BRO. VIN A. DAYAL

Praise and thanks to our Lord Jesus Christ. I want to express my thanks to all the ministers that are participating today. When you have these mighty warriors of the faith gathered in different places, that invisible union of the Bride is strengthened together. Because you have praying men with their people united in the meeting. Because this is God's gathering of His people. And these are brothers of like precious faith. And that's part of the great unity of the faith that the Church was prophesied to come into in this Hour.

Our beloved pastor, Bro. Tara Chand Ramola, and Bro. Deepak Ramola, father and son working together, such a great thing. Both ministers of the Gospel, the Church of the Lord Jesus Christ in Uttarakhand, India. And our beloved Bro. Bhupinder Singh from the Punjab in India, Machhiwara Church. Our brother Pastor Michael Chikerema from Perth, Australia and the group there by the grace of God, way down in Australia, down under, in Perth. It's an amazing thing. You have them way down under in Australia and way up near the Himalayan mountains in India.

Our beloved pastor and friend, Bro. Itok Rumbayan, Flying Eagles Faith Assembly in Medan, Indonesia. Pastor Bobo Hieu and the saints from Vietnam. Pastor Ever Montalvan is with us today from Zoe Tabernacle in Chiclayo, Peru. All of them in their own right and by the blessing of God in their life and ministry, mighty gentile warriors of the faith; men that we respect greatly. And we so appreciate the great friendship God has given us over these years.

May God bless us in a very special way again today as we continue the inspiration that we started with in our last service: **“THE HUMAN TRAFFICKING INDUSTRY, AN ENDTIME SIGN”**. And this is Part 2. And I have a little subject: **“The Strange Nation And The Fruits That Her Soul Lusted After.”** And I have another subject to go with that also: **“The Evil Schemes Of The Kings And Merchants Of The Earth And The Vatican.”** And everything I am taking here is from words in the Scriptures, the Word prophesied for this Hour.

A Strange Nation And The Fruits That Her Soul Lusted After. There is such a nation today in the earth. It looks pretty small, but it's a powerful nation there. And they are full of evil schemes because the kings of the earth and the rich merchants of the earth are united together with this evil system, this evil nation, the Vatican. And as we are living in the Hour when these things are happening, it brings the prophecies that were given thousands of years ago to light in this very present Hour. Because we look back in our last meeting there, Part 1, we were looking back at the human trafficking industry and how they traffic men and women and children.

So, join with me now as we go to prayer, committing ourselves and the rest of the service into the hands of the Almighty God. And remember He promised where two or three are gathered together in His Name, there He is in the midst. And we know the Shout, the Message

of the Hour, has gathered the Bride together. And the opening of those Seven Seals, these Seven Thunders that were opened up was to show us how to prepare for great Translation Faith. A Message that gathered us and a Message that is showing us how to prepare for great Translation Faith. And all the signs of the time show us the time of the going away of the Bride is at hand.

We have seen Jesus and His program. It was the prayer of the Prophet. He said, "Lord, open the Rock beneath the rock." Open the Rock beneath the rock? That, he said, was the Bible. So when the Bible is opened, the Seven Seals are taken off the Book, we can see our Day, we can see our Message, and we can see God's program for this Hour. These are the great Things that have been opened up and made known to the Bride in this Hour. And the Bride and the ministers of the Bride are walking in this realization. And the Spirit of Truth has come down to make plain these modern events, showing to us it's the prophetic Word now being interpreted and being manifested before our eyes. And the Prophet said, "Pray for revelation, we need it more than our very own food." Because this is more than the natural food. This is the Spiritual food in due season. And this is the Day Amos prophesied about that there is a great famine in the earth, not just for bread and water, but for hearing the true Word of God.

And this is what we are privileged to, because the Spirit of Truth is speaking through the Bride, the final Voice to the final Age. The Voice of many waters, he said, that's the voice of the ministers. And that Voice of the Holy Spirit speaking through the Bride, and the Bride is in all nations. But they have been quickened and raised up into Heavenly Places in a great union with Christ. And it is Jesus fulfilling His own Word through this many-membered Body. And he said, "And the Bride has the mind of Christ and She knows what He wants done with the Word." He said, "She knows it is He in Her fulfilling His own Word He has left for this time."

So, with this mind, with this understanding, let us unite in prayer now, by the grace of the Almighty God.

Beloved Jesus, we know that You are present amongst us because You said You would be. And we sense that, we feel that, and we know that with a certainty. Because that Head which appeared in the sky in 1963 has taken the headship over the Mystical Body upon the face of the earth – this great uniting time and sign when the Bride and Christ are no longer twain; they are one. This invisible union of the Head and the Body. And the Word from the Head, the Intelligence, is coming down into the Body. May It come down in a full measure today, dear God. May It release such a Quickening Power amongst us. May we receive such a Spirit-quickened faith and be so stimulated by the Divine revelation of the Word opening up to us and setting us positionally where we are in Christ.

We ask for Your Divine leadership now, Father. You said when the Spirit of Truth comes, He will bring back the Things to remembrance, He will teach us all Things and show us the Things to come. He will make His abode with us and be with us and in us even till the end of the Age.

Move in every place where Your children are gathered today. This is our one desire, that You will have Your way. Move in every heart, dear God, of Your children. You know what each and every one of us as individuals, you know what we have need of. And You said, “If we ask for a bread, we will not get a stone. If we ask for a fish, we will not get a serpent.” Did You not say we could ask that our joys may be full? And You say, “When we pray, believe that we have received what we ask for, and we shall have it.” So let it be done, dear God. And may You bless all Your children from the greatest to the least.

We commit ourselves and this service into Your all-sufficient hands, in the Name of the Lord Jesus Christ. May You order our steps in Your Word now. Grant it,

Lord, we ask it, in Jesus Name and for Your glory and honor. Amen.

So, I want to read a little Scripture here. I'm going to start with Joel Chapter 3. So, I'll be spending some time in Joel 3. So, I'll just read Joel 3, the first verse.

Verse 1,

¹ For, behold, in those days, and in that time, when I shall bring again the captivity of Judah and Jerusalem,

May the Lord bless the reading of His Word. You may have your seat.

So, I trust that you all are feeling fine today and the Lord is blessing you and you feel the Presence of the Lord where you are gathered. We are just depending on the Holy Spirit because He is the Guide. When the Spirit of Truth is come, He leads us and guides us into all Truth. And Thy Word is Truth. And He is the One Who can open up the Scripture, inspire it and open our understanding that we might understand the Scripture that He opens to us.

So, that's why in meetings like these, we can come and just get in the channel of the Holy Spirit and have expectation with a prayer in our heart, "Speak Lord, Thy servant heareth."

So, just a few minutes of recapping now of our last service that we had on Thursday. You remember I went to Exodus and showed you laws that God gave for people who would traffic His children, and He showed the penalty. It was in Exodus 21. So, I'm going to read back a couple Scriptures there to refresh your memory so we all could be in the same channel, in one mind and one accord. Because the desire in my heart and the objective is not for what I can say and how much I can say, but what understanding God can give to us as He inspires the Word to our hearts.

So, you remember how we were speaking about—in Exodus 21, verse 7. And these were laws and God was giving these laws because this type of activity was very

predominant in that time when Moses wrote this Exodus, this Book of Exodus. And you remember how I showed you that there is a first Exodus, a second Exodus and a Third Exodus.

‘Exodus’ means *‘the going out’*. They were shut up in a system, an evil system where they were controlled, and that system had a dominance over God’s children. Israel were slaves in Egypt. And Egypt exercised such dominion over them, dealing with them subtly and depopulating the nation. We see how they worked through the health—the Ministry of Health, and how they worked through the Ministry of Labor. And Pharaoh told all the senators and his government, “Let us deal subtly with them.” And in the Ministry of Health, the midwives were told, “If it is a man child, kill it.” Because the man child is the one whose seed multiplies and brings forth more children. And the objective and the intent of the Egyptian government was to keep the population at a certain level by killing out what they don’t need. It was all done in guise.

Look at the World Health Organization in the pandemic. It was a depopulation agenda. They were killing people in every nation under the disguise, “No, we are trying to protect the people. There are some dangerous viruses that are loosed and that’s why they need to be vaccinated.” And they were killing them.

And then in the Ministry of Labor, they said, “Rule them with rigor.” And they got taskmasters to whip them and make sure that every day they worked for certain hours and they gave them very heavy burdens. It was to break their will and keep them dependent on what the government would provide for them because that was the only job they had. And each day they had so many tasks to get accomplished if they were to be able to hold that position and that job to take care of their family.

That was the evil spirit in that evil system, bringing a squeeze, a pressure upon an elected people who were

foreordained to deliverance in that Hour to be restored to the land of their fathers. And he made the people cry out to God in desperation because survival became difficult. And so, what happened, God began to hear the cry of the people and God sent the prophet that was prophesied to come in the fourth generation because the iniquity of the Amorites was full and it was time for the prophet to appear on the scene, and God gave him two signs to confirm his commission.

