... purged and born again
So rejoice that in our Day, the price
for freedom has been paid.
Who the Son has set free
Is free indeed.
Amen.

Our name is something different now.
... something different...
Our life is not our own,
Oh, we're united with Jesus Christ,
And Jesus Christ alone,
And there's no man can take His place,
Oh, there's no church we'll have to face,
Because the Voice of God is speaking
now through us.

Oh, do you believe it? Then we are free.
Like the eagles in the sky
...in the sky
We are free
So spread your wings and fly
Don't look back, don't turn around,
To Christ we're Heaven bound,
And who the Son has set free,
Is free indeed.
Amen. Don't look back...

*Don't look back, don't turn around,
To Christ we're Heaven bound
Who the Son has set free
Is free indeed.*

Hallelujah. Let us just bow our hearts, all around the building, all on the outside, all in the rooms, everywhere. We heard the emancipation proclamation. We heard a Jubilee Trumpet sounding 'freedom' at the end of this Seventh Age, this great baptism of the Holy Spirit coming to the Church in these last days. Seven Thunders are uttering their Voices calling us out of the walled systems to return back to the place of our origin: back to our Family; back to our inheritance. Blessed be His wonderful Name.

God, in Mystery in the Bible, in shadow and type gave these laws of Redemption, but how in these last days, all these things have become living realities. Thank You, Jesus.

Our gracious Father, standing here in Your house today, standing, oh God, in this great Light that has shone forth, out of darkness It shone into our hearts, to give us the Light of the knowledge of the glory of God in the face of Jesus Christ. Standing there having this treasure in our earthen vessel, oh God, to know that we are part of the great ransomed Church of God that is saved to sin no more; part of the redeemed, oh God.

When this great Angel that has descended from Heaven, Whose Glory lightened the earth, crying out, "Come out of her My people," oh God, all the powers of darkness, all the chains of darkness that had us bound and enslaved, fell off of us, Lord. This great acceptable year when the prison doors have been opened, because the Son of Man is standing in the last days proclaiming liberty, proclaiming freedom and restoration; proclaiming release and return back to our inheritance. And here we are, a people who have been released, and who are returning, oh God, coming back Lord God, to

be fully restored to all that was ours in the beginning; coming back to enter into this great Rest.

We thank You today, Father, that as this great work of the Holy Spirit is taking place in our hearts and in our lives, God, we can shout Your praises, we can come into Your Presence with joyful lips, we can come, oh God, and sing of this great experience, we can come, oh God, and testify of Your prophesied promises being made personalized in our hearts and our lives.

When we see this world is again falling apart, when we see all nature is in travail like a woman, oh God, about to deliver, groaning and travailing, oh God, waiting for the manifestation of the sons of God, and here, dear God, when we see the sons of God rising up in this Hour, coming into manifestation as this great revelation of the Holy Spirit, Lord, put this Title Deed back into our hearts, this great Secret that was in the back-part of Your Mind, oh God, being released, dear God, in the form of the Mysteries, (hallelujah!) the Seven-sealed Book, that we can take It and eat It, oh God, we thank You, Father.

Oh gracious Holy Spirit, how we pray today, Father, that as we will sit under the influence of Your Word, that the Spirit of wisdom and revelation in the knowledge of Jesus Christ, will continue, oh God, to have Its quickening effect in our hearts, and in our lives, as You write these things, dear God, You said no longer on tables of stone but in the fleshly tables in our hearts, hallelujah; Lord, that this is the Covenant that You would make with Your people: You will write Your Laws in their hearts and in their minds and no one will have to say know the Lord, because this is the Day of the knowing, the knowing after union, oh God; this is the Day of the revelation, oh God. Hallelujah. All that have this, Lord, will know the Lord, for You said, "In that Day you will know I in you and you in Me," oh God, "you shall know as you were known; you will see face to face

when that which is Perfect is come. And God, we know that this is that Hour, Father.

And I pray, oh God, that You will anoint their eyes with Eyesalve, (hallelujah,) that Lord, as we look into the perfect law of liberty, we can see this great reflection reflecting back out, and every trace of amnesia, oh God, being obliterated that Your people, oh God, can stand, Father, oh God, knowing where we were, oh God, before we came into this body, oh God, and where we will be, Father, when this body is changed, and if some will have to go even before that time, Lord, where they would go to, Father.

We thank You, Lord, that this, which man wondered at down through these years, probing, trying to find out, Lord, the Devil deceiving so many with reincarnation and all these different things, dear God, Father, taking them into 'soul sleeping', and man wondering and trying to find out: "Where were we before we came into this body? Are we just a body with a spirit or what will we be when we leave this life?"

But, oh God, You have come down in this Day, Father, and You ripped the Seals off of the Book, oh God, and the greatest Light that ever shone, shone into our hearts to give us the Light of the knowledge of this Glory, oh God, that we can see our preexistence, we can see our earthly journey, we can see our eternal destination in this great Age of the Rapture, oh God, when a man doesn't have to die to go into Heaven and a man doesn't have to die to go into Hell. Hallelujah. Because he said, "We who are alive and remain shall be changed in a moment, in a twinkle of an eye" and we will change dimensions. Oh God, "We will be caught up to meet the Lord in the air." Hallelujah.

And those, oh God, who have already been struck with the last plague, spiritual death in their souls, because You said, "The soul that sinneth shall surely die," and oh God, they have crossed that line between mercy and judgment, and even while they are alive in

their bodies, oh God, drifting aimlessly, trapped, rejected the Holy Spirit, coming to the unpardonable sin, the sin unto death, and is delivered unto chains of darkness, oh God, could never hear it anymore, no matter how much it is proclaimed. Like it was in the seventh-year release when that slave refused to go out, they took them to the door and they bore their ear.

When we see the world in this condition, Father, people, oh God, with all this body piercing, and all this body tattooing, and all these kind of different things looking, oh God, in this hideous condition: putting metal in their tongue, in their eyelids, in their navel, Lord God, defiling the very temple of God; all kinds of satanic images being engraved all over their bodies, oh God, their souls filled with demon power, oh God, people who once, Lord, used to be in church, people who once used to gather in Your Presence but, oh God, we see how they have been deformed into such a hideous condition, going into insanity. The whole world, not even knowing it, thinking it is fashion; thinking it is the latest trend.

God, I pray that Your grace will be so powerful here, today, that Lord Jesus, Your hand that is not short will reach down and pull everyone, oh God, to safety. Those that are not yet under the Blood, let the Holy Spirit, Lord, strike that Word into their heart with such conviction; let the Holy Spirit give such revelation and wake them up, oh God, from that slumber, that drunken stupor. For You said, "The world will be snared and brought into a place of drunkenness and surfeiting, and that day will come upon them as a snare when that trap is sprung shut" – souls that are in prison.

Oh God, but while Your Holy Spirit, Lord, is hunting out those names that are written in the Lamb's Book of Life, looking for those last ones and twos, Lord, that might still be drifting around, oh God, Satan trying to pervert their thirst, confused in their mind, God, not knowing where they are, and what influence is upon

this world, and how late the Hour is, but You, by Your grace, let them come into a place like this, oh God, where the Trumpet could give a certain sound, where Seven Thunders can wake them up, oh God, to recognize their Day and to recognize their Message. May You grant it, Father.

You said, "You shall know the Truth and the Truth shall make you free." If you walk in the Light, as You are in the Light, the Blood of His Son cleanseth you from all sin. And that can take place, God, in a matter of seconds, when You can get that heart right, and the Holy Spirit can come down and deliver that one, dear God; they who came in dead can go back out alive, who came in lost can go back out saved; who came in blind can go back out seeing. That is Your grace, Lord. It happened to the woman at the well. It happened to Zacchaeus and blind Bartimeus and them. You are still the same Jesus. We ask, oh God, that it will be like that today, Father. You will make it so real and so clear in every heart. We will not fail to give You honor and glory.

Lord, once again we ask, oh God, for our brothers and sisters. Hearing, oh God, how Guyana is going deeper and deeper underwater, and it is such a threat now to the capital. Oh God, may Your Holy Spirit be mindful of Your children, Lord, oh God, in that land, Father. I pray that the Holy Spirit, Lord, would be the standard. God, Your Word will be real where the Elect is gathered. Cause Your servants, oh God, to be quickened, that they can bring the grace to the people that can take away all fears and doubts, and bring Your Presence real among the people, Father. They can look up and lift up their heads knowing their Redemption draweth nigh; knowing we serve a God Who can give faith to master every circumstance. You said, "Though you go through the floods, it will not drown you. Though you go through the fire, it will not burn you." Oh God, You are a God Who makes Your promise sure to every seed. We pray, so it would be with them, Father.

The rest of the children out in the region, we ask that You watch over them, You keep them under the influence of Your Word, oh God, and You strengthen them. Remember our brothers in St. Vincent there: Bro. Elijah and the brothers, Lord. Send the Word strong, Lord, and keep the church unified. Keep them in step with the Holy Spirit.

Lord, out in St. Kitts remember them, dear God. Our sisters and our brother are gathered there, Lord, that the Holy Spirit will comfort them, and keep them in step with Your Word, oh God. Drive away all flusterations and all fears. Let their hearts be anchored into Your Word, oh God, cause their eyes to be anointed. May they be steadfast in the faith.

Those out in Dominica, oh God, we pray that Your Holy Spirit, Lord, will watch over them. God, You will be a hedge round about them, Lord, that the Holy Spirit, Lord, will keep them sensitive to Your will, oh God; they will not get out of step. May You grant it, Lord.

Lord, those out in Grenada, Father, and Tobago, may You help them, dear God, in the Name of Jesus Christ. Lord, we pray that You will be mindful, oh God, to keep them, Lord, under the influence of Your Word, keep them in remembrance of the instructions of the Holy Spirit; mixing the Word with faith that it might profit them much. May You grant it, Lord.

God, and we here today, even the strangers and the visitors within our gates, we pray, dear God, that You would bless them. Coming in here would be an experience for them, oh God, they will not leave the same way that they came in. Oh God, may Your Holy Spirit seek out the hungry in heart. You said, "Blessed are they that hunger and thirst after righteousness, they shall be filled." Grant it, Lord.

We commit ourselves and this service into Your hands now. Get honor and glory, Father. Lead and direct us according to Your Divine and perfect will, in the Name of Jesus Christ, we pray, amen.

God richly bless you. We want to greet you this morning, and all of you who are out in the islands, in the precious, beloved Name of the Lord Jesus Christ. The household of faith, (amen,) and God's children around the world, may God bless them.

We are living in the last days. Brother, even the unbeliever can see that. Fear is striking many hearts to know that the Hour is late. We are seeing disasters everywhere. We are seeing the global ecological crisis. Years ago, sixteen years ago, God had been warning the people about these things; opened up the Seven Trumpets, showing the End Time signs; the world, what is going to happen – nature will take that tumble; exactly how it was coming in. And how much greater it is sixteen years after when we see these things happening, friends. Amen.

But the Holy Spirit is still mindful of His children, keeping us in step; keeping us looking up. *A Woman In Travail* [2004-1229 -Ed.], *As A Woman That Travaieth* [2005-0107 -Ed.], still echoing that Word in our hearts. Be sensitive. You are a believer; you who know that this Age has not been without a witness. Because the greatest Light that has ever shone, since creation, has shone and is shining in this Hour. Do you believe that? Amen. If you are a believer, you ought to know that.

I would like to invite your attention to the Book of Revelation. I would like to take my Scriptures, that I will begin with, out of there today. I will begin in Revelation 14. This Book of Revelation, we want to be mindful when we are reading. When we are reading out of Revelation, I want you to be conscious that Revelation 14 is in a very specific place, where it is located in the Book of Revelation. It is between the Trumpets and the Vials. It is an interval there.

And in Chapter 12, God showed way back into Eternity, when that war took place, the fall of Lucifer back in Heaven. And Revelation 13 shows what is happening on the earth in this very Hour, how there are

two beasts: one came out of the earth; one came out of the sea. The one that came out of the sea came out first; the one that came out of the earth came out after, and how that beast that came out of the earth, will speak with the voice of the Dragon. Amen. The first Beast is Rome, and the next beast is the United States of America.

And so, we believe that those two nations, those two powers are going to influence the whole world as prophesied. We have been taught these things, we have been established in these things, but I am just referring to it to kind of lay the setting.

Revelation 14, we want to look at from verse 6 here because this is three angels sounding. Revelation 14, following Revelation 12 and 13.

⁶ And I saw another angel fly in the midst of heaven, having the everlasting gospel to preach unto them that dwell on the earth...

And we are living on the earth; we are part of that group. We are not living on Mars or Pluto or Jupiter; we are living on the earth.

... and to every nation...

We are a nation. We have our own flag: red, white and black. We have our own watchwords: Discipline Tolerance and Production. We are a Republic. We are part of the Caribbean. Amen. We are a very renowned nation, as small as we are. That's right. In cricket, we have the best batsman in the whole world; he broke all the records. [Brian Lara -Ed.] We are the third largest producer of natural gas in the world. That's right. We have oil and gas.

We have the latest invention of the musical instrument – the steelpan. That has proven to be the latest invention that they have of a musical instrument that has been invented, right here. We have one of the highest crime rates in the world, according to the ratio. They had us as the highest with kidnapping, recently. That's right. We have one of the most sinful things that

we call ‘culture’, here, that is about to be put on display, that is going to attract people from all over the world – the Carnival – ‘Festival of flesh’. That’s right. So, we are a very unique place. Amen.

We have one of the greatest churches here upon the face of the earth. That’s right. Believers have come out to believe the Full Word. And out of this little place, the Word went around the world. That’s right. This is a unique place. So, we are right inside of here.

