FOREWORD

This is a sermon preached by Bro. Vin A. Dayal and is published through the freewill offerings of the members of the Third Exodus Assembly.

It is intended to edify the reader and make clear the Bride-Promises of God, which were revealed through the ministry of God's Prophet-Messenger, Bro William Marrion Branham, for the Elect in this Day. It is not meant to promote any special doctrine or person, save, the Lord Jesus Christ and His Divine Word.

The original video and audio recording can be accessed through our website www.thirdexodus.org

We pray the blessing of God upon each reader and may illumination by the Spirit of God be each one's special portion.

Excerpt:

² A day of darkness and of gloominess, a day of clouds and of thick darkness.

Darkness always describes demon power in the Bible. It's a day of clouds. There are two kinds of clouds here. There are clouds of darkness, and there are clouds of light. Amen. Remember, the two main themes of Joel: the first one, The Locust Invasion – Revelation 9, the fallen star, Lucifer and a whole army of locusts. Revelation 10:1 – the outpouring of the Spirit, the great Seal, the Easter Seal. He, coming unto us as the rain because He comes clothed in a cloud. He comes with a rainbow. He comes with Thunders. Hallelujah! He's coming unto us as the rain, because that's the promise of Joel. Amen, [Page 17]

WEDNESDAY 3RD MARCH 2010

BRO. VIN A. DAYAL

*I'm casting my reasoning down
Listening for that certain sound
still, small Voice deep in my soul
To lead me where I should go
Perfect will to daily know
That unto You my works will be fulfilled*

CHORUS

*I want to go where You want me to
Send me Lord
To do the things You do
My Lord, I want to go
I want to feel Your Presence near
Perfect love casting out all fear
My Lord, I want to feel*

Oh, let Your anointing flow

Why don't we lift our hands? That's what we desire
in our lives.

*Keeping my light aglow
Midst this world of darkness sin
and shame
Oh, keep pouring Your latter rain
Keep pouring Your latter rain*

*Faith to use Your power again
That I may return to You from
whence I came*

CHORUS

*I want to go
Oh, that place prepared for me
Oh that mansion
My Theophany, My Lord
I want to go
I want to feel greater realities
Perfect love throughout eternity
My Lord, I want to feel
Oh, My Lord
I want to feel
Oh, My Lord, I want to feel
I want to feel*

Hallelujah! Praise His mighty Name. Hallelujah! Glory be to God in the highest. Thank You, Jesus. Amen. God bless you. You may have your seat. I trust that everyone is feeling fine tonight. I certainly appreciate the turnout, because...we want to be sensitive to know when the Holy Spirit is close, when He is doing something for us, something that will help us, give us victory in our lives, put us in step with what He is doing. Amen.

You know, it's been a little while I wanted to keep you up to date with our brothers in the prison. Some of the people have been asking me saying, "What about the brothers in prison?" I guess they didn't hear about them for a little while because we have been in and out. But they just wrote a couple of days ago, the first of this month, and we want to share with you how they are doing. Because these are brothers that we came to

know in a very supernatural way, and I believe God wanted this to happen because it reveals to us what God is doing even in another way, where the Word is finding Its way. And these are brother in Los Angeles, in the prison there, and to see where the Word found them.

And then in times past, speaking a little bit about what God was doing for them, we could see how closely they were able to follow what is happening inside of here, though they are in Los Angeles.

And when you hear the confession of the faith, you know, they are in prison (amen), and you know, sometimes we are here in church, we have to prop up a brother, prop up a sister, and these are believers in prison. And in California, in Arizona, in Phoenix, many places close out there, they could have brothers come in the prison and see them, but they have an identification with us that they believe is very special. And when you would think of that, it makes you realize, look how people way back there could have such a close identification, and the confession of such a clear revelation.

And these are the last couple e-mails we received from them in February and March, and it says,

“Precious brother and Pastor Vin, and all the saints of God in Trinidad and the region.”

You hear how they express themselves? Because every time they hear the Service, they know we pray for the brothers in the region because there are people in the islands with us. When we had made that DVD and sent it for them that time, saints from different places were speaking to them and encouraging them.

It says, *“God bless you richly and hello to you. Thank you so much for taking the time to write us. We are very encouraged to hear from you, and we know*

that a great responsibility is yours in this late hour, and that the ones who have eaten the Book must be very busy as they must prophesy to many.”

Said, “We never feel that you have forgotten us. We know that you are about the Father’s business. Even when you are resting it is to hide yourself so that you may show yourself.”

You know, it’s amazing how they talk back to you in your own language. But that is their way of saying, “I’m following every word.” Amen.

“So, all is well, indeed. Our identification with this Word runs deep and sometimes it’s so strange. We find ourselves amazed at how the Lord has brought us, and how He has desired to reveal Himself to us, and to show us that it’s always according to His ways, and we should only look for Him there, in His characteristics. We know that how He has led us to you all is to show this, and to keep us understanding this. [Amen.] We are not a denomination at all, but we are under leadership and recognize how He appears in this hour. I can say that because it’s my testimony.”

He says, “Recently I’ve gone back through The Grace of God That Bringeth Salvation.” [2005-0410 –Ed.].

That was one of the Messages that was preached here. And the subject, he quotes it too – The Day, The Revelation And The Grace.

“And this is a Message I always go back to. It’s like a compass to keep me pointed towards the North Star. My testimony is put into words in that Message. This has taught us how to see how He appears, and to stay with the God who hides Himself in simplicity and reveals Himself in the same.

We know the plan for the age by these things and can rest and have confidence like Peter, who emphasized that ‘we do not follow cunningly devised

fables, but a more sure Word of prophecy.’ When we let go and let God, and stay in line, this is easy to see.

We are tailor-made to fit into that part of the mystery in that very way, so when we ever get out of tune with that or drift off that we quickly remember to get back behind the duck who is led by heavenly bodies...”

He is talking about the duck, when they begin to migrate, how they navigate by the sun, the moon, and the stars.

And that teaches us to do the same. We understand Bro Paul in the Bible, because we see that his experience and our experience is the same.

We have seen the same appearing in the measure given to us in this hour, and we see the evidence from you all that it’s exactly the same. So, we press towards the mark of the high calling with this in our hearts.

It’s a great thing when God leads you to the Word. We have many friends in this Message. Many good brothers and sisters, who we communicate with, but we have one wave sheaf on a local level that we watch and expect to see more like that one in our own lives. We expect to see in all the body of Christ, but each camp has their sheaf.

We have all but one for the age, but to know that the grace of God keeps providing that to us, even on a local level, brings faith and great love in our hearts for Him who has planned every step of our lives to perfect us, and cap us, and make us a portion of the Stone Kingdom cut out without hands to manifest the smiting of Satan’s kingdom, and all his deception, lies and perversions.

I heard you say one time that the third pull is being yourself, and I’m catching a glimpse of what that means and could mean in the future.

To us, we are identified with the Cross, the resurrection, the Holy Ghost, and all it contained for every age, all the way to 1909 and 1963, and even 1973 and 1976 as well as 1981.

They are in the prison in California, but they are following because they know what happened in 1976. “Why do thoughts arise in your hearts? It’s I Myself.” And then opened He their understanding that they might understand the Scriptures. And even 1973 - coming back from Santa Cruz; as well as 1981 - June 3rd. Amen.

He says we are identified with the cross, the resurrection, the Holy Ghost, all the way to 1909, the birth of the prophet, all the way to 1963 – the opening of the Seven Seals and then we also identify with 1973, 1976 and 1981.

“Also, if God brought out The Burnt Offering and the King’s Sword in 1986...”

They even remember the year that was preached. Remember, nobody there is talking that to them, you know. As they are hearing message after message, they are putting that together. They are understanding that it is not just sermons, it’s the unfolding of something. And that’s why they are saying, “We have many friends that we could... we write in the Message,” they say...but they’re speaking about their identification.

...and if this was a junction for a people, then we cannot help but identify with 2009 – The Broken Vessel Before The Communion [2009-0506 Things That Are To Be Pt.17 –Ed.], otherwise we cannot sincerely be identified with all the rest.

God has given personal signs to show that the very things you all have walked through, though we were

not there, we were part of it, only to come into our part at this time.

He said, "Isn't that what the prophet preached in Identification? This isn't someone trying to fit in. But someone realizing that their life was planned, and that Jesus keeps all of His appointments. Even the language of it is not to sound knowledgeable, but it's the only way to define an experience. This is so true, that when you had a talk with the Church on Our Vision and Our Responsibility [2009-0824 Things That Are To Be Pt.13 -Ed.], the Lord had used you to use our experience with you as an example of what you were trying to say."

They are even conscious, just like when I was speaking on this message, just like I am doing tonight, reading their e-mail, showing what God is doing for them. And many of us here, sometimes, yet to grasp it in this way. And they are in prison. And they said...He is referring to us using their experience.

"You were trying to show the junction for the assembly. When our experience matches the place God is leading you, this brings great confidence."

He said, "This is how our hearts are knitted together with you. And this is how we love Him and you; all of you. We appreciate this great appearing of Him in this hour. And we know that if He is appearing, it is in the unveiling of Himself by the Word, and in the lives of the Bride."

That doesn't take a Ph.D. to understand it. It just takes a bit of phaneroo and some epiphaneia and some apokalupsis. For when He does these things, we know it's not to make us say, 'Ooh!' and 'aah!', and jump up and down, but to produce a revelation and show His great love wherewith He has loved us all."

He said, *“I have some pictures that I’ve been meaning to send, and I will do my best to send them off next week.*

We, of course, are very excited that you feel to send us another package, and you can be assured it will not be a waste in any way. We know that you know that, and we can never tell you how much we honor and respect the things you do for us.

We have no other motive to fellowship with you than that we may all be caught up together; in part now, but someday soon, in the fullness.

Praise the Lord. With special love for all of you, Bro David, Brian and all the other saints here.”

Amen. And the next one:

“I want to greet you in the Name of the Lord, and tell you that we are still being led and trained up by your ministry.” [This was Monday].

“And we consider the words that you are speaking and the lives that you are living, to be the Word to us, to reveal to us the great truth of God in these final hours.

It’s the very witness to us that lets us know that God never changes. And the way the Word is opening, really is the Way, the Truth, and the Life. The voice that comes from you there really is the Voice of God to us.

No matter what we go through, or how many ups and downs and no matter what we have, this or that, constantly reminds us of the unfailing realities of the Living God.

A couple days ago we had an earthquake a couple of hundred miles from us here.

A 6.5 on the coast, just west of where we are, and it really caused me to call to remembrance certain things about life and the Word and what we have. How we must stay in the place that we have been led into by all of this.

Then to see the devastation there in the Caribbean, where you all, who are our family, live... [He's speaking of Haiti.] is so eye-opening and has brought so much concern. I mean, we have no idea how it may have personally affected any of you, but I can only assume that there are friends, family, loved ones, even brothers and sisters who are affected, and it reminded us how much we care and we are concerned for you. And how strange it was that in such close proximity to where there is a true witness on the earth. There is such a shaking and such a sign of the nearness of the Lord's purpose being fulfilled.

I see the news and I must admit with all my heart, I wish I wasn't here, but wish I could go and help someone, somehow, in some way. That's the thing about being here, is that when you see something like that, you want to go to people and do something.

We shall be in sincere prayer concerning these things, and for all of you.

Our heart swells up with godly pride every time someone new comes..."

That is in their service, in the chapel, in prison.

"...and see you all on one of the DVD's, and we always feel so honored to say, "That's our church, that's our pastor. That's the Word we believe. Those are our friends and we love them. It's easy to say that without pretense, and it's easy to feel that because of how we have been trained up.

I don't say we haven't been grieved by various trials and we've been led to a place to see that man is altogether vanity. We do not drawback, however. We are being kept in Scriptural war, and we are putting off the garments of our captivity and putting on the garments of the free woman."

Those were the things preached on the Message, *From A Bondwoman To A Free Woman*. [1999-0131 From a Bondmaid To A Free Woman –Ed.]

“We knew by experience that this is not all done at once, but that the intention is to be the married wife. And that, if we hold on to our virtue in this hour, that we will be elevated in due season.

This Message, in the way it has been presented through you and the people, has become the thing that we seek to be in union with. And you are our mate in the Spirit, and we trust you, pastor, and we believe you, pastor. And we look forward to seeing what has been going on lately.

We hope that you still see us the same way, and we are believing that you do.

May the love of God prevail in all things. And know that you are our people, and your God is our God, and wherever you go, we will go. May God help our friends in Haiti, whether they be friend or foe, may His grace step in and move on all hearts to bring assistance in the measure and manner that He sees fit. Until next time.

May the Lord be your portion.

In his Love,

Bro. David and Brian and Joel and the others here who respect you greatly.

So that’s a little word from the brothers in prison, still strong in the faith.

These are some of the things that the Lord has done apart from going out to different places. Whether the Word goes through streaming, whether the Word is taken and spoken in a certain region or locality, or whether the Word is posted by DVD and book, and find its way into the prisons, but God is not letting it fall to the ground.

When Paul was in prison, he said, many had been encouraged to take a stand and to be strong, because they saw how he was standing in bonds and afflictions, being in prison. Men who thought they couldn't stand, many who were afraid to be identified with Christ, and when they saw him in prison, standing with such conviction (amen), it gave those on the outside courage. Amen.

Some of us, if we are in prison, we might be so frantic, but they have made a little cell their home. And it's a jungle inside there, but they have received a Word that has given them an immunity and it has lifted them up beyond the prison environment and caused them to walk with a purpose that there is a work that they have to do and called to do inside those walls. And so, they are testifying, they are witnessing the Word to people, they are inviting them, they are sharing the books, they are dealing with people outside.

In past emails we see the experience his mother was led to, the experience his brother who was going to Russia was led to – one of his close friends, and he wanted to share what had come his way in this season and it had the same kind of effect on his friend and the friend gave the book to somebody else also, witnessing. God certainly performs a paradox. He just knows how to do these things. When we see these things, it encourages us to press on, to speak the Word, to be true to the Word, knowing that God knows how to direct the Word.

And the same God, in the days of the prophet, knowing he had the Word in his mouth, he said, "This will find the predestinated where they are because God knows how to guide the Word." And we are seeing that, not only with them in prison, but through the

streaming, hundreds of people around the world, people constantly writing, people constantly asking for messages (amen), places where they don't have fast internet and they cannot download the Services, because there is something that is awakening them. People in the Message for years but there is a reality about the Word. Amen. There is a Light as it connects twelve hundred tapes and makes it one revelation. And people begin to understand better what has taken place and is taking place from 1965 to 2010, amen, and that's a marvelous thing.

And then, places the Lord let us travel recently, to see how God is letting the Word be increased. No promotion, no campaign to establish personality, but knowing the harvest is ripe and the laborers are few, and the time is running out and to capitalize on every opportunity and make every opportunity count for the advancement of the kingdom.

And when love projects and cannot go anymore and is beyond your ability, sovereign grace, sovereign grace comes down and takes over and produces the object (amen), that that love is working to achieve. And we thank God because He is faithful. Amen.

God is in His Word. God is in His people. Hallelujah! It's a great thing to see these things happening. It's a great warfare. Hallelujah! But you see how the Holy Spirit can release an anointing because a Seal is opened, a mystery unfolds. Just like the third Seal, it was a three-fold Mystery – justification, sanctification, and the baptism of the Holy Ghost.

Luther only caught justification, but a man named Wesley realized there was a second fold (hallelujah!) and he caught sanctification, and he went forth and he moved the church from a horse and buggy, into the

realm of a motor car; more power (amen), and people begin to be sanctified. And a crossed-eyed, negro man, the prophet said, in California, began to see it was time for the gifts, and he caught a fold and he began to preach that in a little warehouse. And the people began to see it was time for that, they began to believe it. They got in the atmosphere of it. Preaching from a little shoebox, in a dirt floor in Azusa Street, and down came the Holy Ghost. Hallelujah! Glory!

And we know the Seventh Seal has been opened, and it's a three-fold mystery, and the Prophet caught a fold and began to speak it. And under that fold, he opened up Things that was and is and is to come because the Shout opens the Bible. Even the Voice and the Trump is revealed under the Shout. But he knows he was only going to fulfill a fold of It. But God was going to raise up people to sweep that Message to the coming of the Lord, to bring it to the Voice of the Archangel.

Wait until those sons of God rise in the last days who could take the Word and hand It there – Those eagles, the Gentile eagle, and the Jewish eagles. And between that time, from 1965 until Moses and Elijah come, watch God's eagles fly. They go past the clapping of the hands, they go past the rhythm of the music, they go past the joy of the saints, and they begin to bring down things, and the Book continues to open until It's fully opened. And the Seals continue to unfold – the present-tense unfolding; even to 2001, *The Day The Towers Fell* [2001-0930 *The Day When The Towers Fell* –Ed.], when the teachers will rise, and the light of the moon will be sevenfold. Oh, thank You, Lord!

And then the war in Iraq and the laws being passed, and the taking away of the rights of the people, and

the internet, all these things that are uniting the world (amen) so Satan's Eden could come to its climax. When the Prophet was preaching, he could only see it in vision, but here today, we are walking in the reality of these things! Glory!

He knows it had to be about a web, but to visualize a World Wide Web. He said, "They are trapped in that web of the devil." But years after he is gone, we know about a World Wide Web. That's what they call it. They had no name for it, but the Prophet could see what it will be named, what they will call it. And watch the Holy Spirit, in his time, it was black and white TV, but 1989, when the communication networks began to evolve and came to a place where they fought an information war.

The first information war was in 1990 in Iraq. Amen! Glory! That's right. Because they saw the power of how they could use the media. Because in 1989, they didn't have to go into Russia and the Soviet Union, they just beamed in the images, and it stirred up such unrest, and it broke up the Soviet Union, and so many nations de-communized. And when that was happening, the Holy Spirit dropped that inspiration (amen), *The Return Of The Global Village* [1989-0910 – Ed.], *The Opening Up Of The Fourth Dimension For The Mind Age* [1989-0604 –Ed.], and began to put language and define and bring those things down when it had no language to define it. Hallelujah!

And our brother, a German engineer, read it from the book right here. Hallelujah! He said, "But this was twenty years ago when these things were being spoken." Amen.

It would be nice if sometimes people inside of here could see it. But it's the people in the prison, it's people outside of here, hearing, listening, reading,

realizing, those are not words of a man. That's right. They watch where those things hit. That's right, friends.

Oh my! When we could see how late it is. This is to show us how late it is. When you miss those things, it's because you don't know what is happening around you. Look how from the day the towers fell, the Holy Spirit come right behind that: *The Results of America's Apostasy* [2001-0916 -Ed.], *The Day The Towers Fell*, amen! Begin to bring that Word, *Evil Counsellors in the White House* [2001-1209 The Evil Counsellors Behind The White House Throne -Ed.], *Weighed in the Balances and Found Wanting* [2001-1007 -Ed.]. God began to bring the Word out.

Then, when they went to Iraq, *Predators And Their Preys* [2003-0309, 2003-0316 (Pt.1 & Pt.2) -Ed.], following those things. That's right. When the recession was breaking, the economic earthquake that caused all those big Jews on Wall Street, who were on the economic fault line, and the rich men began to howl. Amen! Glory!

When those things begin to take place, the Holy Spirit didn't fail one moment. *Power Shift* [2008-0430 -Ed.], *Economic Recession* [2008-0404 The Adopted Son And The Economic Recession -Ed.], *Genocide By Famine* [2008-0511 -Ed.], *Increasing Economic Woes* [2008-0316, 2008-0330 (Pt.1 & Pt.2) -Ed.], *I'll Keep Thee From The Hour Of Temptation* [2007-1202M -Ed.], *Because Thou Hath Kept The Word Of My Patience* [2007-1130 -Ed.], showing us God's eye is on everything that they are doing and God's Light reflects through the Bible and the Message to His Elect in the earth. Amen?

Let's stand to our feet. Take a little read quickly out of Joel. We'll try to be a little short tonight; just to lay

a little background. We only read one verse out of Chapter two on Sunday, we'll continue on in Chapter two.

I hope that you are taking some time to read and, you know, regurgitate. You have to water these seeds with your prayer and your study so you can retain it in your knowledge. You can come into a deeper fellowship because the reason and purpose we drop over into the Book of Joel are to simplify the Stars' Wars, and now we in the fourth part of Joel. Amen.

And we were speaking there, Sunday, in part 3, how the trumpet is being blown, and an alarm is sounding in Mt Zion. Amen. And so, tonight we want to continue because those locusts are loosed for destruction on the earth, that's why it is necessary for the trumpet to be blown and an alarm sounded in Mt Zion. This is the enemy coming like a flood; we have to have a standard. Amen.

Joel 2, verse 1.

¹ Blow ye the trumpet in Zion, and sound an alarm in my holy mountain. Let all the inhabitants of the land tremble; for the day of the Lord cometh, for it is nigh at hand;

Amen. In verse 15 in Chapter 1, he had made that pronouncement when he was calling on the people to sanctify a fast, call a solemn assembly. We went through that. And here, in Chapter 2, He opens and He's emphasizing the Day of the Lord cometh, for it is nigh at hand.

² A day of darkness and of gloominess, a day of clouds and of thick darkness.

Darkness always describes demon power in the Bible. It's a day of clouds. There are two kinds of clouds here. There are clouds of darkness, and there

are clouds of light. Amen. Remember, the two main themes of Joel: the first one, The Locust Invasion – Revelation 9, the fallen star, Lucifer and a whole army of locusts. Revelation 10:1 – the outpouring of the Spirit, the great Seal, the Easter Seal. He, coming unto us as the rain because He comes clothed in a cloud. He comes with a rainbow. He comes with Thunders. Hallelujah! He's coming unto us as the rain, because that's the promise of Joel. Amen,

*...and of thick darkness, as the morning
spread upon the mountains;*

Catch the reading there. The Day of the Lord cometh, but it's a time of great darkness, of gloominess; a Day of clouds and of thick darkness. When is that? As the morning spread upon the mountains. What morning is that? That's the Day that is breaking, the Day of the Lord, when it's coming from Son of God to Son of Man. When the Church Ages blackout into gross darkness, but arise and shine thy Light is come. The coming sun - It is the rising of the sun, that morning breaking, spreading upon the mountain.

*...a great people and strong [In that
hour is on the move].*

*There hath not been ever the like,
neither shall there be any more after it,
even to the years of many generations.*

³ *A fire devoureth before them, and
behind them a flame burneth; the land is
as the Garden of Eden before them, and
behind them a desolate wilderness.*

That is the destructiveness of these locusts. The land was like a Garden of Eden. The second Adam and the second Eve in union, in a sin-free Church, where no man could dare join themselves to them. But in

the dark Ages, it was the depths of Satan. Four insects—four stages of the insect ate it down. Amen. That's the picture. That's the picture.

³ A fire devoureth before them, and behind them a flame burneth;

It's like a devouring fire. And all that vegetation become the fuel that makes that flame burn even more.

The land is as the garden of Eden before them, and behind them a desolate wilderness; yea and nothing shall escape them.

