truth because the lie doesn't condemn you, and you are on a kind of self-preservation: you want to keep your image.

Look what happens. The Truth makes free, the Truth washes and makes clean but the lie is a cosmetic. It paints up but it can't remove. It tries to cover up with a false identity. It gives you a spirit of pretense. Have you ever seen a person that lies? They have to pretend. They have to pretend like they are living in the Truth but they are in the lie. Why? They have to project now, another face other than the real face. When a person is living there, watch where they are going. I'm showing you where that life goes. That is what this teaches.

It starts with the righteousness of God is revealed, but look where it's going to end up in here.

Watch! Verse 21,

21 Because that, when they knew God, they glorified him not as God, neither were thankful; but became vain in their imaginations, and their foolish heart was darkened.

22 Professing themselves to be wise, they became fools,

The wisdom of man is foolishness with God. God sees them with their universities as a bunch of fools. God sees them with their man-made education as a bunch of fools. As I said, a man goes and studies archaeology,

and studies all this kind of science, and does different things all his life and comes up with a bone. He looks for that bone or for this creature that's supposed to exist. He is writing all the theories of his imagination and maybe evolution or maybe that, or maybe this. Because... Why? He is anointed with a spirit that is trying to disprove the Word of God. He can't submit his thinking to the Word of God, so he comes up now, finally gets that bone, and he says, "This bone is a hundred and sixty eight million years old." And then all his great learned friends, they scratched their heads: "My, what a discovery! Archaeology has changed forever."

It has not helped one human being. And a man gives his whole life to come up with some bone, and he goes to hell after he dies. He gets taken up with a little part of the creation, and loses sight of the Creator all his life. So what then is education? Do you get what I am saying?

Paul said, "They became vain in their imaginations. Their hearts were darkened." Oh my. In other words, they became proud, they became heady and high-minded, is what 'vain' means. They became heady and high-minded. Now they use their education and say, "Now this proves evolution. So, there is no God." Do you get what I am saying? And he gets a degree for that. Poor soul.

22 Professing themselves to be wise they became fools.

23 And changed the glory of the uncorruptible God into an image made like to corruptible man, and to birds, and fourfooted beasts, and creeping things.

So now they have a little statue, and it is shaped like this or something, they draw something, they draw some kind of creature they have there, and they say, "That's God." That's their god and they worship that. They are worshipping now, the creation of their own hands, and the imaginations of their own minds. Do you

see what it is? Man was made in the image of God. Man used to walk with God. Man had the Life of God. Man had fellowship with God. Man had power over the earth like God but look at fallen man who has lost his way.

²⁴ [And] *Wherefore God also gave them up...*

Do you have that? Now we have come back to that again. In Psalm 81 it says, "God said if only My people had hearken unto Me but God gave them up." There is a time when God draws back His Spirit and there is no more restraining power. In the days of Noah, Noah could not be taken out of the old world until God drew back from man.

The Bride can't go in the Rapture until He that letteth is taken out of the way. Do you get that? Friends, listen closely. Don't get caught up with the psychologist and them: "We are trying to analyze. We want to have a symposium to study the pattern of social behavior and what has the criminal elements... And this thing is like a cancer that's eating out the society, and the youths have degenerated into something. So what will we do?"

One man says, "So long I am asking the government. Sport is the thing. I used to box. There is nothing that takes people out of crime like boxing."

Like I told you the other day, now they have a special anti-kidnapping squad, who went away for a special anti-kidnapping course to learn how to rescue and deliver. And all the kidnappers never went to any kidnapping school. [Congregation laughs. -Ed.] No, this is the wisdom of the society. This man has to go to special course, helicopter, coming down on wire, moving with infrared lens in the night, moving with all kinds of different weapons and different things, stealth and all kind of training; and the kidnapers, brother, when they catch them, they are sixteen years, eighteen years, twenty years. Something is wrong somewhere. They should send them to the same schools that these fellows

are going to, because like these fellows are not spending any set of money to get that education.

And then they come out and they are making five hundred thousand... Like the man with the case. He said, "I get three hundred thousand from one, I get a hundred thousand for one, and I get five hundred thousand for the Chinese man, So-and-So that we snatched that day." He sits in the docks, and he is talking to the court, and he is answering questions. They have a lifestyle. Do you get what I am saying? And we have the whole anti-kidnapping squad who can't get this man and when they get him, they give him immunity. This is the wisdom of the world.

Who wants to live in this world? Who wants to live under those things? It is foolishness in the eyes of God! That's right. There is no future.

But God has called a people out. "Christ is made unto us wisdom and redemption and the power of God," the Bible says, "and righteousness." [1st Corinthians 1:30 -Ed.] Christ being revealed. Oh my. God in the last days is coming to give the Church the Spirit of Wisdom and Revelation in the knowledge of Jesus Christ to bring Her to be changed in Her atoms where the greatest of scientists tried to find and is hunting after the secret of anti-gravity right now. But Enoch has it and Elijah has it. It is under the Seventh Seal but they are not looking there for it. It is locked up in Seven Thunders (hallelujah), and unqualified speakers, humble herdsmen found That - spiritual scientists, mixing the chemicals of the Word.

What kind of world are we living in? I have been trying to bring these things to show you the world that boasts itself, the world that exalts itself. The tree of knowledge that says, "Eat from me, I am the fountain of all wisdom," in his Eden of darkness and death. But we are not children—we are not tares, that is for the tares. We still eat from the Tree of Life. We still eat from the Tree of Life. Because the Tree of Life has dropped down in

this Garden unknown to him, in secret, and He comes among the Elect, and brother, there is Fruit on the branch in every season, and He says, "Take and eat and live forever." And among the Bride there is a strength, and there is a power, and there is an awakening, and there is a sensitizing, that is taking place.

Because remember, Lucifer came down in God's Eden, and they went and they ate from the tree of knowledge. But in this Eden, God has come down in Satan's Eden too (oh my), in secret. Hallelujah! And the Holy Spirit is giving the revelation of the Word, brother, he perverted to Eve, but the Holy Spirit brings it back true (amen, hallelujah) to unlock our minds, bring us up into Perfect Faith, bring us into a world where we have a repellent, where we have an immunity to that thing.

24 Wherefore God also gave them up to uncleanness through the lusts of their own hearts, to dishonour their own bodies between themselves:

I want you to think with me, a little deep. I am not going to keep you long, but I have something I want to strike. I want to strike this, and you need to catch my reading. You are seeing this type of thing becoming rampant in the world. It is a people given over. It is the Sodomites. They are not going in the Rapture; they are being turned to ashes. Lot is going to come out and they are going to come up in the second Resurrection. But Abraham would be changed. The Abrahamic group is going to be changed.

So while Abraham was coming into faith for the Change, they were busting down the door and saying,

"Bring those men out! That is fresh meat. We have never seen those men down here before. They look so nice and they are glowing."

And then Lot says, "No, no I have two virgin daughters."

“Don’t tell me you have virgin daughters. Didn’t you hear what we said? Bring them out!”

He said, “Oh, God, behave yourselves men. I am the mayor. Listen to your mayor.”

They said, “Hear this clown. Mayor? This outsider comes in here, gets up with the up-and-ups, [People in high society –Ed.] ends up with that position and wants to make law for us?” He said, “We will deal worse with you than them.”

And as they were going to raff him, [grab him –Ed.] those men came and snatched Lot quickly out of their grasp. Is that right? That is where God has to take the foolish virgins. That is where He had to take them. Are you getting me? He had to snatch them out from that homosexual spirit, that lesbian spirit, that spirit of pornography, that spirit that wants to pervert them and conform them; that sex demon that wants to tantalize their minds, and hypnotize them, and deceive them; and grip them in that cage.

Those men opened that door and grabbed him in quickly and pulled him into safety. And still with all of that, he was a kind of fella that got good, good deliverance, but can’t maintain it to go on further. When Abraham took him out from those kings, he went back to Sodom. When they pulled him out, he still wanted to go back to the city again. Do you get what I am saying? And that was one of the cities that was to go under the fire, you know. But he said, “It is a little one, don’t burn that one, burn the rest. Let me stay in that one, I want a city”. He said, “Up in that mountain, up there, there is no Jenney’s on the Boulevard there,” [A local restaurant –Ed.] he said, “there is no KAPOK, and there is no Hilton, and there is no Burger King, and no Kentucky Drive-thru up there.” He said. “I will die!” He got so cultured to civilization, he wanted a city. He wanted a little city.

