BRO. VIN A. DAYAL

Oh, thank You, Jesus. We are certainly all desiring that, to be led on to a deeper life. And we trust that when these services will be over we will feel that we moved up that much closer to our Lord Jesus Christ.

I would like to greet the host Pastor, Bro. Alfredo and his church. I want to express thanks for being part of the special services that God put on his heart to have, and that it would be shared with such fine ministers. When you get unity and cooperation, love, and support with those of like precious faith, you don't have to worry. You could sit back, relax and enjoy the ride because there will not be any strange thing, and we certainly know that because God has united our hearts together.

And it has been mentioned a few times already concerning our brothers: Patricio, Ever, Itok, Bro. Malcolm, some of the finest men that walk in shoe leather, as the Prophet would say. We have been friends for many years. And Malcolm and I go way back. So, we are grateful to be gathered together and putting our efforts together in these closing days of time so that we could blow that Trumpet in Zion, and sound the alarm in His holy mountain. Joel, when he looked and he saw the locust invasion coming—even in Gideon's time, they saw that locust invasion coming, they blew the trumpet. And those locusts were just the shadow of those locusts

in Revelation 9 that comes out of that pit and is out of that pit and has created this hell upon the face of the earth. And that's why to have meetings like this is something that can be very profitable for the Bride of Jesus Christ.

And we always think of the things that we have been taught by the Prophet, and we were not just taught it, but we see those things coming to pass. We see it in the earth. Could you imagine when Jesus was telling them, "Let not your flight be in winter, nor on the Sabbath day, when you see Jerusalem compassed with armies"? And He was warning them because by foreknowledge and prophecy, and knowing the great sin that the nation had committed in rejecting John and Jesus, and gave their support to the Roman power, nothing was left but judgment. And Jesus had warned them saying, "If they rejected the Word in the time of the green tree, what would it be in the time when it is dry?"

And we who believe the Message, and understand the prophecies in the Message, and have been sensitized to see the prophecy becoming history, see God interpreting the Words that He spoke through His Prophet, knowing that those Words would not return unto God void. And that's why he says these modern events make clear the vindicated prophecy. You see, the prophecy had vindication with it. It wasn't just a man speaking out of his head. A man was speaking about what God was revealing to him by revelation from the Bible. And he was promised also in the Bible to be on the earth at that time. And the vindication that God gave to him proved that this was the vindicated Word that was coming forth, and that would make every true believer recognize that those Words cannot fail. It will not fail.

And we are heading for some very, very dark times. In the last three years, it has been very dark with all the pandemic and the lockdown and these things. And for those who understand, those were Scriptures being fulfilled and those things were identifying the Hour we

had arrived at. And we see how the whole world was confused. That's why it is a great thing to be a believer in this Message because we had been forewarned of these things, just like when Jesus forewarned those believers about what was going to follow the rejection of Him and John.

You see, you must be conscious of where your junction times were marked. Bro. Branham preached that a few times: *Junction Time*. When you come to a place you have to maybe turn a corner, a new thing that God would do for His believers, to get them together, to awaken them, that the things that have been spoken are now in the process of fulfillment. That's why this is a prophetic Hour. Thousands and thousands of prophecies are coming to pass, from since Genesis.

You say, "Is that so?" Remember Genesis and Revelation, that is seed coming back to seed. And what is between Genesis and Revelation is the unfolding of those things that were in the seed that began to grow and increase and advance in the earth. Then when we look and see, we are in the days of Sodom, we are in the days of Noah again. Then that's the Hour of judgment when God's wrath would be poured out. Then we look and see how God made a way of escape for the ones who were considered in Redemption.

And that's the time we are in. And that's why the Voice of the Spirit is speaking through the Bride—it is not the Bride speaking; it is the Spirit speaking through the Bride. So that's the infallibility of God because the Holy Spirit cannot speak an error; it's impossible because that's God Himself in that form.

And that's why we have been posted and we all want to be in the Refuge, the Hiding Place where there is present help in the time of trouble because that trouble is increasing. You remember how Bro. Branham took Psalm 27 to preach *The Rapture* [[1965-1204 -Ed.](#)], "In the time of trouble I will hide you in the secret of My tabernacle; I will hide you in My pavilion." God always

has His people under consideration, especially His Redeemed, His Bride, that He has called out and washed and dressed and robed, and anointed.

And so we are thankful. We want to pay our respects to our precious Pastor Bobo from Vietnam. Nice to see all the saints there. May God just bless us all together.

So we are not going to be long tonight. That is why I kind of told Timmy [Timothy Dayal -Ed.] to tell Malcolm to take some of my time. Because if I preach too long tonight, it will be hard for me to get up in the morning. And the message is kind of big, so I thought I'd just speak a little part tonight, and then speak the next part tomorrow, and that should do well.

I want to speak tonight on **“SATAN’S PLANNED GENOCIDE AGAINST GOD’S ELECTED SEED”**. Satan has a plan and the objective is if they could destroy this Bride. You see, they always get so full of themselves, they don't realize the Bride is Jesus in Bride form. Because the bride, the first bride of the first Adam, she was bone of his bone, flesh of his flesh, spirit of his spirit; what he was, she was. Genesis 5 tells you *‘in the day that they were created, God called their name Adam.’* And that first Adam and his bride were a shadow of the Last Adam and His Bride. That bride fell but this Bride is predestinated not to fall. It is said of Her: She will bruise Satan under Her feet, Romans 16:20.