Do you see the pattern? Do you see the events? Do you see how that history repeated again a second time and now a third time? Because that which was is now, and that which shall be hath already been. There is nothing new under the sun.

So, when we look at these things, we understand what is happening because those Scriptures now become alive and we see the same devil with his same operation, but we see the same God moving among His people to break the power of the enemy trying to destroy them and keep them under his feet, but God delivering His children.

And when the Roman power took all Palestine and had it under its dominion, God raised up a Prophet like unto Moses as He had promised way down in the Old Testament. And Jesus was that Prophet like unto Moses, greater than Moses. Moses was the shadow. Jesus was the Substance that cast the shadow. And when Jesus came, He began to deliver a people out of that bondage in that second Exodus and bring them into a spiritual land of the Holy Ghost, a greater Canaan.

Because the Exodus was from Egypt to Canaan, from bondage to be placed positionally in their inheritance. In the second Exodus, it was the same – deliver them from bondage and bring them to be placed positionally in the Holy Ghost, set in the Body of Christ, a greater Canaan. Because after Moses died, Joshua came on the scene to bring them into the land and set them

positionally. Joshua represents the Holy Spirit. And after Jesus died and that Ministry of the Son of Man was finished there, then He came back in the form of the Holy Spirit, a type of Joshua, and divided up the Holy Spirit, giving each one a portion, setting them positionally as we see in the Book of Acts.

And so, that pattern in the first Exodus and that pattern in the second Exodus have repeated and are repeating here in this Hour in a many-membered Body, an elected people, foreordained people that are promised to come into full glorification in this Hour.

In the second Exodus they had a New Birth, but they didn't have a new body. But in this Day, we receive a New Birth and we're going to receive a new body. We who are alive and remain shall be changed in a moment, in a twinkling of an eye, at the Last Trump. We shall not all sleep, but we shall all be changed. At the Last Trump the dead in Christ shall be raised incorruptible and when they appear unto us there'll be a change take place. This mortal will put on immortality. Because that faith is already pushing up inside of us coming to a Perfect Faith, in a perfect Bride that is united to the perfect Son of God.

So, what a great thing that is happening. And that was showing you Exodus back there when God had come down and all this human trafficking was on the earth at that time in the first Exodus and also in the second Exodus.

Look how the people in the time of Jesus, the Roman power had the land in such a bad condition. All those daughters, many of them were prostitutes: Mary Magdalene, the woman at the well, the woman in Luke Chapter 7 washing Jesus' feet and these things. And they said, "If He only knows what kind of woman is that." Many of them, because of the hardship and the poverty, they got into that condition like how Rahab was back there in the Old Testament, yet they were daughters of God. And the same way Salmon, the

captain from Judah, a type of Christ, delivered Rahab and her family, it is the same way we look and see Jesus, the greater Salmon, the Lion of the tribe of Judah came and delivered them and the people in that second Exodus.

And many of us who are part of His Bride in this Day, look at what we were, look at the filth we were in, look at the condition He took us out of so that we can be married to Him today. Because everyone who was born by sex was conceived in sin, shapen in iniquity and came dead in sins and trespasses, serving the devil in that condition. But He came looking for us. He knew exactly where we were and He brought us out of the miry clay, He put our feet on a rock to stay. Love lifted us out of that condition where we were drowning in filth, made us partakers of His own Divine Nature, giving us a New Birth; putting the Holy Ghost inside of us.

So, we see that. Now I'm going to refer you to the law quickly that we were using in Exodus 21 because I want to refresh your memory. Because of time, we had to stop the service and I promised I was going to continue. But to continue, I'm trying to link you back up with what we were speaking and looking at so as we go forward, we can see it in a greater way.

You remember in Exodus 21, verse 7, It says:

⁷ And if a man sell his daughter to be a maidservant, she shall not go out as the menservants do.

⁸ If she please not her master, who hath betrothed her to himself, then shall he let her be redeemed: to sell her [to sell her] unto a strange nation he shall have no power, seeing he hath dealt deceitfully with her.

When Moses is giving this law, he has a strange nation in mind who buys slaves. People sell women and boys and girls to this system.

16 And he that stealeth a man, and selleth him, or if he be found in his hand, he shall surely be put to death.

So, watch how these things are placed. Stealing a man is kidnapping, and selling him is trafficking the kidnapped person. And if that man, he stealeth and he is about to sell, if they find him with this man as stolen property – stole somebody’s child, stole somebody’s son or somebody’s daughter and have him there, waiting for the buyer, to sell him to the buyer and they find him with those people in his hand, he is in big trouble. He shall surely be put to death.

And you remember how I told you that in today’s world we are seeing how they are protecting these crimes by legislation and want to bring a penalty on the people who are living right while they support and keep this system getting greater and greater with all these trafficked men, women and children. Because this is the evil and adulterous generation that Jesus spoke of, that the righteous will walk out on the ashes of this generation because the atomic bomb is going to cremate this civilization, burn it. The same way God destroyed the first civilization by water, the next one was to be destroyed by fire, and that is this generation.

When God sent Enoch and Noah, it was a sign that judgment was coming. Because through the prophets God was warning them to change their ways and they wouldn’t. And then God said, “My Spirit shall not strive with man.” He said, “The end of all flesh is come upon Me.” Now God was going to destroy everything because they rejected the Word coming through God’s eagle prophets.

In the time of Jesus, when John came and Jesus came and Paul came, this was God sending prophets again before He brought judgment and broke up that nation and scattered them into the nations of the world. Because a prophet is always a sign of coming judgment.

When Jeremiah came and they rejected him, what happened? The king of Babylon came and destroyed the whole city and carried them into captivity for seventy years because they refused the word of the prophet. Isaiah and Jeremiah and Hosea and Daniel and all of them who were there, Ezekiel, they rejected those words. They stoned those prophets. Then in this last Day, didn't God send a Prophet again? And isn't the Bride, God's eagles, a prophetic class of people? And they are rejecting that. Isn't that God's warning before judgment comes? God does not bring a man into judgment without first warning him. This is God's ways.

And so, this generation, look what they have become for rejecting the Prophet. Look what the United States has become. Look at that Roman system, what they have become because they rejected that Prophet. And look at the crimes, it is the same crimes that the judgment came for. I showed you back in the days of Noah, women were so fair, men were just seizing and taking ahold and going with women, as much as they wanted. And the earth was filled with violence. They had come from a sword in the time of Lamech to a nuclear bomb that pushed the earth away from the sun and brought a flood and God drowned the whole world. This time he is going to push it back to the sun and burn the earth. It is prophesied in the Bible and it is coming. Because man has become so proud and lifted up and ambitious and thinks they have this authority because Satan has deceived the world.

Let me give you back one other example that I read from Genesis about Joseph's brothers trafficking Joseph, putting your mind back in remembrance of what we spoke there Thursday. And I showed you Genesis is the seed, Revelation is the harvest. And everything in Genesis is in Revelation. And Revelation is Seven Church Ages, Seven Seals, Seven Trumpets, Seven Vials, sealed up by Seven Thunders. And it is the same in Genesis: Seven Church Ages, Seven Seals,

Seven Trumpets, Seven Vials, sealed up by Seven Thunders in Genesis. And didn't Jesus say, "As it was in the days of Noah, as it was in the days of Sodom"? Where do we find that? In the Book of Genesis. "So shall it be again in the last days."

So, you realize this is not manufacturing something and making up something. This is showing you the principles of God's Word, how these things are laid out in the Bible, how they remained there sealed up until a Prophet came, Seven Thunders uttered their Voices, the Book became opened and then the Spirit of Truth, the Evening Message loosed the Holy Spirit, and the Spirit of Truth is leading His foreordained servants just like He did in the Old Testament, just like He did in the time of Jesus in the Book of Acts, and just like He is doing now in the present tense in the last days.

Now, this is important because I'm doing this with an objective and a purpose by referring back to you certain things in Genesis and Exodus so when we come to Revelation—Joel and Revelation like I told you, you will see the exact same patterns and you will know that that is happening in the earth because that's the time we are living in.

Joel is, what? I will restore, saith the Lord. I will pour out My Spirit on your sons and your daughters and they will prophesy. I will do all these things. In the last days all that the locust, the palmerworm, the cankerworm and the caterpillar have eaten, I will restore it. And this is the Day when these truths, all that that Roman spirit devoured and destroyed have come back to us. We've been called out of denomination, out of Romanism. Because denomination is Jezebel's daughters, and Jezebel herself. All Protestantism came out of Catholicism.

That's why the Voice speaks in this last Day, "Babylon is fallen, is fallen. Come out of her, My people, and be not partakers of her sins and her plagues because strong is the Lord who judgeth her." And

Babylon was in the beginning of the Bible in Genesis, Babylon is in the middle of the Bible, and Babylon is at the end of the Bible.