Let us pray. Keep your Bibles open. Gracious Father, overshadow us with Your Divine anointing that can teach us all Things, that You will give sense to these Things and give us a clear application where it can be grasped and understood even on a personal level, knowing this is what is happening in this very hour. This is the reason that the world is in the condition that it is in. This is the reason that the church world is in the condition that it is in. This is the reason that many individuals in the framework of the Message are in the condition that they are in. So make these Things clear, we pray, and bless us all with Your Spirit. We ask it in Jesus' Name, amen.

We continue to read, I'll let you have your seat. Now, from verse 4, he is going into a description of these locusts. Amen. Now, remember, this is all pictorial language. The land was struck by this plague of locusts, and locusts in the Bible, the root of that in the Bible is the plague of locusts in the Book of Exodus. It was the ninth plague, I believe it was...the eighth plague rather, that struck the nation before the Exodus prophet took the people out.

It was an hour when the hearts of the Egyptians were being hardened and the people became unrepentant, and the land was being filled up with plagues because of the rejection of the Message of the Prophet.

God had sent a prophet to bring deliverance because the hour had come when God's people were to go back to their inheritance. And so, that is the root of this Truth. Is the first time we find something about locusts in the Bible.

And the last time you will find locusts in the Bible is in Revelation 9. And down through the Bible, like we were taking some Scriptures Friday night, out of Deuteronomy, and Psalms, and Chronicles, and here we are reading in Joel, and every time we are seeing locusts come up, we realize locust is something that there is a lot of truth surrounding the locusts in the Bible. It's not just a passing thing, it was judgments of God.

The first time we saw it, God, by a prophet in the land, who had come with two signs to confirm his commission; (amen) then we are seeing in the Book of Revelation, it's under the woe that this army is moving. It's under the trumpets, in the time when another prophet like Moses was in the land.

And we are seeing how, by the sounding of the trumpet in the Book of Joel, it's connected with a plague of locusts, and the Book of Revelation, it was with the sounding of the trumpet when the plague of locusts was loose. Amen.

So, as the Truths keep coming up, until it comes to its last reference (as I teach you so many time), the first time a Truth appears in the Bible, that's the root of the Truth. And every time it appears again, it is with the intention to further unfold that original Truth.

It will have to do with something connected to an exodus prophet, connected to the deliverance of God's people, connected to the wrath of God to those who rejected the Message of the Prophet. Is there it's going to be.

When we come to the Book of Joel it is connected with the outpouring of rain; rain that will bring restoration. Hallelujah! And so, here we are seeing, when we look at Revelation 9, with the plague of locusts being loosed, Revelation 10 is the message of restoration. It's the Elijah who will come before the great and dreadful Day of the Lord to bring the restoration. It's the Son of Man being revealed after denominational Ages are run out, then those Seven Thunders will utter their Voices, and open the Seventh-Seal Book because Seven Thunders are not revealed in the Church Ages.

When Christ was in the Church Ages, He was Son of God. In the Millennium, He will be Son of David. The last Church Age is the Laodicean Age. Amen. So, between the ending of the Church Age and the beginning of the Millennium, Son of Man is promised to be revealed between Son of God and Son of David, and Revelation 3:20 is the rejection of Christ. Hallelujah!

And here is the Son of Man being revealed. The shuck pulled back to let the grain out, and God opened the Seventh Seal Book and separated the light from the darkness – "Come out of her, my people!" God's Word calls for a total separation from all unbelief. And the Prophet comes on *Shalom* [1964-1201 -Ed.] and says, "We are in the conjunction, in the dawning of a new day." Amen.

The morning begins to spread upon the mountains. The Morning Star is here saying, "Shalom!" (1964,

January). March 27th a 9.2 earthquake almost sunk Alaska. Another Good Friday; lightnings, thunders, voices and an earthquake. The Holy Spirit, He said, "Like Moses, they reject your first and second Pulls. Now, take the rock and throw it up in the air. Mercy has been spurned. Judgment will start in the earth."

When they rejected Moses' first two signs, God said, "Take water out of the Nile, pour it on dry land." It's a judgment sign. Amen. And the Prophet was going back to the Bible to even teach us Scripturally. That Voice said, "Pick up the rock," to teach us what that means. He said, "And I heard the Words, they heard the blast. I didn't know whether to tell them. I went and prayed and said, 'Lord could I tell them?'"

He said, "You could tell them."

He said, "It spoke three words in those three blasts." It was a whirlwind of Fire. It was the same Angel Who came down with the opened Book to the Message angel, to blow the Trumpet in Zion.

Over here, again on Sunset Mountain, "Go back up there." Hallelujah! And this time it was to the Vial angel. "Judgment will start in the earth!" Amen. Because he is that Vial angel. And he threw it up in the air, and that started the whirlwind coming down. He didn't decide to do that, he was instructed. It said, "Take this rock, throw it up. This will start the judgment." And the God Himself came down and made the blasts, three blasts, and it went westward, and Alaska almost sunk. And God chose Good Friday to do it. He said, "He's been crucified again, the second time." Amen!

It was a prophet in the office of a prophet, the Elijah who is to come before the great and dreadful Day of the Lord. The Day of the Lord is a great and dreadful

Day. It's a day of clouds, darkness, gloominess, the wrath of God, and Elijah was to come before that Day.

Did Elijah come before that Day? Hallelujah! That's right! Did Elijah draw the Seven Church Ages on the wall? And that same One Who opened the seven seals was the One who told him, "This is historical; the first Catholic president. Go to the Book of Revelation." He drew that by vision, then God came down and drew it over; over four hundred eyewitnesses. Then, the same God who gave the vision to draw it in the tabernacle, Who came and wrote it over in the tabernacle, went and drew it exactly in the heavens with the eclipse, when the pope went to Jerusalem.

First pope ever, to go to Jerusalem; the ancient enemy of the Church, going to the ancient seat of the Church. And when that happened in 1963, December 29th, he comes January, "My New Year's Message" and preached *Shalom* – the darkest time is just before dawn. Because a few days before, when the pope did that, and the seventh eclipse of the moon was in total blackout, he said, "That's Revelation 3: 20."

In other words, He took the sign from the first Bible and tied it to the third Bible. Even 1962 December, when he came out of the vision with those Seven Angels, he was reading. He said, "I came out and I was reading Romans 9, where the Jews stumbled and rejected the Headstone because they were prophesied to be blind. And he was the Messenger of the Laodicean Age, and the rebuke had to come out of his mouth and tell them that they are blind, because he was the eyes, he was the seer and the Light came to him and he identified them, and he preached *The Church and Its Condition* [1956-0805 -Ed.], and he showed those Pentecostals that Delilah was upon them and they became blind. They lost the eyes.

That 'Delilah influence' made them reject the eyes. It was because of the Catholics, they made the Pentecostals—David duPlessis, Demos Shakarian, they were carrying the Church into Babylon. It made them reject the eyes – that Delilah. You understanding?

And that what took place there, it was Lucifer, leading this Age in rebellion against Christ, just like he did in Heaven. And the same way Michael cast Lucifer out of Heaven, Lucifer and his angels cast Christ out of the Church! And that was the blacking out of the sunlight, to throw the moon into darkness. But it was the locusts that came out of the pit that darken the sun, that darken the sun.

And that's what I have been trying to bring to you before I came to Joel, because I am preaching but I know something is missing. Like you're not getting what I am saying. You will realize how long Satan has control of the whole world and the Church.

You see, when you are only quoting Scripture without revelation, you will be looking for things in the world, and you will be living under a delusion. Because the world and the *church of the world*, which is the *World Council of Churches*, they have rejected Christ. And the world is already being filled up with judgments because this is the time of amateur tribulation; not great tribulation, amateur tribulation! Because your fifth and sixth Trumpets are amateur tribulation. And the climax of those demons is to shut down here and bring you to a place, you *have* to decide!

God is trying to get you to decide by showing you the Word. They will hold your job, they will hold your bread and butter, they will hold your lights and water. They will hold your house and your land, and except you don't take the mark of the beast you can't do a

thing. And that is the decision they are going to bring you to. Otherwise, we will be outlaws, and to try to gather people and have Service, and do these things, it will be imprisonment. Because they will identify these Message churches as cults in society, because it is demon power, it's not people.

The people have given themselves to the demon. The same way the Elect has given themselves to the Holy Ghost, and the same way the Holy Ghost wants to come in and incarnate in the Bride, not just hang above them, it's the same way those demons are pressing their way into flesh. And right now is the deceiving time, and that's about finished. Because they have the world deceived and they have the foolish virgin confused, but the Elect, She has his scheme uncovered. Whether he moves in politics, or religion, or finance, the Word uncovers him every time. That's right!

Why? The Thunders were to wake up the Bride, to sensitize a people. Why? Because the Devil had them so asleep that the Presence of God was unrecognized. God was misunderstood. The church-world said, "Who is this?" They thought it was William Branham but it was *the* Son of Man being revealed in human flesh, like Genesis 18.

And when you see the kind of laws being passed, and when you see what's happening in the realm of education and science and politics and religion, when you see what the white horse is doing, and the red horse is doing, and the black horse is doing, and the pale horse is doing, and when you understand the information Age and the virtual world, then you understand how a world is under a strong delusion, believing the lie. If they were believing the Truth they would have all been in the Message.

But after you heard the Gospel of your salvation, after you heard the Word of Truth, you were sealed with the Holy Spirit of promise, which is the earnest of your inheritance, until the redemption of the purchased possession. Amen!

There is a people who heard the Word of Truth when Seven Seals opened, and out of the mouth of the true Prophet came Seven Thunders, because Matthew 24:24 is a lying spirit and Revelation 16:13 is three unclean spirits like frogs coming out of the mouth of the false prophet! That's right! And Micaiah, with a Seven-Seal vision, the fivefold ministry in this hour, is saying what Elijah said. Because the Bride, under her Messenger, is that final Voice! Oh, Hallelujah!

That's why you need discernment. That's why, if you're not affected by the Holy Spirit, your mind is still in darkness. So you're still trying to walk in five senses and figure out with human reasoning. That's why Ephesians 1:15-23, what does it say? Pray, that the Spirit of wisdom and revelation in the knowledge of Jesus Christ, that the eyes of your understanding being enlightened... What does Ephesians 5:17-22 say? Amen. That you walk circumspectly, not as fools, but as wise, redeeming the time, knowing the days are evil. That's right! Because the sign of the end – “Sirs is this blast and seven Angels in the form of a pyramid, is that that Seventh Seal?” The Rapture is a revelation *only* for the Father's spiritual genes.

The Holy Ghost has come down, the Quickening Power to quicken and make alive *these* who are foreordained of God to go in the Rapture in this hour; moving across the earth, quickening the seeds in His path! And that Light, in 1973, moved through the Caribbean and began to quicken, and when that quickening took place, then opened He their

understanding, that they might understand the Scriptures.

I say that is so because that has never stopped! And many things that came, before and after, I see where they are today, I see where they went! Yes! That's nothing but the truth! And you tell me if all hell didn't come against this? All kinds of lying spirits start to fight It. You tell me if it has cooperation in this country! And you inside of here know I don't preach against these people. I don't say anything against them.

I preach the Bible for you, to teach you, to raise you up in the Faith! And it's 'line upon line, precept upon precept, here a little and there a little', making Jesus Christ the same yesterday, and today, and forever. Keeping you in remembrance what was said by a Prophet! Hallelujah! Glory! Oh, thank You, Lord! Yes! Blow the Trumpet in Zion, sound an alarm in My holy Mountain!

This Trumpet in Zion is Gospel Trumpet because, under the political disturbance, we saw when the locusts were loosed. Because why? Down came the Angel with the opened Book. Is that right? And He revealed everything, up to that Seventh Seal. Is that right? He said, "This will not be spoken in public but don't try to interpret anything.

You know why? Every Elect is built with a receiving set. Every Elect has a theophany beyond the curtain, and the Holy Ghost, the sealing Angel, will move through Heavenly Jerusalem, the City of the Living God, foursquare on the earth. They know every delegate, every member of the Body, because that City was built by the Maker, Whose Builder and Maker is God Himself. And He knows the ones He built the City with – lively stones. And you are a lively stone. That's

why He found you, that's why He bought you, that's why He cut you, cement you into the Body and you grow up into a holy temple, a habitation for the Spirit of God. You're built upon the apostles and prophets' doctrine, Jesus Christ Himself is the Chief Cornerstone. He is your Foundation Stone, He is your Headstone. It is He Himself! Oh, thank You, Lord!

My, the place looks smokey from here. Hallelujah! Glory be to God! No wonder the devils fought you the way he fought you. No wonder he comes against you so hard! No wonder he offers you all kinds of things. No wonder he bombards your mind so much! No wonder he tried to kill you physically, but God didn't give him the chance! God was your shield! Hallelujah! Not one hair of your head shall be hurt because no man is able to pluck you out of His hand! Oh, thank You, Lord! You are His! The Seal of God standeth sure; the Lord knoweth them that are His! The Lord knoweth them that are His! The Lord knoweth them that are His! Yes! My!

Oh, thank You, Lord. Glory be to God! Oh, hallelujah! I'm watching the clock here. It's already a quarter past nine. My time is up. Let's stand. Let the musicians come, because we're going to have Friday, Saturday and Sunday. Amen. And don't be afraid, Sunday we're coming back in the afternoon, so you get time to relax. You could eat a nice lunch home and come out in the evening, strengthened and fresh. Hallelujah! Do you love Him, tonight? Isn't He wonderful? Oh, my!

It was a Garden of Eden just like in the Garden of Eden, the first Adam and the first Eve in Divine Love, in union with God. Nothing could dare join themselves to them. But after a while, Eve became relaxed. She was aimed at perfection. She was aimed

at the promise, that the Spoken Word will bring the super race, but she got relaxed in the testing time. And the white horse rider, the Serpent, as the Serpent beguiled Eve, so do these come... Satan transformed his angels as ministers of light; that's what Paul said, showing what was happening in the second Eden, in the Church with Christ and His Bride.

That's what he said. He said, Christ and the Bride were like it was with Adam and Eve in Eden. And for a time, it was in perfection, nothing could get close to them. But, just like in Eden, one day, the king of the locusts, the fallen star, who was cast down to the earth, began to make a move. He had come up from the sides of the pit and he began to walk in the Eden of God, and he went to Adam's Bride. That's right. And after—before him, it was a Garden of Eden. After the locusts went through there, it was a wilderness.

And for six thousand years, look what it is. Could you call this a Garden of Eden, the way God made it? No, this is Satan's Eden. What is that? Hell on the earth. This world is a wilderness, but we are ready for deliverance. Lord, I've never been this homesick before. Hallelujah!

I see a Door open in Heaven. I hear a Voice saying, "Come up hither," at the end of the Church Age, as John was caught up, a type of the Rapture. Hallelujah! Oh, thank You, Lord.

He ate down Eve's leaves. He got at her bark. He began to take down her fruit one by one. When he was finished with her, she was a deceived church, sown with Serpent seed: a murderer, a liar, a false worshipper, a child of the Devil, one who is to be marked and separated was being formed in her womb.

What is the church today? Everyone in denomination has the name in their forehead, the

name of the beast, and they have the mark in their hand. They are born through the womb of a deceived church who rejected the Truth because she had a love for the lie, because she wanted a sensation, because she got that spirit of adultery upon her and she received the wrong pregation. She got pregated with the lie – “You shall not surely die.” And then she came to Adam as that woman, Jezebel, not in subjection but trying to teach, and usurping authority, and want to bring a super race by sex.

That’s the condition of the church today. It’s a wilderness. But there’s an Eden. There’s a people under the baptism of the Holy Ghost and Fire in the eight Day, putting on their Eden beauty. That Alpha and Omega is the same. Oh my! A portion of the harvest that couldn’t be destroyed, because that Messenger, the

head-planter said, “I planted for a super race. I didn’t hybrid the white horse with the black mare. I kept my seeds original.

But those other men went out, and for money, women and popularity,” he said, “I turned back a million and a half dollars. Even when I went in the Vatican, they said, ‘We have to cut the cuff of your pants. You can’t turn you back on him when you go in there.’”

He says, “Okay, fine, all that is okay. I don’t mind that. Every religion has their own statues. I sat with Jains and Buddhists and Hindus. I could do this.”

“Yes, but that isn’t the real thing, yet. Then you’re going to kneel before him and kiss the ring.”

He said, “Forget that. I worship God, alone.” He walked out.

Then them Pentecostal men say, “Don’t mention the water baptism. Don’t preach against bob hair and paint face and tight dress. We’ll win the nations.”

He said, “Right there I saw the devil talking.” He said, “I would only preach what the Angel says. I’m not servants of you all, I am servant to Him!” Hallelujah! Glory!

What a thing, friends. Let that Spirit come upon us. Let that Spirit come upon us. Let God take the Spirit of Elijah and put it on Elisha – the anointing and have the robe. That’s Christ and the Church. That’s a Mystery of Christ and the Church – Elijah and Elisha. Hallelujah! Glory be to God! What a time.

I’m looking for a great time over this weekend. Let’s pray and look for it. Amen. Let’s believe with all our hearts. We get what we expect! Amen. Glory be to God in the Highest!

Can’t you see why I’m so happy? Let’s worship Him a little bit before we leave. You enjoying this Book of Joel? Notice, we haven’t gotten anywhere, yet. We get through Chapter 1, but the real fireworks would start when we get to Chapters two and three. And let me tell you, don’t expect us to finish that over this weekend. We might just get part of Chapter two, this weekend, because we have to go to Exodus, we have to go back to Revelation. Then we have to go down through the types in the Bible, so you can see what these things are.

And remember, this is Stars’ Wars. This is ministry of angels and demonology. This is faith and wisdom. This is the greatest battle ever fought. This is life and death in the final struggle. This is Michael and Lucifer on the battlegrounds, again. Hallelujah!

Can’t you see...?

I can tell you have Oil and Wine tonight. A paradox is taking place in your life. Some Rain is coming down.

...the Word of the Lord

The revealed Word that was spoken

Oh, by the Prophet

...of Malachi 4

Oh, lift your hand, lift your voices all over the building, wherever you are.

Can't you see...

That is our testimony.

...I'm so happy [Hallelujah!]

For I have accepted

...the Word of the Lord

Oh, the revealed Word

...Word that was spoken

By the prophet...

He said I will pour out My Spirit upon My sons and upon My daughters. Let me hear those daughters of Zion sing. Amen. Rejoice, you daughters of Zion! Hallelujah!

Let Him fill you up tonight, amen. Open your heart. Oh, just worship the Lamb. Amen. No locusts are going to come on your tree; no palmerworm, no cankerworm, no caterpillar. God has preserved a harvest for Himself. You press into that promise. You hang in there. Lay aside everything, and watch it make manifest. Hallelujah!

Oh, come on brothers.

Can't you see...

Hallelujah! Hallelujah! Oh, praise our God. Amen.

...of the Lord

...revealed Word that was spoken

These divinely revealed Mystery Truths are what will literally turn the hearts of the children back to the

faith of the fathers. Oh, altogether with one voice. Amen. Hallelujah! Let it go up to the King. Amen. Let Him know we have joy. It's not cut off from Him. He said, "Hurt not the Oil and the Wine."

...so happy

Hallelujah!

I've accepted the Word of the Lord

...of the Lord

Thank You, Lord. Hallelujah!

...Word that was spoken

Oh, by the Prophet

Oh, that sounds so wonderful tonight.

One more time. Can't you see?

Hallelujah! Praise our God! We Love You, Lord. We worship You, tonight, Lamb of God. We lift up Your mighty Name, tonight. What a mighty God You are! Hallelujah! The world has rejected You, but Lord, we are taking our stand with You tonight. You are our rejected King. We love You, tonight.

By the Prophet of Malachi 4

Oh my, every head bowed. We want to ask Bro Vishnu to come. Amen. Hallelujah! Glory be to God! Hallelujah! Hallelujah! Let's just unite. We have a request for prayer for one that is sick, also. So, let's just pull that faith together as our brother would pray, and stand behind him. Together let our prayer and our faith go up. This deliverance could come, also.

[Bro Vishnu Bedassie prays. -Ed.]

Amen. Could we say, "Praise the Lord", amen? Hallelujah! Hallelujah! Thank you, Lord. Praise His mighty Name. Glory be to God! Amen.

Greet each other and have your seat. I want to ask the saints who sing *My faith in Him will take us out of here*, amen. Hallelujah! Glory be to God in the highest!

Certainly, been enjoying God's Presence in the Meetings. His wonderful, marvelous grace. The labors of our Bro. Atri in the back. Amen. Hallelujah! Amen. When you learn to fly in these kinds of conditions, it's really something, amen. And you don't have to worry, because there is a Spanish version and there is an English version. So, all those in the Latin-American countries, they will be hearing the Spanish louder than the English. That is great, by God's grace. Hallelujah! Praise His mighty Name. Glory!

[Sis Elizabeth Bishop and sisters sing: #1043 My Faith In Him - Songs That Live -Ed.]

Oh, let's give Him a hand of praise. Amen. Hallelujah! What a promise! Amen. Hallelujah! Glory be to God! Oh, thank You, Lord. And into His Presence angels will carry me.

I just wanted to give you a little announcement before we leave, because at present we already have things in the pipeline. We are trying to have the Convention in Tobago, this year. And we are close at this present time to obtaining a venue, so it's going to be a wonderful change. So, you pray that the Lord will provide that little place for us, so you won't have to be burdened down this year, trying to make a lot of arrangements for people to come by you.

We all can make our way to Tobago. Carry your cars on the boat. You all can stay in one area nearby and all the saints throughout the region, and the extended region, and to different parts of the world is in anticipation of coming.

We have such a better advantage. We saw the achievement of the convention last year when we were able to have the ministers stay in one place, travel together, eat together, fellowship together. Since that, that has sort of sent waves throughout the region

because all these ministers who didn't know one another before, in a close way, became connected. It's very beautiful to see when they come together.

Since that time different ones have traveled to different places and preached, because we so desire to see if we can do something to help bring the body of Jesus Christ closer together. And you know, one of the handicaps we had, knowing we had morning Services and evening Services, each day, and we had sometimes, we had to leave here to get back to where they were staying in South, and they had to journey back in the evening for the evening Service and then some late hours after we had our program here, on the land.

Sometimes we were leaving here 2:30 in the morning to get back down there and then get up early in the morning get back up here. But when we consider having it in Tobago, no matter which side you go, you are no more than ten minutes drive, either side.

And then everybody could be housed and kept together; you don't have some of the saints down in Diego Martin, and some in Rio Claro and some down in deep south. Everybody will just be all around. And it will be...You know, Tobago is a little slower place, a little more relaxed, and then its vacation time, so we get the opportunity to have good fellowship, because we know it's going to take this to even strengthen the bonds of friendship and fellowship and bring greater unity.

So, we are believing the Lord to have the venue, because it is vacation time and it will be available, and it will be suitable for the Meetings we would have and then we all will be just staying in the nearby vicinity. So, it gives us many options. All that we have to carry we could carry. Then we have to load up a truck with

the equipment and everything and just move it over there. Amen. And I am sure it's going to be a great time for you all. Amen.