So, it's a great thing that we come to realize that we were chosen in Christ, and are now expressed in the earth. And God has a reason and purpose for this last-day Bride because She is His victory, She is the reason of His death. When God put Him to sleep on the Cross, and the water, Blood, and Spirit came out of Him, it was to bring forth the Bride. Like God put the first Adam to sleep and He took part of him to bring forth the bride. And that's why He says, “In this day, you will know as I was in the Father and the Father in Me, so I in you and you in Me.” Because you are part of that Bride who was

chosen in Christ. You are Life of His Life, Spirit of His Spirit. You come predestinated unto that.

And this is a great thing. And I want to just kind of go slow and just talk a little bit, emphasize certain things, because, as I said, we are heading into some dark times. And meetings like these, we must be sensitive to know that when we are having a meeting like this and you are gathering God's servants to bring them together, it is with objective and purpose. And it would be something that would move the Church up into the place where the Church could be correctly positioned, sensitive to the things that are promised, see the conditions in the earth, and see how God didn't just say it in the Word and through the Prophet, but seeing it now in our own lives.

It's nice to open the Church Age Book and say, "Look, the Prophet said this," or one of the messages, the Seals, "Look the Prophet said this." That Word that proceeded forth from him could not return void; it had to accomplish a purpose. That's why God revealed to him his Age, his Ministry, God's purpose in this Age; he is going to open these Seven Seals, he is going to separate the Church from organization. God's Word calls for a total separation from all unbelief.

And when we realize we have been separated, and that Church that is to be a glorious Church without spot and without wrinkle has to be washed with the washing of the water of the Word. And just like those eunuchs, men who had no seed of their own to plant, castrated men, castrated of their own thoughts and their own ideas, it was those kinds of men, that in the Book of Esther, where they ministered to her and washed her and anointed her and perfumed her and these things because the king laid out the requirements for the one that he will select. And because Esther came into the kingdom for such a time as she came, though she wasn't sensitive to it, but it was to be revealed to her.

And we read in the Book of Esther there was a servant called Hatach; that means 'gift'. He didn't have a message of his own, but he was reiterating the words of Mordecai vigorously. And Mordecai means 'a little man'. And Bro. Branham said, "I'm a little man, but I pack a big Message." And then he trained a ministry, just like Elisha and they were trained following Elijah, and the Apostles and they were trained following Jesus, because God is always seeing ahead. And God has seen this Hour from way back in Eternity, spoke of it down through time, and now we are in the midst of it, and He Himself has come down to take the Headship over the Body that He is in an invisible union with, in this uniting time and sign.

And so, this is why we are understanding what has happened from 1966 to 2023, that was necessary to know how to operate, how to function, and why we are given the things He has given to us. Because where there is no Seventh Seal vision, the people will perish. That's why he revealed a lot of Truth in the Seals, but when he came to the Seventh Seal, he said, "Don't try to interpret this." He said, "It will be sent to you." See? It's not going to come by human ability; it wouldn't come by human ambition.

Because if God is sending, He is sending it to the predestinated. Watch the Angel of God: He came to Peter, He came to Paul, He came to Philip. He didn't go all over the place trying to pick up everybody. He had foreordained men trained. And then when it's the time to fulfill the program of God, the Angel knows them. That's right. He comes to them.

This is a very—a time where each believer wants to walk closer with the Lord, and they want to understand the things that are necessary to be understood if we are to be prepared for the going away because Seven Thunders were to show us how to prepare for great translation faith.

Some people take it and they want to run around the building and holler and go through all kinds of emotional different things. He said, "No. These are the Divinely revealed Mystery-truths contained in the Seven Seals that will literally turn the hearts of the children back to the faith of the fathers." And some people try to take It and think they can make some kind of emotional revival out of It. But this was the Hidden Food, the Spiritual Food to bring the Church into the condition to be a sin-free Church like She was in the Alpha.

Because the restoration of the Bride Tree, it means it's the very same Tree; what was eaten down, is going to come back and come back even in its fullness in this time.

So, this is a little talk I'm having with you to get myself adjusted to you a little bit.

You see, I look in the screen here and I can see you in Indonesia, I can see you in Mexico, I can see you in Chiclayo, I can see you in different countries as the picture would come up. But the thing is while I am standing here, I'm standing wanting to be yielded to Him so He can guide me, He can direct me. Because he said that is what the next message is: *Dove Leading Eagle*; that is the Holy Spirit leading the Bride; the Spirit and the Bride say, "Come." That's right. She is the final Voice to the final Age.

So, these are sacred things. And as we grow and mature, then we become more balanced, more stable, more focused, more conscious, we learn the ways of God. Because that is what the Message was about all the time: to make a people ready, to bring a restoration, to bring that Bride back in the very image of Jesus Christ. That's why he said, "She must be in His very own image in order to be united with Him." You see, all these revelations are unto a particular end and that must be identified in the ones who really receive it from God because a lot of people think they can learn revelation. No, that is why it is called revelation, not

something to learn; it has to be revealed. And the only Divine Revealer of the Word is the Holy Spirit. That is why He told Peter, "Flesh and blood cannot reveal these things."

