Pt.7

A World Bewitched By Sorceries

The background is a surreal, golden-hued landscape. In the center, an open book with glowing orange and red pages lies on a surface. A white dove is flying in the upper right, and a dark eagle is flying in the lower left. The scene is bathed in a warm, golden light, suggesting a sunrise or sunset over a misty, hazy landscape with rolling hills and some vegetation in the foreground.

[#253 - Songs That Live -Ed.]

*To God be the glory,
For the things He has done.*

Amen. One more time. Let us lift our hands and sing: *To God be the glory.*

Hallelujah, He is worthy of all praise. There is none like Him today. Hallelujah!

*... be the glory,
To God be the glory,
For the things He has done;
With His Blood,*

Oh, It still speaks better things today.

*With His power, He has raised me;
To God be the glory,
For the things He has done.*

Oh, He certainly is worthy of all praise, all honor, and glory. We thank Him today. What a blessed privilege to be in His Presence. Are you happy to be in His house?

[Congregation says, "Amen." -Ed.] Amen. What a great time. God has been so gracious to us and has been giving us... We are glad to have Bro. Aaron here, Bro. Aaron Frederick from Grenada, (amen,) with us this morning. God bless him. Amen. [Congregation applauds and welcomes Bro Aaron Frederick. - Ed.] Praise His mighty Name. Amen. Hallelujah! It is so nice to have the saints of God drop in. You know, it is such a wonderful thing, friends, as the Day is approaching, and that hunger in our hearts...

The Bible said, “They will go from one city to the next seeking that Word, (amen,) that Living Water when that great famine hits the earth in the last days.” Millions of preachers, millions of churches, so many diverse ways of spreading the Gospel; satellites covering every nation, (think of it,) hundreds and hundreds of channels that people can tune in to and have religion ministered right into their homes – it’s a paradox; the printing press to print Bibles and print literature and so many things, yet the Bible said, “There will be a famine.” Yet the Bible said, “There will be a famine for the hearing of the true Word of God.” Amen. With all of this, the whole world is being deceived. What a great thing. “Gross darkness on the earth and upon the people, but rise and shine your Light has come.” Amen. Such a great thing.

Let us just open up the Word this morning. I would like to read out of Isaiah 47. I want to welcome everyone in the house of God, all the strangers, the visitors, may God bless you. I want to continue speaking on my little subject **“THE REALIZATION OF THIS INSANE AGE”**. It’s a realization that we all have to come into, and I was trying to make this so clear to the Church, and I trust that you are seeing it. And I believe that you are, when I hear different ones speak and the prayers and the testimonies. It is good that we could have Light, (amen,) we can have Light in this Hour, we can see the Word of God coming to pass. Sometimes it is startling, sometimes it even shocks you, because you can’t think that we are living in such a dark Hour. But when we look in the Bible, we know, “Let every man’s word be a lie but let God’s Word be the Truth.” Let us just have a little prayer before we read.

Gracious Father, we bow our hearts. We are so privileged, dear God, to gather and assemble together like this; Your children coming from across the nation, coming up, oh God, to this place where we can assemble. And knowing, dear God, that we come with one motive and objective, that is to worship You, to be

in Your Presence, to come in anticipation to hear what You would say unto us, knowing the time that we are living in, that time is running out, the doors are fixing to be closed, “He that is righteous, will be righteous still. He that is holy, will be holy still. He that is filthy, will be filthy still.” Your Spirit, Lord, is drawing away from man. You said, “My Spirit shall not always strive with man.”

Dear God, we see that that great restraining power that has held back the world from going into complete oblivion, Lord, is now moving back and the spirit of lawlessness is increasing in its grip and its hold upon the lives of the people. We see the insanity. We see the lawlessness in the earth. Dear God, we know that when we see these things, Father, it is time to draw close to the Ark. It is time to know that we are abiding in the safety zone.

And so, dear God, knowing that we have been warned by a Prophet; knowing that the End Time signs have been identified; knowing the Church has been instructed to apply the Blood, to get under the Token, because outside of the Token, everything will perish, Father, we keep these things in remembrance, today, and we come with soberness in Your great Presence.

Dear God, we ask that You will speak to us. We ask that You will enlighten us. We ask that the Spirit of Wisdom and Revelation in the knowledge of Jesus Christ will so illuminate our hearts. May, dear God, this great Ministry of the Third Pull that is going forth, the opening of the Word, be opened in such a way that You will take all the sin, all the doubts, all the fears out of the Church. You will perfect what is lacking in our faith, that Lord God, it will bring us into conditions to move up into that next phase of the Spoken Word. And dear God, we pray, Father, that this great Transforming Power, Lord, will so move within our hearts, today that we will know that we are being changed, sitting under this great Quickening Power, Lord, and that Your Holy

Spirit is changing us from glory unto glory, as the righteousness of God is being revealed from faith unto faith. Grant it, Lord.

Have Your blessed way. Speak to each and every one. Let the Word have free course today, Father, to save, to deliver, Lord, to fill, to refill, oh God, to give a New Birth, dear God, Father, to inspire and give the victory, dear God, Lord, to meet every need that Your children are holding in their hearts, looking unto You, expecting that You would minister the blessing today.

And Lord Jesus, we pray that This would just move out from this sacred desk and move out all throughout this region, and move, dear God, like a guided missile into every place where Your children are gathered together, into every believing heart, dear God. May that Word, just like It came from Your mouth and It found that resting place that time when Isaiah said, "A virgin shall conceive," Lord God, It ended up right in the heart of the predestinated virgin, oh God, when It left the mouth of that prophet. And so, dear God, we know that You are the same God and the Bride has become the Final Voice under Her Messenger, the Spirit and the Bride are saying the same thing. Then, let the Spirit speak expressly and let the Word, dear God, go to Its mark, Father, and may It accomplish Its purpose. You said, "It would not return unto You void but It would accomplish the purpose for which It was sent."

We will not fail to praise You and glorify You, for we ask these mercies, in Jesus' precious Name, amen.

Amen. Verse 7, Isaiah 47. Isaiah was a great prophet. He wrote sixty-six Chapters, a miniature Bible here. And here, this 47th Chapter is giving a great prophecy.

⁷ And thou saidst, I shall be a lady for ever: so that thou didst not lay these things to thy heart, neither didst remember the latter end of it.

⁸ Therefore hear now this, thou that art given to pleasures, that dwellest carelessly,

that sayest in thine heart, I am, and none else beside me; I shall not sit as a widow, neither shall I know the loss of children:

⁹ But these two things shall come to thee in a moment in one day, the loss of children, and widowhood: they shall come upon thee in their perfection for the multitude of thy sorceries, and for the great abundance of thine enchantments.

¹⁰ For thou hast trusted in thy wickedness: thou hast said, None seeth me. Thy wisdom and thy knowledge, it hath perverted thee; and thou hast said in thine heart, I am, and none else beside me.

¹¹ Therefore shall evil come upon thee; thou shalt not know from whence it riseth: and mischief shall fall upon thee; thou shalt not be able to put it off: and desolation shall come upon thee suddenly, which thou shalt not know.

¹² Stand now with thine enchantments, and with the multitude of thy sorceries...

Here he is speaking this, to this great system that is here in the last days in the earth; a system that has bewitched the world in her sorceries and her enchantments; a system that is under the wrath of God because the Word has already left the mouth of God. Elijah, coming in the last days, had put judgment on that system. And watch the things he is specifying: the multitude of her sorceries, the abundance of her enchantments.

In verse 12, he is saying:

¹² Stand now with thine enchantments, and with the multitude of thy sorceries, wherein thou hast laboured from thy youth; if so be thou shalt be able to profit, if so be thou mayest prevail.

13 Thou art wearied in the multitude of thy counsels. Let now the astrologers, the stargazers, the monthly prognosticators, stand up, and save thee from these things that shall come upon thee.

This is how she ordered her affairs. This is how she conducted her business, her politics, everything, her pleasures, it was by sorcery. When they had to go to war, they made sure they knew what season and time it was and that everything was in their favor. When they had to do their businesses, they had their enchantments and they came up with these familiar spirits and they looked at the stars and they went into astrology and these things, to see if the stars were just right and if it was favorable. When they had to have certain masses and certain politics with nations, they had to know, okay, where they were going to have this, which room they were going to have this in and whether they would have this in the Oval Office, or whether they were going to have this in the Vatican, or whether they were going to have this over in this other office. And whether the cardinals and they, what they were going to wear and what they were going to do and what mass they were going to say, because for everything, they have a mass for it.

Like tomorrow, they have what they call *Valentine's Day*. I have been telling you, that is witchcraft. That is something of the Devil. You see? But look at how she has made that so popular, like *Christmas*: take a myth, spin the myth and use it to loose demons upon people. And sometimes, you see people profess Christianity, even in the Message, and they talk about their Valentine and their Valentine, and then they want to turn around afterwards and tell an unbeliever about their false baptism. It's hypocrisy, because they are into idolatry in the same way. But they feel they could partake of different little idolatries, and then condemn the people for other things. They would condemn them for their

Santa Claus but they are in the Message and they want their Valentine. Because why? The Devil has spun such a web in their minds, that you see, they live more in the realm of emotion and false love – eros love, more than they live in the realm of religion. Religion is just a tradition to them, a ritual. See? People go to church but they like, you know – it is just something they do.

But watch. I know I stick some of you there. I have a right to stick you. Do you know why? How dare you bring that into my Church, where God placed me to stand as a shepherd, laboring in this Word? How dare you bring that inside of here? Maybe if I open some bags, I might find rosaries inside of there, who knows? Because if you can have that, what else can you have? If you can have false things and things of Babylon, what else could you have inside of there?

And then, maybe some of you are in the choir, who knows? Maybe some of you could have positions in the church, who knows? In Ezekiel 8, God told Ezekiel, “Look through this wall and see what they are doing. See what they have. See what they are involved in. Look at them and see.” This isn’t funny, friends. Those are enticing spirits. That is a spirit seducing you in the way of the world. Why? Because your separation is not complete. Defiled by contact; purification by separation. Oh yes, now. These things reflect how much your spirit is being hybridized. Are you getting ready for the Rapture? I hope that is real.

13 Thou are wearied in the multitude of thy counsels.

God, by the mouth of the prophet, is specifying their sins that the judgment is coming for. He is specifying their sorceries, He is specifying their enchantments, He is specifying their stargazing, He is specifying their monthly prognostications, He is specifying these things. And because these things seem like they bring them success and wealth and power, they say, “I sit as a queen and I’m no widow.” That is Revelation 18, you

know. I will show you. That's the prophecy, right there. When you go to Revelation 18, you will see how clear that is. That is the exact prophecy. That is the cage.

14 Behold, they shall be as stubble; the fire shall burn them; they shall not deliver themselves from the power of the flame: there shall not be a coal to warm at, nor fire to sit before it.

15 Thus shall they be unto thee with whom thou hast laboured, even thy merchants, from thy youth:

Watch those merchants.

... they shall wander every one to his quarter; none shall save thee.

Nahum, Chapter 3. I remember some years ago, I preached a little series on, *The Jealousy Of God Revealed In The Seven Vials* [1993-0912 -Ed.] and I took the Books of Jonah and Nahum, because both were speaking of Nineveh. Jonah is Nineveh's repentance, Nahum is Nineveh's destruction; two prophets. When they [Nineveh -Ed.] repented, God gave them a hundred years to straighten up. He gave them an extension of time, like He gave Hezekiah, and they failed to walk in it, and under Nahum, God sank the thing.

Now, watch something here. This is... Again, Nineveh means '*habitation of Ninus or Nimrod*'. And so, it was upon... If you go back to Genesis 10, you would see where Nimrod built Nineveh. You see, it is speaking of the last system in the last days again. This also is a prophecy of the last days and this Babylonian system, the land of the Chaldeans.

1 Woe to the bloody city!

She was filled with murders. She was drunk with the blood of nations and these things that she had destroyed. They were one of the most brutal people.

1 Woe to the bloody city! It is all full of lies and robbery; the prey departeth not;

2 The noise of a whip, and the noise of the rattling of the wheels, and of the pransing horses, and of the jumping chariots.

3 The horseman lifteth up both the bright sword and the glittering spear...

Here is a mystery of your Second Seal: war and bloodshed, the sword taking peace from the earth. That is what she did.

... and there is a multitude of slain, and a great number of carcasses; and there is none end of their corpses; they stumble upon their corpses:

4 Because of the multitude of the whoredoms of the wellfavoured harlot...

He is addressing the city. He is calling her 'the well-favored harlot'. He is calling her 'a bloody city'. He is calling her 'a city full of lies and deceit'.

... the mistress of witchcrafts, that selleth nations through her whoredoms, and families through her witchcrafts.

Brother, they play with nations. They barter nations. They made the Spanish give Trinidad to the British, they made them change hands. They made them give Haiti to the French, playing around with nations, just buying and selling them like chips, like they were playing monopoly. They make the big corporations come in here, break this nation, take this one, trap this one in debt and they just play with nations, restructure this nation and make it a tourist nation.

Do you understand what I'm saying? I trust you understand. I can't give you revelation, you pray for it. The Book is open. This is a Mystery of a system. And God in type, is revealing her power and how nations are in her hand. Why? She rules the world. She drunks the kings of the earth. She breaks economies, she controls them because she has all wealth and all power, she uses sorceries. Brother, the iron is in every toe, it is in every nation. And wherever she has those cathedrals,

they call them, they are actually places of witchcraft. They are actually shrines of Satanic worship, because it is the religion of Nimrod, still in the earth in the last days. It is Babylon. It is a worship of the Devil. And watch God speaking to her, and this is God's enemy. She has polluted the whole world.

⁵ Behold, I am against thee, saith the LORD of hosts; and I will discover thy skirts upon thy face, and I will shew the nations thy nakedness, and the kingdoms thy shame.

That is why He put it in their hearts to hate the harlot, and eat her flesh and burn her with fire. How many know this is Revelation 17:10 and 11? That's right. They gave their strength and power, but then God revealed to them the deceit and the deception, and the same ones turned around to destroy the very system and burn it with fire.

... I will shew the nations thy nakedness, and the kingdoms thy shame.

⁶ And I will cast abominable filth upon thee, and make thee vile, and will set thee as a gazing stock.

Nahum, speaking here to Nineveh in type, the habitations of Ninus that bewitched the world with their sorceries and witchcraft but is a shadow of the last days. Because the religion of Nimrod is still here, the habitations of Nimrod are still here, the religion of Nimrod is still here.

⁷ And it shall come to pass, that all they that look upon thee shall flee from thee, and say, Nineveh is laid waste: who will bemoan her? whence shall I seek comforters for thee?

Verse 15:

¹⁵ There shall the fire devour thee; the sword shall cut thee off, it shall eat thee up like the cankerworm: make thyself many as

the cankerworm, make thyself many as the locusts.