... them that dwell on the earth, and to every nation [we are a nation], and kindred, and tongue, and people,

And you can know a ‘Trini’ [Abbreviation for Trinidadian –Ed.] accent anywhere, plus inside this church, we have our own language that is unique in the world. That’s right. We have our own language inside of here that is unique in the world.

⁷ Saying with a loud voice, Fear God, and give glory to him; for the hour of his judgment is come: and worship him that made heaven, and earth, and the sea, and the fountains of waters.

Why is worshipping Him connected to the Hour of His judgment, when this Everlasting Gospel is going forth to all them that dwell on the earth: every nation and kindred and tongue? Why? Because in this Hour, all whose names are not written in the Lamb’s Book of Life will worship the Beast. In this Hour the man of sin will be exalted, and the god of this evil Age is the most worshipped person in this Hour. So notice, together with the judgment, it is a warning, the Everlasting Gospel, warning the people:

... worship him that made heaven, and earth, and the seas, and the fountains of waters.

Worship the God of Genesis 1 Who said, “Let there be light.” St. John 1 says, “The worlds were made by Him and without Him there was not anything made that was

made.” That is the Lord Jesus Christ! Him only thou shall worship and serve. And that one God only has one provided place of worship, and that one place of worship is under the Blood. Amen.

⁸ And there followed another angel, saying, Babylon is fallen, is fallen, that great city, because she [hath] made all nations drink of the wine of the wrath of her fornication.

That is why the nation is not worshipping God. Her wine, her fornication, is her false doctrine that she has made all nations to drink. And that is why all nations are not worshipping the one true and Living God; they are caught in a false worship. Because Babylon in the beginning of the Bible, is where satanic religion had its origin. That is where they went into apostasy, and got away from the one God.

When Noah came out of the ark and God started over the world, there was one God and that was the God of creation Who had drowned the science civilization and brought them back because they had corrupted this earth. And then they had some defectors who got away from that Truth. That’s right. They went out and they started another religion. That’s right. Watch.

⁹ And the third angel followed them, saying with a loud voice, If any man worship the beast...

It came back to worship again.

... and his image...

Because what did all that false worship and false doctrine do? Produce the Beast and the image? But what is Revelation 13? The Beast and the image. The Beast and the image. Revelation 12, there was a Beast in Heaven who said, “I will be like God.” Revelation 13, that Beast is on the earth sitting in flesh. That’s right. He achieved his desire, and he has the whole world drunken, and he has the whole world under him. But

Revelation 14, there is a Voice pronouncing judgment upon that system, and calling out, and warning. Amen.

... [that] *third angel followed them, saying with a loud voice, If any man worship the beast and his image, and receive his mark in his forehead, or in his hand,*

¹⁰ The same shall drink of the wine of the wrath of God, which is poured out without mixture into the cup of his indignation; and he shall be tormented with fire and brimstone in the presence of the holy angels, and in the presence of the Lamb:

And that is the Lamb Who died on Calvary – that nice, meek, Lamb that John said, “Behold the Lamb of God that taketh away the sins of the world”; that nice, meek Lamb that they spat on and reviled, and who was dumb before His shearers like a lamb who opened not His mouth; that Lamb Who said, “The Father seeketh such to worship Him in Spirit and in Truth”; that Lamb Who told them, in vain do they worship Him in their man-made systems. All who don’t worship that Lamb, and worship the Beast, will be tormented with fire and brimstone forever and ever, until they are totally annihilated in a lake of fire.

This is the strongest Message of warning and judgment in the entire Bible – that Third Angel’s Message. That is this Message, friends. That is this Message! Because this is the Age of apostasy, when Christ is on the outside of the church and Satan is exalted in the churches. Creed and dogma is lifted up above the Word. And the people love their false religion. Think of it.

He said, watch:

¹¹ And the smoke of their torment ascendeth up for ever and ever: and they have no rest day nor night, who worship the beast and his image, and whosoever receiveth the mark of his name.

Friends, this is not a love Gospel. This is the Hour of judgment. The Love of God has been expressed for Seven Church Ages, and man has turned it down. And then God has come down and is taking His Elect out, because the wrath of the Lamb is to be poured out.

We have had the Salvation of the Lamb, and for Seven Church Ages, in every Age, was covered by Blood, and every Age, man had the privilege to accept and reject. And in this last Age, He was found outside the church, because they actually, consciously, deliberately said, "We will not have Him rule over us." And they have rejected Jesus Christ.

'Apostasy' is not just like being deceived; it is a deliberate, willful rejection of the revealed vindicated Truth. There was coming such a day that the world will come into such a condition.

In 1963 friends, (this is the year 2005,) they were indicted for this very thing. Understand the Scriptures. When you see the world falling apart, and all these disasters, and all these things, this didn't come upon the people unawares; this is coming now, because the Truth has gone forth. This is coming upon all the world, because the Message has gone into the world. Do you understand that? This must come. It must be so, because God cannot lie. And God has long-suffered, and God's children who understand the Hour are crying, "Even so, come Lord Jesus. Even so, come Lord Jesus."

¹² Here is the patience of the saints: here are they that keep the commandments of God, and the faith of Jesus [Christ].

May the Lord bless the reading of His Word! You may have your seats.

I would like to read a little more; go on and read a little more, and I would like to turn over now into Revelation 17. Revelation 17. This Book of Revelation is a Book of symbols, and I am going to try to be a little slow this morning; take my time and try to explain some

of these things down to you. God help me to do it. That's what I want to do in my heart.

Because as these things become more and more visible in the earth now, and more and more identified, how the church needs to understand what is happening. Because you cannot be made ready and you cannot have the expectation to leave, if you are not really certain; there will always be a deliberation in your mind, and that will lead to a state of unpreparedness.

But if the good man had known the hour the thief would come, he would be up watching. Watch therefore; be ready; He will come in an hour when you think not. And so, Jesus warned about preparedness, alertness: "Be vigilant. Be watchful; the Devil is like a roaring lion trying to devour whom he may." It is an Age of deception. The god of this evil Age has blinded the minds of the people. It is the spirit of this Age.

Could you imagine, look what we are doing... All around us, countries are being destroyed; disasters are in the world everywhere. Look what we are getting ready for in this island – the greatest bit of revelry, the greatest bit of nakedness. Do you understand what I am saying? Sex, promiscuity, nakedness, drunkenness, revelry, paganism, is what we are getting ready for and we call it 'culture' because it is a big show.

And all on the airwaves, and all out in the 'tents' [venues where calypsonians perform -Ed.] that they erected and are then moving it across the nation to blanket the whole nation with this atmosphere, the anointed ones come out to sing and tell jokes and everything and desensitize the people to destruction, and judgment, and blind them, and deafen them, and take it out of their memory of all the disasters going on in the world, and put them in a spirit of drunkenness, and a false sense of security.

I want to continue with my title that I was taking for the last three services, **"THE REALIZATION OF THIS INSANE AGE PT.4"**, and I was speaking for a subject on *Hunted And Captured And Caged In The Prison*

House, and I want to take for a little subject this morning, **“The Increasing Desensitization Of The Laodicean Age”**. *The Increasing Desensitization Of The Laodicean Age*.

Satan is desensitizing the people. He is breaking down their awareness. He is putting them in a kind of lukewarm spirit. He is kind of making them in a kind of ‘free for all’, where they are becoming over-indulgent in everything, and there is no sensitiveness to danger, and evil, and death, and judgment, and what condition they are in. He is desensitizing them through the media, through movies, through television; through shows. Through these things, he is desensitizing the people.

That is why the Bible said, “As it was in the days of Noah, they ate, they drank, they married, they built and everything, and they knew it not when the floods came and took them all away. [St. Matthew 24:37-39 -Ed.] And as it was in the days of Sodom, they ate and built, and drank, and planted, and everything, and knew it not until fire and brimstone fell from Heaven and destroyed them. And so shall it be in this Day.” [St. Luke 17:28-30 -Ed.] And he said, in this Day it will come upon you unawares. And the whole world will be caught in, what? Surfeiting and drunkenness and all these things. And that day will come upon them like a snare.

Even when they say, “Peace, peace,” sudden destruction is going to come. And this is the Day, they are saying, “Peace and safety.” They are trying to achieve a global peace and then they are trying to bring a secure world against terrorism. Those are the two watchwords. And the Bible in 1st Thessalonians 5 tells you, “When they begin to say, ‘Peace and safety.’” So, it is not just a random statement; that is the thing upon the nations, ‘Peace and safety’.

They have sensitized the people: “Oh, there are terrorists out there.” God is trying to sensitize them: “The last sign has already come and been shown, and the churches are being given over to a reprobate mind.”

But Satan desensitized them from that, and sensitized them to give up their liberties for security. “There is a terrorist there. There is something over there. Maybe one of those nations with nuclear power has a missile aimed at us,” and they put that fear upon the whole world – “Weapons of mass destruction.” But brother, it is only going to destroy the same ones who invented it and the people who support those things. Because God doesn’t destroy anything; man destroys his own self by his own wisdom.

There are two trees: the ‘Tree’ of knowledge and the Tree of Life. God said, “The day you eat of that other ‘Tree’, you shall surely die.” From the very beginning, death comes by that ‘Tree’. Death doesn’t come by the other Tree; death comes by that ‘Tree’. But man has a choice, what they want to live by. So, man lives by worldly wisdom, and they shut God out.

That is why the warning here was, what? Worship God. God Who did, what? Created. They were worshipping a god who perverted. They were worshipping a god who perverted. The god of this evil Age, he only perverts, he can’t create. But he said, “Worship God Who created.” Because only one Person can create – that is God. Satan can’t create anything.

He takes God’s creation and he brings out a motorcar and he mystifies a man. He takes God’s creation, and he brings out a plane and he mystifies a man. He takes God’s creation and he brings out all kinds of weapons and all kinds of bombs and different things. Boy, and fire comes from heaven and destroys a city and they say, “My, that is power!” He takes God’s creation and they make all kinds of fashion to put women in nakedness and dress them out there and make them lust; all their technology and science. He is using material that God made, because he can’t create. He uses God’s iron, he uses God’s brass, he uses God’s oil; he uses God’s different things that God put in the earth. But what does he do with it? Make more death. Make more death.

Because God didn't intend for this kind of civilization. God didn't create this kind... In Genesis, in the Garden of Eden, didn't have this kind of world. Did you get that? That is why this world will pass away. This world will pass away. Like in the days of Noah, God passed away that civilization. Why? They corrupted the original thing.

Look at them today: they are cloning animals, they are hybridizing the food, they hybridize the church, they hybridize the people. That's right. And anything that you hybridize, dies. God said, "Let every seed bring forth after its own kind." But man came and mixed this and it brought forth something and it dies; it can't reproduce back itself; man with their own wisdom. What a time, friends! What a time!

Revelation 17, let us just read a little bit; kind of settle down a little bit. There are two Books that the Devil hates. Do you know that? Genesis and Revelation. Why? Because both expose his evil ways, his plan of deceit, It uncovers his scheme, It shows his destruction in the last days. And that is why man... He has the church world only finding the 'prosperity Scriptures', but not the 'judgment of the world Scriptures'; not the 'destruction of the world Scriptures'.

What has he done? Desensitized them to judgment; desensitized them to the evil Age and how he is working to manipulate them. He has desensitized them to this. He has broken down their awareness. They don't realize that he has put them in a false church world, thinking they are serving God, but they are only in a man-made form of system to satisfy their own self, their own flesh; glorifying their own knowledge that is contrary to the Bible.

It is the Age. It is the spirit of the Age. It is prophesied to be like that in the last days. God said, "Because they didn't have any love for the Truth, He will give them a strong delusion to believe the lie and be damned by it."

[2nd Thessalonians 2:10-12 -Ed.] That's right.

It is the same like Cain. God told Cain... Cain wanted to worship. He had his altar. God said, "Look, do like your brother and then I will receive it. I can't come in that false thing; I am the Truth. How do you expect Me to come to a lie? I know you are religious, I know you want to worship, but your revelation is wrong." He got wroth. He got wroth. He got wroth because God corrected him; he couldn't take correction of the Word. The Truth makes free, but he preferred the lie more than the Truth. And God said, "Sin lieth at the door."

Then he came and he killed Abel. Here is the same man who wanted to worship, now went into murder. Then when God came and said, "Where is your brother?" he said, "Am I my brother's keeper?" Here was the man lying now. But all the time he wanted that religion to get vindicated, but look at the man's condition. Do you get what I am saying? That is the system.

There are only two religions: one man invented and one God revealed, and both are represented in Cain and Abel. Abel had the true revelation of the slain lamb because that slain lamb was reflecting the Lamb that was slain in the Mind of God before the foundation of the world – the Lamb that was slain at Calvary. But Cain had a religion that he invented – a man-made denomination.

You see, God never started a denomination; that is a man-made invention. That was why in the middle of the Bible, when Jesus came, He watched Sadducees and Pharisees and all these things, He said, "In vain do these worship Me, teaching for doctrine the commandments of men." He said, "You have made the Word of God of no effect. They thought their system was so right – that is why they crucified Him. Because when He corrected them, they couldn't take the correction, and like Cain killed Abel, they killed Him the same way.

And in the last days it comes back to the same thing, Wheat and tares. The tares will be gathered to be burnt,

and the Wheat will be gathered in the Garner and be taken out. That's right. All down through the Bible: Cain and Abel; the Sadducees and that denominational system, and then the Elect on the other side. Is that right? And at the end of the Bible, those who worship the Lamb and who worship the Beast. The Book of Revelation shows, those names in the Book are worshipping the Lamb; those names who are not in the Book are worshipping the Beast. That's right. So, that has been the pattern down through.

And as we were reading just now, showing how It says, "Babylon is fallen, and that great system, she drunken the earth." And then what did it produce? A system of the Beast with an image unto it. And a Voice was calling out and warning of a terrible judgment, to those who don't take heed and stayed in that system.

Revelation 17, let us read.