Bro. Branham didn't give us revelation. Bro. Branham was to open the Scriptures, make Them plain, store up the Food, put It on tapes and books. And he went off the scene and none of us in this meeting were there with him in the time he was on earth. We got ahold of the things that he spoke and were recorded and preserved for the people who are going to come. He was rejected by the church world, but he knew it was not for those people. That is why he was told, "Store up the Food because the time of the famine is coming." And that is the time we are in, a dual famine: not famine for food for the body alone, but famine for hearing the true Word of God.

And that is why in a meeting like this we want to be able to get into a place where the Spirit of God can open His Word and we can open our hearts and He can bring His Word of Life into us in such a way to raise us up to live closer to Him, to understand His will more clearly, to know His plan for our individual lives, where we fit, how to work.

Like in Solomon's temple, all the parts were cut out from materials from around the world. It was cut out in different countries, then it was brought to the site where the building, the temple was to be erected, and every one of those pieces had its designated place. And that represented the Bride that is going to come from all nations. That's right.

And in that Bride-Body, every member is in the right place. The Bible said, "And God has set in the church." God knows where everyone fits. Could you imagine, God, He is the Divine Architect. He is the One Who elects and calls each person who is building up this Spiritual House. He is the great Chiefstone, the Stone that the builders rejected, precious Cornerstone, and

all the other stones that build right up into that Headstone, that's He and His Family. And if we are a part of God's Family, then we look and see the picture that God is giving us of the kind of Family we are.

Ephesians 3:14 and 15, says, "The Family in Heaven and earth is named after the Lord Jesus Christ." None of us ever joined our family. There is nobody here who joined their family. You were born into your family by a birth. And before that, you were seed in the loins of the Progenitor, of the Father of that family which is the Lord Jesus Christ. And every one of us was chosen in Him and in time and season expressed in the earth, and He is the One Who draws us to Himself and begins to put us in our place. And adoption is placing. This is the Hour everyone is being set positionally.

That is what the Exodus ended up in, it climaxed in that. Born in Egypt, came all the way to Canaan, went into warfare but in the end everyone was being positionally placed according to their birth, because everyone was chosen and predestinated to obtain an inheritance to be set positionally. These are the things in the Spiritual life; these are the things in our personal experience. By this vision we strive to take our place where we can serve in this great Family of God.

Bow your hearts with me for a word of prayer and get ready to read a portion of Scripture. And if you have a request in your heart, we are gathered around the Person and Presence of the Lord Jesus Christ, He knows every thought in our hearts. And that's why when we are unified like this and our heart and mind are centered upon Him, and we understand we are here in what we call 'Special Meetings' that there's an objective and an achievement, and we strive lawfully to achieve these things. And these are the realities that God brings to us in meetings like this where He can do something special, direct, personal to the ones who are sitting in a certain atmosphere.

It is not just a social event. No, it's a very serious time in our life and our journey as a people who have been called out to walk with the Lord Jesus Christ. Let's have faith as we believe in our hearts. And you hold your requests, and you believe with your heart and confess with your mouth, and God will make that real to you. Because if two shall agree as upon touching anything, it shall be done. What we bind on earth is bound in Heaven, and what we loose on earth is loosed in Heaven. Ask that your joys may be full.

Beloved Jesus, we are grateful tonight, Lord, desiring not to be long but just to speak a few words; something, Lord, that can make us look deep within ourselves and where we can speak to ourselves in the inner man, asking ourselves questions and to hear the voice of the Spirit witness back to us the things that we are seeking and asking.

May Your grace abound tonight. May You do something, Lord, that Your children, when they leave this meeting, lay down in their beds tonight and get up in the morning reflecting, Lord, on the services that they have had, and the expectation that they came to the meeting with, and realizing that this was an opportunity with all these men of God, Lord, from Chile, from Peru, from the Caribbean, from Vietnam, from New Zealand, coming together, not for something personal but to put their efforts together, men that You have called, anointed, and revealed Yourself and Your Word to.

And we come to put our shoulders together with our brother in Mexico for this desire that he has for himself, his church, and others that are connected with him, seeing the lateness of the Hour and the need. And we ask, dear God, as we respect You with all of our hearts, that Your grace would come to us, Lord, that our efforts would produce something that would mark this time, what You can do for Your children. Because You said that we don't receive because we don't ask; and You encouraged us that we should ask that our joys may be

full, and when we ask, believe that we have received what we asked for, and we shall have it.

May the Spirit, Lord, witness that in the hearts of Your children tonight, that they'll want to be so much closer drawn to You. And grant grace to me that I may speak the words clearly, Lord, to help the people understand the time and the season and the condition that the Church needs to be in to see these things become living realities in our lives.

Would You do it for us, Father? In humility and sincerity, we ask this for Your honor and Your glory in the precious, Almighty Name of our Lord Jesus Christ. Amen.

I'm going to read here now, out of Genesis 15. Starting in Genesis is always good; the Book of beginnings. Genesis 15, verse 13 – God was communing with Abraham, and He was making things known to him about his future.