The first time you see Babylon in the Old Testament, Nimrod built this great city, forced the whole world, brought them under his dominion. He united the whole world in an ecumenical move. He perverted the original Truth and went forth in war and conquered the world and then established himself and brought the whole world into an Age of globalization – one language and one speech, the whole world. And he set up himself as the woman's seed claiming that he was the promised one.

That is exactly what the mystery Nimrod has done today. He united the whole in the ecumenical move. He said he is the vicar of the Son of God, he can forgive sins, he can do different things; he has power over Heaven, the earth, hell and purgatory. The Bible said he has deceived the whole world. He has blinded the Age, Laodicea, blinded them totally. Gross darkness is on this Age.

And when we see that, we see he has become the most worshiped person in the earth, Satan. That woman was on a scarlet-colored beast, the red dragon with seven heads and ten horns who was cast out of Heaven. Watch the Word in the Bible, watch the modern events fulfilling those prophecies and watch the elected Bride. The only ones that he cannot deceive are the elected because they are the ones with the Spirit. They are the Spirit-filled ones.

When I say that, I am making a distinction between a Spirit-filled person and somebody saying, "I'm in the Message," and don't have the Holy Ghost, saying, "I believe Bro. Branham. He is the Prophet. He is the Prophet for the Age." That's a correct statement, but if you know Bro. Branham's position and don't know yours, if you know what identifies Bro. Branham and then you don't have any identification in you, showing

you, you are part of the Bride, you are just repeating something you hear somebody say. Because seven times in Seven Church Ages it says, "He that has an ear to hear what the Spirit is saying." 'He', seven times. 'He' that overcometh. So, if that person hears that Voice, then faith comes by hearing, and faith is the victory that overcometh the world.

What good is it to have a picture with the Pillar of Fire and all these different things, and Spoken Word books, and then you don't have the Holy Ghost? What does the Bible say? He that doesn't have the Spirit of Christ is none of His. [Romans 8:9 -Ed.] The Token, the Life of the Blood, the Blood of the Son of God Who laid down His Life, and that blood cell was broken and released that Holy Spirit, and that Blood was the purchase price that purchased a people, then the Life, the Holy Spirit, came to live in the people whose names were in the Book, who were purchased by the Lamb, so they have the evidence they were considered in Redemption.

So, you see the importance of what we're saying? You see the definition that we are giving concerning these things? You see the identification and the experience of a true Christian, a true Spirit-filled believer, one that is foreordained of God to go in the Rapture? If you have not yet surrendered your life fully to God, you better in your heart purpose. And even as the Word is being ministered, you say, "Oh God, remember me. Lord, give me more of Your Spirit. Give me the evidence. Give me the identification. Let me know I have You in my life!"

There's a difference of being in Christ and being in a Message church. By one Spirit you are all baptized into Christ, but you could join a Message church. But you can't join yourself to the Body of Christ. The Lord added such as should be saved. So, think on these things closely and watch it in the Word so you don't be walking in your imagination. You want to know you have a revelation. Revelation is different to imagination.

So, remember, as we're getting ready to turn now to Joel 3, I'm making my last few comments here from Genesis 37, how Joseph's brothers who had hated him and were jealous of him, only because they were more taken up with their own self and they felt that the father had loved him more than them. And all of these mind battles brought them into a condition where they couldn't talk nicely to him, they couldn't do these things, because they didn't understand his value in the family.

And I'm just reading from verse 25, just recapping. I'm still recapping but finishing this recapping now.

²⁵ And they...

Verse 25, Genesis 37.

²⁵ And they sat down to eat bread: and they lifted up their eyes and looked, and, behold, a company...

Let me say it this way: A shipping company.

... of Ishmeelites came from Gilead with their camels...

Because camels was the ship that was ladened with all the commodities. And the camel was bearing this to a destination, which was Egypt, where these commodities were in great demand.

Remember how I told you that the camel is called the ship of the desert. That is why they used it to carry these heavy burdens for long distances. And especially if you have to go through the desert, the camel stores a lot of water in its system so it could make that long journey and arrive at its destination. That is why, specifically, it was camels. It wasn't rhinoceros, it wasn't horses, it wasn't the... It was camels, because the camel was called the ship of the desert.

Now, the desert is full of sand, not water, but the camel goes through that hot, burning desert for days, for weeks, and brings all those goods to its destination, the same way a ship gets loaded up in the port with all the commodities and then goes through the water and

takes it to the destination and brings all of its goods so it can be sold by the merchants in that place where those goods are in demand.

And when the merchantmen were coming with the camels and coming with all their commodities to take it to Egypt to sell there, they got a thought. They said, "Let us sell him to the Ismeelites." So, Joseph now is becoming a commodity that is being sold to the merchantmen to add to all the other commodities that they have in their ship of the desert taking to Egypt to sell them in the great market.

So, they stopped these Ishmeelites. And remember that I told you Ishmael is Abraham's son from Hagar and Midian is Abraham's son from Keturah. So, it's telling us these Ishmeelites and Midianites were in this kind of business.

Remember when Abraham was down in Egypt and coming back out after the king had tried to take Sarah, in Genesis 12 and 13, remember he bought Hagar in a market. He didn't go down there to buy a woman, but he bought her as a present for Sarah, to help Sarah with the work; young and strong. And he gave her to Sarah, and then later on, Sarah came and said, "I am going to give her to you. Because I can't bear children, I am going to give her to you. You go with her and you have the son that God told you about."

Here now we're seeing monogamy changing to polygamy inside the house of Abraham, because he was coming to know her as wife, sexually, and she was going to become impregnated and bring forth Ishmael.

So, watch and see how the Midianites and the Ishmeelites were going down to Egypt and here was Abraham's grandchildren...because Abraham had Isaac, Isaac had Jacob, Jacob had twelve sons. And this is Jacob's sons with Joseph and they were going to traffic Joseph to these people. They were going to sell him. So, that means human trafficking is now in the lineage of Abraham's descendants, the one with the

promise. And Joseph, who is a perfect type of Christ who was going to come and save the world, Joseph was a savior who saved the world back there when he was trafficked into Egypt. He was raised up to become next to Pharaoh.

You see how the Bible is a Book of Truth? It's not just stories. It's not glorifying Abraham's seed. It's showing that in Abraham's seed there are all kinds of rascals, that we see in the Message today, the same way. Remember Abraham and Branham are parallel. Let's read the Word with some understanding and insight here in Genesis, because we are living in Revelation. We are at the end of the Seventh Church Age when the Seven-sealed Book is opened. In there, you have an elected people that John represented, who ate the Book and had to prophesy again. And that people there are persecuted by many other Message people who are in the same Message.

Can you pause and meditate and digest these things and see the realities of what these things are? Let me ask you: Is that why we in the Message, we have so much of Message wars? This church is fighting that church, that church hates this church, that church is competing with this church, that church wants to be better than this other church; and you are just seeing flesh, and man, and human nature on display. Yet they are talking about how great Branham, the Prophet was, and when they look in their lives, they are not seeing that same Influence that influenced the Prophet in them. They have a different behavior. You didn't see Branham going around persecuting people and ill-speaking people. You would have never seen that. Why is this so? Because there are twins in Rebekah's womb that came out: Esau and Jacob.

Esau is a carnal man. Esau is a worldly man. His father was a prophet and his mother was the bride, the evening bride that Eliezer called out. And they didn't

wait until they came on the outside to fight; they were already fighting inside the womb. Oh, my!

Look at us. We're just trying to recap here and you get down in the Word there and you see the Word begin to come out and It begins to show to us the time. That is why this is not just some intellectual business, we're just going along saying, "I'm in the Message. I'm in the Message," type of thing, "and the Rapture is at hand." Not that. Except the corn of wheat falls in the ground and dies, it abides alone. But if it falls in the ground and dies, it's going to bring forth itself in multiplied form. That means it's a whole race of Jesus. Everyone is a little Jesus. Everyone is another corn of wheat. Everyone is coming to that same maturity, because it's Christ being reproduced again in human beings. That's the Bride.

And they brought Joseph down to Egypt and they sold him into Egypt, a strange nation.

Egypt is a type of the world. You know earthly Jerusalem in the Bible, Revelation 11, it tells you that it is called Egypt and Sodom. The city where our Lord was crucified is called Egypt and Sodom.

Where do all of the great, big gay parades take place? In Jerusalem. Where was Jesus killed? Where were Moses and Elijah killed? Oh, my. They killed them and their bodies laid in the streets in Jerusalem for three days. The same Moses and Elijah who were with Jesus on Mount Transfiguration, who were speaking about Jesus's death He was going to receive in Jerusalem. And the same Moses and Elijah who was alive, fourteen hundred years Moses alive after he died in the mountain; wasn't killed; died in the mountain. And Elijah who was translated in 2nd Kings 2, he didn't die; he was translated. The two of them came back to *die* in Jerusalem, just like Jesus.