¹ And there came one of the seven angels which had the seven vials, and talked with me, saying unto me, Come hither; I will shew unto thee the judgment of the great whore that sitteth upon many waters:

² With whom the kings of the earth have committed fornication, and the inhabitants of the earth have been made drunk with the wine of her fornication.

This is a continuation of that same inspiration there in Revelation 14. Because here is a system and that system is about to be judged. He said:

... I will shew [you] the judgment of the great whore that sitteth upon many waters:

² With whom the kings of the earth have committed fornication, and the inhabitants of the earth have been made drunk with the wine of her fornication.

³ So he carried me away in the spirit into the wilderness: and I saw a woman sit upon a scarlet coloured beast...

Revelation 12 shows you who that scarlet-colored Beast was.

... full of names of blasphemy, having seven heads and ten horns.

That was the great, red Dragon in Heaven. That was Lucifer himself. But watch: on the earth, that Lucifer is identified with a system. He is the power behind a system, the same one that was cast out of Heaven, the great, red Dragon who had seven heads and ten horns.

⁴ And the woman was arrayed in purple and scarlet colour...

And purple and scarlet are the official colors of the Vatican.

... and decked with gold and precious stones and pearls, having a golden cup in her hand full of abominations and filthiness of her fornication:

⁵ And upon her forehead was a name written, MYSTERY, BABYLON THE GREAT, THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH.

[Bro. Vin repeats -Ed.]:

⁵ And upon her forehead was a name written, MYSTERY, BABYLON THE GREAT, THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH.

She is the mother of abominations of the earth. The abominations that are in the earth, these detestable things, these filthy things, it comes from that system. That system has been around since the time of Nimrod. That Beast that is the power behind that system, was the same one that came down from Heaven. He has filled the earth with all these abominations.

The things that we like so much, the things that entice and seduce, the things that have the world in a mess, the things that bring the wrath and judgment of God, this woman is the mother of these things.

⁶ And I saw the woman drunken with the blood of the saints, and with the blood of the martyrs of Jesus...

There is only one religious system on the face of the earth that you can go back in history and find where they killed over sixty-eight million Christians on record – that is that same pagan system, that Roman Catholic system.

Later on in the chapter, It tells you, that woman is really a city seated on seven hills. There are only two cities that are on seven hills on Planet Earth: that is Cincinnati, Ohio, and Rome, the Vatican; Rome in Italy. And in Cincinnati, Ohio, there is no religious system. America just raised up in 1776 as a nation. Do you get what I am saying? And since 1776, there is no religious persecution coming out of Cincinnati, Ohio.

So, it is directly speaking prophetically, specifically, historically, geographically, of one place on Planet Earth, and that place is where all the kings of the earth go, and when everyone goes, they bow to that Pope – from President Bush, to the Queen [Queen Elizabeth II –Ed.], to Archbishop Runcie [Robert Runcie - former Archbishop of Canterbury – Ed.] or the new Archbishop, or whoever it is. She is the one who has the wealth of the world today.

Does the Bible, in the Book of Daniel, tell you that there are only four world powers? Babylon, Medes and the Persians, Greece and Rome. And that fourth one was going to exist until Jesus comes. Is that right?

Look at these things, friends. Think of it. Consider it in your mind. This is not criticism; this is the Bible. This is the Book of Revelation. God put it in symbols. Why? It is for an Elected people; that is why the church world can't touch it. Notice, it was an Angel, one of the Seven Angels who had the Seven Vials, he came to John and said, "Come, I will show you." The church world can't show them, because he said, "I will show you. I will uncover her mystery to you. I will show you this woman that drunken the world. I will uncover her to you."

There is a revealing of that system promised in the Bible. It is going to come by an Angel, (hallelujah,) like Elijah exposed Jezebel, and took the Elect out of that system. And Jezebel who was drunken with the blood of God's prophets, Jezebel who destroyed the prophets, and established her own pagan religion in the land, and darkened the land, but God had Elijah to come at Evening Time, and he turned the hearts of the children back to the faith of their fathers. He repaired the altar; he brought back the one, true worship.

How many know it is promised in the Bible, before Jesus comes, the Spirit of Elijah was going to come back to the Church, according to Malachi 4:5 and 6, to call a people out of the system of the world and restore them to the original apostolic faith? That's right. Here it is in the continuity of the Bible. That's right.

⁶ And I saw the woman drunken with the blood of the saints...

Me too. Back in the history of the Church, back in the Dark Ages under the Second Seal when the red horse rider took peace from the earth, a sword was given to kill. Under the Third Seal, I saw him capture the wealth of the world. Now, under the Fourth Seal, he is uniting his powers. But just when that uniting was taking place, here came a Prophet, an Eagle, and I heard the Voice of that fourth living creature. And God identified him and named him – his name was Death and Hell followed him. Oh my.

... and when I saw her, I wondered with great admiration.

Take time and read the rest when you go home. Revelation 18, I want to get down here a little bit, a little further. Watch the continuity of this as we take it. I will try to tie it all up together for you just now.

Revelation 18, this follows Revelation 17. Revelation 17 is the revealing of this mother of harlots. She is a mother, she has daughters, and her daughters are harlots. And in verse 1 it says she is the great whore;

Revelation 17:1, she is the great whore. She is the mother of harlots. How many know that out of the Roman Catholic system came every Protestant denomination? Lutheranism, Anglicanism, Methodism, Baptist, Nazarene, Pilgrim Holiness, all these things; every form of Pentecostalism: Oneness, and Foursquare, and everything else. Is that right? Those are the daughters.

How many know Jezebel had a daughter called Athaliah? How many know Athaliah went into Judah and did the same thing Jezebel did in Israel? They sowed the two of them with idolatry. How many know Athaliah became drunk with their blood too? She killed out all the royal seed. [2nd Chronicles 22 -Ed.] That's Bible, friends. How many know Revelation Chapter 2 verses 20, 21, 22 and 23, the Holy Spirit calls the Roman Catholic system, "*That woman Jezebel*"? That's right. My!

Look! Now, Revelation 18. So, she was exposed in Revelation 17.

¹ And after these things...

What are 'these things'? After these things in Revelation 17, after the exposing of the judgment of this great whore that sits upon many waters, this one who drunken the nations and the kings; this one who has the Blood of Jesus inside of her because she killed them.

¹ And after these things I saw another angel come down from heaven, having great power; and the earth was lightened with his glory.

[Bro. Vin repeats -Ed.]

... I saw another angel come down from heaven, having great power; and the earth was lightened with his glory.

Look at this little part of the earth, this morning, and look at the Glory coming out of the Word that we were lightened by, when that Angel came down. Brother,

could you imagine if you were an Anglican, a Baptist, a Methodist, a Jehovah's Witness, a Seventh-day Adventist, a Pentecostal who walked in here this morning, trusting in some man-made denomination, and you sit with an open heart, willing to search the Scriptures and see whether these things be so, and seeing it in the Bible, and seeing it according to history, and seeing it according to geography, and seeing it according to economics and commerce, and these things in the earth, then look at that Glory? You can walk back out and say, "My goodness, my eyes are opened." Why? The earth was lightened with that Glory.

But in every place it was rejected, what happened? When you reject light, what happens? You stay in darkness. You stay in darkness! And that is why out in the system it is dark. "Touch the radio." They are trying to get people to touch a radio to get healed. "Put out your hand here." Some man is prophe-lying: "Oh, I tell you somebody right now is in a hospital. He is lying on a bed there; he is crying for deliverance." Who in a hospital bed is not crying for deliverance? Do you get what I am saying? "Somebody, they give them up to die in the hospital." Do you know how many people in the hospital they gave up to die? Well, that is nothing to prophesy that. See? Oh God, have mercy!

² And he cried mightily with a strong voice, saying, Babylon the great is fallen, is fallen...

Watch that same Word coming back over here now. Watch that same Word from Revelation 14, those three angels' messages, watch how it is coming back over here now.

... and is become the habitation of devils...

The only place you get devils is where those fallen angels were cast down. But when those fallen angels were cast down, they had a leader named Lucifer. But Lucifer was the power, the great, red Dragon, with this woman, and these devils that were with Lucifer, the

chief Devil, that place became their habitation. And she is the mother of all the abominations in the earth, and all the abominations in the earth, is demon power.

So, if Lucifer and his angels are in that system, (think!) then every form of demon power, from the highly organized religious demons, to the political demons, the kings of the earth that they drunken, to the commerce, the business demons that they have control of and are putting out all these products for the people to buy, putting all that kind of filthy things to make people go and spend money to buy that, giving them all forms of entertainment to pollute their mind, to buy that, (is that right?) look where it is coming from. That place becomes the habitation of devils, Babylon the great.

... and the hold of every foul spirit...

It is a habitation. It is a hold.

... and a cage...

It ends up to be a cage. From a habitation, to a hold, it becomes a cage. It becomes a cage. Oh, you could have a habitation; it isn't 'bound' [certain -Ed.] to be a cage. You could have a hold, it is not fully a cage yet. When it comes to *the* cage, it is all cage. There is no way of escape. It is sealed up, shut up tight. There are bars all around. You are imprisoned and shut up.

... of every unclean and hateful bird.

That system takes in the whole world. It drunks the whole world. It drunks the kings; it drunks the inhabitants. It is foul spirits, devils, unclean and hateful birds, and it became a system that has caged the whole world.

Is the whole world to be caged in this Hour? Is the whole world to be enslaved? Is there such a thing? Is that reality? Can we trust the Bible? Did John eat some pepper sauce and got a nightmare there? Is that the Word of God? Could there be such a thing, friends?

And this generation that saw Israel became a nation, that is the last generation. That generation will not pass away until all these things be fulfilled; that saw the fig

tree put forth its bud, and Israel was that fig tree. And they were scattered for 2500 years, and have come back in their homeland in 1948 and were a nation when they put up that Six-point Star of David. The oldest flag on the earth flew over Palestine, and since that time, it is constant war in that land; surrounded by all Ishmael's children; Ishmael and Isaac, fighting.

Then if we are in that last generation and the world is... Has the world come back like in the days of Noah? Has it come back like in the days of Sodom? Homosexuality has never become as strong as it is right now. Think of it.

And friends, watch, when that is happening and the world is in that condition being caged up, we are seeing here, this is not a thing that is just happening by chance; this is by design. This is an orchestration of a plan; a well-worked out plan to take the whole world. Birds do not get in a cage unless they are snared; unless that cage is built to hold them; unless a bait is put out there to lure them. Do you get what I am saying?

Remember, Lucifer was the one in Heaven saying, "I will be like God. I will be worshipped like God. I will sit above the congregation of the saints. I will be above the stars of God. I will be like God." [Isaiah 14:13-14 -Ed.] That is what caused his fall. He tried to do that in Heaven, but the Bible says, "In the last days the man of sin will sit in the temple as God, and be worshipped as God." And the Bible said he deceived the whole world.

So here, there is something very diabolical that is happening on the earth. And that is why 'church' is not, "I feel religious and I want to go to church," or "I want to change my life." No, no. Because to serve God, it comes by election and calling. "No man could come except the Father draws him. My sheep will hear My voice. All that the Father hath given Me will come. If the blind leads the blind, they will all fall in the ditch." He spoke a certain way. He has His Own. The Good Sower sowed the good Seed and the good Seeds are the

children of the Kingdom. The evil sower sowed the evil seed and the tares are the children of the wicked one.

Remember, this is the Scripture now. This is not just some little story in the Bible or some little man's fairytale, you know. This is part of the revelation of Jesus Christ.

What kind of world are we living in? What has the world become, friends? Look! Let us examine it closely. That is why I am trying to go slowly. I want you to catch the inspiration of the Scripture; that is why I am taking my time to read it. If I would say all these things, a person could sit down right there and not know it is in the Bible and question it. If I read it, point it out, emphasize it to you, you look there, you watch it, you meditate, you think about it, you write it down, you go back home and you pray over it, you will find out all Scripture will dovetail. Why? All Scripture was given by? [Congregation says, "Inspiration." -Ed.] Inspiration. Not one jot or one tittle shall in any wise fail. Heaven and earth will pass away but My Word will never pass away.

You see, the thing is, the religious systems do not believe the Bible. That is why the Baptist only preaches Baptist doctrine, the Methodist preach Methodist doctrine; Jehovah's Witnesses preach Jehovah's Witnesses doctrine. They take one Bible and they make one thousand denominations. Yet Moses never contradicted Joshua, Joshua never contradicted Samuel, Samuel never contradicted Ezra, Ezra never contradicted Nehemiah, Nehemiah never contradicted Jeremiah, Jeremiah never contradicted Isaiah, Isaiah never contradicted Nahum or Habakkuk; one Spirit spoke through all of them: "THUS SAITH THE LORD. THUS SAITH THE LORD. THUS SAITH THE LORD."

When that same God came in Jesus, He said, "All Scripture is given. None shall pass away." He said, "You do err not knowing the Scriptures. The Scriptures cannot be broken." Then Paul came and said, "All Scripture is given by inspiration."

It is only in these last few years, the last few hundred years here, where we got one thousand denominations, and now one person says It means this, the next one says It means that, and everyone is claiming they have the same Holy Spirit. How is it that all of a sudden, the Holy Spirit Who was so in continuity speaking through men, no contradiction; in the last few hundred years, the same Holy Spirit is speaking and everybody got confused? No, friends.

That is what the Bible prophesied. That is what It prophesied. That is where they were going to get misled, and that is why a Prophet was needed to call us back to the Word. Not some new denomination; back to the original apostolic doctrine: one Lord, one Faith, one baptism; back to what Paul preached, amen; back to the only foundation that was laid that no other man could lay. Because He is Alpha and Omega, the Beginning and the End, the First and the Last; to bring back that one God; not three persons in one God; one God; to bring back true baptism in the Name of the Lord Jesus Christ, amen; take the woman out of the pulpit and give her back in her rightful place where she could be a blessing. Amen. God didn't call her to preach. Hallelujah.

