Excerpt:

In the time of Joseph, a fourteen year prophecy – seven years of plenty and seven years of famine. Pharaoh got the dream. It was all in symbols and nobody could interpret it. Is that right? But God sent it encrypted purposely because God had a man there in the prison with the key to unlock that. A man becoming a prisoner in a prison; a man himself used that key in his own life with his own mystery because he unlocked the twelfth star. He unlocked the mystery of the sun, the moon and the eleven stars. He unlocked the sheaf; he unlocked those things. And what he used in his own life to reveal his own mystery of his birth path, of his life and purpose, he used that same key and opened something for the whole Age, and the world, and the nations. FOREWORD

This is a sermon preached by Bro. Vin A. Dayal and is published through the freewill offerings of the members of the Third Exodus Assembly.

It is intended to edify the reader and make clear the Bride-Promises of God, which were revealed through the ministry of God's Prophet-Messenger, Bro William Marrion Branham, for the Elect in this Day. It is not meant to promote any special doctrine or person, save, the Lord Jesus Christ and His Divine Word.

The original video and audio recording can be accessed through our website www.thirdexodus.org

We pray the blessing of God upon each reader and may illumination by the Spirit of God be each one's special portion.

*The Language Within A Language And The Mystery
Within A Mystery*

SUNDAY 18TH SEPTEMBER, 2005
TRINIDAD

BRO. VIN A. DAYAL

[Song #569 - Songs That Live -Ed.]

*For I know You will lead me
In the footprints that You have left,
And I know that You will guide me
And keep me in this path.*

Oh, let's lift our hands and sing, "I just love that Dove," this great blessed Holy Spirit.

*I just love that Dove,
Oh, for He is my Lord,
For He is my Lord,
Oh, and I just love that Dove, this morning.
I just love that Dove,
For He has been my Guide;
Oh, He has brought me...*

*He has brought me up seven steps,
To a perfect faith...*

To a perfect faith I've never known;

Hallelujah

Now He'll send me,

Now He'll send me,

Oh, with His Word,

As He rides this trail again.

Amen. Let us look to Him in prayer once more. Let's just believe Him today, expect all that He has promised. And as we think of the places in our hearts and our lives where we would desire His Divine provision to supply our need, let's believe with our hearts and confess with

our mouths. Let's come expecting to receive it from Him, knowing that He is faithful.

Lord Jesus, in this great Hour Father, hearing the children of God worship You, giving utterance in song. Singing, oh God, of the great realities that has been revealed among us. Worshipping, Lord, by revelation. Lord, in the Word of God that You have opened up to us, identified amongst us, making Yourself personalized. Showing us that You are not just the Prophet's God but You are our God also.

Something is breaking, Lord, between mortal and immortality. We thank You, dear God, for this great vision that has unfolded down to us. We thank You Lord, for the Olive Leaf in the mouth of the Dove, ministering to those that are shut up in the ark, oh God, being taken into a New World, because Lord, we believe the Message of Your vindicated Prophet.

In this great Hour, dear God, when You are bringing all these things to pass, singing, oh God, of this great Dove that has led us into a faith that we have never known, and knowing that all these things are promises – promises spoken in the Message of God for this Hour; promises, dear God, that are being ministered to the Elected Bride of Jesus Christ. And Lord, we as simple people, a humble people, have been favored by You to see these things being made personalized to us, giving us identification that we are not just Trinidadians, Lord! Dear God, that You thought of us. We were considered in the great plan of redemption. You foreknew us and You have come down and quickened us and made us alive because we are foreordained of God to go in the Rapture – the Father's spiritual Genes. We thank You, dear God, for this identification because it gives us faith. It places us in the Scripture. It brings us into true relationship with You.

Lord God, we have something in our hearts that believe these things with a passion, knowing oh God, that the lives we live, we live by the faith of the Son of

God. Not we that live but Christ liveth in us. These great discoveries Lord, in our spiritual research, finding this material, oh God, that was laying there, oh God, that creates such an atmosphere and lift the people up in the Power of God; lift the Church up into Rapturing grace in this Hour.

It is not a tradition. How we become sensitized when we come around this season because in the hearts and minds of Your children Lord, this is the time when Your Prophet, after forty-two years, six sevens of suffering, oh God, and longing to see that Seventh Dove, the Lord coming down on the wings of a Dove, the great Jehovah in the form of the Pillar of Fire, as You did on the banks of the Jordan upon that Son of God. And how You came back in this Day Lord, and by Your Prophet, opened up this to show that down through the Bible from the very Book of Genesis, the Dove, the blessed Holy Spirit, led the sons of God.

When You made that very first son, Lord, You led him. And every son of God, every believer that ever overcame in the Bible was led by Your Holy Spirit – the identified Christ of all Ages being identified and revealed Lord, in Your expressed attributes. And now in these last days, in the Bride's Age, the identified Christ is being revealed in Bride form, in the Bride's Age, in the Bride's coming, closing up the Bible, oh God. And through this little group of the True Seed, You can show forth Your victory.

God, may we never forget these things! May it ever live in our hearts! May we ever live under the influence of this great Divine revelation, knowing that's the channel You have opened to us, that's the access we have to You, Lord, that brings us into the Secret place where You meet with us when we abide in this great mystery and the great fellowship of this mystery. May those, dear God, that need to be enlightened and those who have not yet entered into this place, may by the grace of the Holy Spirit, Lord, You minister such an

entrance today. May Your Quickening Power open up and reveal and make plain! May eyes of understanding be enlightened as the Spirit of wisdom and revelation in the knowledge of Jesus Christ, coming back to the Church in the last days as Gabriel came to Daniel to open up these deep Secret things to show us how to get ready to go out, Lord.

Oh gracious God, we look to You Father, knowing that it is not him that willeth or him that runneth, it is not by might or by power; it is not within man to find these things. Oh God, this same Dove would minister that which we have need of to take us into a new world, into that faith civilization.

Have Your blessed way among us today. We look to You blessed Holy Spirit. Oh great Dove of God, how we rely and we depend upon You today. Hallelujah! This great Leader of Eternal Life, leading us in the Bloody footprints in the Secret passages, bringing us up through the seven steps to the King's chamber, into this great Rapturing grace where this mortal will put on immortality, where there is an empty coffer that speaks of death being conquered. The people, oh God, will not have to go by the way of the grave. Hallelujah! That we who are alive and remain until the Coming of the Lord, when these Thunders utter their Voices, will open a mystery and bring a Power back into the Church. When these vile, old marred bodies will be changed in the moment, in the twinkle of an eye.

And just like You came to Abraham, Lord, and You opened up the secrets, (hallelujah!) he began to see the signs in the body, knowing oh God, they were fixing to be changed in that cycle. "I will return according to the time of life." Lord God, are we not walking in those same places in this Hour? Make it real, Father, we pray. Draw our souls up into that realm, the realm of revelation. Take us out of the humanistic realm, dear God. Let the veil fall round about us. Let us stand in the holy place, hear the Voice of the Blood speak to us

whom the Blood has been shed for. Minister the great redemptive blessings oh God, as in that Title Deed that You gave back to us, that we might live in the benefits and the privileges of these things in this Hour.

Remember Your children out in the region, dear God, contending for these same things, dear God, holding to the same faith that has been delivered unto them. Give grace, dear God. Give understanding. May it bring humility and sincerity! May it bring a spirit of obedience, lowliness of mind! May it not make people puffed up and rely on human ability! May it bring sincerity, oh God, that Lord, we would have one desire – to see Jesus only. May You grant it, Lord.

Bless each and every one that is in Your Presence today. May You meet every need we ask. Grant us the grace, dear God, the Power of Your blessed Holy Spirit, Lord that we might rise up with Eagle's wings. Like that woman who brought forth that Man-child, oh God, she was anointed to fly with two wings of the great Eagle; fly into the place You had prepared for her to be nourished and strengthened. Let it be, Lord. Let us come into these realities, that Lord these things would be identified in us to show we are in this Rapturing grace, we are in this Rapturing condition Lord, like Enoch was before he was translated. May You grant it, Father! We ask these mercies as we look to You today, awaiting Your Divine direction and leadership, in the Name of Jesus Christ, amen.

Praise His mighty Name. God bless you. I would like to invite your attention to the Book of Daniel, chapter 8 and chapter 12. I would like to speak a little message today called, **“HIDDEN COMMUNICATIONS.”** This great revelation that God has opened up to us, these Secret things of the Bible, these hidden Truths that were sealed up in His Word; this great Secret beneath the silence.

While the world is walking in drunkenness, blind, wretched, naked, miserable and don't know it, there's a

Bride growing up into the Head which is Christ. Where the Mind of Christ is in the Bride again and She knows what He wants done with the Word; where God's great mystery of love expressed – God and man are becoming one again. This great Easter Seal, this Resurrection Seal, this Easter vision, that which brings the resurrection, a mature Church, a Church coming into perfection, the Stature of a Perfect Man. We are constantly looking to see that ripeness in our lives, that maturity. We are constantly striving to get out of the green stage, where we are immature and carnal; where we don't think like children anymore. When I was a child, I thought as a child. I understood as a child. When I became a man, I put away childish things. [1st Corinthians 13:11 -Ed.]

Daniel chapter 8, verse 23:

23 And in the latter time of their kingdom...

He was speaking about that fourth kingdom. That was the subject that God was dealing with him on. Though He had shown him the first three kingdoms, that fourth one is the one that troubled him. It was a strange kingdom. He couldn't understand it. He saw a lion, a bear and a leopard. Then he saw this composite beast. It was so strange. Then he saw that little horn come out and it always bothered him, and God was still dealing with him.

23 And in the latter time of their kingdom, when the transgressors are come to the full...

Because there is a time when Babylon's sins reaches up to Heaven. Revelation 18 tells us and God says, "Strong is the Lord that judgeth her. Her plagues shall come in one day."

...when the transgressors are come to the full, a king of fierce countenance, and understanding dark sentences, shall stand up.

We believe that this man will take that place soon. We say we believe the man that they have there, he's just like a forerunner.

24 And his power shall be mighty, but not by his own power...

Because when this king comes, he is going to be Satan incarnate.

...and he shall destroy wonderfully, and shall prosper, and practise, and shall destroy the mighty and the holy people.

25 And through his policy also he shall cause craft to prosper in his hand; and he shall magnify himself in his heart, and by peace shall destroy many...

And this is already happening in a measure. Always when they say, "Peace and safety," it's sudden destruction. And that's how they are destroying the nations. That's how they are deceiving the world right now, with all this war on terrorism and more security in the world, and all these things.

...he shall also stand up against the Prince of princes; but he shall be broken without hand.

26 And the vision of the evening and the morning which was told is true: wherefore shut thou up the vision; for it shall be for many days.

27 And I Daniel fainted, and was sick certain days; afterward I rose up, and did the king's business; and I was astonished at the vision, but none understood it.

All these things that were being communicated to him in the vision, he couldn't understand it. It was in symbols. The revelation wasn't being given. He was told to shut it up. It was for many days. It was a sort of distressing time for the prophet. He desired to see and to know what it was, but it wasn't being made known to him.

Daniel 12. After chapter 8 was the seventy weeks vision, when Gabriel came, and then chapters 10 to 12 was the last vision. I would save a little time by passing out chapter 10, where it gives you the first part of the

vision with the Mighty Angel coming down, when he saw this One by the river Hiddekel.

And verse 1, chapter 12:

¹ And at that time shall Michael stand up, the great prince which standeth for the children of thy people: and there shall be a time of trouble, such as never was since there was a nation even to that same time: and at that time thy people shall be delivered...

So even though there is trouble in the world like there never was, there is deliverance also for God's people, those that are found written in the Book.

...every one that shall be found written in the book.

God has every name in that Book, and God is revealing every name in that Book. Because you know, this is the Seventh Trumpets to the Jews, it is the Seventh Seal to the Bride. Daniel 10 to 12 and Revelation 10 is the same vision.

² And many of them that sleep in the dust of the earth shall awake, some to everlasting life, and some to shame and everlasting contempt.

And we know after the opening of that Book and the deliverance, His resurrection, and here we are seeing that also.

³ And they that be wise shall shine as the brightness of the firmament; and they that turn many to righteousness as the stars for ever and ever.

⁴ But thou, O Daniel, shut up the words, and seal the book, even to the time of the end...

Again, shut up the Words and seal the Book.

...many shall run to and fro, and knowledge shall be increased.

⁵ Then I Daniel looked, and, behold, there stood other two, the one on this side of the bank of the

river, and the other on that side of the bank of the river.

⁶ *And one said to the man clothed in linen, which was upon the waters of the river, How long shall it be to the end of these wonders?*

God showed us already that that was Moses and Elijah; it was two of them when that Mighty Angel descends on the Earth. To the Jews, there would be two prophets. Just like when He descended on the Earth to the Bride, there's a Gentile Prophet here before the Rapture; two Jewish prophets after the Rapture. So perfect is the Scripture.

⁷ *And I heard the man clothed in linen, which was upon the waters of the river, when he held up his right hand and his left hand unto heaven, and swore by him that liveth for ever that it shall be for a time, times, and an half;*

When He came down to the Gentile Prophet, He said, "Time shall be no more." When He came to the Jewish prophets, He said, "Time, times and a half" – three and a half years.

...and when he shall have accomplished to scatter the power of the holy people, all these things shall be finished.

⁸ *And I heard, but I understood not...*

Again, no understanding.

...then said I, O my Lord, what shall be the end of these things?

⁹ *And he said, Go thy way, Daniel: for the words are closed up and sealed...*

The sealing of the vision and prophecy.

...the words are closed up and sealed till the time of the end.

¹⁰ *Many shall be purified, and made white, and tried; but the wicked shall do wickedly: and none of the wicked shall understand; but the wise shall understand.*

One more Scripture before you have your seat. Matthew 11, verse 25. And this is after Jesus was putting judgment upon the coastal cities here, which had rejected His Message. “Woe unto you, Chorazin! Woe unto you, Tyre! Woe unto you, Capernaum.” Just like the Son of Man at the end of the Bible put judgment on the coastal city of Los Angeles. Because the witness that was given, they refused to receive it. Verse 25:

25 At that time Jesus answered and said, I thank thee, O Father, Lord of heaven and earth, because thou hast hid these things from the wise and prudent, and hast revealed them unto babes.

26 Even so, Father: for so it seemed good in thy sight.

27 All things are delivered unto me of my Father: and no man knoweth the Son, but the Father; neither knoweth any man the Father, save the Son, and he to whomsoever the Son will reveal him.

May the Lord add His blessings to the reading of His Word! You may have your seat. As we sort of try to move a little quickly knowing how the heat is. And maybe if we could keep ahead of the heat, that will be fine. But may God help us. There is so much you want to say when you come in the desk; there are so many things. And sometimes you have days that pass in-between, one time and another time. And there is so much that also happens between those times that when you do come back, you are trusting that we are trying to stay in meditation of the Word and the things being communicated to us, and staying under the influence of the Holy Spirit.

And so much is being brought to our attention and so many things are happening fast. And, you know, we are still trying to stay under the influence of the Holy Spirit, under His leadership. And all that has happened since Easter, and then coming back, right up to the Convention, and then this present time and the present

experiences that are taking place, and the things that we are trying to draw your attention to. But in all these things, I pray that God would really give us grace. And this little message is more so to help sensitize you to becoming more observant, to make you a little more conscious, a little more sensitive to things around us and things amongst us. Whether we are in the church or whether you are on your own somewhere, we can really just stay in the channel where God can reveal His Word to us.