I pray God anoints our eyes with eye-salve that we can begin to break into the realm of the Word here as His Holy Spirit is opening that Word and showing to us

what Scripture really is. Not our human thoughts; God's thoughts!

Egypt was a strange nation. You say, "How do you mean?" The second Bible was in Egypt. First Bible was the zodiac in the heavens; second Bible was the pyramid that Enoch built in Egypt. And the pyramid was placed geographically in the center of the earth, in Egypt. And Enoch aligned the pyramid to the constellation: the Pleiades, seven stars; and Orion, the mighty Conqueror.

Revelation 1, Jesus says, "I am He that liveth, and was dead; and, behold, I am alive for evermore, and I have the keys of hell and of death." The mighty Conqueror. And He had seven stars in His right hand. Amen. Orion, and the Pleiades, the seven stars. In Egypt, the pyramid is aligned to that constellation.

And there was the Sphinx in Egypt – a lion's body and a woman's head. And man couldn't figure out what is this, why is this placed next to the pyramid and these things; what is this. Because the zodiac, the first Bible, those twelve constellations, it starts with Virgo, a virgin woman, and it ends with Leo, the lion. And it's in a circle and that's where the circle meets, where Leo and Virgo meet, the King and the Queen, like Ahasuerus, the king, marrying Esther.

The Sphinx was a mystery of Virgo and Leo, a union of the Lion and the virgin, in Egypt. And Joseph now is down there and he's seeing the pyramid, and he sees the constellation, because he had dreams too: the father, the sun; the mother, the moon; the twelve stars, his brothers and them. God revealed to him those things. His father, Jacob, whose father was Isaac, whose father was Abraham; Abraham was the one when he went down in Egypt that time, Genesis 12, down there, it says he taught those Egyptians the mystery of the zodiac and these things. Why? Because he got it from Job. That's why Abraham buried Sarah in Machpelah. He was buried in Machpelah. Isaac buried Rebekah in Machpelah, then he was buried in

Machpelah. Then Jacob buried Leah in Machpelah and then he told Joseph, “Put your hand and swear, and don’t bury me here in Egypt; bury me in Machpelah.” Because Machpelah was where Job was buried, the one who had the revelation of the Easter Seal – Life after death.

Egypt was a place with all these mysteries. What a strange thing. Why did Enoch go there? Because he is not an Egyptian; why did he go there to build that pyramid? The pyramid was built before the flood in the days of Noah, yet it destroyed the whole world, the flood, but the pyramid stood right there, that they could go afterwards and see the pyramid standing there that Enoch built before he was translated.

Now, it’s a lot of food for thought here. I’m giving you places to think and research, and I’m trying to stay under this anointing and leadership of the Holy Spirit to speak things in a certain way that you who will take your own time and go over these things can find a trail to see how the Word of God has been put together for us through the opening of the Seven Seals and the coming of the Spirit of Truth to the Church in these last days.

So, I took the laws in Exodus, with trafficking people, and I took where Joseph is trafficked down into Egypt, and I showed you the commodities of the merchantmen, special commodities, that they were becoming rich by Egypt buying all their things. And apart from all of their spices, they were also trading in the souls of men and women, human beings. Where did we find that? In the Book of Genesis. The Exodus people going out, where did we find that human trafficking and these things? In the first Exodus. Where did we find those men taking as many women as they want, pretty women, and they just...

And if you check the word there, go back and search it in your Bible and see in the Hebrew, the word there means ‘to seize’; ‘to take’. When it said they ‘took’ as

many as they wanted, that didn't mean to say a man going around with three, four girls in one hand and the next hand, and they are going to a party and everybody is dancing. No. They were seizing them. Like today, all these young, pretty models and everything, they are seizing them, they are using them and they are trafficking them, but they are disguising and putting it out there like great shows, like parades, and doing all these things. And this time, behind that scene are people picking out the ones that they want, they are paying for them, because that is a stock owned by an owner. It's a business.

So, let's go quickly now to the Book of Joel. Just like Genesis and Exodus, Joel is a book of prophecy for the last days. Joel is the prophet who prophesied about the restoration. Joel talks about the locust invasion. Joel was the one who blew the trumpet when he saw that plague of locusts coming to devour the whole land. Joel has three chapters, showing of the three Woes: First Woe, Second Woe, Third Woe. Joel shows us locusts, the insect, devouring the trees. Man is like a tree and the locust there is something that feeds and devours the trees. But Revelation 9 that shows us the Fifth Trumpet, the Sixth Trumpet and the Seventh Trumpet, three wars: Woe, Woe, Woe, by reason of the last three Trumpets, we see it is supernatural locusts, it's devils from the bottomless pit coming out to go into men and women and live, taking possession of those bodies.

Now, I can't explain everything to you and spend a lot of time on one detail, but under the inspiration I'm trying to speak it so when you go back to it, I leave enough trails for you to follow, to find and connect the things.

So, notice here in Joel Chapter 3, we are starting now with verse 1.

¹ For, behold, in those days, and in that time, when I shall bring again the captivity of Judah and Jerusalem,

What was the captivity of Judah and Jerusalem? The Spirit of God is prophesying through Joel here of the evils of human trafficking in the last days, and that last days is identified by the Jewish nation coming back into their homeland in the Endtime. So, here we are seeing...Jesus told the parable, Matthew 24:32-35, “When you see the fig tree put forth its bud, you know that summer is nigh. That generation will not pass away until all these things be fulfilled.”

The fig tree is Israel, the Jewish nation. Because Judah’s captivity was when the Babylonian power, Titus and his armies, that Roman power, destroyed their city, broke up their temple and took them captive into Babylon for seventy years—in Nebuchadnezzar’s time rather, that first one, Nebuchadnezzar’s time; seven decades, seventy years. And that was a type of what the Jewish nation had to suffer under the Roman power after Titus burnt their city just like Nebuchadnezzar had before, and destroyed their temple just like Nebuchadnezzar had done before, and scattered them into the nations of the earth for Seven Church Ages.

Because when the Jews rejected Elijah, which was John, and the Son of Man, which was Jesus, and they rejected them, what happened? Judgment came upon the nation. God sent Titus. Titus destroyed the nation, scattered them into the earth and God turned from the Jews to the Gentiles. And then the Gentiles had Seven Church Ages while Israel was scattered in the earth. But when you see God begin to bring the Jews back there after World War II, after the second war... First war, 1914 to 1918, World War I; 1939 to 1945, World War II. After World War II, the Jews are coming back into their homeland – a sign of the fig tree putting forth its buds. It is reviving. It’s coming back. And then what is happening there, that’s an Endtime sign, that’s a sign of the last generation. All Scripture will be fulfilled right in there.

And God is finishing up with the Gentiles now and the Bride is getting ready to be raptured so the Gospel can go back to the Jews to fulfill the last half-week of Daniel's seventieth week – a period of three and a half years when Moses and Elijah will appear unto them, these eagle prophets in an Eagle Age to them, to call out an elected people whose names are in the Book of Redemption: 144,000, twelve thousand in twelve tribes, 144,000 people. That is why Joseph had to dismiss his wife first to the palace before he could make himself known to his brothers. He doesn't deal with the two at the same time. Glory!

So, it's beautiful when we look into the Word and see how this Mystery is taking place on the earth. Because we, the Gentile Bride, is married to Jesus here. We are already in an invisible union. The Head came for the Body. The Ranch boss' son came for the girl that he found and gave her his unending words of promise. And then he said, "I'm going to come back and take you from here to my world." In My Father's house are many mansions. I go to prepare a place for you, and where I am, there you'll be also. I will come and receive you unto Myself [John 14:2-3 -Ed.]. That's, behold, the Bridegroom cometh; go ye out to meet Him [Matthew 25:6 -Ed.]. He's taking her into that palace. The Marriage takes place here on earth but we go to the Marriage Supper in Heaven. My. What a thing.

So, let's dig a little deeper inside of here. There's plenty here.

So, then Titus came and scattered them. And now after Seven Church Ages and the Gentile dispensation is closing up, they have been warned, they have been indicted, they have been brought to trial, they have been found guilty and they are shut up in prison, souls that are in prison now, waiting the execution of the judgment. And while they are shut up in prison, the Bride hath made Herself ready. Fifty-eight years after the going of the Prophet who indicted them, brought

them to trial, found them guilty and then preached *Souls That Are In Prison Now* [1963-1110M-Ed.]. He saw it so clear, he could say, “United Nations under the auspices of demon powers.” He said, “I saw the Miss U.S.A church, the Laodicean church, dancing to rock and roll music,” he said, “going down into hell. I saw the Bride from all nations going up into Heaven, breaking the law of gravity.”

You believe him? You believe God showed him those visions? Watch the...watch the Bible. The scene is coming together. The picture is coming in high definition now. Watch the details in the prophecy. They are all gathered. The tares are bundled to be burned. They are gathered in the ecumenical move. The ecumenical move binds the tares together. But the wheat, the wheat is made ready for the Garner. Hallelujah. Oh, thank You, Jesus.