Those Roman devils, it was the same Beast that was changing form, the same worm. May the Lord add His blessings to the reading of the Word. You may have your seats.

You know the Bible is such a beautiful Book, because what begins in Genesis goes all the way to Revelation, and as It unfolds, It opens the Truth. And remember, It is speaking of something in the last days, because what was a seed in the beginning, growing, growing, growing, growing, as it grows and matures, it is only unfolding and revealing itself, but it comes to maturity at Harvest Time.

So, here at the end of the Age, what you were seeing as Babylon, what you were seeing as Nineveh, what you were seeing as those kingdoms there, as Egypt and all of these things unfolding, all of that in the last days becomes this civilization, it becomes this world. Do you get what I'm saying? It becomes this world. What you were seeing as Sodom, what you were seeing as the days of Noah, it becomes this world. This world in the last days, this last Age is Sodom, it is the days of Noah, it is Babylon. Do you understand what I'm saying? Everything that all those things were, this Age is. This is the fullness of the filth. This is the fullness of the abomination. And that's why it takes the fullness of the Word to overcome it. Amen? Who is able to stand, friends? When you look at these things, I tell you, you know, it challenges you.

I want to read a little more before I start to preach a little bit. Maybe I should take my time and just read a little bit. I want to go back to Revelation 18, so I can show you the prophecy and where it is spoken of in Revelation in the last days. You see, Revelation is a Book that few people understand and that was the Message of the Hour. That is what has been opened to us in the last days, this Book of Revelation. That's why

we love It so much and It is the Bride's Book. It is not for the world, It is for the Bride.

Revelation 17 reveals this great Mystery Babylon, mother of harlots, drunk with the blood of the saints and the martyrs of Jesus Christ, a city that is seated on seven hills, and all of those things, speaking about the Vatican, (amen,) Rome. And so, Revelation 18 is giving us a little more insight into her affairs in the earth, (amen,) her politics, her business, and all of these things and her destruction.

So here, Isaiah, in Chapter 47 and Nahum, in Chapter 3, God was speaking through these prophets; the Holy Spirit was speaking through these prophets. The same Holy Spirit spoke through the Prophet in the last days. The same Holy Spirit is speaking through the Bride. Do you get that? So, whatever that Spirit was saying through the prophets in the Bible, that Spirit is now in the Bride.

In other words, that Spirit that was in Isaiah, that Spirit that was in Jeremiah, that Spirit that was in Moses, that Spirit that was in Jesus, that Spirit that was in Paul and Peter, that Spirit that was in Luther, Wesley, and Malachi 4, that Spirit is now in the Bride. And that is the Spirit of the Bible, and when That speaks, It will never leave the Bible. And in the Age of the Revelation, that Spirit will tie that Word together and make that Word plain, because It is opened wide before our wondering eyes when the fullness of this Truth comes to us. Do you understand me?

I've been preaching on, THE REALIZATION OF THIS INSANE AGE, and this is part 7. And I want to take for a little thought here, **"A World Bewitched By Sorceries"**. *A World Bewitched By Sorceries*. And as we look at some of this 'world' that is bewitched by sorceries, I want you to see how the world, the Age has become the habitation of devils. And how in this Hour the Message is going forth, to do what? Deliver from this present evil Age, "House of hell, give way!" Because this

thing has come around the world and caged the world to enslave mankind. It is taking them subtly; it is taking them by pleasure, it is taking them by religion, it is taking them by entertainment, it is taking them by all of these things, by sports and everything else; it is taking them into the cage.

And that's why in this Hour you have to know what is happening. Because why? The whole world will be caught in surfeiting and drunkenness and will be unaware. They will be desensitized, unaware. See? But that Day will not come upon *you* unawares. Why? Because a Prophet will be sent with the Word. The Holy Spirit came down in vindication to sensitize you. Seven Thunders are to do what? Wake up the Bride, to wake you up. And you stirred and you recognized your Day and your Message, and you see what is happening. Why? Because his scheme is uncovered under the Message.

And the Prophet began to identify *The God Of The Evil Age* [1965-0801M -Ed.], this *Satan's Eden* [1965-0829 -Ed.], the evils of the evil Age, the people in a drunken stupor: blind, wretched, naked, miserable, and what? And don't know it; and don't know it, desensitized. In this Age, he makes them feel they are Christians when they are not Christians. In this Age, he makes them feel they are spirit-filled when they are not spirit-filled, desensitized. "Having a form of godliness but denying the power," already seduced, turned to fables, having itching ears. They believe in Santa Claus; believe in three gods; believe in sprinkling for baptism; believe in a rosary; believe in praying to saints, and don't even know it; blindness on the Age!

Then, you see women on a rampage, men on a rampage. And those last couple of services, last week and Wednesday, get that and listen to them closely. Listen to them and go over them. They will show you the homosexualization of the world. It's the plan. It is a diabolical plan. And that opens to you Sodom and

Gomorraah didn't just come like that. People are not just born like that. And they say, "Well, I have a perverted gene. Well, I was born like that and I can't help myself." Nobody was born like that.

Paul said, "And some of you were effeminate, but you are washed." He said, "And some of you were abusers of mankind but you are washed and you are justified and sanctified." God delivered them from that! Because not everybody is possessed with that Devil. Some have been abused. Some have been misused as little children growing up, then they become alcoholics. Then they cannot stand on their own. They live with that thing down inside of them. They don't know what to do and how to come out of it. Why? Because Satan, many times, from very early, put that thing down inside of them to trap them for the rest of their lives.

But thank God for the Gospel. Hallelujah! Thank God for the Gospel! The Gospel can come, to do what? Deliver from the grip of Satan, where he traps you with evil things, habits, when you are ignorant and unlearned and you don't know the ways of God. And as you grow a little older now, the Gospel starts to come to you. Oh God, you are so condemned. My, you don't know if God will forgive you; if you can come out of that; what is going on; your condition, if you could really make it; if you are in the Bride; how is it God didn't protect you; why did this have to happen to you? And even lack of knowledge...

That is why the Holy Spirit had to come; hereditary sins and sicknesses and weaknesses are bred in through family lines. The generation becomes weaker and weaker and weaker. See? The Holy Spirit has to deliver and break these things. Why? Some of you were born in families that were broken. Children were born and grown up, and some of them don't know their fathers. Some don't know their mothers. Some grew up in broken families, raised by aunts, raised by grandmothers, and different ones. Why? All kinds of

promiscuity, and the way daddy met mummy was never the right way. Do you get what I'm saying? After a week or somebody ends up with a child or somebody got raped, that is how the child came.

Brother, to see where the sin is, to see where the seed falls many times; like Jephthah, look at where he was born – outside of wedlock and everything else. That's right. And God in the Bible shows His saving power. If God could only save good people who hardly did anything... No, no. "Who is forgiven much will love much." God has them there.

Then, the Prophet said, "Watch the ones He used even in the Bible." He said, "Watch the ones He used in the Bible." He used a Jonah who ran. He used a Moses who killed a man. He used a Samson who committed adultery. He used ones like these in the Scriptures. Why? So that no flesh could glory in His Presence; so that no flesh could glory in His Presence. That is to show He is the Lord, His sovereignty. He could take a vessel that is so marred and break it and remold it, sanctify it and make it fit for the Master's use, prepared unto every good work. Even though their sins be as scarlet, He could make it white as snow; though it is red as crimson, He could make it white as wool.

All those parables; He showed a man trapped in a debt and he could not pay that debt; no way in life could he pay that debt and come out of that. And then, One came and paid that debt, because, "*He paid a debt He did not owe,*" a Kinsman, coming. That's the Bible, friends. Then those laws in the Old Testament, when a man goes to war and conquers a nation and takes a bride from there, (is that right?) he takes a bride and raises her up to the state of a wife. Then, the mysteries of Hosea, to show all where he took this bride from, look where this Church went down to the depths of darkness and these things.

Look at Luther coming out there. The great reformation started with a man smoking a pipe, and a

man coming there, you know, with justification and these things, bringing all kinds of false water baptisms and everything else but starting a great reformation, knowing that God, by His grace, is going to bring that back to a Super Church. He is going to raise that same thing to a Super Race, and then say, “You are the sinless, spotless, virtuous Bride of the Son of the Living God.”

Oh my, to see what this thing is, friends, a place to walk. And that’s why, you know, it takes the Love of God. It takes the revelation of the Word to see the thing right, otherwise, it cannot even be preached right, because you have to conceive it right before you could say it right. Amen. And God laid it in the Bible.

Now watch something. What I am trying to show you is the Age, how it has come, it has become so dark, it has become so demonic. It is called hell. And these things, you know, I come from service to service and I am barely scratching... Sometimes, as I said, I would have preached maybe all of this in one service. It doesn’t make sense. I now realize how crazy—it’s like I, myself, had a degree of insanity. Thank God for grace. Amen. You know, I see it. I stand up here and I see the whole thing. I want to preach it and I think everybody will see it. And then after, I realized twenty years have passed and some of you didn’t even understand what I’m saying. Do you get what I’m saying? And then, you come back now, and you start to take your time and break it down and open this and open that and open that. You say, “Oh, now I see.”

And look at that message there on Wednesday night, *The Sodom Sign* [2005-0209 -Ed.] Do you get what I’m saying? To show you how it has descended, it has descended; even the church, the mystery of the fundamental church. Do you get what I’m saying? Lot was there with Abraham but made a decision and he pitched the tent toward Sodom. Then, he was dwelling in Sodom. Then, he was the mayor of Sodom. What you

see in the church, drifting, getting down in the world; the church becoming permanent and settled down; the church getting rich and powerful in the world, Laodicea; the church with no testimony after a while; the church desensitized to the Hour. Why? Because they failed to recognize where the channel of God was.

If Lot only knew that that Angel Who walked with Abraham was the God of the universe, Who held all things in His hands... That is why He could say, "This time next year, next twenty-eight days." And look at the kind of things He was communicating to Abraham, and look at where Lot was. It shows the difference between the spiritual Church and the carnal church, in the last days. They sit in the services, it is just a prosperity gospel and different things – that is Lot. You see it. When you get there among the Elect, the Word is opening, they know their promise, they know their time, they know their season, they see the angels, they see the Supreme Judge, they know intercession, they know the last Pull, Elohim is going, that's the finish; so much they know of the Hour, and the other church doesn't know a thing about what is going on. What a time, friends!

I took that message the week before, *Abraham and Lot* [2005-0202 -Ed.] and then *The Sodom Sign*, that was to cover it for you. See? Because those were the three groups: the sensitized group – Abraham. The desensitized group – Lot, and the hardened group – Sodom, because they became hardened through the deceitfulness of sin. They crossed the line, they were seared in their conscience and now, they were burning, controlled by just fleshly lust. Why? They were given over to a reprobate mind. They degenerated into beastly, carnal, the depths of perversion.

That's understanding why the Messenger came. He said, "That's the sign." When the evil set in, God sent the Prophet. "I AM come down to see (Elohim), what is happening and if it is so, I will know." And He goes to

Los Angeles and says, "It is so." He goes to Shreveport, "It is so." He goes to New York City, he says, "It is so." He goes up to the Scandinavian Country, into Europe, and says, "It is so." Is that right? It is so.

God! What a time, friends! Oh, the Message is... What would we have done without the Message? Can you say you are understanding anything about this world, anything about this Day, anything about the Bible and the Prophet, without the Message? [Congregation says, "No!" Ed.] That is the Light, That is the Lamp to your feet, That is the Light to your pathway, That is the Eyesalve, That is the unveiling. Because of That, you know, and when you see it, you say, "Oh my God, look at what the Bible is. Look at what the Bible is. Look at what is lying there."

And how Jesus, the God Almighty is standing and saying, "And as it was in the days of Lot, so shall it be." And the same day that Lot went out, it rained fire and brimstone and destroyed them all. The same day, because even while they were going out and the wife stopped to look back, she turned into a pillar of salt. Brother, when all that sulfur, all that fire and brimstone dropped upon her, she was just charred. She just couldn't move; caught her in motion right there, looking back too, it caught her like that. See?

Oh, brother. And I just want to hold your thoughts where I have been. So, as I move to another phase here, we don't think it is like more messages, but it is more parts I'm trying to hold to you and bring to you. Because, as I showed you, I said, "Sodom and Gomorrah were not just in Genesis 19." Sodomites were through the Bible in the Old Testament. It was a religion. These were temple prostitutes. That is why you are finding it today among the upper-echelons, and I proved to you on Wednesday night, it is the elite. And that is why they are putting pressure on the system to get laws changed. And that is why, subtly, they are recruiting and building up a population, by turning

many into this sort of devilish act, and in doing that they make it so attractive.

Like they bought this movie out, they spent a hundred million dollars to make this *Alexander, The Great*. [Television film 2004 –Ed.] And everybody thought it was this historical thing about Greece and Alexander and so on. And the whole movie is to portray a homosexual king that conquered the world, one who was born of a beautiful mother who was a sorceress and he conquered the whole world. That is what is happening now, friends. That is the prophecy in the Bible. That was one of the empires. That was the empire that brought Mathematics, and wisdom and medicine, and all of these different things, and the Olympics and sports – Greece. The Greeks; Aristotle and Plato, and Socrates, they gave you the science, and the medicine and the Olympics, and it was normal in their society.

And so, this, do you realize what it was? It was projecting an image to show, you can be rich, powerful, have dominion over the earth like he had, and it is acceptable. Do you get what I'm saying? It is sending a kind of message, "So what is wrong?" As the Catholics say, "If the priest could play..." Do you remember when the calypsonian [Mighty Cypher, Trinidadian calypsonian –Ed.] sang the song, *If the Priest Could Play, who is we?* Years ago, the priest played mas. [Participated in the Carnival activities. –Ed.] You see, revelation... This is why we need Eyesalve. All these things are before you, but it's like the Prophet kept saying, "When you look, what do you see?" He said, "It is not what you are looking at, it is what you are discerning from what you are seeing." How does he enslave people? They put it right before their eyes. They are stumbling over it. It is there. Think. The trap is right before them.

How did Eve end up where she ended up, in bestiality? How is it, a virgin, fresh from the hand of God ended up in bestiality? Because she went with a beast, the Serpent wasn't a man. She started to see it was

pleasant to the eyes, it was good for food. She started to see there was a wisdom about it, "A desire to make one wise". Do you get what I'm saying? There is a philosophy behind that too. That is why you have to know your enemy. And that is why you could only defeat the Devil with the Word. And that is why it is only the Holy Spirit that can take that Word and use that Word to break the power of the enemy. That's right. He said, "You lock swords with the Devil." It takes revelation, friends. And that's why he said, "Pray for *it*, you need *it* more than your very own food. You can't over-emphasize the importance of *it*." See?