Don’t think, those people in that condition... The tares have to ripen, and the wheat has to ripen. Do you get what I am saying? You see, a lot of people when they

don't know the Gospel they want to believe, I am going in the Rapture, but they can't see the condition of the tares, and what it is ripening into: without natural affection, lovers of pleasure more than lovers of God, heady and high minded, having a form of godliness but denying the power thereof, trucebreakers, false witnesses, incontinent, fierce, despisers of them that do good. That is the generation. That's the generation. Why? The world has gone into apostasy. But Romans shows us now, look the Gospel that came to bring righteousness, look the Gospel that came to call out of darkness, look the Gospel that is revealing salvation and the power of God presented to them, but they suppress that. They have no place for that.

Verse 25.

25 Who changed the truth of God into a lie, and worshipped and served the creature more than the Creator, who is blessed for ever. Amen.

26 For this cause God gave them up unto vile affections:

You say, "Well, don't you see if God wasn't pleased He would have convicted me? I am not getting any conviction. If God wasn't pleased He would have convicted me." It says, "God gave them up to vile affections." Do you get what I am saying? Every opportunity for sin, every opportunity for carnality, they are like a glutton for sin. All they could think of is sensual pleasure. Their mind is a toilet. Now watch.

25 Who changed the truth of God into a lie, and worshipped and served the creature more than the Creator, who is blessed for ever. Amen.

26 For this cause God gave them up unto vile affections: for even... [now we are getting somewhere] for even their women did change the natural use into that which is against nature:

For even their women did change the natural use into that which is against nature. What's that? That is your feminist movement. Listen to me closely now. That's your feminist movement. That is women liberation. I am going to prove to you by the Bible and the Message. The fifth vision was the moral problem of the Age. Woman was going to end up totally naked, but it was going to start with what? The right to vote, then the cutting of the hair, then man's clothes, then they started to take man's jobs, then they started to get in the workplace, then they came out of the home. Where are they going? They are going straight into that condition. That's the condition they're heading to. But you say, "All this is legislation. These are rights. These things were written in the laws of the land of the country. Women now, have been empowered and they are making a great contribution to society." Yes. That is the catch. "Then how come Bro Vin? What are you talking about?"

Look at how Lucifer is building his kingdom. Who are the architects that come up with this movement? Who are the architects, and who has the plan to empower them? How did they get empowered? How did they get equal status? It is all done by a movement, with principles, with a code of ethics. Is that right? Passed in parliament, now it is discrimination not to give them a job if they are qualified. Who organized it so tightly? His engineers, his contractors. What has it done too? To bring an Age of woman worship. What is that? Catholicism. Yes sir!

I am going to show you that it was not just a physical thing. That was the spirit, the entrance of the spirit of women's liberation. And then they begin to change in their personality. How was it cultured? Who is making the movies to show G.I. Jane and Cat Woman? Who is making it? Who is making all these powerful women, and these super cop women? Walk down there and you see it in the movies, and how they do it. She comes here and she takes over here, "This is my crime scene. Thus,

thus, thus, thus. Do this here and this here.” And she busts that up there and she kicks some butts here, and she is on her radio running the whole CIA. What is it? Somebody is culturing and shaping an image, putting it out there and it is becoming attractive, and it is becoming appealing to women, and they are seeing a way to be empowered. And they are saying, “I can do that. I could identify with that. That’s me.”

And it stimulates a desire in them, and they begin to move to the place and say, “No man is controlling me anymore. Man has exploited me all my life. Look at me in the kitchen here, slaving. Look at me here with four big bellies in four years. [pregnancies –Ed.] And when I lie down on that bed, it is one old broken down bed. I don’t even have a rug on my floor, and I have eight GCEs [High School certificate –Ed.] sitting down there. I have a big job offer coming up there, and with my marketing skills and my shrewd negotiations, and after I put out my resumé, and I sat down with that man, that man was so tantalized. That man even asked me out. I find him making a kind of advance on me too. When he took me out I said, ‘Well, you know, the only place I really like to eat in town is Hilton. [A hotel and restaurant in Trinidad –Ed.] I don’t eat chicken and chips.’” And she realizes she has power, do you think she will go back in that kitchen? But how did she get there?

I want to prove to you it’s orchestrated. I want to prove to you it’s planned. I want to prove to you the same one who broke the family in Eden, who moved women out of their place, and who has the plan to do it and brought the home into chaos, is the same one today who has broken homes all over the world in chaos, and brought the world to ruin. And now we know about street children. Now we know about orphanages full of children. Now we know about abandoned children. Now we know about wives with three – four husbands and all these different things. Now, we have family planning, and contraception, and the pill, and all these things.

Who sponsors this billion-dollar research? The people who want to control the population, the people who want depopulation, the people who want infanticide.

How did Pharaoh kill the children back there? How did Herod kill the children? How many know there is going to be a killing of the children again in the last days? Oh, my! You see. What happens, you would say, "Look homosexuals, look lesbians," and you make it the old, rag-a-muffin, girlie walking through the streets, queer; but every time you read it in the newspapers, it is the high society. It is the big priests. It's the lawyers. It's the judges. Anytime you read about the pedophile it's Hans Boos and all these types of people, the curator of the zoo who they can't touch, the untouchables, the elite. Do you know where it came from? Greek and Roman societies. Aristotle, Plato, Socrates, Alexander the Great, all of them were openly confessed homosexuals; and it was normal in the Greek society there, for them to have little boys and all these things; the great scholars, the ones with the arts, the learned.

It is the same today; the Roman senators and them and all the different people, and it came down the same today. From the time they had the Tsunami, a man put on the internet, "I have 300 children, all paperwork, everything is already fixed for them." He already sees 300 children quarantined somewhere, no father, no mother and they ended up there. He already started to see sale for them, and it is a syndicate; all paperwork... So that means they have people who are dealing in immigration. They have people who are dealing with the law. They have people who are doctors, checking them and everything, making sure the "stock"... He is bringing a new stock to the market.

I was reading something there last night. Oh my, it struck me. Where in the States [United States of America -Ed.] they were injecting a lot of these young, new born babies with Hepatitis B. They said Hepatitis B is a venereal disease, just like Gonorrhoea and Syphilis and all these

things. And they said, “Why would they be injecting these children with that?” This is to give them an immunity against it. They say, but children who normally—whose parents normally are clean and so on and have no history of venereal disease don’t have to worry about that thing. Do you know what they are coming to find out? That all those things, the only way to recognize... The first real hard evidence against this pedophile thing, and molested children is STD (Sexual Transmitted Disease). When they find that in the children, they know they have been abused for sure.

So, this now, injecting them at birth or a couple days after they are born, do you know what that does? It gives them an immunity to it. So it gives protection to all the pedophiles. This is a billion dollar industry that we are talking about. This is not one or two henchmen somewhere in a corner, you know. This is a billion-dollar industry. This is an industry. There is a market for that, and there are people who will supply the ‘game’ for the market. They have to find them. They have to check them. Then they have the people who move them from country to country. Remember, I went through the trafficking thing with you. I showed you that.

They said, “There are more slaves now on earth than they had for the 400 years put together when they were bringing the slaves from Africa. There are more today now, on earth (slaves). You ask, “How are they moving all these people across all these borders and all these things like that?” Because the syndicate is so big and so far and wide. What am I getting at again? Look at how he is building his kingdom. I am trying to say now, I am opening up the places for you to think. Instead of just quoting, “Satan built a kingdom. Satan is built a kingdom,” and then you can’t see any kingdom being built. You are not seeing any evidence of any kingdom being built. Where is the kingdom? You are thinking, it is a nice, big building, a skyscraper. No, no, no, no, no.

In this kingdom sin is legalized. Sin is glorified. Sin is exalted.

Look at all those things there in all those movies and these things, that they have the people in that entertainment industry so gripped in that web, and in their clutches, that they can't come out. All those things that they are seeing there, they are not showing you AIDS. They are not showing you all those things. They are showing you sex is pleasure. They are showing you sex is exciting. They are showing you the conquest, and the chase, and the hunt, and then the capture. Then, they show you the "macho-ism", and they show you the excitement, and hear the groans, and you hear this, and all the filth behind it; and they don't show you they are dying with AIDS afterward. They don't show you where they end up. Why? Because it is organized.