So, pray about it, that the Lord will give us this opportunity, because in an event like the Convention, it gives us more options in an environment like that, than being here. Things could start on time; nobody will be too late. After a couple days nobody will be too tired. No long set of traveling back and forth so many times for the day. And then after the Convention, especially for the visitors to have a little relaxed time, and so, if the Lord allows us to do that, it will be great. Amen?

So, the church of itself, that has been hosting all these things, all the big cooks, day and night, they won't have to go through all that, because we won't have the big, massive catering. Instead of putting all the money towards food, it will help us bring some more of the ministers who are not able to come on their own. Because of the lateness of the hour, we know what the fellowship and the unity can do. Amen.

So, we have tried in the past to help some of the brothers from Panama and Peru and different places, so that means, you know, you going home with your car, you just put your own foodstuff in your car, and where you stay you can eat how you want to eat. If you want ham, lamb, and jam, you can have ham, lamb, and jam. If you want to eat light, you know, you have your options. If you feel you want to eat a certain thing, a certain time, you could provide that for yourself. Amen.

So, we are going to give a greater layout as to what we want to do as things begin to materialize, and we will be able to tell you, okay, this is now the definite

way we are going, because there are so many people looking forward to come to the Convention.

Some are already calling. They want to know the dates, and the dates for the Convention is August 5th – 8th. That is like the days, but you know, we normally get in on the Wednesday, which is the day before the Meetings begin, which would be the 4th. So, you know the days from early, so you can begin, some of you, who can get things more suited to you, having this knowledge in advance.

And you who have connections could begin to seek out your accommodations that could be convenient to you, and just have things that you could just move into it very quickly.

But let's come over this weekend, and Friday we start at 7:00 pm. We want to be on time. You know how the Meetings go. We are going to have quite a lot of people, not just locally here, but even on the internet that would be there, some in different time zones. So, that's why it is always beneficial when we, where the live part is taking place, can be on time. Amen.

And, you know, the Meeting is advertised on the website, and so, do your best by God's grace. Be here on time Friday. Saturday will be 6:30 pm and Sunday would be 2:30 in the evening. Amen. So, we have three services over the weekend. So, I give you the chance to not be too tired, that you have to get up early to come back Sunday morning, and so, you could have that in the afternoon. So, we can be fresh and put our best into it, by God's grace.

So, God bless you. The Lord take you home safely, as our Bro. Greene comes.

Excerpt:

We don't have to try and figure it out. The Evening Message uncovered the schemes of the enemy. That's why a lot of people are running around blind and they don't know what they are looking for. So they are inventing all kinds of things from their imagination because they can't see the Word being fulfilled. They're reading the messages but everything is from 1946 to 1965, so they don't know what is happening in 2010. That's right.

They know the Word by what happened, but they don't know the Word by what is happening because it takes Eternal Life to know the Word by what is happening. It takes Quickening Power to quicken your mind to your promise, quicken your life to your Age, put you in the rhythm of the Symphony, put you in the continuity of the Bible, then the modern events are made clear. Then you walk in a world of Perfect Faith because you're raised out of the humanistic realm, into the realm of revelation and vision because the Word is happening in you. You're not in the Message; no, the Message is in you. You are the interpretation. You're walking in *that* kind of reality. It's not human wisdom; not some man's imagination. That's right. [Page 27]

TRINIDAD
FRIDAY 5TH MARCH 2010

BRO. VIN A. DAYAL

CHORUS

*Something is breaking
Between mortal and immortal
The Son's coming up
Removing the darkness of night
The key's being given, opening dimensions
Life and immortality is coming to light*

*A seal breaks open...
A seal breaks open
A man caught a vision
Heard the voice of a prophet
saying, "sail on, sail on"
And just like Abraham
He's in search of another land
The unseen is now being made visible
As dove leads eagle*

CHORUS

*Something is breaking
Between mortal and immortal
The Son's coming up
Removing the darkness of night
The key's being given, opening dimensions
Life and immortality is coming to light.
When crisis arises...
The world gets in birth pains*

*They see the need to move forward
Oh, and then the anointing...
... and then the anointing falls upon the vessel
Who has been ordained
To lift us up on a higher plane.*

CHORUS

*Something is breaking... [oh God]
... coming up
Removing the darkness of night
The key's being given, opening dimensions
Life and immortality is coming to light.*

[Amen] Through each unfolding,.. I believe we are in one right now.

*...a way is opening
Spiritual scientists working by
laws to achieve this rapturing faith
Thru secret passages...
Seven steps up the pyramid
Where we'll run through death
Leap over into supernatural realms.*

CHORUS

*Something is breaking,
Hallelujah! Break, Lord, break It open tonight.
... coming up,
Removing the darkness of night
The key's being given, opening dimensions
Life and immortality is coming to light.*

[Amen] Something is breaking...

Oh, the Son's coming up...

Let it rise in every heart tonight, Lord.

... darkness of night

After this mountain, Eternity sets in,

Oh, and that's the real world... That's not a virtual world, that's the real world!

...we are gonna to live in

Hallelujah! Glory be to God! Hallelujah! After this mountain Eternity sets in. Oh, we've come to the Summit of that Seventh Peak. Hallelujah! There was not another mountain after that one. It was desert all the way. He said, "Time runs out on that Seventh Mountain and Eternity sets in."

The door of the Ark swung shut on that seventh peak. Amen. Noah couldn't open that door but he had a window he could open. He could loose that dove, that messenger that went out at evening time. Hallelujah! It came back with testimony, with evidence, with the earnest of the new world. Hallelujah! Noah pulled that dove into his bosom on that seventh peak, (hallelujah) where the light from the new world was shining in, to those Eagles who were shut up in that Ark. Oh, blessed be His wonderful Name.

Father, we thank You tonight for this great glorious vision that has dawned upon us, oh God, to cause us to lift our eyes to another Horizon, to see the Light breaking between mortal and immortality. That's what Your Prophet said as the pressing coming of that great Light, not yesterday's Light but the Light of the New Day that was coming on, driving the darkness of the past Day back to make all things new.

And Lord Jesus, as we have gathered in Your house tonight, coming in anticipation that You would meet with us because You promised to do it, Lord. And in our hearts, we know the importance of a meeting with You. We know the potential that lays in a meeting with You, Lord. Eternal things can take place, lives can be changed, chains can be broken, deliverance can be wrought; people can go back out different. Those who came in hungry could go back out filled. Those who came in sick can go back out healed. Those who've come in looking for a closer walk, Lord, God, struggling, battling, oh God, can find victory

tonight like Jacob found at Peniel, at daybreak when that Angel descended. He stood there that evening as a Jacob, in fear, in a crisis, but at daybreak, he crossed over as an Israel walking different, one who prevailed with God. Hallelujah!

So we believe, Father, even as we are gathered here this evening, offering up our prayers to You, offering up our praise, our thanksgiving unto You, (oh, blessed be Your wonderful Name) You said ask that our joys may be full. We do not want to ask sparingly. We want to search ourselves, dear God; Lord, God, make a survey, examine ourselves in the Light of the Word, see the places where we are weak, see the places where we are needy and ask with faith, expecting to receive and even believing that we have received what we asked for, knowing that You have blessed us with all spiritual blessings in Heavenly Places in Christ Jesus. And You said when we stand praying, believe that we have received what we asked for and we shall have it.

So we ask tonight with confidence, with faith, (hallelujah!) that Your promises are “yea and amen.” And You stand present, the God of the ‘Amen’, the God of Finality, the God of the Unfailing Promise, oh God, Who stands ready to minister the blessing, to make it a reality, to make it personalized in our hearts and lives, to show, dear God that You mean what You say. It is impossible for You to lie; there is nothing impossible with God. There is nothing too hard for God. May You judge us faithful tonight as we judge You faithful also. Hallelujah! Great is Your faithfulness.

May You send the Dunamis. Send down the Former Rain and the Latter Rain, the Mechanics and the Dynamics together as You promised, Father. You said there shall be Showers of blessing. Oh God, we could do with a Shower tonight. Hallelujah. May You fill every hungry heart in this place, throughout this region, across the face of the earth (hallelujah!) for we

come untied in faith. You said: *If two shall agree as upon touching anything, it shall be done. What we bind on earth is bound in Heaven and what we loose on earth is loosed in Heaven.* Oh God, let there not be a feeble one. Let there not be an unanswered prayer. Give faith sufficient that everyone might be blessed and filled, Lord.

Remember our brothers in St. Lucia with the church there tonight, looking in dear God, may You pour out a blessing among the people and all throughout this region, Father. Lord, there is no distance in prayer and You see the faith of Your people always. Let that faith touch You, our great High Priest, the All-sufficient One, the One Who gave the promise, the One Who is able to perform what He has spoken. We do not look at circumstances. We look beyond our symptoms. Symptoms are lying vanities. We would not forsake our mercies by observing lying vanities. But we look at Your faithfulness and we confess Your promises are “yea and amen”.

May You break the Bread of Life tonight. Send It down, Lord. May It be multiplied. May You be made known in the breaking. May every heart be filled and satisfied. Let It be so multiplied tonight, we would all have something extra to go with. May there be such a unity between speaker, interpreter, and hearers. Grant it, Lord. For the glory of God, we pray and we ask these blessings in the Almighty and All-sufficient Name of our Lord Jesus Christ. Amen.

Praise His mighty Name. Glory be to God! Are you happy tonight? Praise His wonderful Name. I'd like to invite your attention to the Book of Joel, Chapter 2. I just trust by God's grace we can get past the couple verses where we were kind of stuck on. We just had one verse Sunday and then verses 2 and 3 on Wednesday. Amen. The Holy Spirit is being so gracious to multiply the Word in such a way to us. Amen.

So, we want to keep our title “**STARS’ WARS**”. This is our subject “**The Book of Joel**” and this is Part 5. And for a sub-title, I want to use “**The Ministry of Angels and Understanding Demonology**”. I’m going to keep that sub-title for the three services because we certainly want to look to the Unseen. That is where the influence behind everything that we can see; either you’re anointed from Above or you’re anointed from beneath. And in the stream of humans, you just reflecting; if you have a theophany Above, you reflect that. If you don’t have anything there, you reflect from beneath. Amen. So what a time we are in!

Joel Chapter 2, verse 1:

¹ Blow ye the trumpet in Zion, and sound an alarm in my holy mountain: let all the inhabitants of the land tremble: for the day of the Lord cometh, for it is nigh at hand:

² A day of darkness, and of gloominess, a day of clouds and of thick darkness, as the morning spread upon the mountain...

That’s the Day of the Lord that is breaking. Amen. And it’s the dawning time. Amen. And so all the darkness is being pushed to one side and the light on the other side.

...a great people and a strong: there had not been ever the like, neither shall be anymore after it, even to the years of many generations.

³ A fire devoureth before them; and behind them a flame burneth: the land is as the garden of Eden before them, and behind them a desolate wilderness. Yea and nothing shall escape them.

⁴ The appearance of them is as the appearance of horses.

We already went through that it’s a locust invasion in Chapter 1. But now Joel is describing the appearance of this great army.

...and as horsemen so shall they run.

⁵ Like the noise of chariots on the tops of the mountains shall they leap, like the noise of a flame of fire that devoureth the stubble, as a strong people set in battle array.

Amen. This army of supernatural devils mobilized for war, mobilized for destruction, they're set in battle array. Before them, the land is like a garden of Eden but when they passed through the land, behind them it is like a desolate wilderness, amen. The Church was a sin-free Church. Sin couldn't stand among the people; they had Perfect Love. It was so great, they had resurrections, healings, amen. They had a fivefold Ministry. They had nine gifts of the Spirit. They had nine fruits of the Spirit. But by the time it got to the Thyatiran Age after those four stages of that insect ate it down, it was like a wilderness. They were in the depths of Satan.

The condition of that great glorious Church was changed, amen. All the doctrine of the Word was changed for titles. They changed their names for titles. They put Popes, Bishops and Cardinals, (amen!) and they had a Nicolaitian system. The Church was so destroyed by those four death messengers that ate it down to that condition. Look at the condition of the Laodicean Age: they put Christ on the outside of the church. Amen. They are blind, wretched, naked, miserable and don't know it.

Every denomination, every tree that you look at, it has locusts all over it. You can't find fruit. Amen. You can't find the original doctrine, the bark is gone. You see the Church in its condition, but there is a portion of the Harvest that God has preserved for Himself that there is to be a restoration, that there was an Evening Messenger who sowed for a Super Race, a Super Church. Amen. That True Church is being restored under four Life messengers. Hallelujah!

It is a great battle (amen) but we see it here, it is described for us. Verse 6:

⁶ Before their face the people shall be much pained: all faces shall gather blackness.

⁷ They shall run like mighty men; they shall climb the wall like men of war;...

He's describing these locusts. They're moving in rank and file. They don't fly all about, they fly together like a great army set in battle array. Hallelujah!

...and they shall march everyone on his ways and they shall not break their ranks:

⁸ Neither shall one thrust another; they shall walk everyone in his path: and when they fall upon the sword, they shall not be wounded.

⁹ They shall run to and fro in the city; they shall run upon the wall, they shall climb up upon the houses; they shall enter in at the windows.

Through the eye gate, through the ear gate, they'll come into the houses. The city, the wall, the houses, the windows; he's describing how these locusts will move until they enter into the dwelling places. They'll eat down everything. Amen. Hallelujah! Because Hebrews 12 tells us, verses 22 to 24 that Mt. Zion, the City of the living God, Heavenly Jerusalem is a spiritual City. It's the Bride, the Lamb's Wife.

Blow the trumpet in Zion. Amen! He's talking about the field and the city. Hallelujah! They'll eat up everything in the field. They'll get in the city. They'll get in the houses. Amen. Babylon is a city. Jerusalem is a City. That's right. The Book of Revelation ends up with two cities, two systems: Lucifer is the head of one and Michael is the Head of the other. Amen, hallelujah, glory.

¹⁰ The earth shall quake before them; the heavens shall tremble... [Both Heaven and

earth will be shaken.] ... *the sun and the moon shall be dark, and the stars shall withdraw their shining.*

Are you catching the picture in the reading? The sun, the moon, the stars, the city, the wall, the houses, (amen) because the Church, Heavenly Places is like the sun, the moon, and the stars. Christ is the sun, the Bride is the moon, the stars are the Seed of God. He had Seven Stars in His right hand, those who could not be pulled down by Lucifer's tale. Amen. Then there are many that are going to fall because they have no representation of Eternal Life. You know that. Lucifer doesn't have Eternal Life; that's why they couldn't be redeemed, that one-third part of the stars. God didn't try to redeem them because they never had Eternal Life, to begin with. But when Adam and Eve fell, God made a way to redeem them. Amen.

¹⁰ ... *and the stars shall withdraw their shining.*

You know when the sun and moon become dark and the stars don't shine, the earth is in total blackness. You understand? The reason there is Light on the earth tonight, God has some stars set in their courses. Hallelujah! God has some real witnesses because this Morning is breaking and the Morning Star comes out to say good morning.

¹¹ *And the Lord shall utter his voice before his army.*

Now, verse 11 we've come to a conjunction here, 'And'. After the description of this army that is going forth, now we've come to a conjunction. A conjunction is what joins two sentences together. The Lord shall utter His Voice before His Army because while that group is riding there is another group riding. Amen. You better believe it. Because when Revelation 9:1 came down and he had two hundred million locusts with him, Revelation 10:1 descended and He has a little group with Him and they are called and chosen and faithful. Amen. It's a battle; wisdom vs. faith -

God vs. Satan, the greatest battle ever fought; the mind wars in the Mind Age. Hallelujah! Glory!

...for he is strong that executeth his word...

That other group is strong, but this One is strong.

...executeth his Word: for the day of the Lord is great and very terrible and who can abide it?

May the Lord bless the reading of His Word. You may have your seats. Praise His mighty Name. It's a great thing, this Book of Joel. I want to tie this with Revelation and we have gone through it a few times in the past, but in this season with THE STARS' WARS, it brings us back here and so we certainly want to recognize these things. Amen. It's a great thing for us to see the Hour we are living in.

So we want to move on a little, quickly. I want to drop over in the Book of Revelation to take a little reading also. So if I could get you to see the shadow and the substance, then you can understand a little more clearly and you can catch the spiritual application. Amen.

Revelation 8:13:

¹³ And I beheld, and heard an angel flying through the midst of heaven, saying with a loud voice, Woe, woe, woe, to the inhabitants of the earth by reason of the other voices of the trumpet, of the three angels, which are yet to sound.

This verse links the first four Trumpets with the last three Trumpets. The first four Trumpets show the destruction of one-third part of the earth, but the last three Trumpets is connected to the inhabitants of the earth. Amen. So this is very instructive.

Now, Chapter 9:

¹ And the fifth angel sounded, and I saw a star fall from heaven unto the earth: and to him was given the key of the bottomless pit.

Now, we are already told that there are three woes connected to the sounding of the last three Trumpets which are yet to sound, which are the Fifth, Sixth, and Seventh Trumpets. So now, we see the fifth Angel sounding. That means the first woe is coming with the sounding of this Fifth Trumpet. An alarm is being sounded by the Trumpet Angel. Trumpet speaks of war, a political disturbance on the earth. So there is a woe that is coming with this Trumpet that is sounding. It means there will be a disturbance in the political realm with the sounding of that Trumpet. It means that connected with those wars, it will be connected to this star that has fallen from Heaven unto the earth. And the key that he has to open the bottomless pit, it means there will be distress upon the nations because “Woe, woe, woe” to the inhabitants on the earth. Amen.

...and to him was given the key of the bottomless pit.

² And he opened the bottomless pit; and there arose a smoke out of the pit, as the smoke of a great furnace; and the sun and the air were darkened by reason of the smoke of the pit.

³ And there came out of the smoke locusts upon the earth:

It was locusts coming out that looked like a great, big, dark cloud ascending out of the pit. Because if you have read anything about locusts or you have seen or witnessed a plague of locusts, it tells you in the Bible that they move in millions, even billions and they would darken the sun and the air. It even tells you that in the Book of Exodus, under the eighth plague. And even in the Book of Exodus, just like Joel, it shows you the destructiveness of these locusts upon the earth. And we are talking about the natural locusts of course because the Book of Revelation is symbolic.

But here we are seeing a supernatural locust that is coming forth upon the earth under the Fifth Trumpet. Amen. It is supernatural demons. They were shut up in the pit for a season. They were in the prison house. They were serving a sentence but now they are to be loosed for a season. And that bottomless pit which is another dimension, here the key is given. And this is not a physical key; a key opens a way. A key gives you access to something that is shut up.

On the message *The Key to the Door* [1962-1007 -Ed.], the Prophet is teaching us, there are all kinds of keys. There is a key to mathematics; there is a key to science. Amen. There are all kinds of keys. There is a key to music. Amen! So, there is one key you start your car with, there is one key you open your house door with. There are all kinds of keys and there are all kinds of ways you use keys. Amen.

And so, we have radio and television today. What brought that? That's a key of science. You understand? Now, you know, years ago, we went into these things with, *The Opening up of the Fourth Dimension For The Mind Age* [1989-0604 -Ed.] and, *The Return of the Global Village* [1989-0910 -Ed.]. Today, we have cell phones and computers and television and all these different things. They all work with the airwaves. Amen. All these images and voices, they move in the ether waves.

That's why people are streaming tonight. This camera is only transmitting an image and a voice and that hits a satellite that breaks up that image into signals. It's a Digital Age. Then when that comes to the place of reception, it recombines the image and the voice that the people there could see the image and hear the voice. That's what television is. But Elisha, he didn't need a camera to see anything in the king's bedchamber.

Like the Prophet tells the woman, "I'm seeing you getting younger before me." He said, "You had an

accident twenty-five years ago.” He had access to those files that were recorded there.

That is the same access Daniel had to Nebuchadnezzar’s dream because Nebuchadnezzar was only a recipient of information that was transmitted in a scrambled form. He didn’t know what it meant and he forgot what he had dreamt. But Daniel, understanding that for him to receive that, that had to be transmitted from somewhere. And so, Daniel had access to the Transmitter to the Sending Station. That’s right. And the One Who transmitted it, He gave Daniel a clear vision, a rerun of the same program and He gave it to him descrambled. Amen! Hallelujah!

What did the Prophet say concerning this Seventh Seal? He said, “Don’t try to put any interpretation to it, God will send it to you, what you need to know.” Why could he say that? Because we find out from the Word, only the Elect has two natures in one body. They have a gene of God, a gene of Eternal Life that they have the ability to hear from God. In every Age, there was such a group: *he that has an ear to hear what the spirit is saying*. They are designed with the capacity and the capability to receive communication from God.

That has been from Adam, all the way down to this hour because in every Age there were people who caught the Word. Hallelujah! When the Seal opens and the Mystery unfolds, there are people, It strikes them. Hallelujah! God knows how to move them in the Channel that He is transmitting (amen) and they receive Things, sitting in the midst of people who are not receiving anything.

Just like the television in the house, sitting in the house in the midst of the microwave, in the midst of the stove, in the midst of the washing machine, in the midst of all these things, but the television is picking up things because it’s *designed...it’s designed* to catch

things from the unseen realm. It has a crystal that the other appliances don't have. Though all were bought with a price and the owner owns all in the house, but the owner didn't put crystals in everything he owns. Yes! Glory!

So that's why you don't fight up with people who can't see what you're seeing and who can't hear what you're hearing. Amen! An eagle doesn't fight up with a hawk or a buzzard because where the eagle can fly, no chipmunk could see what he is seeing. The chipmunk might chatter and chatter and chatter. The hawk might come off the telephone post to eat some dead something on the ground, full of wiggle tails (amen) because it can't hunt its own food, it got hybridized. But the eagle, he can fly. Yes, sir! He can fly into places because he's built that way. He is built to possess a law and he knows he has that law. He doesn't have to take a long run to take off. He knows how to set those wings in the air currents. Hallelujah! Glory! My!

So this is something. Let me get back to reading. I get happy and can't finish.

Verse 3:

³ And there came out of the smoke locusts upon the earth: and unto them was given power, as the scorpions of the earth have power.

With the loosing of these supernatural locusts from this bottomless pit, there is coming woe upon the earth. There is woe, woe, woe, that's three wars: World War I, World War II and World War III. It's really one war in three parts. That's right. He said if those angels didn't stop that war, the battle of Armageddon would have taken place right there. The war is not just war; it's an enemy using organized violence because he's building a kingdom where he's going to control and conquer everything.

He has a plan to control all politics, to control all religion and to control all economics. The Scripture says: *The time is coming and now is when you wouldn't be able to buy or sell except you have the mark of the Beast* [Revelation 13:17 -Ed.]; he is going to control all trade and commerce. It says: *...and the kings of the earth give their strength and power to the Beast for one hour* [Revelation 17:12 -Ed.]; showing you that he controls all politics. That's right. And It says: *everyone, whose name is not in the Lamb's Book of Life will worship the Beast* [Revelation 13:8 -Ed.]; showing you that he controls all religion.

That's why he comes as the Serpent using diplomacy trying to take the kingdom by flatteries, like how he comes in the Serpent trying to deceive, trying to flatter, like a white horse, innocent but coming with death, with false doctrine. Amen! And then do you know what happens? When he can't get that, the horse changes color and a red horse, a military power is loosed on the earth. And war is always for resources or to control trade and commerce. Amen!