Because it is enticing spirits, and seducing spirits. When that spirit comes upon you, it wants to manipulate your mind. How do you think people fall into fornication and get trapped in adultery and go after a next man's wife, and take fire in their bosom? And the next thing, they are lying and they are deceiving and tracking another man's wife and they are hiding and they are playing. How do you think people get into that? Do you know the Scriptures say, "Stolen waters are sweet"? Sure! It said, "Moses enjoyed the pleasures of sin for a season." Sin is a pleasure! It is religious hypocrisy playing, "I'm a man of God. I'm a woman of God. You know, I'm not on that, I'm on God." Oh, really? That perverted body you were born in, that came by sexual desire; that law of sin that Paul said brought him into captivity, and when he tries to do good evil is present with him? And even though he is forgiven for his sins done in the past, yet he had to battle day and night with the power of indwelling sin that wants to bring him into captivity and that mind battle?

And then, Satan has access to a man's spirit, he can get in there and make you feel anyhow. He makes some people cry, makes them laugh, makes them get excited, because he has access to your spirit. He has access to your reasoning. He has access to your imagination. Brother, he will put on movies for you all day in your

mind, in that theatre of your mind – daydreaming, living in a world of illusion. Then after a while, reality is so far from you and you are only living in your thoughts, thinking of yourself more highly than you ought to think of yourself – the sin of the Age. He gets into memory inside of there, “And remember this one liked you, and you liked that one, and one time, they did ‘so and so’. And you heard this about that one,” to walk you back in places. Who never had to battle that? Let me see if there are angels inside of here. Take your church mask off now, let us come down to reality. Amen!

Brother, Jesus fought with the dragon on Mt. Temptation: the lust of the flesh, the lust of the eyes, and the pride of life. Every minister, every man, every woman, every church, has to face those three temptations; *The Harvest Time* [1964-1212 -Ed.], read it. Tempted in all points; what are all points? The lust of the flesh, the lust of the eyes, and the pride of life – all points. That’s right. To him that what? Overcometh! What is the battle? You have to be on Mt. Temptation before you could be on Mt. Transfiguration – trials and harder trials. That’s right, friends. That’s real Christianity. We are not playing church now. Yes, sir.

But doesn’t it make you feel good to put the Devil on the run, sometimes? When you see the Devil backs down and realizes that you are no pushover, doesn’t it make you feel good? When you make a stand and he can’t move you and you see the frustration on his face and you say, “Take that!” Yes, sir!

Brother, maybe in your natural life, you have some big final that is deadlocked, zero:zero. Then, it goes into overtime, brother, it’s a nail-biting, tension-filled atmosphere, everybody is tired, legs are weary. Amen! And inside of there, brother, they marked the man for about a hundred and twenty minutes already. Two more minutes before the match blows off. Brother, he beats [dribble pass -Ed.] about four men and then he hits it in the far corner. Brother, do you know what is that? Brother,

he watches them and he says, "Take that!" Maybe they broke him up, they fouled him, made all kinds of bad decisions and everything through the tournament, but this day in the final...

The last Bride in the last Age, brother, they killed them at Nicea; inquisition in the Age of reformation; humiliated them, those early Pentecostals, (amen,) the Bride suffered so much. But in the final – a quick, short, powerful work, brother, the Word flashed like lightning. Amen! And Satan realized, that little man who was going to work with the bag over his shoulder, and that little old woman over the washtub, but God Who was veiled and hidden in simplicity in a little moment, in a little space of time, (hallelujah, glory be to God!) between the Voice and the Trump, (amen,) something there, quick and short, a 'once more, Lord', short, quick work, great kill. And Satan realizes, "How did they become that?" How did they become that? Have you ever heard the sunrise? Have you ever seen a flower grow? Great things happen in silence, that's how! Amen! Inside, something was happening. The caterpillar was being changed in the cocoon, that's how, (amen, glory,) becoming a butterfly, a new creation.

So look, this diabolical thing; the last week we struck here on Sunday, that feminist movement, the moral problem of the Age. How does the Age come in this condition? Who ever preached that, outside of a Prophet? He said, "When they got that vote, that was the spirit coming in there."

I want to show you, (which I was trying to show you last week, on Sunday and Wednesday, those two services,) how the kingdom is being built. Lucifer is building the kingdom. I said, "He has builders, he has contractors, he has engineers." And I started to point out some of them to you; how Bill Clinton [42nd President of the United States -Ed.] came and he said, "I have a vision. If blacks have equal rights, and Latinos have equal rights, then homosexuals should have equal rights." I started

to show you how it moved up in the realm where the judges, women... [Ruth Bader Gindburg, US Supreme Court judge, nominated by President Bill Clinton, gave consent to homosexuals. -Ed.] Because they changed the word from 'homosexual' that made them look perverted while they were in the 'closet' for all those years, and they brought out the new word 'gay', happy. Do you get what I'm saying? They took on a new name and came out of the closet; 'gay', and that covered both man and woman.

But then, we took Romans 1, and showed how from Genesis: Divine Love, when God made man, look what the same man deteriorated into. Then, I typed that back from Adam, a type of Christ and the Bride coming out, all the way to the last Age, Sodom, when God came in human flesh; from the first Age, the Bride being taken out, that started the Alpha all the way to the Seventh Age. And look at the perversion and how it has descended, descended, descended, and seeing that all of these were orchestrated moves because this was designed to break motherhood. And when you break motherhood, you break the nation. It was the breaking of the family. But wasn't that... What was the first thing Satan did? Break the family. A seducing spirit, an enticing spirit. How did he break the family? He moved the woman out of her place.

If that was the seed in Genesis; if that was the fall of the first home; if that was the fall of the world; if that was the fall of the human race, and that was a seed in Genesis, what do you think the Harvest is going to be in the End Time? Didn't they in the End Time come back to a complete perversion: blind, wretched, naked, miserable, and don't know it, just like it was in the beginning? God's power to transform; Satan's power to deform. Are you understanding so far?

You see, as the Church, many times you sit down and you think, "We have the Thunders, the Word opened and the Seven Seals; we have the Light. Boy, I'm going in the Rapture. I'm becoming the Word. I'm growing up.

I'm becoming a mature son of God, a mature daughter of God." What are they becoming? Are they not becoming something too? He said, "And the good Sower sowed the good Seed and they are the children of the Kingdom. Let them grow and mature until Harvest." He said, "And the evil sower sowed the evil seed. Let them grow together." Is that right? So, when they mature in the last days and come to maturity, what do you think they will become, I pray thee, tell me? Both kingdoms are coming into flesh.

God is bringing His Kingdom into flesh through what? Justification, Sanctification, and the baptism of the Holy Spirit. Satan is bringing his kingdom into flesh, through what? The antichrist spirit, false prophet, and the Beast, the same way; same way! You started off hearing what? "After you have heard the Word of Truth, the Gospel of your Salvation, you were sealed with the Spirit of Promise," – when you believed? Since you believed – Doctrine! Did you get that?

Well, in the same way, what did they hear? Not the Word of Truth, they heard a lie. And what did that lie bring? Where did that come from? The mouth of a false prophet – a gift outside the Body. How were you born? Could you be born and there is no gift in the Body? Oh brother, do you see? You see, you could get fine with the Word. You say, "I don't have to follow any man. I don't have to do so and so." How were you born? You just needed *that* for Birth; you don't need *it* afterwards?

Now watch. When President Clinton came... And I showed you how, in Reagan's term, he was one of the builders, he had to do a certain thing. He got together with the Vatican and they broke the Communist power. Is that right? Before him, John Kennedy, he had a part of the plan; through women's votes, the Catholic church came into the White House. Is that right? A pharaoh had risen up that didn't know Joseph; *Third Exodus*.

[1963-0630M -Ed.]

In President Clinton's term, when he came, he loosed the homosexuals. They were bound. Why were they in their closets? They were bound by legislation. Get this. They were bound by legislation, they couldn't do that openly. It was a closet thing. It was like goods in the black market. But how was it loosed? By new legislation. Then who was he? Get the picture. Get the picture. This was an angel with a key, he was opening a prison. He was opening a prison and he was causing spirits that were bound to be loosed. He came into office anointed, empowered, sat on the seat of authority but he was to do a work.

Just like Luther came in, anointed, and did a work; he opened a Truth and he loosed people out of the Catholic system and he brought them to Justification. Wesley opened a Word, loosed people out of that, and brought them to Sanctification. The Pentecostals opened a Word and brought people into the aeroplane Age, above horse and buggy, into receiving Gifts and the New Birth and these things. Is that right? Then, a Prophet came with the key and he opened a Word and loosed the Holy Spirit to come back in the Church and bring it back like it was in the Book of Acts.

You always hear me say, "Bill Gates [American business magnate -Ed.] and they are anointed men, catching mysteries from the tree of knowledge, bringing up that world." Here, on the political side, these men were anointed men to do a work. Why? Because it's a kingdom being built, and if the kingdom is built and you don't have that kind of perversion, that is not Satan's kingdom, that is Heaven, still. In that kingdom, everything has to be perverted. If it is really Satan's kingdom, everything that God has original, has to be perverted. Because Satan has no original things, he only perverts what God has.

What is a lie? The Truth perverted. What is death? Life perverted. What is adultery? The right act perverted. Do you get what I'm saying? He only perverts.

God has a provided way for everything, but he comes now and gives a man a way that seemeth right, "There is a way that seems right unto a man, but the end is death." And once it is not God's original provided way, it is perverted.

That is why we need to look closely and see what God did in the beginning. That is why Jesus told them concerning marriage and divorce, "It was not so from the beginning." That is why Paul told them concerning women preachers, "And Adam was first formed, then Eve, and the woman must not teach," and he pointed them back to the beginning. If you want to know what the Church will be in the last days, go back to see what the Church was in the beginning. If you want to see what a man should be in the last days, go back and see what He made a man in the beginning. Then you will understand what God is trying to bring the people back to, so you are not walking confused and it is not 'this church or that church or this brother or that brother'. No. You'll see God's plan. And then, when you look, you can understand how God is bringing His plan to pass. Are you getting that? Is everybody understanding, so far? I'm just still giving a background here. I have not started to preach on this as yet. I want you to see what we have been trying to bring to you.

In moving women out of their place, what happened? It began to break motherhood. It began to break the nation. And it began to elevate the goddess of sex, the greatest instrument Satan has to deceive and exploit. Oh, brother! You know how Ecclesiastes 7 tells you, Solomon said, "Out of one thousand, I can't find, maybe I'll find a man, but I can't find one woman. Her hands are bands, they are like a net." Is that right? "Something more bitter than death", he called it. Now, that's what a woman becomes when she gets away from God. Because remember, Satan got ahold of Eve before Adam did, and he taught her a few things that Adam didn't know. And then, she went now, with the cup of that

doctrine and she became the false prophetess to the doctrine of the false prophet; that Beast incarnate; that Beast in the beginning, the same way the Beast at the end does, through the trail of the Serpent. And what did it do? It brought death to the human race. It brought the children perverted.

What happens in the last days when they come through the church womb; a womb of Protestant denomination, a womb of the great whore, Catholic denomination? It brings perverted children. They are saying they are Christians but they don't know who God is. They don't know how to worship God. Christians, and they have candles and they are praying to saints. Christians, and they are ringing bells by the corner. Christians, and they are trying to roll on the floor and say they got the Holy Ghost. Why? Because it is a false prophet, a Devil's incarnate with a false doctrine, a perverted seed, giving birth to that, not the Word.

God cannot give birth—the Word cannot produce that! The Word of God cannot produce a bobbed-haired woman. The Word of God cannot produce a painted face woman. The Word of God cannot produce a pants wearing woman. The Word of God cannot produce a sissified man. The Word of God cannot produce a bisexual, and a lesbian, and a homosexual. The Word of God cannot produce that! Because when the Word of God made the first man, he was in the image and likeness of God, he had fellowship with God, he was a god over the earth. That is what the Word of God produced.

Then, there was one who said, “No, no, no. You shall not surely die. Behold, I'll show you a new way that is more exciting, more reasonable.” And she left God's Word to go to that. And then, since that time, there was not another one in God's image and likeness. They cannot bring any. They never brought one. God in mercy, came down in Jesus Christ without sex, to die and save the world, because who could bring a clean

thing out of an unclean? The only way it could have been saved, God had to intervene by a New Creation, that Jesus wasn't Jew or Gentile. No, no, no. This was a New Creation. His Blood wasn't Gentile blood or Jewish blood. No, no. It is a new creative Blood, God coming down. Amen.

Watch the pollution of the world, watch the condition of the world in the last days. This is what I want you to see. There is a reason for this. They are trying rehabilitation, they are trying *Alcoholics Anonymous*, they are trying drug rehabilitation centers, they are trying courses on positive thinking, they are trying courses on 'the total woman', they are trying marriage counseling and social workers; it is getting worse all of the time. Why don't they get some counseling for people who take part in Carnival? Look at those women on a rampage. Look at Trinidadian women on a rampage.

How many know, when you watch the condition of the woman, you'll know the condition of the nation? You watch the condition of the woman and you'll know the condition of the church. Is that a mystery? Then, you know what kind of nation this nation is. To get them to do that, just call a day a certain thing. Say, "Festival", say, "Culture", give it a name. Give a day a name, say, "No work today," and play some music, and they are loose. What was holding them? And if you think that really works, then call it another name, a religious name, give that day a religious name and see if they would just change back. So, you call it 'Ash Wednesday' and they are penitent. They gave a day a name.

Sit down and think. Think soberly. See what you want to be. Do you want to be in that? Is that a good role model? Is that a good example? That is the best the world has to offer. That is the best the world has to offer. As I was showing you on Wednesday night, what their plan is and what the world is becoming. They know, to change a culture, you have to get the youths. So, they begin to bring it in, in toys; they begin to bring it in

cartoons; they begin to bring it in, in little children's books, and they put it there. A picture is worth a thousand words, and it is an image that suggests things. And then, they give nice little cute names for these things. Do you get what I'm saying? To make it...

You see a cartoonist, he takes a character and makes him loveable and a day can't pass without you looking for that chap. And when you get attached and hooked on him, the cartoonist now, through the cartoon begins to teach those children things. They begin to put in their New Age religion; they begin to put their reincarnation; it makes them begin to love Buddha. Do you get what I'm saying? And after a while, this is your pal. This is the person you wait every day to see what they are saying. "What new is he going to say today?" You can't wait to get the papers, you want to see him and talk to him. You want him to tell you something. Addiction, addiction!

I find this one makes you sound a little quieter. What is happening here? What is going on in the church really? Discernment, discernment. How big is a seed? It grows into a big tree. A little seed, little seed. And that little seed, when it gets down in your subconscious, it begins to grow. And after a while, everything in that seed starts to come out, because it is a seed. The Word of God is what? A seed too. You don't see the faith coming in. You don't see the virtue and the knowledge, but it is in the seed. But after a while, let the trial come and if that Word is really conceived, you see that behavior starts to come out. Why? The Life is expressing Itself now.