You know walking with God in this Hour, it is so easy to become institutionalized, because this is a main, main part of our work. We gather here for service on service days, we preach the Word, we give undivided time to it, we put a great emphasis on what the Spirit is saying to us, but really and truly, it does not undervalue the other part when you are by yourself because that is the time when God brings it back to your remembrance. That is the time the Angel of the Lord follows these things. That is the time God is leading you out in your own experiences.

While we sit down here as a church, as a collective group, God is speaking to us as a church. Also as individuals, we can catch things. But then in your personal experience, because you, being a unique part of the Body also, where you are walking in your own life, that Word that God is shining, is helping you to walk in to the things that God has called you unto as a believer and promised you. And so as He is speaking, God's Voice, as the Prophet said, "The Seventh Seal is mute." [1963-0324e, para. 536 -Ed.] It's silence but yet that is God's Voice speaking, because God can speak without words, verbal words. Do you believe that?

Bro. Branham was in the woods and there was an eagle on the tree. He said, "God, why are You drawing my attention to the eagle?" [1961-0122, para. 18-19 -Ed.] He said, "Why do You want me to study this eagle?" Then he began to watch him. He said, "Oh, I see now.

It is the great eye. I see the wings.” And then the eagle made two flaps. He said, “I see what You are trying to tell me.” Then he dropped the gun and started to dance and worship God. He stood there and he heard the ‘bull moose’ [male moose –Ed.] calling, and then the other female down in the valley called back. And he said, “Oh, Deep calleth unto Deep,” and the Scripture came alive to him. He was drinking from a little brook, and he said, “Little spring, why are you bubbling like that?” He said, “Is it because I drank from you?” And he was having a conversation with a spring. Then he said, “No. It is a life pushing you.” And God was teaching him from that. So God has ways to speak to us.

It is very strange, too, how I came across this little message because I want to speak a little bit for a little subject on, ***“The Language Within A Language And The Mystery Within A Mystery.”***

The Book of Daniel here as we read it, is symbols. When you go to Revelation, it is symbols. The Prophet preached a message, *Revelation, Book of Symbols*. [1956-0617 –Ed.] He said, “Now tell me why God would put it in symbols?” He said, “To hide it from the wise and the prudent, and reveal it only to those who it is intended for.”

Why, when you are sending personal things, intimate things, as a letter or something important, you register the mail? You send it certified. You make sure the envelope is properly sealed. You don’t want to leave it opened loosely. Why? You don’t want the contents to be disclosed to anybody else. It is intended to arrive sealed to the one who it is intended for. And you send it ‘personal’, so they have to sign that they have received it. And you register that mail because it is important. You want to make sure it is delivered without any interventions by anyone else, without anyone tampering with it. You put a seal upon it because it is meant not to be disclosed to everyone. It is sealed up.

God is telling Daniel here, things pertaining to the deception of the whole world in the last days, things how the Jewish people will be broken, be deceived and taken, and it will bring the fall of the world. Because it will cause Rome to control the economics of the world, the world's trade and commerce. It is prophesied. It is put in the Bible. It is sealed up in the Book. Things that this Mighty Angel came to deliver God's people in a time of trouble, and time is running out and time shall be no more. Daniel tried to inquire. He said, "Leave it alone. It is not for you. Seal it up. Close it up. Put it away."

It is strange that God would do that. But as we become more familiar with His ways, it is not strange, because God at no time in the history of the universe, has ever made things plain. God operates in secret. God is a secret Person. When God wrote the first Bible, God put it in the stars, and only who God revealed it to could read it. To a next person it is just lights in the sky. But to God, it uttereth speech, day by day, and night unto night it showeth knowledge [Psalm 19:2-Ed.], and it holds a mystery. And every movement and every cycle of time, relates to all life on the Earth. Whether it is plant life, botany life, animal life, bird life, fish life; they all have seasons when they migrate, when trees bear fruit. Even man on the Earth, and woman with seasons and everything else, it is governed by the heavens.

"To every purpose under Heaven, it is a time and season." [Ecclesiastes 3:1 -Ed.] But time and season are revealed in the heaven, but man is put under heaven to live on Earth. But time and season are in the heavens to govern the man on the Earth. So man was made to look. Even by work, Jesus said, "Twelve hours are in the day, twelve hours are in the night. The night cometh when no man can work. Work while it is day." [St. John 9:4 -Ed.]

And so time is measured by light. Because the very opening of Genesis, before God would bring man into being, God began to mark out all these things, what it means. That's why when David began to walk and to understand, he said, "Lord, teach me to number my days and apply my heart to wisdom," [Psalm 90:12 -Ed.] so he could have known how to live his life. He could have known how to—because time equals opportunities. That's why the Bible says, "Redeeming the time, be not unwise, but understanding what the will of the Lord is." [Ephesians 5:17 -Ed.] The will of the Lord is revealed in the Word of the Lord.

The Word of the Lord was put in the first Bible. And to every season there was a Word allotted. There was a Word allotted for Virgo. There was a Word allotted for Aries. There was a Word allotted for Aquarius. There was a time when the Holy Spirit was going to come. There was a time He was going to die as a sacrifice. There was a time when He was going to be born. There is a time to be born and a time to die. Is that right? A time for the results of His birth and His death to come forth on a Church. There is a time for Him to come a second time as Leo the Lion, after the great Cancer Age. There is a Word allotted for that in the heavens; it is marked out.

Then when God wrote the second Bible, it was understood by the ancients. But after four thousand years or so, man didn't know what to make of It. It is said not until the latter part of the 19th century that people, scientists, intellectual men, learned men on the earth began to understand that the pyramid was not a tomb for a Pharaoh. All the years modern men thought it was a tomb; that was just another tomb because when they looked at it, it was a big structure, a monument, so huge.

Up to this day, they beat their brains out trying to understand how they could build that. They tried to calculate how many people, how much labor, and with

their best calculation, they came up with all kinds of 700 or 800 years to build it. And yet they can't explain; gasoline power couldn't lift those stones so high. There is not a stone that is less than a ton, and then some stones are seventy tons. And then they are so high and they are put with such precision, that they can't understand that kind of mathematics and geometrical science to build that thing.

And it was not until the latter part of the 19th century, they began to see that as they were growing now in knowledge through discovery of mathematical sciences, geometrical sciences and architectural sciences, they began to understand now, (when in their knowledge of astronomy through the telescope and these things, began to study the stars,) that this thing is really not a tomb, but is really something measuring time.

Could you imagine? But that isn't strange. The same thing happened with the third Bible. For years man had This, but not until a Prophet came, man began to understand what It was. For two thousand years people preached that Eve ate an apple. They invented Santa Claus for Christmas. They can't tell the birth of the Lord Jesus Christ. They feel it is December 25th, all these things. They don't understand what kind of man God made before the fall. They couldn't see the fall was sex. They didn't have the right formula for water baptism. They didn't know what the Bible was. They debated that the Bible was missing books, and they came up with all kinds of theories and said certain parts were not inspired.

But as the Church began to grow in revelation, even in this very Hour, believers are coming to understand, there is only one way provided by God for everything, and everything in a person's life is in this Book. And anything that you are doing, to know if it is right or wrong, you have to go back and find it in this Book. And you can't have real faith to please God and operate this Word, until you get in the Book and see what part of the

Word you are. You don't even know what Day you are living in. And yet when these things are opened to you, you can tell your Day, you can tell your experience, you can tell your season, you can tell God's purpose, you can see the continuity, you can predict your future and walk into it, because this Word is opened to you.

It's strange how God does these things. Three Bibles God wrote, and in each of them God encrypted His revelation. God put twelve signs in the sky. He said, "That is the Bible." God came and revealed to Adam the names of it. God caused him to observe the movements of certain ones. He said, "Do you notice how many days pass before the Moon comes back to a new moon?" He said, "Now that is a month." Then the year, He showed him. You could tell the year by twelve moons and you could tell the year by Stars. Then God started to show him the mystery that was written, the plan of redemption. Aries was already there – the Lamb had to die. Even before it was made, the Lamb died in God's Mind. The Lamb was slain before the foundation of the world.

That's why when Adam saw Eve fall, he knew who he was. He saw how the bride came out of him. But he quickly took her shame and took her place. Why? Because he understood that in the Book. Did Adam do that by human will or by faith? Ask me. Let me ask you, rather. How many know Adam couldn't fall? How many know Adam wasn't deceived? How many know because of Adam's birth, coming by creation, the Word was born into manifestation in the full strength, in the image of God standing there, in oneness with God? Think of it. He lived and walked in a realm of perfect faith, friends. He did that by faith. The Prophet said, "Quickly he took Eve to him and by doing that he saved her. He put seed in her and saved her, because part of him was in her and God couldn't kill her." That's right.

Friends, when you watch the Word, you see God. Then when God came to the second Bible, God told

Enoch take that same revelation in the stars, narrow it down, and bring it down more refined. That as you go through the pyramid, Enoch had to be a mathematical genius to build that. God fellowshiped with Enoch on mathematics. God fellowshiped with Adam on the animals and nature and these things. Is that right? God said, "Name the animals." That is fellowship.

How come the Prophet came and started to call people 'buzzard', and started to call people 'Eagle', and started to tell a church they are a 'hawk' and they lost their identification? And Jesus called Herod a fox. Do you understand what I am saying? Then when Ezekiel started to talk to the king, he began to tell him about the eagle up in the cedar tree and the great house of David, and the great Eagle that is going to come - Ezekiel 17.

They understood that these things were people. They understood that this was a Bible through the fellowship with God. God made up man to communicate on a certain level. God cannot design something and then try to use it differently from the design. Could a man design a radio and then take a sledge hammer and break it up because it is not showing a picture like a television? He designed it only to pick up voice. But if he designed a television, he had to put something in it that the ether waves could strike and manifest itself in a visible form, so you could see an image. Is that right? And because of that, he knows it could change channels, so he can go from one thing to the next, because it is designed for that. Could you imagine a man has a cell phone and then can't make a call?

He says, "I don't have my adapter because I'll have to find a place to plug it in to talk."

And a person says, "No, this is a cordless. That is for you to charge it."

The point I am making is, God never made another kind of man. The redemption is, what? To bring man back to what he was. What do we call that? Going back

to the physical Garden of Eden? Is that what we call that? Does it come back to walking with God? Does it come back to thinking the way a son of God should think? Does it come back to fellowshiping with God, the same way man used to fellowship with God? Does it come back to relationship and union, the same way man used to have that? Does it come back to reflecting God? Does it come back to going by the Word, and if it is contrary to the Word, it is not God? In every way man is coming back to what he was.

You see many times we say, "Okay, man was the Word. He fell from thought to flesh and bypassed the Word. He will come back to the Word." But what is the Word? What is the Word? How do you know a man is the Word, a written epistle? When the man talks, he is talking the Word. When the man acts, he is acting the Word. When the man sits, he sits down how the Word says he must sit down. When a man chews, he is chewing how the Word says he must chew. When a man walks, he is walking the way the Word says to walk. He is reflecting God in everything that he does. Christ, walking with your feet, speaking through your lips, thinking with your mind, working with your hands, believing with your heart. Every expression is reflecting Jesus Christ. "I am the Vine and you are the branches." [St. John 15:5 -Ed.] Union.

So here we see man then begins to understand that in this pyramid, it contains the past, present and future knowledge of the world. It is by that they began to understand how far the Sun was. It was by that they understood the size of the Earth. It's by that, most of the foundation for all their sciences afterward, is what they begin to discover there. They began to understand it was a prophetic revelation of God and His plan revealing mathematics, because everything in the universe goes back to numbers.

You see in the Hebrew alphabet, every letter corresponds with a certain number – in the Hebrew

alphabet. That's why God had mathematics in the Bible. The Prophet said, "If you don't know God's mathematics in the Bible you would get lost." That's what God did on the first day and on the second day and on the third day and He rested on the seventh day, and then that seven came all the way through the Bible. And God said, "Remember that day, what I did on that day." And that day is not the sixth day. And then when you see life come forth on the third day and you follow that, you find Jesus rose on the third day, Life, the Seed came out of the ground. When you see nature: death, burial and resurrection, all these things, it reveals the same God Who designed it, works in continuity to what He did, because everything that God does is with reason and purpose.

Friends, that is not complicated. That is the foundation of faith for a believer. That's why you could say, "God, You will do that again and You have to do that." And you can expect God to do that. Why? Because He put it for example in the Bible. He is the same yesterday, today and forever. That's the revelation. That's the keystone of the Bible. He is the same. So God keeps on over and over and over, repeating things in the Bible, so that believers who He is training by the Word, and training in the Word, to operate the Word, and to come into harmony with the Word, they understand the unchanging God and His unchangeable ways. You know the immutability of His counsel, His unchangeableness, His omniscience that when He does something the first time, it cannot be improved upon.

This is the foundation of a person's relationship with God. This is knowing God. So when somebody comes and tells you, "I believe God will come and do so and so and so." You can say, "Well that is not in the Word. That is a false faith. How can you believe that?" God will do nothing outside of this Bible. Whenever the Spirit does something, it comes to the Word. The Word

is the symbol of the Spirit. The Spirit is revealed through the Word and by the Word and identified by the Word. You can't use anything and say you identify the Spirit; you have to use the Word. And when the Spirit comes, the Spirit identifies the true Word too, and confirms It and vindicates It. That's why people can stand with solid faith.

That's why if God is going to get a church into faith for the Rapture, which is perfect faith, Rapturing faith, how would God build that faith? He has to build it on the Word. He has to build it by the principles of the Word. He has to reveal that Word. Revelation is, what? To make known. To make known what? The revelation of what? It has to be the revelation of the Word. Everything you see that God made, that's the Word manifested. Because all things were made by the Word, and without Him nothing was made.

God spoke His Word and set the Earth in a certain position. He spoke and the Moon ended up where it ended up. The Moon is not doing its own thing. God set it by a law, by a Spoken Word. And every morning the Sun comes up and does what he has to do because he is a faithful servant of God, placed positionally, understanding the line of his work. That's right. Three Bibles, but every one encrypted.

When we come to the Books of Daniel and Revelation, which is not just historical Books, which is not just poetic Books of the Bible, which is not just Books of codes and ethics and laws and ordinances, but it's prophecy. It is the things that are to be. Daniel, we see, a Mighty Angel came with the opened Book, we see time running out. We see the names being delivered before time runs out; we see the resurrection taking place for those names delivered in the Book. Then we see the world being deceived by a certain kingdom, destroying many wonderfully, by peace. These things are happening right now. And why is the world being

deceived? Because they can't read Daniel and they can't read Revelation. It's sealed up.

Daniel and Revelation have been specially encrypted. It is not given to us like Matthew, Mark, Luke and John. It is not even given to us like the epistles in the New Testament. It is not given to us like the historical Books of the Bible like Exodus and Joshua and all these different Books there and the Chronicles and the Kings and so on. It is not given to us like that, where it just records events. But it's things that are going to have great meaning when you come to the last days.

It is strange how this Message we have received in the last days came by Angels. We say it and after a while it just gets common – Angels brought the Message. Why was it necessary? We never heard that since the early days. And since way back in the Old Testament, God coming down on a mountain talking to Moses. God coming down in a visible form and talking to Joshua. But the times when it was recorded in the Bible, were types of this Time. God coming to Elijah, God coming to Noah, are types. God coming to Abraham is a type of this Time. Why? It is put there, sealed up in the Book, that when that Time begins, something is happening and these things will be a total secret on the Earth. Because the one shall be taken and the other left. Two shall be in the bed and one will be sleeping and one will be gone. Two in the field – one working and one gone.