So, Joel 3:1,

*¹ ... in those days, and in that time, when
I shall bring again the captivity of Judah
and Jerusalem,*

Now, watch how this is going to come out here, so we can understand, for the last seventy-five years, the experiences that are taking place among God’s elected seed, and God making the 144,000—getting them into their place so that they could be ready when Moses and Elijah come on the scene. Watch and see how these things are coming out now. Joel, speaking of restoration, the bringing again of the captivity of Judah and Jerusalem.

In the Book of Ruth, it opens up this Mystery, because this is foreshowing, in Naomi returning to her homeland at Harvest Time, when the fig tree is putting forth its buds – the sign of the last generation. When the Jews are coming back to their homeland, that was Naomi after the Holocaust, after all her husband, her sons and they were dead, but the Gentile, Ruth, was coming in. And here is the Gentile Elect and here is the

Jewish Elect and they are coming back in the last generation where the Chief Reaper is in the land already. And Ruth is going to come and find marriage to Boaz, the one who was born in Bethlehem of the tribe of Judah (that's right), the kinsman redeemer. She's going to come to know this one and he is going to redeem her and restore her inheritance from her husband, deceased husband, and he's going to redeem Naomi and restore the inheritance of her deceased husband.

Now, if you go in the Book of Ruth, you take some time and read it. Naomi and her family is a type of Israel in the homeland. That is in the days after Joshua. Elimelech, Naomi, and their two sons, Mahlon and Chilion, they all have their portion of their inheritance and they are there. But then Naomi and her family, under chastisement, in the time of the famine, they left their land, they left their God-given place, just like Abraham did before, and they went in the land of the Gentiles, they went in Moab, after getting out of their homeland.

And they who were in their homeland being tried and tested, when they went out of their homeland, they got into trouble. Because we see Naomi, a type of Israel, the Jews, going out of their homeland like when Titus scattered them, like when Nebuchadnezzar took them out and took them into Babylon; same thing. Watch those histories, how it repeat. Naomi and her family suffering under the chastening hand of God in the land of the Gentiles.

And in that land, they were reduced in number. Elimelech died, Mahlon died, Chilion died. And here is Naomi, an old woman now, she wants to go back in the homeland because she heard that God was visiting the people.

The Jews in the Holocaust, one third, six million of them died in the Holocaust in the second World War. Then after that war, they began to turn and head back

to their homeland – a type of the restoration of the Jews at Harvest Time. Jesus said, “Harvest time is the end of the world.” And here we see Naomi coming in at Harvest Time, at the end of the Seventh Age of the Gentiles, to receive redemption and restoration of their lost inheritance.

Now, when Naomi comes back, remember she couldn’t go back and claim the land. While she was away, that land fell to others. And when the Jews came back, they didn’t get all their original borders; it was one little piece of land. And that’s why they have this big fight with the Palestinians and Jordan and many of the other territories there, because now those territories that Israel once lived in and had there, now it is divided up by the big nations in the earth.

The same way the Gentile Bride, through the age of denomination, they lost all the Truth. From one God, they went into three persons in one God. From Eve committing a sexual act and bringing forth a son for the serpent and these things, they started to talk about Eve eating an apple, and a lot of Truth was lost. And the Gentile church, it’s after the Apostles and them, they come up with the—instead of having the Bible, they come up with the prayer book, and they come up with following the doctrine of the Roman system, and now, today, all of them are gathered in the ecumenical move.

But God is true to His promise. He restored the Bride, brought us back to the faith of the fathers, and the same way He’ll do for the Gentiles [Jews -Ed.]. Because Boaz gave back Ruth what she lost and he gave back Naomi what they lost.

The Elected people in this Hour are the Bride and the 144,000. It is only them who are promised the Holy Ghost. They are the ones who received prophets. Three prophets in the last days: one to the Gentiles before the Rapture; two to the Jews after the Rapture. And between the Gentile Prophet and the Jewish Prophets is

a Super Race, a Super Church, an Invincible Army – the Bride of Jesus Christ.

Quickly, as we go along now, watch. So, Naomi being restored to her homeland, we see that type fulfilled, because that was a type of the Jews coming back to their homeland in the last days. For what? To receive redemption and restoration of their lost inheritance. They don't just come back to live in Israel. They come back to receive redemption and full restoration of their promised inheritance. But right now, we see Naomi in the homeland, but her forfeited inheritance is not yet restored to her. They have not yet gained control of their original borders, the full boundaries of their God-given inheritance. Can you see that?

Remember God told Abraham, "Walk through the land, look east, west, north and south, walk all these places, I'll give it to you for an inheritance." Then we see God coming down in Genesis 15 and making a covenant with Abraham, and the Pillar of Fire, God Himself, passes through the pieces of the sacrifice: three-year-old heifer, three-year-old ram, two turtledoves. And God told him, "All this land, I give to you," and they made a covenant together, he and God. He, the Jews (Abraham's seed; natural seed), these Jews, the elected ones, are coming back to receive everything that God told Abraham.

You remember, you remember. [Bro. Vin speaks to the interpreter who responds in the affirmative -Ed.] Then we saw Joshua when he came, God told him, "From the Lebanon to the going down of the sun to the river Euphrates shall be your coast. All of this land, I give it to you." But they don't have all these original boundaries. They came back, they don't even have the Holy Ghost yet, they don't have the Inside Teacher, they can't understand the revelation. Right now, they are under Rabbis in synagogues. But when Moses and Elijah, the eagle prophets, come on the scene, they'll open up that Word. They will show them their shadows and types in Ruth—

in Naomi rather. They will look back and see. They will see the covenant that God made with Abraham, telling him about the land.

Right now, they are even going to be trapped in a covenant – the nation. I'm talking about the nation now. They are going to be trapped in a covenant with Rome for their money. Because the Jews and Rome have the wealth of the world. But Rome is going to deceive them and take their money because she is a schemer and a deceiver. She is not a Christian; she is a pagan. Neither when God is talking about the Jews, He isn't talking about all these rascals on Wall Street and those kinds of things there. He's talking about the 144,000 who will be sealed with the Holy Spirit under the message of these two eagle prophets.

You hear all these Christian denominations say, "Oh, we want to go to Israel. I feel so holy in the holy land," and all these different things. And they're just caught up in the human spirit because they don't know the Bible. These things have not been... They are blinded from these Truths in the last days because they rejected the Gentile Prophet that came.

How did he die? He said, "God showed the sister the dream." He said, "That church there wants to kill me, but they can't touch me yet until my work is finished. It will be something with my motor car." You think it's just some little accident that took place on the road? No. It was a plan to kill him.

And that's why we watch... Didn't Jezebel want to kill Elijah back there too? And Elijah ran, hiding in a cave, nervous and fearful, and God had to come and say, "What are you doing here, Elijah?" And God had to sustain him and take care of him in that time of the famine and the depression and these things. That represented the translated—Elijah represented the translated saints whom God is taking care of in the Hour of depression, in the Hour of famine.

Bro. Branham, it wasn't there. That is happening now. Elijah here is a two-fold part; we see the Prophet. In the other part, we see the Bride – the translated saints. Because after Elijah turned the hearts of the children back to the faith of the fathers in the Mount Carmel showdown, God told him now, "Go and anoint Elisha," a type of the Bride; Christ and the Church, Elijah and Elisha. And when Elijah went up like Jesus, he sent the Spirit back on Elisha, and Elisha did a double portion of the works that Elijah did, typing the Church. And how, after Jesus ascended, God, through a many-membered body, wrote a Book of Acts. And Christ in the true Church, in the last days, is the continuation of that Book of Acts.

Don't let go; hold on a little longer, because we can't come back for a third part. So, let me try and finish today.

So watch, I'm laying these things in, giving you the shadow, giving you the type, and giving you the prophecy in Joel Chapter 3. So far, we get verse 1: "In those days, and in that time, I will bring again the captivity of Jerusalem." And I showed you how this is foreshadowed in Naomi returning to her homeland. All these things here I've been speaking is that one verse. Now I'm coming to Joel Chapter 3, verse 2. The second verse now, God is bringing again the people. And now in verse 2, He says:

² I will also gather all nations, and will bring them down into the valley of Jehoshaphat, and will plead with them there for my people and for my heritage Israel, whom they have scattered among the nations, [and catch this] and parted my land.

And parted my land. And parted my land. That is something very important. In Abraham's time, he knew the boundaries. God made a covenant with Abraham to confirm. And God confirmed the covenant (Genesis 15)

with Abraham that he will inherit that land and his seed will inherit that land. And Abraham's seed, at the end of the Exodus, the first Exodus, Joshua brought them into the land and, did what? Placed the twelve tribes positionally in their inheritance.