And then when they control all economics. *A measure of wheat for a penny, and three measures of barley for a penny*; they could fix the prices. They could manipulate the stock market. That's right. So watch and see when war is coming, if you study the wars, World War I, World War II or even the Korean War, or the war in Iraq, or the war in Afghanistan, they tell people, "Now, we were going to liberate people. We are trying to establish democracy." That's the tale they are telling (amen!), but it's resources they are going for because that is going to strengthen them.

That's why Nimrod, he was the first one that took war to his brethren, then he controlled economics. Amen. Before that, he started first with his false teaching under his first seal. Then his second seal, he brought war. Then his third seal, he controlled the wealth. Then the fourth seal, he united his powers

and everything had to come to Babylon. Amen! And Babylon is in the beginning of the Bible, the middle of the Bible, and at the end of the Bible. And that's that same Lucifer who built Babylon on the river Euphrates because in Heaven he said, "I will be like God." And he was even building the city with the river coming through it, trying to pattern off the things of God. Amen! And even down to this very hour, where Babylon will take the whole world. And he will incarnate as God. Amen!

He already is exalted in the church because he led a rebellion in the Laodicean Age and Christ was cast out of the church. Amen! He's not in the church, He's outside of the church. And the church is gone into total blackout because that's a whole different economy now. That's why God says, "Come out of her, My people." Because Babylon has become the cage, the prison house because the god of this evil Age, the prince of the power of the air, the one who has the key of the bottomless pit, who could unlock that dimension and find a way to bring things from that dimension into this dimension, even to bring them into flesh, this is the plan.

This is the plan: "I will be like God." He cannot create a man and dwell in him, but through the Serpent, he had a key to open a door to himself into the human race. Is that right? The Beast in the beginning, he incarnated in the Serpent. The Beast in the middle of the Bible, he incarnated in Judas. And at the end of the Bible, he will also incarnate. That's right.

So this here, it is something real we are looking at. Just like your Fifth Seal gave you a look into the unseen realm: souls under the altar, the Fifth Trumpet gives you a look into the unseen realm: supernatural locusts leaving that dimension to come into this dimension. That great cloud of darkness that came out, that darkness is not in the pit anymore. That

darkness has gone through the land, that darkness has enveloped the earth. That darkness is entering into people, their minds are being darkened and alienated from the Life of God. They are blinded from the vindicated Word, (amen) and the God of this Evil Age has them eating from the tree of knowledge in this information based civilization, (hallelujah!) and blinded them from the Tree of Life that has come down with the open Book and told His Elect, "Eat this." He came down from Heaven with something for people on the earth to eat. Because nowhere in any organization, any Muslim, any Hindu, any Baha'i, any Buddha and from the Catholics to the Pentecostals, none of those so-called Christianity... That's an impersonation of Christianity, which is idolatry wrapped up in Christian terminology. Amen!

So the Elect of God cannot find anything to eat because every table is full of vomit. But He has descended with an open Book. He has brought a Seven-course Menu. *Jesus has a table spread where the saints of God are fed. He invites His chosen people come and dine with His manna He doth feed* – Hidden Manna in the Day of Atonement, when you go in (hallelujah!) where you can take from the Golden Pot and eat. "I'll give you Hidden Manna; I'll give you a White Stone with a New Name." Hallelujah! "I'll remove your amnesia that's making you think you're a Baptist or a Pentecostal, or a Methodist and you have a blasphemous name. I will wipe your amnesia away and I will introduce you to yourself; you shall know as you were known. I'll bring you to the Mirror; I'll reflect the mystery of your life from the pages of the Bible. You will wave in the Mirror and see your reflection wave back to you. You will know your pedigree that you came from Eternity; like I did for Jeremiah when I told him 'I knew you before you were formed in your mother's womb. ((Hallelujah!) I knew your name.' Like He told Paul, 'You were chosen in Christ before the

foundation of the world.’ Like He showed John, ‘Your name was put on that Book. (Hallelujah!) I will tear away every veil from you by a New Birth because you have the potential to be reborn. I’m going to link you up with your theophany, your angel you bypassed that beholds the Father’s face in Heaven day and night; your celestial body that is waiting for you that you feel a pull tonight.”

I feel the pull. I feel the pull inside. That perfection is drawing me. I feel the strange call to go back to Eden. Amen! I thank God I’m not the son of Newton and Sylvia. I found out I’m not some ugly chicken in the barnyard. At Evening Time I saw Him coming off that Seventh Mountain, a flying eagle with a message of Seven Thunders that woke me up and began to reveal to me, I was eagle from the egg. Hallelujah! I have a law to fly. But that rooster in the barnyard and that old hen who was trying to take authority over me, and that old deceiving farmer who worked a scheme to make me bypass being born on the mountain and I ended up being born in the barnyard, but when I heard that scream all the mystery about my life was finished.

Now I have revelation; I know my pre-existence, I know my earthly journey, I know my eternal destination. Glory! Yes, sir! Oh, thank You, Lord! Glory be to God! I began to look up. That scream made me look up. All my years I’m only hearing earth-bound voices, but I heard a voice at Evening Time coming from Above. *Down from his glory, my God and Saviour came, Jesus was His Name* – Revelation 10:1. Hallelujah! I know my redemption draweth nigh. Oh, thank You, Lord! My, my, my, my! Oh, thank You, Lord! Thank You, Jesus! Hallelujah!

All those locusts, this great cloud of smoke was really locusts like a big cloud, coming forth from a great furnace from the underworld. Amen. Watch people’s attitudes begin to change. Watch people’s

image begin to change. Watch them begin to paint their face like those demons from the underworld. Amen. That's right. He said, "I thought that being in hell caused them to look like that." That was long before they were doing that.

But when he saw under that Trumpet, what was down there was going to come here and when they get into people, the people take on that nature, that attitude; they begin to live under that influence. So women start to get cat glasses. The Beatles came out; the monsters came out. He said, "Look what they are calling themselves. Look how they're trying to look like beasts. That's what I saw in hell." He said, "Somehow hell is being created on the earth here." And he began to follow the trail of it. He said, "Radio and television, the fourth dimension; this is where it is produced."

They see it in the magazines, they see it in the window shops, they see it on billboards, they see it in the stores. What is happening? The locust gets over the wall, on top of the house and then he starts to go through their windows. This is the window of the hearts. [Bro. Vin points to his eyes -Ed.] Go to Ecclesiastes and see if this is not the window. And this is the pillars. [Bro. Vin points to his legs -Ed.] And this is the grinders. [Bro. Vin points to the teeth -Ed.] Because video and audio are seeing and hearing. That covers all communication. That comes from the fourth dimension and that was something that was unlocked under the Fifth Trumpet.

And then it got into the church because they were staying home while Elijah was in the land. They were in that Jezebel system and the censor boards, they put on *I Love Lucy* [television show -Ed.] and the Prophet charged into it.

And then the women's liberation, and under the fifth vision women cut their hair and it was the entrance of the spirit of women liberation. They cut away their glory, refusing to submit to their headship. And Satan gave them the power to vote and then they began to

give them all the jobs. And men couldn't find work because Satan was breaking down the family structure to weaken the people because motherhood is the backbone of every home. And they began to bring out the movies with the executive woman, the power woman who hires and fires, the woman who is in office ruling over man, the woman who is fighting as the heroine on the battlefield; the woman who is the big-shot police and the big-shot lawyer, and they began to glorify the woman and strip away the image of the holy women of old who call their husbands 'lord' like Sarah, (who with their chaste conduct coupled with fear) and they take her and they put her in the dustbin and they began to glorify the modern woman.

He said, "He is her designer. That's right. He made her the goddess and men bow at the shrine of a woman and that was the spirit of paganism, a Jezebel anointing to kill the effects of the Message of Elijah, who was in the land at Evening Time. And they were so anointed, they voted in the Catholic Church, the same power they ran from in Europe for freedom of religion. Amen!

They voted in a Catholic president and God told the Prophet, "The history of Israel, in the days of Ahab and Jezebel is repeating itself. It is time to go into the Book of Revelation because the nation will be changed forever after this." This was going to bring the rise of that power where the Beast that came out of the earth will eventually speak with the voice of the Dragon: the Beast that came out of the water, where it will have a Vatican/Washington alliance: Ahab and Jezebel in a union in the last days. But God pulled the Seal back and showed Elijah seven thousand who didn't bow their knees. Hallelujah! You understand?

Things were happening in the land. But there was a Seer in the land and he wasn't just looking at the things in the land. Everything in the land was reflecting out of the pages of the Bible, whether it was

in Heaven or whether it was on earth in the nations, in the church, wherever it was. Even down to the United Nations when Khrushchev took his shoe and beat it on the desk. He said, "Watch. Khrushchev, ten letters – Eisenhower, ten letters; ten nations represented there: five eastern, five western. Khrushchev means clay; Eisenhower means iron." [1960-1125 Conference para. 60 -Ed.] And he took his shoes off and a couple of years after, here comes the Rock; the Coming of the Headstone cut out without hands. Hallelujah!

Do you think all of that just disappeared and we've come back in the Message trying to go through a little form and ritual? The same Holy Spirit continues on in the Bride. The Spirit and the Bride are saying the same thing the Spirit said through the Prophet. And what the Spirit said through the Prophet was already said in the Bible. Is that right? Amen. So watch.

Those locusts, that darkness, it didn't go back in the pit. No, no. Demons hunt a body...demons hunt a body! When that lying spirit came out of the bottomless pit, and those kings of the earth were getting ready to go to war because they had economic depression in the land, they had a big downturn in the economy, so Ahab decided to go up and get resources. And they had coalition forces because Jehoshaphat said, "Your horses are my horses and your men are my men. I'm going with you." And God dropped a vision and He showed that spirit wanted permission to go into the mouths of those prophets, those cultured, refined men but reprobates concerning *the faith*. Because Elijah restored *the faith* at evening time on Mt. Carmel and turned the hearts of the children back to *the faith* of the fathers.

And those men who challenged Elijah and didn't walk in the Word, but because of Jezebel offering them things, they loved the lie more than the Truth, and God was going to bring a strong delusion on them to believe the lie and be damned by it. That's right. And

that spirit went in their mouths and started to spread through the nations, taking them out of the straight line. They were trying to bless what a prophet had already cursed. And that was a shadow for the Mystery between the Sixth and Seventh Vials when three unclean spirits like frogs gather up all these men who rejected what Elijah said.

Elijah told them, "If God be God, serve God." Elijah brought them down to a decision, "Choose this day whom you will serve." He didn't pull any punches. He was straight with the Word and they refused to walk into It. *The soul that sinneth shall surely die.* [Ezekiel 18:20 -Ed.] They crossed the line. They were alive in their bodies but dead in their souls and those devils began to incarnate in them. That's right. That's the hour, that's what's happening. That's what we are going to prove here. That is how we are going to make this clear here, by taking Joel and Revelation.

I'm showing you it was darkness, it darkened the sun, it darkened the air. (Amen!) It came out of the pit because that's what locusts do. Read anything you could find in any Bible dictionary or the Bible itself. That's what locusts do. Amen

So, the loosing of these locusts from the bottomless pit, war will follow that. And the world has been filled up with war since then. Those woes bring us into amateur tribulation that will climax into great tribulation, but the Bride will be taken out. But the beginning of sorrows, the earth in birth pains is trouble and trouble and trouble, all kinds of trouble, right now.

Look at Haiti. Look at Chile. Look at Europe.

Look at the United States: they have had snow storms; before that, they had fires, they had floods. They have economic troubles. They have ecclesiastical troubles. They have troubles in the schools. They have troubles in the neighborhoods. They have had troubles on Wall Street; the whole world began to sink

in that crisis that they had; that subprime mortgage crisis that they had, bringing on the hour of temptation. And the people, they are blinding them with one lie after the next lie, making them feel they are fighting a war on terror. But that Delilah has them so blind and she's taking away all their rights and stripping them and keeping them in darkness by drunkening them with all the pornography and ESPN: twenty-four-hour sport and locks them up in a virtual world, that they don't know what is reality. That's right.

They lost the war in the Mind Age. They are taken captive and shut up in the revived Roman Empire in Babylon, the city of the lie. But Jerusalem is the City of the Truth because mystery Babylon is that Red Dragon, the Beast, the father of lies that carried that woman. I want you to see this bottomless pit that we are seeing here. Wait until you see how that is connected to Babylon itself because that pope, that Beast that ascended out of the pit and goes back; an ascent...

Watch. Let's read a little more. Verse 4. Distress in the earth and the nations, friends, but you see, they are shut up in a physical world. You need eyesalve to look to the Unseen, to know what is Satan's plan and how he's working; but that's what the Seals are all about. Your first four Seals show you how he's conquering religion, politics, economics; how he unites the world under the Fourth Seal. And the Sixth Seal, he sits in the temple being worshipped as God and sets down his mark. That's right.

We don't have to try and figure it out. The Evening Message uncovered the schemes of the enemy. That's why a lot of people are running around blind and they don't know what they are looking for. So they are inventing all kinds of things from their imagination because they can't see the Word being fulfilled. They're reading the messages but everything is from

1946 to 1965, so they don't know what is happening in 2010. That's right.

They know the Word by what happened, but they don't know the Word by what is happening because it takes Eternal Life to know the Word by what is happening. It takes Quickening Power to quicken your mind to your promise, quicken your life to your Age, put you in the rhythm of the Symphony, put you in the continuity of the Bible, then the modern events are made clear. Then you walk in a world of Perfect Faith because you're raised out of the humanistic realm, into the realm of revelation and vision because the Word is happening in you. You're not in the Message; no, the Message is in you. You are the interpretation. You're walking in *that* kind of reality. It's not human wisdom; not some man's imagination. That's right.

[Revelation 9:4 -Ed.]

⁴ It is commanded them that they should not hurt the grass of the earth neither any green thing neither any tree.

They can't touch any botany life trees. That is not their mission because they are not that kind of locusts. That kind of locusts is just a shadow of a shadow, of a shadow of the real locusts. You see the entire Book of Joel, from Chapter 1 to 3, is written in the image and the language of a harvest. Amen. That's why he's talking about the corn and the oil and the wine and the pomegranate and the rains and the locusts, and how the rain is going to come and bring restoration to what was eaten down. But he's not talking about agriculture but he's using the mystery of botany life to open Mysteries.

Because in His creation when He was creating, He created the grapevine, but in John 15 He said, "I am the true Vine." In creation, He created the wheat. He said, "I'm the Corn of Wheat except It falls on the ground and dies, It abides alone." Amen. Hallelujah! He gave us the four seasons. He designed the wheat

plant to go through a certain process of stalk, tassel, husk, and grain but that was not just happening. That was with purpose and intent because the Mystery of the two sections of the Book and the Mystery of the Church and the Bride was locked up in there. That's right.

When He says, "I am the Bread of Life!" the way the grains of wheat are ground into powder and fused together with oil and baked into a heated oven, even the process of that is the Mystery of Him and His people. Even the feast in His temple and how you worshipped Him, you had to come three times a year: you had to come in the barley season at Passover; you had to come at Pentecost in the wheat season and for Tabernacles. You had to come in the fruit season with your oil and your wine and your pomegranate and your figs and these things. And the things that you raised, in raising them you were understanding the Mystery of God because that is what you have to bring back and offer; a sacrifice to worship Him.

Joel is written in the image and language of a harvest because man is like a tree planted by the rivers of water, who bring forth his fruits. That's why the Bride Tree, the restoration of the Bride Tree, the Mystery of His Church and how the locusts ate it down. Amen. So we are not talking agriculture, it's the Mystery of God because nature was the first Bible. Not just the Heaven, all nature, heavens and earth. Amen.

So when God thinks of His people in this manner, then He thinks of Himself as the Great Sower because He plants everything by the Spoken Word. Amen. He's the great Harvester. He's the Husbandman Who sowed the good seed. God thinks of Himself as the Rain, that's why the Rain represents the Holy Spirit. The Rain is the Nourisher and Sustainer of what God planted. It goes through a transformation. Amen! It grows and develops and brings forth the fruit because

God ordained it that way. He said, “The good sower went forth to sow. He sowed the wheat. The wheat is the children of the Kingdom.” That’s the continuity of the Bible.

And so, God’s great archenemy who comes to steal and kill and destroy, who eats down God’s crops, who destroyed the harvest in the Book of Joel, is presented as a plague of locusts. Because in the last days, those locusts, the real ones that the shadow is speaking of... Because when God is coming for a Harvest in the last days out of this earth, it has to bring Grain. It has to bring the Word. It has to have the Vine, the Wine. You have to have the Oil. Hallelujah! If God comes and meets that life barren—because remember, in the last days, we had a Passover.

The Church had a Pentecost and a Passover, but the Church must come to a Tabernacles in this Hour. Amen! And to keep that, this is the Feast of the In-gathering, all the labors for seven months. In the Seventh Month is the last three Feasts: Trumpets, Atonement, and Tabernacles. Amen. And then you still have the Feast after the Feast of Tabernacles.

But watch something. I’m trying to show you so you could catch the picture. It’s a kind of locust that eats joy, eats peace, eats temperance, eats patience; it eats off doctrine, it eats off fellowship. It’s the kind of locust when it’s done with you, you are one, dry, piece of ground; some spooky something, a little stump; no peace. You’re full of frustration. You’re full of argument. You’re full of debate. You’re full of contention. You’re full of fear. You have all kinds of wild imaginations. You’re full of fables because you’ve turned from sound doctrine because you have itching ears. And you heap up false teachers, teaching all kinds of wild nonsense. Amen! All the bark is gone and when you meet them, they’re dry as ever; no faith, no expectation, no stimulation, no joy, no rain.

Find somebody else, not me; I'm a watered garden. Can't you see? Could a man come with some nonsense or could a locust come on this tree? This tree has a repellent. Hallelujah! That's right. Yes, sir!

So are you catching the picture? Because you see the Bible begins with God and His people as trees and the Bible ends with God and His people as trees. In the beginning, Eden, My delight, a watered garden and in the end, a restored Eden. And between those two times, we see the locust invasion that comes in and turns that into a terrible wilderness. But we see in the End Time, God is going to restore the thing back to its Eden beauty. Hallelujah!

Under the Seventh Seal, He comes as the Rain, Revelation 10:1. Not a dark cloud, from the bottomless pit that has locusts coming out of it. No, it's a Mighty Angel clothed with a Cloud from Above, a circle of a Cloud of Light; a bright Cloud coming with lightnings and thunders and voices, with a rainbow. He's coming as the Rain: the Teaching Rain, a Former Rain, and Latter Rain, the Harvest Rain to make the teaching manifest. Yes, that's right!

Revelation 9:1, a falling star; Revelation 10:1, the bright and morning star. Revelation 9:1, Lucifer with a key opening up the underworld. Revelation 10:1, Michael with the open Book opens Heaven. When Hell is open, Heaven is open too. Hallelujah! Glory! Theophanies from Above are going to come and put on bodies. Demons from beneath are going to come and possess bodies that reject the Word for the Hour.

Both Michael and Lucifer are bringing their kingdoms into flesh. Oh, thank You, Lord! This isn't confusing; this is the Light of your Bible. My! And you watch how these things come out friends. Because remember the Church at Pentecost was like a Garden of Eden; the second Adam and the second Eve who had come out of his side when God put Him to

sleep on the Cross were in perfect oneness: no man dare join himself to them.

Page 366 to 367 in the Seven Church Age book, [An Exposition Of The Seven Church Ages –Ed.] he says, “Christ and the Bride were just like Adam and Eve before the fall, in perfection. And the same way after a while the Serpent came, that locust, Lucifer, veiled in flesh, incarnate in a false anointed one with a lie in his mouth, a seducing spirit. That’s right.

Then the same thing, that white horse rider, that Nicolaitism came to conquer the second Adam’s Bride. Paul said: “As the Serpent beguiled Eve, so these come preaching another Gospel, another Jesus.” No wonder Paul said, “If an angel comes from Heaven and speaks something different, let him be accursed.” That’s right. He said, “Because Satan transforms his angels as ministers of Light; and there shall be Light at Evening Time.” And Satan brings a lot of men at Evening Time, transforms them. “Yes, Bro. Branham said... Bro. Branham said...” seducing spirits, false anointed ones in the End Time, (that’s right) lying spirits, seducing spirits.

Now watch. And that Church was like the Garden of Eden, Christ and the Bride in perfection, in perfect Oneness, Divine Love (hallelujah!); had all things in common, had translations, had resurrections, had healings, had visions, (amen!) had angelic visitations. But then what happened? They ended up with popes and cardinals and women preachers and blasphemous names and the doctrine of Balaam and the doctrine of the Nicolaitans. How did it get there? A white horse rider, a red horse rider, a black horse rider started to eat. Four death messengers began to eat down the Church and make it like a wilderness until the last Age they pushed Christ out and they went into total blackout because the man of sin was being exalted in their temple. You understand?

We will try and close off here, tonight. But I'd like to finish that reading because I want you to compare the two sets of locusts. The first four parts of Joel, we took already. I am sure you can see how we are placing those things out. And that's why I'm dropping back to catch some places to crystallize It, so you don't think it's somebody trying to stretch the Scripture and bend the Scripture; but opening the Scripture line upon line, precept upon precept, showing you the continuity of It even to the very, present Hour; showing you under the Trumpets, those things, in the time of the woes.

Because right now, we are between the second woe and the third woe in the days after Elijah (that's right) when the pit is open and lying spirits have come out and are loosed in the ecclesiastical realm and got into the church; the Jezebel system that rejected Elijah's Message when he repaired the Altar in the days of Ahab and Jezebel, when that beautiful woman, cruel in her heart, drunken with the blood was leading that nation into its destruction. You understand how I said that, right? That's the sixth vision because that feminist movement produced Jezebel in the White House. And that makes way for the Seventh Vision.

God's Word is coming to pass right on time. In the realm of politics, from Fascism and Nazism ended up in Communism and the White House is honeycombed with Communism. Now they are using all the Nazi methods and all the Communist methods to make America a police state.

And I know what I'm talking about because back in 1989, I went behind the Iron Curtain. I saw people lined up very long for things. The real Church is underground. That's right. In those days, they couldn't even have service like they have now. That was before the Soviet Union was decommunized and dismantled. Amen. So watch these locusts.

[Revelation 9:4 -Ed.]

4 It was commanded them that they should not hurt the grass of the earth neither any green thing, neither any green tree; but only those men which have not the seal of God in their foreheads.

Nice Baptist man without the Holy Ghost, nice Pentecostal woman with a sensation but no New Birth. He touched all of them. You understand? The only ones he can't get into are the ones who have the Seal of God because the only way to get into them, you have to be justified, sanctified and get the New Birth. And by the time you get in, that's your brother because they are sealed in the Body and the devil is sealed out. That's right. But you're under sanctification like those ten spies, preaching but you have no Holy Ghost. You've come right up to Kadesh-barnea but you have no faith to cross Jordan. You want to be a big shot and move around but you can't make total separation from all unbelief to come into a place in Ephesians.