But people can't believe, and don't want to accept that all these things are organized. And that is the trouble in the world today. And that is why even so many desensitized Christians, they are going along thinking—like even when I was preaching on the Gulf war and these things there: "Is that really going on? You mean those people are really after the oil? Do you mean that those people are really on that, for true?" Because why? The weapons of mass deception are in their hands, and through the media they have already cultured the people to think a certain way, and they tell you what is news and what is not news. So they shape the way you see the society. They put the glasses on you to see it the way that they say you have to see it. Do you get what I am saying?

Friends, if these things weren't so and these things were not Mysteries in the Bible, we didn't need a Prophet; a theologian out of Bible school would have been good. But these things are to show the end-time, the last days when Satan becomes the god of this world, and is worshipped. Denomination can't even conceive that. They are trying to win the world for Jesus, and we

had a Prophet who told us the last sign before the earth is burnt: "Behold I send you Elijah before I burn the earth with fire," and he showed the last sign in a day like Sodom. And Jesus taught, as it was in that day, so it shall be here. And that is the group that has become hardened.

Now catch it. One sensitized, one desensitized, and one hardened. Pharaoh was hardened, and the Egyptians were hardened and there was no repentance. He came humble for a time: "Moses, remove the plague, Moses. Move the plague." Moses removed it and he got back strong again. "I am not letting them go." More plagues. "Moses move it." Moses removed it. "I am not letting them go again."

Until God said, "Enough is enough." He said, "Put them under the blood. I will kill everything inside this land."

Is that right? That is right friends, the Restraining Power was drawn back.

In the days of Noah when God came down, He said, "My Spirit will not strive with man." God does strive with man: "Don't go!" A man has to fight his way to hell. Why? God is striving with him. But then, what happens? He gives them up. He draws back; alive in the body but dead in the soul. The soul that sinneth shall surely die. Do you see where we are getting? Souls that are in prison now. Do you see where we are getting? But there are souls in Heaven too; quickened and raised up into Heavenly Places, knowing their positions, walking in the Word.

One trapped – all they could see is filth and lust, become an animal; brute beast, brute beast. They have a more educated way to find their food and their shelter. Do you get what I am saying? You didn't get it. You didn't get it. The animal goes out there and hunts; he has his instincts. He finds his food. He forages, and goes to find his food. Then the fox has a hole, the lion has a den, the bird has a nest; and they have their little place

where they nest and they roost and so on; and they do that by their instinct, daily.

Man is just a higher animal. Man without the Holy Ghost is an animal. He goes to a construction site, he goes to a mechanic shop, he goes to an office to find his food, and then he fixes his shelter in a nice neighborhood or something. It is just a higher form of animal doing the same things, but he is desensitized to God. He is desensitized to his condition. He is desensitized to the Hour. He is a brute beast. Why? The soul is already dead inside. He will go to a church, open the hymn book, sing, Must Jesus Bear The Cross Alone, and there is no self-crucifixion in his life. He goes and sticks out the tongue and then lets the priest put the wafer, genuflect by the seat, and goes back out, lights his candle, takes the Rosary and says a little Rosary, recites the prayer in the prayer book and that is enough. No relationship with God, no revelation, no power, no inspiration, no leadership, nothing supernatural, it is all ritualistic. He is cultured into that – animal... animal.

That is why Cain had no revelation of God. He went out and he started to build cities. Is that right? Watch how it's come down. Verse 26,

26 For this cause God gave them up unto vile affections: for even their women did change the natural use into that which is against nature:

27 And likewise also the men, leaving the natural use of the woman, burned in their lust one toward another; men with men working that which is unseemly, and receiving in themselves that recompence of their error which was meet.

And now all these things become so legalized, and protected by law, and people can go now and marry, and you have a priest to marry two men. Then, they go to the adoption agency and they pick out a nice child that they like. They find, "He resembles you and he

resembles me.” One of the men is the ‘woman’, so he has the wedding ring on that finger, and they kind of hug up at the orphanage and say, “We like that little one there.” Then they take that little one, they sign the paper and they carry him home.

This is what the civilized world has come to. This is what the civilized world has come to. They are educated, they are sophisticated, they are refined and cultured, but all that is outward. All that is outward. Down in their soul, look at the hideous condition. He said, “Lord, we see the insanity and we see it in the making now and we see how the people are moving into it.” That is what I am talking about. Are you seeing it? Are you seeing how the people are moving into it? Are you seeing it in the making? He said, “They came into it gradually.” Why? Because the ones in control of the system are spoon-feeding them, nurturing them up on it.

And now, the fashions get really raunchy now. Do you understand what I am saying? It got vulgar to the state now where the woman wants to expose and flaunt that self. Then, all the different kinds of pleasures and these things that they have all of this now, the violence, the sex and all these things that every movie is sex and violence, sex and violence and they are bombarding the people’s minds with this. It is on the television, and it is on the video, and it is in movies; and they hold them in a fictitious world, and all these images. They have them drunk, they have them perverted, they have them defiled.

Listen. I have one or two things to read here, it will shock you out of your shoes, and I wrestled with myself whether I should read it in church. Then, I have some young ones there. But I say, “This is the Government’s and the United Nations’ thing.” They end up in some social worker place and sit down there, or end up in some institution where the United Nations have people doing those things; they are subject to it right away. Even in the schools, (those Junior Secondary Schools)

they put up their big condom signs, and they have the calypsonians come in and tell them safe sex and all kinds of different things. Do you understand what I am saying?

And then, in church, we want to expose their two wings and make sure all their feathers comb down nicely, and then tell them they are little angels. Then they get out there, and those demons there from small... already on those little children because they are bringing them—like my boys and they were telling me the teachers and they said, “Make sure you don’t get distracted with the carnival, and let it take you away from their work.”

I said, “Well, this is hypocrisy to the highest.”

Before the carnival comes, they bring the calypsonians in the school, charge up the place, have all them little children with their kerchiefs waving and jumping around, put them in the spirit, and then say now “Don’t let this distract you from your school work.” They had Destra Garcia and them stand up there telling those young school girls and them... Sherwin Winchester and Maximus Dan, [Local entertainers -Ed.] they picked out these three and they carried them around to the schools and they were talking to all the students about safe sex, and this and that, and she is saying, “Have God in your life and obey your parents and so on.” One page here, and the next page she stood up there with nothing underneath, the whole thing dropping off while she was singing the song. It got loose like Janet Jackson, and (the next one) Naomi Campbell so she now maybe has to play the thing, too. I don’t know, or if it just got loose through working up herself, but it dropped down. And in the middle of the song now, she has a man in the back fixing it.

In the page in front she is telling the students to have God in your life, and on the next page in the same paper [Local Newspaper -Ed.] you see the man tying up the thing, and she stood up there singing. Then they had her the next

week again, stand up there, and brother, there was all this kind of thing, naked from all here, [Bro. Vin demonstrates. -Ed.] so you are seeing all of that, and it is making you think, “What is going on there?” What is happening there? These are the ‘role models’. These are demon power, friends, that is what it is. That is demon power! But this is the Ministry of Education. This is the Ministry of Education. “This is how to get the children better acquainted with our culture, and our arts that are so unique in the world.”

Look what is happening. Look what it is becoming. Friends, let me say, little children inside of here, many of you, don’t get caught in these things. You all hear this Word and see if what I am saying is foolishness, or if this is the Truth, and when you hear This, you understand what those things are. See what you want to be in your life. See what kind of influence you want to live under. See what you want to become, because all these things... These people are inspired but they don’t know where their inspiration is coming from.

Like the Prophet said, “If Martin Luther only knew he was communist-inspired. If he only knew he was going to lead millions of people to their death but he doesn’t even know that.” Because he didn’t know where it was coming from.

27 ...men, leaving the natural use of the woman, burned in their lust one toward another; men with men working that which is unseemly, and receiving in themselves that recompence of their error which was meet.