But right now, they're only on a little piece of the land, and there's war with the Syrians, there's war with the Palestinians concerning the land, and they're surrounded by millions of Arabs in the Arab nations, and they are one little small population in the midst of millions and millions of Arabs. And it's constant war. The whole place is volatile. And the Catholic church wants to get a hold of Jerusalem. They say, "The Jews cannot claim Jerusalem as their place." They say, "Because we are Abraham's seed by virtue of Jesus Christ." The Arabs say, "We have a right to it too because we are descendants of Ishmael, and God blessed Ishmael, and Ishmael is one of Abraham's seed, so we have a claim on that territory also." They say, "So you can't claim Jerusalem alone."

So the Arabs hold onto the temple mount, and there is a constant fight now with the Jews on that temple mount because, remember, David was shown where to build the temple, and it was the same place Abraham had offered Isaac, and Isaac is a type of Christ. But after World War I, England and some of the other big nations came together and divided up Jerusalem. That is why God is saying, "You parted My land. You parted My land. I made a covenant. I swear to Abraham, and you come and divide up the land because of your politics, because you want the Arabs there because you and the Arabs are friends, and the Arabs are controlling the place with all the oil."

The Word that proceeds from God's mouth cannot return unto Him void. It must accomplish the purpose. It is impossible for God to lie. When God says something, that is going to happen. And He gave that land and He specified every boundary. Read it in the

Book of Joshua, read it in Genesis 15, read it in every place where God identified that land. And Joshua and Eliezer, by the Holy Spirit, divided up that land and the twelve tribes were set there. But the nations of the earth came and changed it around because these nations were aligned with the Vatican. She was the one behind World War I. She was the one behind World War II and she is the one behind World War III. And the world is set for Armageddon. And who is behind it? The Vatican. All the blood of the saints, all the blood of the martyrs, all the blood of everybody that was slain on the earth is found in her.

God through Zechariah says, "I will make Jerusalem a cup of trembling." He said, "I will make Jerusalem there as a stumbling stone to the nations, a stone of stumbling." They are obsessed with Jerusalem. You know why? Solomon, when he built that temple... The greatest age in the Old Testament was in the time of Solomon, when the Glory of God came down and filled the temple, and the wisest man on earth sat down there, and the kings of the earth from all nations roundabout came to hear the wisdom of Solomon. And Daniel 10 shows you where Satan, he wants to get in the pleasant land, in the glorious land and sit there. That is his ambition, that is his pride. Lucifer wants to... That's why the Pope calls himself the vicar of the Son of God, and they want control of Jerusalem, where Jesus kept the Last Supper and where the Holy Ghost came in the upper room.

All these places, through archeology, they discovered and identified many places, and now they want control because they say they are the head of Christianity. And they want to sit there, with the man of sin, Satan incarnate in the false prophet sitting there, and all the kings of the earth whom they already have under their control and all the rich merchants of the earth whom they already have under their control are going to come there. But the Vatican is to be burned first. When the

Vatican burns, it still has Armageddon. When the Vatican burns in half an hour, that means the Pope is no longer in Italy there; he's in Israel. The man of sin sitting in the temple as God being worshiped as God.

So, after God brought them back in their homeland, He said:

² I will also gather all nations, and will bring them down into the valley of Jehoshaphat [which 'Jehoshaphat' means 'Jehovah has judged'], and [I] will plead with them there...

In other words, when I set up the Supreme Court of Divine Justice, which will be set up outside Jerusalem, I am going to try these nations, these heads of these nations, and I am going to destroy all of them, because all of those nations now come in the ecumenical move and they give their support to the Roman hierarchy. You understand?

But watch the prophecy in Joel. Watch how exact it is and how God's reason for judgment is that they have scattered My people into all nations and they have parted My land.

Well, He brought back the people from all nations, the 144,000, but the land, the boundaries and the original borders aren't restored yet, but they're going to come back.

Don't let go. Keep holding on. We're finishing up.

Now, we go to Joel Chapter 3, verse 3. So, I give you Joel 1 and Joel 2. You watch the prophecies. I showed you where they're fulfilled and where they're being fulfilled. Now we come to verse 3 in Joel Chapter 3. Because remember, Joel is, what? Three chapters: Woe, Woe, Woe; the Fifth Trumpet, the Sixth Trumpet, and the Seventh Trumpet – three wars; three World Wars. The Second Woe is passed, the Third Woe cometh quickly. That War is going to be fought – Armageddon. Oh, my. The lying spirits out of the false prophet and the beast's mouth are, doing what? Gathering them

together into a place called Armageddon. But just before that, what does He say? “I will come as a thief.” In the Sixth Vial, Jesus is saying, “I will come as a thief.” And the Thief has come. Romeo has come to take Juliet out before He brings judgment upon them.

Are you ready to go? I trust that as the Word becomes clear to you, it motivates you, it inspires you, it anchors your faith, and it makes you begin to rise up with greater expectations, focused, because you’re seeing the program of God for this Hour.

Verse 3, Joel 3. After He told them what they did to His people, they scattered them, and then He said, “They parted My land.” He’s numerating their sins and why He’s going to judge them.

*³ And they have cast lots for my people;
and have given a boy for an harlot, and sold
a girl for wine, that they might drink.*

Who are the ‘they’? They have cast lots for My people. Who are they? The Roman power. The one who deals with the kings of the earth and the merchants of the earth. The strange nation that has a lust for these kinds of fruits. Egypt and Sodom. The one... All those pedophile priests. Egypt and Sodom.

Jerusalem is called Egypt and Sodom. Watch where it’s going on. Watch this Vatican system. Watch it.

³ And they have cast lots...

They were the ones behind World War I, World War II, and they’re the ones behind the Third Woe. All this war that went on in Ukraine and is still going on is her bringing the United Nations, bringing NATO, and trying to do everything to stop and take control; get all of them to come against [Russia]. But Russia is a tool. Russia’s symbol is the sickle. Revelation 14, the Son of Man has a sickle in His hand. Communism is a tool in the hand of God that God is going to use to destroy that system.

What did Joel say? “Put-in the sickle.” Oh, my! A man named Putin. A man with the hydro... [Hypersonic missiles – Ed.] these new kinds of weapons that come out that

stunned the whole Western world; supersonic weapons. With the speed, accuracy and power, they're annihilating things.

Watch the Word. Watch the Word. But you see the human trafficking here? Then I'm finishing up in Revelation 18 and we're finished. After Joel 3, I'll go to Revelation 18.

He said:

³ And they have cast lots for my people; and have given a boy for [not a man, you know; a boy] for an harlot, and sold [not a woman;] a girl...

Watch the pedophilia. Watch and see how they have no consideration for people's children – a little boy and a little girl; stole them from some family, trafficked them to these creatures, these beasts. And what is the price? They're getting some wine for it. They have no consideration.

⁴ Yea,

Now, this is God speaking.

⁴ Yea, and what have ye to do with me, O Tyre, and Zidon,

Tyre and Zidon were merchant cities where they had big ships and they controlled all trade and commerce. Tyre and Zidon.

... and all the coasts of Palestine?

⁴ ... what have ye to do with me, O Tyre, and Zidon, and all the coasts of Palestine? will ye render me a recompence? and if ye recompense me, swiftly and speedily will I return your recompence upon your own head;

Watch God threatening them here.

⁵ Because ye have taken my silver and my gold, and have carried into your temples my goodly pleasant things:

When Titus and his army sacked Jerusalem, they came out with all the great menorah, seventeen feet

high, and gold that was in the second court where the candlestick, the table of shewbread and the golden altar of incense were, and they carried these things. And by the Colosseum in Italy, they have the big monument where you see them coming with the menorah. They put it up there to show their victory in the battle and how they took Jerusalem, this mighty city.

Remember the war with the Crusaders and they too? That war continued on from all the way with the Crusader until this present day. The Crusaders today are the American army with eight hundred military bases around the world. Who are they fighting for? The Vatican. Whose country are they taking the wealth and bringing it to? The Vatican.

Aren't you glad that God opened the Seven Seals in the last days and uncovered the schemes of the enemy? These are things happening today in the earth. This is Joel's prophecy.

Verse 6:

6 The children also of Judah and the children of Jerusalem...

Watch again: the children, the children. "We're coming for your children. We're coming for your children." [Gay pride marchers chant in NYC, USA, June 2023 -Ed.] Watch: the children.

... have ye sold unto the Grecians, that ye might remove them far from their border.

They take them from the land here and carry them far away into another place; remove them from their borders. So they're looking all there for them and they can't find them. They don't know where they are. They are already trafficked far away, maybe in a container with a whole group of people, and they're landing in a next country. Because those ships of the sea... The same way the camels, the ship of the desert, the ship of the sand, now the ship of the sea is what is carrying them all over the world in containers there, because you

have these powers, they want this kind of activity, they want this kind of commodity.