Well, you take it in the opposite. When you take in the wrong seed and that seed has certain things in it too, when the circumstance comes, you see that behavior the same way. That is why he said what? "A Thinking Man's..." [Congregation answers, "Filter." -Ed.] What is a filter for? To keep out certain things so that they don't get into your subconscious. It filters it out, it strains it,

it can't come in. You know where that stops. You know exactly, "I don't get addicted in that."

So he [Bill Clinton -Ed.] came and he began to open a door, a prison door, and loose those spirits out. And everybody came out of the closet, and now, everybody is openly gay. Like this governor, McGreevey [Jim McGreevey, governor of New Jersey (2002-2004). -Ed.], he was in Boston somewhere there, brother, when the whole thing came out that this man was a homosexual; his wife was standing with him before the press when he was announcing that he was homosexual and she pulled the Hilary thing too and said, "I'm standing by my husband." The 'ups', the governor who is governing the place? But it is the builders of a society. They are builders of a society and their plan is that all of this must be acceptable.

That spirit, by decriminalizing the deeds... Like they did with Whe-Whe, [gambling game of numbers -Ed.] I showed you how they decriminalized Whe-Whe. And it got easier to do it, everybody is doing it, without conviction, without fear, and nobody is condemning anybody for playing Whe-Whe anymore. Instead, the Whe-Whe population is growing. It is so these things grow and increase, because from the time they decriminalize it, it becomes lawful. It becomes, afterwards, a hate crime for you to speak against it. It becomes a hate crime to speak against it.

Right now, there are some Christians, I think in Pennsylvania, about to face forty-seven years in prison, because these homosexuals were having some parade and they went with their Bibles. And they started to read Scriptures and cry out, "Sodom," left and right. The police came and locked them up. They have them in court and their case is going on and all pressure is on them and they are about to face forty-seven years in prison.

A man was preaching there also, on abortions and homosexuality, in his church, he said, "Man, if I have to

go to prison,” or something like that, “I will stand against that thing.” The next day the FBI came to his office, “We want your sermon notes. We understand you were preaching against homosexuality and abortions. And we understand that you were even getting the people to stand against those things, even though they have to go to prison themselves. You are dangerous to the community. You are discriminating against a group that has rights. They are Americans just like you. As a matter of fact, some of them are making a bigger contribution to the society and are more valuable to the community than you.”

Brother! “And you are dangerous to have a group of people...” Your preaching for conviction now, becomes ‘inciting the people’. Do you get what I’m saying? That is why Jesus said, “You had better be wise as serpents but harmless as doves.” He didn’t say to compromise, you know, but, “Be wise as serpents and harmless as doves.” That is why He said now, “Don’t take any thought now, when the Holy Spirit speaks.” That is why, when a man starts to speak against things, you want the Holy Spirit. You don’t want zeal, you know.

Remember, Luther carried a bunch of people and got them in all kinds of court problems and different things, you know. And the Prophet said, “Let us say, his intentions were good but his judgment was poor. Let us not say that his motive was wrong. He had a good motive, but he let people push him overboard.”

Like how Bro. Branham said the people made him cater to the flesh and it bred a lot of carnal impersonations and created a lot of stumbling blocks in the church, in the First and Second Pulls there. He said, “But in the end, God still had a purpose in that too, because when it brought up the impersonators, that had to come to deceive this sign-loving generation, to harden their hearts.” Because they became a bunch of sign seekers and they started to run after oil and blood and all kinds of different things, all kinds of

unscriptural signs, and then look at what came and happened upon them; they rejected the Word and shut themselves out of the blessings of God. My!

I want to read Revelation 18. Let's just read a little bit here. I'll have to skip some now, because after reading this... Now, I am coming down to another aspect of it now, which is the sorcery; the sorcery. We took that feminist movement, we took the homosexuality and I want to deal with the sorcery, because all of these things are Babylon. You are seeing what this system is and what she has done to the world. This is demon power at work.

And that is why Christians today, a lot of Christians because they are only Christians outwardly, they don't know spirit and they don't know unseen things. And so, they run into problems many times in dealing with things, because they don't know what spirit is motivating what. Do you get what I'm saying? And you have to know what spirit is behind what you are confronted with, because only then you will know what Word to go to, or how to deal with that spirit. Do you get what I'm saying? Because it is warfare, he has tactics to tie you up. He has things to get you into places, to venture without authority. Like that evangelist who grabbed the man's crutches away and said, "Walk!" The man fell, the police came and took the evangelist. He thought he was doing God's work, you know.

The Prophet said, "If God puts a curse on somebody and you go and try to take it out, you could get in trouble with God." Remember, Moses hit the rock twice, he got in trouble. Remember, Elijah with the power, he got himself in trouble. He started to teach them now, he said, "That's why Jesus did nothing except the Father first showed Him, and the Bride has **THUS SAITH THE LORD.**" John 5:19 is the harmony between the Head and the Body, not zeal, you know. Why? That is why This comes to a mature Church. People have to grow up, not playing church and wild radical Pentecostalism.

This is walking in the Word. This is God's training: God called, God trained, trained by the Word, human will is broken, prisoners bound with chains. Why? Because they are not about their own business, they are about their Father's business and their Father carries out His own business. He just makes you a co-worker but it is He working through you. You have no agenda, you are just an empty vessel. Not your ability – your availability. Amen!

Revelation 18, verse 1:

¹ And after these things...

That is Revelation 17, this mistress of witchcraft who had drunken the kings of the earth; this one that we read about here, that bloody city who was filled with the blood of the saints and the martyrs, Revelation 17, after these things. After Elijah, that angel, one of the angels with the seven vials had uncovered the woman to John.

... I saw another angel come down from heaven, having great power; and the earth was lightened with his glory.

Revelation 10:1, that's that same Angel, Christ.

² And he cried mightily with a strong voice, saying, Babylon the great is fallen, is fallen, and is become the habitation of devils, and the hold of every foul spirit, and a cage of every unclean and hateful bird.

And we took those words. It's a prison. It's a prison. And its guards are watching; a surveillance society, watching over those in the prison to make sure they cannot escape. It is set up to hold you in the cage. It's all like an allegory here. He is giving you a picture, he is illustrating it to you. That is why I went back in the Old Testament and showed you how they caught men, how they set snares, the same way they caught birds – an evil net in an evil time.

And so, men are taken, as the fowler catches the birds, because he called it a cage of unclean birds. Because there are eagles, there are vultures, there are

different kinds of birds that represent people; that was God's first Bible. You have nightingales that sing, canaries, singing birds. You have hunting birds. You have migratory birds. They are all built differently. You have birds that live in water with webbed feet and flat beaks to find their food in water. You have birds that fly, predators, they have talons to rip their meat. See? You have night birds, like kiwi and they, who could move around in the dark with night vision. They represent people, different kinds of people. It is a Bible, because the Holy Spirit, the Dove, that was Christ, the Messenger, Sacrifice. The Eagle: Seer, which was Christ, His prophets. See? The raven, feeding on the dead things; Noah loosed a raven.

A prophet loosed a raven too, to do what? Feed on the dead bodies, because they only find their food when it is rotten. That is when they smell it. That is why you don't see a vulture while the thing is moving around. When you look up in the sky and you see all those fowls of the air circling, circling, circling, you know something is dead and rotting somewhere. That is when they smell it. It is a type of the old denominational believer, eating that old, rotten food for some past Age. But the carcass, the fresh kill of the Word every day, the eagle has to live on fresh food.

³ For all nations have drunk of the wine of the wrath of her fornication, and the kings of the earth have committed fornication with her...

Now, you see how he is using that word fornication there, because that is 'union'. It takes union to get fornication, illegal union. It takes contact. Do you get what I'm saying? But this contact now is with church and politics. She is a church and the things in it are politics. So, when you see politicians and the church kissing around and playing around, and the Prime Minister in the IRO [Inter-Religious Organization, Trinidad and Tobago. - Ed.] meeting and then Bush goes to the Pope, that is what you are seeing taking place, there.

When the church came, they brought the man right in the pulpit and he stood and he spoke to the people, just like it was a normal street meeting, because that church is of the world too. See? So, they brought an unclean man into the desk; he smokes and drinks and commits adultery. Maybe last night he committed adultery, maybe he had just smoked and was out drunk last night, (whatever it is,) he came in there and he was addressing all of the people, standing there, and he was being honored. Nobody told him to repent. Nobody pulled him aside and told him about his life. He came in, he made his speech and carried on, and everything else, and then they put it in the papers, big, “He went in there and addressed the church. And the Seventh-Day Adventists had the Prime Minister so and so and so, or the minister of religion,” or whatever they have. Because to them, that is an honor, you know. To them that is an honor. But what happened? She opened her gates and he came right into her holy, sacred place, into her tabernacle, and he began to spurt out his seed inside of her. It is fornication, because the church is a woman, you know that.

... and the merchants of the earth are waxed rich through the abundance of her delicacies.

⁴ And I heard another voice from heaven, saying, Come out of her, my people...

My people. You see, God has a people, an Elected people.

... that ye be not partakers of her sins, and that ye receive not of her plagues.

⁵ For her sins have reached unto heaven, and God hath remembered her iniquities.

“Her sins and her iniquities”. Just like Sodom’s own. He said, “The cries came up to Heaven and God came down. The same way this Mighty Angel came down and He lightened the place. Why? Because her sins had come up to Heaven and God remembered her iniquities.

⁶ Reward her even as she rewarded you...

*⁶ Reward her even as she rewarded you,
and double unto her double according to her
works: in the cup which she hath filled fill to
her double.*

God is measuring out her judgment.

*⁷ How much she hath glorified herself,
and lived deliciously, so much torment and
sorrow give her...*

Do you mean God measures every move, everything? Because this is over a period of time her cup got full, and God said, “Do you remember the measure? The last time we looked at her chart, do you remember where her measure was? Give her double of that.”

In other words, God has all of her sins measured out over the years, because this is dispensing justice.

Have you ever seen a judge in a court? He says, “Now, you will get twenty strokes for that, for that first charge. For this charge here, you will serve six months. For this lesser charge, you will serve five months and for this other charge you will serve twenty years with hard labor.” What did that judge do? He sat in his deliberation of justice, and he watched each act, he watched each crime, he watched the circumstance under which each crime took place, and now he has to give retribution.

So, the same way that is done in a natural court, God here, Who is a righteous Judge... Why? Because what is the symbol of justice? The Scales; the Scales are the symbol of justice. Do you know that justice is always portrayed as blind—as a woman with a blindfold? Why? Because she has no fear nor favor. You can be the president, you can be the beggar, she is not going to look at your person and then, you know, let that influence her judgment. She is looking at the crime, not your person.

That is why Elijah walked up to Ahab and said, “The dogs will lick your blood.” He watched the crime, he

didn't watch, "You are the king." He didn't watch Jezebel, "You are queen. The dogs will eat you!" He watched the crime, not the person. A man said, "How could you talk to the king like that, boy?" He was sent by God to dispense justice. Elijah represented God's... [Congregation says, "Justice." -Ed.] Moses was the law, the prophets were the justice. That's the Bible.

What did God tell Belshazzar? "You are weighed in the balances and are found wanting. MENE, MENE, TEKEL, UPHARSIN – your kingdom is given over to the Medes and the Persians. This night it is taken away from you." See? God was dispensing justice; weighed them.

God weighs every one of us by His Word. You see, you go along, go along, go along and don't know that God is weighing your actions, and then one day, you exceed your grace on that. And God says, "Okay, for this now, we have to have some rods of chastisement here because it seems like you have developed a bad habit. Because no sentence came down upon you, you thought this was okay and God favored you so much and loved you so much that He didn't chastise you for that." Christians can get negligent and careless. Christians can get in a sense of false security and make God as a parent who is not interested in raising His children right. Chastisement is what? With the child's amendment in mind, it is not punishment. "That it might bring forth fruit unto righteousness," Hebrews 12.

Watch these things in your life. You will grow up to be a real son and daughter of God and God's blessings are going to be there. And you are going to represent God and God is going to honor you and His Presence will be seen with you, because you will be pleasing Him and you will know what it is to be an ambassador. God doesn't just want you in church to say, "Well, I went to church, today." No, no, no. "The Presence of God was with them wherever they went. The Lord was with

them.” And God will be there to confirm your Word. And when you go to pray, you can say, “Father, I know You hear me always, because I do those things that are pleasing unto You.” And God does not rebuke you. That is why Jesus prayed, “Father, I know You hear Me always.” Why? He said, “Because My meat is to do the will of Him that sent Me.” His Life was taken up in wanting to please the Father. He didn’t come to reveal Himself. He came to reveal the Father; God, being made known to us in Christ.

Now, look how He is measuring out her judgment.

7 How much she hath glorified herself, and lived deliciously, so much torment and sorrow give her: for she saith in her heart, I sit a queen, and am no widow, and shall see no sorrow.

8 Therefore shall her plagues come in one day, death, and mourning, and famine; and she shall be utterly burned with fire...

Isaiah 47, where we just read, “I shall be a lady for ever. I’m like a queen, there is none beside me. I shall not sit as a widow. I shall not know the loss of children.” He said, “These two things shall come to you in one day.”

Now watch, this is the prophecy, right here. What Isaiah said, Isaiah, seeing under those Vials, that Seventh Vial. What is that Seventh Vial? The stoning of the adulteress and burning the adulteress. That was the punishment for adultery; you burned the woman, you stoned her to death. And God keeps His laws. And her judgment that that comes under, which is Jezebel, Mystery Babylon, the whore, the mistress of witchcraft, the great harlot, the mother of all abominations, that bloody city in Nahum, who sells people and everything else, that one in Isaiah 47 who said, “I’ll be no widow”, that’s her right here. God is identifying her here.

In Chapter 17, He showed she was the city on seven hills, which was the Vatican, the only city, found with

the blood of the saints and the martyrs, showing the one that Isaiah was talking about, showing the one Nahum was talking about. That's what? Mystery Babylon, that's the religion of Nimrod, that Satanic worship. That's the one that drunkens the earth.

I'm on the sorcery. I want to bring to you and I'm going to show to you, how that sorcery was in the White House, how that sorcery was in the Christian world, how, when the Prophet preached demonology, he showed it was right in the ranks. How Benny Hinn and they were talking about—how he was talking to Kathryn Kuhlman and he was talking to Aimee Semple McPherson.

And the Prophet said, "There are three ways that God brings His Word: by prophet, dream and Urim and Thummim." He said, "The Devil has those same three." He has the wizard, he has the soothsayer and then he has the crystal ball. He has a perversion because he has no original.