And here these things have come, and the Message struck the world. And when the Message was delivered to us, It still wasn't fully revealed. God still didn't think that He should give It to us because we would have to be tested on It, to prove that we are worthy to receive It. And God had a way, knowing that the children of disobedience cannot stay with His Word. They are disobedient to His revealed Word. And like those who were called out in the Exodus, a mixed multitude, they will not stay with the Word. They will have a desire to go back to Egypt. They will have a desire for a man with

a 'golden calf' scheme. They will have a desire for false union. And the same things that happened down through those Ages, is the same things that we see happening today.

When these things happen in the framework of the Message, it confuses people. It destroys people's faith sometimes when they don't have real faith. It discourages people. It makes people skeptical, suspicious and full of reservation. Sometimes they get complexes that they can't go on. They get distrustful and everything else. Why? Because like a woman who has been used and manipulated and exploited and then left at the side to catch for herself, she has been so affected, she can't trust anybody; she can't love anybody. And so churches that have been deceived and misled and received false seed and go into false doctrine and into false worship, and are influenced into manmade programs and everything else, by the time they try to get back on the Word, people are so disillusioned, they just come down to form and ritual and they get a kind of complex.

But God is so confident of His Own Life, because it is His Own Life, He puts in His children. It is His Own Life that He is dealing with. It is that part of them that God is contacting. The power to overcome doesn't lie in the body. They can pump iron every day, they are not going to overcome anything. They can take all kinds of courses and get refined and get their spirit all cultured, well mannered, dress nice, look nice, act nice, educated, that is not where their power is.

But when they begin to discover who they are, what God has made them, the source of their origin, (hallelujah!) the revelation of that life in the Bible, the potential it possesses, the hidden resources in that life, when they begin to discover these things by revelation and experience, they will become like Jesus Christ. They will be Life of His Life, Spirit of His Spirit. God prophesied that about them. He said they will be a

Super Race and a Super Church. Satan will be powerless before them. Because that is the potential He put inside of them. Do you believe that? [Congregation says, "Amen!" -Ed.]

But the thing that brings faith, the thing that ignites that life, the thing that influences that life, the thing that keeps that life tied, where nothing can move it, it is unshakeable – is the revelation of the Word. Flesh and blood hath not revealed it to you, "But upon this Rock, I will build My Church, and the gates of hell shall never, ever be able to prevail against it." [Matthew 16:18 -Ed.] And Jesus said, "Father, I thank You, You hid it from the wise and the prudent, but You reveal it unto the babes such as would learn."

I came across this somehow. The leadership of the Spirit is a funny [strange -Ed.] thing, and sometimes God carries your mind into places. I was studying something about mathematics and music. I never studied mathematics and music before. Can you imagine that? It is strange. But I started to find something because everything comes back to numbers.

The woman told the Prophet, she said, "You were born April 6th, 1909 at 5a.m. in the morning, when that constellation was there and you would never be successful in the East. You have to go West." [1955-0117, para. 178 -Ed.] Oh, it just shook him up. She said, "I will tell you when you were born."

He said, "You can't! You don't know me and I don't know you."

She watched his features, because she studied the heavenly maps, and she knew that constellation as when Jesus was on Earth, came back around, and she knew that Gift was supposed to be on the Earth. And in her travels, she was looking, she knew that person was on the Earth since April 6th, 1909. She was meeting him here now as a game warden, maybe after he was about twenty-four or twenty-five years or so, she is meeting him.

And when she met him, she knew, "I looked for the person; this has to be him." She watched those Eagle eyes, she watched that Aries forehead, she watched that make up, she saw that diamond; and they met on a bus. And she could tell him. She could tell him. Just like the wise men followed that star and know, "Where is He? He is on the Earth right now." And that star led them straight to the Word and they knew, "That's the Word." They watched that little boy come out of the house, two years old, 'goo goo', 'ga ga', and said, "That's Him! King of the Jews." And they bowed down and started to worship. They didn't ask each a set of questions, you know. They didn't go through anything like if they doubted the revelation because they came saying, "Where is He?" They came with revelation.

There are strange things in this Message. There are the normal things the church man could just go straight into and love. But there are other things dropped off in the Message to help us find a way. And it's strange how these things lead you.

So I was hearing that in mathematics, every musical note has a frequency and that frequency when they measure that, that comes out as a certain number. And that number now, you can take numbers and write out, let us say, a formula for the atomic bomb. You could play music, and when you play that music, somebody says, "I didn't like how that person wrote that music. I find that music is not inspired." Because you are thinking now, you want to hear a beat, a jazzy beat or something, but the person now has the formula for the atomic bomb, encrypted in music. So every time a man starts to decipher that now, he plays his first note, 'pam', he writes that number; plays this note, he writes that number, he plays this note. He says this is like in four stances or whatever, or four phases of the music. And when you're done, he has a whole scientific formula there.

So when I started to read that now, I said, “But this is something.” Because remember I preached for you one time about flowers and petals. One comes in a certain color, has a certain amount of petals, because God, when He designed the seed and that seed is planted, that is a rose. And God said, “It is going to have seven petals, this will be a pink rose.” Because in God’s chemistry, He fixed that. Pink will come maybe in the West, where there is more moisture, maybe there is more humidity to make it pink. One will be violet, if it’s more in the colder places; a different environment where it is growing. So God arranged all of this.

Even a man, when God was making a man, as I told you the other night, Friday, He told the Prophet, “I made you that way for a purpose.” Then He said that is one way – he cannot accept anything unless it is perfect. Then the next thing was when the doctor examined him.

He said, “You could see a dream wide awake.” He said, “We have never seen this before. We have examined thousands of people in this place; you are the first man we’ve noticed these two lines running here. This wave of your brain and your nerves are showing that your two conscious: your subconscious and your first conscious are very, very close.” He said, “What kind of man are you?”

He said, “Doctor, do you go to church?”

He said, “Yes.” He said, “I am a Presbyterian.” He said, “But I don’t go down there; they are only talking about Presbyterian, Presbyterian.”

He said, “Do you read the Bible?”

He said, “Yes.”

He said, “Have you ever read about the Old Testament prophets, how they used to go in the next dimension and see things?”

He said, “Yes.”

He said, “Well that is what this is.”

He said, “Have you ever heard about visions?” He said, “That is what this is – visions.”

And he said the doctor started to cry. He started to lead the man now, who was fed up with his church, but through the science and the knowledge the man had, when he discovered this and his church doesn't believe in that kind of thing, but his scientific instruments is showing him there are those kinds of people on Earth. And he started to realize now, man looks one way on the outside, but inside a man there is a different make up too. Do you get what I am saying? There is a different make up inside.

And that's why I am preaching this to help sensitize you because this is where many people cannot find their power. And this is where many people are looking for power in the sky and many people are looking for all kinds of different things because they don't know what they are really looking for. But to walk in these places, I am showing you the Holy Ghost, if He is restoring your life and you are growing up in Christ, you are coming back to the kind of man God made the first time. **Hidden Communications**; I am trying to show God.

So through that it has led me to something called, *cryptology* and *steganography*. Now I'll break that down for you just now. Now this is not stenography. Don't confuse this with stenography. Stenography is like a stenographer; shorthand. This is steganography, and cryptology. This is encrypting things. This is a science. And the Book of Daniel is specifically encrypted. I want to show you that even you are involved in cryptology. I want to show you are involved in steganography. Do you know that?

You are talking on the phone and your mother comes or somebody comes in the room and says, "What is going on there?"

And you know, you say, "Yeah, you know in school, you know."

[Congregation laughs -Ed.] And you change the meaning of what you are saying. Why? You changed that meaning so fast because you don't want anybody to get

in on the conversation. You want to keep that communication between the two of you all secured from eavesdroppers; because if your mother gets a hold of it, she might do great damage. [Congregation laughs -Ed.] Are you getting me? [Congregation says, "Yes." -Ed.] Oh, you are getting me. You see how great big things that are so difficult, comes down so simple?

And you are keeping that fellowship and relationship; it is growing intimate and you are keeping it secret, and it is growing strong. And it is happening right before everyone's eyes at home and they are not seeing it. And after a while you get so skilled because when the phone rings that certain time, you don't run for it and when it rings a certain time, you run for it. Because inside of there, their senses are not observant enough that you all have a time to call. Do you get what I am saying? So you come outside hanging around the phone at a certain time because you know that call is coming any time. And you're playing you are doing things in the kitchen, you know. But because they don't have a revelation of the activities and the events that they are in the midst of and happening around them, they can't read it.

Well that is the same thing in the world today. They are hearing President Bush did so, and this one did this and the Pope said this and the Jews are doing this over here, and so and so in the Middle East, and it is all around them, but it means nothing to them because they are not up in a certain place to see what is happening.

Cryptography, it says it is from a Greek word *kryptos*, means, *hidden*, and *gráphein*, means *to write*. It's two words: hidden and to write. *It is, traditionally, the study of the means of converting information from its normal, comprehensible form into an incomprehensible format, rendering it unreadable without secret knowledge.*

A man told Bro. Branham, he said, "I read the Book of Revelation last night." He said, "I think John took a

bottle of hot pepper sauce and had a nightmare.” He said, “A next man said, ‘I started to read and one minute the Bride was on Mount Zion. Next minute it had the Bride over here in the wilderness. Next minute it had the Bride here in the Tribulation. Next minute it had the Bride in the Rapture.’” He says, “It is too confusing for me. I can’t make sense of it.”

Why? It is encrypted. Instead of God saying it plain, God said, “And a man with hair as white like wool walking in the midst of seven golden candlesticks. And His Voice is like the sound of many waters, and His eyes are like a flame of fire, and His feet are like fine brass, and in His hand He has seven stars.” And then the next thing, the same man changed form and over here He has a Book in His hand and instead of seven stars now, He has a Seven Sealed Book. And then He changed form and He has a sickle in His hand. And next minute He comes back over here on a white horse. And next minute He comes in a Cloud. He said, “He comes on the white horse, He comes in the Cloud, what is going on? And next minute Heaven is opened and then hell is opened here.”

And it seems confusing all the time. So the next thing now, a woman now, she is coming from the Moon to the Sun and she has a crown of twelve stars and a dragon is coming to devour her baby. And next thing there is a woman on a scarlet colored beast and, you know, she has a cup in her hand and she drunkened the kings of the Earth. God is hiding it, encrypting it, instead of saying plain what it is. And the only way to unlock it, the Sender Who encrypts it, must have a secret channel, and He has a key that He has to give to the ones who it is intended for.

God told Daniel, “Shut It up. Seal It up until the time of the end. That is My Word. I gave It in that form. You want to understand It but I am not giving you the key right now. Seal It up and leave It. I will come with the key Myself. I will keep My Word. You fall asleep. I can’t

fall asleep. I am the Eternal God. I will be right here when that time comes. That is just a couple of days in My time. I will be right here. I know the people because they are still in Me right now. I haven't expressed them in flesh yet. And I will come to them, and I will quicken it to them and I will show it to them. Their lives are already ordained, and I have their whole plan marked out. I am going to lead them by experience in the things." He said, "I have some of their names written on a mountain right now and they don't even know it." Do you get what I am saying?

God had it laid out. He has it laid out. God prepared for you before you came here and God prepared for you over There before you get There too. How many know He prepared for you over There already? [Congregation says, "Amen" -Ed.] "I go to prepare a place for you. In My Father's house are many mansions." And how many know before you came here, He made preparation for your coming here on this Earth too? That's right, friends. But you see, we have to get up there and live there and walk in there, for it to become useful. Right now it is nice to enjoy. Right now it is nice to see, but it's a seeing. It's a seeing.

Like I was telling you on Friday, they were trying to get me to feel and I was trying to feel. Finally Bro. Branham said, "I don't have what those fellows have." He said, "But I have a little thing - I could talk to people and I will see something." Do you understand what I am saying? He started to learn to work with what he had, and what was given to him, and his make up. He started to realize his mother and father didn't make him. They were just instruments. But God stuck which egg, God stuck which seed, God gave conception at a certain time, God waited for when the stars were in a certain place, because the birth and everything and the make up is coming for a certain work on Earth.

So in the past, cryptography helped ensure secrecy in important communications, such as those of spies, military leaders and diplomats.

Nations have to have secret channels of communication. Nations have to have special lines of communication, and they have to keep it secure. If that line of communication is not secure, then you hear this one is stealing their secrets. They have high sophisticated listening devices, listening to what is going on. People don't know they are talking and they are going on, and next thing they are being photographed. Next thing it's being used for extortion and blackmail and all kinds of different things. Do you know people's lives are destroyed like that? Because they can't see; they are making plans, they are doing things and they don't know the enemy knows what they are doing.

Now I am laying that background for something. Because when that Seventh Seal was being opened, he said, "If Satan gets a hold of this, he will do great damage." [1963-0324e, para. 253 -Ed.] He said, "Do you want to see the devil do something? Let me talk something. That is why I keep it to myself, then you'll see God do something, because if I only say it, Satan will get it."

So I want to show you from the time that Seventh Seal was being shown, it is coming and it was given, there is nothing that God talked plain. One minute God talked through seven eclipses of the Moon. Next minute God talked through a Dove. Next thing God talked through a priest, who handed him a Book. Next thing God talked through an everlasting sign. Next thing God talked through him riding a horse. Next thing God talked through him interpreting writing on a rock. Next thing God said, "You are looking at the Cloud at the wrong angle. I have something hidden in there. Turn it to the right angle, it will reveal what I have hidden in there. You are watching that mountain range wrong;

you are just seeing mountains. But how many letters are in your name?"

He said, "Seven."

He said, "Check the peaks."

He said, "Seven."

He said, "How many pulls your ministry has?"

"Three."

"Watch those three main ones. Watch the time when you were sick and you came off the field."

Everything was there. Why would God give it like that? You tell me one thing on the Seventh Seal. Heaven was silent about it. John didn't write it. When the Holy Spirit came He said, "I am forbidden to tell you." He said, "Don't even try to interpret it; you will never get it." He said, "A part of it passed in an unknown language." Why? He said, "It will make a cycle and come back around. When they have reason to see it." And God left all these things like that – unwritten Word.

"Don't write it, Daniel. Seal it up. I will not reveal it to you." Part was unrevealed. "Don't write it, John." Part was unwritten. He said, "I had to go West to meet the angels, West for the blast, to come back East and interpret the unwritten Word." He said, "This whole week here, unwritten things have been interpreted." He said, "But you were not supposed to get it." He said, "I am sure you didn't get it." He went so far to take part of the Seven Seals and seal it up until after His death, and He gave them another part, and to put that in the Book, and hold this part back.

Down through the years the things that I have preached, the way it came to me and the places God passed to reveal certain things, things that were in the Message, because I'm not revealing things that are outside of the Message; things that were revealed in the Message that tied the Message together. It is strange how that is coming. And when these things started to come that way, a lot of it can fail to hold the interest of

people if they are accustomed hearing things one way that their minds could easily figure out. But when you are talking now in a way and you are talking things that are difficult for the mind to figure out that people don't dwell on, they get disinterested. They say, "I don't understand that brother." Some say, "Well, it is his accent; it is his accent." Then some say, "Hey, he is saying some things, whew, it makes me see the whole Message differently." It depends on where you are looking from. See, it depends on where you're looking from.