Verse 13:

13 And he said unto Abram, Know of a surety that thy seed shall be a stranger in a land that is not theirs, and shall serve them; and they shall afflict them four hundred years;

It seems like it's not good news that everybody wants to hear, but God was telling Abraham, "Your seed will be a stranger in a land that is not theirs, and shall serve them, and they shall afflict them four hundred years"? Not four days, not four weeks, not four months; four hundred years? Oh, my.

Now, Abraham had no children at that time; you know that. Because Ishmael was born in Genesis 16, Isaac was born in Genesis 21, and this is Genesis 15. Abraham didn't get the new name as yet. But look at how God could tell this man things about his future and the future of his seed that God will give to him. Because remember, in Genesis 15, it's where Abraham went to God and said, "Shall I go childless? I followed You out

of Mesopotamia, out of Babylon, and I came to this land, I obeyed Your Word and You told me that You'd make of me a great nation, and ten years I've been in this land, and nothing as yet."

So God knew what was in his heart, and then God said, "Come, come with Me." And God took him and showed him the stars in Heaven. He said, "So shall thy seed be." Genesis 15:6 – And It says there, "Abraham believed God, and it was imputed unto him for righteousness." The righteousness of faith; he believed. That is the first time the word 'believe' is used in the Bible. He believed God. You can ask God tonight with faith and confidence as long as you have the right motive and the right objective for what you're asking for.

And so here God is making this known to Abraham about what he is going to be faced with.

Verse 14:

¹⁴ And also that nation, whom they shall serve, will I judge: and afterward shall they come out with great substance.

¹⁵ And thou shalt go to thy fathers in peace; thou shalt be buried in a good old age.

¹⁶ But in the fourth generation they shall come hither again: for the iniquity of the Amorites is not yet full.

May the Lord bless the reading of His Word. You may have your seats. I'm speaking on SATAN'S PLANNED GENOCIDE AGAINST GOD'S ELECTED SEED. And I have a little subject "**Covert Methods Of Depopulation Upon An Unsuspecting People**".

Now we've just read about three verses of Scripture there, or four, but it's very deep. Let me get your attention to what you just read. Here we are seeing the omniscience and the omnipotence of God. God's omniscience means that He knows all things, and His omnipotence means that He has all power. This is important. If God knows all things, what God was

speaking to Abraham about wasn't in the past, nor was He speaking to him about the present. He was speaking to him about the future. He was speaking to him, "Your people would sojourn in a strange land, they're going to treat them evil, and they would be four hundred years in bondage there," and the man didn't have one child as yet.

How can God know that? How could God know how many children he would have? It's because God foreordained it. Because of God's foreknowledge, He knows the end from the beginning. And when God has purposed something, nothing can stop it from coming to pass because He has all power to make it happen.

And God is saying, "And thy seed will come back here in the fourth generation." Because Abraham was there in Canaan when God was communing with him. Abraham was going to have Isaac; Isaac was going to have Jacob; Jacob was going to have twelve sons, and out of those twelve sons would come twelve tribes. The nation that God told Abraham, "I'll make of thee a great nation," Abraham produced Isaac, and out of Isaac came Jacob, and Jacob had the twelve sons that became the twelve tribes that became a nation called Israel; after the new name when God changed Jacob's name from Jacob to Israel. And the nation is there on the earth, the nation of Israel, still here today.

Could you pause a little bit there and think of that? Oh, my. When you look in the Scripture, we realize we are dealing with such a powerful Person, the Lord Jesus Christ, the Almighty God, God becoming Man, condescending. Because the center of all this, God's plan of Redemption, was God Himself becoming Man to share His Life with a people. And so, as we look at that in these four verses we read, we are seeing—this is the thought you have to get there: the omniscience and the omnipotence of God concerning His chosen people.

Just like God said that there are going to be Seven Church Ages, there will be seven messengers; in the last

day, there'll be a Bride called out; God will come down with the Seven-Sealed Book. He showed John these visions on the Isle of Patmos and said, "Write it in a Book." And two thousand years after, we can trace that through history right to this present time. And from 1909 when that Seventh Messenger was born, and left 1965, on December the 24th, he brought a Message that would call the predestinated around the world. And while he was alive, God showed him this Bride from all nations, come marching '*Onward Christian soldiers*'; every color, every race, every language, a people coming out that will make up this Bride, a Gentile Bride. Glory! So it's a beautiful thing when we look at it.

And the Marriage of the Lamb; and the Marriage takes place here. When we leave here, we're going to the Wedding Supper. But in this uniting time and sign under the Seventh Seal, did we not see the Head appear in the sky? Where was the Body? Some were in the Sixth Dimension and some were on the earth. And He came and united with the ones on earth and opened up the Hidden Secrets of Redemption.

And then God had men to go all through the world, preaching. Look at this work that is taking place; this is going to so many nations on the earth and people around the world are viewing and watching and getting a consciousness, "Those are my brothers and sisters. Those are my brothers and sisters. There is another part of the Body." Oh my God, the Hour is so close at hand that we are even seeing others in different countries and nations that we will be with for Eternity. It is in this last Hour that we are seeing these things. We are coming to know different ones in different parts of the world. And there's an invisible union among them. Oh, what a thing.

Now go with me to Genesis 50. Genesis 50, we're going to read from verses 24 to 26. You know Genesis has 50 Chapters, so this is the last Chapter of Genesis.