Do you remember the woman with the spirit of divination? "Yes, these men are the servants of God, come to show us the way of Salvation." They had a whole city bewitched, because when Paul cast the demon out, the people saw the hope of all their gains were lost. So what did they do? They sat down and they got sorrowful and said, "This preacher came and mashed up our business. The money we were making for all these years, our business will collapse now." Do you think it was that? Those demons started to call upon the magistrates for help – the judicial system. They had their links in the judicial system. It was a syndicate. And they came in and they beat them and bruised them and they locked them in the inner prison and they put their feet in stocks, no trial or anything. They got punishment and everything already, because the men said, "These men are corrupting our city and plus, we are Romans."

And they were claiming Roman headship over them and the officials were Romans that they had out in all of those places there, where there was Roman influence, just like they had in Jerusalem, with Pilate and they there. The same way, Jesus came under Pilate the governor, the same way Paul came under those Roman magistrates, then, he eventually came under Nero, in Rome itself.

And Roman politicians were sitting down there, now, and were judging God in Jerusalem. Roman politicians were sitting there and judging God's prophet-messenger to the first Age. A demon sitting in judgment over angels and God. Are you understanding? So, when God is going to turn the tables now, the saints are going to judge angels too.

Now, this is past your baby Christianity, you know. This is past your socks matching your pants, you know, and your dress matching your shoes and these things. This is up in the place now, where your election and calling, where you are anointed and commissioned. This is you, holding the Mystery in your heart, where you are walking with God.

⁸ Therefore shall her plagues come in one day...

The same thing God said in Isaiah 47.

*... death, and mourning, and famine;
and she shall be utterly burned with fire:
for strong is the Lord God who judgeth her.*

Nahum said what? This mistress of witchcraft, this bloody city was going to be what? Burned with fire.

Verse 20:

²⁰ Rejoice over her, thou heaven, and ye holy apostles and prophets; for God hath avenged you on her.

This is after she is being burned now, with the atomic bomb. I'm saving some time.

²¹ And a mighty angel took up a stone like a great millstone, and cast it into the sea,

saying, Thus with violence shall that great city Babylon be thrown down, and shall be found no more at all.

22 And the voice of harpers, and musicians, and of pipers, and trumpeters, shall be heard no more at all in thee; and no craftsman, of whatsoever craft he be, shall be found any more in thee; and the sound of a millstone shall be heard no more at all in thee;

Why? Because God is going to destroy it completely, and sink it in the sea after He burns it.

23 And the light of a candle shall shine no more at all in thee; and the voice of the bridegroom and of the bride shall be heard no more at all in thee: for thy merchants were the great men of the earth...

Bill Gates and Ted Turner and they, the big merchants of the earth, who own CNN. Bill Gates gave a billion – about a billion, “Do research on AIDS,” the richest man on the earth. Do research on AIDS, for what? These are the people who are perpetuating these things. I’m talking about the homosexuals. Now, they have the whole world rallying to their cause. Could you imagine that? The Sodomites have become so important, all the millions and millions are going into AIDS research. And do you know how they are getting cause for that? Because straight people ended up getting some bad injection, some unused things [needles and syringes that had been used were rinsed out and replaced in their original packages, resealed, and sold as unused. –Ed.], and then, so, they tried to say, “No, no. AIDS is not a homosexual thing. No, no, no.”

Then, the next side now, when you get ahold of a virus, you can carry it and strip it in a laboratory, and make one too. Like how they make cornflakes without corn. Do you know that? And now, you could start to spread it too and depopulate places. Why? Because

genetic engineering gives you the ability to do that, you weaponize disease. How do you think we got smallpox in the thing and they still have it, today? You get ahold of the strain, you carry it in the laboratory and you start to make more. You break it down, you see what it consists of and you start to make them.

How do you get all the corn you buy and eat? Do you think that is the original corn? Half of them can't grow back if you are going to plant it. Genetic engineering is giving you all of these foods. Why? They take from the original and then they start to make and start to breed tomatoes, potatoes, and this with that, and that with that, and start to make their own things.

Now, who is sponsoring all of these billion-dollar things? This is billion-dollar research. And why are they doing it? Who wants to unlock this? Is it the poor man? Do you think this is relevant to ninety-nine percent of Trinidad? Do you think they are thinking about this? But then, why are people in the world spending billions of dollars and leaving people poor and starving, and the place is filthy and diseased and people are dying left and right, and famine is killing people everyday and they are not seeing about them. Why?

There is more going on in the world than you think, you know. What this Message is to do, is to see that when all these things are shut out from your world, it shows that you are shut in into a little world. And in your cell, your papers don't have this news, and your TV in your cell doesn't have this news. So, when you come out of your cell and you are talking about your world, you don't know ninety-nine percent of what is going on in the prison. You are cultured into believing what you are seeing. And all this time, you feel you are free but you are held in a grip.

They have this library that they call *Questia* – it is supposed to be the biggest library in the world. It is a library on books – well, a library with books, you know, on all of the subjects of the world and what is going on.

So, I joined this library and I tried to look up certain things: 'genocide' and, you know, different things like that. When you go on that site with all of those hundreds of thousands of books, do you know what it is telling you? "We have to wait and see if in your part of the world, this is allowed. No, you can't download this, because that is not for your part of the world. This is not available."

I started to think now, "Why in certain places, you can't know this? And why did they zone certain places and they can have access to it, and in certain places, you can't have access to this? And who decides who should see what and hear what, if you come into the library?" Do you get what I'm saying? Now, you see, I am thinking. I want to know why. My mind is saying, "Why?" Who wants to tell me...?

If I want to find out about 'genocide' and how many people the United Nations are killing and what is going on and all this infanticide, and all of this 'population control' and all these different things; because this interests me; because I see Revelation 6 saying, "They are going to have power to kill one-fourth part of the world", and I know that is over a billion and something people. And I am living in the Age when I'm supposed to see where those people are getting killed. And when I look around, I'm not hearing anybody dying every day of any strange cause, everything is legal and legitimate. Do you get what I'm saying? And when I want to get access now to the information that could tell me and I could know the statistics of what is happening in the world, it says now, "In your part of the world, you can't have that."

I said, "But this is strange. Somebody wants to control which part of the world has light and which part of the world has no light."

Only to find out recently, that brother, how down in Peru and those places, the amount of abortions, and the amount of pressures they are putting upon people not

to have any children, and the amount of sterilization taking place against people's own will. And that's the same thing going on in these places. When you get there and those nurses and those doctors want to ridicule you and pull you down, "And you are having a next child again. What are you having a next child for?" And they are putting pressure on people. And sometimes you want to know, "Why are they like that?" And you think that maybe it is a kind of Trinidadian mentality and spirit. Only to find out, no. Latin America, Africa, and Asia, what they call the Third World, this is the system.

And all of the young children, like I read for you last week, they are giving the social workers this literature to divert the children into homosexuality and lesbianism and bestiality and these things – the United Nations program funded. And when you see that, you realize now, "Who are the ones and why are they polluting these places, and why are they destroying the people like that?"

And I was showing you, even in the educational system, how they have it. Why for all of the years, until every year they are complaining but they are breeding this and it makes you think, "How come we have all of this and they are bawling over and over and over? Look at what is going on in the Junior Secondary. Look at what is going on in the Junior Secondary, twelve, thirteen, fourteen years. Look at what is going on in these types of things." And they are seeing that that is a place breeding germs, killing people. And all these touts [a person who works on a maxi, (like) a bus conductor. -Ed.] and all these maxis [twelve or twenty-four seater vehicle. -Ed.] and there is no control over anything and it just keeps going on. Don't they want to cut that out?

Then, what are all those other rehabilitation programs about? Who is running the system this way? These people came from UWI [University of the West Indies -Ed.] and got all these qualifications, and got so bright, and

got so learned, and is this the way they come back and run a country?

Who is implementing these programs in this part of the world and then giving out loans to say, "Carry it out this way. This is how we do it around the world. And this is how much money we have allocated for this. And then, we are going to send our professionals and they are going to come in and they are going to train your social workers and set it up, and so on. And we are going to give you the manual on how to operate these things, otherwise, no aid." And you have to carry it out now, according to the aid, because they are implementing the way it ought to be done, whether it is banking, whether it is social work, whether it is everything.

And people want help, so they kind of figure if these bigger powers are doing it, then this is going to make the world better, then it is to help the people, and then, people are becoming tools to destroy their own people and they call it 'politicians, government'. That is why they talk all this nonsense in parliament; sit down there and mauvelang [gossip. -Ed.] and carry on and you say, "Wait, are these statesmen? Are these statesmen?"

And then, the Prophet said, "You could put a George Washington and an Abraham Lincoln in every city, it cannot come back." Then you start to understand where this world is heading.

And that is why, in bringing out this here, I want to bring it out to show you, all of these little nations are bewitched. This is what I'm coming down to prove to you. They are bewitched. It's a world that is bewitched by sorcery. And what you think is witchcraft and these things and something... When you hear of witchcraft, do you know what you think of? Papa Neezer in Moruga. [local witch doctor -Ed.] That is what you think is witchcraft. You are going by Goose [alias -Ed] for jungle juice [local alcohol concoction -Ed.], they call that witchcraft. And in your mind, you are so bewitched, that is what you are seeing as the Devil and witchcraft. But watch this

mistress of witchcraft. The Bible talks about a mistress of witchcraft, who with her whoredoms, buys and sells nations; a city, a bloody city!

When you watch men like Benny Hinn and they walk in a country... They have this man down who can't even pray, who doesn't know the Bible, he doesn't even know, maybe, the ABC of the Bible; this man who is just spewing out all kinds of strange things that there is no Scripture for. He is the most popular evangelist in the world right now. This man has gone global, he and these other people here who have over two hundred and something satellites covering the world, and around the world that thing is beaming in. When they are preaching, they are preaching to people around the world in every different time zone and spewing this thing forth.

They brought back Johnny Cash, brought back Andrae Crouch [singers -Ed.], and you see those men, they put suits on them and tried to shave them off and make them look like Christians; men, who got hard in drugs, who went around in the night clubs, got real lowdown and they tried to come up there and they were kind of shaking, almost. You would think it's the anointing, but it is the old drug thing that they have not fully gone from within their system. And when they kind of sing, there is no voice, there is nothing there, anymore. But you see, they were icons for eras and there is an age group within there that identifies with those people.

And it's all pageantry. It is all a Hollywood pageant put up there. And this is by design, you know. This is by design. And when they run the polls, the ratings go up and there are more viewers and more countries are vying, "Beam [broadcast -Ed.] to us, too."

Then now, they are getting more people involved in the business community and everybody is putting money and pouring billions of dollars into this to spread that thing into nations. And everywhere it goes, you are getting those small Joyce Meyers and those Paula

Whites, and all the different sets of spirits, all those little Benny Hinns. And everybody is trying to throw some kind of hocus pocus, all kinds of unscriptural things on people. And you are not hearing anybody preaching repentance. You are not hearing anybody preaching about a woman's place and a man's place. You are not hearing anybody preaching on judgment. You are not hearing anybody preaching on the Coming of the Lord. You are not hearing anybody preaching about the End Time, none of these things!

They have the people so bewitched, they sit down there and they cry, just sitting in that seat, until you could get emotional watching those people. Until you could start to question, "God, You are not in my life? Look at those people, Lord, they look so sincere." No, they are bewitched. They are confounded. They are under a spell. They are deceived, lost! They have been given a strong delusion to believe the lie and be damned by it. Do you know why? Because they didn't have the love for the Truth. So, God gave them liars to preach a lie to them, to blind them, just like Eve, because they didn't want Truth. They don't want to check the Bible for themselves.

A man tells them, "You can bob your hair and paint your face and you can go in the pulpit and preach; if you have three or four husbands, it means nothing." That is what they want to hear because they have that desire inside of them, because they are possessed by an evil spirit, full of ambition. That's right. That's right, friends, blind and deluded, fodder for this atomic Age. The Devil makes them think that they are Christians and they are not Christians. How did the Devil do it? Through preachers.

You see, you have to think. Satan makes them feel they are Christians. Do you think that is Lucifer flying around somewhere like some soucouyant [Caribbean folklore character, a witch -Ed.] or something? No, that is a man putting himself up as a man of God, with authority from God,

with some lying sign and lying wonder and telling the people, "God talked to him and God told him that was okay. And God told him, 'Woman, thou art loosed, and you should be empowered and man has kept you down, but now, God has raised you up and your hour has come.'" That's a lying demon from the pit of hell, bringing a strong delusion. And then *TIME* magazine takes that man and puts him up in papers and says, 'The Next Billy Graham'. Sure he is the next Billy Graham; ends up giving his power to the Catholic church, and going into Free Masons – the next Billy Graham. That's exactly where Billy Graham went. That's right, friends.

Then, when you hear of William Branham: he is a cult. He is a false prophet. Whose mouth does it come from? These men's mouths. That's the same mouth that is crucifying Jesus Christ. That's the same spirit of the Devil calling the works of God, blasphemy and trying to break it and destroy it. That's right, friends. I know that is strong preaching but that's where the real believer stands. This is not hate now, this is correction. This is not hate. This is not the bashing kind of thing. This is correction to exalt the Truth, because he cast down the Truth and exalted the lie so that the whole world would be deceived.

How did he do it? She bewitched the nations. All this Valentine; you are bewitched. Let me tell you, to go into Valentine, you are bewitched. He already planted a lie in you and you are living out the lie. And you start to find the lie is nice and you find nothing is wrong with that lie. And you are going all in the mall and you want to buy that flower and you need to buy that Valentine card and you want to get this over here. And now you are supporting it financially. You are supporting the lie financially too. It is strange how good things don't look like sin, but when you put the Word on it, you see your sin. And you see sin and its indulgences and you see how harmless it looks. That's right.

I am only zealous because I love Truth, you know. I love Truth. I love Truth! I was ready to cross land and sea and desert to find Truth. The Truth found me. It found me. Amen. I used to be singing, day and night, *“At the Cross, at the Cross where I first saw the Light, and the burden of my heart rolled away. For such a worm as I.”* [#837 - Songs That Live -Ed.] Amen. And brother, when I found This, I sold everything for This. This is my life, This is my everything.

Verse 23, look at it here:

23 And the light of a candle shall shine no more at all in thee; and the voice of the bridegroom and of the bride shall be heard no more at all in thee: for thy merchants were the great men of the earth; for by thy sorceries were all nations deceived.

“For by thy sorceries were all nations deceived.” Isaiah breaks it down and tells you what? Her astrologers, her stargazers, her monthly prognosticators, her enchantments, her sorceries. Nahum called it “Her witchcrafts”.