You see, this, which I am trying to communicate, is for somebody who feels they are born here not just to live and die, and eat and drink, and wear and have house, and car and money. It's for who believe that they should have come in the Garden of Eden; who have gotten convinced now, after a while, hearing the Word and having experiences with God that they were part of God before the foundation of the world; who actually come to a place where they know they've heard from their theophanies, and who believe they will be changed in their body not many days from now. This is for people who have that kind of deep.

Associated fields to cryptography, which cryptography is hidden; means from the Greek kryptós, gráphein, 'hidden' and 'to write,' which is the study of converting information from its normal, comprehensible format into an incomprehensible format, rendering it unreadable.

So God said, "I could have written the people and say, 'Daniel, in the last days it would have a church called the Roman Catholic Church. And it would have a Pope that would rise up and that Pope would do so and so in the year 2005, (let us say 2005,) and so and so will happen. And in 2001, they will have something called 'the day the towers fell'. I have that prophesied in Isaiah and so and so.'" And God could explain that.

But instead of that now, God changed the format and He put a beast like a monster with iron teeth stamping

out the residue, with seven heads, and a horn comes out and that horn plucks up three other horns. And then Daniel starts to scratch his head. It's like, "What is all of this?" Then he sees an Angel come with an opened Book to deliver in that time of trouble. It was not making sense. Then even the two men on the Earth were saying, "Tell us how long shall these things be." He said, "Time, times and half a time." He didn't even say three and a half years. Do you get what I am saying?

Purposely, God did it like that! And so God encrypted it and put it there and that's why Daniel and Revelation is called apocalypse, apocalyptic Books. It is in symbol form. It needs to be unveiled, uncovered. It takes a key to open it. It is hidden from the wise and prudent. All the thousands of years of Bible schools, people still can't unlock it. Great learned theologians doing their research came up and said the Book of Daniel is not inspired. It was written by somebody years after and they wrote it a certain way. And they could prove that Daniel was not really a prophet because he didn't really go and prophesy 'THUS SAITH THE LORD'. There isn't one 'THUS SAITH THE LORD' about Daniel. The man was in a palace; he saw a vision, wrote it; he saw a vision, wrote it; he saw a vision, and wrote it. It didn't even tell you if he told it to anybody. Do you understand what I am saying?

Amos went, "THUS SAITH THE LORD." Moses went, "THUS SAITH THE LORD." Jeremiah went, "THUS SAITH THE LORD." They who were doing their symbols—Ezekiel, who lived in Daniel's time, went, "THUS SAITH THE LORD." Daniel was in a palace like a prime minister, and writing down visions in a Book. But when Jesus came, Jesus said the prophet Daniel. Jesus said the prophet Daniel – St. Matthew 24.

So associated with cryptography is steganography. This means, the study of hiding the very existence of a message, and not necessarily the contents of the

message itself. Steganography is the art of writing in cipher, in code, or in characters, which are not intelligible except to persons who have the key.

I can send a coded message for you but I tell you ahead of time what each word will mean. If I say, “The quick brown fox jumps over the lazy dog,” or “There’s a brown girl in a ring,” and I say, “four ‘tra-la-la-las,’” now you don’t know what is happening. And you say it is supposed to be two. But that is something. That is double emphasis on that part. It means something to the person who has that key to look for that. And when I say, “The brown girl,” that is profiling a person. And when I say, “In a ring,” that ring, maybe it’s a drug ring. Do you understand what I am saying?

So, steganography is the art of writing in cipher. The Bible is written in riddles. The Prophet said it is an Eastern Book; it is not a Western Book. A king made a marriage for his son, and people are thinking now they don’t understand this mystery. But here he is laying it out. He calls it ‘the Mystery of the Kingdom’. He says, “Now this is a Mystery of the Kingdom,” and it is in riddles – a sower went forth to sow. What is He doing? He is speaking something to communicate it to people, and those who it is not intended for, they don’t understand what He is saying. And then to those who wants to understand it, He says, “I will tell you what it means. I will give you the key. Sower means Son of Man. Seed means Word. Different types of soil means this.” He is giving the ones He wants the key to unlock what He is saying to them.

Now notice in all these things I am giving you Bible examples. I showed you the first three Bibles are written in the Zodiac, in the pyramid and this Bible, all are written encrypted. I am showing you that God from the time the Seventh Seal opened, there is nothing; no revelation hasn’t come outside of symbol. Everything has to do with this. That’s why sometimes you sit down

and things are happening among you and you can't perceive it.

I trust this morning that by preaching this it will help, as I say, awaken you and get you a little more sensitized, and a little more observant and cause your senses to be exercised so you can discern; so you would not be like a child. Children don't have discernment. But as you grow up, you get discernment. You see a little child, you give him a little 'sweetie', [candy -Ed.] you say, "Come, come," and they carry them in something. Some little girl, somebody gives you a little gift and says, "Here is a nice gift. The Lord laid it on my heart." She is being taken already. She is so juvenile, she is thinking somebody likes her to give her a nice gift. She doesn't realize somebody has intent. That is putting you under obligation. You don't know you are getting put under obligation already because you don't have the discernment to discern that.

Somebody has a design on you already. You think it is generosity and somebody means well, and somebody is just doing different things. And next thing now you start to get under obligation. When somebody asks you what you like and so and so and so, you don't know they are profiling you. So they are going to give you something that you like, that it will be hard for you to give up if a situation comes. And then if your convictions are not strong you can't resist those things. Do you get what I am saying?

I find that was kind of, "Yes." [Bro. Vin says, "Yes" in an unfeeling manner -Ed.] What happened? The Word is the Word. Don't be afraid of the Word. Take the Word. The good thing about the Word, It will purge out anything that is not the Word, and you will stay in faith. If it is not Word and you have not-Word things in you, your faith will start to get weak, you'll start to get in the flesh, you'll start to wiggle off the road, your eyes will start to get dim, your ears will start to get deaf, and next thing you are in trouble because you can't hear the Voice of

God; you can't discern what is happening around you. Do you understand what I am saying?

Steganography – the study of hiding the very existence of a message.

The Prophet said, “Christ could hide in the Word from the wisest theologian, sitting there looking at them and they can't see Him.” Serpent's seed is in the Bible right there, watching them so and they can't see it. And they read it back and forth, “No, no, no, it is a tree. It is a tree!” But he says, “A man is like a tree planted by rivers of water and the axe is laid at the root of a tree.” What kind of tree bears knowledge? So he said, “Eat! Eat man, eat.” He said, “Well such is the way of an adulterous woman; she eateth and wipeth her mouth and said, ‘I have done no evil.’” *Eat* means *partake of*. Do you understand? That has the key to unlock it.

It is right there. That's why God said, “My thoughts are higher than your thoughts and My ways are higher than your ways.” [Isaiah 55:8-9 -Ed.] That's why when God speaks, God is speaking through a language. The language is in the language, I am talking about; the Mystery in the Mystery. God's methods of cryptography and God's methods of steganography – hiding His Message.

How did I find that on the wings of a snow-white Dove? I went back to Sabino Canyon, went up in Dove Cove, came back down, something came in my mind – *Dove Leading Eagle*. [Song #569 - Song That Live -Ed.] Where did that come from? I am not a songwriter. Then I started to look at that. Then one day God opened up that whole message. I came back from Africa, invited different brothers to preach in Tobago, and before the meetings started I said, “No, no, I have to preach all these services.” Why? Because God opened this to me out of the Word.

And I went to preach that that Dove was God Himself coming down. And that's six inches long and the Book of Job has forty-two chapters, and started with the

suffering of a righteous man; and six sevens are the suffering of this man and in the end the man came to full restoration. And all the people who thought he was a secret sinner and was coming against the man, God vindicated the man and made the man pray for them afterwards. And then the Prophet, after he saw the Dove, and the confirmation of his healing, he went and preached out of the 42nd chapter.

All the time he was preaching, *I Know* [1960-0417s -Ed.], out of the 19th chapter, *My Redeemer Liveth* [1958-0406s -Ed.], he was preaching a different part of Job. But that time, *I Have Heard But Now I See* [1965-1127e -Ed.], "I have heard with the hearing of my ear but *now* I see." He saw a weasel in a tree. He saw a dove, and he saw 'Eagle' written on the rock, and symbols again. He said, "What? It's a Message coming forth. Father, I pray let the Dove lead. I'll ride this trail once more." Symbols again; three dreams in symbol form.

Everything under the Seventh Seal is not written plain. It has to be in a people. I am going to show you, he says, "God made you up a certain way and if He wants you to know something, He will send it to you; that the Bride has a channel of communication, a secured channel that through the New Birth, Satan cannot get in there." You have to be justified, sanctified and filled with the Holy Ghost to get in that channel. That only provided place where He meets with the believer. And Job had a channel. He could come out of the way and God used to come in.

Job sat down right there looking for that mystery, and it was right in front of him every day and he couldn't see it. And one day when God dropped the inspiration in the channel, he saw the tree, he saw the flower, he saw these things, and he caught the mystery of the Seventh Seal right there. Why? God had it encrypted around him. But because he had something to strike, that unseen thing that could strike and put his mind in a next realm, and he began to see through another eye.

And when he started to see through those eyes, he was seeing God so plain and he was hearing God talking so distinct and so clear.

Friends, that is what it is. That is where these things come from. That is where you are walking with God in a place. I have eleven hundred and sixty-nine message books. What am I doing reading about mathematics and music? I never used those two words in my life. But in finding that I am proving to you, how I preach the Message is right. This is what is happening here you know, down through the years. I am proving to you that this is what God did. And I am showing you back from creation I started up in the heavens, I am bringing it down through the pyramid Bible, and then for this last Day.

And then this very Message, as you've always heard me say, there is something, a formula, an equation, a mystery, call it what you want in scientific terms, (you can use scientific terms, you can use theological terms) in these books to come into immortality. It is spoken as the Thunders laying in the Message and says, "The Thunders are to open a mystery to bring a Power in the Church to change these bodies. And the Stature of a Perfect Man is a mystery of seven steps to the King's chamber to the empty coffer.

And I am going to show you how the Prophet's life is tied to the first Bible. When he was born the constellations were in the heavens. God marked time and measured time by that man's life. And that part from 1966 to 2005, is a mystery to measure and reveal the events of that time also. My! I feel my coat is fitting me when I am talking like this. I believe these things a certain way.

Steganography – the art of writing in cipher or in characters.

There are all different characters you can write in, you know. You can write in different fonts. Bro. Branham said, "If you used to read my notes how I write

my notes for my message, you sure would not understand it.” He said, “I have a star, it comes down into a bridge, then I have something there.” He said, “I have my own handwriting. And when I look there I could read exactly what I am saying.” Do you get that?

Well God wrote in another kind of characters too. God wrote in a character named Job. And God wrote in a character named Joseph. And then God said, “Watch Joseph’s life. There are seven feasts in Joseph’s life. There are seven seals in Joseph’s life.” God said, “Watch David’s life – from the sheeppcote to the throne,” there is a mystery there. “Watch Enoch’s life – from the brass altar into the Holy of Holies where he was changed and taken away.” Watch, there are things in the Book. It is not just characters. It is not just Jewish history. It’s a mystery sealed up in there.

Steganography has evolved into the practice of hiding a message within a larger one in such a way that others cannot discern the presence or contents of the hidden message.

Many of you, some wouldn’t remember it, but many of you will remember I always said from 1965, July 11th, to *Communion*, the 12th of December, 1965, everything that was in his heart was sealed up in there. On August 4th, he said, “I came back to take the Trumpets, the Thunders and the Vials and tie them together to follow *The Seven Church Ages* and *The Seven Seals*.” [1965-0801m, para. 16 –Ed.] You have a *Seven Church Ages* book and a *Seven Seals* book. We have no Trumpets book, no Vials book, and no Thunders book. He said, “I came back for it.” He said, “I couldn’t get the place for the meetings, so I will preach two today, two next week, and two the next week.”

And in 1984 I went and preached those Seven Vials and showed you where he said those things and how it is sealed up in the Book. And you always heard me say, “Part of the Message is opened and part of the Message is sealed.” By the way he spoke it, he opened part, and

by the way he spoke it, he sealed part. This message today is coming back to confirm all those things; that there was a way something was communicated. It was kept in a secured channel that the devil would not get it. It is only intended for a certain people. And the people to whom it was transmitted, has a key to unlock it and know the contents of what is communicated. That's how they got their orders and their instructions out of the Bible.

Like when He told Jeremiah, "Go to potter's house, I will talk to you there." All those Scriptures started to come to me when I was going to Brazil. "Go down there, I will talk to you. Go join yourself to this chariot," [Acts 8:29 -Ed.] another one, because I wanted Scripture. I said, "But how am I going? What am I going there for?" "Behold, I stand at the door and knock. Go and knock on that door," that's in the Scripture. [Revelation 3:20 - Ed.] I said, "But those things are in the Bible because I have a Word." Philip had a Word.

I have something to sup on. I have bread and wine, that Melchisedec gave me in the evening time; *Supping With Melchisedec In The Evening Time*. [1999-0718- Ed.] Jeremiah in the time when the Babylonian power was devouring the whole Earth when it became the head of gold, taking the Jewish people; Babylon's methods of destruction. The sealed scroll in the earthen vessels [Jeremiah 32 -Ed.], the sealed deed of purchase. Those things God opened out of Jeremiah. He said, "Go in the potter's house." The purpose of the potter. God sends you places to tell you things. God likes to bring you around certain events and happenings to communicate His mind to you. He is God of the Bible. You can't sit down in one place and get everything in that one place sometimes.

God says, "Get up and do what I say."

I say, "What is God doing here? Lord, what am I watching that for? What does that mean? Why am I wasting my time here?"

He said, “Well, there is something there.”

Be sensitive, you will find God. He is all around you. God is not far from you. He is all around you, every day. Let me say, He is in your kitchen with you. When you go to the grocery, He is in the grocery with you. When you go and shop, He is there with you. When you are getting your children ready for school, God is with you. And all of that are lessons too, because God prepares you and sends you to school too. Is that right? God goes and gets your food and stores it up from the grocery, to nourish you and strengthen you too. And when you are making your own things, and you are mixing your oil and flour and putting it in a heated oven, God teaches you things there too. There are mysteries of God there too. And when you are washing your clothes with your Clorox, with your bleach, and getting your stains out, and you are ironing out all your wrinkles, God is there with you too. But your eyes have to be opened to see God.

And that’s why sometimes people, they only know reading a book, and so after a while they get confused and say, “I don’t know what book to read,” and, “I read all those books already and I didn’t get anything in those books.” No, no, no. The book is to tune you in to God. The book is to teach you God—because in the book there is teaching about how a man comes to know God in everything. That is what the book is about. The book is about how a man in the Word became flesh, and found back all these things, and left footprints for us to follow. We are not in a denominational Age; we are in a Bride Age.

And Bride Age is Bride and Groom whispering secrets. Denominational Age is learning this, and church system, and church program, and being involved in church activities, and wearing church clothes and doing church things. But in the Bride Age, it’s a different kind of Age, a different kind of relationship. This is to take you, carry you into the tent,

let the veil fall around you, put seed inside of you, put His Life inside of you, like Isaac and Rebekah; like Boaz and Ruth. This is what it is.

In contemporary terms, steganography has evolved into a digital strategy of hiding a file in some form of multimedia, such as an image, an audio file; like dot wave or mp3 or even a video file.