28 And even as they did not like to retain God in their knowledge,

My! It is always good to dig into a Word when you read it. Do you know what it means there? “Did not like to retain”? Hear what that word means. That means these people when they put God on trial and they examined God, they didn’t approve of God’s wisdom and

what He was saying to be the Truth. Now, think of this. They put God under their microscope and they examined Him, and they say, "No, that doesn't meet my taste. That doesn't meet my specification. It sounds good but no, no, not for me. I pass." Like I was talking to a Pentecostal minister in the barber shop yesterday, and he had to agree, and was agreeing and agreeing with everything.

I said, "How about we meet and I will give you some more literature, and we will talk some more on the Word?"

He said, "I pass."

I stopped and I said, "You what?" I said, "Do you understand what you are saying?"

I started to show him in the Bible now, when Truth comes to a person. I said, "You sitting down in an organization and you are seeing those things, and you are admitting it is wrong, and you are hearing the Word, and you are seeing the Scripture, and you are admitting this is right, and then, to make a step, you don't have the conviction? You don't have something in you for Truth? What do you want, to play religion? You want to go back into darkness after you see a thing exposed for what it is?" Then right there you start to see the taste in a man's soul.

I said, "You are like Jehoshaphat, boy. You have a spirit there you want to play around with sin and the world, and you love things that God hates."

Because that's religion, friends. It perverts you. But a Christian has to make decisions. A Christian is compelled by the Truth they hear. That is why Elijah said, "How do you like the sermon? Was it nice? Did you enjoy it? It wasn't too long? Was it spicy? Was it entertaining? Did it make you feel good? Will you come back again?" He said, "If God be God, serve God. Choose this day whom you will serve!"

They put that Word down to a place where a man can't walk away and remain the same, friends. They put

the responsibility on a man to realize you may walk out here, and never ever live another day and you have the opportunity, right now, with God and that Word before you. That's right.

Just let me finish this and I am going to close. I want to show you where these people end up.

So, It says,

28 they didn't like to retain God in their knowledge, [so] God gave them over to a reprobate mind,

This is the third time we are reading it, God gave them over. He gave them up to uncleanness, He gave them up to vile affections, He gave them up to a reprobate mind. Over in Psalms, He gave them up to walk in their own counsel, He gave them up to the lust of their own heart. Friends, when God draws back, "My Spirit shall not always strive with man." Before Noah could get in that ark, God had to draw back. Then when Noah went into that ark, God shut the door because it was finished.

Paul in 2nd Thessalonians said, "And He that letteth will let," [2:7 -Ed.] because the time is going to come, it says,

6 And now you know what withholdeth that He might reveal in His time.

What withholdeth?

7 For the mystery of iniquity already worketh: only He who now letteth will let, until He be taken out of the way.

8 And then shall that wicked one be revealed...

When the Holy Spirit draws back, you watch lawlessness go on the rampage. You watch, women go on the rampage. You watch, man go on the rampage. Have you realized the kind of upsurge in homosexuality? How powerful this thing has become, how legitimate this thing has become. And in every magazine, every newspaper, every advertisement, everything... Sometimes you have a man and a woman

dress up, you can't even tell whether it is two men or two women. And they have them in a suggestive pose. All of that is subliminal photography.

That is to make it look friendly. In other words, homosexual-friendly, pervert-friendly, to make it more acceptable. Why? Because it is out of the closet now. It is part of the mainstream. It is controlling a lot of the great places. So now they have to make it acceptable, and in everything now, it's coming out where it's like it doesn't look queer anymore. All of that is orchestrated. All of that is being designed, being tailored, being refurbished, and being presented in a way for easy acceptance; to get past the human defenses, and to break down any form of resentment to that kind of life. And then it is re-worded as sexual preferences.

Then, when somebody resents that, you are made to feel guilty of discrimination, and prejudice, and "You are bigoted in your mind, and you are too full of condemnation, and you have no love and the Bible says to love and don't judge." Do you get what I am saying? It is something there to desensitize you and to make you compromise. It is to remove you from your stand and your conviction, and to make you a compromiser. It is somebody who deals with the spirit realm, who comes through your eye-gate and your ear-gate, bringing specially designed things to hybrid your spirit, to take away your conviction, take away your stand, take away your separation from the world, and make you a mixer, and make you accept these things, and make you tone down of standing against it, otherwise, you are a hater.

And now you can't speak against it, they are going to lock you up. And they are going to charge you for abuse, and they are going to charge you for discrimination and prejudice against people. And if you speak against them in the workplace, and you refuse to work with them, they will demote you or they will move you out of the department. All of this is law in the workplace. Who organized it so tightly? Did it just happen like that?

Now, you are reading Romans and you are reading about the days of Sodom, how the whole city was in that condition. Do you think a city could just be—Mayor... Think of it. Break down a city: bankers, lawyers, judges, doctors, educators, business people. Sodom had all these things. It was one of the most striving and prosperous cities. In other words, Los Angeles—break down Los Angeles and New York. Break down London and Paris. Break down San Francisco. How did a whole city get over that? How the Prophet said, “The United States government,” he said, “over forty percent of them are homosexuals inside of there. He said, “And there is a bunch of communism inside there, too.”

And the next thing I want to show you is the Communist movement. Feminist movement broke up the homes. It was designed to break up the homes. The Prophet said, break motherhood and you do what? You break the nation. How do you break motherhood? Get her out of her place. Get her out of her place. Get this now. Then they start to sing songs about women; that is Trinidad’s culture too, picked up from wherever they picked it up from. America, all those places have the same thing. Woman is a sex machine for them. So everything they speak about the woman is sex – and she’s jamming, and she’s wining, and she’s moving and she’s rolling. And they are describing it in all the Road March songs, all these different things, the calypsonians and them over the years. And they degenerate women until no man has any respect for them anymore.

What spirit is anointing man to degenerate their sisters, and their mothers, and their wives, in the name of culture? Do you get what I am saying? Friends, let me tell you, Satan built this Eden so subtly, and he has such control, and he has everything so legalized now, and he has it in such a grip, that people don’t even realize what evolves around them.

I trust that these messages open your eyes, you know. I trust it is making you think in places, and you'll start to see. Who is behind Hollywood gets these people to put out that new-woman image and then send that across the face of the earth.

Do you know when they went into Afghanistan and Iraq the first thing they started to do?[From the time this call for liberation, all the pornography things went up, all the American drugs and sex culture started to move in the place, easy, and they shattered cultures with those things.

And you go out in all those places that had culture for thousands of years – women dressing a certain way, family structured a certain way. From the time they beamed those images into there, those hip, young fellas, sneakers, Levi's (you know), real thing there, all the dub [a type of music formed from reggae –Ed.], everything, and they export that kind of culture. They beam it there. They blow the minds of the youths. And then people started to forsake their traditions and everything that they were in, and they came into this new thing that looks so happy and exciting, and that kind of wear. And then all the songs are what? Violence, and denigrating women, and everything else. And the youths now have no respect for women. So they hold them, they rape them, they gang rape them, they throw them aside, every day... every day. Why? How are they cultured into that?

You see, people can't believe it is planned, but there is one who had a plan to build his kingdom. And these things don't just exist, these things exist by legislation and law and are protected. God gave them over. God gave them over,

...to do those things which are not convenient;

Verse 29, and this is the thing,

29 Being filled with...

Being filled with, this was the result of the rejection of God. This was the result of the rejection of God.

...with all unrighteousness,

They hold down the Truth in unrighteousness. They suppress the Truth. They didn't want the righteousness that God imputes to a man, so now they come filled with what? Instead of with righteousness, the Holy Spirit, they become filled with all unrighteousness.

...fornication, wickedness, covetousness, maliciousness; full of envy, murder, debate, [argue, strife, can't take the Word...]

Remember Lot? "So why can't I go? Why thus and thus and thus? So, why is this here?"

...deceit, malignity; whisperers,
³⁰ *Backbiters,*

How many know that the Prophet said all these are enticing spirits? Look, it is right here in the Bible. Look where he got it from; right here in the Bible. They become filled with all these, they become possessed with these devils.

...haters of God, spiteful, proud, boasters, inventors of [all] evil things, disobedient to parents,

³¹ *Without understanding,*

I hope you are going through your checklist, you know. I hope some of you sitting down inside of here are going through your checklist, you know.

³¹ *Without understanding, covenant breakers,*

"Lord, I give my life to You, Jesus. Oh God Father. I see my sin, Lord, I want to really serve You. I will make my stand tonight." Two days after you go back with the same scheme again – Covenant breakers. Watch.