Watch how God names... He said, "You sell them to the Grecians." God knows where... He said a sparrow can't fall to the ground that the Heavenly Father doesn't know and see; how much more are you than sparrows? When they take people and traffic them, the police can't find them, the army can't find them, the politicians and they aren't talking about where they are, but God is seeing everybody, God is seeing everyone. And when God speaks and the judgment is coming, it's because every action of every life is recorded while they're on earth. People do not know that.

Are you living on earth? Your life from about twelve years all the way is being recorded. That's why Bro. Branham could tell that woman, "Twenty-five years ago, I saw you." In the prayer line, *Deep Calleth Unto Deep*, he said, "You had a car crash and since you came out, there was something in your throat here," and different things.

And she said, "Yes! Yes! Yes!"

Because he said, "I see you getting younger and younger." And then he said, "Twenty-five years ago."

Then in a next place, he said, "I see you've had seven operations and the doctor did that operation wrong."

Where was he seeing that? The person is standing there but he is looking forty years back into the lives of these people. Why? Because everybody's life is recorded. That's why the Bible said, "And the books are opened and every man will be judged." Why? Because when He opens the book of your life, everything you did on earth is right there. So please, please, please try and live right. Let us take this Word and line up ourselves. Let us take this Word and say, "Lord, wash me in the Blood of the Lamb. Make me whiter than the snow. When that day comes, my book is clear, my book is clean."

This is not a 'costume', playing Christian, and hiding. No, no, no. Know that everybody's life is recorded. Even

your thoughts, he says, speak louder in Heaven than your words on earth. When the devil wants to entice you, seduce you, manipulate you, exploit you, know at that time, think, God is seeing. The angels all around you that you can't see, he says they are taking reports back to the Father. He says this boy is doing certain things that are not right, so and so and so. Then when a person is asked, and they try to deny, it is a big problem.

That's why if you do something wrong, you say, "Lord, please have mercy on me. Forgive me of my sin. Put it in the sea of forgetfulness. Put it in the bleach of the Blood." Let it go back on the devil who was trying to exploit you and manipulate you. That's right. He that covereth his sin will not prosper, but he that confesseth his sin. That is the only way sin could go in the Blood: is through true confession. You confess it, it goes in the Blood, it's no longer upon you, it goes back on the devil who tried to mislead you and seduce you. Isn't God gracious to us?

While God is gathering the people to Armageddon, which that is happening now, watch and see, because the tares are being bundled now. Watch and see. At that time, in the midst of that, human trafficking.

Look at the earthquake in Turkey and Syria. Look at the war in Ukraine – displacement of people. They say tens and tens of thousands of people are disappearing. Why? Human traffickers taking them. They're running for their life – war, bombs falling. They are leaving house, leaving furniture, leaving everything they could leave and just taking little valuables and running. And they are running away from the battlefield where places are being blown up and everything else, villages are being destroyed, cities are being rocked to their core, and it's a war zone. And while they are running, there are men with the net, so to speak, to take them up, deceive them: "Come. We have shelter, get some food for you, help you to get a place to stay until you could

recuperate.” And next thing you know, they are being trafficked, because war is necessary for trafficking, and trafficking comes out of war.

So, watch these three verses here: 6, 7 and 8, Joel 3.

6 The children also of Judah and the children of Jerusalem have ye sold unto the Grecians,

Remember He said a boy sold for a harlot; they sold a girl for wine. See? He said,

... that ye might remove them far from their border [traffic them out].

7 Behold, I will raise them out of the place whither ye have sold them, and will return your recompence upon your own head:

8 And I will sell your sons and your daughters into the [hands] of the children of Judah, and they shall sell them to the Sabeans, to a people far off: for the LORD hath spoken it.

He said, “You sell these, I will sell your sons and your daughters into the hand of the children of Judah,” the Jews there. And Jews also are in the trafficking business:

... they shall sell them to the Sabeans, to a people far off: for the LORD hath spoken it.

Sabeans are like Arabian traffickers. So, the Lord is laying out this.

Now, I’m going to skip out some and just come to my last Scripture and close with that. I’m sure the ministers will be able to fill in the places I’m leaving out because...

Now, this is the closing. Service is closing up here. The eighteenth chapter of Revelation, verse 1.

Now remember 17, 18 and 19 are three chapters between the Vials and the Millennium. Revelation 20 is the Millennium, Revelation 16 is the Vials. So, 17, 18 and 19 is like a breach. And these three chapters, Revelation 18, 17, showing the great harlot and showing

that she will be judged, a city on seven hills; showing the official colors: purple, white (which is linen) and scarlet...red, white, blue and these things, and showing the official colors of the Vatican. See? Red, white and purple – official colors of the Vatican.

That is the only city on seven hills in the earth. So, God knows that when He speaks in this symbolic language, when He encrypts these things, He knows that when the Spirit of Truth comes, It will lead people to find out which city is on seven hills, because it doesn't have ten; it has one, and that one is connected to the blood of the prophets and the saints and the martyrs of Jesus. And geography and history will show you sixty-eight million died in the Dark Ages.

So, the Bible is speaking a language, condensing the Truth, sealing It up, but the Spirit is going to come and open those things. That's why I show you the human trafficking from Genesis all the way to Revelation. The seed comes back to seed.

When you do not know these principles of the Bible and how to apply them, well, then you're just reading a chapter here, read something over here, read something over here. You do not know how to connect these things. And that is really...you find that in the five office gifts. Outside of there, you don't find anybody there who can go into those things, because the five-fold ministry is for the unity of the faith. That is put in the mystical Body for the Body, to bring the Church to perfection. And those are gifted men who have been dealt a measure of that Word according to the ministry that God has, and these men are in the nations of the earth. That is why it had a Bride coming from all nations, because these men, the Truth that they ministered, awakened and brought out the Elect in those places.

So, we are closing up here. Revelation 18:1.

¹ And after these things I saw another angel come down from heaven, having great

power; and the earth was lightened with his glory.

Chapter 17, we saw an earthly angel talking to John, which was the Prophet, and saying, “Come; I will show you the judgment of the great whore.” But this Angel that is coming down from Heaven is the same One in Revelation 10:1 who came down from Heaven with the opened Book. This is the same One – Christ.

¹ ... having great power; and the earth was lightened with his glory.

² And he cried mightily with a strong voice, saying, Babylon the great is fallen, is fallen, and is become the habitation of devils, and the hold of every foul spirit, and a cage of every unclean and hateful bird.

³ For all nations...

Remember all nations are gathered by the lying spirits coming out of the false prophet’s mouth, coming down into a place called Armageddon where God will judge them? We just read it. Now we are seeing all nations here.

³ ... have drunk of the wine of the wrath of her fornication,

And the heads of those nations are kings of the earth.
... and the kings of the earth have committed fornication with her,

These are principalities and powers, the kings of the earth, rulers of nations, and they are in close connection with the Vatican, this woman. Fornication is idolatry; false worship to Lucifer. They offer human sacrifices and these things. They pray to Baal and all these old devils, Beelzebub and all these different things, to get wealth, to get power.

That is why in all these nations, they have all these singers, all these different artistes, and they bring them into their circle and they use them as pied pipers to sing their songs. Like the pied piper carrying millions of souls with them to hell. Put them into movies and make

them famous and popular, enchant and mesmerize a generation and seduce them into idolatry: fashion idols, sports idols, movie idols, music idols, all these different idols. It's an Age of idolatry. Because these same devils are now incarnate in people. They come from the underworld and they come here into the earth because this generation has rejected the Light. This is the condemnation: Light is come but they choose darkness rather than Light because their deeds were evil.

So, watch.

... the kings of the earth have committed fornication with her, and the merchants of the earth...

Kings of the earth and merchants of the earth.

... are waxed rich through the abundance of her delicacies.

What are her delicacies? The things that she likes: a little boy, a little girl. All those nuns in the nunnery, they are the vestal virgins. All the lime pits by the Vatican where they put all these children into the lime pits, aborted babies. Yet, talking about, "Abortion, abortion, God hates abortion. God hates abortion." Yet with a little ashes on your forehead and you do the rosary a few times and you make two novenas, everything is gone. Not the Blood of Jesus Christ; their rituals. You understand?

Now, I may get killed for this, but I am preaching the Truth. My life is in God's hand. They already tried to kill me. I could have been dead already. But watch.

⁸ Therefore shall her plagues come in one day, death, and mourning, and famine; and she shall be utterly burned with fire: for strong is the Lord God who judgeth her.

⁹ And the kings of the earth, who have committed fornication...

Worshiped idols. That's when they go down there and bow down to the Pope, they kiss the ring. See? Then a lot of these kings of the earth... You should maybe read

up on some of those things. You're seeing that place, that big grove in Los Angeles, in California there, where they go and all of them use to worship Behemoth and all the different kinds of devils inside of there, and carry on their crazy orgies and all of these different things. You see, like what the Grecians used to do in the Olympics, running naked everywhere. Also in Italy, Mount Vesuvius, when the volcano began to explode, the last days of Pompeii, that the Prophet said, in Los Angeles, it will be worse than the last days of Pompeii. He said, "The wrath of God is belching beneath you and all this place is going to go forty miles out in that fault yonder. Oh, Los Angeles, Los Angeles, if only you had obeyed His Word." See. No. They don't want that.