Today, you even see it in money, when they print money and they put certain things in the money, and even in your passport, they have it digitally altered with your visa. They have tracking things that they can track you. And you see they put it under a certain scanner every time you go to travel, and they put it there. And they pass that ultraviolet light on it and these things. Why? Because there are coded things in there that will be revealed under that. When you look at it with the eye, you can't see anything. When somebody is trying to impersonate and forge that, then you see the man turn on the red light, "Go in the room." The forger could only forge what the eye could see; he doesn't understand what is here. That is why in the bank, Central Bank, they could tell a real bill from a fake bill. They will take in a marked bill because it will have a certain reaction with certain types of ink on it. What is that for? So that there can be no impersonations.

This Third Pull, this, will not be impersonated; because the antichrist spirit can impersonate everything. Just like Pentecostals, they will impersonate everything. But not this! This will not be impersonated. This is the thought become Word. And to become Word, you have to be in the thinking to begin with. And if you were in the thinking, your life is laid out here in the Bible, the seven steps, to bring you back to become Word. It is laid out here, and you walk in those places. Your life is a different kind of life.

Steganography is the art and science of writing hidden messages in such a way that no one apart from the intended recipient knows of the existence of the message.

Only Mary could tell the conception to the birth. That thing in there, the bird in the money – how many know I preached that in Fran Street [Place in Trinidad –Ed.] since in 1976? That thing in there. Something that cannot be impersonated. Something that you are made up of that nobody can impersonate you. They could give them plastic surgery, but you are not the outward man. You behave under certain influences of the Spirit, and certain types of signs will attract your attention and make you look in on those things, because you are made up a certain way.

Why did David write about—sitting down there watching those sheep and said, “The Lord is my Shepherd; I shall not want. He maketh me to lie down in green pastures.” He broke into a realm and started to see, “Wait, sheep and shepherd! It is a mystery of God and redemption!” His environment became alive to him. He began, “As the hart panteth after the water brook.” He watched in hunting terminology, something opened, a revelation opened there to him about a painful thirst for God.

Yet he had the Bible. But when he wrote in the Bible, he was writing about nature and things around him. Do you understand that? He wasn’t writing and saying, “And Moses said,” and “Abraham did,” and “Joshua said.” He wasn’t saying that. He was talking about things in nature that Moses didn’t say and Joshua didn’t say out of his make up, with his Eternal Life in him, because he had a place in the Body the same way! And people who knew, knew that was the same inspiration of Moses and Joshua, but they said, “That is his style; that is his way.” So are you understanding what encrypting is?

A stenographic message will appear to be something else: a picture, an article, a shopping list, or some ‘cover’ message; like a covert message.

Somebody writes a whole grocery list: two pounds of *this*. But two pounds of *that* does not mean that is flour,

you know. That is a formula for a bomb you know, because flour represents that; oil represents a certain thing. So you're reading that and say, "Oh, that's groceries they are going to buy." A man says, "Groceries?" He says, "It looks like groceries to all who are thinking groceries."

Now that is what Jesus cried out when He said, "Father, I thank You, You hid it from the wise and the prudent." All those Jewish scholars were looking for Messiah for four thousand years. And they were studying Solomon, and they were studying David, and they were studying Joshua. And here comes Moses, here comes Joshua, here comes Solomon, here comes David – all of that was Jesus, and they couldn't see it! And He said, "Search the Scriptures, in them you think you have Eternal Life; they testify of Me." [St. John 5:39 – Ed.] "A Greater than Jonah is here. A Greater than Solomon is here." And He began to open to them to show them, "No, no." He said, "How readest thou?" He said, "How readest thou?" There was a way that they were reading, and it was a different way He was reading.

Here are some techniques of how these things were used.

Steganography has been widely used in historical times; hidden messages in waxed tablets... It says: In ancient Greece, people wrote messages on wood then covered it with wax, so it would look like an ordinary unused tablet.

They covered it with wax and a man is going with this.

They said, "What do you have there?"

He said, "Something I bought in the market. You know, I want to carry it for my wife, a nice little present."

He is carrying information about all the military installations and everything there, for a people who are getting ready to make an invasion in that country, you know.

When God opened the Seven Thunders, God was getting ready to give a people something to come into

Rapturing faith, to come into the Spoken Word; something that was going to make Satan powerless before them. And Satan knows that this thing where Angels came, had to be major. “A blast and Seven Angels, twenty-seven miles high and thirty miles wide! I am the prince of the power of the air. Who put that thing twenty-seven miles high, thirty mile wide?” Do you understand what I am saying?

When he [Satan] called all the places, “Did you all shake that earth? Did you all trigger an earthquake? What are you all doing there?”

He said, “Those Angels caused that.”

He said, “What is this man doing out here?” He said, “And that man went back East. Remember that man was preaching something saying he was going West or something when there was a blast, remember that? Get back the tape.” On *Sirs, Is This The Time* [1962-1230e - Ed.] everybody was listening. They said, “Hey, something is going on.”

When the Seals were going to be opened, all those devils came around the tabernacle. The Prophet said, “Every night I came in, the place was full of tension.” He said, “I had to kind of talk and get the people adjusted, and so on and then wait for the atmosphere to get right to break the Seal among the people.” By the time he was done, two pages and a Seal broke, but he said, “I could stay here for months.” But he couldn’t preach more than about two pages. What he said on the Seal came out. There was so much of tension in the place.

From 1963 to 1965, he said, “I am waiting under the anointing.” He said, “It’s two years and I haven’t dedicated my grandson yet.” He said, “I don’t have time for that.” They said, “How do you mean, a big minister and you don’t have time that you can’t dedicate a baby for two years?” He said, “I am staying under the anointing to seek one of these mysteries to open.” Then God carried him back in the desert. He said, “Why did

you bring me back in the desert?” To get him tuned back in to the experiences because they happened so fast, but it meant something.

You say, “Bro. Vin, what is all of this?” Because Bro. Vin is not trying to have a church. I’ve said that for years. There is something in the Message I am trying to find, and I believe by the grace of God, He put it in my hands. And I believe that I am preaching my message here in the church over the years and God is still misunderstood and the Presence of God is still unrecognized to many. You say, “How do you mean? We believe what you are saying.” But many of you don’t read the books; many of you don’t hear the tapes. And if you really understood it, many of you would not be in the condition that you are in. Some of you don’t even keep record of how many times you are in the prayer lines for the same thing. Some of you don’t realize, why when you stand there believing God, you can’t stay with it after two days, and start to realize you have to change your strategy in order to keep what God did for you in a service.

When you understand these things, it raises your thinking on another level. You can’t act what you are not thinking. You have to think first and then act. That’s why one realm is humanistic and one realm is revelation. You are raised up out of the humanistic realm into the realm of revelation. In the humanistic realm you are hoping, you are wondering, “Could it be? It might be. I might get it today, maybe.”

In the realm of faith, when you come in there, the gates of hell can’t prevail against you. By revelation you know. Revelation is a knowing. It’s a super sense to your five senses. You are tied to an Absolute. Revelation ties you to the Word that cannot—your compass is pointed to the North Star. You don’t care how dark it is, you don’t care how deep your jungle is, you don’t care how much trouble you have, you know that Word cannot fail! You stagger not through

unbelief. You master your circumstances, you bring every thought into captivity when you get there.

Why? Because you have prevailing power to prevail over the enemy. You can cast down reasoning and imagination. When he starts to bring in memory and haunt you, cast it down because you have a strength inside of you. You are strengthened with might and power in the inner man; not the outer man, the inner man. Because it is not a Word to the mind, it is a Word to the inner man to wake up. The Thunders are to wake you up! Wake you up to what? Where your power is and how to walk with God in the Word!

They used to hide messages on a messenger's body.

Isn't that strange? God told Ezekiel, "Shave your head. Lie down on your side. When you shave your head, put your hair on a scale, weigh it in three measures and go and throw it in different parts of the country." How many knows the hair on the man's head represents the people? Let me tell you, when God designed people for work friends, everything about them is made up for that. The Prophet had to get bald headed. Do you know that? He even started to get headaches with the visions. He found it in the Bible – Daniel head troubled him for many days. They called Elisha bald head. Paul was bald headed too.

It's design, friends. He said, "God designed the man's make up and everything to the people he is sending the man for. The way he talks; God fixed the way he preaches and everything else." He was trying to show you this is not a chance thing. This is not, "I am in the Message and I am sincere and I love God." That doesn't stop the love for God, and that doesn't stop your sincerity, but that brings you more conscious, so you would love God even more, and you get more sincere because you're seeing more of God's grace in your life towards you.

They said: *There was a story of a message tattooed to a slave's shaved head, covered by the hair's regrowth*

and exposed by re-shaving. The message was carried to warn Greece about the Persian's invasion plans.

They had to get this message to the people saying, "Persia is planning to invade." They said, "But this man is going through check points." How would they get this message through? There was no way. In those days, they didn't have telegraph. Maybe it was too far for smoke signals. So somebody got a thought. They shaved the man's head, wrote the message on the man's head and let the man's hair grow back and then they sent the man with the message. I have no message on my head, you know [Congregation laughs -Ed.], unless it is a capstone revelation. But then watch something. Then, when he went there now, they checked him and got nothing.

Then they said, "Where is the message?"

He said, "It is written on my head. Shave my head and read it."

What was it? Their country was at stake. It could have fallen if those plans didn't get through if they didn't know what the enemy's attack was.

This, what I am saying is relevant. I am trying to tell you, God has a reason for communicating all the things the way He communicates it. And the Prophet said, so that the devil wouldn't get to know it. Why are the churches with the Message today, dead and confused and everything else? Why? How did they get there, and having the Message? Do you know how they got there? Satan invaded those churches, broke the power in those churches, and destroyed those churches. He put those people to sleep on those benches. And why are churches just going to church and going back home, going to church and going back home and are not going anywhere from there; go for a convention when some visitors from overseas come and then they go back home? Why, as the Bride?

Do you mean God sent a Prophet, sent Angels with a Message, sent the Pillar of Fire to vindicate that Spoken

Word, everything, to call a Bride to do that? Do you believe that? God opened up Seven Seals for that? Those are churches that have been overcome; people have been overcome. Do you know why? Because they still can't decipher the communication and the enemy got a hold of their plans, the enemy studied their strategy. How was the enemy able to defeat Samson, get Moses' temper to strike the rock twice; get Elisha to call she bears to eat up those children? How was Satan able to get all those things on them? He got Noah to be drunk afterwards? Do you know why? He studied them. The Prophet said, "You study his strategy because he is studying yours."

That is why sometimes you say, "God is not talking to me. God is not talking to me. I am frustrated. I want God to talk to me and God is not talking to me at all. I can't understand my experience. I am going to church and I am not getting anything." And God is talking to you every day, in everything around you. But you want God to talk in a form where the devil would hear it too, and then really put licks on you and make you doubt it is God. Because how is it the devil knows everything that you are going to do? Because your mind is such on a church realm about God, you can't realize the battle for the universe is at hand. When he said this battle that started in Heaven ended up in Armageddon, what is that? Church talk! You say, "All hell is against this Truth, all hell is against this Truth," and then you are shook up when you get a little test. And, "Two hundred million demons want to come against this Bride," and then you want to backslide and go in the world. Do you understand what I am saying?

People are just quoting left and right and quoting all kinds of different things without understanding. Because if you know, don't you think that is a great, great revelation that all hell is against this Truth? When you know that, you know your enemy. When you read the Scripture, you see what kind of demons are coming

there. Then, when you watch the Word, you see what kind of Word God has to give to face the challenge. Then you see what kind of condition you ought to be, if you have to overcome in that struggle. Then you know what kind of adherence and sacrifice and self-denial to the Word that you have to come into, to see that Word operate through you. Wouldn't that be so? Well then how can you be quoting that and then living unconscious?

Do you know what happens? You see Satan comes and you see this one falls in adultery; this one gets a spirit and talking and only causing confusion. And the Prophet said, "It's demonology in the church, enticing spirits." Read *Demonology*. [1953 -Ed.] He said, "In the church!" He said, "Insanity," on *And Knoweth It Not* [1965-0815 -Ed.], "is going on in the church pews." This one thinks she is a smart duck, playing tricks on her husband and giving a next man 'sweet eye' [Affectionate gaze -Ed.] over here and doing things over here and she has a husband over here. She thinks she is smart. She is going to church and is even playing music and all. Do you understand what I am saying? The Prophet is giving you scenes to show you how people talk things. We are in an Age where Satan will make you feel you're a Christian and you're not a Christian. That is the Age we are in. In the Age in the arena, in the Dark Ages, he said they walked out right there and gave their lives in martyrdom, but it is a far more deceiving Age. He is not sending you into martyrdom; he is making you feel you are Spirit-filled and you don't have the Spirit.

They said: *During and after World War II, espionage agents used microdots to send information back and forth. Since the dots were typically extremely small, (the size of a period produced by a typewriter or even smaller,) whatever the dot had hidden within, that was the text. If it was a letter or an address, it was some alphabetic characters. If under a postage stamp, it was the presence of the stamp.*

So they put a little dot to indicate things and a person sees that dot there doesn't know; they think that is maybe just a touch of a pen or something. But then you raise up that stamp; under that stamp has something that is concealed. He said, "Next day I felt led to go another way and I went up there, and when I came I saw 'Eagle' written on the rock." He said, "I went back home and got my camera and took out the picture." He said, "Because I remember that white eagle with the eagles' feathers; that Indian chief riding on that wall with that white horse." [1965-1128e, para. 210-212 - Ed.] From the time he saw 'Eagle'—it didn't say, Indian chief with white horse, you know, it said 'Eagle'. And he knew that, that was that. He said, "When they called me on the telephone, I was in my white Levis and my white moccasins, my Indian moccasins; I was wearing it."

Why is God sending the Message so? Let me tell you something: if you are really conscious as a member of the Bride with the Word in you, and you have a part in God's plan, you have to be conscious every move you make that devil is following you. You have to be conscious that there are devils trying to trick you up on what you are doing. Could you see the need to be more spiritually aware? Do you feel the Thunders woke you up, or the Thunders put you to sleep? What did you wake up from? He said, "Look at those Pentecostals, good people, they felt the pull of the Hour." They said, "Let us fast and pray, let us fast and pray. We need a prayer meeting." He said, "They missed the Time. They will want an awakening and they failed to see the awakening of the Bride." The Word came and opened up and started to wake up people, but they still had the Pentecostal method to go and 'fast and pray, fast and pray, fast and pray' and revelation was going over their heads every day to sensitize them.

God encrypted the Message. When God was sending the message in the times of the Gentiles to

Nebuchadnezzar, when God was sending Nebuchadnezzar's chastisement for his pride and his haughtiness, God sent a dream in the form of a big tree. And some men sat down in a court saying, "Cut it down, let it grow for seven times and then—well leave the root, it will spring back up." And it bothered him. And Daniel came and said, "You are the tree." He said, "It is your pride. You will get into trouble with God. God's hand is upon you." [Daniel 4:14-15 -Ed.] He got the message but he couldn't decipher it, he didn't have the key because God didn't intend for him—even though it was sent to him and it was about him, a next man had to tell him it.

In the time of Belshazzar, when God sent the message in an unknown language, they got every man they knew in that kingdom and nobody could interpret it. When nobody knew what to do afterwards, the queen said, "There is an old man, go and get him. He used to be in your grandfather's time. The Spirit of God used to be in that man. See if he is still alive." When they brought Daniel, he looked at it. That was no known language on Earth, you know. And Daniel rearranged the letters a certain way. It said, "You are weighed in the balances and found wanting. Your kingdom is finished. It is taken away from you and given to the Medes and the Persians." He said, "And they are right at the door." That was the end. A message concerning the fall of Babylon.