But we find that the world has an appetite for things that are not the Word. Because we found out, Jesus told them, He said, "Your father was a liar and a murderer from the beginning." The first one who invented the lie was Lucifer. And the lie was only the Truth perverted. He took God's Word and said, "It doesn't mean that." He said, "You shall not surely die." He added one three-letter word, N-O-T, and that one three-letter word caused every graveyard, every hospital, every famine, every pestilence; it produced every casino, it produced every prostitute house, it brought every abortion and everything – that lie right there.

When Jesus came in the middle of the Bible, He said, "Man shall not live by bread alone but by? [Congregation

answers, "Every word." -Ed] Every word." And at the end of the Bible, He said, "If you add one word," not a sentence, not a chapter, not a paragraph; "if you add one word, all the plagues shall be added. If you take away one word, your name shall be taken out." Oh my!

That doesn't make me fearful; that makes me secure. That makes me secure. That doesn't make me confused; that makes me know where I am standing. That gives me confidence. Amen. Glory be to God. That tells me I am serving a God Who does not change. That is why He could be relied upon. That is why He is reliable. If God was to change every minute, I wouldn't know what to believe. But because God has to do the same thing that He did the first time, and He could never change that... He said, "I am the God Who changeth not." Jesus Christ, the same yesterday, and today and forever.

Then I know if He blessed Paul and them with that Word, if I stay with that same Word, I have to get the same blessings. Glory be to God in the highest. If He blessed Peter and them with that revelation, and I am walking in that same Word, I will get the same blessing.

I don't have to wonder what the organization says; that is a harlot as far as I am concerned. Could you walk down the road and some prostitute walks out there in all her filthy condition, brother, coming out of some brothel, and trying to tell you how to live, and you get all fearful and you don't know what to do? You say, "Look woman, know your place. You have no right to talk to me. Get back in your filthy condition, where you come from." Well, a denomination is the same thing. The Bible says, what? Rome is the mother of, what? [Congregation answers, "Harlots." -Ed.] Harlots. Do you know what a harlot is? A woman who has children for another man that is not her husband. In other words, her womb is only for her husband's seed but she brings forth other men's seeds.

God's Word is His Seed. A Sower went forth to sow the Seed, the Good Seed. That is the Word of God. God

has one Doctrine, one Word. Is that right? And if you don't find God's Word in that system, it is another; it is a Baptist word. A Baptist word cannot make a son of God; it makes a Baptist. A Methodist word makes a Methodist; it cannot make a Jehovah's Witness. It takes a Jehovah's Witnesses word to make a Jehovah's Witness. It takes a Seventh-day Adventist word to make a Seventh-day Adventist, and that still isn't the Word of God. Amen. That could only bring a Seventh-day Adventist. Every seed brings forth after its kind. But if the Word of God is the Seed that is planted, what will It bring forth? The Word of God. It will bring forth the Word of God. And *in the beginning was the Word, and the Word was with God, and the Word was God.* [St. John 1:1 -Ed.] That's right.

You don't have to be fearful of that. You don't have to be ashamed of that. You can rejoice because of that. That is the blessing that has come in the last days. That is the freedom, that is the deliverance, that is the waking up; that is the anointing. Hallelujah. The Holy Spirit is bringing deliverance to His children. That is the Eyesalve anointing our eyes. Oh my! You watch that Devil's power in the kings of the earth, who got drunken. You watch that demon spirit. And brother, the father of those children is, who? The evil sower who sowed the wicked—the wicked one who sowed the tares. He always wanted to live in man, like God.

But God could create a man and step into him, because He is a Creator. Know you not that you are the temple of the Living God? [1st Corinthians 3:16 -Ed.] Hallelujah. God made man to be the temple of His rest. "What house will you build Me?" The Most High doesn't dwell in tabernacles made with hands. Solomon desired to build Him a house. Is that right? But the Most High doesn't dwell in tabernacles made with hands. You are the temple of the Living God. We are lively stones building up a spiritual house, a habitation for the Spirit of God; (is that right?) a holy temple.

But Lucifer wants to live in man. Oh my. He has to first... Before he could get man, he had to break the union between God and man. And how will he break the union between God and man? The union between God and man is established by His Word, because His sons bring His Seed—His Seed brings His sons. Is that right? He is the Word. His sons are the Word.

So Lucifer comes... How did he break the union between God and the first set of children? “You shall *not* surely die.” He perverted the Word. How does he deceive every other person? Get them away from the Word. What does the Bible say? “Try every spirit. Prove all things and hold fast to that which is good. Search the Scriptures,” He said, “in Them you think you have Eternal Life but They are They that testify of Me.”

The people in Berea heard new things, it was strange to them but they searched the Scriptures. They didn’t search their church manuals, they searched the Scriptures. They didn’t search some bylaws of the church; they searched the Scriptures and they found that these things were so.

That is why It says, “You shall know the Truth and the Truth shall make you free.” Freedom is connected with knowledge of the Truth. He must bring knowledge of the Truth before there can be freedom. Because the lie puts you in bondage; the Truth makes you free. How did the human race fall and got enslaved and lost all their inheritance? By believing the lie. What happens in the last days? They shall believe the lie again because they don’t have any love for the Truth. Is that right?

But you are children of Light. You are not of the night; you are of the day. You are not of darkness, (amen,) you are not drunken; you are sober. Because there is a woman drunkening people with the wine of her fornication; her false doctrine. But you are not drunken. You could read labels and you know distillers, and you know the mixture. You know how your Father’s Wine comes. It comes from Genesis to Revelation, one

straight channel of Scripture. Amen. Glory be to God in the highest. My!

Revelation 14 – those three angels. Revelation 17 – uncovering that system in the last days. Revelation 18, this Angel comes down now; time for deliverance. Why? She has become the habitation of devils. She has become the hold of every foul spirit. She has become the cage of every hateful and unclean bird. And God said, “Not My children.” Oh my. “They don’t belong in there. I have come to get them out.”

He said, “Moses, go tell Pharaoh, let My people go. He tried to build a system and shut up My people? I am come down to deliver My people.” Hallelujah. “It’s time to bring them back in the land of their fathers.” Glory be to God in the highest.

“Elijah, go and repair the altar. Call out that 7000.” Glory! “Keep them away. Inoculate them, so they have a repellent against that Jezebel system with her corrupt wine.”

Proverbs 6, tells you about the harlot: “She mingled her wine. And the man who goes in unto her, (her gates are the gates to Hell,) he goes like a dumb ox to the slaughter, because that adulteress hunteth after the precious life.”

Here in the Book of Revelation, we see the adulteress, we see how they are caged; we see her wine is mingled, and we see all that go in unto her, brother, they get infected. She puts them to sleep. That’s right. It is happening, friends. This is the Age. Why do you think they are in the spirit that they are in? Why do you think... They love denomination and they don’t care whether it is right or wrong.

Oh brother! Thank God, you are not that way. He washed you with the washing of the Water; gave you a holy man’s taste; you only have a taste for the pure, unadulterated Word.

You know, Satan takes water and he puts alcohol in it, to make whiskey and rum. He makes sweet drinks

[soda -Ed.], all kinds of things to get people sick, to drunken them; doing all kinds of things. But God gave them nice, pure water. Now, today, they wasted all the water, and they have to buy water now in a bottle. Everybody wants pure water, because they realize they are toxic, and they are sick with all those kinds of things that they have on the shelves there that they thought used to get them happy and nice; didn't realize how much disease and sickness it is. Everybody wants to drink water now. See?

But He is still the Fountain of Living Water. He is still that Fountain of living Water. Did Israel drink from a Rock? Was there ever-present water when they were thirsty? Were they under a prophet's message? Did that prophet have a Pillar of Fire and a Pillar of Cloud? Oh my. Do you know such people in the last days?

Whiskey didn't come out of that Rock, friend. Sweet drink didn't come out of that Rock. It didn't have any 'Solo' or no 'Jaleel' [local soft drink manufacturers -Ed.] and all those kinds of things coming out of that Rock. No, sir! This is Living Water. He that is athirst, let him come and drink. If any man is athirst, let him come and drink. [Revelation 17:8 -Ed.] Out of His innermost being shall flow, what? Rivers of Living Water. This spake He of, what? The Holy Spirit. What is that Living Water? The Holy Spirit.

Watch. Watch this woman again. Let's follow her about a little bit. She became a cage. Verse 3:

³ For all nations have drunk of the wine of the wrath of her fornication...

All nations. All nations and all five continents and out in the oceans: Pacific Ocean, Atlantic Ocean, Indian Ocean, wherever those nations are scattered, out there.

... and the kings of the earth have committed fornication with her...

All the nations, all the kings; that's the rulers of those nations.

... and the merchants of the earth...

That is the people who set up businesses in all those nations; who provide for them, all their different articles, and all their products and everything else that they live and exist by. The merchants, the nations, that is the people; the kings, the rulers. Notice how God is specific; He takes every realm. He broke it down; He wants to give you a picture so you don't leave any room for imagination, expanding things. He lets you know, it is the whole world. He identifies it for you. He broke it down for you. He lets you see so you have no doubt and say, "Could *that* be that? Could *that* be that?"

Remember all the kingdoms of the world are of the Devil. Don't let anybody tell you different to that. Satan offered them to Jesus: "Bow to me; I will give You all the kingdoms." Jesus never told him that it did not belong to him. It belonged to him. Jesus said, "My Kingdom is not of this world." He said, "Father, I pray for these. The world hates Me and they will hate them too." Is that right? But He said, "You are not of the world, little children."

Abraham confessed that he was a pilgrim and stranger. Here he had no continuing city. He was looking for a City whose Builder and Maker is God. Are you looking for the same this morning? Do you have that same vision like Abraham? That's right. Why? Because this world will end up like the world in the days of Noah. This world will end up like those cities of Sodom and Gomorrah. It is prophesied. And the same conditions are here, and God is the same, so He must judge it the same. That's right. My!

... and the merchants of the earth are waxed rich through the abundance of her delicacies.

⁴ And I heard another voice from heaven, saying, Come out of her, my people...

Isn't God specific? When He went down to that grave, a graveyard full of people, but He said, "Lazarus, come forth!" If He had said, "Come forth," every dead would

have come out of every grave. But He didn't go to call all out, He came for His Own. He said, "Lazarus, you come out!" All the rest of the dead stayed dead, and Lazarus came forth. Watch Him here: "My people. My people. I know My sheep; I call them by name. My sheep know My Voice. A stranger they will not follow." Anything that is strange to the Word, they can't follow it.

Watch here now.

... Come out of her, my people, that ye be not partakers of her sins, and that ye receive not of her plagues.

She has plagues to get. That great harlot who filled the earth with her abominations, has plagues to get.

⁵ For her sins have reached unto heaven, and God hath remembered her iniquities.

Why did God come down to Abraham in the day of Sodom? The sins of Sodom. "I have heard the cries; it has come up to Me." Why did God come down to bring judgment in Egypt? "I have heard the cries; I am come down." Every sin has a cry. Every sin has a cry.

Sin... Let me tell you this, friends. Sin could have only been removed, not by the blood of bulls and goats; they killed billions from Abel's time until Jesus came and it could not remit one sin. It took the Blood of the Creator, Himself, a New Creation. Is that right? It took God to become flesh and die to remove sin. You don't confess to a priest and that goes, friends. No, no.

Do you know how you get that to be removed? You walk in Light. If you walk in the Light, as He is in the Light, the Blood of His Son cleanseth you from all sin. [1st John 1:7 -Ed.] Not if you sympathize with the Truth, not if you say, "That is the Truth and I find that I like it; I like how it sounds." No, no. He didn't say, "If you like it." He didn't say, "If you find it is the Truth." He said, "If you walk in it." He said, "If you walk in it." You hear It, you recognize It is the Truth; you start to walk in It.

And then, "Thy Word have I hid in my heart that I will not sin against Thee." [Psalms 119:11 -Ed.] Because it took the

dying of the Creator to get rid of sin. That is the only thing that can remove sin. Sin is such an evil thing. Sin is such a powerful thing.

And her sins came up to Heaven. Do you know why her sins came up to Heaven? She rejected Jesus Christ and she took Mary. She took her candle, she took her novena and her prayer book, and her purgatory, and they put Jesus in a manger. And they gave them Valentine's Day, and they gave them Santa Claus, and they gave them All Saints Day. Do you get what I am saying?

All her abominations! She is a witch. The Bible says, "She bewitched the world with her sorceries." What did she do? She desensitized the people. She perverted their thirst and then she gave them something perverted. She knows man wants God, so she perverts their understanding about God, kind of makes them feel bad to only want one way. They say, "No, there is a way that seemeth right. There are many ways. You don't have to be legalistic; it is God we are talking about." And they kind of 'water down' God. [Make something weaker or less effective - Ed.]

Like Adam and Eve... He told Eve, "You will not surely die. Will God kill you? What do you think God made you for? To kill you? Come on, girl." She was in Bible school and didn't even know it. He was giving her his theology and she was becoming now, an unbeliever in what God said, and a believer in the lie, what he was giving her. Do you get what I am saying? He still does the same today.

You see, and this is where denominations tell you, "That was the Old Testament. We are in the New Testament now." Oh God, have mercy. They say, "No, no, no, you can't understand the Bible; here is the prayer book. You just say this here. You recite this here." And they have their mass and they go through that one thing. They have a mass for this, and a mass for this, and a mass for this, and a mass for this.

Carnival people have ‘mas’ [dress up in costumes and parade in a band –Ed.] too. Both of them are playing Carnival; both of them have their mass. One is a religious mass; one is a cultural ‘mas’. But God has Truth. God has the Truth.