Verse 24, Genesis 50:

24 And Joseph said unto his brethren, I die: and God will surely visit you, and bring you out of this land...

They were in Egypt. Joseph died in Egypt. Because of the famine and all these things, the family was down there too; all the twelve sons and their children and grandchildren were down there. And Jacob had died before Joseph down there. And Jacob made Joseph swear that he wouldn't bury him in Egypt but that he would take his body and bury it in the cave of Machpelah, where Abraham, Isaac, Sarah, Rebekah, and Leah were buried.

And so here, we are seeing now that Joseph knew that he was going to die, and he was telling them:

... and God will surely visit you, and bring you out of this land unto the land which he swore to Abraham, to Isaac, and to Jacob.

You see, what we read just now in Genesis 15 is that in the fourth generation, they would come back to that place where God had given Abraham the promise. And here, when Joseph was dying, we see how all of this came back into view. Because God has time—to every purpose under Heaven, there's a time and there's a season. And God, as He slowly unfolds His program in the lives of His chosen, predestinated people, like He did in the Prophet's life, like He did in the lives of the members of the Bride in this very Day, at the end of the Seventh Age – because this is the time for the Rapture. The revelation of the Rapture has been opened up. That Seventh Seal was a threefold Mystery: the Lord descended from Heaven with a Shout, the Voice of the Archangel, and the Trump of God. And the dead in Christ shall rise first. And we who are alive and remain, we shall not all sleep, but we'll be changed in a moment, in the twinkling of an eye.

And that's why, as we begin to meet each other and see each other in another dimension, looking into countries and seeing the people, seeing them sitting

there looking like Christians, hearing them sing and worship, and feeling the Spirit and the Presence among them, we know that this is not something that you see in America with all the televangelists. This is not that.

²⁵ And Joseph took an oath of the children of Israel, [same as his father had done to him] saying, God will surely visit you, and ye shall carry up my bones from hence.

Look at Joseph at that age; one hundred and ten years, and he was thinking of resurrection. He knew his father Jacob, his grandfather Isaac, and his great grandfather Abraham, and one of the great ancestors Job; they knew in this family lineage here they had a Divine revelation from God concerning the Kinsman Redeemer coming, doing the work of Redemption, and there was going to be a resurrection. They lived from children until they were old and dying, and they had this revelation, holding on to it.

You think of when you came to the Message; do you remember your experience? Did you retain it in your heart? Do you know that that was a special junction in your earthly journey? Did you see the methods God used to attract your attention and bring you to the Word? And when you sat under the Voice of God speaking through His Prophet in the last days, did you begin to understand your strange and misunderstood life? You begin to realize how your life is like a book unfolding from one chapter to the next to where you are tonight.

And where are your expectations? What are you expecting? Are you just glad that you weren't just a sinner in the world and that you've become a Christian? Or as you review your life, as you review your journey, as you see the experiences and how God dealt with you, you realize that you were like a lump of clay in the hand of the Great Potter, and He put you on the wheel, and He's molding you to be a vessel; a chosen vessel to bear

His Name; a vessel of honor, sanctified, fit for the Master's use, prepared unto every good work.

Are you convinced that there's nothing in your life that is going wrong? That God planned your life before you were even born from your mother's womb? That God chose you before the world existed? Didn't God ask Job, "Where were you when the morning stars sang together and the sons of God shouted for joy? Where were you? When I was laying the foundations of the earth and these things, where were you?" Didn't God ask Jeremiah? And then God told him, "Before you were formed in your mother's womb, I knew you, I sanctified you, I ordained you to be a prophet, and this day I set you over the nations." Isn't that what the Word says?

Those He foreknew, He did predestinate. Those He predestinated are them He called. Those He called are them He justified, just as they never did sin. You're justified by faith. God put something in you to believe and to receive His Word. You hear It, like you're hearing It tonight; you're sitting under the effects of It; you begin to recognize that this is the Truth, and then you go to acting upon It. And then there's a strength and power coming into the inner man. Because there is no prevailing power as the revelation of the Word. Because if you are part of God, you are part of the Word, because God is the Word. In the beginning was the Word, and the Word was with God and the Word was God. Hallelujah! And the Word was made flesh and dwelt among us – God condescending. And then God put something in you; an ear to hear what the Spirit is saying that makes you look into your life.

I told my people over the years; I said, "Look back in your life. Go back as far as you can go back." Some people don't look back. Everything about you has already been put into you before the foundation of the world. When you were chosen in Christ, you cannot remember there, but God remembers. God knows. Because you didn't choose Him, He chose you. And He

chose in which Age you were going to come. You had no choice to say in which Age you wanted to live. You had no choice whether you wanted to be male or female; you had no choice which race you wanted to be; you had no choice about how long you want to live or how many days God allotted for you. It's God Who determines these things. You had no choice which sex you wanted to be; male or female. You had no choice in which Age you wanted to live.

Why didn't God give you a choice? He has a purpose, He has a plan and He designed you as a specific part of that plan. And that's His Love, that's His consideration because He gave you a part of this great plan of Redemption.