Do you know what happened to them? (God swore in the wrath) They fell away and could not renew themselves unto repentance. It is them Paul is preaching about in Hebrews 3, 4, and 6: *A promise left us of entering in* but, they come short of it. They never went into the Holy Ghost and that devil hunting a body comes right back and gets seven worse. And all the years in the Message you're going along, but before the Rapture, you're seeing the condition of men and women. They got worse.

The kind of sin some are falling into, the kind of greed and covetousness, the kind of ambition, the kind of spirits in the souls of men driving them. That's right. Unclean, defiled by the influence of the wrong example and can't take correction like Uzziah and end up in the leper house because they refuse correction.

These locusts, God put a boundary on them just like with Job. He said, "Touch his property; you can't

touch his children.” He said, “Okay, you want to test him further; touch his children.” He did not move. “Okay, touch his flesh with limitation and boundary.” That’s right. God had confidence in a son who was no wishy-washy son. That’s right. Aren’t you glad for that? God and Satan were talking. God gave him permission. Read it in the Bible.

[Revelation 9:5-6 –Ed.]

⁵ To them it was given that they should not kill them, but that they should be tormented five months: [God even give them a space of time.] And their torment was as the torment of a scorpion, when he striketh a man.

⁶ And in those days shall men seek death, and shall not find it; and shall desire to die, and death shall flee from them.

Watch the progression under the Fifth Trumpet, under the first woe how that is moving after they came out, where they are being loosed; who they could touch and who they can’t touch. What is the Seal of God? Who has the Seal of God in their foreheads? You better meet the Sealing Angel to have the Seal in your forehead. What was the Seal in their foreheads? The Name that was written on the Thigh was written in their foreheads, so that the ones who have the Seal in their foreheads, know the Loins they came from. They know their pedigree. Amen! That can’t be anybody else but Elect who are in the Body. That is people who are the Word in their Age.

And some people walk around and they’re kind of confused, “Oh, the devil will get me,” and they’re afraid and they’re nervous and they have to take this tranquilizer and they’re going through... Do you have the Holy Ghost? All of hell can’t touch you. They have to get permission from God first. And if you’re walking with God, then they don’t even want to come close to

you because you're raised up and trained and given armor to fight them. Because He didn't call you to sit in church and be a church member. He said, "Put on the whole armor of God," that you may be able to stand against the wiles of all these locusts, in the evil day when they are loosed from the pit. And they're loosed on the earth and that darkness is coming.

You're a child of Light (amen), you have the breastplate of faith and love, you have the helmet of salvation, you have the breastplate of righteousness, you have the Sword of the Spirit, your feet shod, your loins girded with Truth. Which principality, which power, which ruler of the darkness of this world, which spiritual wickedness in high places; could they be in a higher place than you? You are raised far above all principality, made to sit together with Christ in Heavenly Places and all things are under your feet. Oh, yes!

Bible Christians? Bible Christians here. Notice how in Joel 1 and 2, the locusts, in type, are destroying trees of the field in a systematic destruction. What the palmerworm left, the locust ate; what the locust left, the cankerworm ate; what the cankerworm left, the caterpillar ate; it's systematic.

It's a systematic destruction, they are all in rank and file, no one getting out of place. I'm talking about the natural locusts, how they wreak destruction on the natural garden. These that come from the pit that are coming against the spiritual Garden, who come out of the bottomless pit, they are tormenting men, then they're killing men in a systematic destruction, in a planned genocide: by smoke, by fire, by brimstone.

That's how they're killing one-third part of the men. First, they can't kill them, they could only torment them. But then when it advanced under the second woe, now they could kill. Why? The world is becoming more evil. Because after World War II, Michael came down in the cave and sent the Prophet out, anointed

and commissioned. He is loosing the Seventh Star in His right hand for Star Wars. And he starts against demonology in the physical realm.

Watch something, how that Prophet followed the course of the second woe. What happened after the second woe? The mightiest healing revival that ever struck the world happened after World War II. What did the Angel tell him? You were born to pray for the sick. A servant at Suppertime going to call the halt, the maim, the lame and the blind. When the fig tree put forth its buds and all other trees; when Israel is back in their homeland, the same day the Angel came (they hoisted the six-point Star of David) and the Angel began to break the seals of the book of his life.

He said, "Your First Pull, you will detect diseases, devils in people's bodies that the doctors can't find, that the X-ray can't find. Then your Second Pull, you will get past germ disease and the lying spirits, adultery spirits, religious spirits, demonology in the spiritual realm; it will detect them. But then the Third Pull would go to the souls of men, who sit down religiously with ninety-nine and ninety-nine hundredths percent of the Word, saying that they're born again. That Third Pull will start to open the Word, reveal the names in the Book (all they know is ritual, and routine, and religion) because your Third Pull will change the way the Gospel is preached.

The Word was going to come to the Prophet. When the Seventh Seal opened the Language changed. Hallelujah! Hidden Communication: he started to talk about Token and Seals and Trumpets and Vials, Junction time, (amen!) Souls that are in prison now. Yes! And all those denominational turkeys and geese and roosters, they didn't know what he was talking about. They wanted to learn algebra but they couldn't obey their ABCs.

But watch after World War II; he went to Germany, he went to Switzerland, he went to France and

Norway, he went into Finland. Why? Watch the Angel of God following the second woe because the second woe was fought in those battlefields. He went into Germany and the witch doctors came out, he challenged those witch doctors. They tried to blow away the tent.

He went into Finland, raised the dead, and those communist soldiers began to weep, "We will serve a God like that." He said, "If this boy doesn't raise in two minutes run me out of Finland. I'm a false prophet."

He went into Switzerland where Jan Hus and they were burnt to the stake, and the Pillar of Fire came down and overshadowed him, (Look in your *A Man Sent From God* book, it is there.) in Lucerne and It was photographed among them. For two thousand years, they had never seen anything like that. All through the great reformations: the Swiss Reformation, the Reformation with Luther in Germany, all in England with Wesley and they, they never saw those things. In America with Finney and they, they never saw those things; in Russia up there.

Congressman Upshaw standing on the steps of the White House... He sent his testimony to Stalin. He sent it to King George. Amen. He sent it to Nero. He sent it to the king in... they had a king, I think, in Switzerland, everywhere because he was a diplomat. He had run for president before. He was known across the world and for sixty-six years or so, he was crippled in a wheelchair. And a Prophet saw him under vision, called him out, explained about his life and he testified in the White House that William Branham is a Prophet from God for this generation.

And here is the Prophet, he is going to Nazi Germany after the war to all those spirits (through the 'ratlines' [escape system for Nazis fleeing Europe after World War II -Ed.]), who didn't go to Argentina and Brazil that the Vatican didn't get out, didn't give them papers and change

their identity. And he preached the Word and he manifested It and he testified of the Angel and the Angel came down visibly. He took the Word from the Bible following the second woe, even before the Seven Seals. The Seven Thunders uttered their Voices and they didn't repent. They didn't repent. That's right.

All those demons that were loosed from the pit, they had possessed the bodies when they were loosed by the dictators, and the Nazi army in Germany killed six million. And the Communist demons with Stalin and they killed more than six million in Russia. That's right. And those demons were sitting there and he was seeing them under vision. And after the war, the church started to mess in politics. Pope John XXIII: "So that we all may be one."

And watch the Prophet, *Tower of Babel* [1958-0128 -Ed.]; *The Unity Of The One God In The One Church* [1958-1221E -Ed.], *United under One Head* [1958-0326 -Ed.], *Why Am I Against Organized Religion* [1962-1111E -Ed.], *Why Are We Not A Denomination* [1958-0927 -Ed.], *Impersonation Of Christianity* [1957-0120 -Ed.]; *Christianity vs. Idolatry* [1961-1217 -Ed.]; what was he doing? Under the Second Pull, he was rebuking the organizations, shaking them, and they began to move away. And it was coming to the place where all man was going to forsake him. They wouldn't repent because those demons were loosed in the ecclesiastical realm and they were enjoying the fellowship in the ecumenical move, getting close to the pope. They loved the false prophet with the lie more than the true Prophet with the Truth. He said, "Demos have forsaken me, loving this present cosmos, loving this present evil Age."

David DuPlessis had the ark in the wrong channel, swinging everything into Babylon. He said, "Oh, Bro. Branham, the Catholics are coming in. God has used me in a mighty way, I am winning them for Him."

The Prophet cried, "These men sat with me. I saw them under vision so many times, told them things

about their lives, showed them in the Bible; they saw the signs night after night. And they're saying that they don't know Rome will be destroyed? That's the mother of all abominations." But that was the kind of Pentecostal Holy Ghost they had. You understand?

Those demons moved from the political realm where they planned a systematic destruction, a holocaust, a final solution, a planned genocide; they've come over now in the ecumenical move and they are planning, "How would we deal with all these so-called independent churches? When we created the depression, and under the guise of the war on terrorism, we loosed the spirit of fear. And then with the fourth dimension and the electronic media, we started to smite them blind and put all kinds of bombs in their heads. We will take away their rights. We are going to bring new legislation. We are going to force them into our traps. They wouldn't be able to operate as real churches unless they belong to this system." and they are planning another systematic destruction.

They are going to eat and eat and eat and eat. They are going to cage up the whole world. He said, "Can't you see what Lucifer is doing? They are supernatural devils unseen to the eyes, but we can see what they are doing."

Friends, when you see the Hour and you see the things taking place in the earth... Let the musicians come for me.

We were there in Chile, just recently we came back from there. I had something I wanted to read for you, I hope I could find it. I can't even see it...but to see what is happening. We were down there in Santiago and Penco, as you know, in December and we came back from there. Then before we got ready to go back to Chile, to Arica, then we saw how the enemy moved: the earth quaked before them. The heavens shook and the inhabitants of the earth began to tremble. And what happened? We saw how Haiti was struck with a

7.0 earthquake and then we went at the end of January to Peru and Chile. And then when we came back, then we heard they got struck with an 8.8 earthquake, eight hundred times more powerful, they say. But the earthquake in Haiti was just about eight miles in the earth and it struck in Port au Prince, a very densely populated area, but the one in Chile was twenty-two miles in the earth. It struck in a very sparsely populated area.

Bro. Peralta [Bro. Pedro Perlta - (Minister) Chile -Ed.], they sent out a little video giving a report, knowing that many people around the world wanted to know what was happening. And Bro. Jefte, we were with them in Penco, he also sent a report. It's on the Voice Of God site because they were closer to the epicenter of the earthquake and right on the coast there was a tsunami that struck that place.

And he said after the earthquake and the tsunami then there was so much widespread looting, not just in business places, in their homes. He said, "We had to stand there with iron bars and fight off people." We played back one of the services we had in their church with the saints that we took there, twenty-four saints, singing, worshipping. You saw the great time. We were so greatly blessed looking back at the service right here; it was less than a month and a half or less than two months. And here we see what was happening. That place was so shaken up.

He was describing... I'm sorry I seemed to misplace what I wanted to read for you. I could read it tomorrow maybe. But to see right there, this great meeting, this great time and then here they are with iron bars trying to protect their homes. And they wrote to him because he is the Voice of God representative in Penco, Chile. That is where he has the office down there and so they wanted to come from Jeffersonville.

He said, "Don't come here, it is not safe; even the hotels." He said, "It is so lawless in the streets."

Then the military moved in, killed about ten people. They gave them orders to shoot. He said, "And the place is under curfew and they are still waiting for help from the government." And Bro. Peralta and they made a trip because they had churches in many of these places down in the south that was hit, to get a more first-hand view so they could better understand the needs of the people. But even way in Argentina, people were fleeing out of that building. Amen.

Thank you, brother. Maybe I left it inside. Amen. This is the update. This is Bro. Joseph Branham. They have it on their site.

We have finally received contact directly from Brother Jefte Quian, VGR Office Manager in Penco, Chile. Things are worse than we expected since the massive earthquake that struck Chile last Saturday. He has no phone service or internet connection but he was able to find a radio station that had an internet connection so he could send us an update.

[Because Saturday morning, the morning of the earthquake, I e-mailed him, but then after a few hours we realized that all these places had no internet, no telephone, nothing.]

He said: *There was a ministers meeting scheduled in Chile so Brother Jefte was desperately trying to get word to us not to come. [So they are asking.] When you pray please remember the believers in Chile.*

Then Bro. Jefte here, he said:

God bless you! Only now the internet connection was available in Concepcion in a radio station. The earthquake was horrible. It was like the end of the world. We are all fine: my family and the local believers.

The earth moved like a plane in the worst turbulent scenario. The violence started immediately the day after the earthquake. People started robbing the stores first and then the houses. We had to fight with sticks and

metal bars to protect our families from the thieves. We still have no water and we are getting from a river nearby during the day. We still have food for three more days and we are waiting for help from the government hopefully tomorrow.

The whole Conception area is not safe, there is siege state and everybody has to be at home at 6 p.m. till noon the next day. Military force is on the streets but it is not enough. Violence is everywhere. There is no telephone service.

I will send this and will follow up in another e-mail in case the line is disrupted. God bless you.

Another e-mail: He said: Sir, please do not come to Chile for now as it is not safe here. There are shootings on the streets and vandalism at the hotels, stores, and now the houses. There is no water. Big trucks come to give some at noontime, and all of us make long lines to get a bucket of water. The military force is shooting to kill after 6 p.m. on the streets and there is much fear.

I think things will take a while to settle. I will continue in another email in case the connection is lost.

Another e-mail: I repeat sir, the situation here is terrible, as bad as the earthquake was, the riots and violence after it is even more horrible. Hordes of people run the streets to rob houses. Only yesterday there were 10 people killed in the Penco area. We have not been able to call anybody in the region or anywhere because there are no communications at all. Everybody is nervous and just waiting.

We are trusting in the Lord and in His care for us.

God bless you! Jefte Quian.

The world changed suddenly, immediately. It took just, maybe a minute or more to bring a normal, well-structured and ordered city to descend into a condition like that. We saw it in Haiti; we see it here. And I told you at the beginning of the year, we see

when these things are happening. The nations are shaking but the Lord shall roar out of Zion.

This is an Hour, friends. It is not a playing-around time. And the very things that we are looking at here, there must be a church, there must be a people who can appear before God for the third time. At Passover, they saw Christ. He had revealed to them His Body being broken and His Blood is being shed. At Pentecost the Church had a great experience; the wave loaves being burned and the Fire came upon them. But the last time they had to come to have full redemption is in the Seventh month in the time of the Feast of the Ingathering at the end of the year, amen.

And here in Joel, we see what happened to the Church, how it was eaten down through the Ages by those death messengers. But there is to be a group in the last days, who will come to that last Feast. You cannot come to the Feast empty. It will have to be a Church with the Corn, with the Oil with the Wine, whose Heaven is not shut up and whose Rains are not withheld. It'll have to be a Church that could keep that Feast; a people who could come into a faith to be changed, that this mortal will put on immortality.

And when He came as the Rain in Revelation 10 after the locust invasion in Revelation 9, He came in a bright Cloud, a supernatural Cloud. Hallelujah! He came with lightnings and thunders and voices. He came with a rainbow. He came with a Teaching Rain and a Harvest Rain to bring a people into full maturity because it takes two rains to bring a mature grain.

The first rain, it just starts the seed a growing but to bring it in full maturity, it needs the latter rain showers. Hopefully, I was going to start there tomorrow. God help me but I have to finish up 9 and, get to 10 to bring this Rain, to understand these Showers that He has been pouring out and this maturity, this ripened Faith that has been baked into reality where the Word is Spirit and Life in a people;

where they become the manifested epistle because the Word is being made flesh and the flesh is being made Word.

It is not people in routine and ritual with some little theological understanding of the Message. It is Quickening Power that has quickened the seed and Transforming Power that changed that seed from glory unto glory, transforming them into the species and the species is a Super Race, those sons of God in the last days. That Bride was marching onward Christian soldiers, proudly displaying the Blood, the Message of the Hour; that Church that He planted for, (amen) these who will not go into the World Council of Churches. But when the Squeeze comes in the Mt. Zion showdown, (hallelujah!) watch that little group who those Seven Thunders uttered their Voices to and made them know as they were known; a people with Perfect Faith and Perfect Love, a people who are not in the humanistic realm but walking in the realm of revelation and vision, living in a world of Perfect Faith, who understand their position that God has made them in Christ, who are placed positionally in the Ephesians at the end of the Age because, in the casting of the lot, they see what they are previously marked out for.

He has dealt every man, a measure and the Body is fitly joined and compacted together. Amen! A people who have grown up into Christ, the Head, who could walk worthy of the vocation unto which they are called, who are redeeming the time because they understand the time, who are walking in Love (amen!), the greatest power there is (hallelujah); a Church in this Hour, the Lord's Army. It's two armies meeting on the battleground: Life and death, coming to the final struggle, children of wisdom and children of faith.

He said, "Where faith is preached, they live. There is an atmosphere. There are testimonies of God's Word being made manifest but where wisdom is

preached...” He said, “It is like Satan knows the Bible very well, but he doesn’t know It in his own predestinated life, so It couldn’t work for him. But Jesus knew the Word by revelation in His own Life, that is why He could make It operate (hallelujah!) because He was the Word predestinated to the Word written for the Hour. His Life and the Scripture could dovetail. Amen.

Praise His mighty Name. Aren’t you thankful for that? Do you see this Book of Joel how it is making for us, this great Mystery at Harvest Time, in the Hour of the great Feast when we have to change dwelling places, the threefold Feast of the Seventh month, (amen) how what is going to happen there is happening here? You see like how I showed you tonight, how that Prophet was following the woe right where it was fought and he was coming behind with the Word; the Ministry of the Son of Man going in healing first, signs to attract their attention to get them ready for the Voice of the sign; the Message that followed the healing revival.

When those Seven Angels come in a Cloud and it was turned to the right, it was the Supreme Judge in the Lord’s Day because the Book of Joel is in the Day of the Lord. And the Day of the Lord is great and terrible: And behold, I send you Elijah under the second woe, under the Sixth Trumpet, in the Day after the pit was opened, (hallelujah!) before the great and dreadful Day of the Lord because the earth will be burned after that Elijah. But before the earth is burned, there have to be some children anointed and with the robe, like Elisha, a Seventh Seal vision; like Micaiah, a woman, a Gentile woman who could mix the meal and the oil and put it on two sticks; a church anointed.

It is not make-belief, it is real. It is so real to see these Things. This is coming forth when we have had two earthquakes, for this year. And then the brothers

in California, in the prison, even felt the shake when they had a 6.4 down there also. In the increasing economic woes, these are not ordinary days, friends. That's why in times like these, we want to be very, very sane. You want to think very deep on these Things because your life can change in a couple of minutes like Haiti, like Chile.

Let's bow our hearts for prayer. Come quickly, Bro. Sanchez (amen); pray. Hallelujah! Praise His mighty Name. To all the saints out in the region: in Guyana, in Tobago, in Grenada, in St. Vincent, Dominica, St. Lucia, St. Kitts; up in Canada, up in Miami, different parts of the world that are looking in tonight, this is an Hour to take inventory. Hear what the Spirit is saying to the Church. Search the Scriptures, search the Message, examine these Things; see if these Things are so.

[Bro. Ainsley Sanchez prays (elder) -Ed.]

Amen, amen, amen! Praise His mighty Name. Amen. Why don't you turn around and greet the person next to you, on your right, your left? Just shake a hand by God's grace. Doesn't that intensify the burning desire in you to be more like Him? Amen. Let's sing that: *A burning desire in me, to be more like Thee, is growing stronger every day; hallelujah!*

Remember tomorrow evening, the service is 6.30 pm. and on Sunday it is 2.30 in the afternoon, so we have a little time to relax and rest. So let's try to be out early tomorrow by God's grace. Amen. Were you happy to be here, tonight? Wonderful blessing; are you enjoying the Word? A Seal breaks open, amen. Hallelujah! Hallelujah!

A burning desire in me... [#669 - Songs That Live -Ed.]

May each and every one of us...there'll be none without this burning desire. Bro. Ken comes.

A burning desire in me...

Excerpt:

A lot of things are happening. We're in such a time because "I'll shake all nations." Everything that can be shaken will be shaken off. The earth is trembling before them. The earth is quaking before them. Heaven is shaking and hell is being created here. And the hour is going to come, and now is, when there will be no more names in the Lamb's section that are on the earth. Most of the names are already on the Other Side, and the last few names here are ripening in the Presence of the Son. Hallelujah! And when the Church comes to that spot, they are going to leave There and come and pick up bodies here. Our theophanies will pick us up.

And from below, those demons that come out will be the ones who are here in flesh. And they will bring such a persecution, there will be weeping, wailing and gnashing of teeth, for those who never got the Seal in their foreheads. That's right. They knew about the Things by reading, but they didn't have the experience of It being interpreted in their lives, so they didn't have enough faith for the Rapture. They had a mental faith but they didn't have faith to be changed. They couldn't move into the revelation in the Final Quickening when...the Final Voice, the Final Call. **[Page 17]**

*Lord, unveil my eyes
Let me see You face to face
The knowledge of Your grace
As You live, in me
Oh Lord, renew my mind.
Lord renew my mind
As Your will unfolds in my life
Living every day by the power of Your love*

CHORUS

*Oh my. Hold me close, tonight.
Hold me close, let Your love surround me
Oh, bring me near...
Bring me near; draw me to Your side
As I wait I'll rise up as the eagle
I will soar with You, as Your Spirit leads me on
By the power of Your love*

Oh, let's try the last verse again, Lord, unveil my eyes. That's what we desire, "Open the boy's eyes."

*Lord, unveil my eyes
Let me see You, face...*

Oh, we want to see Him face to face tonight.
...knowledge of You Love as You live in me

Oh Lord, renew my mind... You said we'll be transformed by the renewing of our minds.

*Lord renew my mind
As your will unfolds...*

...unfolds in my life.

Living every day, [oh my] by the power of Your love.

CHORUS

Oh, hold me close, tonight.

Hold me close, let Your love surround me

Bring me near

Draw me to Your side

And as I wait, [Lord]

...I wait... Oh, I'll rise up... like the eagle

And I will soar with You

As Your spirit leads me on

By the power of Your love.

Hallelujah! Oh, thank You, Lord. Glory be to God in the Highest. Thank You, Jesus. Thank You, Lord. Praise our God. Amen. Hallelujah! Oh, we count it a blessed privilege to be in His Presence tonight (amen) to bring this sacrifice of praise into His house; to offer it with the Evening Incense, (hallelujah) as it rises up from the Golden Altar in our hearts, (hallelujah!) ascending unto God as a sweet-smelling savor.

A Royal Priesthood offering the Fruits of the lips, giving praise and thanks unto Him (amen, hallelujah!) because they have the Oil, they have the Wine, they have the Wheat. Amen. Oh, they could worship Him this evening. They could bring a Sacrifice into His house. Hallelujah! They could keep the Feast, in this hour. Hallelujah! Praise His mighty Name. Thank You, Lord.

Let's bow our hearts for prayer. You have a special request, He's the prayer-answering God. No matter what condition you might be in tonight; no matter what time you might be going through. Jonah had a prayer meeting in the belly of the fish. Amen. Hallelujah! God heard and answered.