When Nebuchadnezzar got his message, Daniel came and said, "God communicated something to you." He said the head of gold means this. The chest of silver means this. The thighs of brass mean this. Because God gave a man the key to unlock those mysteries of prophecy that God had encrypted.

In the time of Joseph, a fourteen year prophecy – seven years of plenty and seven years of famine. Pharaoh got the dream. It was all in symbols and nobody could interpret it. Is that right? But God sent

it encrypted purposely because God had a man there in the prison with the key to unlock that. A man becoming a prisoner in a prison; a man himself used that key in his own life with his own mystery because he unlocked the twelfth star. He unlocked the mystery of the sun, the moon and the eleven stars. He unlocked the sheaf; he unlocked those things. And what he used in his own life to reveal his own mystery of his birth path, of his life and purpose, he used that same key and opened something for the whole Age, and the world, and the nations.

What is this Word Who shows us the feminist spirit revealed in the Bride, that comes and shows us what is happening in the world with *The Predator And The Prey*, and *The Planned Genocide*, and these things? Think! If it remains encrypted, I'll ride this Trail once more; Unknown Language. Why did God send three dreams in symbol form? Everlasting sign; time is no more on that seventh peak on the Continental Divide, the last mountain before we go into the Next Country. The rest is desert. Eternity sets in.

Why did God put that there? That pertains to the ministry of the Son of Man. That pertains to the end of time, Revelation 10:5. That pertains to going back into the faith civilization, the Next Country. That pertains to Eternity setting in, the desert; no more mountains. Then he said, "God gave a runaway prophet a mountain for a sign," then went back in the Bible and said, "I caught it this morning," preaching *The Third Exodus*, [1963-0630m, para. 53 -Ed.] "reading my text." He told Moses, "Come back to this mountain." Then Noah with the ark was on a mountain before you go over into the new country, into the new world, the Seventh Mountain."

Why was God hiding these things? Why? Remember that Seventh Seal was silent. Remember the Rapture is a revelation only for the Bride, remember the end of time seal when it starts, it's a total secret. There is no way

you could know anything about it. And it is only the Holy Spirit, He'll have to come to you. He appeared to Mary Magdalene and showed her something. He appeared to the men on the road to Emmaus and He showed them something. He appeared to the eleven and He showed them something.

Do you get what I am talking about now? Because that part of the ministry, it was a private part; it was secret. And so there must be a secure channel that when they get it from God, they alone will know. She has THUS SAITH THE LORD or keep still. I hope you start to realize now how I am placing those things, that you understand now why She can be that way, because of how She understands these things. There's a faith that moves in a person's heart where it is not by guess. There is a channel of revelation that comes through that they know, "That's the revelation coming to me here. That was the Holy Spirit."

In 1981, traveling on a plane coming back from Pennsylvania, I sat down there on a plane, right on the seat there looking in the plane pocket in front of me was a magazine, and God sparked something with the New Name for me right out of there. I came back and preached on the New Name. [1981-0712, *The New Name In The Seven Thunders* -Ed.] Went out in Sabino Canyon and came back and preached, *God Is Light*; who is that Man that came out of the Ball of Fire, and sparked something there. What causes that? Coming back from Africa and went straight into, *On The Wings Of A Snow-White Dove* [1965-1128e -Ed.] Why? And inside of there I found something. All the time people thought it was a little story he was talking about, he saw some dove in the woods. And then he started to say, "This Dove has led me into a faith I've never known. The Lord came down in the form of a Dove. And the next message, *That Dove Leading Eagle*. And there was no more 'next message'. It was a next fold of the same message.

It is by these things friends, that sometimes people wonder. Because do you know what happens? As you travel around the world sometimes, you hear people talking about that 'Unknown Language' and "It will be something that will happen someday." So you have to know, "I wonder if what I am saying is right, or if what they are saying is right?" But you see, when you are not talking by guess and when God opens the Bible, it is what you are saying. And what you are saying, you can go from Genesis to Revelation with it. And when you go in the Message and you find where it is encrypted and sealed, and you go there and you take it back out.

And *Why The Trumpets Were Preached Supernaturally* [1982-0325 - Ed.] and that stayed in the Message all those years, and *Why Little Bethlehem* [1958-1228 -Ed.], between rejection and coming to power, that stayed in the Message there all those years. But how is it the Holy Spirit led you into those places to quicken that and bring it out, and open something? And when it opened something, it brought a faith to the people to understand the will of God and the plan of God. Oh my, the time is gone. I am still trying to explain to you what some of this is. It is over. Just let me finish this.

Cryptography is commonly used for securing communications.

It is used for securing communications. **Hidden Communications** I am talking about; the language in the language, the Mystery in the Mystery. "It's something," as the Prophet said, "read between the lines." He said, "Abraham and Sarah came back young." You don't find that in the Bible at all. You don't find in the Bible, in Genesis 45, that is the Seventh Trumpet. You don't find Enoch translated is the Seventh Seal. You don't find that written in the Bible. It said, "Enoch was not," but when you understand the Word, you know that's the revelation of the Rapture there. Do you get what I'm saying? Abraham and Sarah came back young. He said, "Tell me why a king, with

all those beautiful women in the kingdom, will go after a ninety year old granny, if she didn't come back young?" Do you get what I'm saying?

He said, "It's *hid* in the Book." Hidden Truth that is *sealed* in the Word. It's *hid* in the Book. Why did God hide things in the Book? "Close it up, Daniel. Seal it up." Hear what it means. It is a word in the Hebrews that means, *shut up, keep closed; to conceal*. It also means, *to hide oneself carefully*. Christ is the Mystery of God revealed. In other words, Christ is the Mystery of God that was sealed with Seven Seals, now revealed. Because the next part of it is, Christ is revealed in His Own Word. And if you read the Bible and you don't see Jesus in a Scripture, go back and read it because you missed it somewhere. Because in the first verse when It said, "In the beginning God created," he said, "there is Christ because all things were made by Him. And all the way to the 22nd chapter of Revelation where it says, 'the Amen,'" he said, "He is the Amen. That's Him. So the entire Bible is Christ." He took the Law and the Psalms and the prophets and all things concerning Himself. He is the whole Word. Lo, I come: in the volume of the Book. [Psalms 40:7 -Ed.] He carefully hid Himself in the Word.

He said, "So the man came and said, 'Bro. Branham, those Seven Thunders would be given to you.'" He said, "You see, he is trying to trap me." He said, "Brother, according to the Bible, you can't add one word or take away one word." He said, "It was something that was *hid* in the Book." What was it? Christ Himself. What were those Seals? Christ is those Seals that were opened. What were those Seals revealing? Christ - page 45, *It Is The Rising Of The Sun*. [1965-0418m -Ed.]

It means, *to hide, to remove from sight, to seal up, to fix a seal; to lock up*. "Lock it up, Daniel, conceal it; hide it from the sight of people." It will not be made known until the End Time. This must remain secure; nobody must be able to tamper with this. That's why when the

Seal had to be broken, only the Lamb could break the Seal. No man is worthy to look on the Book, or even to touch the Book. He said, "So this has to come out of Heaven." When those mysteries that were hid in the Book had to be opened, it had to come out of Heaven, because no man was worthy. Moses, Elijah, nobody was worthy; because you are going to reveal things that not even Jesus Himself had known when He was on Earth. He said, "The Father has this shut up to Himself; not even the Son knows this" – Matthew 24:36, Mark 13:32.

God hid things about His coming, hid things about our immortality, hid things about the change, and there is a mystery that is going to open, and it's somewhere in the books and the tapes. And if we have to get out of these three dimensions, *that*, is to take you out of three dimensions. I could try to get you to wear a dress with a thousand pleats, comb your hair in no plaits, I could bring down your heel to half an inch, I can make sure you don't have a whisker, or you are not in any unshaved form; I could make you come and sit in your seat and you have your hymn book, and do all that without this mystery. But without that mystery, not one person is leaving this dimension, except through death to go either into hell or go under the altar. But as far as Rapturing faith and change, it takes that mystery in the Book to open.

And when that mystery opens, part of your life that you don't know, that only the Holy Ghost could reveal to you, that not even your mother and father put inside of you, it has nothing to do with that. It has to do with God's plan for you. That knowledge has to start to come to you, and when that starts to come to you, that is going to awaken the inner man. And the same way you have papers in the natural and you know where you live, you know when you were born, you know the color of your eyes, you know your height; you have your certificate, you know you have your resume, what you

are qualified for and you have your money in the bank; you know your riches and your wealth; everything you know about yourself naturally; you know your blood type and everything else, you know what you are allergic to and what you can't take, you will have that kind of precise knowledge about the inner man. You will have that kind of precise knowledge about the inner man and that will be the thing that will govern your life and influence you.

Doesn't that excite you when you hear that, and you want to live there? Do you realize that is why the Message came – to make a people live there? Then tell me, if you get a Church to live there, what kind of Church that will be? Could sickness stand before that kind of people? Could fear paralyze that kind of people? Could mind battles overcome that kind of people? They will bring every thought into captivity. They could bring every thought into captivity.

You must have secure communications. That is why it is an Inside Teacher. That's why you have to get the Holy Ghost, and the Teacher now Who is teaching you these things is on the inside of you teaching you. He is seeing through your eyes. He is understanding with your mind. Do you get what it is? It is an Inside Teacher, not even on the outside. The outside teacher—do you see how I am teaching this here? I might teach fifteen percent, and you sit down there and the Inside Teacher is giving you seventy-five percent, that when you are done, you're teaching me things that I never knew, is what I am saying.

The Prophet said the Thunders were hid in the Book, *Spiritual Food In Due Season*. [1965-0718e -Ed] In, *Key To The Door* [1962-1007 -Ed] he said, there is something in there that you have to get a hold of, a key, like a key to mathematics, a key to knowledge, and when you get that key, it opens up that world to you. In *Countdown*, he said, "It is finding these certain materials before it could make the achievement. If they didn't find things

to make the motorcar, they can't have a motorcar. If they didn't find things to make an aeroplane, you can't come into an aeroplane Age. You will stay in a motorcar Age, and you will have, maybe a more modified motorcar."

In *Christ Is Revealed In His Own Word*, [1965-0822m -Ed.] he said, "It is hidden from the theologians." In *Christ Is The Mystery Of God Revealed*, [1963-0728 -Ed.] he said, "It is hidden in shadow and types, sealed up in the Book." In Matthew 11, He says, "It is hid from the wise and prudent." In 1st Corinthians 3, Paul said, "The hidden wisdom of God that we teach these things by and not words of man's wisdom." In, *Why It Had To Be Shepherds* [1964-1221 -Ed.] he said, "They found the Messiah Who was hidden." He had come and only God knew where He was. And then God started to reveal to them where to go and look, and how to find Him, and how to recognize Him when they saw Him.

What is he telling us? That there is a revelation that came in this Day. It is something that is hid. It is not to the public. He said, "It is not to be made known to the public. It is a total secret." If you have a part of God's secret—you have to be part of God's secret to go in this Rapture. God has to share His secret with you, to go in this Rapture. He said, "To some it is a bunch of rattling noise, but those who are in the Spirit of the director and the Spirit of the Composer, brother, they know every junction, every change of beat. They know exactly what the symphony is saying because it is a great drama unfolding." Think of it.

Jesus told them, "Search the Scriptures, you will find something." Because Daniel 12 was unrevealed Word, Revelation 10 was unwritten Word. It was not even written in the Book. He said, "I went West for the blast, met the Angels, came back East to interpret that unwritten Word." Then that means what he was speaking to us as messages, that was the interpretation of unwritten Word.

So then in reading that Book, it is not just with human understanding. How could we read with human understanding and get what it took Angels to bring, and a Prophet with a certain language to speak it and hide it? How can you sit down there with a book and a pen, and read it and get it? If theologians couldn't even get it in the Bible, and studying for years, and Rabbis for thousands of years studying the Bible couldn't get it, and Jesus said, "And Father, I thank You that You hid it from them," tell me how you and I could pick up a book and get it? It has to be the Spirit of Truth. It has to be the Spirit of Truth leading you and guiding you. It has to be a Guide guiding you, and then the Guide is guiding you in ways different to you.

When the Guide started to guide them in the place He prepared for them, they started to murmur and complain on the Guide. They couldn't understand how He led them in a place where it had no water, how He led them in a place where, brother, they were getting hungry; how He led them in a place where people were fighting them and the sun was hot and scorching them; why He was holding them in one place so long and it was getting monotonous. Because they didn't understand He was passing them ways because that was the only way to open certain things about Himself to them.

And He is keeping the communication secure, in a secured channel where nobody could have deviated from that channel, and get in that channel because it comes like the call of God, the plan of God, and the Word of God. You came in by God's foreknowledge, by predestination, and foreordination, by a New Birth. You came into the house of God, and you are part of the house by predestination, to a place, and in that place you are born to see. If you come out of that place you will get blind, because God designed you and fixed you for that place, to operate in that place, and your experiences are to develop your potential to serve in that

place, (that's right,) to bring you into your power. That's right, friends.

Hidden communications – God's cryptography, God's steganography. God is using methods to seal up the mystery. God is showing the Prophet interpreting writing on a rock, ripping off the rock, exposing something. Then he came back and said, "That Rock is the Bible." Well then, why God didn't show him teaching in the Bible? Why did God show that part of the Bible has things that light never shone on? He said, "There are things here that light never shone on." He said, "All of this was interpreted. All of the mysteries are finished." He said, "Then down comes that Angel." Then when that Angel came, time is no more. The Lamb is stepping forth to take the Book. When the Lamb stepped forth to take that Book, brother, we are in the end of time Seal. Then that means, "The world will not see Me, but you will see Me; I will have to come to you; I'll have to find you."

Brother, I know because I was going to Tibet, going in the Himalaya Mountains; going to find the akashic record. I tried to get out of my body a few times. We used to go and strip ourselves naked in the dark, lie down there with a burning flame, following every precept and order to come into this thing. We got away from civilization. Our families thought we were crazy. Why? Not because you are foolish in your head; because the hunger in your hearts cannot be satisfied with religion, and you know there is something, and you are born for a purpose.

And you know you weren't just born to grow up. And you are watching everybody getting materialistic, and you know everybody is getting tied to this civilization. And something in your heart was telling you, "You are like an Eagle in a cage." Something in your heart is telling you, "I am not born for this." I wanted to know who I am and where I came from. Until that got so intensified, brother, you had to step out till you didn't

even know where you were going, and you started to say, "If there is God in this island, let Him talk to me like He talked to Moses." But when you get desperate, you'll find God. "When you seek Me with all your heart, I'll be found of you." That's right!

That same God met me in Santa Cruz and turned me around. Amen. That same God, I was telling the brothers the other night there, He started to talk to me in the canefields. He showed me the snake in the water, and said, "Kill that snake." He showed me, "Look at the sunlight, you could only see it when the sun is shining upon it." He started to tell me, "That is that church there. That is that spirit in that church. That's right. And was it false? [Brothers say, "No." -Ed.] There are brothers here that know that is the truth. But at that time you thought you were treading on something holy, on holy ground. You were going in dangerous places to call that the devil.

But because I believed, I stepped out and I left everything, believing what was inside of this Book. Think! And believing a Voice told me, "That sunlight had to show you it otherwise you couldn't see it, and go and strike that serpent; and that little water there is that church." If you read out of the Bible you should have more faith. But you see, that is just as good when God starts to make that alive, because that is the Word. And coming back to the Word, what water is. You go back to the Word, what the sun is. You go back to the Word, what the serpent is. Do you understand what I am saying? Sure, because God was using things that are in the Bible.