Don’t let emotion make you feel sorry for that system, you know. She is drunk with the blood of the saints and the martyrs of Jesus Christ, you know. God said, “Her sins have come up to Heaven,” you know. You might see her holy, holy, there; the most pedophiles that came out recently, came out from inside of there, you know. And it goes on and nobody leaves it, and everybody accepts it, and it still has power over the kings of the earth.

Why? They bewitched them. They bewitched the earth. They bewitched the earth. The people are in such a drunken stupor, they don’t know what is right and wrong. And then they have them so hooked with sports, and all kind of movies, and pornography, and these things, they have no time... They say, “Well, I am no theologian. Leave that for the priests and they to figure out. Right now you see me here, my favorite footballer is on the ball right here,” or they are on the movie channel or something. Do you get what I am saying? They have them drunk.

That is what the Roman empire did to the people back in the ancient days – they gave them the games. And when the people got hooked on the games, their minds were no longer on the issues that troubled the world. And today, they give them all these things: five hundred channels – blow their minds; sports twenty-four hours a day, all kinds of action thrillers, and they are hearing so much dying in Rwanda, they are hearing so much dying in the Congo, they are hearing so much died with the tsunami and the earthquake; they are not interested in that. Out of sight, out of mind. And then the whole world is falling apart around them too, and they are still interested in Carnival. See? That is the world.

When God judges this place, friends, it is not without mercy. No, no, no. It is not without mercy! When that

judgment came [Bro. Vin refers to the 2004 Indian Ocean earthquake and tsunami -Ed.] they said, “Why did God do this to us?” Indonesia and Thailand and those places, are some of the biggest set of child-trafficking, and slavery, and sex-tourism destinations. Pumping up fourteen and thirteen-year-old girls with hormones for all their European, and Australian, and American sex tourists that flood those places. And all the little child-trafficking for the pedophiles, are in those places. And when God almost sank the place there, brother, they said, “Why did God do this to us?”

You see God is a convenient thing. God is some little... When you are accustomed to idolatry, when it is time to pray, you take your idol out and you put it there. Your idol doesn't tell you that you are living in sin. Your idol does not condemn you. Your idol just helps you carry out your religion to appease your own conscience.

But in Christianity, God put you: “How shall they hear without a preacher, and how shall they preach except they be sent?” And if God sends somebody, like God told Paul... Paul said, “Woe is me if I don't preach the Gospel.” God told Jonah, “Go and cry out.” Why? Because God, by the preaching of the Word... When the people's hearts were pricked, they told Peter, “What shall we do to be saved?” They said, “Men and brethren, what shall we do to be saved?” [Acts 2:37 -Ed.] That is right, friends. God is gracious. He is so gracious this morning.

[Bro. Vin looks at his wristwatch -Ed.] My goodness.

Let us just go down a little bit again. Verse 4:

4 And I heard another voice from heaven,

In verse 1, an Angel came down.

4 And I heard another voice from heaven, saying, Come out of her, my people, that ye be not partakers of her sins, and that ye receive not of her plagues.

5 For her sins have reached unto heaven, and God hath remembered her iniquities.

Now hear this. And God is saying now:

⁶ Reward her even as she rewarded you...

What was the reward she gave them? She killed sixty-eight million under the sword and got drunk with their blood. God says,

*⁶ Reward her even as she rewarded you,
and double unto her double according to her
works: in the cup which she hath filled fill to
her double.*

You see, in the Old Testament, in Exodus, there was a law, and that law was: if you killed somebody's cow, or you stole somebody's animal, or you stole their money or something, you didn't just have to give them it back, you know; you had to give them double.

Because if I have 500 dollars, and you come and you steal my 500 dollars and then you say, five months after, "Here is your 500 dollars. It was I who took it the last time; I am sorry."

"Yeah, but I went through famine, and I suffered, and I got evicted from where I was living, and my children starved, because that was to take care of our needs. So, you didn't just take my money, you caused me discomfort, you distressed me, you made me vulnerable, you took away my security, so giving me back doesn't repay me, because that was mine to begin with. And all the inconvenience and distress you caused me, you have to take care of that. You have to compensate for that now."

So, God is saying, "Give her double. The cup she filled, fill to her double." What do you see there? Six thousand years after, God still has the same laws. All God's laws, brother, go on. God used to stone the prostitute in the Old Testament. In the last days, in the Book of Revelation, he said, "Hailstones will come, each one, one hundred pounds, to stone this generation. [Revelation 16:21 -Ed.] What is it? He is still stoning the adulterous church and her harlot daughters by the same law. Do you see God in the Bible, friends? In the Old Testament He said, "The fowls of the air and the

beasts of the field will eat you.” In this Age, (we will get it just now,) the fowls of the air and the beasts of the field will eat them too.

Friends, God is not a little ‘fogey’ [a very old-fashioned or conservative person -Ed.] up in the sky. God has no little theology from somebody’s mind, you know. This is... It says worship the Creator, the True God, in this Age when the whole world is drunk with the wine of that fornication: all the kings, all the nation; all the merchants and everything.

Look at those merchants at Christmas time: they are only making more and more Santa Claus, things to fill up the house; things to do this here. Brother, they are growing more turkeys; more hams; more things to keep the people in the tradition. They are burning more candles for All Saints; the merchants. Do you know why? They are keeping her thing alive. They are keeping the people under her spirit by producing the goods.

The merchants are bringing more of the filthy clothes, making more of the old movies. The industries are churning it out to keep the people drunken. They are making more wine, and more gin, and more vodka, and more rum, and more whiskey, and they are expanding their business. And the scientists are producing more and more technology all the time to keep them materialistic; the merchants of the earth. Read it in the Bible.

This system, friends... Friends, do you want to sit down in a denomination? Who wants to be in there? Do you want to kind of go with some false security thinking that you are worshipping God in that kind of system? Let me say: you can’t worship God outside of the Truth. Now you might be sincere in your heart, but you are sincerely wrong.

You are worshipping God with a woman standing up there, a woman preacher, in tight pants, bobbed hair, and a painted face; seeing her underwear under her pants. And somebody comes and says, “That was

preaching! She could preach, isn't that so?" She could seduce, not preach.

Oh God! Have the love for the Truth in this Hour. Even though the Truth hurts, even though it burns you, even though it skins your hide, even though it tells you that you are wrong, even though it corrects you, have the love for the Truth. Because if you don't receive the Truth, you are going to believe the lie, and to believe the lie, is to be damned by it. There is no middle ground, friends.

There are two trees. The 'Tree' of the knowledge of good and evil. There is a lot of good in it. They build hospitals. They build schools. They build washing machines to help the woman; she is not down beating the clothes on the rock outside there. They give her a dryer; she doesn't have to hang it up on the tree branch. The garment industry gives her some nice clothes to dress nicely; they don't have to rip the skin off the animal and wrap it around themselves. No! They make a nice, refined thing now. They get all the machines to spin the wool and weave the fibers and make the silk and everything else, and fix it really nice. Oh, it looks nice; it still doesn't cover sin. It still doesn't cover sin. It is still 'fig leaves'. Is that right?

Your shoe and your belt and these things that come, do you know what it is? From the animal – leather. Your clothing, your cotton and all these things, where does it come from? Botany life – the tree. Is that right? It is still the same thing; it is just more refined. Science makes it more refined so it appears different to the eye, it feels a little different, but it is still from the same thing. Do you get what I am saying?

But God wants to clothe you with the Holy Spirit. God wants to clothe the inner man with the Word. Aren't you glad for that this morning? Because then in your soul you feel right; then in your thoughts you feel right. Oh my! Jesus!

*7 How much she hath glorified herself,
and lived deliciously, so much torment and
sorrow give her...*

Is this God? Is this God saying that? But the whole world loves this woman. When El Papa comes out of that pope-mobile there, or comes out of that plane and bows and kisses that ground, and all those people with all these classical robes and all these different things, and you go into one of those services and they shake that incense over the people, and they do all this classical stuff, do you mean God doesn't respect that? [Congregation answers, "No." -Ed.] When all these big leaders who will not darken this door, but will go in that massive cathedral in St. Peter's Basilica with their whole entourage, and bow down and kiss the ring to get that blessing, do you mean God doesn't have any respect for that? [Congregation answers, "No." -Ed.] When the media throws it in the papers, and brother, covers every step that the man makes, and puts it on television and gives it national coverage, do you mean God doesn't have any respect for that? [Congregation answers, "No." -Ed.]

Hear what God is saying:

*7 How much she hath glorified herself,
and lived deliciously, so much torment and
sorrow give her: for she saith in her heart, I
sit a queen, and am no widow, and shall see
no sorrow.*

Why? Why is she so confident? She has Putin [Vladimir Putin - President of Russia -Ed.] here, she has Bush [George W. Bush 43rd U.S. President -Ed.] here, she has Blair [Anthony Blair - Prime Minister of the U.K. -Ed.] here, she has Howard [John Howard - Prime Minister of Australia -Ed.] down in Australia here; she has Manning [Patrick Manning - 4th Prime Minister of Trinidad & Tobago -Ed.] here. Brother, he buttoned his lips so fast, after the last time he was trying to tell Rome what kind of archbishop he wanted. You didn't hear him say another 'ump' [tight-lipped gesture meaning: not another word was said -Ed.] concerning that. He zipped up that lip as fast as fast could be.

Even a few Catholic laity people who know the power of the institution, even the old archbishop's brother, the ex-archbishop's brother had to tell the Prime Minister, "Just stay out of Rome's business. Let Rome handle her own business. She has been around for the last 2000 years. Not even America has been around for 2000 years. All these big nations in Europe there, they don't have that kind of thing. No, no. And her leader is infallible. All the other leaders bow to him. They don't mess with him." See? "So, you in your seventy by forty piece of island down there, just cool it a little bit. Let this lady, who sitteth as a queen..."

She said, "I will see no sorrow."

God said, "She is saying that she will see no sorrow, but you give to her because her burning is going to come in one hour."

Watch:

⁸ Therefore shall her plagues come in one day, death, and mourning, and famine; and she shall be utterly burned with fire: for strong is the Lord God who judgeth her.

Who judgeth her? Me? Uh, uh. [Meaning, "No, no." -Ed.] America? Well, that is part of her system. The Lord God. That is the Creator of Heaven and earth, friends.

... strong is the Lord God who judgeth her.

⁹ And the kings of the earth, who have committed fornication and lived deliciously with her, shall bewail her, and lament for her, when they shall see the smoke of her burning,

Do you know what is going to burn that in one day? That place is too big for natural fire to burn in one day. Atomic fire, friends. An atomic bomb. We are in the Age. They have it – nuclear weapons, weapons of mass destruction, prophesied in the Bible to burn this. In John's time, John couldn't even understand how that could burn in one hour. He said, "I wondered with great

admiration when I saw this woman controlling the whole world.” Think.

*... and she shall be utterly burned with fire:
for strong is the Lord God who judgeth her.*

*9 And the kings of the earth, who have
committed fornication and lived deliciously
with her, shall bewail her, and lament for
her, when they shall see the smoke of her
burning,*

*10 Standing afar off for the fear of her
torment, saying, Alas, alas, that great city
Babylon, that mighty city!*

Now remember, Babylon is in the beginning of the Bible, the middle of the Bible, and the end of the Bible. So that means Babylon is existing this morning. There is a city on earth that controls the world. And how was Babylon set up in the beginning? A man hunted people. A man-made war, a man controlled the resources of the world, and then he united the world and he set himself up as God. That is Genesis 10:8-10, you can read it. I wouldn't have time to get to it, but that was Nimrod, the mighty hunter who caged up the world.

But this Babylon we found out just now is, what? She is a cage too. She has built a cage too. And we find out, in the last days, a man is to set himself up as God in the last days, and a system is going to rule the world the same way. But there is a Voice that is calling out, “Come out of her,” a strong Voice, “My people!” Why? Because a mighty Angel had descended. First, He uncovered her mystery, Revelation 17; He showed who she was. Revelation 18, He called out of her, and He burns her with fire after.

Watch.

*10 Standing afar off for the fear of her
torment, saying, Alas, alas, that great city
Babylon, that mighty city! for in one hour
[one hour] is thy judgment come.*

11 And the merchants of the earth shall weep and mourn over her...

Russia is going to put a bomb on that Vatican, and it is going to blow it off the face of the map, friends. That's the Bible. He has a sickle in His hand. How many know that? How many know the hammer and the sickle, in the Bible, is the symbol of the communist power – Russia? That's right. And when He is coming to reap the earth, He has a sickle in His hand. That is prophecy in the Bible. That's right, friends.

How many know God had raised up Nebuchadnezzar back there in the Old Testament to chastise Israel? God uses kings, friends; God uses nations in the earth to bring judgment on others. That's the Bible. The unchanging God. Watch.

11 And the merchants of the earth shall weep and mourn [for] her; for no man buyeth their merchandise any more:

12 The merchandise of gold...

She buys gold. She hoards gold. She was decked with gold and silver and precious stones and pearls.

... and silver, and precious stones, and of pearls...

What is that? Mining. Mining. Who is controlling the gold mines in the Congo? Who is controlling the diamond mines in South Africa? Where do you get gold from? The moon? Where do you get silver from? Do they make it in a garment factory somewhere? No! You mine for it in the earth. It is in nations. So, when she wants to get in that nation, what does she do? She could drunken that king, she could commit fornication with him, she could put him to sleep; she could come in disguise; she could send in her technology. She could infiltrate nations. She uses kings and merchants in her deadly schemes. She begins to control the resources of nations.

How many know that the 'iron' was in every 'toe'? The fourth kingdom was iron and it went down into ten

'toes'. [Daniel 2:40-42 -Ed.] Romanism is in every nation in the earth.

... and fine linen, and purple, and silk, and scarlet...