Jehoshaphat, in that time of crisis, (amen) prayed in desperation with faith (hallelujah) in that hour of that great invasion (amen), and God answered back by

prophecy. Amen. Glory be to God! He is a prayer-answering God. Amen.

He told us we could come with boldness. He assured us we shall find grace to help in time of need. Amen. Have faith; He is a God Who keeps His promises. Through confession and faith, we are subject to all the promises of God, all the power of God that is in Heaven. He is a God Who loves us, Who has made these blessings secure. He desires that we would live in the enjoyment and blessing of it. He doesn't want to withhold it from us. Even if we fail, He made a way by His atoning Blood (hallelujah!) that our sins could be put aside. Amen. Let's embrace this privilege. Amen.

You, have faith and believe, as we look to Him. Wherever you are throughout this region, across the face of the earth, there's no distance in prayer. He is the omnipresent God. He is the omniscient God. He is the omnipotent God. He is the great I AM That I AM. With Him there is nothing impossible. He is able to accomplish the things that concern us today. He specializes in things that seem impossible. He can do what no other power can do.

Let's believe in our hearts and confess with our mouths. Let's not observe lying vanities. Let's not forsake our own mercy but let's take a grip on God, not considering our own body, dead like Abraham's was, but he was strong in faith, giving praise and glory unto God because he believed God was able to perform what He had spoken. Let us come with that kind of confidence, tonight, we will not be disappointed. If two shall agree as upon touching anything, it shall be done, even as He said. Hallelujah.

Father, we thank You for the blessed privilege to assemble ourselves one more time in Your great, Divine Presence. We are so grateful for the marvelous Light, Lord God, that You have given us in these last days, where the Bride could walk in the greatest Light

that ever shone, that is leading us unto a perfect Day. And that Day is already breaking upon us. And this is the hour this mortal shall put on Immortality; this corruption shall put on Incorruption because the Lord Himself had descended from Heaven. You have opened up the Seven Seals book, and Seven Thunders had uttered their Voices to show us how to prepare. And that is what we are seeing – how to prepare. The Bride making herself ready and they, that were ready went in with the Bridegroom and the Door was shut. Hallelujah!

We are grateful, Father, to hear the Voices of the Thunders, oh God, and the Scripture is being made clear, the Way is being made plain, the bloody Footprints, the Path, these Secret Passages to bring us into the King's chamber, where Enoch came into and was not, for the Lord took him, and to know we are climbing that way. we are coming into that faith. Hallelujah!

Like Elijah, walking down in that hour, the day when the Lord would take him, how You were preparing him for dimensional travel. He knew the Day and the Hour were going to be revealed. What a place he was walking. He was linked up with the Unseen World. He was receiving supernatural instructions. Lord, we want to walk like that!

Enoch had a testimony that he pleased You before he was translated. We too will have that testimony. The testimony of Jesus is the Spirit of prophecy, a holy man's taste, seeing the Word being confirmed in our lives, the Word for this Day; that Lord, we could testify, a testimony of "I know that My Redeemer liveth." Because we have seen You, Father, showing us that You are not dead but You are alive; appearing with us, allowing Your photograph to be taken with us, Your Presence with us revealing the Word as we have need, keeping us in close communion. We thank You because this is what You promised. It strengthens our

faith that Your promises truly are “yea and amen”. It’s impossible for You to lie.

And I pray tonight, all these, Lord, here in this building, in this region, across the face of the earth, even those who will see these things afterwards that will have respect and believe and confess, (hallelujah) Lord God, You will meet those needs. You will give full, pressed-down and running over. Whatsoever we ask in the Name of the Lord Jesus, believing that we have received it and do not doubt in our hearts, we shall have those things.’ You said it, Father. So let it be done tonight, for the glory of God, in the Name of Jesus Christ. I speak it in the revelation of my faith as Your servant, anointed and commissioned in the line of duty, and the Holy Ghost present to bring the Word to pass in the hearts of those that believe and receive him whom You have sent, for the glory of God, in the Name of Jesus Christ, tonight. Hallelujah!

Now, Lord, we ask the great Guide, the Spirit of Truth would open the Scriptures; open our understanding that we might understand It. Perfect our faith. May there be such a Rapturing grace sweep into our souls. May You bless us, tonight, as we come in anticipation for Your mighty visitation, in the Name of Jesus Christ.

We give You thanks in advance for what You will say and do and may all the honor and glory be unto You. We will not fail to praise You. We will not fail to glorify You. We will testify of Your goodness. Now, have your blessed way, Father, in the Name of Jesus Christ. Amen. Praise His mighty Name.

Do you love the Lord, tonight? Are you happy to be in His house? Amen. David said, “I was glad.” Are you glad when they say, “Let us go to the house of the Lord”? We said we’re going to come to the house of the Lord, Friday and Saturday and Sunday. We are glad to be here. He has made me glad. I will enter His gates with thanksgiving in my heart. I will come with

Oil, I will come with Wine, I will come with the Corn. I will offer it at the time of the Evening Sacrifice, (hallelujah!) because we know our God is present. He made us a Royal Priesthood, a Holy Nation, a Peculiar People, a Chosen Generation.

If you see yourself according to what He says you are, you will never fail. You will never be defeated. But if you see yourself as a Trinidadian, you're going to struggle, you're going to fumble, you're going to fight up, and you will achieve nothing. Amen. So choose how you want to see yourself! Glory be to God! Hallelujah! Glory! My.

I know a man, in this Day, when he found the true Mirror and he looked in that Mirror, he said, "I thank God I am not the son of Charles and Ella Branham." He started to see himself. He told the woman, "Do you believe me to be God's Prophet according to Malachi 4:5? I say it plain tonight." Hallelujah! He said, "I take every spirit here under my control, for the glory of God!" Hallelujah!

You could see yourself any other way, but the Bride (amen), She knows who She is. She knows what She is. This is what the Ephesians is all about. He didn't tell you about the day you were born. He said before the foundation of the world you were chosen and predestinated. He showed you your origin and your destiny. Hallelujah! See yourself. You shall know as you were known. You will see face to face. Hallelujah! Glory! You will walk in victory. You will live in the power of the Spirit.

You say, "What's your secret, Brother Vin?"

That's my secret. I'm letting my secret out tonight. Hallelujah! That's why my victory stays. That's why my revelation keeps getting more powerful. Because that's what God promised: As She nears the Headstone She will be a Super Race, She will be the Invincible Army. There is only one Invincible Army.

There is another army with two hundred million locusts, but they are not invincible. They will take a licking from us before we leave here. They will be bruised under our feet before we get out of here. Oh yes! Glory! Oh, thank You, Lord.

So God bless you. Greet each other, and have your seat. Amen.

This is the “**STARS’ WARS**” and tonight we’ve come into “**The Book of Joel, Pt. 6**”. And since we started I wanted to show you a little clip of a locust invasion. And every night I tell them to have it ready, so I want them to show it now. Amen. Listen attentively, and watch. I don’t think it’s more than two minutes.

[Bro. Vin comments while the clip of the Locusts’ Invasion is shown -Ed.]

Amen. That’s a little visual. But tonight we don’t want to look at that kind of locusts, we want to look at the real ones. Amen.

Let’s stand to our feet. Turn to the Book of Revelation, Chapter 9. “*The Book of Joel*” we’re into Part 6 of the STARS’ WARS series. And we are speaking about “**The Ministry of Angels and Understanding Demonology**”.

Revelation Chapter 9, we are going to read from verse 1. I’ll read up to the end of the Fifth Trumpet and then you’ll have your seats, and we’ll continue to read after.

¹ And the fifth angel sounded, and I saw a star fall from heaven to the earth; and to him was given the key of the bottomless pit.

And remember, as we took last night, the last three Trumpets, the Fifth, Sixth and Seventh Trumpets are connected to three woes that will bring distress to the inhabitants of the earth. Amen. There is woe, woe, woe. So this Fifth Trumpet; we are reading a Trumpet is being blown. And what is the purpose? A pit is being opened because there is a plague of locusts that is coming on the earth.

When Joel announced, “Blow the trumpet in Zion”, it was a plague of locusts that was coming on the land. Understand that. Maybe (God help us), we’ll touch some of what the trumpets are.

² And he opened the bottomless pit; and there arose a smoke out of the pit, as the smoke of a great furnace; and the sun and the air were darkened by reason of the smoke of the pit.

It looked like smoke coming out of there; big clouds of darkness as would come out of a furnace. But when they observed it more closely, what was causing that darkness, what was causing this big cloud that was coming out, as though it were a furnace out of hell, was really the locusts, a plague of locusts.

³ And there came out of the smoke locusts upon the earth: and unto them was given power, as the scorpions of the earth have power.

And I definitely want you to hold that thought of ...*the sun and the air were darkened by reason of the smoke of the pit.* The locusts darkened the sun, blacked-out the sunlight. And we took Joel last night, how the sun and the moon and the stars withdrew their shining because of the locusts. That is what Joel was looking at because Joel was seeing this time. So John now comes and receives the same vision and John was describing the scene. And we are living in the Day when we are seeing this plague that has come out from the bottomless pit. Amen.

They might look horrible if you don’t see them in the flesh but if they incarnate, they might confuse you. Because, it might be that nice girl, pretty girl you are trying to go after; and it could be that nice, religious, pious man talking about the Lord. That’s why you have to give things the Word test. And that’s why you have to have discernment of spirit and not look on the outward countenance. Amen. Because the darkness

today is nice fashions, the ‘modern man’ and the ‘modern woman’ enjoying the entertainment and the pleasures of the world. That’s the darkness. But many times, people are looking for a monster with seven heads. It really has seven heads and ten horns: beautiful woman, but cruel in her heart, rises up in the White House. Do you understand?

This Book of Revelation you have to see with understanding. Without revelation you are dead. You don’t stand a chance. That’s why he said, “Pray for revelation, you need it more than your own food.”

⁴ And it was commanded them that they should not hurt the grass of the earth, neither any green thing, neither any tree, but only those men who have not the seal of God in their foreheads.

That means while those locusts are moving in the earth, there is a people being sealed and they know the Name because it is written in their foreheads, and they know who their Papa is. Do you understand?

⁵ And to them it was given that they should not kill them, but that they should be tormented five months...

Five months is the time that locusts live. That is the natural locusts, they live for five months. And that’s the time they’re in their strength and their power and their power is very destructive. And those are the five hottest months of the year, from April to September, and that is from spring to summer, to harvest. That is when they eat everything that grows. Do you understand? Luther was Spring and we’re in Summer.

...and their torment was as the torment of a scorpion, when he striketh a man.

⁶ And in those days shall men seek death, and shall not find it; and shall desire to die, and death shall flee from them.

7 And the shapes of the locusts were like unto horses prepared unto battle...

In Joel Chapter 2, we read that. Because the head of the locust really looks like a miniature horse head. Joel described the head and John described the head.

...and on their heads were, as it were, crowns like gold, and their faces were as the faces of men.

8 And they had hair as the hair of women...

The antennas on those locusts are like a woman's hair.

...and their teeth were as the teeth of lions...

And Joel Chapter 1, verse 6 tells you that they have teeth like lions, describing the destructiveness of their power in eating when they begin to devour and destroy everything, just like the fourth Beast, the Roman power that will devour the whole earth. It's all connected because it's Roman devils. It's the revival of the Roman Empire. That's it coming out of the Euphrates River, the bottomless pit. Amen.

9 And they had breastplates, as it were breastplates of iron...

Iron; that's Rome, that's the fourth power.

...and the sound of their wings was like the sound of chariots of many horses running to battle.

And Joel Chapter 2, verse 5 tells you the same. You see, I am connecting the two for you because Joel is seeing something under the image of locusts that had just devastated the land. He was seeing a power that was going to come and bring that kind of destruction on the land, that Babylonian power that will destroy the temple, destroy the wall, destroy the city, destroy the houses and take everybody captive into Babylon (the city of the lie) and persecute them to worship an image. That's right.

When he comes in the anti-type, it was the Babylonian power that ate down the Church and took it to Mystery Babylon. And in the last days, we've come out of Mystery Babylon to come back to Mt Zion. Do you understand? That's the perfection of the Word, the Holy Spirit.

¹⁰ And they had tails like unto scorpions, and there were stings in their tails; and their power was to hurt men five months.

¹¹ And they had a king over them, which is the angel of the bottomless pit, whose name in the Hebrew tongue is Abaddon...

It means *destruction*; it means *ruin*. That is the king locust. Natural locusts don't have a king. Proverbs 30:27 tells you that. But these supernatural locusts have a king. His name is Abaddon in Hebrew.

...but in the Greek tongue hath his name Apollyon.

And Apollyon means destroyer.

Under the Seal, those four riders, those four stages of demon power, his name was Death. Under the Trumpets, his name is Destruction, Destroyer. Under the Seal, hell was following Death. Under the Trumpet, those who came out of hell were following Death. In the Garden of Eden, he was the Tree of death. "The day you eat of that tree you will die", the Tree of the knowledge of good and evil. Amen.

¹² One woe is past and, behold, there come two woes more hereafter.

May the Lord bless the reading of His Word. You may have your seats. Keep your Bibles open.

Now there are three woes, here. They are connected to the Fifth, Sixth and Seventh Trumpets. So to help bring a little understanding here, World War I, the First Woe was from 1914 to 1918. World War II was from 1939 to 1945. And tonight is March 6th 2010 and the Third Woe cometh quickly. So from 1914 to 2010, you can expect to see what you are reading here

manifested in the history that has come from these woes.

1946, May 7th, the Ministry of Angels – the Angel of God appearing to the seventh angel, the star in His right hand, getting ready to loose him to the earth. All the time He was dealing with him in private and locally, but the hour had come, he was to go worldwide.

From a little boy, seven years old, 1916, under the First Woe, the Angel came to him: “Don’t drink or smoke. Don’t defile yourself.” Seven years before that, April 6th 1909, when the constellations were in place to show the same sign as when the Messiah was born and that that gift came back into the earth, that Angel (Ministry of Angels) appeared over the crib at 5:00 am in the morning.

Like when the magi told him that time, “I can tell you when you were born.”

He said, “You can’t. You don’t know me, I don’t know you; we have never met.”

She was looking for him for the last twenty-something years, like the magi in the Bible saw the star and came looking for the Messiah. She said, “You were born on April 6th 1909 at 5:00 am, in the morning.”

It shook him! “How do you know that?”

She said, “Your birth was when those constellations came together.” She said, “There’s a Light that follows you.”

Isn’t that something? And he couldn’t understand it, but May 7th 1946, speaking to the Heavenly One, he said, “Why do these people follow me and always tell me these things?”

He said, “Look in the Bible. Didn’t the magi see the star and come looking?” Then also, he said, “When Paul went into Europe didn’t those demons cry out, ‘These are men who have come to show us the way of salvation?’” Didn’t those demons in the sons of Sceva

say, “Who are you all? We know Jesus, and we know Paul?” Amen. Those demons knew them. That’s right. It’s a world, it’s people. It’s a world where they’re not in this kind of body.

In these three dimensions, this is the realm of earthly, fleshly bodies. In the sixth dimension, they don’t have this body. That is the realm of celestial bodies. If this earthly house of your tabernacle be dissolved, you have another one waiting: theophanies.

[2nd Corinthians 5:1 -Ed.] Amen! Hallelujah!

And so, then there is another realm where there are souls, just souls, not in torment. And then there is another realm where you have souls, but in torment; different destinations that people go to when they die. Those Jews who got killed in the Holocaust, they went into a realm where it doesn’t have Perfect Love, where it doesn’t have celestial bodies. It’s like different countries in the earth. If you’re living in the Congo, your clothes, you don’t expect to see your clothes fancy. If you live in Paris, you live in New York or Los Angeles, you expect to see you have fancy robes. It’s different levels of civilization. Do you understand?

So the dimensions are like worlds that have inhabitants: some are crying for revenge. Some, in torment like the rich man who lifted up his eyes in hell (amen) and then some, where sin can’t enter. Amen. And then, here, where some are rich and have a lot of privilege and where some are poor and they’re suffering. Do you understand? It is worlds, whether you’re in a fleshly body or you’re out of the body.

That’s why when you get people living in their little intellectual ideas, it’s because their thinking has not been filtered by the opening of the Seven Seals, that revealed all the Mysteries to change our concept of what Heaven is. When they think of Heaven, they just think of, maybe, playing a harp on a cloud or something.

He said, "Heaven is not the place my mother used to tell me about." He said, "That was an old concept the old-timers had but the Church has grown from that." Because now the Church had one, a spiritual Astronaut who went into that World and came back a witness, and told us how he was young again, and he saw his wife and she still had brown hair. Not talking about the body that he buried in Walnut Grove, where he would put flowers on the grave; not that.

And we began to understand a world that doesn't have yesterday or tomorrow; a world where you don't use the solar system to tell time. You don't need it there because there is no time there. Hallelujah! The Church has to rise up. That's why he said, "I cannot bring a Methodist message or a Baptist message, or a Pentecostal message because no man in a horse and buggy went there. No man in a motor car drove there. No man in a little aeroplane flew around there. It took an Eagle Age!" [1962-1125E The Countdown para. 26-29 -Ed.]

It took one of God's Eagles (hallelujah!) to move up into that realm because the Church had come to the hour when we have to change dimensions. This dimension we're in is becoming the same as hell because the wall that brought a division, a key was given to open that door so now they could walk in that room. Everything is flowing right here (amen) because those demons have access to bodies here who did not want to worship Christ.

When the Son of Man was revealed in this Day, they wanted the world ecumenical move and they rejected the Son of Man. And there was a second crucifixion like when Moses struck the rock twice. Amen! They crucified the Son of God afresh. And on another Good Friday, God shook the earth though He didn't unbalance it. Hallelujah! But the scientists are saying, by a fraction, a few seconds, the earth shifted a little bit, again. They measured it on Boxing Day, 2004 when they had the tsunami. And I came and

preached *A Woman in Travail* of birth. [2004-1229 -Ed.] Amen. And then they've come back here with this 8.8 [earthquake in Chile, February 27th 2010 -Ed.] and they measured again. Amen.

A lot of things are happening. We're in such a time because "I'll shake all nations." Everything that can be shaken will be shaken off. The earth is trembling before them. The earth is quaking before them. Heaven is shaking and hell is being created here. And the hour is going to come, and now is, when there will be no more names in the Lamb's section that are on the earth. Most of the names are already on the Other Side, and the last few names here are ripening in the Presence of the Son. Hallelujah! And when the Church comes to that spot, they are going to leave There and come and pick up bodies here. Our theophanies will pick us up.

And from below, those demons that come out will be the ones who are here in flesh. And they will bring such a persecution, there will be weeping, wailing and gnashing of teeth, for those who never got the Seal in their foreheads. That's right. They knew about the Things by reading, but they didn't have the experience of It being interpreted in their lives, so they didn't have enough faith for the Rapture. They had a mental faith but they didn't have faith to be changed. They couldn't move into the revelation in the Final Quickening when...the Final Voice, the Final Call.

He said, "She shall turn at the West. Let's get ready for the Final Call. The Bride, under her Messenger, will be the Final Voice to the Final Age and a short, quick Message is shaking the earth!" Amen.

And like Bro. Mattsson-Boze said, "I'm looking for a shaking, Bro. Branham. God told me it will have a great shaking!"

He said, "Mattsson, get next to yourself. That was when I came to Chicago and had those meetings." He said, "Remember those Jews? Isaiah said, 'The high

places will be made low, the rough places will be made smooth; the valleys shall be exalted; there will be a highway for our God in the desert!’ And they were arguing: ‘Ah, you all say you’re in the Message and you know the Son of Man; you don’t know the Bible. Elias must first come.’ And they came back confused to Jesus because those Jews said, ‘Where is the shaking? Where are the mighty works? Where is all the power and demonstration Isaiah talked about?’”

And the Prophet said, “That’s where I always use to identify the Rapture. When they find themselves in the tribulation, they will say, ‘Wasn’t there supposed to be a Rapture?’ It was already gone. Elias had already come.” Amen. The thief will come in the night, and *the* one shall be taken, and *the* other shall remain. Romeo took Juliet. That’s right, friends.

That’s why you see, in the hour here, catching these Things, understanding these Things, it is so important that we understand these Things.

Let’s study a little bit, this locust.

Locusts... (I’m reading a little note here from the Bible encyclopedia.) *...the Hebrew word is usually derived from ‘to multiply’ or ‘to be numerous’ because the locust is remarkably prolific.*

Species often appear in large numbers. It says: The largest flight of locusts upon record, (And this is one of these old encyclopedias, so this is what it was at the time.) is calculated to have extended over five hundred miles, and which darkened the air and the sun like an eclipse.

Because when the sunlight is blocked out totally, it’s what you call a solar eclipse, a total eclipse, but then there are partial eclipses that are not total eclipses. Amen. And they had this on record, the largest flight of locusts.

The word locust is also derived from a word which means to lie hidden or in ambush, because the newly hatched locusts...

Even like you saw in the little documentary there, they emerge from the ground. They come from the world beneath. Do you understand? Watch the natural locusts. My!

So then, ‘ambush’, you see, first they lie hidden. It’s hidden in the earth, underground, and then they emerge, and then they’re on the earth. And then with the fearsome way that they attack vegetation... You heard the words Joel used: A great people and strong, set in battle array. And he goes on and tells us: what the palmerworm left, the locust has eaten; what the locust left, the cankerworm has eaten; what the cankerworm left, the caterpillar has eaten – systematic destruction! It’s like an ambush.

First, they’re laying hidden; you can’t see them. You don’t even know they exist but then one morning, they emerge and they’re on the earth. And then you begin to look around, and by their activity, you’re seeing a garden of Eden becoming a desolate wilderness. You see a church having a revival and a great move of God and then, you see that church become lukewarm, formal and powerless.

You begin to see the effects of ministry, locust-ministry preaching condemnation; eats down the people’s faith, puts fear on them; eats down their joy and fills them with tension; takes away their laughter (that Abraham laughed with revelation, and Sarah laughed with revelation, amen!) and you start to hear mournful sounds. You’re seeing the devastation.

You start to see people who were... like Paul said, “After Christ was evidently set forth among you, oh foolish Galatians, who ate down your Message of grace? And now you are trying to be circumcised to get righteous, who hath bewitched you?” Amen.

They ate away their faith and they put them back into dead works. It ate down their doctrine. It ate down their doctrine! That’s right. And you see that church goes through a transformation, until you walk

in and after ten minutes people are asleep in the church, and they want to play bunco games and they want to sell. That's right. And when you see those kinds of things...

When the Prophet came and he looked upon those churches, he began to preach *The Church And Its Condition* [1958-0805 -Ed.]. And then one day, God gave him an inspiration and he preached *Palmerworm, Locust, Cankerworm and Caterpillar* [1953-0612 -Ed.] and began to show them what was happening to the Church. Amen. Many of them were supposed to be Pentecostal, but now their doctrine was so eaten down that when he appeared with the Messianic sign, they called it mental telepathy. Why? They had no Word anymore to identify the gifts of the Spirit; yet, they being Pentecostal, called themselves that because of the restoration of the gifts. That's right.