Do you realize that you're living in the greatest Age? Do you realize that there were so many men and women down through the years who desired to live in this Age, but God chose you and put you in this Age? Do you realize how many times you could have died in an accident, in sickness, or from different things, but because God watches over you because He appointed you unto a certain end, miraculously, you come out of situations? And many times you're unconscious that that's God at work in your life, wanting to get your attention, to bring you into closer fellowship, where He could teach you about your purpose on the earth; where you could come to understand God's omniscience and His omnipotence, just like Abraham when He was talking to him there. The seed wasn't even born; he didn't have any children, and God told him about the children and what was going to happen. He told him about the nation, how long they would stay in bondage, and that God would deliver them.

And we read in here Joseph was telling them, "God will visit you and you'll go out of this land." But Joseph knew there were going to be four hundred years of bondage according to what God spoke, because the same God put Joseph down there. Joseph thought the

brothers didn't like him, they hated him and all these different things. He went through so much difficulty; he went in the prison on a rape charge. So many things he had to face but then what happened? God was on the scene. And then when God opened the revelation to him, he said, "No..." He told the brothers—he said, "God sent me to save the world." He said, "Don't cry and think that I want revenge; you didn't do me anything. God showed me that He had a purpose and the gifts He gave me." *That* brought jealousy and envy for the brothers to hate him, sell him, and all these things. The first human trafficking that we see in the Bible was Joseph and it was the brothers and them, through envy and jealousy. Oh, my.

You see how hideous envy and jealousy are? Nobody wants those things in their heart in an Hour like this, when we know without Perfect Love we cannot go There. The Prophet was told that. When he saw those Jews crying for revenge under the brass altar, "How long will you avenge us? How long will you avenge us, Lord?" The Prophet said, "You see, they didn't have any New Birth; they lived on earth, they died, but the mercy of God... Because they held on to what little Word they knew. They didn't know the testimony of Jesus; they held onto the law.

And that's why he said, "When I saw my people, they were every one robed in a white robe and they were all restored to their youth," because no anger and jealousy and strife and contention can go into that Place. He said the Angel said, "This is what you preached was the Holy Ghost," because the Holy Ghost is God, and God is Love – Divine Love. That's why God's love for us is unconditional Love. And that's why when that same Love of God is shed abroad in our hearts by the Holy Spirit, then we know we are coming back into God's image and likeness. We know the new man, not the old man born by sex; the man who received the New Birth, we become partakers of the Divine Nature of God

through the baptism of the Holy Spirit. And that he is established in the present Truth. What a place, friends. My brothers and my sisters, it's a late Hour.

Now the time is running out and I only read about two Scriptures. You know I'm the kind of man, I don't have to... I feel when I get the nudge, I stop right there. Because it's here to help you. While I'm preaching, I'm yielding to find the way where I can be out of the way and He can speak through me. And I think so far I haven't really been speaking, because I have no notes for these things.

Now, watch.

²⁶ So Joseph died, being an hundred and ten years old: and they embalmed him, and he was put in a coffin in Egypt.

Now, we are going down a little bit. We are going down to Exodus 1 now. That was some background there: Abraham and Joseph. Because, the Book of Genesis from 12 to 50, is four men: Abraham, Isaac, Jacob and Joseph. And those four men are four foundations (see?): faith, love, grace and perfection. And so with these things, we realize the Bible is God's thoughts and the mind of God is on a level far higher than ours; because He said, "My thoughts are higher than your thoughts and My ways are higher than your ways." But as we can begin to partake of His Life, then we start to think like Him. We don't say, "Well, how could God do that? And look at what God did. And how could God allow that?" We don't go there. That's when the carnal mind is there. Didn't the Bible say, the carnal mind is enmity with God? See, God had to slay that enmity and bring His children into fellowship with Him.

So let's just read a little portion in Exodus 1. I'm going to close and leave it there for tonight. We are reading from verse 6. Exodus 1, verse 6.

Now keep in mind what we read in Genesis 15 with Abraham; what God told him about his seed. And then we come to Joseph. And Joseph now is telling them God

will visit them. He said, "And you will go out of this place. And when you are going, make sure you carry my bones. Don't bury me in Egypt." Because they're thinking about resurrection. You see?

And now we realize, God told Abraham, they will be down there for four hundred years and will be treated evil. While Joseph was alive, they were living in the best part of the country. They had status. Because this was Joseph, the savior of the world, the one next to Pharaoh in the throne; that when he was coming everybody had to bow their knee, "Joseph is coming!" He is coming in the second chariot. Even Pharaoh told Joseph, "Only in the throne I will be higher than you." Because Pharaoh realized the gifts in this boy's life are what saved Egypt.

But watch how Joseph died, so what God told Abraham about what the people will go through, will begin to come to pass. Now this is important. I am not talking about the Old Testament here. Genesis is seed. When you come to Revelation, seed comes back to seed. When we are talking about Abraham, Abraham and Branham are parallel. When we are talking about Joseph, hated by the brethren, loved of the father, because of the gifts in his life: he sees visions, he interprets dreams. Joseph is a type of Branham; beloved son of the Father. So gifted that he was hated by all these Pentecostals and them. Because the things that God was doing through him, they would like God to do it through them. But God has His purpose for everybody's life. That is why we are taught that God's gifts always find their places. And you can only be a blessing when you find the place that God has ordained you to.