Look, from the King's Sword in the hand, to the blast and Seven Angels in the form of the Pyramid; the seven stages of the eclipse of the Moon, to the whirlwind of Fire making three blasts, (the men heard the blast, he heard the words,) to the Cloud being turned, He said, "You are looking at it the wrong way. I have something hidden in there. You can't see that as long as you are

looking at it like that. When you turn it, you will see what I encrypted inside of it. I encrypted Revelation 1:14 inside of there – the Supreme Judge on the Lord's Day. Then God showed him the mountain peak.

He said, "Look at it, that's your everlasting sign."

He said, "I don't see any everlasting sign in that."

He said, "You have to know My mathematics to know that. How many letters are in your name?"

He said, "Seven."

He said, "Check your peaks."

He said, "Seven in William, seven in Marrion, seven in Branham."

He said, "Your whole life is written in there." He said, "Watch when you started, that was your boyhood visions. That is where you got sick and came off the field. That turn went into the first pull. Then you came off the field here with your nervous breakdown." He said, "That is your second pull. Right now you are going up to that Third Pull."

How many knows he died before he came to the last part? Because the preaching to the lost is the last part, and the preaching to the lost will come when the Squeeze comes. And then time runs out on that peak and then we go to the Next Country. But by and through the members of the Bride – that part is left back for us. How is it the same God had to go back to the same mountain to unveil the second part? Because there was a revelation lying in the Word. The last part of every ministry is preaching to the lost.

The weasel killed in the cactus, the Snow White Dove, the Eagle on the rock, experience in JC Penney's store, sitting down there in hell – all these things were symbols. Preaching in the sun, the great cathedral, Revelation 19 – an angel standing in the sun, speaking to the house of hell, "House of hell, give way." Revelation 18:4, I showed you seven things in Revelation 18, *The Realization Of The Insane Age*, the cage. When that Mighty Angel came down in Revelation

18:1, when he spoke to deliver the people out of the cage; sitting at the Lord's communion table, at the head of the table and riding the great white horse with the military prance; on the mountain overshadowed by the Cloud, ripping off the White Rock that Light never shone on, everything came in an encrypted form; nothing came plain. And it is all laying in the Message. It is all laid out – footprints. It is all for a people who God is going to bring behind Word, by Word, by Word, by Word to come all the way up into that White Rock, to bring that resurrection, friends. Then that same Spirit had to come back to decipher what was encrypted because it is given in an encrypted form.

Cryptography is commonly used for securing communications. Confidentiality, also known as secrecy: only an authorized recipient should be able to extract the contents of the message from its encrypted form.

Only an authorized recipient. Whoo! In other words, it is only for those who—The Word, mystery, *musterion* it means, *for the initiated*. You are initiated by the New Birth. There is no other way to come in other than by the New Birth. And the New Birth means you are part of the family. And being part of the family, He writes the Name on His thigh on your forehead. That's the Seal of the Living God. He wrote His Name on the forehead, bringing a connection from His thigh to your forehead, knowing that you came from Him. You have the same DNA like Him, so when He talks you can understand what He is saying; when He talks in a certain language. He has you with the same make up. That's why when He made Adam—How did He show you the first son? After He talked all what He talked and brought up the whole Eden, then He brought His son. He said, "Now you talk," and whatsoever he called it, that was the name thereof. Is that right?

What is the Seventh Seal? To re-establish the oneness. What is the oneness? The marriage: The Head and the Body are no longer twain; they've become one.

What is God's great mystery of love expressed? God and man were one back there and one here. What is John 14:20? "In that day you'll know I in you and you in Me." What is 1st Corinthians 13:9-13? "When that which is perfect is come, that which is in part shall be done away. You shall know as you were known; you shall see face to face." You will look in the Mirror and see that you are part of Him – Life of His Life, Spirit of His Spirit, Word of His Word. The feminist spirit had to be taken out and revealed in another Body, to show she is the matching piece. He left back part of the Word for the Bride to be identified by.

After all the one man Scripture in the Old Testament, there's a Bride part. After Eliezer, there's a Rebekah part. After Joshua, there's a Rahab part. Is that right? After Mordecai, there's an Esther part. All down through the Bible, friends. Go in the Book of Ruth, go in different places; Boaz, the chief reaper, and Esther. From the time the chief reaper went off of the scene, it was Boaz and Ruth. She [Esther] was getting it personally from Ahasuerus. Rebekah was getting it personally from Isaac, after Eliezer introduced the bride. That's right, friends! After all seven messengers went into Glory, that announcement is by that heavenly Angel that came down. That's the Spirit of Truth. That's the Guide. That's the One to bring us into the place prepared for us. Let us stand to our feet, this morning.

Only an authorized recipient should be able to extract the contents of the message from its encrypted form. Otherwise, it should not be possible to obtain any significant information about the message contents.

If God didn't do it like that, any theologian, any Baptist, Methodist, Jehovah's Witness could just go in the Bible and reveal it. But, surely the Lord thy God will do nothing except He reveals His secrets to His servants, the prophets. [Amos 3:7 -Ed.] And the Bride under Her Messenger, becomes the Final Voice to the

final Age. And whatsoever God says in the Prophet, He's come back and says it through the Bride. Is that right? Because it was the same Spirit that was in the Prophet speaking back to the Bride, reiterating the same thing because the same Guide has to lead us back in the same path.

After confidentiality there must be integrity. Integrity: the recipient must be able to determine if the message had been altered during transmission.

How do we know if we have the right message in the book? How do we know they didn't misprint this in Jeffersonville? [Bro. Vin raises a message book -Ed.] Do you check back the book and tape? Who checks back the book or the tape? How many knows they had a lot of misprints in the Message? Let me tell you, when I read something in the Message, I have my own editing because a natural editor, he could just edit English. I make my own—structure my own paragraphs, because that is a man they hired and gave a job there; they have no revelation. He is doing the best to his ability and doing a service to the Bride. Just like the Bible, they broke chapters in the Bible; they fixed it there. But you better have the Spirit of the Bible and the continuity of the Bible, because when God gave it, it wasn't in chapter and Book and page 24, paragraph so and so; it didn't have that.

That is why people say, "Luke 17:30, the Son of Man is coming to reveal." It is really Genesis 18. Luke 17:30, as I always say, that is the location in the New Testament, but Jesus was quoting Genesis 18 to repeat in the last days because He was reading Genesis. But Luke 17:30 is the place He made the statement about Genesis 18. And right there, because of that one thing, people can't see Revelation 10:1 is veiled in Revelation 10:7, God in a man like a Prophet; that Abraham called, "Lord." They fail to see that was fulfilled and they are waiting for that to happen. Do you get what I am saying?

It is moving the darkness of night. A Seal breaks open. Something is unfolding, friends, coming through the secret passages, seven steps of the Pyramid. Let me say this too: even right among us, God encrypt all these things in songs. I could die and go, they could burn all those tapes; see someone run and start confusion and somebody comes with some idea and new interpretation, but those songs, people know them by heart. It is inside of people. And those songs are saying what is happening. Why would God give inspiration on these things? Do you know why? Because it is not the Word of a man. The song is not the Word of a man, not the Word of a woman, neither is the Message the Word of a man. It is the Inspiration, and that's the Channel.

Job had a Channel. I didn't even have time to go into it. I didn't get to read a quote yet. But I have been quoting the quotes. But the Prophet said, "Have you ever seen a picture with the cow hidden in the bush?" He said, "That's how the Message is." After a while somebody points out the cow in the bush to you and every time you look, you see the cow in the bush, or Christ in the Cloud. [1965-1127b, para. 136 -Ed.] He said, "That's where I got my inspiration to go and preach on, *Christ Is Revealed In His Own Word*. He said, "Do you know how I got my inspiration to do it? A brother gave me a drawing with Christ in the Beatitudes, and they wrote out the Beatitudes, and on certain words they made an emphasis, until you look there and while you are reading the Beatitudes, you see the face of Jesus coming out of it." He said, "He is sitting in His Word, looking out at you." He said, "I caught that inspiration to bring that message to show you how He is hidden in the Word."

God encrypted it. God, the great Encrypter, God Who can hide things. But isn't it strange, He hid part on the mountains. He hid part in the constellation. He hid part in the Pyramid. When that man came he said, "Do you know where we are at now?" From the Pyramid you

measure when Christ was born—Moses called the Exodus, Christ was born coming up, a Church started, came up the Seven Church Ages; came into the great depression—came into World War I, great depression; World War II. He said, “Do you know where we are at? We are on the seventh step where there is a guard standing there to usher you into the Presence of the King; one like John the Baptist.” He said, “That is what we measured out so far.”

He said, “And do you know what’s the next thing there? That’s the King’s Chamber. That’s to bring you—he is the ministry to bring you into the King’s Presence like John introduced you to the King.” He ripped that rock off, those Angels came in the form of a Pyramid. He said, “The messengers of the Secret of those Seven Seals, the ones who were sent to interpret it, they took me up into the Pyramid of themselves, and revealed these things to me and sent me back and said, ‘Go back East.’” This was a Messenger born and prepared from birth to do these things. This was an Angel coming here. He said, “The thing I wondered all my life, and this Angel with me all down through from birth, 5 o’clock the morning when I was born, came with me all the time.” Until he died there that day on December 24th when the evening star was hanging there and the Moon was blood red.

Oh my! God marked the life of this man. When he was born, they said, “We are in that constellation. That gift is here.” When he was commissioned, he said, “Now the Angel designated Cancer.” He said, “That’s exactly where that Seal broke there – in the Cancer Age.” And then the next Age was Leo the lion. And in 1963, Seven Angels, Seven Thunders, the Capstone revelation, as a lion that roareth, Seven Thunders uttered their Voices. And from 1946 to 1965, this man’s life, which was the ministry of Jesus Christ that came back on Earth – first pull, second pull, Third Pull, tied the first Bible in the Zodiac to the second Bible in the Pyramid, because he

is in the Zodiac and he is in the Pyramid. And then he is here as the last Messenger, introducing this Mighty One that descends in the Book of Revelation.

And that's why all the pyramidologists, and all the astrologists, and astronomers, and all the theologians, they interpret the Bible all the way up to 1946. From the time they leave the second war, they run into trouble. All their predictions fail. All their calculations fail. Do you know why? Because from that third peak to that seventh peak where time runs out, that's that man's life. That's that man's life, and that's the Bible; that's the ministry of Jesus Christ. And the Last Pull of Jesus Christ brings the resurrection. The resurrection comes at the end of the ministry of the Son of Man.

And from 1946 to 1965, he came from the first peak all the way up to two-thirds of the seventh peak, because that Third Pull had three parts: the Spoken Word, the opening of the Word, and the preaching to the lost. But between the opening of the Word and the preaching to the lost, from 1963 to 1965, the opening of the Word, to 2005, forty years here, there has been something that happened. The opening of the Word unfolding into a second fold. But that second fold is an unknown language. That second fold is encrypted. That second fold was, "I'll ride this trail once more." It's in symbol form again; prophecy in symbol form.

Then what has all these hidden communications been down through these years? Could these things be part of that? Could these things be part of the revealing of that? What is that bow, and that Cloud, and that Dove, and all these things? That is strange. Why would God do that three or four times in a person? It is something unique. Now mind you, I am not saying this to make myself something. I am trying to help you believe what is happening in your midst. If this part stumbles you, just believe the Word part. Is that Word part exact? Well the same God Who gave the Word, is the same God Who gave witness to that. You know I am

not trying to be any big person, you know that for sure. I walk and tremble, friends. But these things when it comes inside of me, I can't suppress this. I can't suppress this.

I didn't even get time to go into *The Seventh Seal* [1963-0324e, para. 301-393 -Ed.] to read some of the quotes for you, but I guess I could refer to them because I am thinking you would know them. But for some of the younger ones I would have liked to read it, where he said, "I feel checked now to say no more about this." He said, "I have written in my notes marked, 'Stop here.'" And then he says, "You see when He showed the Seals in Matthew 24, He started to talk in parables. When He showed the Seals in Revelation 6 and 8, He put nothing about the Seventh Seal." He said, "You see when He came back now here, just like He did there and here, nothing. When He was on Earth and they asked Him about the time that was coming, He said, "No man knows that." He said, "Not even the Son." He said, "So you see, that's a secret." But he said, "You be ready, because this thing is going to come back around. I see it moving into a cycle."

And watch something. He comes, *Christ, The Mystery Of God Revealed*, three-fold secret, angels, nobody never knew. He said, "I'll tell you this morning." He came on, *The Rapture* [1965-1204 -Ed.], three-fold secret. The first time from 1946 to 1965, he was touching that Scripture to explain it. He said, "There is a fold between the Shout and the Trump." Revelation 10:8-11, he never went beyond the seventh verse. In eleven hundred and sixty-nine tapes, he never went beyond the seventh verse.

Is it for the Gentiles? Is it to be revealed before the Rapture, or is it for the Jews? That Title Deed that is going back into human flesh. But somehow, way back in Fran Street on the pan pulpit, He pound out that note. He pound out that note, in Fran Street. Adam didn't have the Deed. It went back in the hands of God.

Then God didn't have It; the Lamb took It. When the Lamb didn't have It, an Angel had It. Then Adam, God, the Lamb, and the Angel didn't have It because It went into John between the Gentile Prophet and the Jewish prophets. And the Gentile Prophet left in 1946 [1965] and the two Jewish prophets are yet to come. And from 1946 to 2005, somebody has to know where it is. And this is the Secret – the Word is in the Bride as It was in Mary. And the great Secret in the back-part of God's Mind was put in the heart of the Bride.

Now if that doesn't tie that together, tell me how and if—and you hear me saying—I will say that till I die because it is Him Who gave me the Words to say that like that – the language in the language. They even wrote a song in the church called, *The Language*, [Song #818 - Songs That Live -Ed.] because we are conscious among us we have a language to interpret this encrypted form of the language. And after all these years, for the first time in the last few days I knew those two words: cryptography and steganography. I never used those words in my life. But I found that on a trail of looking, reading about mathematics in music and how things can be encoded into something, and only the initiated who have the key to decipher, will know those things.

But Daniel had a key to decipher. Joseph had a key to decipher. Paul had a key to decipher. Bro. Branham had a key to decipher. And I believe the keys are being given, (we sing about it,) the keys to open the Third Pull and Shalom. All down through the years, the Holy Spirit was talking about the key and scientists, and after it is revealed, after it is decoded, deciphered, it still remained a mystery. Because the way to see it really, it has to come in you. When it comes in you, your Sword fits you, and you fit on your saddle on your horse, and your coat fits you, because everybody has to get it to their fit. It is made to specification to each individual.

That is enough. Pray for us. I am going like Boaz with my reapers to look in the field and see; maybe my eyes will fall on the damsel – the little Ruth that the reapers and they found and told, “Don’t go in other fields, stay in this field.” So we can give them six measures and do the work of a kinsman, do the kinsman’s part and bring them into union and give them settled rest, so that they could bring forth the Man-child. So you pray because they have been laboring out there, but the time has come, we are just trying to see how best now we can make the next step.

And I trust that you appreciated the Word this morning. [Congregation gives God a hand of praise. –Ed.] It caused you to look a little deeper. You know, Bro. Ulric wrote about the path of the Eagle that the vulture cannot follow. And he talked about that mountain, and all these things, coming down through those years in Barataria. But I feel that this message is also a kind of consolation this morning to say, truly, look in today’s world because of warfare, because it is two armies at war, you have to make sure your channel is secure. You have to make sure your communication is not being intercepted.