Some believed in healing. Then the ones who believed in healing wanted people to touch a radio, and they were going into fables. But they thought they were a great church because nobody could identify their real condition to them.

That is what happens with people many times. Sometimes you say, "I'm in the Message. I'm living a good life. I am better than she; I am better than he." And you think you're okay until you meet a real believer. And when you meet a real believer, somebody who is in contact with God, somebody who is hearing from God, somebody who knows the Spirit, somebody who could take the Word and lay It there, you with your little moral life and with your little good works, start to realize you're so backslidden that what you call Christianity is not really Bible Christianity.

But, that is good for you because, sometimes the Church gets all settled and at ease in Zion, and God has to bring a shaking so the roots could go a little deeper. Many times, you have lying spirits making everybody feel they have the Holy Ghost or nine out of

ten times, they're only preaching an emptying out Message, not a filling up Message. That's right! So they go into Calvinism: "If you're predestinated you are going to get it."

And then everybody relaxes: "Well, I don't have to fight up. If I am a child of God I must have it. If my name is in the Book, the Rapture cannot take place until I come in."

And that is a deception because you never know these Things until the Holy Ghost comes inside of you. That's right! There's no way to know these Things without the Holy Ghost in you! But you see, people now, in the mental realms have a mental understanding when they hear the Word explained (that's right), like Dr. Reed and some of these people. He said, "Bro. Branham, you know, I have been preaching the Gospel for the last thirty years, but I have been in your meetings and I realize I don't have the Holy Ghost." And Bro. Branham said these men were preaching masterpieces, theologically put together but without the Holy Ghost.

Like those two old ladies with the Holy Ghost watched Charles Finney. They said, "Brother Finney, you preached a nice message there last night, I tell you." They shook his hand and squeezed it a little bit, "But we are praying for you to get the Holy Ghost."

The Prophet said when he went into the woods and got the Holy Ghost, he was preaching the same message, but then you see the people at the altar, affected because now it wasn't some little mental business. That Word went like a javelin that people knew that they were in the Presence of God. And sometimes in these places, it's very tricky because somebody could say, "Oh, I understand what he is saying, I must have the Holy Ghost."

No, no, no. Don't try to judge things like that. The Holy Ghost is a Person. If He is inside of you He will talk, He will lead, He will direct. He is not a sleeping

Holy Ghost in you. That's why you have all these dormant Holy Ghosts. That's right. He will shake you out of your bed. I hear people tell those stories many times.

Which sister was saying that recently, too? I can't remember who it was. A demon came on the bed and wanted to press her down on the bed. That demon threw her off the bed! Well, if a demon will throw you off your bed, how much the Holy Ghost could wake you up at 2:00 am in the morning, and say, "Pray!" Somebody is in trouble somewhere; you are an intercessor!" Amen.

Sometimes the devil himself finds, "You're too backslidden for me, you can't deceive anybody. Because for me to use you to deceive people, you have to look like a Christian." He says, "But the shape you're in, you can't deceive anybody." So the devil has to throw you and shake you up to get you desperate a little bit too because you could do more work for him when you're looking like a Christian, because somebody will get kind of confused and think you're genuine. Sometimes in that state, it takes no discernment because that is like a mannequin in a store; piece of plastic dressed in the latest fashion. Oh, God have mercy!

You know that comes from the pit! Amen. If there is Life there you have to have something real. You got to have some conviction, some principles; something you stand on, something you say, something your body language testifies of, something... an atmosphere around you! That's right! Then you know you have the real deal. Amen.

In this hour? My! Forty-five years after the Prophet went, forty-eight years after the Thunders uttered their Voices and opened those Seven Seals, has God abandoned His program? Is God building His Masterpiece? That's right. You could imagine the Bride and Her condition, tonight. That's where many

people do not have the discernment. They look across Message churches and they say, “Well, I’m kind of okay, because I’m not seeing any real thing happening yet.” Because they are in some kind of group revelation and they want to see something that they could understand with their minds with somebody.

When Elizabeth met Mary, that Angel had already descended to Mary and she already got overshadowed and Christ was being formed on the inside already. When Elizabeth held Mary like that, her dead baby came to life and she said, “The mother of my Lord is here!” Not, “My cousin, Mary.” She began to give her Word identification because she got to realize, “It’s Something more than you. It’s Something inside of you, Something that came from Above.” Yes! As Christ was in Mary...as Christ was in Mary, this is the Secret: the Word is in the Bride!

All those outside of Mary who are Sadducees and Pharisees... At least Elizabeth was carrying a revelation of Elijah, part of the Word; but Mary was carrying the Son of Man, *all* the Word. Jesus wasn’t part of the Word, He was all the Word, but John was part of the Word. Hallelujah! Elizabeth’s own came by sex, but Mary’s Own did not come by sex. It came from an Angel that descended from Heaven. Hallelujah! Elizabeth’s own could only baptize in water, but Mary’s Own could baptize with the Holy Ghost and Fire! But all those Pharisees and Sadducees, they are sad-you-see? [The congregation laughs - Ed.] Amen. But between Mary and Elizabeth, (amen) Mary’s Own was the New Creation. Amen. Hallelujah! Glory.

So it’s a lot of difference. Both of them are in the Message of the hour but just Mary was walking in another Place. Elizabeth was a holy woman, saintly woman. Amen. Her husband was a priest, but the thing is, he didn’t have enough faith to believe the Supernatural so he got struck dumb. Amen. But

Mary, even though her espoused husband was getting troubled, she said, "Be it unto me according to Thy Word." Amen?

Those two women are in the Message. Mary's Own could take you back to the Garden of Eden. Mary's Own could remove all sin and guilt, but Elizabeth's own can't do that. It didn't do that. That's right. That's what you have today. One is carrying all Seven Seals. They have the six that Elizabeth has but Mary knows the Seventh One is in Her, present tense. It's in Her, present tense...it's in Her present tense! My. You see, you want to walk there, friends. Amen. What a place you can walk when you walk there!

Let's hit this next Trumpet here because I'm going to show you... I made a statement last night, that those three woes are really like one woe in three parts. Because now, verse 13 says:

¹³ And the sixth angel sounded, and I heard a voice from the four horns of the golden altar which is before God.

¹⁴ Saying to the sixth angel who had the trumpet, Loose the four angels which are bound in the great river Euphrates.

Now, watch how this revelation of the bottomless pit begins to unfold because now, we are seeing there were demons, locusts shut up in the pit, and now we are seeing angels bound in the River Euphrates. And this big four here, they are the principalities. Yes. It's a loosing and a binding, here. Can you see that? Amen. It's a loosing and a binding. They were bound inside of there.

Do you know Hitler was bound in the Vatican? Do you know Pope Pius, he had a concordat with Hitler. How many know denominations use their influence when they go messing into politics to swing votes? Why? Because the masses are loyal to their organizations.

Who you think all the Hindus and they vote for (ninety-five percent)? That's right. Because they're not going to put their vote behind a Christian man. And how many Christians now, do you think are going to go over and vote for a Hindu party? Now, both are of the devil. Remember all politics is of the devil.

I don't believe my people are mixed up in those things; otherwise, the locust is on them already. Amen. Do you know why? When you're taken up in the Seventh Seal, your future is not in a world that is already judged. And when Michael has come down with the open Book, you have no more allegiance to Lucifer who is the god of this world, and you aren't backing people who push Christ on the outside. Could the seeing follow the blind?

No, no, no, no. The seeing doesn't follow the blind. Could some blind politician come and excite me about something? Does he have a promise to take me into? Does he have a better promise than mine? Does he have a more reliable Promiser than mine? All politicians' head is in the Vatican. It's a connected world because it's a dark shadow on that politician. And when he stands up on a platform and starts to talk, do you know what's that? That's a black streak trying to connect with something black in you because he doesn't want to come out of that seat. He wants to stay and maintain power in that house and if you're connected there, in the spirit world the two of you all are connected. And when a Head appears in the sky and comes upon you, do you have two heads? When that Stone comes to smite all those ten toes—how readeest thou? How believest thou?

That is why I talked about the Holy Ghost just now because some people's Holy Ghost can't get that far. This is only a little higher religion than the religion of the world to them. But when you're born with a Nazarite vow and you're placed positionally in the Body of Christ, it's different.

You see how under the Trumpets here, the Spirit drops into something political, right here, to wage some war with those political spirits and shows them where that influence is coming from. What is this? STARS' WARS: Ministry of Angels from Above and Demonology, locusts from beneath. This is what this is. This is real. This is happening because I'm not a brother preaching a sermon here in the church, tonight. I am one of those stars that have not moved out of place, standing here blowing a Trumpet in Zion because I see the war. I am identifying the war. I am identifying the scheme, the purpose, the objective, the methods, the strategy, the tactics. I'm warring against that in the Mind Age. That's right.

This isn't church for me, brother. This isn't Bro.Vin in church, and I'm explaining that in the Bible. That is Bible school. This is the Bride who eats the Book, prophesying. Yes, sir! Because this Voice is going into the earth tonight! That's right! This is waking up people in all different continents, sensitizing people because this is where God dropped the Trumpets and the Vials and the Thunders to follow the Ages and the Seals. If that is not so, show me, somebody. that it dropped to. That's right! Tell me who you hear preaching those Things.

I'm not a fallen star to open the bottomless pit, but I got a key to open up what the Prophet sealed up. Hallelujah! He opened part of the Message and sealed part, "It will make a cycle and come back around." Tell me where you heard about Second Cycle and Unknown Language [1981-1015 *The Cycle of the Unknown Language* -Ed.] and, She shall turn at the West and 'I will ride this trail once more', *Sirs, Is This The Time?* [1983-0401 -Ed.], and *Hidden Communications* [2005-0918 -Ed.]. Glory! *The Return of the Global Village* [1989-0910 -Ed.], *The Traps Of The Mighty Hunter* [1989-0614 -Ed.].

Oh! "Blow the Trumpet! Sound an alarm in My holy mountain"! We're in the Holy Mountain, tonight,

Mt Zion, the Sides of the North, the City of the great King built foursquare! And the Headstone, the Presence of Jesus Christ, the Lamb; we are with the Lamb on Mt Zion, and His Name is written in our foreheads! Oh yes! Glory! *Michael, I'm on Your side. You have come on the earth to fight for Your Bride; Michael, I'm on Your side!* [#278 - Songs That Live -Ed .] Hallelujah!

I feel like I'm back in Barataria: The Place Of The Burning Flame. God turned the country upside down in 1980: showers of revelation, our eyes were made to see our own prophecy. 1981: *Victory and Glory for all Eternity* [#546 Songs That Live -Ed.]. I could see Willie [Bro. Adonis Williams (dec.) -Ed.]. I could see Bro. Wilson [Bro. Carl Wilson (dec.) -Ed.], I could see Bro. Leon [Bro. Leon Lewis (dec.) -Ed.], I could see Bro. Kenny [Bro. Kenny Nasib (dec.) -Ed.], I could see Sis. Vernice [Sis. Vernice Williams (dec.) -Ed.] shouting tonight! Oh yes! Hallelujah! Glory!

The Lion roars and the nations shake! Glory! My. We are in the unseen realm, here. Fifth Trumpet, Sixth Trumpet, this is the unseen realm. Those are not earthly angels. No, no, no. That is Heavenly Angels that are sounding. Earthly angels are under the Seals. That's right.

Bro. Branham was not that Seventh heavenly Angel; he is the earthly Angel sounding the Mystery of what is going on in those realms. He is the Seer, seeing the demons in the service, hearing their scheme, seeing how they're calling for help, trying to create confusion, (amen!) seducing the people: Pentecostal ministers in Matthew 24:24. He is sounding a Gospel Trumpet but these Trumpets are "Woe, woe, woe." This is bringing plagues in the earth. This is filling the earth with judgments.

How many know It says that? Only those men who have the Seal of God in their foreheads: that's Ezekiel 9. Was there a war when those Angels were sealing? What war was there? What was the war? The

Babylonian power had surrounded the city. They had created famine, pestilence; they began to drink water by measure and eat bread by weight. It was a war and the hour had come when that city was to be burned. That's right.

They had rejected Jeremiah's message. God told them, "Make a yoke with iron because you all are going down for seventy years." False anointed ones in the church realm, mixing into politics (Hananiah) to advance themselves, that, "Jeremiah is not the only spokesman. I'm hearing from God, too." He said, "In two years they're coming back."

Jeremiah said "Amen." Just like Elijah said, "Shout a little harder", Jeremiah said "Amen." In other words, "It came out of your mouth and all of them heard it. It will prove you are a false prophet."

God told Jeremiah, "Make one with iron." What was happening? Scriptural war in the realm of the church, because Jeremiah caught the Seal; he identified the power. But in the political realm, there was political disturbance; war bringing on famine, pestilence because the country was under invasion. Is that right?

And Ezekiel... God began to open something after Jeremiah opened the Mystery. Ezekiel got a vision: he had to eat the Book. And Ezekiel ate the Book because in Jeremiah's Day, the Book of the lost Truths was found and the full Word had come back among the people. And they realized the wrath of God was moving in the land and that Babylonian power was an instrument of God, to root up that backslidden church and carry them captive into Babylon, where they would worship the image.

All of this is at the beginning of the Gentile dispensation, and it is at the end of the Gentile dispensation. The Prophet preached it: *Beginning and Ending of the Gentile Dispensation* [1955-0109E -Ed.]. I am in my subject. Because I am going to prove to you,

that Babylonian power that came up into the Medes and Persians, that came up into the brass of Greece, ended up in the Roman power which is Mystery Babylon. Because in the ancient mysteries when Attalus the priest-king fled, Satan's seat was in Pergamos and then he willed it over to Julius Caesar who became Pontifex Maximus when pagan Rome, which was wounded in the head, began to rise as papal Rome.

And from Caesars, we've come to popes; a man with a triple crown saying he has jurisdiction over purgatory, over hell and over Heaven. He is the vicar of the Son of God. And from antichrist spirit he became false prophet, all the way to Benedict XVI, the present false prophet, when there is Micaiah's Seventh-seal Vision in the land, in the days after Elijah, between the Second Woe and the Third Woe.

That's why the Spirit could speak expressly like that and tie the Bible together, because it's not from man, it's coming from Above! It never loses a beat. It's always in the Bible because I hear It coming. You see me preaching, but when you think I'm off my message, I'm hearing all of that coming as if I'm reading It on a blackboard with a prompter like those singers have. And I'm watching it and I'm only reading what I am seeing. That's right.

One of these days, you will find out what This really was. You'll really understand then because look where That goes in the Bible. And whenever It speaks the Bible, It brings It in the continuity of the Message, present tense. It goes into twelve hundred tapes and sixty-six books like a laser; like lightning. And when you're finished, you see what happened in 1965 and you are in 2010. That is an operation of the Spirit. That is for the edification of the Body. And that is by present-tense inspiration. That is not 'rehearse in the study and come out', that is access.

You saw just now, I am preaching and I am going this way, “And Mary...” And I’m saying many people are thinking I’m off my message, but I’m going there so the Spirit will come upon me fully. That’s the Truth. Because you go back in the Seals, he said, “Each night I come, I kind of speak a little bit, speak around, speak around and when the Spirit comes He opens the thing.”

Because I said we are not coming back to repeat things. Just like I told you, the Ephesians, something is happening. Maybe it’s not for everybody but whoever it’s for, both here and across the face of the earth, God knows everybody’s mailbox and God will drop them in the mailboxes. And when that program opens up in their minds and in their hearts and they start to read their mail, they know God sent something to them from Heaven. It will place them; It will set them in a certain Channel. Sure. Oh my. That’s right.

Okay. We were on verse 14, the Sixth Angel which had the Trumpet sounding.

14 Loose the four angels which are bound in the great river Euphrates.

When they loosed all those others, there were some who had to wait until under the Sixth Trumpet to be loosed. They are going to come and catch up with those who are there; because there were certain things to stop in World War I. (I’m hearing it again. Listen.) How did World War I stop? Eleven minutes to the eleventh hour on the eleventh day of the eleventh month, 1918, to fulfill what Jesus said in Matthew 20 (that’s right) about the eleventh-hour worker going to get the same penny at Evening Time; because it started in the Morning Time when the Gospel started in the East.

And four times they went out: under the lion, under the ox, under the man; and at the eleventh hour, under the eagle, the restoration, those who will get the

same thing the first Age got. Because it was *a* servant, singular, that He sent out, (that's right) who was coming to give them their penny. And Malachi 4: "Behold, I send you Elijah; *he...*" personal pronoun, singular, masculine, one man. "Behold I send you Elijah; *he...*" personal pronoun, singular, masculine, one man. From 1946 to 1965 was a one-man move; one man like Eliezer, one man like John, one man like Moses. That's right.

And that's why those denominations put him down. They did not like a one-man Message. If they had humbled themselves, they could have been part of the Body Ministry. That's why Paul said, "Wait on your ministering." That's right. It has a time and a season for everything. See. Watch God's ways; so beautiful.

¹⁵ And the four angels were loosed, which were prepared for an hour, and a day, and a month, and a year...

Do you know what's happening here now? The winds that were held are being let loose. Watch what is going to happen here now.

...to slay the third part of men.

Who are these men? God has a specific people in mind here; it has Gentiles and it has Jews. Passover was at Calvary; His Body was broken, His Blood was shed; the Lamb was slain. That was the Feast of Passover, Feast of Unleavened Bread; Feast of Firstfruits, His resurrection. Then after He ascended the Church started at Pentecost. Is that right?

And then from Pentecost, Seven Church Ages have been the time of the Church that started at Pentecost. But then the Trumpets, the Feast that followed Pentecost, is to do what? Re-gather the scattered people, because Titus scattered them in A.D. 70 after they rejected the Son of Man.

He said, "Not one stone will remain standing." Do you understand? He said, "The time is going to come, Jerusalem will be compassed with armies, and you

shall be scattered into all nations until the times of the Gentiles be fulfilled.” And the Gentile’s time started when Nebuchadnezzar took Israel; Gentile dominion over Israel! And from that time, Israel was always an occupied nation. Even at present, the Palestinians are there and Israel doesn’t have the full sovereignty.

And now, Obama and the pope and the Arabs are putting pressure, “Divide Jerusalem because all of us came from Abraham. He is the father of the Arabs. He is the father of the Jews and all Christians. He is the father of all them that believe.” And that is the pressure. And it will happen because the man of sin will sit in the temple as God because a covenant is coming.

I believe it’s already made. I believe in the subprime mortgage crisis. He said we wouldn’t see it. He said we won’t see it. Remember, the Bride is not going to be taken out just like that. He is coming in stealth to take Her out because when they’re coming to kill...when that dragon realizes he did not get Her, he’ll spurt water out of his mouth for the remnant of the Woman’s Seed. But the Woman who had been given the two wings of the great eagle, (hallelujah!) the earth helped her; the earth opened her mouth.

Go back to my messages: *The Lion Roars Again Before the Great Earthquake* [2008-0727 -Ed.], the woman with two wings to fly [2008-0615 Receiving Two Wings of the Great Eagle -Ed.]. That’s right. What a time, friends!

You see, God knows all that they are doing. And so, Ezekiel had a vision that intercession was coming to an end, that the sealing had come to an end because the Sealing Angel came back and said, “It is done as Thou hast commanded.” And all these years, like at Pentecost, the Sealing Angel went out; started in Jerusalem, into Samaria, all down in Ephesus, in the uttermost parts of the world. Is that right? He was sealing up before Titus, the slaughtering angels were let loose. Do you understand?

Let me get you back where I am. I am tying the present-tense Trumpet so you could understand the Trumpet, how it is political disturbance. The Babylonian power was devouring the earth; she was now going to take Israel. When she took Judah she became the head of gold. And then she set up the image and forced a worship because she was controlling all religion, all politics and all economics. But in that hour, Ezekiel caught the vision. He had eaten the Book.

In Chapters 2 and 3 and in Chapter 9, he saw the sealing come to an end. And in Chapter 10, he saw the Pillar of Fire leave the sanctuary and the man with the censer of fire cast it on the city: Revelation 8:1. We went through all these things on *When Intercession Comes to an End*, on *The Two Altars of The Tabernacle*, and *The Throne of Mercy and Judgment*. 2002, I went through all these messages here with you. Go back to the library and find them.

Then the last couple of years, I preached these messages all down in Honduras, all through. That's right. Because that was the time when the Book of the lost Truths came back. So when you see the type in the beginning of the Gentile dispensation, then in the middle of the Bible when it was finished, and in AD 53 the Church Age started (the Holy Ghost came at Pentecost, AD 30); but AD 53, what was that? That was the shift from Jerusalem to Antioch. Out of Antioch, Paul went into the uttermost parts of the earth from Acts Chapters 12 to 28. We went through all of that, *The Shift From Jerusalem to Antioch*. [2002-0222 -Ed.]

You see, you all hear Things, but you have to get back in It until It becomes real to you, otherwise you just hear Things. And when you miss that, you miss what is happening in your midst because that is to understand Scripturally, what was happening in the days after the Son of Man and before Titus.

Who was Titus? The Roman power. That was the second time. First it was Babylon: burned their temple, scattered them. Then second, Titus burned their temple, scattered them. Two temples destroyed, the Babylon power and the Roman power. We have it today called Mystery Babylon, the revived Roman Empire and we had an Elijah and a Son of Man. We had a 'Jeremiah' and an 'Ezekiel' who ate the Book.

We had an Elijah and a Son of Man and then we had Paul, Peter, and Philip and them: Ministry of Angels. Angel led Peter, Angel led Paul, Angel led Philip, but the Word came through them. Demonology came against Peter, locked him up in prison; locked up Paul in prison. Paul cast out demons. Peter cast out demons. Philip went down in Samaria and cast out demons. They knew it in flesh, they knew it in sickness, they knew it in politics, they knew it in religion.

Do you see that Word opening there? Are you understanding this kind of vision? Let me tell you, we are very privileged to hear what we are hearing tonight. I'm saying 'we', that's me too because I'm hearing it all coming. It isn't missing a beat in the Bible. Watch.

Those two times are repeating, right now. When intercession was going to come to an end, Ezekiel 9 was to repeat again in the last days. That's right. The king of Babylon is conquering the world. At Makhtesh when they came in there, the rich men howled; the rich Jews, Jewish bankers. The Babylonians took their wealth.

You sit in the church and went through all those *Economic Recession* messages (that's right) and then *Uniting Time and Sign* [1963-0818 para. 49 -Ed.]. Not one of the Christians was caught in there because the Sealing Angel, the Holy Spirit sealed up the Elect. He had followed the Ministry of the Son of Man before the slaughtering angels: Titus was let loose. And before Titus, there was famine, depression, and war. He said,

“Watch where we are going again; famine and depression are bringing the whole world to Armageddon.” That’s right!

“Behold, the Third Woe cometh quickly! One woe is past, (under the Fifth Trumpet) behold, two more woes come hereafter.” When the second one dropped; Ministry of Angels. There were little doves in the First and Second Pulls; little birds. But the Third Pull, Abraham, before the change, the opening of the Seals, Angels appeared. What for? Investigation. Why? The land was being filled with same-sex marriage, and the homosexuals were becoming powerful and taking over. Is that happening?