...without natural affection, implacable, unmerciful:

Brother, you talk about an unmerciful generation. Look at Abu Ghraib and those places. Soldiers... Do you know where that came from? The Greek armies and the Roman armies. They used to have their whole 'thing' of boys. When President Clinton [Bill Clinton 42nd President of the

United States –Ed.] came into power, when he was in power, do you know what he did? He loosed all those homosexuals in the US Army and empowered them. That's right. Have you seen Abu Ghraib there, when the army goes out there – sex, torture, humiliation, putting the people's face down toilet bowls, all kinds of things, performing all kinds of lewd acts, making them perform acts on one another and the prisoners are standing right there, and they're filming them, making them curse and deny their religion under torture.

Civilized, from the USA and Britain. They went over for Iraqi freedom to bring democracy. Do you see the world, friends? I hope you wake up. I hope you wake up and you see. And that is not just out there, all those things are right here. All those things are right here.

32 Who knowing the judgment of God, that they who commit such things are worthy of death, not only do the same, but have pleasure in them that do them.

Not only do they commit the same, (you know) but have pleasure in them, that do them. You say, "You deal with that man, boy. Oh gosh!"

They get excited. They see violence portrayed, they see humiliation, they see men make a man crawl and beg in front of his wife or in front of his children or something. They see that in some picture and they enjoy that, the next time they get a chance, they do somebody that, you know. They are ready to do somebody that. A generation that is given over to a reprobate mind; that when it comes to a place that without natural affection, their lust is burning for one another – man with man and woman with woman.

He said, *The fifth vision had to do with the moral problem of our Age, centering mostly around women. God showed me that the woman began to be out of their place with the granting of the vote.*

"God," he said, "showed me the women began to be out of their place with the granting of the vote."

Then they cut off their hair, which signified that they were no longer under the authority of a man but insisted on either equal rights, or in most cases, more than equal rights. [An Exposition of The seven Church Ages (Chapter 9 – The Laodicean Church Age) –Ed.]

Now, she says, “I am working for more than you. I have my own money. You are not going to tell me what to do. I am paying half the bills in this house. As a matter of fact, they are about to lay you off. You stay home and take care of the children.”

She goes along in some big function, she has him at the side; he is nobody. He sits down over there, she sits with all the bigshots and everything else and plays herself. She has him like a little poodle on a leash and he is glad to be the poodle. He is glad to be the poodle. It is the truth, anyhow. I hate to be so blunt and raw and in this way, but it is so I am made up. I wish I had some nice sugarcoat, but my things don't come with sugar. Somehow they put it in the bag without sugar, Bro Melville, it is just plain castor oil. [Bro. Vin laughs –Ed.] Maybe I could ask Him to give me it in gel with some sugarcoat, but apparently He finds that takes too long to do the job. So, He knows they're Original Seed, they could take it, because they understand it is not unchristianizing them. [The congregation applauds. –Ed.] That is why I love this church. I love you for that. I love you for that. You tell me that you believe the Word. I know you are not doing that hypocritically but you are doing it from your heart.

She adopted men's clothing and went into a state of undress...

Now watch, he's bringing it. He's bringing it. He is showing you how it has degenerated, where it started from. He said God showed me where it started. He said, this is where they gave them the right to vote here. In 1933, he saw in a vision they were going to come to a state of undress. He saw the deterioration. He saw it was going to start with a playboy President coming in.

He saw it was their vote that was going to put him in power, bring in the Catholic, bring women to be exalted, bring that Jezebel spirit of the Age, spiritually, morally, religiously, everything. It is going to come and take over, to bring back Babylon here again, to bring back Sodom.

You see, I am trying to bring you into the Scriptural understanding of how the thing degenerates into Sodom to be burnt (Satan's kingdom). He is the perversion of all that is true and good. So his real ideal relationship is a woman with a woman, and a man with a man. God's ideal thing is a man and a woman. Why? That reflects Christ and the Church. That reflects Life, the mystery of Life and the union, and perfect love, and the family of God. His own (the tares), that is a Sodom condition. His kingdom comes to its climax when he gets it there, you know. That's his climax.

In the days of Noah, women became so useless. The Bible said and they married whosoever they chose. [Genesis 6:2 -Ed.] It was just rampant sex, using women anyhow, polygamy was on the increase, and then God had to come now and wash the whole thing away.

What was that Tsunami about in those sex tourism destinations? Young girls thirteen, fourteen years old, where they are trafficking all those children down there, where they have all those brothels, highly organized, where they are making a lot of their revenues, where it is protected by governments and these things there, where it is pulling all the European, Australian, and American tourists? Do you know what God did? God washed the whole thing away; even those people with their false worship offering their thing to the moon.

I was reading an article there, they said, When the Tsunami came, it took all of them, carried them way out to sea, killed them, and it threw them back on the same spot. It had an intelligence. And they said when these parents' child was swept away, and they lost their child, gone in the wave, they bawled out and they screamed and they begged for mercy. And while they were there

pleading with God, they saw the child on the mattress coming, floating right back to them. So, in all of that there was an intelligence.

All the animals... They said the only animals that were killed were those domesticated ones that were locked up in a cage, locked up in the yard and couldn't move. And they said, before it came, they were behaving wild, trying to come out and they couldn't come out; because the others that were free, were already gone.

As I was telling some people of an experience of this family. When the father saw it coming, he told the mother, "Take the two little babies and run quickly." He took the two bigger ones and there was one more boy; he was down by the sea. And he started to shout to him, "Run! Run! Look what is coming. Run!" And he and the mother were running with these four children there. And the boy now, a small boy about eleven or twelve years old, ran right back to the house by the beach where they lived in a little fishing village. When he ran there and he saw the thing coming, the boy had a dog, that dog ran for the boy and grabbed him by the pants, and that dog started to pull that boy up that hill, onto the high ground and that is what saved the boy.

I was saying, now watch... I said, "When man in Eden was above the creation, he was the head over all the animals. He was under God's headship and the animals were under his headship. He got out of his place. Look at man, look how man destroyed their own race, and their own people, and all these things, with all this filth and all this sin; and now the animals have to save man. And the animals could get the warning from God, and know danger was coming, and know to get to the high ground. And all those animals like in the days of Noah, they moved up into the ark and got saved, and then the people who were there, got destroyed. And when God replayed a little mini scene of that, because, as I said, since that time, you never had so many people die by water; and to see what happened.

The fountain of the deep opened up, those tectonic plates began to shift and open. Brother, they said, it changed the map of the world. It changed coastlines, moved islands out of place, changed the rotation of the earth and everything else. 9.0 earthquake, forty years since... that was in 1964 when a Prophet stood there and threw the rock up. I wonder if preaching these kinds of messages on these things around are timely. I wonder if all these things that they are photographing are timely. I wonder with all the upsurge with hundreds of thousands of homosexuals now being married lawfully in all these countries, legislation, and adopting children, and everything else, and I'm trying to show you in the Word, that's a sign – hardened through the deceitfulness of sin.

The next group, desensitized, lukewarm. They don't have a clue that judgment is at hand. They don't have a clue that the Angels have appeared and the Word is opened, and faith to be changed had been released, they don't have a clue about that. But the Elect was watching. The Elect was walking the line and was watching, and when they saw the Angels coming, they knew, "This is what was promised." And then He said, "According to the time of life, be you ready in the next 28 days; I'll come among you. The world will not see Me, but you will see Me. I will be with you, I will manifest Myself unto you."

I wonder if services are just we come through those doors and go through a ritual. I wonder how many people could recognize when they hear the Trumpet, when they hear the emphasis on the Music Sheet, when they see what the Holy Spirit is trying to focus your attention to, focus you into the Word to see the Hour, to see the time, to see the condition of the world and the people, to see the condition, the church and its condition, and to see the Bride and Her condition. In the realm of politics, the communist movement, that was the third vision. The fifth vision, feminist

movement; in the sixth vision, ecumenical movement.

The things the Prophet saw came about by a process. He saw women degenerating to a place. He saw communism – the king of the north going to swallow up Fascism and Nazism, was going to be honeycombed in the nations, and it will be the very thing that God will use to break the nations, and chastise them, and bring judgment; a tool in God’s hand. Think, friends. You are a Message-believer.