So, let’s look now and see. What are the sorceries that deceived the nations? You see the Bible cannot lie. The Bible cannot lie. The Bible said, “She deceives all nations, all!” His Eden goes from coast to coast. Wherever God had an Eden, he came to pervert that place. Do you see Trinidad bewitched? Are you seeing sorceries in Trinidad that came? Are you seeing sorceries around the world? I hope you are seeing it, you know, because when you are seeing it, you can’t go in it.

Listen. Just a few minutes. You see, there is a Satanic worship. There is a Satanic worship because if she deceived all nations with her sorceries, in other words, she brought the whole world into her Satanic worship. Now, that is not hard to believe. If Christ is on the outside of the church, that is true! If the man of sin is to be exalted and sit in the temple as God and be

worshipped as God, that is true! If Revelation 13:8 said, “All the names that are not in the Lamb’s Book of Life will worship the Beast”, that is true! If Lucifer said, “I will be like God” and Paul and John showed he achieved that, and a Prophet revealed it in *God Of This Evil Age* [1965-0801M -Ed.] and *Satan’s Eden* [1965-0829 -Ed.], *And Knoweth It Not* [1965-0815 -Ed.], that is true! And if God said, “If it was possible, even the Elect would be deceived,” that is true! And if there is to be a falling away in the last days from the Faith, that is true! And if the Seventh Age was blackout, totally blackout, that is true! That is true.

Where is the god of this evil Age? “Who is the most worshipped person?” he said. Satan is the most worshipped person on earth and they are thinking it is God they are worshipping. It is so subtle.

Now, I want to get her wizards and I want to get her witches. I remember, when I was a little boy growing up, there was this picture on television in the sixties. Going to school in Port of Spain, we never had a television at home. But when I went, I was by my uncle at the age of twelve and they were a bit rich, because in those days, poor people had no television. There was one television down in Cocoyea [a local place in Trinidad. -Ed.] and those people sat down. [Bro. Vin chuckles. -Ed.] Bro. Bishop and Sammy know that right away. Those people used to sit down in their house to watch their television, and when they looked back there, it was like the whole of Sodom gathered around that house. The whole neighborhood gathered around that house; who was looking through the window; more noise outside, the people couldn’t even watch their thing in peace. Because people in the neighborhood heard that the thing they invented, called a ‘television’, there is one down in that house. And everybody went down there, and all through the window, at the side, in the people’s gallery and everything to watch that.

Then, there was a next one by the Hannibals and they, Guevara and Hannibal, and they. And then, the crowd started to split – some went on this side and some went on the other side, but both were still full.

In those days, a little later on, there was a picture called *Bewitched* [American fantasy sitcom –Ed] – ‘Samantha, the good witch’, they called her. And then, she had a little baby and the baby was a little baby witch too. That was in the sixties. That was a generation ago. That was a generation ago, forty years. They got into the people’s living rooms, from *I Love Lucy* [American Television sitcom –Ed.] that had already taken them out of church and prayer meeting and they heard a Prophet crying out, “You are not coming to church, to stay home to watch *I Love Lucy*.” Is that right? And then it was in their homes. Think of where that has grown for forty years, because that was the same time she came in the White House too. That was the time when she came in the White House too, in 1960. It bypassed the people. It took over subtly.

Pergamos, you know what he said, Revelation 2, It said, “In Pergamos, where Satan’s seat is.” So, the Prophet is opening that now. He said [Pergamean Church Age, An Exposition Of The Seven Church Ages –Ed.],

Pergamos was not originally the place where Satan (as concerning human affairs) dwelt. Babylon has always been literally and figuratively his headquarters. It was in the city of Babylon that Satanic worship had its origin.

How did it start there? Do you remember how it started there?

The ancient histories agree with the Bible that this Babylonish religion was most certainly not the original religion of earth’s early peoples. It was the first to drift away from the original faith; but it was not itself the original one.

In other words, when Noah walked out of the Ark as the prophet, he went in the Ark with a revelation of the ark, the rain, and the dove. He lifted the people above

the old world, brought them into the new world, and he had the Truth of that one God, set up the altar and God came down, threw the rainbow in the sky, confirmed the burnt offering, and established a covenant with Noah. Is that right? That is Genesis 9.

But in Genesis 10, Nimrod started to make war. Genesis 11, the whole world was one language and one speech, and everything was brought to Babylon. Okay? Why? Because Ham—and then the history shows you in Genesis 9, Ham; Cush begat Nimrod – Ham begat Cush, and Cush begat Nimrod. Ham came out of the ark with Noah: Ham, Shem, and Japheth, and they populated the whole world. But Nimrod now, Cush and Nimrod, father and son, they went out there, and began to take the people away from that original revelation of one God and began to pervert the Word.

That is exactly what happened when they crossed over from Judaism. Jesus came with a three-fold mystery of justification, sanctification, and baptism of the Holy Spirit, to take them out of the old birth and bring them into the New Birth, because Jesus was that Noah who brought comfort and rest! Is that right? The whole world was shut up under one birth until Jesus came. Is that right? The whole world was shut up under one birth and shut up in that old world until Noah came.

But Noah took them out by a mystery. What was the mystery? The Ark: the gopher wood had to be cut down, the tree, that was Christ. The ark had to be built, three stages, (is that right? I don't have time to go into all of those things, but you know that. I preached on that so many times already,) and took them out into the new world.

But when Christ came now, He took them out of the old birth and brought them into the New Birth. Then what happened? The Nicolaitanes started, right there. Is that right? And it started as 'sayings' and became 'deeds' and the deeds became a doctrine. And from a

white horse, the deed, it came from an antichrist spirit to a false prophet. Is that right?

I want to make some jumps here, so I will have to explain that. Then, how did Pergamos become the seat of the Satanic religion of Babylon?

But how did Pergamos become the seat of Satan if Babylon was the seat? The answer again is in history. When Babylon fell to the Medes and Persians, the priest-king, Attalus fled the city and went to Pergamos with his priests and sacred mysteries.

I'm trying to show you how she became Mystery Babylon and how the religion of Nimrod where Satanic worship started; all your occult sciences, all your homosexuality and all these kinds of different perverted sex things, all of that was part of the mysteries; you had to be initiated. The serpent, (read your Church Ages Book) [1964 An Exposition Of The Seven Church Ages -Ed.] was connected in every pagan form of worship, and that came over into Rome. And in the Book of Revelation, it is that Beast, Satan himself who is carrying this woman. All those mysteries, the religion of Nimrod is what is being practiced in the world, today. So, whether it is dispensed on the Internet, whether it is dispensed in movies, whether it is dispensed in books, whether it is dispensed in fashion, whether it comes in the schools as education, it is that teaching and that religion and that lifestyle, and that way being brought, until the whole world becomes this. And in the last days, the world becomes that because she has deceived all nations with these sorceries.

What brought denomination? Ham, Cush, Nimrod brought denominations: Nicolaitanism, Balaamism, the doctrine of Jezebel, the depths of Satan. Noah came out of the ark with the original Word. Then, from Noah to Nimrod, you have... Nimrod is the woman's seed. You have Semiramis sitting down there, the mother and the child. You have the whole world forced to this worship. Do you get what I'm saying?

You have all of these... Go back to the music. Where did the music start from? Cain and they when they went out of the Presence of God, inventors of the harp, and the pipe and these things. You have the invention of the sword. Where did it come from? Lamech and they. The song Lamech is singing is glorifying violence. It is a song glorifying violence because of the invention of the sword. What is all this dub and this kind of different music, and this rap music, what is that about? Violence, sex, shooting, killing, what to do to those women... Do you understand what I'm saying? It was not a music to worship God, but that music was associated with that false worship. What is that false denominational worship connected back today with? They call it contemporary music: rock, calypso, gospelypso, in the church! "Take out your thing and wave", and those women gyrating in church and everything else, normal.

That is why, you song leaders inside of here, need to have a microscope, have a good nose and then have an uncompromising spirit, and then, to know where the boundaries of these things go, because it is so easy to turn things loose. Because you are playing with power and influence and don't know that is what you are playing with in your hands. That is why people who stand up here have to be anointed with the Holy Ghost. When you stand up here and you are not anointed with the Holy Ghost, it is trouble, you know. But when that Holy Ghost is there, everything is clear, everything is precise, everything is in place, everything is microscopic. That's right. That's why things just can't run loosely, because sometimes, people just get carried away and call every little chill they feel, every little goosebump, the Holy Ghost. This is just an admonition. You know, I am saying, "While I'm on this, I throw out some advice. Take some good advice and use this advice, and use it well."

Now up to this time [he said,] I have not brought out that point in history that I promised to cover, that is, the

intermingling of the religion of Nimrod and the Christian religion.

That Satanic worship came over intermingled with Christianity and we have a form of Christianity today, that is still that Satan worship, but people don't know it as Satan worship. Now, catch this. That is why, friends, the people who used to practice that in Babylon, that lineage of people is still here.

Now, you'll understand why world dominion; why one religion; why they want this; who are the big educated leaders of the world who sit down and plan this; why banking is going to be this way; why we have to break certain nations; why we are going to make some slave labor; why we are going to restructure; why we are going to spend all of that money into science and technology to bring the Internet and all of these things now, to bring civilization up to a certain level. There is a group of people on earth just like Nimrod and they had a group there, and they were worshipping the Devil. That is what the Book of Revelation teaches. That is still here. And what he couldn't achieve there and he came close to achieving every time, he gets it here. He gets it here!

This Semiramis, this mistress of witchcraft, this great harlot, this bloody city, she seduces the whole world. She drunks the whole world in her sorceries. Everything she gives the nations, they are thinking they are getting this, but it is all according to her great occult plans. That's why he said, "She bewitched them," by what? "Her sorceries", her sorceries. This is what I want to break down for you – her sorceries. What are her sorceries?

Give me about ten minutes, I'll read some things for you, quickly. The Prophet goes on in this *Pergamos Church Age*, (read it when you have some time,) this is the little part where he calls *Where Satan's Seat Is*. Read that section, make a good reading of it, because he goes on to show how Pontiff Maximus is still with us today, and that religion of Nimrod is still with us today, and

that is what is happening. And that's why in the world, today, the Rothschilds and the Rockefellers and JP Morgan and all these big bankers and all these big corporations and all the big diamond merchants and all these great wealthy people of the world today, all of this is an occult science, friends. It's a lineage of people.

Do you see how the Bride is a lineage? And do you see how, unless you are part of that lineage, you cannot go back in? And do you see when they came back to Jerusalem, they had to check the Book to find their lineage, otherwise they couldn't touch those things? This next side has a lineage too. There were two sowers. There are only two sowers, and there are only two crops and they operate on the same principle. And what gives us faith for the Rapture and faith for the Change? Do you know why? We see ourselves in the lineage. We see ourselves as part of the Word. We have that same Birth. We know who the Family is, the Family in Heaven and earth. And in that Family, there are prophecies, because we have had prophets down through that Family, bringing prophecy for the Church. And that Spirit of prophecy has moved on from Paul to Irenaeus to Martin; they lit that lamp and they took that fire and lit all, until it ends up in the Bride – the Spirit and the Bride. Is that right?

Then, in the same way in that lineage, they had prophecy too. They had prophecy too, because they have a plan too. Because remember, Nimrod was claiming the prophecy that he was the seed promised to the woman. Doesn't the Pope say he is the vicar of the Son of God? Don't they say this is what Jesus did when He gave Peter the keys? They claim it and the world believes it. The world believes it and the kings of the earth bow to it.

I want to move quickly with something the Prophet said here. That would be the best evidence, I think, to lay some of this out here on *Jezebel Religion*. That's right. Jezebel, which is the same Mystery Babylon, (you

know that,) the Catholic church, the same mistress of witchcrafts, she bewitched that whole nation in the time of Elijah. Do you remember how Simon the sorcerer bewitched the whole city; one man had a whole city shut up? Do you remember in Ephesus, with the magical arts and the curious books, they had that whole city bewitched? Do you remember the people with the spirit of divination in Acts 16, when Paul went in that city, they had that whole city bewitched? And those men were making money off of that bewitchment of the people. Why do you think they put that in the Bible?

And watch the early Church, when they went in there with the Word; they saw the bewitchment, they saw the racket, they saw the setup, and Paul turned around after three days and he rebuked that spirit out of the girl. Is that right? Because that spirit said, "These men..." and started to... They were going in undercover. They were going in like secret agents, and the Devil knew them before the preachers. Do you get what I'm saying? And then, by touching that spirit, what happened? They ended up in jail in the inner prison, beaten, and they made it look lawful. Why? Because the courts picked up the matter; the businessmen took it to the courts and the courts took them to the jailor. Are you understanding?

Those are not just stories, friends. That is showing, one man bewitching a city. When she has her representative in every place, every place is bewitched. Why? Because in every place where the man is, there is an altar, and everywhere that altar is, there is a sacrifice. And it is an invocation of demon spirits. And that's why God had to raise up ministries; when the white horse rider went forth, God raised up a Ministry to check that; when the red horse rider went forth, God raised up a Ministry to check that. God's warfare is combating and checking that spirit. So, when that subtlety is moving, God has to raise up a ministry to bring Light to expose those things. That's the warfare,

because where a man can't catch the Word, the people would be deceived. The enemy in subtlety will cage up the people.

Then you tell me, what are all these denominations preaching, this morning? Tell me, what are they preaching? Do you understand what I'm saying? Are the Baptists preaching against that? Are the Seventh-Day Adventists preaching against that? Are the Jehovah's Witnesses preaching against that? Are the Pentecostals preaching against that? They are all part of it. They are the children of the thing. Who owns the businesses? These same people. Who owns the hospitals? These same people. Who are the big executives? These same people. Who are in the judicial systems and these things? These same people.

Can the Bible come alive a little bit? You see, the problem is how you see Scripture. The problem is how you see Scripture. That was the Alpha, in the seed Age, and that was the warfare the Alpha fought. And this is what the Alpha encountered in the evangelism, fulfilling the commission. It came back to a Book of Acts. When the Omega Church comes back in the last days, it is not a city alone, it is the whole world, every city.

He is talking about this Jezebel here. He said, [1961-0319 Jezebel Religion -Ed.]

Now you see why my voice is going to be stopped pretty soon. But somebody's going to know! Yes! Why? Revelation 2:20, she called herself a "prophetess." You just watch the wave of sin happen now. You watch core go plumb to the core. You watch modernistic, watch ungodly things happen in the churches. "And, finally, there'll come a persecution," the Bible says so, THUS SAITH THE LORD! Certainly, there will be.

In 1961, here was the Prophet. It was coming in the White House, all this 'Bewitched' thing going on in the nation and so on, she came... He said, "Now, you watch a wave of sin start to move when this power gets elevated here." And now, legally, she has the politicians,

she has everything else. Watch the laws begin to pass, all this homosexuality and all of these kinds of things, the homosexualization of America and the world and these things that are coming forth. Remember, she is the prostitute of the nations, you know. Remember, America is the prostitute of the nations. What was the American church shown in the vision as? She was shown as a what? [Congregation says, "A witch." -Ed.] Why did God show her as a witch? Why did God show her as a witch? What does a witch do? Witchcraft. What is all of this, here? Somebody has this here, and this one is talking to dead people? What is all of this going on? That woman with the spirit of divination, but they can't tell, because they rejected the Voice of a Prophet.