You see, you know the things in the world, but when it comes to some of these places here in Revelation to see It revealed, to understand, then you realize we as a church here in Trinidad, let me tell you, God hid us. God hid us. They never knew Trinidad had diamonds. They never knew Trinidad had Eagles. They never knew Trinidad had Lion, not zoo lion, not caged lion, Roaring Lion! Not the calypsonian; Lion that roared Seven Thunders, Deity speaking!

That is not spiritual humor there, you know. That is as real as real can be. That isn’t just some nice thing there. No. When you sit and you get out of your little self, and you go back tomorrow or the day after and you put this tape on, you’re going to find out what you were sitting in church and hearing. I don’t know how much you could catch tonight. I don’t know how locked in you could be but right now, I can’t get out if I want to get out. He shut the door with me and Him inside of here. Right now, this Spirit could say anything. That’s right.

Watch this opening. I’m showing you the Trumpet, the political disturbance. But when that was happening you have a Jeremiah and an Ezekiel understanding intercession, understanding the Book is restored while war is in the land, and all the nations

trying to become confederate to stop the Babylonian invasion. And Jeremiah went out and told them, (in Chapter 27) “God said, I have given all of this, all the animals, every tree, all the people; I, the Creator have given them into the hands of the king of Babylon.”

God has given the earth into the hands of the king of Babylon. Power is given him to kill, and a mouth is given them, a key is given them to open the pit. It’s given them! That’s right. That’s right.

Let me show you another place in the sealing time when Israel was being sealed up. In Babylon there was famine, there was pestilence, there was war; in Jerusalem too, first under Nebuchadnezzar and then under Titus. But each time, there were men in the Spirit realm. Jesus, the God-Prophet, the Son of Man was telling them it was coming; war was coming on the city. He was blowing the Trumpet in Mt Zion.

He said, “The plague of locusts is coming.” That Roman power will eat down the fig tree to a stump and not until 1946, after the Second Woe, will this fig tree put forth buds again. And in 1946, “Behold, the fig tree putteth forth its buds and you know summer is nigh.” That’s right.

Then watch. In Egypt, there was war in the natural realm and in the spirit realm. God was waging war against Egypt and their gods. And when they rejected that anointed and commissioned prophet, hail, fire, blood, locusts, darkness, pestilence began to fill up Egypt. What was causing it? A prophet with two signs; a prophet who was commissioned by the Pillar of Fire; a prophet who was sent for deliverance. A prophet who had come to separate a people from the system. A prophet with a ministry of the Spoken Word that was following the signs; the Voice of the sign. Judgment was going to follow grace. That’s right.

What was under your First Trumpet? Hail and fire, blood, then the rivers being polluted like the Nile and then the sea. That’s right. Under the Fifth Trumpet,

locusts darkened the sun and gross darkness was in the land. And while they were doing that, God was opening to a people the end of all things; they are going out, “And this is the beginning of your going out.” And God changed the calendar and said, “This will be the beginning of your months.” Is that right? And God began to open the mystery of the lamb and God began to seal them away under the blood. Why? Because all those plagues under those trumpets were filling up the land in the First Exodus.

In the Second Exodus, when I see the Son of Man, a Prophet like unto Moses come to separate them from the system, and the Lamb was going to be slain after He prophesied upon that nation – “Let not your flight be in winter neither on the Sabbath day. If you’re on the rooftop, don’t come back. Let not your flight be in winter neither on the Sabbath! Woe unto you, oh Jerusalem, if only you had known the day of your visitation, the things that belong to your peace,” not just speaking to the storm, not just speaking to the dead, but the Spoken Word bringing the curses that would come. “The time will come, you will say blessed are the paps that never nursed.” The same Voice cried, “Oh, Laodicea, Laodicea! Oh, United States, United States!” I played it back for you here. “Oh, Los Angeles, Los Angeles!”

Nations are breaking, Israel’s awakening. The Gentile days numbered with horrors encumbered. Watch the Word. Plagues are filling up the land. We’re talking about the locusts...the locusts.

Here too, we’ve come back here in the Third Exodus; Roman power. Pharaoh said, “I will deal wisely with them.” A planned genocide, killing out the children through the Ministry of Health; putting the women to work, breaking up the homes. Go back on *Teaching on Moses* [1956-0513 -Ed.] he taught you all of that. Because he was the Moses in the land, and he saw what the system was doing to the people.

He said, “They are scattering things they breed upon the nations, testing their biological weapons.” Every season has a flu: bird flu, swine flu, all kinds of flu. And all these pharmaceutical companies are only making money because they advertise and desensitize you to Divine healing. And they sensitize you to the pharmacy and the doctor and the hospital while you’re talking about ‘Title Deed’ and ‘Word in the Bride’ and ‘Mark 16’ and ‘Super Race’. Because, just like I told you last week, they put you in the virtual world, and they put those things in your head through advertisement, and through the World Health Organization telling those women, “Bring that child for vaccination!” but when they reach eight and ten years, their bodies go haywire. And when they reach eighteen years or twenty years and they want a baby, their wombs are packed with fibroids.

They didn’t believe the things the preacher was saying. That seemed far-fetched because they didn’t understand the Book of Revelation. They had the picture on the wall and the eagle belt buckle, but they never caught what that Eagle-Prophet uncovered when those Seals were opened. It’s not for you—it might be for some of you, but this is going through the earth. That’s right.

Rahab, under the token... (Let the musicians come.) Rahab, under the token, when the trumpets were sounding, she was sealed. When the trumpets were sounding in Egypt, hail and blood and fire, and the rivers polluted and the fish dying, and the locusts destroying the land and the darkness covered the people, and death began to strike everything outside the token, it was the same thing in Jericho. It had trumpets sounding but during that time, a Gentile woman was coming from Jericho to Bethlehem, she was coming into marriage with the captain, Salmon. Hallelujah! It was a time when the people who had come *out of* were coming *into*. Hallelujah!

This is the Ephesians. We're at the end of the Age. Glory! What a time!

I'm just giving you some examples. In Babylon: that time has come back here. In Titus: that time has come back here. The Book of the lost Truths restored, the Ministry of Elijah and the Son of Man; the Ministry of Moses, the exodus prophet; the Joshua commission in the Ephesians, aren't those things types for this hour? Ezekiel ate the Book when the intercession... Aren't these things in store for this hour? Isn't it while that is in the land, both the ecological crisis and the 'woe, woe, woe' on the inhabitants; Chile shook, Haiti shook, but it has war in the land, too. There's war in Iraq, it has war in Afghanistan; hot war. Then there are economic troubles. Then there are snowstorms and floods and mudslides and volcanic activity. Then there are millions of people without jobs and losing their houses, all at this time in these increasing woes.

We need another Ezekiel. We need another Peter and Paul and Philip because they were moving in that land, knowing Titus was coming. Ezekiel knew Jeremiah's prophecy was right and they were going into captivity. He knew the Book was restored.

Joshua and Caleb and they in Egypt saw Moses. And they killed the lamb and they applied it [the blood - Ed.], and they ate the unleavened bread in haste with their loins girded up and their staff in their hand. And Rahab and her family knew, "Thank God!" In the midst of this war and invasion and destruction that Jericho was coming under, she said, "Give me a true token. Give me a true token for my family and me."

When the priests, those angels began to blast those trumpets, (hallelujah!) the wall of that city, that big, fortified city that turned a daughter of God into a harlot, before she got called out under the revealed Word, under a Joshua commission, to know that God had sent an exodus prophet, she had family. And she who received the message came into union and

brought forth a Mystery of Boaz, the Kinsman-Redeemer, the Bridegroom of the Gentile Bride, the Lord of the Harvest; and that city was burnt with fire!

Do you understand what is going to happen? Is that harlot city to be burnt with fire? Did he call out His Bride, "Come out of her, My people"? Revelation 18. Then what happened to Her in Revelation 19? The one who got called out, what happened to Her in Revelation 19? She married the Captain, the Founder of Bethlehem. Hallelujah! The Marriage of the Lamb is come; His Wife had made Herself ready!

Is all that happening under the Sixth Trumpet, before the change of body at the last Trump, when time shall be no more and the Morning breaks eternal bright and fair and the roll is called up yonder, will you be there? Will you be There? Do you have a body on the Other Side waiting for you? Have you come over in the Ephesians? Do you know this is the Ephesians? Hallelujah!

Are you under the palm tree tonight? Who is talking to Deborah? Is this Lapidoth we hear tonight? Hallelujah! She married the man who is the keeper of the seven burning lamps! Is the prophetic office in a married Woman, who married the Keeper of the Lamps? Is that what is happening? Is your wick trimmed? Is your Lamp filled with Oil? Are you seeing the battle coming to Armageddon, and the prophecy is in your mouth? Because the Bride will be there at Megiddo. They who are called and chosen and faithful, are with the Captain, Barak, Who is descending; coming down at the river Kidron, (hallelujah!) where God will fight for them! Up and up, arise! Now is the time. ...Oh, yes! What a Word! Yes, sir!

You can tell no palmerworm can come here, no cankerworm, with this kind of Wine, this kind of Corn, this kind of Olive Oil. My! This has the Candlestick lit tonight. This has the Priest and King anointed. And

lo, in Her mouth, flying at Evening Time, (hallelujah!) to them shut up in the Ark, bringing a testimony from the World that you are about to enter into. Oh, thank You, Lord! *Whoo!* My! Amen.

So, I want to do one thing for the tape. I want to finish reading this Sixth Trumpet because tomorrow, I want to get out of Revelation 9; I want to be in Revelation 10. I want Rain. I want Rain. I want to finish with the locusts, tonight. We see what they do, but “I will pour out Former Rain and Latter Rain, and My people will never be ashamed. And the floors will be full with Corn and the vats will overflow (hallelujah!) and there will be Oil in abundance.” Hallelujah!

Now, I don't know. Maybe I'm getting a little premature here, but do you realize what is happening? Tomorrow I will have to get the second part of Joel and that has to go to Revelation 10 when He comes to us as the Rain. But then, you know what is going to happen? We still need three more days to get the last part of Joel and the last part of Revelation. So, I might be a little premature, I say, but I'm already seeing...

We'll just leave the church open on Wednesday night for some of the prayer warriors who could take some time and come up and pray. And we'll have the official services Friday and Saturday and Sunday again, next week. Amen?

When you're digging a well in the oilfield and you begin to get a hold of the resources that are laying there, sometimes you have to cap the well; but if that well has plenty pressure you better let that oil come out. Amen! Because it's a time.

I want my sisters to sing again, just now, so just get ready. I want to nurse everything I could from that song because that song is telling me a lot of things: the Lion roars, the nations shake, the Eagle-Bride under the Palm Tree; we're in the Ephesians, all things under our feet. It's the kind of thing I want to hear.

Somebody has to help them and put it in Spanish. We can't keep it in English; and I know they sing Spanish, too. Amen. Glory!

So, let's finish reading this. Where was I? I was in verse 14, speaking about those four angels. Then we go to verse 15. We had 15: to slay one-third part of the men. You see, at that time, the Trumpets pertained to the Jews. I was explaining that to you.

The Feast of Trumpets was at the end of the Feast of Pentecost, which was the re-gathering of the Jews. Amen. All of that is under the Sixth Trumpet, World War II, 1939 to 1945. At that time, before the war, the Jewish population on the earth was at eighteen million Jews. Hitler and they killed six million Jews; those locusts that are to hurt men and then could slay them. Under the First Woe, Jerusalem was recaptured and under the Second Woe, God hardened the dictators' hearts to rush them back into Palestine. And May 7th 1946, at the going down of the sun, they were hoisting that flag.

And at eleven in the night, in Green's Mill, Indiana, a Prophet, in desperation went to his cave; and that Angel Who had provided that cave came to meet Elijah in the cave. God was about to wage war on demonology: the halt, the lame, the maimed, the blind; around the world; seven truckloads of wheelchairs in South Africa. He went into Bombay and Africa, the Dark Continent, challenged all those witch doctors. India, the land of thirty-three million gods; he went into Bombay and challenged all those religions! In Mexico, in the capital there with all those Roman Catholics, he raised the dead among them.

I remember in 1988, when I went there to preach in Mexico City, it had this one elderly man who was in the Prophet's meetings; and they invited me into the city. And this was the first place I was going out to preach some of the Trumpets. And speaking some of these messages there in Mexico City, before the service

the brothers were talking—because we used to meet them in Arizona, in Tucson, when they gathered all those brothers. Myself, Bro. Elias [Bro. Elias Barjum (Honduras) –Ed.] and Bro. John Chacon and Bro. Kenny [Kenny Nasib –Ed.] and Bro. Steve [Bro. Steve Walters –Ed.] were there also; and we had those meetings.

Bro. Steve went to the French before he went to the Spanish. He stopped with the Haitians, in Miami and spoke about the revealing of the Son of Man, then flew over into Mexico. Amen! So, things were happening in those days.

Now watch. These angels killed one-third part of the men. And It says:

16 And the number of the army of the horsemen were two hundred thousand thousand; and I heard the number of them [these locusts, this army of horsemen].

Amen. What a time! What a time!

17 And thus I saw the horses in the vision, and them that sat on them, having breastplates of fire, and of jacinth, and brimstone...

Joel Chapter 2, verse 4 describes the same thing.

...and the heads of the horses were as the heads of lions; and out of their mouths issued fire and smoke and brimstone.

By these three was the third part of men killed, by the fire...

That was the ovens that they cremated them in. I have been to Auschwitz. I had a tour all through Auschwitz. I saw a lot of the remains, piled like here about this high: gold teeth, glasses, all kinds of things. The place was designed and built to kill so many people. And when they started to get through with it, they expanded the operation: more ovens, more train loads. The smoke was the gas they gassed them with, in the chambers. And brimstone is sulfur where you get gunpowder, the bullets that they shot them and

killed them with. *By these three...* six million people; a planned genocide. The plan was called: *The Final Solution To The Jewish Question.*

That spirit was let loose by the dictators who were bound in the Euphrates River. That's a code word for Babylon because Babylon was built on the river Euphrates. Babylon is at the beginning of the Bible, in the middle of the Bible, and at the end of the Bible. It's a mystery River. It's not talking about the physical one that is in Iraq. Iraq had nothing to do with killing six million Jews. And the Jews are under the Trumpets; the Trumpets pertain to the Jews. And the Sixth Trumpet is the Second Woe and that was the Jews. And that comes at the end of the Feast of Pentecost! And the Church was in the Laodicean Age, the last Age.

And the Messenger was going out after the Second Woe. And I showed you last night, how he followed the path of the woe. That is sublime.

¹⁹ For their power is in their mouth, and in their tails; for their tails were like serpents, and had heads, and with them they do hurt.

Wise like serpents; astute, subtle, crafty. They killed six million people and the world stood by and nobody believed. And they sent in the inspectors and the Nazis had them there playing violin and painting pictures. And they said, "We are treating these people good. They are just prisoners of war." By the time 1945, six million had already died. And then you have all these infidels rising up to create doubt that the Holocaust really happened.

Who was it? Papal Rome bound by Christian principles but working behind the scenes. That woman Jezebel financed Hitler with Catholic wealth, put him into power by Catholic vote, (amen) and they became the military arm for the Vatican. They gave their strength and power to the Beast, like what

America is doing today and the lamb was on the earth, speaking with the mouth of the dragon. And the lie in the dragon's mouth was in the lamb's mouth, saying, "It's Operation Freedom. They have weapons of mass destruction; we must move in right now!" and deceived the nations. She bewitched the nations with her sorceries.

Under your Fifth Seal, they were crying, "How long, Lord, how long?" because of what they suffered. And those same spirits are now in the ecclesiastical realm. Not men in military uniform, men in turned back collars, with PHDs, planning the same thing, that except you take the mark of the Beast, you can't buy or sell. And those who refuse to worship the image will be killed because they have it all in legislation.

The war on terrorism, one of the big powers in the world of illusion, is to make the people get scared of these radical groups so they could... "These are weeds in the garden. This garden must only have a Baptist Tree, a Methodist Tree, a Jehovah's Witnesses Tree, a Pentecostal Tree, and the Tree of the Knowledge of Good and Evil in the midst of the garden. Because Satan has his Satan's Adam and Satan's Eve in Satan's Eden. And they point to the Message churches and say, "The day you eat of that, you will surely die." But they got a scapegoat first because that is for their use because Jezebel is a very clever woman. She gets what she wants. Just read the Bible and understand why the Holy Spirit calls the Catholic church 'That Woman Jezebel' – subtle.

Then they had an evil policy. They made the Jews look like pests; vermin we have to get rid of because they're destroying the society. And they took up what Martin Luther said, that, the Jews are antichrist. And Hitler was backed by the Catholic church and they destroyed six million; so clever.

20 And the rest of the men which were not killed by these plagues yet repented not

of the works of their hands, that they should not worship devils, and idols of gold, and silver, and brass, and stone, and wood; [like the Catholic church has] which neither can see, nor hear, nor walk [all the statues].

Notice here, now. These are unrepentant devils, here. This is not talking about the Jews, here; this next part. World War II was among many nations, but who was behind the war? What was the purpose of the war?

²¹ Neither repented they of their murders, nor of their sorceries, nor of their fornication, nor of their thefts.

As the Nazi régime began to take and devour Europe, they tell you about trainloads after trainloads of gold and these things, going into the Vatican. All the great masterpieces of art and all these different things were going into the Vatican: ‘their thefts’.

When they went into Iraq, what happened? All the ancient things from Abraham’s time, all the relics, all the things... Because Saddam Hussein was building back Babylon and called himself Nebuchadnezzar. And from the time the troops reached on the ground, the first set of things they went after were all those things. They were gone! I guarantee you they are in the Vatican. That’s right.

Their murders, their sorceries, their fornications, their thefts; Who in the Book of Revelation is that describing? What was Europe? That is the waters where the woman sitteth, where the Beast came out of. What is America? That is the earth where the other Beast came out. Under your Trumpet, God is showing the evil that is taking place.

This is an awakening time. Bro. Branham longed for times like this. He said, “One of these days, I want to get a big farm and sit down (where we take a week off) that I will teach on these Things.” He said, “I want

to get the Trumpets and the Thunders and the Vials and tie them together.” Because he knew the things that were happening on the earth.

Brother, I tell you, he is preaching Over There. That’s right. And they Over There could look back over here. Just like Samuel, he knew the trumpet was sounding in the land because Saul was under invasion, and the Philistines were in the land. And Saul couldn’t get a Word from God to catch a mystery, so he went to the witch. He couldn’t get a dream. He went before the Urim and Thummim and it would not flash. Samuel was off the scene. That’s right. Samuel was in Paradise under the altar but Samuel could look back and see the political disturbance. He said, “You and your sons will be with me tomorrow.”

When there is war in the land, you’d better believe somebody on earth is catching the Word. In the days after Jesus, Peter and Paul and Philip and John, that same Spirit that was in Jesus was in the Body of Jesus, the Mystical Body. Back in the Babylonian time, Daniel, Ezekiel, Nehemiah, Ezra, all of them, when there was war in the land, they were getting the Word.

You watch and see 2001 September 11th, [the World Trade Center was attacked and it collapsed -Ed.] and then that Iraqi war, see if that is not in the Bible. See if in the days after the Gentile Prophet and before the Jewish prophets, the Bride will have the Mind of Christ and She will know what He wants done with the Word. See if She’ll not be the Final Voice. You see, it’s not just quoting that. It’s the Spirit operating in the office in the way it is in the Bible, and the Light flashing in the places so the Church will not be left without understanding.

See when the Cold War was coming to an end and the Berlin Wall was being taken down, and the Soviet states were de- communizing, see if the Word was not coming: *The Traps of the Mighty Hunter* [1989-0614 -Ed.],

The Return of the Global Village, [1989-0910 -Ed.]; all these things, that was happening in the earth.

See in the days after Elijah, between the Second Woe and the Third Woe when Elijah's prophecy was about to come to pass, when the lying spirit was in the mouth of the false prophet, deceiving the kings of the earth to take them into battle, see in the days after Elijah, if the Word was not being caught at that time. That's right.

See if Micaiah doesn't mean the same as Michael. See if that wasn't Star Wars. See if the Third Woe is not the ending of Star Wars. See if that was not demonology that came out of the pit and that vision coming down, was Ministry of Angels. Find out. See the time. You could see these things. You could see these things, right? You see these things. This is not made up. This is the Bible, all the way Bible.

These are things you knew over the years, but here in a couple of services, God pulled it together and re-anointed you, re-anointed your vision in this late hour, so we could make a step up. How many are ready to walk closer? How many want something, a place where you could get so locked in? Because this is the hour He is going to bring you to your fullness.

When He is giving the Word like this, this is not 'man knows the Word' you know. No. This is God's grace moving man aside and speaking. Man can't inject themselves here. That is why sometimes when It goes up in a realm and It takes a certain authority, if you're seeing man you will get troubled. But if you could recognize He is in Her: She knows it is He in Her fulfilling His own Word He left for this time; and when That is coming forth then we just want to say, "Thank You, Lord." We just want to say, "Father, write It in my heart. Engrave It with an iron pen." Glory be to God! Amen.

Let us bow our hearts in His Presence. I want to call Bro. Steve to pray and then after, I will call the sisters to sing. [Bro. Steve Walters (deacon) -Ed.]

In your heart, tonight, you heard the Word. Ask the Lord...ask the Lord. I am sure under the Light of the Word, in times like these, you understand your needs better. And as you ask, God will hear. Let's all pull together now as a church family, as believers, and as our brother would pray, let all our faith be united in one that our prayer can go to God.

[Bro. Steve Walters (deacon) prays -Ed.]

Amen. Let everybody say, "Praise the Lord." [Congregation says "Praise the Lord" -Ed.] Amen. As the sisters come, hallelujah! Will you be There? Do you purpose in your heart to be There? Amen. 2:30 p.m. tomorrow, the Lord's willing. God just keeps raising up His gifts. Amen.

[Sis. Grace and Meda Ellis sing #1054 - Songs That Live -Ed.]

Hallelujah! Let's give God a hand of praise. Amen, hallelujah! Oh, thank You, Lord. That was heavenly! [Bro. Vin praises God -Ed.]

My, my, my! With a prayer like we heard, and a song like we heard, you know God is still in the building. Amen. Oh, praise His mighty Name. Hallelujah! That is the Anointing moving down in the Body, all through the Body, amen. Hallelujah! Praise His wonderful Name.

When it gets like this you shouldn't want to go home. Oh my! Don't you want to constrain Jesus a little bit? Oh, just constrain Him a little bit. Hallelujah! Where is Michael? Bro. Mike (amen) *The Pleiades And Orion*, just sing that before we leave. Amen! Hallelujah! Oh, hallelujah!

We don't know what is going to happen tomorrow so enjoy today; today while it is called today. Hallelujah! Glory, hallelujah! Come, my brother. Thank You, Lord.

That was nice playing just now, brother; I tell you.

Hallelujah! Don't you love the Lord, when it gets nice like this? Amen, amen.