The sixth vision – That Catholic church rising, doing what? Drawing all its daughters. The ecumenical move, doing what? Destroying the church. The feminist movement is destroying the homes, and the society. The ecumenical move is a plan to destroy the protestant church. It was a plan to even eventually destroy the present-day money system, and all these things. It was a plan to help put the Catholic church over the whole world. These things were traps set, designed to take the world into that place. And these were the Mysteries in the Book, Revelation 13, where you can’t buy or sell because a system is going to control the wealth of the world. Revelation 3, how Christ will be put outside of the church. How come? Because those television evangelists, David duPlessis back there, Oral Roberts, all of them – What did they do? They swung the Church into Babylon, and they put the people towards Romanism when a Prophet was trying to separate them from that thing. Jezebel killed them (spiritual kill)! That’s right.

Elijah was so forsaken, he thought he was the only one. God said, “No. I’ll show you a preview of the Bride. I have 7000. They are going to come marching from around the world.” I could read one of those things for you if you want. [The congregation replies, “Amen.” -Ed.] Okay.

Child Sex Book Given Out In The U.N. Summit, Washington Times, [Friday May 10th 2002. -Ed.] Listen to this, *A UNICEF-funded book being passed out at the United Nations Child Summit encourages children to engage in*

sexual activities with other minors and with homosexuals and animals.

As delegations to the summit remain deadlocked on abortion, international nongovernmental organizations (NGOs) that support the U.S. delegation's anti-abortion stance circulated copies of pages from a UNICEF-funded book given to delegates from Latin America that promotes sexual activity and abortion among teens in their countries.

"Reproductive health includes the following components: Counseling on sexuality, pregnancy, methods of contraception, abortion, infertility, infections and diseases," says the Spanish-language book, whose title translates to "Theoretic Elements for Working with Mothers and Pregnant Teens."

This is the name of the book "Theoretic Elements..." and this is going to be given to the workers; the social workers who are going now to sit down in those clinics, and those social workers' offices, and are realizing, "We have too many teenage pregnancies. We have too many young children engaged in sexual activities, and so on. So, we are going to come up with a plan for it. We are going to divert their sexual energy from a hetero..." I can't even say those words. From normal sex that brings children, "to sex that doesn't bring children." Do you get what I am saying? Who? United Nations. Do you hear me?

I preached so much about depopulation, on some of these kinds of things here, but friends, let me tell you, without revelation, you can't understand that Word. Some people say, "Ah Bro. Vin. How could you say that? You are saying thus and thus. I read a thing. I read a thing." I am trying to show you the Bible from Genesis right here in the Scripture.

An accompanying workshop book produced by the U.N. Children's Fund (UNICEF) tells Latin American mothers and teens:...

Remember I told you, Latin America, Asia, Africa

(Third World) – overpopulated, poor, in debt. You have to get rid of them. You have to scale them down. You have to restructure them. So, the architects now realize, “We have a lot of garbage; human garbage. We have to dispose of some of the human garbage that is growing wild and running wild like old vine and old bush. We have to get operation Weed-eater, social weed-eater, root out, kill, start from infanticide, start with young people.

And they were showing (which I will get to it) in Honduras and those places, so many women going there and getting injections, and they are sterilizing them and they don’t even know that they are being sterilized, and they are giving them things there.

In this very church, I was saying, “Boy, I am a little minister, little nitwit minister, back in some corner in a little old seventy-by-forty-mile island. And I am sitting down here with a few people, poor people that God raised up in the island, trying to preach to them. The amount of people, especially women, I see pass through with fibroids, fibroids, fibroids, fibroids, fibroids. I am trying to figure out, how is it that everybody has fibroids? What, is it a fibroid Age or something? What is going on?”

Brother, when I started to read some of the things... how they plan in the food, in your water, in different things that you have there to produce things in women to make them where they are not fertile, where they can’t have children. Family Planning and all these things... All these things were the nice names that they had to control population, to depopulate, to suppress certain peoples. Isn’t that what Pharaoh did? “Less they become too great; less they become...”

In other words, we are going to—we want to breed, like Hitler says, a super race. [Adolf Hitler, Chancellor of Germany (1933 to 1945) –Ed.] So he started to kill homosexual, pervert, cripple, polio, paralyzed children. Hitler was just killing them left and right, by the millions, apart from—not

only Jews did Hitler kill, you know. He killed millions of those kinds too because... Then they started to—Mengele and they [Josef Mengele German SS Officer and Physician during WWII –Ed.] started to go into different tests to get the best Aryan stock, and started to breed high quality German blood, where everybody's patriotic. From people who are patriotic, from people who are good at sports, from people who are highly academic, from people who are good at soldiering and these things, and then you breed the different stocks for manufacturing goods, for college, for different things, and you get your gene pool.

So, you keep your nation strong, and your nation doesn't dwindle down to a bunch of people who, every day in the papers they're shooting, and they're killing, and they're raping, and they're kidnapping, every day, and then people migrating, and people living in fear, and more burglarproof going up, and the hoodlums are driving the people now into closets, and they are afraid to come out, they are afraid to travel in the night, and they are afraid to go around. They found a way now to weed out the elements, and they found a way to breed and upgrade the quality of the society.

You see, when you and I are just thinking about bread and butter, and when the week comes check the money and make sure we have enough, "Oh God, boy, I see things are kind of hard. I have to work some extra days to get some overtime. My child wants this, or I need to pay my rent, or this here." They keep our minds there, and have other people planning other things, while we are drunken on these things. Do you get what I am saying?

Listen. The book was distributed by the Mexican government...

An accompanying workshop book by the U.N. Children's Fund tells the Latin American mothers and teens: "Situations in which they can obtain sexual pleasures:

And God forgive me. I want to say this and I am conscious we have young children here, but it is not like I am preaching out of my mind. I am reading a document that was in the newspapers revealing and exposing what the United Nations, in their plans, what they were doing to subvert third world countries, and the kinds of experiments they were conducting and carrying out in those countries, and the people are unconscious of what is going on. Because the rich industrialized nations are enslaving the poorer nations and the poorer nations are becoming slaves to the rich nations. That's why the World Bank and IMF trap you in debt. First, they start to enslave you on a national scale, then, if you have good technicians, and you have good, educated people there, then they pick you out and they fit you into their system, and they make you now enslave your own people.

Have you ever seen the Jews and them when they had them in the holocaust? They had Jews seeing about Jews, you know but they had a little better privilege; they were carrying them in the ovens. They say, "Okay, so many of you are going today."

"Oh God, just please spare me. I want one more night with my daughter and my wife and them. We have to sing. Today is her birthday. I want to stay for her birthday. I want to stay for her birthday, you can kill me afterwards."

He said, "Okay, I will spare you."

Jews were doing them that. They feel they have a little authority because they chose some and made them police over the rest because they get along better with their own people. But they have these trained like their own dogs to bark these up in a corner and have them under control. It's all a science, friends. It's a science. People take courses in these things.

Listen, and forgive me please. I wouldn't like to read this but I want to read it because I have people out in the islands. When I am out in the islands there so much

of... ninety percent of the people who come in the islands have children for this man, children for that man. They have presently, no husband, two different sets of children. Man has children with this woman, man has children with that woman, man has children here, and this is the condition. So you get out there in the darkness, it was such a condition that was there, and that's why these things sometimes, it helps open people's understanding. So, bear with me. Please, forgive me.

[So the] *accompanying workshop book produced by the U.N. Children's Fund tells the Latin American mothers and teens:*

And this is the book the United Nations put out to give in this child summit. First, they were showing them how to engage in activities with other minors, homosexuals, and animals. Then now, "*Situations in which you can obtain sexual pleasure: [The book is illustrating all of this] 1. Masturbation. 2. Sexual relations with a partner whether heterosexual, homosexual, or bisexual. 3. A sexual response that is directed toward inanimate objects, animals, minors, non-consenting persons.*"

What is in the minds of the educators of the world and what are they doing? And how philosophers, scientists in children psychology, and behavioral psychology, and people who study the society, and the planners to cause the world to become more civilized, look where they are getting the young minds. Look where they are moving the children, and look how the children are prey for these predators. Watch the world. My thought is Satan's Eden. He is a vulture and he feeds on his own kingdom! It is a kingdom of—it is an Eden of darkness, of death, and chaos.