So now, this one is bringing a laughing revival; this one is making them give; this one is conning them, over here. How did all those filthy unclean spirits get there, dressed like men of God, and look at what they are doing to these people? And every week they are coming with some fresh thing.

Like this one over here in Couva, [local place in Trinidad -Ed.] advertised in the paper, he said, "Come up and there will be all kinds of miracles, this weekend here." He prophesied in advance about all different kinds of miracles. Jesus did nothing except the Father first showed Him. He is advertising it. He is calling the whole nation to come there and do what? And he has no Word. Because... What is he going to do these things by? Do you understand what I'm saying? Seducing spirits, enticing spirits, but people don't see it for what it is. Because why? They are desensitized. When they think of the Catholic church and these things, they can't see a nation bewitched. They are thinking of something quite maybe, in Rome, and they are living in Trinidad, that they are safe from. Not knowing that when they turn that knob on, the whole world is in that living room. Every filthy thing from Hollywood, every filthy

kind of sin, every degrading thing is right in front of your face like that, and people can sit before that for hours.

And then, look at Carnival there, you can't pick up a paper for these last few days and they don't have all of these women. And you see the ones they photograph. You see them. You will never see them in those conditions and positions if there was not such a day when they could free up themselves. And their suppressed self, that they try to walk around like a nun, comes out, and you realize what is under all of that impression and pretending that they are trying to project. Remember, you are what you are on the inside, regardless of what you project on the outside. You are what you are on the inside. You might keep it from some people and expose it to others, but people who have eyes to see, can see it.

And he is predicting now, he said, "Watch these things are going to come." He said, *Oh, brother! You watch for a wave of stuff coming forth now. Notice, and as they did it, look what taken place. All this sin heaping in. Got to a place and got the nation in that kind of a staggering place.*

... Jezebel come in, she bewitched all the people. And notice, finally, she begin to build big shrines to Baalim. Is that right? And the Baalim priests flocked from everywhere to get into that place, and begin to contaminate the lands with Baalim worship.

Here is the Prophet uncovering; here is the Elijah of this Day, seeing the Jezebel and Ahab of this Day, seeing she has come to the White House for this Day; preaching *Jezebel Religion* and warning what is coming on the nation of America; that he had seen how women's vote would put that thing in the White House and it was going to bring women to a place of complete undress. It was going to go on until it destroyed the nation, and then, the atomic bomb will make the whole land desolate and burn it off the map. And before the bomb

comes—while that thing is coming in the White House, he said, “Watch what is coming upon that nation.”

And when she goes across to Iraq and Afghanistan, and bursts down those places, military-wise, she starts to pour in all those drug things here; she starts to pour in all this pornography; she starts to pour in all this woman’s liberation, American lifestyle woman; she starts to pour in all this comedy, and everything is a joke and everything else upon the people, and tells you, “You have freedom. You have democracy. You can do what you want. You have your own rights.” And they destroy cultures and nations like that. He said, “The Miss USA church was the worst of all. It was a witch!”

When you read *Demonology*, before he saw it in the vision, he was saying by discernment, “Brother, it is in the ranks already.” He was seeing men coming in there with rabbit’s foot [charm. -Ed.]. He was seeing men coming in there with oil and blood. He was seeing men coming in there, doing things and hypnotizing people. He said, “Everytime I go in a city, I see somebody come out with a gift in their hand too.” He was seeing the impersonators, the Jannes and Jambres, soothsayers, he was seeing the Balaam, the spirit of divination coming in the ranks.

You stand up there—it is not ministers, friends. You have mediums, you have wizards, you have necromancers, you have enchanters, you have charmers. Have you ever read Deuteronomy 18? God said, “When you go in the land, no enchanters...” Brother, they got up there and they enchanted a whole crowd of people. They charmed them. They said, “Isn’t he a darling? Oh my, I just love to hear him. You know, he just touches me in the places, I tell you. I’m one of his biggest fans.” Those fellows, like Creflo Dollar and they, stand up and say, “Do you see what my name is? Dollar.” He said, “I don’t want streets of gold in Heaven. I want it, right here! Why do I have to go to Heaven to

get streets of gold? Give me all of the gold, here.” Simon, the sorcerers; Simon, the sorcerers.

You want to know how it is they have fifteen thousand people sitting there, lapping up that dotishness. You are not sitting down there, do you know why? You are not under the spell. But the thing you have contempt for, is when you see people being deceived and being mocked and the Name of God being ridiculed and holy things being made sacrilegious and men just carrying on about themselves with all their nonsense, as servants of God, and your righteous indignation is boiling over, because you are seeing people there lapping that up. Oh my! And they go up to the altar and they are bowing to the shrine and these things. And you see that and you are trying to find out if that is the Holy Ghost or what that is. Let us find out, friends.

I’m reading here about what he said is coming. If he said these things were coming, it is here. If it is here—because that was forty years ago; it was forty-four years ago.

And that Baalim priests flocked from everywhere to get to that place and they began to contaminate the land with Baalim worship. Now how did they do it?

Look how they’ve done, look how they’ve weeded in. Just the things they done, look where they’re at today. Look at Catholicism swallowing up, swallowing up, swallowing up; marrying into, breaking this, just exactly what Daniel said they’d do. Iron and clay wouldn’t mix, but mingling their seeds one with another, breaking. Every Protestant girl marries a Catholic boy has to raise her children Catholic. All like that, marrying, intermingling, like that until it’s come to a place till the whole United States is all wormed over.

He is dealing on a national level. He is saying, “This nation, Revelation 13, is going to rise to a place, it will pollute the whole world.” Do you know why? Because that Jezebel came in there. These are the people who fled from Catholic persecution to come here. We are a

little subsidiary of that nation. To deal with our drug problem, we need them, we need the DEA [Drug Enforcement Administration. -Ed.]. We need their expertise to drill our oil, build our plants and different things, come down here and help our police and everything else. They gave us their helicopters, took down the weed-eater operations [a counterdrug eradication support operation. -Ed.]. We do nothing without them. The last time we had the coup [overthrow the government. -Ed.], they sent for them.

You are wearing their clothes. You are eating their food; all their Kentucky [KFC -Ed.] and their Mc Donald's and all these kinds of different things, all their TJ's [TGI Fridays -Ed.], and their Ruby Tuesday, they came down here, why? Because they are culturing our minds with these things. See if one of those Americans will sell 'doubles' in New York; but you will sell hotdogs, down here, you will sell for Ruby Tuesday, down here. Do you understand what I'm saying? It will take a West Indian up there to do that, not an American.

This is—I'm not on that you know. But in a simple way I'm showing you, look how these things come in, all into your system; what you eat, what you dress, what you read, what influences your thinking, what shapes your vision, how you see everything. Where does it come from? It comes from that cup. It comes from her cup! CNN, NBC, MSNBC, [International News Channels -Ed.] all these different things, they come from her cup. FOX NEWS, it comes from her cup. *TIME* magazine, *Newsweek*, *National Geographic*, comes from her cup. Her movies, her everything, her culture, comes from her cup. And when they go to America, whoo! That is the Promised Land and they don't want to come back to Trinidad at all. They have arrived. Revelation, boy!

Flashing Red Light [1963-0623E -Ed.]: And that modern Jezebel, had switched and bewitched the people under the witchcraft of her powers until the whole nation was corrupted, and Elijah stood alone out there on the mountain. God said, "Elijah, don't think that. I've got

seven thousand down there that's honest in heart, yet." That's his second pull, and the third one, went back for them.

He was talking about himself. Elijah thought he was alone, "All man has forsaken me." *Present Stage Of My Ministry*. [1962-0908 -Ed.] He looked there and saw that that whole nation was gone. He watched David DuPlessis, a man who was the biggest teacher on the Holy Ghost, he said, "David, freshly anointed, had the ark in the wrong channel, killing people." Is that right? "Demos, loving this present world..." (because he came to deliver the people out of this present world,) "loving this present world, has forsaken me." And these men took the whole Pentecostal church and by the time they were coming back out in the vision, it was a witch dancing to rock and roll music. They took it into witchcraft because they themselves had the spirits of that system inside of them, they had the very seeds. He said, "Every woman that cuts her hair and wears a pair of pants and these things, has the seeds of the Roman Catholic church in her and she doesn't even know it."

Valentine? You have the seeds of the Roman Catholic church in you and you don't know it. Christmas? You have the seeds of the Roman Catholic church in you and you don't know it. All Saints Day? You have the seeds of the Roman Catholic church. Halloween? You have the seeds of the Roman Catholic church and you don't know it.

And they made all these things that they gave to the nations and they bewitched the nations. And they have all the young children, 'trick or treat', Halloween, witchcraft, occult. *Harry Potter*, they said a hundred thousand books are already pre-ordered, and it has not even come out of the press as yet, the next book; witchcraft, teaching them, teaching them, casting spells, doing all of these things, making it so... They popularize it for a certain age group, the 'in' thing.

Like we showed you the picture with Stuart Little, for the little ones, and Spiderman, all with the same sign, the Satan sign, worshipping Satan. Why? They bring it into the children's minds. Why? They make you love Spiderman. They make you love this. Oh, it is exciting, it is some little cartoon or it is just adventurous. You like to watch that one, it is interesting. They fix it nice, nice music, nice drama, well-drawn and everything else. But then, look, when it gets your attention, look at the things it is sending to you when your defenses are down.

Jubilee Year [1954-1003E -Ed.]

...our little group here at the tabernacle, you all, if you'd only see how that witches and wizards work miracles. Sure, they do.

And they have all the demonstrations that Christianity produces, but they can't be Christians. Watch their lives, what they do.

The people right there even take living with other women, adultery, as a religion, and them same people does signs and wonders.

Living in adultery as a religion, homosexuality as a religion. You wait until I get down in some of these things to show you. It's a religion, friends. It's initiation into mysteries. It's Satanic, it's the religion of Nimrod. What did Balaam plan to do? Unite the people and bring fornication in. Is that right? What did Moses do? Take the sword and kill everything, so they could go in without the bloodline being polluted. What happened in Babylon? They all married to the Babylonian system when they went down in Babylon. What did Ezra and Nehemiah do? Separate that thing.

And if the Church today is waiting to produce Messiah, to bring the Resurrection and take us back into the garden of Eden and Messiah is to come through the Bride, then let me tell you, you watch them try to interbreed into the Church that is going to bring the Promise. Do you get what I'm saying?

That's why in this Message, the promise of this Hour and the things promised in this Bible has to come through this Message, because that's the Bride's Message. And you watch, that's the place—the Serpent went to Eve, Adam's Bride; Nicolaitans went to Jesus' Bride; Balaam went to Jehovah's Bride; false anointed ones are going to come to the last Day Bride. She has to prove she is not like them. They will try to breed in things through the Elect, friends. That is what is going to come.

That's why God's Word calls for a total separation from all unbelief. It has to be revelation, it can't be playing church. It can't be sympathizing. It can't be reasoning. It can't be shallow-minded, you have to be deep in your thinking. You have to be deep in your conviction. You have to be strong in your principles. You have to know what you are doing and why you are doing that, what is the value of that, what is the benefit of that, why you are involved in it; why you are giving time to it, why you make it important. You just can't say, "I believe it and I like it and I'm tied up with it." Why are you in that? What benefit is it to you? Where did that come from? What is the source that came from? You need to know.

You can't just say, "I see the world doing it," because right now, the world is bewitched. I was reading to you this morning; the world is bewitched, by what? Sorcery. And when you take in and you pattern after the world, you are bringing yourself, to open up yourself and come under the influence of the same sorcery that deceived them. Did you get that? That is why worldly people can't be your examples. You can't be in Christ and your example is in the world. Impossible. That's why he that does not have the Spirit of Christ, is none of His. Let the musicians come for me. Oh, brother!

In the Book of Acts, they showed you how they were bewitching the cities. When the Gospel went forth, It went forth by men anointed with the Word, into cities

that were bewitched. And what did Philip preach? Christ! And he began to break the power of that witchcraft that held that city in its grip. Is that right? Paul went into Ephesus and began to preach the Word, and what happened afterwards? The sons of Sceva came and the demons got on them. Is that right? Trying to impersonate without the Word.

Now watch, in Acts 16, when they went into Europe, what was the first thing they met? The spirit of divination, monetary gains. What are all these forms of entertainment, all these forms of religion? What is behind it? Monetary gains. What is all this Televangelism? Account number on the screen, makes you sow your seed of faith, "Become a covenant partner," so and so and so. They want you to support witchcraft, support somebody's perverted lifestyle, some hocus-pocus. He said, *You watch witches and wizards work miracles.*

The people right there even take living with other women, adultery, as a religion, and them same people does signs and wonders.

There is one thing they can't do. There is just one thing that I've never been able to see any witch doctor or anything do. They can perform miracles, like make this rope stand up. They can run through fire, bewitch the fire. And they can do things like that. But they cannot heal the people. That's strange.

He said, "That's strange."

They can put curses on people, and diseases will come on the people. But they can't take the curse off, and heal them.

If Satan could cast out Satan, his kingdom is divided. He can't do it. Jesus said he can't do it. But they could put curses on people. Balaam went up to curse Israel. He was known for his cursing. Listen.

God curses too, you know. Paul told that man, that sorcerer, Elymas the sorcerer, "You child of the Devil, you wicked, you perverted, full of unrighteousness, you

child of the Devil,” he said, “You shall be blind for a season.” The Bible said, “Immediately, a mist of darkness fell upon him, and they had to lead him away.” He was already having the deputy of the region under control, and God sent Paul in to break that thing and bring the deputy to the Word. Watch where that spirit was moving in the realm of politics. Watch where that next spirit was moving in the realm of business, with the woman with the spirit of divination. They were breaking it everywhere it was.

They played on the curiosity of the people, “Let me read your palm for you.” Medium friendly, they say, “I’ll tell you...” They know young girls and young boys always want a mate. All over the Internet, they have, “Christian dating, Christian dating, Christian dating. Find a mate.” Catholics, Protestants, everybody has “Find a mate.” I hope some of you don’t go on that and get trapped in that foolishness. I hope some of you don’t get snared and taken, like the fly, how the spider took the fly.