What is that? That is your garment industry. That's your garment industry. Do you know in every archdiocese, in every parish, in every cathedral, in every nation, do you know that the Roman Catholic church doesn't rent? They own! Can you calculate how much real estate that is? Can you calculate how many buildings to how much real estate? Do you know that kind of wealth?

Friends, this is God's Word; this isn't my idea. This is God's Word. We read it in the Bible. You see, you read that and you say, "Gold and silver." They are words to you, but you have to stop and think, "Where does gold come from? You have to mine for it. You have to get into a nation."

We have oil. Do we drill for our oil? It is the big companies from outside that come in here and run their tests, do their drilling; do their different things. It is BP and AMOCO and TEXACO and SHELL and EXXON, around the world. Then they come in. We can't even read that. They are teaching you what to read and they are teaching you what they want.

Like you go in Guyana there, Guyana is poor as poor can be, and it is the richest nation: diamonds, and gold, and bauxite, lumber; forestry. But where is it going? Does it stay in Guyana? Is Guyana built up with it? Remember the story some years ago? They sold Guyana's timbers for 9 million dollars. The next week, they saw in the newspapers, the same man who bought it, sold it for 70 million dollars. They didn't even understand the worth of what they had there. They didn't even know how to estimate the value. They have no expertise. They don't know the world; a little backward place.

And even though you have goods and you have no market for it, how are you going to sell it? They say, "We are not buying from you." You have it and you can't develop it, you can't survive. They put pressure upon you, "We are going to come in." They lend you money. You borrow money from the World Bank, the IMF, and you start your operations.

And then they tell you, "Due to fluctuations in the market and certain changes and the economy, we have to raise that insurance on this."

Your interest on your loan goes up. And then you say, "We can't pay."

They say, "You just have to restructure. You have to start to lay off."

And they start to tell you how many to lay off, what to do, and start to dictate to the government. The next thing, they throw your whole nation in debt, and you become a debt nation. And the debtor becomes slaves to the lender, and a whole nation goes into debt and is now owned by a bigger nation.

The same way the bank comes and takes away your things, as an individual, on the World Bank, they don't deal with an individual, they deal with a nation. So, what happens on an individual level operates on a national level too. Do you get what I am saying?

Oh, it is real, friends. It is real. Why do you think now we have CARICOM? Why do you think we are going to have this? Grenada has nutmeg. [A spice -Ed.] Ivan licked up [destroyed -Ed.] nutmeg. In five hours, the nutmeg crop was gone, so there is nothing. From nutmeg to nothing. Do you get what I am saying? Brother, St. Vincent has arrowroots. [Starchy root crop -Ed.] St. Kitts have nothing. They said, "We will put up casinos. We will put up five-star hotels.

Do you know what they are doing? Your country becomes a playground for the big corporates. They are coming to have their orgies, and their gambling, and their sex, and all their entertainment, and your boys

and girls have to go and serve them. But they have you so blind that when two or three nice buildings go up, you feel prestigious. And you get a big airport and you get planes. Big 747's are landing, so you kind of feel a national pride. But the country starts to get filled with AIDS, and drugs, and all kinds of things that go with that life. Do you get what I am saying? The abominations, friends, it destroys the world. That is why he said, "Strong is the Lord Who judgeth her."

Watch the merchandise, so you'll know how she controls the wealth of the world. Revelation 17 was the religious side of her; Revelation 18 is the commercial side of her. This same one controls the wealth. She has the money.

... and all [the] thyine wood, and all manner vessels of ivory...

That wood is for fragrance. It is one of those kinds of sweet woods that you use for fragrance. Do you know in all their mass when they burn up that incense and it smells sweet and nice? They have a thing for that. That is when she is doing her sorceries and she is carrying out all her rituals of Nimrod in the Babylonian religion and gets the people—when she holds her round wafer to the sun god, and all her different things when they are worshipping Satan, the Beast that carrieth her.

Gross darkness is upon the earth, and upon the people, but rise and shine your Light has come.

... ivory...

Where do they get ivory from? Elephant's tusks. Does the elephant give up its tusks? Will it say, "Take this tusk, take this tusk; pull out this tusk here"? That is the poachers. They slaughter the elephant for those tusks to make nice things, to put it as ornaments on the wall and leave the meat there, dead. Do you understand what I am saying? And they destroy God's creation.

... and all manner vessels of most precious wood, and of brass, and iron...

Where do you get brass and iron from? The same place you get gold and silver and precious stones from – from the earth. That is what is causing all the earthquakes all over the place. Do you know why? Every house you see, every motorcar you see, every truck you see, every piece of technology you see, everything you see goes out there, every product, where is it coming from? [Congregation responds, “The earth.” –Ed.] It is coming from the earth. They pull it out to show their inventions, to exalt their knowledge above God’s knowledge, and they destroy the earth. They cut down all the trees, now the place gets so hot; storms start to take them.

After they dig and get all the uranium and different things and all the radioactive things to make the bombs, and they have all those things that remain, those radioactive waste, they throw it out into the sea, and the fish and they start to get cancer. When he catches the fish, man eats the fish; it comes up in the food chain and it comes in the people’s bodies.

With that promiscuous life, brother, the world got overpopulated; they cut down all the forest and turned wilderness into cities. They pushed the sea back and they claimed land and these things, and then now, all kinds of floods and all kinds of different things are taking them.

All the inventions, all the motorcars, brother, traffic jams from San Fernando to Port of Spain [Two major cities in Trinidad –Ed.], bumper to bumper almost. Children and parents have to get up at five o’clock in the morning to go to school and go to work in Port of Spain. And all that carbon-monoxide that is spewing there is going up into the atmosphere.

All this insecticide spray that they are spraying to kill the bugs and that DDT [insecticide –Ed.] doesn’t break down out of the atmosphere for months and months. That’s right. Then the fowl goes and picks up that bug and eats it with that DDT, and it comes back up the food chain. Man’s wisdom. That’s right.

Then they start to hybridize them, and they make chickens just to lay. This hen is only laying, laying, because this one wants eggs and ham for breakfast; eggs and bacon.

Then Kentucky places everywhere and Royal Castle [Fast food outlets –Ed.] and every other little fast-food place has to get chicken too. So brother, they have those chickens growing in three months-time, big, big chest because everybody wants a ‘Zinger’. [Special K.F.C sandwich –Ed.] Then who wants wings, then it’s a bunch of wings you’re getting. Another one who wants drumsticks, so it is only drumsticks on one side. Then they make all of them get big, big drumsticks. And it’s all kinds of deformed chickens there, pumped up with all kinds of things.

And then the beef that they inject with all their different substances, and then when they eat it now, it backfires in the human body, and it starts to breed all kinds of different diseases. And now we have more hospitals, more medicines, more doctors, more knowledge, more science, and more diseases. Not less diseases; more diseases killing more people. It’s all in the name of science, and education, and civilization. He perverted the world.

This world, behind this world, there is a man, an intelligence. There is one who organizes it. He is the ‘Tree’ of death. He built his garden for 6000 years, and now he is in the midst of the garden. And the whole world is eating from him because we are in the information Age, information-based civilization, information revolution, Age of computer science, Age when the fourth dimension is opened; fax and Internet and all these different things. Think of it. Because Satan, Lucifer, is that ‘Tree’ of knowledge, and God is the Tree of Life, and man ate from the ‘Tree’ of knowledge, and rejected the Tree of Life. And look at the world today: it is dying still trying to live off of that ‘Tree’; still trying to live off of that ‘Tree’. Can you see what I am talking about?

I believe this should make anybody desire to be a Christian. Anybody that wants Truth, it should make you desire to be a Christian.

Watch.

... and marble,

From the earth again.

¹³ And cinnamon, and odours, and ointments, and frankincense, and wine, and oil, and fine flour, and wheat...

And what is all of that? That is botany life. That's botany life.

... and beasts, and sheep...

Animal life. You know how many... Every restaurant you walk into, you want a beef steak, or you want a beef roti or you want a beef 'pelau'. [One pot meal -Ed.] You know, it is a cow getting killed for that, you know. That is business. All this 'mad cow' [Disease that destroys the brain and spinal cord in cows -Ed.] beef, it is all the things that they are injecting in it trying to blow it up, to produce the thing. There is no good food again, friends. Man has perverted everything.

... and horses, and chariots,

John couldn't say 'motorcar', but you see, that is transportation systems. She controls the motorcar industries, aeroplane industries, NASA, astronauts going out into space, monorails, trains, every form of transportation.

And lastly... What are the last two?

[Congregation says: "*... and slaves, and souls of men.*" -Ed.]

If she is here, there is a slave trade here. She deals in slaves. If she is here, the slave trade is here. And this is a good place for me to close.

Let the musicians come for me. [Bro. Vin addresses the musicians -Ed.] And help me. Come and play for me. And don't play too quietly; play a little bit. Because sometimes you sit down there and you think, well, I don't really want to close, so you kind of sit down behind. Play so I can hear you.

I am just reading my Scripture. I said, "Today I will really get through." This is four times I am coming and I am still reading.

I want to read something here on slavery, a little bit. And I took some of these things from the human rights place and from the American State Department, the U.S. State Department's website and some of these places. These are authentic things here. And to see the amount of trafficking in human beings. I was telling you the kind of slavery that goes on in the world that people don't know.

Trafficking in persons also known as human trafficking is the modern practice of slavery. It is the third largest criminal industry in the world, today, after arms and drugs dealing, and it is the fastest growing.

Trafficking in people: selling children, selling women, selling men; selling young boys. They need some for organs. They pick up all those street children; sometimes they disappear. They have good kidneys; they have good hearts. People want things for research; rich people, if they have no children and they want children.

With all these bunch [Large number -Ed.] of orphans out in Indonesia there, brother, this Catholic priest from Australia went over and he tried to set up an orphanage. Brother, he got such resistance from the Muslims, because they knew exactly that they were coming for those children. It is a commodity.

There were people on the Internet a couple of days after the earthquake, a man was already advertising 300 children. All paperwork and everything were already fixed; that was part of the advertisement. "Don't worry about that; that will be taken care of." They have officials, government officials, to get passports, to get birth certificates, to get false documents, so they can get them out of that country into the next. Pedophiles, they want them. People who are using slave labor in sweatshops, they want them. Because that means you

can be a slave from eight years old. And if you live until ninety, from eight to ninety, they have you in their factory.

These things, many of these things are not publicized. Sometimes you don't see it make your frontline. [Newspaper -Ed.] They will more likely put naked women on your frontline, or tell you everybody who is getting killed in Nelson Street or in Laventille. [Places in East Port-of-Spain, Trinidad -Ed.] They will put that in your newspaper. And information is so controlled, that they keep people knowing what they want them to know, and hiding what they don't want them to see. The news media tells you what is news, and they say what is not news.

All this thing with Carnival, who is singing what, that is news; that will fill up a few pages. 'Saucy Wow' [local entertainer -Ed.] and all of them, they will get a big, big place on the page. Let something happen to you and you have some cause to go down there, they have no place for you because that doesn't sell newspapers. And they want what sells newspapers because they have a clientele to feed a certain diet; that they cultured them into a certain kind of taste.

Trafficking in persons also known as human rights trafficking...

I read it in the Bible for you. I am reading some of the evidence for you, to show you that the Bible is not making up this. And if this is true, all the rest is true.

It is the third largest criminal industry in the world today after arms and drug dealing; it is the fastest growing. Victims of trafficking are forced or coerced into labor and sexual exploitation with approximately fifty percent of all the victims being children.

Because of AIDS today in these sex tourism places, people, when they see you are thirty and thirty-five years old, nobody wants to go there. They know if you are in this business at thirty and thirty-five years old, that is a risk. So the people, to get the business and

keep their clientele going, they have to have them from nine to seventeen; that kind of age. So, they kind of figure, "These are young. They are now coming out; they don't have any set of diseases, no sexually transmitted diseases. They are clean."

That is why pedophilia and these things get so strong – because of the impact of AIDS on the world. And that fear makes them look for the untainted. And that is why all this bunch of little children are disappearing all over the place. And then when they are showing up... And then parents are selling their children; exposing their children.

Look at all this Michael Jackson trial here; they showed you that too. America is that kind of place. Do you want to get two or three million dollars right away? A woman said she will have a baby for Michael Jackson. She is just carrying the baby; that is the arrangement. "I want to father a child. Okay, you carry the child. You don't know me after that; I don't know you after. I'll pay you off; job done!" They have no conscience.

Like I was showing you the other night, the reason this business is the fastest growing, when you sell drugs, you have to make more because you burn up that; you use up that. When you burn up marijuana, you have to plant more. When you burn up cocaine, you have to plant more. When you drink up alcohol, you have to manufacture more. You have arms and ammunition; when you use up that, you have to get more. Women can be used over and over and over and over and over, so they are selling the sex, they are selling these things, but you still have the commodity.

From the very beginning of the Bible, it is one of the oldest sins; it started with mother Eve. It is one of the biggest sins, and it is still with us here today.

Victims of trafficking are forced or coerced into labor and sexual exploitation with approximately fifty percent of all victims being children. Sex trafficking is the most lucrative sector of the of trading people, and it involves

sexual exploitation in prostitution or pornography, bride trafficking, and commercial sexual abuse of children.

Millions of women and children are victims of trafficking each year, with an estimated twenty thousand foreign nationals trafficked annually in the United States alone. The number of U.S. citizens trafficked within the country are even higher with an estimated more than two hundred thousand American children at high risk for trafficking in the sex industry every year.

That is the United States alone.

Experts estimate that anywhere from seven hundred thousand to four million persons are trafficked annually worldwide, and that approximately fifty thousand women and children are trafficked annually for sexual exploitation in the United States.

They asked, on one of the things here, it says: *How did you estimate that fifty thousand women and children are sold annually in the US? The answer came from a study by the CIA which tries to estimate the number of people who are trafficked every year in this country.*

Many women and children are trafficked into the sex industry but not all. Other trafficking involved like sweatshop labor...