Do you know in the war they used to intercept people’s message and decode and decipher the message, and then set people in place to overcome them because they were able to break the code. And that is warfare. And these two armies are at war – Life and death are coming into a final struggle. While that group is riding, this one is riding. It is two families, and that other family is bent on destroying this family. And this family is ordained to conquer that family, by the revelation of the Word.

So may God give us grace, friends. Let’s just worship Him a little bit. Maybe we can sing this song with a little greater reality and realization, *Something is Breaking*. [Song # 878 - Songs That Live –Ed.] It says,

A Seal breaks open

*A man caught a vision
 Just like Abraham, he's in search of another land
 Think of this. Oh my!
 Through each unfolding,
 I like this verse,
 The way is opening
 Spiritual scientists working by laws
 to achieve this Rapturing faith
 Thru secret passages
 Seven Steps up the Pyramid
 Where we'll run through death
 And leap over into Supernatural realms.*

What poetic language God gave the poet, the songwriter, to pick up the pen and write under the inspiration of the Holy Spirit. Our very own precious sister here, [Sis. Arlene James -Ed.] who gave us this beautiful song recently here of, *Are you looking for Him?* [Song #955 - Songs That Live -Ed.] Don't ever let that leave you, friends. That is the season that we are in. You have to stay under the inspiration. He'll appear a second time. He'll appear again and again and again, because that's what He is doing. He comes Himself with the Message because He doesn't trust it with anybody. With this Seal, He Himself comes. He Himself comes. He didn't leave it to anybody; He alone. There was nobody between Him and Ruth, nobody between Him and Rebekah, in that Hour. That's right. Oh thank You, Lord. Lift your hands to Him. Lift your hands to this lovely One, the Lamb of God. Hallelujah!

We worship You, Lord. We thank You today, Father. We thank You for Your grace. We thank You for the anointing. We thank You for the riches of Your Word. We thank You, Lord God, for the great grace You have given us down through these years, the leadership of the Holy Spirit; the Dove that has led us into these Secret passages, dear God. You Who have unfolded all these things that have been encrypted, oh God, these messages Lord, that You hid in code, Father. Lord God,

Your people are reading about the top of it, Lord, cannot seem to decipher it. Satan is trying to get a hold of it, Lord, but You guarded it, Father.

You gave us a secret channel where we have access to You, oh God, to come by a new and living way through the Blood, (hallelujah!) a receiving set on the inside, the crystal that the Light could strike, Lord, and something could be revealed in the heart and the mind is illuminated, and we can step out with faith and act where it is beyond the human reasoning and the human imagination to see a paradox be performed. We thank You for these things, Lord.

Let Your Holy Spirit, dear God, continue to brood upon us, Lord. Make it real. Let us have those eyes: seven eyes in front, seven eyes behind, seven eyes within like the cherubim, oh God, knowing the Lord Who is, the Lord Who was and the Lord Who is to come. Oh God, to walk in this Omniscience, to have the mind of Christ in this Age of the mind, oh God, when the greatest battle that is being fought is being fought in the mind. But Lord God, we thank You this morning, that Light has shone into our hearts to declare these secret things, oh God, bringing us into this great faith.

Lord, as we worship You today, may Your Holy Spirit, Lord, shed abroad Your love afresh in every heart. Sensitize Your people, oh God! The Age is so easy to be desensitized. But Lord, quicken us and keep us in that Secret Place, that we can dwell in the Secret Place of the Most High, abiding under the shadow of the Almighty, hidden in Your pavilion, in the Secret of Your Presence, Lord, beholding Your beauty, oh Lord. Oh God, may You grant it, Father! May You grant it today, dear God! We thank You and we praise You. In the Name of Jesus Christ, we thank You, Lord.

Oh, *Something is breaking.*

Something is breaking

Between mortal and immortal

The Son's coming up

It's the breaking of a new day friends.
Removing the darkness of night
Oh, the key's being given
Opening dimensions
Life and immortality
That's what it is – the change to the Rapture.
Is coming to light.

A seal breaks open
A man caught a vision
Heard the voice of a Prophet
saying, "Sail on, sail on"
And just like Abraham
He's in search of another land
Oh, the unseen is now being made visible
As Dove leads Eagle.
Oh my!
Something is breaking
Between mortal and immortal
The Son's coming up
Removing the darkness of night
The key's being given
Opening dimensions
Life and immortality
Is coming to light.

Oh, when crisis arises
The world gets in birth pains
We see the tsunami. We see what happened in New Orleans.

They see the need to move forward
Then the Anointing
Falls upon the vessel
Who has been ordained
To lift us up on a higher plane.

Something is breaking
Between mortal and immortal

Do you see it? Do your eyes behold it? Is it becoming real to you? Do you believe it? Are you purposed to walk in it? Are you going to make it yours this morning? Ask Him to write His laws in your heart and mind.

...dimensions

Life and immortality, a Rapturing grace taking a hold of your soul this morning. Think of it!

Through each unfolding

The way is opening

Spiritual scientists working by

laws to achieve this Rapturing faith

Thru secret passages

Seven steps up the Pyramid

Where we'll run through death

Leap over into Supernatural realms.

Something is breaking

Between mortal and immortal

The Son's coming up

Removing the darkness of night

The key's being given

Receive those keys today. Make it yours, friend. Let it open up a way for you into a greater faith, into a greater victory in your life. Hallelujah!

...coming to light

Oh, something is breaking

Between mortal and immortal

The Son's coming up...

Taking away the darkness from your mind, making it so clear to you.

After this mountain,

Eternity sets in

That's the real world

We're gonna live in.

Oh, and everyone singing "Something is breaking." Let it be a confession of faith, because you believe it; because you see the opening, you catch the unfolding; you see where the Spirit is directing.

*After this mountain,
Eternity sets in
That's the real world
Oh, we're gonna live in.*

That's the real world, friends. Oh my! Only the Bride I believe can sing a song like that. Only the Bride in this Hour, friends could make sense to those words because even in this song it is symbolic language. Even in the song, it is encrypted in the song in a language that only the Bride can fully understand.

Oh my! I want to sing a song. It just flashed in my mind. I can't remember how it started but it's, "*In the secret of Your Presence, beholding Your beauty, oh Lord.*" How does that song go? [Someone tells Bro. Vin the song - Ed.] *In times of trouble and inward struggle, amen.* Praise God.

[Song #363 - Songs That Live -Ed.]

[Brothers pray for saints -Ed.]

...inward struggle

*When it seems the end of the way,
A time of inward struggle surely is.
Taking His direction,
I'm longing for perfection,
I only need to feel His hand in mine.*

*Dear Jesus, I'm in Your pavilion,
There I'll find the strength
I need to carry on,
In the Secret of Your Presence,
Beholding Your beauty, oh Lord.*

*Oh, in God's Word I'm reading, how
my life is leading,
Onward to that beautiful shore.
I'll greet the saints at Heaven's door,
With a love I've never felt before,
What joy is waiting there for me.*

*But until then, I'll stay
In Your pavilion,
There I'll find the strength
I need to carry on;
In the Secret of Your Presence,
Beholding Your beauty, oh Lord.*

In God's Word I'm reading

Oh, it is opening up all these encrypted things, all these mysteries in symbol form.

...to that beautiful shore.

It is making a path plain unto Glory, friends.

I'll greet the saints at Heaven's door,

With a love...

You are riding up on the Capstone of love.

What joy is waiting there for me.

But until then, I'll stay

In Your pavilion,

Purpose that in your heart today. Purpose that in your soul.

I need to carry on;

In the Secret of Your Presence,

Beholding Your beauty, oh Lord.

Oh, let the sisters sing, "*In times of trouble.*" In that day shall Michael stand, the Bible said. There will be trouble like never before, but He will stand with that open Book and deliver the names found written in that Book. The wise will understand but the wicked shall not understand when these secret things begin to be revealed.

Dear Jesus, I'm in Your pavilion,

There I'll find the strength

I need to carry on,

Strength to go on this morning, inspite of your hindrances. Strength to rise up and press the battle, amen. Do not give up. Hallelujah! Hallelujah, hallelujah. Hallelujah. Oh, glory and praise be unto

Your mighty Name, dear God. Hallelujah! Oh, God in this great Hour, Father, let Your revelation flow like that river dear God, rising from the ankles to the knees to the thighs, enough water to swim in, dear God. Oh, may You pour it out, Lord.

Let that Former and Latter Rain fall and let that river rise, oh God, and let the land be watered, oh God, and let every tree in the garden, oh God, Father, drink and be nourished that their leaves will not wither, oh God. They will bring forth their fruit in due season. Oh, may You grant it, Lord. May You grant it in this Hour! Hallelujah! Thank You, Jesus. Hallelujah! Hallelujah. Thank You, Lord. Amen.

I'd like to sing one more song, "*Something keeps holding me every day I see; guiding me constantly.*" Amen. Praise His mighty Name. Praise His mighty Name. Just believe God as you come. Remember the altar is open. Just believe with all you heart. "*Something keeps holding me. The trials of this world is getting closer.*" That's why I say press in this morning. That's why I say break through, friends. Pip out of that shell this morning. You can't be shut up any more. This is the time. He said, "Seal not up these things because the time is at hand." Oh my! These things which are most certainly and surely believed among us. Hallelujah! These great happenings in the spiritual realm but the Holy Spirit is so mindful and gracious to bring amongst us, to lift us up into such a faith in this Hour; to know we are walking in that Seventh Seal having that revelation of the Rapture in our hearts in this Hour. Oh my! *He is guiding me constantly, the Dove, giving me victory. He's a reality.* Amen. Something keeps holding me. May He put that repellent in your heart this morning! Don't go back home without it. Get it, friends. Be more sensitive. Be more sensitized. Be more awakened.

[Song #213 - Songs That Live -Ed.]

...to overcome my trials

*He is guiding me
Giving me victory,
He's a reality;
Something keeps holding me.*

*Something keeps holding me,
That One on the inside, hallelujah, on the control
tower of your life, controlling how you walk, how you
speak, how you think; directing you in every step.
Hallelujah!*

*He's guiding me constantly,
Giving me victory,
He's a reality;
Something keeps holding me.*

*Oh, the trials of this world were getting
closer,
...were getting closer,
Oh, the pull I felt was more than I
could bear,
And I was on the verge of just
giving over:
The strength within myself just wasn't there.*

*Oh, but something keeps holding me,
Is that your testimony, the Guide on the inside?
He is helping me faithfully
He's a reality;
Something keeps holding me.*

*...his temptation,
That's what he is trying to do, friends – to steal away
your faith.*

Of his desire...

He wants to intercept your communication. He
wants to decode your secret. Amen.

But I have found in time the revelation,

It was around you all the time but God anointed your
eyes to see it and decipher it for you.

The strength I need to keep me by His grace.

[Bro. Vin joins the brothers to pray for the saints –Ed.]

[Song #875 - Songs That Live –Ed.]

This is my desire

Oh, lift your hands and sing it.

To honor You, Lord.

That's what He desires to do. Hallelujah! No reservations, purpose, confess, ask for grace; surrender your life to Him; pledge to be obedient, He'll see you through by God's grace. Let Him anoint your eyes; open the eyes of your understanding. Let that secret channel of communication, that secure channel that no enemy could come in, a private secure channel between you and God, a channel where you have an inspiration, a channel of communication, hidden communication between your soul and your Saviour; nothing in-between. Hallelujah!

I live for You alone

Every breath that I take,

[Bro. Vin prays for a sister –Ed.]

Every moment I'm awake

Lord, have your way in me.

Oh, without reservations, without holding back today, without a double-mind but with a clear mind, with a sane mind, convinced with depths of conviction, with our faith zeroed to the Word; with His face unveiled before us where we are convinced we are in His Presence and where our convictions can become sincere and we can speak truthfully to Him and we can ask with confidence believing we have received what we asked for and we shall have it. You will find He is faithful. You will find that He is gracious. You will find that He is able to raise you up to walk in faith, to walk in power, to live in His Presence; to abide in the Secret place of the Most High.

Thank You, Lord. Thank You, Lord Jesus. We worship You Lamb of God. We praise You. We adore You. We magnify Your great Name. How great is our

God and how worthy You are to be praised today, Lord. We love You, Father. We love You Lord Jesus. Oh, we love You heavenly Father. Oh God, we magnify Your great Name. Thank You, Lord. Thank You, Jesus. Oh, blessed be the Rock of our salvation. Thank You, Lord. Thank You, Jesus.

Every head bowed, every eye closed all around the building, as we stand in God's great Presence desiring to live in this conscious realization where we can walk in this world of perfect faith, where God witness and testimony of His Word in whatever form – one time He came in a Dove, next time He came in a Rainbow, next time He came in a Cloud, next time He came in the Pillar of Fire, next time He came in the form of a Man stepping out of the Light, next time He came in a Whirlwind, but how the Prophet was so sensitive to recognize God in whatsoever form that He took.

How He lived in a channel of revelation where He walked in that straight line of the Scriptures, a way that was opened up and revealed to Him, where the Holy Spirit was leading the Son of God, where He could lead Him whether it was in the wilderness to be tried and tested; whether it was in the paths of service; whatever it was; whether He had to pass through Samaria or go through Jericho, He was so yielded and surrendered to the leading of the Spirit in His life.

And that's how we want to walk, friends. That's the place where we talk about God's only provided place; where he talked about this channel that Job had by revelation; access to God; where he had a grip on God; where as long as it came through that channel, he knew it was a secure channel. Satan could not get into that channel because he had a thinking man's filter. He had a Super Sense that he could detect anything that if anybody tried to tamper with that communication he could know that the communication is being tampered with. He was such a one in such union, holy union; this great uniting time and sign, this invisible union, all

these things he talked about, opening from the Word to us describing in prophetic biblical language this walk with God in this Hour; this place where we are called to live; this Leadership we are called to follow.

And this is what I tried to sensitize you to today that your eyes can be opened as Elijah said, "Lord, open the boy's eyes," to the Angels that were already there. But you have to have something for it to strike and it must be turned on, and you must be in the right channel where the transmission is being made and when it strikes it is interpreted in your heart and mind; it becomes clear before your eyes and the Voice of God becomes so audible and you find your power and you find your strength and you find your leadership. And it's because of your make up, how He designed you to function: what you like, where you spend your time, how you spend your time, and in those things you are familiar with and He made you attracted to in your position, in your element, He visits you.

Don't forget these things. Hold these things dear to your heart. Ponder it deeply and you will find that you are coming into a closer walk with Him – close to Thee; just a closer walk. Thank You Jesus. Don't you love Him today, friends? Don't you appreciate Him? I want to call Bro. Sanchez to come and ask God's blessings and dismissal.

Hidden communications! The same God in the same kind of Hour with the same kind of people, under the same kind of circumstances, a people that is restored to the Word, dealing with them in the same way, proving He is the same yesterday and forever; that they have that ability to receive Supernatural instructions, to hear from God; not just comparing Scripture with Scripture.

[Bro. Ainsley Sanchez prays -Ed.]

Amen. Let's just greet each other with a real love and sincerity. Tell your brother and sister, God bless them. *"As I strive daily Lord to see Your Word perfected, help me be so deeply sincere from within."* [Song #625 - Songs

That Live -Ed.] God bless you and His peace be with you.
May His blessings rest upon you all!