The book which was distributed by the Mexican government with U.N. funding suggest lesbian sex as an acceptable alternative for girls. "Sexual relations with a partner: Here we should insist there is no ideal or perfect

relations between two or several people,” the book says. [The book is defining these things and telling them.] “The one that gives us the most satisfaction and that is adopted to our way of being and the style of life we have chosen.

It’s culturing the mind to think sexual preferences, to break down conviction, to break down holiness, to break down resentment to those things, to make them soft, to hybrid them, to make them see all this as pleasure, and one could choose chocolate and one choose strawberry. It is just like choosing a different flavored ice cream but everybody is eating ice cream. That is why he said education is of the Devil, because it is man with PhD who designed these things. But the end is what? To enslave the human race. Wake up to the real world, friends. Read the Book of Revelation.

This is why we encounter many differences among women. Some women like to have relations with men. And others with another woman.”

All this is explained in the book. Now, watch the hypocrisy here now.

UNICEF spokesman Alfred Ironside acknowledged U.N. funding for the book, but said it was produced by the Mexican government in 1999 and pulled from circulation “when the content was more carefully reviewed.”

Mr. Ironside said he did not know how many of the books were circulated.

Because this was like a training manual for the workers. So when they sit, they know how to move the young teens who get into pregnancies, the young children who are already sexually active, the mothers and they who do not have any example for the children at home, and how to move them in a way to accept these things. Because their thing is, “Keep down the population at the cost of diverting that energy to another channel where it can’t reproduce.” Creating a society... So then, why? We have the legislation. You

build up the population of homosexuality and now you have to give them laws, because they are in the majority.

How did the Catholic control America? The biggest land border in the world that they have in any one country is from Houston all the way to California, United States of America. That's where it goes to Mexico and from Mexico into Central America and from Central America into South America, and all that is predominantly Catholic. And so, they bring up... They lax those immigration laws, bring them over in the States [U.S.A. -Ed.] Catholic, and build up Catholic population to shift the vote. You know about voter padding and all these kinds of different things, controlling certain places, and certain states (key states) in an election to control, to get power. That's normal. That's politics.

Well, the Catholic church did that to the United States of America. So now, when you want to get laws passed for something that is looked down on but it's the thing of the elite who has the wealth and who is pumping all the money into the society, and all the people who want to go to church and talk about God, they can't even get a job if these people don't allow them to work in their factory, if these people don't give them scholarships in their schools and support their education. And they say, "That's not our lifestyle, but we are keeping them alive and giving them jobs, and giving them an education, and then, they are coming against us. No, we have to build up our population." So they find a way to build up the homosexual and lesbian population. So when they start to lobby for something, they lobby strongly.

That's why millions came out in all those cities: San Francisco, Tel Aviv, Jerusalem, London, Paris, New York, Boston, all around the world – Gay Rights, 24/7; the sun didn't set. In every time zone, they had them marching by the thousands in the street. Who organized it? Somebody lobbying for power, somebody lobbying for

rights. And people want to live here; people don't want to go in the Rapture. And people are not crying out, "Even so, come Lord, Jesus." And people are thinking, "Well, the world wouldn't get too bad, and it is okay to go along with the world."

Look where Lot was. Look where Lot was. He had sons-in-law who married his daughters in the house and his daughters were still virgins. It was only a face. It was only a public marriage, a face-value thing. He used to walk with Abraham. He was there when Abraham talked with Melchizedek. He was there when Abraham talked about the God of Glory. Is that right?

Abraham's whole group, when God came down in Genesis 17, He said, "Circumcise your household." All of Abraham's household was a circumcised household on the mountain, waiting for the promise. Everybody was circumcised, waiting for the promise. Lot, uncircumcised. Did you get that? Lot, uncircumcised, down in Sodom. Circumcision came in Genesis 17. I'll give you the next... I don't want to keep you back. I am in two minds here.

"That book was a product of the Mexican government, supported by UNICEF financially as part of UNICEF's support to the Mexican government,"...

And hear the hypocrisy. The man says,

"We do everything we do in full agreement with the governments we support. We do not operate independently."

He is trying to avoid blame. He says, "We don't operate independently. We do everything with the government we support. We fund it, but they printed it."

He said the book was "intended as a training manual for people working with adolescent women to prevent teen pregnancy."

The thought was to prevent teen pregnancy, to keep the population down. But the guise behind that is to break up the homes, to destroy the family, to pervert the young ones, so they could have a fresh stock to fill

the brothels. You get a fresh set of boys when the young ones get old, and get diseased. They have to keep the crop growing, crop after crop. They have to find a way to get them. And all these things are being done and this is what people can't accept. They can't see that the world is that bad. That's why they have Jesus coming in the next two hundred years and they can't understand how come all those Angels appearing, how come that last sign is shown, and how come that rock was thrown up and judgment has started in the earth and like the world isn't bad. The world isn't bad.

The world isn't bad because you don't know, because information is suppressed, because the media causes you to see one kind of thing and you are uninformed. Do you get what I am saying?

That publication was a compilation of articles by different contributors and has a very clear disclaimer in the front that the views of the writers do not necessarily reflect the views of the United Nations."

He says, "And furthermore let's finish this argument. There is a disclaimer in the front of the book saying, "These views are..." That is, "The Surgeon General says smoking would give you cancer," but keep producing it, keep selling it, keep advertising it. So, if we are attacked or challenged, we have a door open to escape blame and responsibility. How is the kingdom being built? He said, "Those angles that Lucifer brought down with his tale are in these men, are in these men; reprobates concerning the Faith but not in living." He said, "They are fine, cultured, refined men but reprobates, already given over, and those demons are in these men." And look at their thinking, friends. Look how devilish. The wisdom that comes from beneath is what? Devilish, sensual....

Let's stand. I have to stop. I will give it to you in the next service. When I saw these things... and yesterday I was preparing this about eleven, half past eleven in the night; everything just disappeared off my screen. My

whole thing was lost. I stayed there studying for hours. Boom! It was gone. I ran inside and said, "Timmy!" he was not home. I said, "Gosh, then Pablo, come." He tried to search but couldn't find a thing. The same time Timmy walked in. He called Bro. Bishop and the two of them got on the phone there, and they put on their technological mask and scuba suits, and dived down into this technological sea to find that which was lost. Brother, they pulled it back up and saved me. I didn't get to sleep until about five, this morning, trying to put this thing... because I wanted to bring to your attention the evils of this evil Age.

See, the Prophet said it. He hit the high points of it. But to break down into it, to see the mechanics of it, how this kingdom is being built, how that feminist movement that was sponsored, that rallied women to a cause, that supported them in the corridors of power to shape legislation, to make it legal and empower them, to move them out of the home and then, start to break down the family structure and dismantle the family – The same one in the garden of Eden. How did he destroy the human race? He went to the woman and moved her out of her place and brought chaos, darkness, and death. How is he doing it again? The same way. How did he do it to the Church? The same way; move it out of its position into organization, into a man-made system.

Friends, you can't underestimate the power of the enemy to seduce and to deceive. My young brothers and sisters, it seems that the Holy Spirit in His sovereign grace has come down with you in mind, especially in this season, to strengthen you, to sensitize you. You might be young, naive, unexposed, no discernment, and vulnerable to be easily taken into the snare of the enemy, unsuspecting; but God is sensitizing you. When you walk into that evil world: whether it is in the school, and whether somebody is putting forth one of these ideas, and whether it is being given a lot of support by a lot of people who grew up on television, who grew up

on movies and sex and violence, who is hybridize by those things, and whose minds are polluted, and they are not a thinking man and thinking woman anymore, let your thinking be filtered.

The Prophet said, "A thinking man's filter." The mind of Christ comes in, bringing the revelation of the Word, opening It, that you would not be caught in the snare. You would not be trapped in that evil net. You would not settle down for a lukewarm church life. When you think of church, you would not think of church attendance, you would think of walking with God. You would think of experiencing the Holy Ghost. You would think of principles you live by. You would think of conviction. You would look at separation from the world in your life, and so you will judge and estimate yourself and evaluate yourself.