Have you ever read, in America, where they have these bunch of Chinese immigrants coming in big containers and things, and the other day, they found a whole container full of them, dead, down in a place; a whole container of people, dead; smuggled them into the country? Because they are selling people into a business, and they are down there from six in the morning to maybe about twelve in the night, sewing, sewing, sewing, sewing, sewing, sewing.

Remember Michael Jordan with those thirty thousand-dollar sneakers—thirty million, rather, a year endorsement for Nike? And when they came, they said, “How is it that you are endorsing that, a big superstar like you, getting thirty million a year to wear those

sneakers, and it is little children working day and night sometimes for fifty cents a week and these things, two dollars a week for those things; working about eighteen hours a day sewing that?”

Do you think it is big people sewing that? You see it looks nice in the shop, and when we buy that, do you know what we are doing? We are supporting slave labor; slavery. It is hidden to our eyes so we don't know.

They say, “All of your cocoa, most of your cocoa...” Because we have a little cocoa here. If we drink our local cocoa, that is fine. If we rely on our grated chocolate, that is good. But all those nice ones in the tins that are coming from the Ivory Coast, are slaves that they have – young boys and young girls; beat them; own them.

And they showed you them, when they got a lot of them, all their backs and everything were whipped and in sores and everything because of where they were sleeping, and hardly having anything to eat, harvesting those cocoas. And they said all of that is coming into your house in nice fancy tins. It's on the grocery shelves and you're pushing the trolley: “Oh, I want that. We are going to have some chocolate cake. We are going to have this over here,” having a nice time. Brother, little children are being whipped; beaten, to grow those things.

They said: *Right now human trafficking is the third largest criminal industry after drugs and ammunition; the fastest growing and many speculate that it would overtake drug trafficking.*

They have this man in Bosnia... They said: *There are more slaves today than were seized from Africa in four centuries of the Transatlantic Slave Trade. The modern commerce in humans rivals illegal drug trafficking in its global reach, and in the destruction of lives. Sherwood Castle [a place in Bosnia] former railway official who rose to become a notorious trafficker in Bosnia...*

The human rights people went and interrogated him, and they started to talk to him, they said, “How could

you be trafficking all these women? You are known to be taking women out of those European countries, from the Philippines also, and those Asian countries, smuggling them inside. Then they end up in brothels. They are thinking they are going to get a job. They are thinking they are going to work in some industry to help their poor families back home.”

And the next thing they know, they confiscate their passport and these things, then they put them there. They say, “Okay, do you want to go free?” They lend them money and then they go and they tell the immigration, (and these people have contacts in there,) “These people are in the country illegally.” They come, they hold them; lock them up in jail. Then the same men go, pay the officials and take them back out. They say, “Okay, now you have to pay back this loan. You have to work for six months.” And for some of them, that debt goes on and on and on and on, and they sell them from one to the next and they can’t pay back that debt. And that is how they snare them, and they cage them, and they trap them.

They are trading in the souls of men just like gold, just like silver, just like different types of wood, just like marble, just like silk and purple and linen. They are trading them the same way, (you read it in the Bible here,) this Babylon that has become the cage. This world...

Hear this. They came to this man now, they said, “How could you be buying women for brothels and all these different things?”

So he asked them, “Is it a crime to sell women? Is it a crime to sell women?” He said, “Then why is it not a crime when they are selling those footballers? Don’t they buy players? Don’t they sell them to different clubs? Don’t they bargain for them? Don’t they auction them, and this club is willing to pay more money for that person so they sell him to the highest bidder, and they release him from the contract, and now he goes out

in that club and starts to wear those colors and plays for that club, and tries to fill their stadiums to bring in money to entertain the people in that city?”

But when the media is finished with it, you realize they are driving a Ferrari, they are modelling designer clothing, and then the whole world is already indoctrinated to find that looks classy. You are wearing the same thing that they are wearing so you kind of feel right there with them. Can you imagine what I am saying? And you are trying to pattern yourself after a bought and sold slave.

And Jesus Christ made you free, and gave you the Holy Ghost, and He shed His Blood for you and He purchased you with His Blood; not corruptible things like gold and silver, yet you have a sense of pride looking like the slave out there, and you are ashamed of the Gospel.

See what is in your soul! Because God looks in your soul. God sees what your values are. God sees what your ambitions are. God sees what you are trying to emulate. God sees what you are allowing to influence your life. And to get God to live in you and use you, you have to cooperate with God’s Word. You have to come into submission to God’s Word. You can’t be ashamed of God and want God to live in you. You can’t expect God to give you His power and use you, and then you are afraid to identify with Him; you would rather be identified with something else. Do you get what I am saying? No, friends.

I don’t want to hold you any longer. Thank God, I am from this church. I would have felt really bad, if I had come from another church and came here to preach. But I can go on next time, a little more.

I want to show you one or two pictures from the Bush inauguration. And for a long time, we have known these things, and a lot of people observed these things as well. And now people get sensitive... People who are sensitized, not desensitized, recognize it and are talking

about it. Because you see, all these people in Absalom's secret society, who are stealing the hearts of the people, and who, through their conspiracy, are taking the kingdom to establish their own kingdom and are using David's angels to build their own kingdom, like Lucifer took Michael's angels, (is that right?) to build his own kingdom.

And they have this thing, with all their lodges, and their Freemasons and all their different orders, these rulers of the darkness of this world, these principalities and powers, these spiritual wickedness in high places that control this highly organized world, and have the people like dumb cattle, blinded, and just herded, and move in the way that they want them to move, they asked, "How is it that you all are doing that sign?"

They said, "Aah, don't bother with that. That's a thing in Texas. We are just kind of doing that because the Texas university—Texas, the long-horned cow, that is a sign for that, you know."

But it is really Satan worship. And I brought it because I wanted to show it as I preach on these things in this Age and where we've come to. And this cage that is being built, and this whole world that is being enslaved and becoming—being desensitized, and now accepting the things of Satan that are put out there to deceive and defile and pervert, and the people are taking it because they have already been blinded.

And I hope they have the pictures ready for me. [Bro. Vin addresses the technicians and they begin the slideshow -Ed.]

The first one here is President Bush and his wife, Laura Bush, where they were there giving the sign when they stood there.

Then the next one, his daughters, they were also at the inauguration giving the same sign.

But isn't it strange, they said that they are supporting some Texas University thing, but here is Prince William giving one of the same signs. Then here was President Clinton. President Bush. You have the Italian Prime

Minister at the bottom left. You have President Bush again. You have Paul McCartney from the Beatles. Do all of them support Texas University?

You have General Tommy Franks there, him too. That is the man who went forth there in Baghdad when they led the great thing there.

Then you have these Satan worshippers, this Rock group. I wonder if they are supporting that thing as well.

Here is Dan Quail [Former Vice President to President Bill Clinton – Ed.] Here is Berlusconi again, the Italian Prime Minister there. Then there is a picture, they show you how they do it and what it represents.

I have a message, (if I can get through this,) to preach on *A World Bewitched By Sorceries*. The Prophet said, “Who is building this kingdom?” He said, “Lucifer and men with those demons inside of them are doing these things in the world today.”

Then here is Bush again. And here is the Pope, and this one shows, with the Pope, what he is wearing there, is this great dragon that he wears on his garment.

Is it just that they are fancy? Is it just that they like that? Is that just religion, friends? What are these things? What kind of Age are we in? What is really happening there in the world? What is this Babylon, this system? Did you know the Prophet said, “That religion of Nimrod is intermingled with Christianity and that Pontiff Maximus is still here today?” And do you know that that second beast in Revelation 13, was made so the first Beast can project himself and continue his work through, which is the United States of America – the political arm of the Vatican? And these are the people, friends, that have the whole world sensitized to terrorism and those kinds of evil and made people drop all their liberties.

But before that could happen, we were forewarned because there is One Who came down from Heaven. There is One Whose Glory lightened the earth, and there was a Voice on earth that was crying out, “Come out of

her, My people and be not partaker of her sins.” And God is separating His people from this unbelief, friends, from this cage.

All this pornography... That word where it talks about ‘fornication’ there, is ‘*porn*’; ‘*porneia*’ – this great harlot and what she commits. And ‘*graphia*’... It is two Greek words: porno-graphy. ‘Porno’ is like a harlot, ‘*fornication*’, and ‘*graphia*’ is ‘*to write*’. They didn’t have the technology in those days, so way back in ancient Greece, they would write all these...

Like they have all these ‘*Mills And Boon*’ books [romance novels -Ed.], and all these kinds of different modern romance and all kinds of different things, things that man sits down there and write, to excite the passions, to get into the minds of young girls and young boys, to start to pervert their thinking about love and sex, and trap them in their minds, and begin to deform them, and begin to stir up their curiosity, and begin to describe images of sexual encounters.

Let me say: Do you want to die? Do you want to pick up an evil spirit? Read those things. If you are a believer, and you have the fear of God, get some discernment. Get some discernment and know that is the wrong tree. That is what he gave to Eve. That is what he gave to Eve. That is what brought the world into this.

That is why they say there are over 280 million pornographic sites on the Internet today. Could you imagine that? From little children all the way up. What is it for? To desensitize the people to the reality of God, to the things of God; to hook them in every way and in every form, and through everything that they can make available.

And some of you who many times get lured, I feel the Holy Spirit have dealt with me with some of these things, because some of you have been snared, have been enticed, have been lured, and you are getting right into the clutches of the Devil. Because if God’s perfect daughter, Eve, in the beginning, pulled the Veil off to

see what sex was, in the very beginning, when that was what Satan offered her, is the very thing he is corrupting the world with today.

All this human trafficking I showed you, all these things, I wanted you to see this world is ordered, it is arranged; it is designed. I don't have time. I will come back maybe in a few services, even if it is not from here, and listen to me out on these things, you will see and understand what I am talking about.

I took those things down through the Bible and showed you, even the music that Cain and they began to bring, what it was designed to do, and even the false worship that was connected with that also, as the tree kept growing and producing the fruit. And in the last days, at Harvest Time, the tree is fully laden and is matured, and every form of enticement, every form of evil now is on the tree.

And in the Information Age, brother, it can be sent around the world instantly through the Internet, through movies, through television, until the whole world, that spirit is loosed: teaching them drugs, teaching them crime, teaching them sex, teaching them everything in the form of entertainment; corrupting them that a man no longer knows how to treat a woman when he sees her.

You see, in the natural addiction, when a man takes cocaine, he is an old weed-smoker [marijuana; cannabis -Ed.], and different things, they could carry you to a rehabilitation center, they could detoxify you, they could get those things out of your bloodstream; they could get you built back up. But when pornographic images and these things get into your mind, into your subconscious, what do you erase that with? What do you erase that with? Which rehabilitation center is going to get that out of you? Do you get what I am saying?

He is coming for a spotless Church, undefiled, living pure lives, walking holy and upright; not playing

around, not peeping, not messing around; not getting into filth. From the time you get there, you have opened up your mind to the entrance of another spirit. Because when a man is drawn away by his lust, he is enticed. He is enticed! And when lust is conceived, it brings forth sin, and sin, when it is finished, brings forth death, and death is separation from Life.

When Eve saw it was good for food, it was a 'Tree' desired to make one wise, it was pleasant to the eyes, by the time that was finished and brought forth its fruit, she was dead. Because the day you eat you shall surely? [Congregation responds, "Die." -Ed.] They were put outside of the Garden, now covered with fig leaves and these things.

Let me say this, young boys and young girls, you are playing with demon power that some of you cannot even start to deal with yet. It looks like a little image there, but it is a mind; it is an intelligence. It is something that knows the human body: how it was born and how it came. And the one who did that is the one who had the plan to open the door into the human race, and what he was going to use, and how he manipulated the woman's thinking, and that is why the greatest battle ever fought is right in the background of the mind. And what controls you on the inside, is what comes through your eye gate and your ear gate. Because 'seeing' is '*video*', and 'hearing' is '*audio*', and that is communication, and that is what controls you.

But you could hear the Word too, and faith comes by hearing. And he said, "I have heard but now I see," and you can see God's Word. When It is planted and finds a bedding ground It can grow in, when It comes forth, It can bring forth the Token, and you'll see a man and woman walking holy and upright; you'll see a life put on display.

Do not be fooled, friends; it is a pit being dug. Young people, let me say this: Paul told Timothy, "Flee fornication. Flee youthful lusts." Not take a peep, not take a glance, not put your hand in your pocket and

walk away, and try to convince yourself it is not going to bother you; “Flee.” Joseph didn’t walk away. He was accustomed to seeing the woman in her clothes. She was getting more revealing to tantalize him, and that day when she came, she was naked. And brother, he left that clothes; he was gone like a bullet.

Flee. When you get around friends and they want to talk about those things, you don’t want any part of that, friends. Do you know what is going on? Children of darkness already possessed with that spirit are hissing over you, breathing upon you. And that poison is coming out to pollute your mind and hypnotize you and bring you under the spell because that spirit wants another convert. And if you have the Word inside of you, the only thing to stop that is the Word. That is why you don’t go out there and let them influence you; you do the influencing. You have the Word. You have the Word! That is real, real!

All these things... Remember, these sites didn’t just end up there, you know. This is the web. This is the Age. This is when the prey is being caught. This is the hunter snaring and taking them by deceit; trapped them into drug addiction, trapped them into sex addiction; trapped them into uncleanness. It is put out there to look enticing. It has a pull.

And I know it is harder for you all, because you all are in a different kind of generation. And some of you all, as small as you are, are exposed to what your father and your mother wasn’t exposed to until they get to forty or fifty years. But if you have a desire this morning, for God’s Holy Spirit, if you have a desire for the Birthright and you don’t want to sell out for that morsel of meat, if you believe there is Something inside of you that wants that Heavenly Thing, God can give that to you in the service here this morning. How many desire that, let me see here? How many want that real, real experience, friends?