Because, do you know what happens? He knows at a certain age, that is where the thoughts are, for a mate. And they set that up to lure you and they want to teach you about compatibility, and they want to give you their form to tell your whole life story. And sometimes, somebody is building a database on your life, your gullible life. And you don’t even know and they are tracking all of that personal, sensitive, information out of you, only because you think you are in secret and nobody is seeing you, because you are hidden there and there is nobody in the room with you. But, there are angels all around you, there is a God watching you. And here is a demon trying to snatch you and pull you through that tube and take your life down a road, brother, you don’t even know where that road is leading to, down that pit.

It’s been that way through the Bible time. When Jannes and Jambres withstood Moses, they could bring

sores and boils, but they couldn't take them off. They could bring flies and lice, but they couldn't take it away. For, the Lord is the One Who heals the sick. They can dance in the spirit, I've seen them a many time. They can have all kinds of maneuvers, but they cannot heal the sick, or they cannot live a Christian life. That's one thing they can't do.

And so it becomes an individual affair, with every man and every woman. As we see all these false things. And the Bible said, that, "The two spirits would be so close, in the last days..."

So, can you see, friends? I had some things here which, I wouldn't go into it. But how this man's wife; "Occult in the British Government", first lady, Cherie Blair, they see her in all these types of indulgences and pagan rituals that resemble freemason rights. Bill Clinton and Hillary Clinton, she was talking about how she talks with Eleanor Roosevelt and Mahatma Gandhi. He wants to talk to Thomas Jefferson – his name is William Jefferson. They named him after him. So, they go and they meet the occult, so they could contact the dead and talk to the dead, which they can, they can do that. Not a Christian, the dead. They can talk to them; the witch of Endor all over again. All of these things are in the Bible, friends.

How did it come up in the last days? All this set of tattoos. Everybody wants tattoos. Everybody wants earrings, until earrings have become second-class, now. Now, it's body piercing, all here [Bro. Vin points on the eyebrows. – Ed.], their lips, their noses, their tongues, their navels. And you are seeing all those pretty, nice women in it and they are wearing those special clothes to show their tattoos, show the things on their navels and it is looking so nice to all of those young girls. It looks so happy and so hip. And that is the thing they are putting in the papers, that is the thing that is getting the attention and when they have their movies and things, that is the thing they are highlighting there.

The Bible tells you, "This is the temple of God and you shall not put any tattoo on your body. And you shall not cut and pierce your body." That is part of all the rituals and worship those children of Baal, all of them were doing. But it comes as fashion. When it comes, it comes as a fashion. It comes as something, as a new trend and you recognize the trendsetters by these trends that they could advertise and display. And they have you mesmerized when you don't have the Holy Ghost, when you have worldly friends and it begins to look attractive to you and you kind of say, "Well, I can't wear one, but I will take my pen," and you are going to draw things in your hand with the pen because you want to see how it looks on you too. And you are being seduced. A seed wants to be planted inside of you, to open you up to an unclean spirit, to take you into the occult, because that is where it is going. It is going into the worship of the Devil, that is where it is going, because it is a Satanic spirit behind those things.

They said, President Reagan and Nancy Reagan, (you know I preached on that, some years ago, it was all in the *TIME* magazine and everywhere,) they said how these people when they had to sign the arms deal, certain treaties, when he had to go for his inauguration, they sat there in the White House and this witch who was studying the stars said, "You can't do that today." When he had to get a vice president, they had seven men and they went through the seven astrological charts and they selected George Bush, the father, to be Reagan's vice President. When he had to sign the deal with the Russians, they said this had to be signed at a certain hour, when the stars were in a certain place. Every move, what he had to wear, what he had to do, whether to have this; the most powerful office in the world. And he was calling the Russians the evil empire. And they were the Christian nation. Do you get what I'm saying?

Then, when Clinton and they came, they did what they called ‘channeling’. The Bible called it ‘necromancy’. That is the new, scientific word, ‘channeling’. You sit down there and you kind of start to call up your father, ancestral spirits, and you start to commune with them.

You say, “I’m going through pressure here.”

The father would say, “Well, take it easy. You know, I raised you to be strong. In times like this, don’t forget to read your Sixth and Seventh book of Moses that I left for you and don’t forget to...”

They said you could empty Reagan’s pockets at any time and find five lucky guards. They have this special lapel thing, special things in their pockets, special things under their clothes, special things for protection. You see all of those sportspeople have it, you see all of those politicians; they always have all kinds of things on them. They have Yesenia Adams, (is it Gonzalez or Adams, which is she?) Gonzalez [Yesenia Gonzalez, psychic -Ed.], the Venezuelan woman, who spins up all the people’s heads here; every year she is predicting. Then, they had this next one, Harribance [Sean Lalsingh Harribance -Ed.], he used to come over – a psychic; normal. The Government, big business people sit down with them.

The Prophet said, “If you know how many people used to be in my house, these senators and they, coming to find out what to do and different things.” Because to them, they heard he was a Prophet, but they probably thought that he was a good fortune-teller himself. He goes into this trance and says, “I see you here.” And says, “What did I just say there? I don’t know what I just said there. And since we didn’t tape it, I can’t tell you what I just said there. But whatever I told you, that is true.”

They said, “What? Channeling, boy. A spirit came into this man and he is talking things.” But they don’t know, they are not trained in the Word.

When he used to be a hermit by himself, he said, “In Canada, they started a rumor that Bro. Branham was a homosexual. He is an isolationist. He is against women. Those women are afraid to go around him. He is blasting left and right. He is always by himself somewhere. He is a homosexual.” They started to spread rumours. Read *The Revelation of Jesus Christ* series, [1961-0618 Revelation, Chapter Five #2 -Ed.] I am not making these things up. All of those things he had to face because of a carnal Christian church world, Laodicea, full of superstition, knows nothing about God; blind, wretched, naked, miserable, and don't know it. They have more creeds and dogmas than they know the Bible; prayer books, saints book, that book, but they know nothing about the Bible. They know their church manual and what their church believes.

But God has brought the Word back to us. Do not be ashamed of the Gospel. This is the power of God unto Salvation. This is the Living Truth. Do you know why? The same thing that God fought the religion of Nimrod with back there, when Shem and they stood up, with that true revelation of the one true God, that same revelation has come back to the Church in the last days, because that religion of Nimrod is still here. It is so powerful, it is so organized. And they have ways beyond what they had back there at the beginning of the postdiluvian world, to spread the Gospel. Today, we have television, we have Internet, we have satellite, we have so many different ways to do things.

Today, everything is a theatre. It is pageantry; show it is nice, it is exciting. They get the music to play it up and everything else. And they make all of these things look harmless, and they make it enjoyable and they make it normal.

And what they have done and are successful in, they broke down your convictions, they broke down your principles. They made you a compromiser, where you no longer know, “Well, if they want it, they want it. Well,

you can't be against people, everybody has their own rights and their own preferences." And the educational system teaches you to think that way. So you respect everybody's view and you don't criticize anything. It sounds good until it starts to happen to one of your children. And you'll say, "Go on, son. That is your lifestyle. Go ahead. Darling, well if you are happier that way and that is your partner, well, at least the law of the land gives you rights to do it. So, go ahead, nobody can criticize you. And if they criticize you, they will lock them up because that is a hate crime."

How did the world get so; when it is most educated; when we have the biggest universities; when we are sending man to the moon and going to Mars? How did the world get like that? Deception. Never underestimate the power of the Devil to deceive.

Let's stand to our feet. Oh God, friends, it is evil. When the Bible said, "Gross darkness," you get an idea of what the darkness is. When the Bible said, "She bewitched," in other words, by her witchcraft she creates the whole world to be a place of superstition, of witchcraft, of tradition. Every religion is creeds and dogmas, ideas of men, modern ideas, rituals, until you can hardly find the Truth. People know more superstition, more ritual, more tradition than they know the Truth. And the author behind this is the father of the lie; the father of the lie. He has seduced the whole world by the lie, and the people in the last days, they prefer the lie than the Truth. They cast the Truth out and they exalt the lie.

"Come out of her My people. Come out of all of these superstitions." Let the Word—take the Word into your heart. Let It wash you. Let It wash your thinking. Don't think that *this* is craziness. I'm sure that *this* is clear. I'm sure you can find everything I said in the Bible.

And then, the things that you thought were ancient things in the Bible, they have 'talking to the dead' today. Benny Hinn said, "Ever so often, I go down to Kathryn

Kuhlman's grave and talk to Kathryn." Because she was the one who kind of inspired him in the ministry. He said, "And then, I go to Aimee's own too," Aimee Semple McPherson. You will be familiar with that name. It is all through the Message; Angelus Temple, California. That woman lived a perverted life; one minute she was preaching, the next minute, she was on the beach with a lot of men and all kinds of different things, a big Pentecostal woman.

He said, "I felt such a powerful anointing," he shook. He said, "This old man came to me the other day, blue eyes, old man, tall, about six feet two."

He said, "Jesus said, 'Elijah', you look like Elijah."

He said, "Do you think you've heard anything? You will hear things that will make your head spin." He said, "Things that you never heard in the church for the last fifty years," and all kinds of inventions. Brother, he can tell those people to walk on their heads right now, and they will walk on their heads; bewitched. In his office, there is a picture with him and the Pope, and a picture with him and President Bush. They have made it. They met the big witches, the big wizards. They have come up to the level where angelic beings associate together, of that kingdom. Which kingdom do you belong to today?

If you have not made a decision, if you are still in the world hanging back in that kingdom, if there is something that moves you and draws you to this place today, where the Light could shine and uncover the things that you see and confuse you and you misunderstand, how could this be, how could that be; I read for you, she deceived the whole world by her sorceries, by her witchcrafts. She deceived them by cities, in the old days, but God had a true Church going through those cities, breaking that spirit and delivering the ones that were part of that system. He is still doing that today, wherever He finds those that are bound in that superstition, bound in that tradition, seduced by that lying spirit, being taken into fables.

In the last days, they will have what? Doctrines of devils, have itching ears, will turn unto fables, not giving heed to sound Doctrine. Exactly. And where are they hearing these fables? Where are they getting all of these things? In the church. They are hearing it in the church. Man is preaching over the pulpit as though it is the Word of God. Man is bringing them down to the altar and shaking them, "Say, hallelujah, hallelujah, hallelujah, hallelujah," trying to push them into a gift and open them up to an evil spirit. Man is trying to make them go on a sensation. And so many people have opened themselves to spirits and are influenced by diabolical spirits.

But friends, you want to know that you, in your heart, you want to be a temple of the Holy Spirit. Spirits are pressing in the earth, right now, to enter into man, because the Devil is powerless until he could get a body. Right now, demons are hunting bodies because demons have been loosed and they need a body.

And when they come and by legislation and all these things, they loose those demons and bring them out of their closets and those spirits begin to move, they are hunting people, young men and young women. That is why you are seeing the increase in the world of the sin and the sex and the promiscuity. And everywhere you turn is filth and debauchery. And it is going to continue to get worse and worse and worse until the atomic bomb cleans the earth, friends.

If you feel the Holy Spirit has been drawing you, today, if you hear His voice, harden not your heart, because, "My Spirit shall not always strive with man." Because no man could come except God first draws you, and before that judgment could fall, God has to withdraw. And the reason the world is getting worse is because God is withdrawing. He is gradually withdrawing, because the Elect is about called. The last ones and twos, when God gets them, that is it, friends. When God gets them, that is it.

Forty years on the earth, we have been under the Message here. 2005, a generation has passed; from 1965, the going away of the Prophet, forty years, look and see the things that are happening in the earth. I trust He gives you understanding.

Let's bow our hearts for prayer. We would like to call Bro. Sanchez to come.

I trust today that this Word is sinking down in your heart. You see it, you get into this realization of how the world is changing around us, the kind of world it is becoming. The Bride has to be called out, completely separated from these things, friends. Make your decision today, by the grace of God. Turn your back on sin. Lay aside every weight of it and draw near to God, by God's grace.

[Bro. Sanchez prays. -Ed.]

The Prophet said, "Men were under the control of devils, yet no one seemed to realize it." He said, "Have you been able to capitalize upon the invasion in these last days; false and wicked spirits that have infiltrated the Message?" He said, "This revival is not immune from it also," that even right under this last Day move, that same demon power is moving, friends. May God give you grace.

How many are going to be a real soldier, buckle on the armor tight, (amen,) and stand against the evil, (amen,) to be a witness in this Hour? *Be strong in the Lord, be empowered, and through your union with Him draw your strength. Put on the armor.* This is a time of great warfare, friends, and the Word is mighty to the pulling down of strongholds.

And to you, you might have escaped the carnival, you might have come on the land here and said, "I have escaped the carnival." Don't get your foot tangled in all these kinds of nonsense, this pagan idolatry, and promiscuity that Valentine is. If you bought a Valentine's card, tear it up and flush it down the toilet. If you bought some Valentine's gift, you wasted your

money. Throw it in the dustbin, and say, "Lord, forgive me, I spent my money badly." These things are made, anointed with the witchcraft and put out there and then you pen it around to one another with some lie from the bottomless pit. That's right.

Do you know what that used to be? That used to be an old pagan superstition that they had where they used to kill this sheep, I think it was, and they used to put all this blood in a basin, then they dipped the fleece in it and different men would take it and run down these girls and throw it on them. And the one that they contacted, that was the one they lived with for the year and became a kind of protector.

Then they tried to polish it up and the Catholic church picked it up and kind of refined it like they always do and then they tried to put names of saints inside of it, so you draw that saint and you try to emulate that saint. After a while, they realized they took the joy and the excitement out of it, so they went back to the old thing.

In this day, when they got older, do you know what it is? The Prophet said they go in a city, they take a hat, all those men put their keys inside it and those women go now and they pull out a key and which key they pull out, that is their wife they live with for the night. These things are rooted in sin and fornication and idolatry, what these things are rooted in, friends. That is the spirit behind these things, it's diabolical from the pit of hell. Get your thinking filtered out of that.

God gave you a right mate, you treat them nice, you tell them something nice. You don't need a Catholic tradition; Isaac and Rebekah didn't have any Catholic tradition, Boaz and Ruth didn't have any Catholic tradition, friends. Let's go in the Bible, find it in the Bible and work with what is in the Bible. Leave Rome's things for Romans. Amen. Leave the Bride's things for the Bride. Amen? By the grace of God.

You don't mix it, we don't want hybrid religion. You don't need Jezebel, that whore, to tell you how to love a mate. You don't need the Serpent to come and tell you how to treat a woman a certain way, you don't need that. Jesus Christ tells you how to treat the Bride. Just read Ephesians 5, you'll know how. Amen. Leave Rome's things for Romans, friends. *Be strong...* Would you take my advice? [Congregation says, "Amen." -Ed.] Praise God. God bless you. Amen. We have a baptism coming up.

[#519 - Songs That Live. -Ed.]

... through your union with Him

Draw all your strength,

Put on now and stand in this Hour. Be counted, take your stand for the Word, be an overcomer and God bless you.

[Congregation continues to worship. -Ed.]