You see, life on earth is something that we... Don't see the Message like, "Well, we are in the Message. We have the right religion. Denomination is false. We had a Prophet." No, no, the Message is not that at all. The Message is a billion miles from that. God has a plan. You did not choose Him, He chose you. He put the

things in your life that He can reveal Himself through you. He designed you and had you under consideration to be a special part of this Bride. He put you in the most glorious Age, when the greatest Light that has ever shone is shining in this Day. You are living in the Day when the Book is opened. Even in the time of the apostles and they, the Book was closed. Just one or two of them like Paul and Peter had some insight into the things, because they were special men with special offices, in the Alpha Bride in that Age.

And it's the same way we are in the Omega Bride. That's the restoration of the Bride Tree. And when this Bride goes in the Rapture, it'll be a dark day for this world, because She is holding back the wrath. And that's why soon She will move from here. And that's why I am saying when you think about these meetings, don't just think, well, we are having some meetings. Think as a believer, sensitive to the Spirit; that all of this is happening because it was in God's thoughts before the foundation of the world.

So Exodus 1, verse 6. We are talking about the planned genocide. SATAN'S PLANNED GENOCIDE AGAINST GOD'S ELECTED SEED. And this brings us into it right here.

Verse 6:

⁶ And Joseph died, and all his brethren, and all that generation.

⁷ And the children of Israel were fruitful, and increased abundantly, and multiplied, and waxed exceeding mighty;

You have 'and', 'and', 'and'. They were fruitful and increased abundantly and multiplied and waxed exceedingly mighty.

... and the land was filled with them.

Every word in the Scripture is not just there just for so. It tells us:

⁸ Now there arose up a new king over Egypt, which knew not Joseph.

Who was Joseph? A type of Jesus, the Savior of the world. Joseph had saved the world. So this new king, this new Pharaoh who rose up over Egypt...

⁹ And he said unto his people, Behold, the people of the children of Israel are more and mightier than we:

That is what verse 7 emphasized there to us: they were fruitful, increased abundantly, multiplied, and waxed exceeding mighty, and the land was filled with them. There was a demographic shift in Egypt. There was an emerging Israelization of Egypt, because they were more in population than the Egyptians. And this new king who did not know Joseph...

Verse 9:

⁹ And he said unto his people, Behold, the people of the children of Israel are more and mightier than we:

That was the first thing that struck his attention when he came into power. "What kind of system was there before? They let these people who were not original Egyptians... They were immigrants. Because of a famine they came down here. And some of them absorbed into Egyptian life, but really and truly they have their own kind of worship; they sing their own kind of songs, they have their own culture; so they remain different. They are among the Egyptians. They are flourishing. They become wealthy. They multiply so much they have their own schools. They are not learning Egyptian so much, they are learning Hebrew. They are not talking about Ra, the sun god, they are talking about some God called Jehovah. Look at how they dress; they dress differently. Their customs are different. Give them a chance, they will take over the country."

The man was watching the demographics. He was watching the population explosion of Israelites. And they were setting up schools and businesses and worship places all over Egypt. This is dangerous

because there is war in different parts and nearby countries. They said, “What if war breaks out and they join the people who are conducting this invasion? Because they are already more than us, and if they join these people, then we will lose our country.”

So this new king decided now he is going to have a new policy. Because remember when they came down in Egypt, there were only seventy people. Now they are more than the Egyptians. And not just multiplied, but became powerful in business and culture and...

⁹ And he said [Verse 9] unto his people, Behold, the people of the children of Israel are more and mightier than we:

¹⁰ Come on, let us deal wisely with them; lest they multiply, and it come to pass, that, when there falleth out any war, they join also unto our enemies, and fight against us, and so get them up out of the land.

Because they had plans to keep them and change them into a labor force for the Egyptians; because the Egyptians saw themselves as a higher person [people -Ed.]. In other words, “When there was famine and trouble, they came into our country to survive. Our immigration laws—you know, they came in and they got status. They began to live in some of the best places in the country. They have big, big, huge farms; that the Egyptians don't have any farm as big as theirs. If these people get away, and we allow them to get away, that would be a sad day for us as Egyptians. We have to stop this thing.”

So he says,

¹⁰ Come on, let us deal wisely with them; lest they multiply, and it come to pass, that, when there falleth out any war, they join also unto our enemies, and fight against us, and so get them up out of the land.

Because there was a lot of war and fighting in the earth at that time, just like it is today. War in Ukraine. War in Syria. We had war in Afghanistan. It's just war,

war, war, everywhere you turn. And so people are thinking about national security and these things.

Now in the prophecy that God gave Abraham, that nation will enslave them. That nation will turn around and afflict them for four hundred years. These are people who were living in the upper echelons of society, because of Joseph who saved Egypt and the world. But that king had died and this new king here—new politics, new vision for Egypt, greater control over what belongs to Egyptians; restructured the society and set up new laws and these things. This was the method. A restructuring of the whole economy, the whole system, where Egyptians are in control of everything. And people who are not Egyptians, are profiled and identified as a race that came here looking for refuge, and ‘we will determine what they will own, where they will live,’ and these things. A restructuring of the world.