Watch all the evils of Hollywood that have come out in these recent times here: all the pedophilia, all these different things, all the worship to other gods and children sacrifice that have come out, that is in Hollywood. All of that is going – Hollywood. We don't want Bollywood. We don't want Hollywood. We want Holy Word. Holy Word that can wash us clean, that can give us faith to overcome this evil. Holy Word that can open up and expose these devils.

⁹ And the kings [verse 9] ... committed fornication and lived deliciously with her,

Watch the language. They lived... She is a whore. She is the great harlot. She is the woman who sets her bed, mingles her wine and says, "Come and lay with me." Read Proverbs 6. Her gates are the gates of hell, the Bible says. She is the adulterous woman that hunts the precious life. Solomon talked about her. And when those kings of the earth,

¹⁰ Standing afar off for the fear [the radiation, you see?] of her torment, saying, Alas, alas, that great city Babylon, that mighty city! for in one hour is thy judgment come.

Notice, she is not destroyed by earthquakes or hurricane, but by atomic fire, by a nuclear bomb. Her plagues, her burning, her torment, in one hour!

¹¹ And the merchants of the earth...

This is the strange nation. Egypt and Sodom. This is the strange nation.

¹¹ And the merchants of the earth shall weep and mourn over her; for no man buyeth their merchandise any more:

¹² The merchandise of gold, and silver, and precious stones,

Like diamonds, and emeralds, and rubies, and jaspers, and sapphires. See? Mining operations, resources from the earth; merchandise.

... and of pearls [pearls are from the sea], and fine linen, and purple, and silk, and scarlet, and all thyine wood, and all manner vessels of ivory, and all manner...

Watch the commodities. Watch the merchants of the earth. Remember Genesis 37, they had their spices, they had their odors, they had their different things, plus they had human souls going. Watch. We are in Revelation now. Watch how Genesis comes here.

... all manner vessels of ivory, and all manner vessels of most precious wood, and of brass, and iron, and marble,

¹³ And cinnamon, and odours, and ointments, and frankincense, and wine, and oil, and fine flour, and wheat, and beasts, and sheep, and horses, and chariots, and slaves, and souls of men.

Selling slaves, trading in souls of men. Get ready. [Bro. Vin speaks to technicians -Ed.] Selling and trading... Watch the kind of merchandise.

¹⁴ And the fruits that thy soul lusted after...

What kind of woman is this? This strange nation, this evil system, their soul lusting for a little boy, for a little

girl – homosexuals, pedophiles. All these so-called priests, celebrated priests who they say don't marry, most of them are homosexuals. All those little children, over six thousand in Canada where they dug up the graves, that they raped and destroyed these little children and then buried them without any conscience. Setting up schools and orphanages, they're stables, they're prison houses for the commodity that they want to sell and traffic in. The evil merchandise, the commodities that these rich merchants... These rich merchants of the earth who are the suppliers to this system whose soul is lusting after these fruits. The Midianites knew, and the Ishmaelites in Joseph's time, they were carrying certain fruits, certain products, certain commodities that the soul of Egypt lusted after, and they were being made rich by these. That is your seed, that is your chapter in Genesis. Here it is in Revelation. Watch the same spirit. Spirits don't die. The same spirit that was in Egypt is the same spirit that is in Rome; same devils in the ecumenical move!

... and all things which were dainty and goodly are departed from thee, and thou shalt find them no more at all.

¹⁵ The merchants of these things, which were made rich by her,

You see?

¹⁵ The merchants of these things, which were made rich by her, shall stand afar off for the fear of her torment, weeping and wailing,

¹⁶ And saying, Alas, alas, that great city, that was clothed in fine linen, and purple, and scarlet, and decked with gold, and precious stones, and pearls!

¹⁷ For in one hour so great riches is come to nought. And every shipmaster, and all the company in ships, and sailors, and as many as trade by sea, stood afar off,

In Genesis, in that primitive time, they were trading by merchants with camels coming across the desert, ships of the desert. Here in this Age, they have those great, big, massive ships bringing all kinds of goods and these things to the shores in almost every nation in the world, bringing their commodities.

¹⁸ And cried when they saw the smoke of her burning, saying, What city is like unto this great city!

This woman with her cup of abominations who have drunken the nations of the earth and who have made mad the people in this last Age upon the face of the earth. This evil, adulterous woman, the great harlot, this system that all the churches and Buddhists, and Hindus, and Mohammedans, and all Protestants, all of them unite together to come back for a one world religion, a one world economy. All of them come back in the last days.

And It said,

... for thy merchants...

This is verse 23 and 24.

... for thy merchants were the great men of the earth; for by thy sorceries were all nations deceived.

All her witchcraft, all her things that she does when those kings of the earth and they go down into the Vatican, and all the concordats and agreements and treaties that they have with the Vatican. See?

²⁴ And in her was found the blood of the prophets, and of the saints, and of all that were slain upon the earth [was found in her].

And 'sorceries' there is a word called '*pharmakeia*.' Pharmakeia is where you get 'pharmacy' from. Medication, pharmacy, drugs, magic, sorcery, witchcraft. Sorceries is a word called '*pharmakeia*'. It's drugs. That was the biggest industry, the drug trade. Then we come into weapons, selling weapons all over

the world. Yet it is only about five countries who produce all the weapons in the world, but they spread it into the nations, create civil war and bring destruction. Then they go in to say, "We come to bring peace," and then they begin to take control and restructure the nations. It is all a game.

Pharmakeia, the drug trade. Then we have human trafficking and organ harvesting.

We want to show you a little clip here, one minute and twenty-six seconds in India. I want you to see there are things in the earth that people say, "Is that really happening in the world? Is that really going on?" Because you see, some people are so naive, they don't study the Scriptures, and they don't see what is happening in the world – how Satan has built his Eden, a different kind of Eden, and how men have become possessed with these two hundred million supernatural devils that are loosed from that pit and are now, the Prophet said, in those men and women in the earth. This last generation, the evil and adulterous generation that will be turned into ashes under the atomic bomb in these last days. Just like God drowned the world in water in the days of Noah, this time He is going to burn it with fire in this last Day.

So, I pray now and close the meeting and show you this.

Gracious Father, once again we have taken this time and the people have made this great tremendous sacrifice to sit, Lord, and hear this Word. May each group and each minister in every place, even the ones that we do not know, Lord, Your people, Father, may You have them under Your Divine consideration, dear God, as they look into the Scriptures, as they come to be awakened, as they come to recognize hell is created on the earth. "We are walking in the prison house," the Prophet said. He said, "Where the world is walking in that prison house." But You have quickened a people and raised them up above these things. And, dear God,

they live in Heavenly Places, but they can look and see the gross darkness upon the earth and upon the people. Principalities, powers, spiritual wickedness in high places, Lord, the rulers of the darkness of this world. Lord God, this Satan's Eden where everything is perverted, and Lord, it is an Eden of death, an Eden of science, an Eden of sin and degradation and these things.

Oh, gracious God, how we pray that, Lord, You will pour out special grace; give great increase to Your ministers, to the believers in every place, dear God, in this dark Hour, Lord God, knowing that all hell is against this Truth. And dear God, we know that this great persecution as the Prophet said, people will be hunted down like dogs and everything else. But, dear God, before those things reach a place where it is not ordained to be in this Hour, You will take Your people off the face of the earth. The Bride will go, Father, and Lord, then all hell will break loose.

And Lord, we pray that even this little clip we want to show here at this stage, just the view of it, Lord, is something that some people might not be able to even sit and watch it properly and it might affect some in a very adverse way but, oh God, we are not doing this to mess up the minds of the people but that people can see that these sayings are faithful and true. It is not just some type of...because the media will not show these things and they have the people in the dark, yet these things are happening all over the world in so many places, Father. Oh God, that some people, the reality will strike them and they will stop playing church and they will tighten their belt as it were and fasten their sandals on and, Lord God, be robed in the revelation of Your Word and, Lord, run with everything, oh God, run for the incorruptible prize in this Hour. May You grant it, oh God.

We thank You once again for all the ministers, the grace and the favor even to meet; they give me the

opportunity to speak a little bit. And all the precious friends and brothers, Lord, that are with us in this ministry, dear God, what we call Strategic Alliance in this great global warfare when all hell is coming against the Bride, yet Lord, we can find true unity and we can see You give grace through Your ministering servants, Lord, the different gifts, all Your gifts, Lord, that You put something, a measure inside of each one, Father, for Your service.

So, may You bless and give increase. We pray and we ask these things with thanksgiving in Jesus' precious Name. Amen and amen.

And may God bless you all. God be with you. Enjoy the rest of your day as I turn the service back over to Bro. Deepak and Bro. Bhupinder. Amen.