Let us stand to our feet. Let us stand to our feet.
Shackled by a heavy burden 'neath the load of sin and shame, then the Hand of Jesus touched me, and now I am no longer the same. You heard those sisters sing that Psalm: *A mighty hunter is on the loose. He is capturing everyone he could. He has found a way to connect the world; he got them now under his control,* friends. [#931 - Songs That Live -Ed.] See? But I trust that you, I trust that you this morning, you want something more; you want something real. Let us start with the chorus: He touched me. He touched me.

[#156 - Songs That Live -Ed.]

He touched me,

I trust that He touched you today by His Word.

... oh, He touched me,

And oh, the joy...

And oh, the joy that floods my soul!

Oh! Something happened...

Something happened and now I know,

Oh, He touched me and made me whole.

Why don't you lift your hands around the building, and sing it again: He touched me! He is right here in touching distance. If you need a brand new touch, why don't you just ask Him in your heart.

He touched me,

Oh, thank You, Lord.

And oh, the joy that floods my soul!

Oh, something...

Something...

Oh, it really happened.

... happened and now I know,

It was Jesus, friends.

He touched me and made me whole.

Shackled by a heavy burden,

Shackled by a heavy burden,

Oh, the weight of sin is a heavy burden, friends.

'Neath a load of guilt and shame,

You feel so condemned many times, when you are in the wrong.

Then, oh, the hand of Jesus...

That nail-scarred hand; that hand that can cleanse by one touch; that can heal. Amen.

And now I am no longer the same.

... I am no longer the same.

Oh, *He touched me...*

Oh, Jesus as we stand here in Your Presence, today, wouldn't You stretch forth Your hand, dear God, and give that cleansing touch, that healing touch, oh God, that touch that could expel every bit of demon power that has gripped the lives of these, Your little children, Father.

Something really happened and now I know,

He touched me and made me whole.

If you do not know Him, why don't you come to know Him today.

Since I met this blessed Saviour,

In a service is a good place where you can meet with Him. As His Word would shine Light across your path, Light that can illuminate your mind, open up your understanding and give you a deeper insight; Light that can cast away every bit of darkness from round about you and lift that heavy burden of sin off of you; that could lighten your path to Calvary where there is a Fountain flowing, where there is a crimson Stream that can remove all guilt and shame.

Oh, He touched me.

He touched me...

Oh God, we thank You!

... oh, He touched me,

Yes, Lord.

And oh, the joy that floods my soul! Let it fill your hearts today. You don't have to go to those beggarly elements. You don't have to drift out there and become

entangled in those snares of the enemy, those pitfalls; those traps that he set to take you captive.

Jesus touched me and made me whole.

Oh, one more time: Shackled by a heavy burden. I believe He wants to lift some of those burdens here this morning. He said, "Come unto Me all you that labor and are heavily laden, and I will give you rest unto your soul." [Matthew 11:28-29 -Ed.] Maybe, you might have done this before in a mental way, but today after hearing His Word, if that really strikes something in your heart, you say, "I want to be delivered from this load of guilt and shame. I really want to walk with Him. I want to walk in the Light as He is in the Light. I want His Blood to cleanse me from all sin. As a young man, I want to give my life to Jesus Christ. As a young woman, I want to dedicate my life to His service. I see the evil in the world, but today it became more real to me, and I need God's help and I want to open up my heart so that His Holy Spirit can come to me."

If you desire that, why don't you come forward? You are a believer. You are a believer. You are a young man, a young woman, you say, "I believe what you are saying, preacher. I want that reality; I don't want to turn that down. I know it is a battle out there. I battle these things in my mind. I battle these things in my flesh, but I am looking for deliverance. I am looking for my God to cleanse me. I am looking for my God to break this thing from around my life."

I believe that God will hear a sincere prayer. "Many times, I see my friends in it. I hear them talk about it in such an excited way in school. I got lured. I got pulled. It is like a bait on a hook. I couldn't see the hook until I got hooked, until I got trapped, and I feel so condemned, I feel so filthy; I feel so dirty. I feel so condemned many times, but I heard of a Fountain opened this morning. I heard of a Place."

Oh, He touched me...

I heard of a Place where I can be washed and become clean. Though your sins be as scarlet, they can be white as snow. Though it is red as crimson, it can be white as wool. You say, "I don't want to look at those things," but it is such an evil spirit. You are playing with demon powers. You are playing with evil spirits, but God said, "In My Name, you shall cast out evil spirits." It is a chain of darkness that wants to take a hold of your minds and make you a slave and cage you up; make you an addict, enslaved in your evil habits.

I want you to be really sincere. It is quite a lot of you, but God will respect sincerity and faith. Sometimes, some of these things need counselling, someone to talk to you and open it up more to you, and break it down to you, and know a little bit of your background: the way you pass many times, where you live; what you are exposed to. I want you to be sincere enough that if some of you have been trapped in this...

I know many of you here, you are not, maybe, all here for this. You just feel that you get a lot of battles in your mind. You are under a lot of pressure. You have friends who want to present this to you in school. You can't draw the line. You kind of think maybe there is a little gray place in the middle, between black and white. You try to maybe walk there a little bit and you find yourself flirting with evil. That is why the Bible said, "Enticing spirits, seducing spirits," to lure you, to pull you out from behind the Word, to get you in a place where you think it is not so bad. So, you begin to let down your defenses and open up your heart and your mind, and then like a python, it grabs you and you can't break free from its clutches.

But God is able here to help you, and more than able to help you and deliver you, but down in your heart you have to be honest and sincere with Him. And what all of you can do in your various stages or influences or battles, if you know you have done wrong, and you know you have been snared, and you know you have

been indulging, you confess those things to Him right now.

In your heart, “Oh God, I’ve heard Your Word this morning and It convicted me, Lord. I want to see this be rooted out of my life completely. Oh Lord, these battles, I was being, kind of, drifting and influenced in that direction, but this comes like a warning sign. God, I am turning around this morning. I am not going to be lured by the enemy. I see the hook behind the lure. Behind the enticement, I see the deadly trap.”

And I trust that you who are here also can say, “I see those things but I don’t say anything. I need to speak out and stand up as a Christian. And Lord, You show me how many times I cause people to fall and go into places, because I am ashamed to open my mouth and speak about You and condemn that wrong. I’ve compromised.”

As you confess in your heart, God will hear a sincere prayer, because the Blood of Jesus Christ can cleanse you, friends. It can cleanse your body, your soul, your spirit. It can cleanse you completely. It can break every influence, every fetter and every chain around your life. One touch of His hand can lift you out of that burden of sin. You can walk away from here free today. That is the privilege of hearing the Word, taking It into your heart, and believing It.

And now if you have done that and you have confessed, not just some little, dry confession but sincerely in your heart: “Oh God, take this away from me. Root it out that there is not another desire. Give me the strength that I will not be pulled back into that. Cut me so free today and give me that strength that I can walk upright and know how to possess my vessel in sanctification and honor because I want to be so filled with Your Holy Spirit, Lord. I don’t want to be like Esau – sell out my birthright for a morsel of meat.”

If you can do that in His Presence, sincerely, then I believe we can pray and there will be nothing to hinder

that prayer. Because the Bible said, “If two shall agree...” And God’s servants all around here, and the church standing praying: “If two shall agree as upon touching anything, it shall be done.” Let’s believe Him today.

This is an Age, we are all bombarded by these things, but this is a time when God can free us. That is why He draws us to a place, we can hear the Word. We can be washed with the washing by the Water of the Word. Let us pray. Let every heart be sincere now and believe. Believe! And if you find that your mind wants to waver, you just say, “Lord, increase my faith. Give me the faith I don’t have to believe You, Lord, because I want to come out of this. I want to be a true young man, a true young woman. I want to be a real servant of Jesus Christ. I want to know You, God. I want You to live in my life. I believe You have a plan for me. I want to see that plan be made manifest in my life, Lord.” I know that God will hear.

Lord Jesus, together with my ministering brothers, together with the officers, together with this church, dear God, we stand around these young ones, Father. All that stand here at this altar, knowing that the altar is a place of sacrifice. It is a place, oh God, where You said, “Offer yourselves a living sacrifice, holy and acceptable unto God, that this is a reasonable service.”

And I pray, oh God, as men and women stand here today, they come, oh God, laying down their heads – their thoughts; they come laying down their inwards – their desires and their affections; they come laying down their feet, oh God, determined to walk in Your Truth, and in Your Light. Not to walk in the counsel of the ungodly, not to walk in the vanity of their minds, not to walk after the course of this world, not to walk after the flesh, oh God, but to walk in Truth; to walk worthy of this vocation. And laying down their fat, Lord – their best, oh God; coming to give their lives that they might become an instrument in Your hands, oh God, because

they have come to realize that You have made them to be Your very temple; that You want to dwell in them, and walk in them, and shine Your light through them.

I pray, dear God, today, Lord Jesus, that every young man and young woman that stand here, who have wrestled with these demons, those who might be snared by these demons, those who have been enticed and are being lured from behind the Word by these demons, we, the Church of the Living God, we come against this host of darkness. We come against these demons, these wicked, evil spirits that come to steal, and to kill, and to destroy.

Satan in the Name of Jesus Christ, you are exposed here today. We rebuke you, Devil. We cast you away from these children of God that have taken a stand today, hearing the Word, and coming to offer themselves a living sacrifice holy and acceptable unto God. You might have lied to them, you might have tried to deceive them, you might have trapped some of them, but they have confessed their sins, and now you cannot hold them any longer. Turn them loose in the Name of Jesus Christ. Depart from them and this place.

Oh God, may Your Quickening Power quicken Your Word within their hearts. Let them be so inoculated with the revelation of this Truth. Let Your Holy Spirit so Seal them, oh God, that there is such a repellant in them; a resisting power. Let them be so circumcised from this flesh, oh God, that there is no taste and there is no desire; their affections will be set on things Above.

As Your Holy Spirit comes down, Father, into their hearts, as they will invite You in, oh God, they might become a temple, meet for Your dwelling. God, let the conviction that struck their heart this day, continue to go deeper, and deeper, and deeper that, Lord God, it will not just be a ritual here but they will continue on in your Word, and become Your disciples indeed.

May You fill them up, oh God, knowing that when that unclean spirit departs, it will walk in dry places

and it will come back. And if it finds the house swept and garnished, it gets seven more evil spirits. That is why You told them go and sin no more lest a worse thing happen to them.

And I pray, oh God, that they will stay in Your Presence, and stay under the effects of Your Word, acting upon It, oh God, emptying out completely that You might fill and Seal them away so completely, Father, that they will become a new creation in Christ, old things pass away, and all things become new.

Let not one that is standing here, go back with that burden of sin upon them, but let them go back, oh God, with that burden lifted, cast aside, oh God, and God, Your peace that they can have in their hearts, to know that You have forgiven them, You have heard their cry, You have seen their conviction, You have seen their willingness to rise up and to live for You, Father, to be honest and sincere, to shun the very appearance of evil; to turn their backs on sin, oh God. May You grant it, Father. We commit them into Your hands.

We thank You for Your grace, Father. We thank You for Your mercy. We thank You that You are faithful that You are able to keep what we commit unto You even against that day. Lord, we lift our hands acknowledging our surrender to You, that we receive Your grace, we receive Your pardon; we receive Your blessing. We believe it, Lord. We confess it, in the Name of Jesus Christ. Let Your Holy Spirit abide with each and every one, Father. Oh, may You grant it, Lord. May You grant it, Jesus. Amen.

Amen. God bless you. Have faith and believe, my children. And to you, if any of you need counselling, we can set up a little time. We have the Ministers here. If you want someone to talk to before you go back home, after the service, we have people that will sit and talk with you and help you. And if it is something that you need to understand a little better to help you stay under the Word and to stay in a place where you can be

strengthened, and know how to move on from here, do not take these things lightly, friends; receive what God wants to give to you. Blessed be His wonderful Name.

As we remain with our hearts bowed, we will have a dismissal prayer. I would like to call Bro. Samuel Johnson to come and pray.

[Bro. Samuel Johnson prays -Ed.]

Amen. Turn around and greet the person next to you; tell them God bless them. We have a brother and sister from Dominica. I wonder if they can lift their hands, let me get an idea of where they are at. A sister from Dominica and... God bless you. God bless you. Amen.

Also, we have a thank you note: *Bro. Franklin Flaviney would like to thank the Lord for His grace, His Love, His blessing, for allowing him to celebrate his 74th birthday today.*

Let's give him a real birthday greeting here, by God's grace. God bless his dear heart; seventy-four years. That's the father of our songleader. Amen. God bless his dear heart. Amen. Happy birthday, my precious brother. Amen. God bless you.

Sis. Yuklin Larrah would like to thank the Lord for healing her of a pinched nerve.

Amen? God bless her heart. That's right. If you have faith, you believe God, liberty, victory, He'll take care of it all.

And our Bro. David Baboolal would like to thank the Lord for his wife's safe delivery of a baby girl.

God bless them. Amen. Congratulations from all of us (amen) that our sister had a safe delivery. Amen. Another addition to the family. May God bless them. Amen.

You may have your seats. Let's just sing this little song: *He set me free. He set me free. He broke the bonds of prison for me. I'm glory bound my Jesus to see, for glory to God, He set me free.* [#257 - Songs That Live -Ed.] How many are Glory-bound here this morning? Amen. You're heading for Glory, by the grace of Almighty God. Amen.

There is something about freedom, friends. There is something about deliverance. Like a bird out of prison that's taking flight. Amen. Like something that was caged up that's set free. Hallelujah!

Come my brother. [Bro. Vin calls Bro. Ken Flaviney -Ed.] Let's try: He set me free. Now remember our special service on Wednesday. Remember that.