The Bible tells you in the last days, there will be rich and poor, bond and free, great and small; no middle class. The rich are rich and the poor are poor. And to buy and sell, all of that is structured. And all this new system coming in with the digital currency and all these things; you heard what they said: “You will own nothing, but you will be happy.” Because governments do not rule the world anymore, it’s the big conglomerates with the Vatican – capitalism inclusive; that’s when they all went to the Vatican to have things restructured.

So, I am going to put the stop right there because the time has gone and I don’t want you to... Though we are still an hour ahead of you, I want to come back tomorrow, pick it up and bring it down so we can see the time and season. But I lay some background for you.

When you get up in the morning and before you come to service or when you come to service and you are sitting down in your seat waiting for the service to start, go back through the Scripture I read for you: Genesis 15, Genesis 50, and Exodus 1.

What am I talking about? SATAN'S PLANNED GENOCIDE AGAINST GOD'S ELECTED SEED. *Covert Methods Of Depopulation Upon An Unsuspecting People.* New policy. They wouldn't suspect a thing. But these new methods are to take back everything that these people came into Egypt and tried to rise up with. These aliens. These immigrants. This new policy... The country will be so restructured it will determine who will have rights and what level of rights they have.

Things are happening on the earth right now, you want to be sensitive, you want to be understanding. Let me give you a little key here: whatever you see that has happened, is happening, and will happen is already written in this Book. In your personal life, whatever you have gone through in the past, are going through at present, and will go through in the future is already written in this Bible. A lack of understanding of these principles is why some people just come to church, go home, go to work, come to church, go home, go to work. And the awakening... Those Seven Thunders were to wake up the Bride. Like Paul says, "Awake thou that sleepest and Christ shall give you Light." It is nearer than when we first believed. This is a time of an awakening, to recognize the things that are happening; how the modern events are making clear the vindicated prophecies.

Join with me in prayer as we close.

Our gracious loving Father, we thank You for the portion of time that we spent here tonight, and the Scriptures we have under consideration, Lord, to get Your people to look into these things in the Word. Because we are told that there is nothing new under the sun. That which was is now. And that which shall be hath already been. And that's why we realize the importance of knowing this Word because It reveals to us the Day that we are living in and the things that are prophesied to happen in this Day.

And You sent a Prophet. And Lord God, this was his objective: to awaken the Church – the true believers, separate them from the systems and bring them to recognize their Day and their Message; to discern the signs of the time; to see the Hour that we have arrived at and the condition that the Church should be in. Because this Elijah came and restored. It was prophesied, Elijah truly shall come and restore all things, and if all things have been restored, there has to be a sin-free Church, because that is what the Alpha was.

They were in one mind and one accord. Oh God, no man dared join himself to them. The Lord added such as should be saved. They had all things in common: the love, the unity, the cooperation. Because it was a Spirit-filled people; an elected people who had recognized Elijah and the Son of Man had come; who were separated from the Sadducees and the Pharisees and these religious systems, and who had received the indwelling of the Holy Spirit. And knowing that they were a people through which You were going to finish Your program, because there was an oncoming storm of judgment that was to come upon the nation. Daniel spoke of it. Jesus spoke of it. And so they realized they had an open window to try to do all that they could do.

And so we realize that we have come to the same way. Lord, how we need to see clearly. May You illuminate our understanding and may You establish us in the faith. And may through Your grace, it bring us to an understanding to know where we fit in the plan of God; where we fit in the Body of Christ. Your Prophet taught us, God's gifts always find their places. We are not just coming along. Everyone that You chose—it might be a little part, but it is a needed part in the Body because the Body is fitly joined and compacted together by the measure that every joint supplieth, for the more effectual working of the Body.

And this is the Hour when the Body should be working so effectively, Lord. When we think of a people like it was in that first Age; Divine love, such a Spirit-quickenened faith, such a courage. They were not ashamed of the Gospel. They knew It was the power of God unto salvation. They lived and walked in such a way that the people took note that they had been with Jesus.

It must be the same in this Hour. Help us to walk and live, Father, as the song says, "*I want to live the way You want me to live.*" [#350 - Songs That Live -Ed.] Oh God, we want to walk with You, Jesus; to live in Your Presence, to live under Your Divine influence; to have Your Divine leadership every day in our lives. And we can have these things.

May You make us to hunger and thirst because this is what it is going to take to help get us out of here to change dimensions, to be changed in our bodies first. Sometimes we just think that we are going in the Rapture because we are in the Message. How Satan is robbing so many with that delusion. It is a Spirit-filled people set positionally in the Body by Jesus Christ; that Christ is their Head; oh God, that they are in union with You, Lord. Your Throne has been established in the heart of these.

Let these things become realities that, Lord God, we might live a life worthy of the Gospel of Jesus Christ, pleasing unto You in all things. Would You do it, Father? We pray and we ask these mercies.

Give good rest to Your people tonight, that when we would come back tomorrow, we look to You that You would make these things, Lord, clear to us; to help us, that all the things You ordained to do, by and through the members of Your Body, in whatever part of the world that You have placed them, they can be a living organism, operating by the power of the Holy Spirit.

In the Name of Jesus Christ, we commit each and every one into Your All-sufficient hands with thanksgiving. Amen and amen.

Praise the Lord.

Timmy has a little song and then we'll turn back to the Pastor, Bro. Alfredo.