I pray that God so sensitize you to these things. Don't let the enemy make you think that the Word is hard and that the Word is strong, no. If the Word emphasizes on certain things, it is to bring you to a better awareness, so that you don't just walk like a dumb ox going to the slaughter. You can look at things, and you can judge things clearly. You can look at situations and you can evaluate them. You can look at things and see the spirit behind that thing that is influencing that thing, and watch the fruit that it is bearing, and know what kind of tree that is because every tree is known by its fruit, and every fruit is the manifestation of the life on that tree. So, by the fruit, you know what kind of life is in the tree, regardless of what it professes to be on the outside, so that you would not be taken or you don't become siding with evil, or you don't compromise and find yourself (through fear of rejection) supporting evil.

Let me tell you, it is better to live six days with the Holy Ghost than to live sixty years without the Holy Ghost. It is better to live and die standing up for the Truth of what is right, than to live all your life supporting a lie, and in the end, have to be destroyed

for it. Stand for the Truth, because we've come down in an Age where that darkness is trying to press upon you. That is why there is a pressure. Why does it become hard for you sometimes to stand up and speak out? Because that pressure is there on your mind trying to press you down, because Satan knows you are a light. He knows you are not of that group. But God knows you are His, and that is why God wants to empower you, and strengthen you. You don't have to be a wild fanatic, but when God nudges you and says, "Speak up!" You are ready to speak up. When God says, "Separate from that!" You can separate and you can take the Word, and you can expose that and show them why you are not taking any part in that, what that is of.

I trust by the grace of God that we see... When you see the deceit (as I try to bring to you) all these movies, all these magazines, all these things that are presented, all these books are designed to get your mind and move you away from what God intends for you to be, to corrupt your morals, to make you compromise, to make you hug up sin in the world, subtlety. He makes it popular. He makes it look exciting; but the end result of that is to grip you and make you part of that, and to rob you of every godly thing that God has given to you. When you see the tactic of the enemy coming to your spirit, you have to know now, how to defend yourself from that. You have to learn now, how to resist that and make sure that doesn't influence you. You have to learn now, how to keep that off of you. It is a battle.

I have tried to show you how it comes. I can't fight it for you, but I have given you the Word. I have exposed it to you. Now, you ask God for the will and the strength that you would rise up and stand against these things; that you would be a young man who is determined to find your place in God's economy, and you would be a young woman, a virtuous young woman that God designed you to be; that you would not let Satan bring you down into some little sex goddess, or some little

kind of thing to tantalize men, and seduce men, and want to wear clothes that expose your body, and walk a certain way, and get that spirit upon you. Because to do those kinds of things, you have to get a spirit upon you. But it is very easy to get a spirit, because what he uses as bait to attract you, the hook is inside the bait, but unexposed.

So, you start to like watching those things, you find yourself gazing at it, you find yourself starting to get attracted to it, to go back for a second look and a longer look, and you find yourself... and you want to start to keep some for record sake. You are already snared. You are already snared because your behavior has already changed. Because that spirit is already into your system, and you are acting out a behavior that the influence was designed to make you act out through the influence.

Wake up this morning and realize that God is trying to reach out for you to get you to safety, to give you the protection and the support that you need. And Satan is also trying to divert your attention and distract you from what God is trying to get you to, so he can divert you, and bring you under his captivity.

Recognize these things. You are a free moral agent; you have to make a choice. It is presented to every person. Decisions are made in the mind. You have to accept or reject. Don't find yourself rejecting God when the Holy Spirit speaks to you. Don't suppress That. You see what holding down the Truth does. They became vain, then they start to go into idolatry, then they start to get base, then they'll be given over, then they start to get into promiscuous sex, then all moral standards begin to erode. Then the life now becomes sensual, then they become a glutton, a vulture, feeding on rotten things that only weakens them and keeps them in a state where they could be continually manipulated and controlled.

You don't want that, friends. God made you, to walk with Him. God made you to live with Him. God made you to live for Eternity with Him. Do you believe that this morning? Do you agree with this Word this morning? Do you see the insanity of the Age? Do you see what I am trying to bring to you in the assembly here? Do you see where I am trying to break these shackles off your mind; where I am trying to expose these things that you could rise up into a place to see where God wants you to walk; to see the snares of this evil Age? Because behind all those things there's an intelligence. There is a snare. There is a hunter. There is a trap to cage this world.

Do you see how homosexuals get, today? They are not ashamed anymore. Why? They build a doctrine, and that doctrine, they empower themselves with that doctrine and they have a fraternity. And all the wealthy, and all the elite, and all the upper class are in it. So, who are the bunch of statistics who they have to support, and keep up in existence? And without their money, their wealth, their industries, and all these things, they can't survive because they are the masters.

What is Denomination? Man over man. What are those Sodomites trying to do to those angels? The Prophet said, "Pervert them to their acts." He said, "What are they trying to do to you today? Pervert you to their religious acts." That's the spirit of Sodom. Denomination is the spirit of fornication. Fornication is idolatry. Eve went into a false union, she went to another image that she bowed down to when she left the image that was reflecting the Image of God, which was her husband. That destroyed the first home, that destroyed the first world, that destroyed everything that was good that God said was good, that destroyed it. That one thing.

That's why today, people do not realize the power of one adultery. They don't realize the power of one lie. One lie brought the Angels out of Heaven. One lie brought

man out of the garden of Eden. One adultery brought the whole world into chaos that made God come in flesh and die. People do not realize the power of those things, friends.

Oh God, help us. Help us today, Jesus. You know the altar is always open. You need special prayer, whatever it is. You want to receive the Lord, Jesus, you want to... The kind of things that you could stand there for yourself, stand for yourself. The kind of things that you need somebody to stand together with you and agree and pray, for those kinds of things, I would tell you to come. The other things that you could believe there, you want healing or something, it is not life threatening, you are there, ask God, "Lord, strengthen my faith to claim it," and so on. Those things you can do for yourself. Something that's in your life that is urgent and you're in desperation, things that you see the enemy coming into your life, you are battling with demon power trying to take you into sin, and those kinds of things, "In My Name, you would cast out devils. Loose them and let them go." There is deliverance, friends. So here, let's be sensitive as the people of God this morning.

Oh, God is a good God. We serve a good God here. He is gracious. Our sister needs a healing touch here. She had surgery on the eye and picked up an infection afterwards. The pressure has built up high, but God is here to deliver, and deliver completely this morning. God is mindful, friends. The Bible says, "Cast your cares upon Him because He careth for you." And when a church like this can gather together and pray, believing in the Name of Jesus Christ, nothing can stand before that, friends. The only thing that can make something stand before it, it would be unconfessed sin or something. But outside of that, that Devil would have to loose that person and move.

Lord, Jesus, we stand together with our sister in Your Presence. She has come forth, standing here with this need in her heart. A touch from You, that would bring

the pressure down, bring it back to its normal state, dear God. And the eye that is red and inflamed, oh God, after it picked up that infection from the operation, God, that You would sort it out for her. Lord, You would drive that infection away so completely, oh God. You would heal it up, Lord, and she would see good out of it, Father. God, we ask now in the Name of Jesus Christ, may by the authority of Your Word, Father, that we stand upon, claiming Your Divine promise, that when we stand praying, whatsoever we ask the Father in Your Name, You would grant it unto us. So, we claim this deliverance from this eye condition and this high blood pressure. May our sister be well for the Glory of God, in the Name of Jesus Christ.

Satan, we rebuke you. May you take your hands off of God's daughter. We command you to leave her now! Father, may she be well for Your Glory, we pray, in Jesus' precious Name. Amen. Amen. God bless you my sister. Amen. He is faithful. [Bro. Vin prays with those at the altar - Ed.]

Let us bow our hearts in His Presence. I would like to call Bro. Eddie Weston, our head Deacon, to come and pray with us to close the service. Blessed be His wonderful Name. How we want to rise up and take a real stand, standing up for the cause of the Word. Look beyond the morsel of meat, and see the future Glory and blessings that are in the Birthright, friends. Don't be like Esau, a profane person. Catch the Things that the Holy Spirit has been speaking to us, sensitizing us, waking us up, alerting us, because the enemy is like a roaring lion trying to devour whom he may.

Be vigilant in this Hour and abstain from the presence of all evil, especially around this weekend. The kind of demons on the rampage, women on the rampage, men on the rampage; the insanity that has come down and has the nation in convulsions and manifestations of that evil that will produce such pregnancies, unwanted babies, promiscuity, and sin,

over this weekend like never before, friends. May God take you, and shut you away in His Divine Presence. Amen.
